# Label of Love Limited

## Report of Trustees/Directors – Year Ending 31<sup>st</sup> August 2023

We believe that God made each individual person in His own image and gave us the potential to know the greatest love you can ever know; literally his “Label of Love”. So, every person, young or old, can hold their head high, and show off the ultimate label that says: **“You are amazing”**. Label of Love is a Christian charity that seeks to take this message to young people in the Hull and surrounding area.

Principally we do this through supporting young people in local primary and secondary schools: we run assemblies, take lessons, and hold workshops and youth events, all based implicitly, and where appropriate explicitly, on the values and impact that the Christian faith has on people. Alongside this we aim to build up their self-confidence, wellbeing and personal health through the medium of the arts. In this we have had regard to the Charity Commission’s guidance on public benefit when considering how activities will contribute to our overall aims and objectives.

The financial statements included here comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)

### **1. ACTIVITY, ACHIEVEMENTS AND PERFORMANCE**

Here is the range of activities that we have undertaken in the last 12 months.

#### **WORK IN SCHOOLS**

We have maintained the work we do with primary and secondary schools, using music, drama, games, discussion and activities to communicate our subject. Over the last 12 months we have delivered lessons, workshops, assemblies and mentoring in several schools across Hull and East Yorkshire: -

- South Hunsley School
- Eastington Primary
- Archbishop Sentamu Academy
- Elloughton Primary

We have maintained a strong relationship with South Hunsley School including delivery of a combination of collective worship, a lunchtime club and mentoring sessions.

Label of Love has a large portfolio of unique lessons and assemblies, which have been written by our schools' team. We can present a range of lessons to cover parts of the RE, PSHE and CITIZENSHIP curriculums, as well as offering RE revision sessions for Year 11 pupils. Our aim is to deliver these lessons in a fresh, relevant and interesting way, whilst maintaining an opportunity for the pupils to achieve their learning objectives. As a legacy of the difficulties posed by covid19, we are now able to offer livestreamed sessions as well as face-to-face in school and some of our assemblies are available as online videos via YouTube. We also have a series of videos on positive mental health that are designed to give students support at home presenting tools to make you feel better about yourself, manage emotions, stay on track or simply make you smile that are now also available via YouTube.

## **ARCHBISHOP SENTAMU ACADEMY**

The Label of Love team has worked in partnership with the school's chaplain, Rev Ann Richards to run a series of prayer spaces within the school and has since started holding one-to-one support sessions with pupils.

## **WORK WITH THE LOCAL EDUCATION PARTNERS**

### **REaction**

REaction is an annual tour originally organised by a partnership between the East Riding LEA and the Anglican Diocese of York but now run by Label of Love and Sue Holmes (former RE co-ordinator for East Riding LEA) on a self-funding basis. A charge is made to participating schools to help fund the events, as well as obtaining grant funding where possible. The continuing feedback is very positive, and schools are very receptive to the events.

The aim of REaction is to bridge the gap between local primary and secondary schools. This is achieved by holding a day of workshops based on a theme from the RE curriculum for Y6 primary pupils which gives pupils an opportunity to mix with those from other schools that will be going to the same secondary school in the September. REaction gives pupils the opportunity to explore aspects of the Christian faith in a creative and accessible way.

This year's events were based on a theme of Pilgrimage. Different workshops explored different elements of a pilgrimage with its highs and lows through first-hand accounts. Pupils looked at transition and embracing change through the eyes of people of faith.

They also looking at history to understand how the actions of pilgrims in the past can impact our lives today as well as looking forward and asking if pilgrimage is still relevant to us in the modern world.

### **REaction 2**

REaction2 is now a key part of the team's year. It is for year 2 & 3 primary pupils using the same successful format as REaction. Its aim is to give pupils an opportunity to explore aspects of the Christian faith in a secure environment, using creative mediums to communicate the subject. One of this year's events was designed around a theme of 'Justice and Freedom' looking at both its meaning and its impact on us today. A series of workshops including social action and drama posed the question '**can one person make a**

**difference to issues of social justice and global inequality?’** and looked at the power of forgiveness and reconciliation on both a personal and global level. Students also spent time reflecting on freedom and what that means for individuals, both those with and without faith.

The other event was designed as a Festival of Light. Through music, drama and crafts, pupils learned about the Jewish festival of Hanukkah as well as learning about the symbolism of Christingles and having a go at making their own.

#### **REaction4**

Reaction4 events this year was based around the theme of ‘Faces of Easter’ exploring how different people respond to Jesus’ life, death and resurrection. This included looking at what difference has the resurrection made to Christian believers? And asking what impact has the church had globally since the life of Jesus?

#### **OTHER WORK OF LABEL OF LOVE**

##### **YOUTHWORK**

##### **Hunsley Christian Youth Trust (HCYT)**

Label of Love have continued in partnership with HCYT to deliver mentoring sessions in both group and 1-1 formats, assemblies and a lunchtime club in South Hunsley school.

##### **Beverley Schools Christian Trust (BSCT)**

Label of Love have continued to work in partnership with BSCT this year working together to offer ‘Prayer Space’ in Easttrington primary school. This is a lunchtime club that aims to give children a safe and imaginative space to explore how they are feeling, how others might be feeling and how they can connect with God. Using different themes, such as Hope, Friendship and Forgiveness, it offers creative ways for them to think, create and pray.

## **2. FINANCES & GOVERNANCE**

#### **INCOME AND FUNDING**

Although total income has fallen this year, donations have increased compared to last year. Activity income from REaction and contracted income have risen compared last year, although schools work has dried up for now and there has been no grant income this year.

- Total donations have risen by about 14% this year whilst reaction income has increased by approx. 16% and income from contracted work by approx. 13%.

- There was no grant income this year.
- In such difficult and uncertain economic times, we are pleased that underlying income has remained robust.

## **EXPENDITURE**

Total expenditure has fallen again compared to the previous year. This is due primarily to a reduction in salary costs. The team are to be congratulated on maintaining their cost control.

## **GOVERNANCE AND INTERNAL CONTROL**

The Trustees/Directors continue to meet regularly to review and input into the work of Label of Love and receive a monthly overview of finances alongside the Project Manager's report and a staff member report. Cash flow is reviewed in more detail twice a year and particularly two months before the end of the financial year, when a budget for the next year is agreed based on current costs and income levels.

There is also a regular focus on processes and policies including an annual review of DBS checks – the trustees are grateful that the secretary has now been trained to manage this side of the work alongside the team.

## **APPOINTMENT OF TRUSTEES**

The minimum number of trustees is three. The original trustees were the persons notified to Companies House as the first directors of the charity. Subsequently, trustees have been appointed by the annual general meeting in accordance with the regulations laid down in the Articles of Association.

New trustees are given a Trustee Induction Pack and description of responsibilities and are invited to meet with trustees, employees and volunteers.

A skills audit of the trustees is held from time to time, and when filling vacancies every effort is made to have regard for specialist skills that might be needed.

None of the trustees receives remuneration or other benefit from their work with the charity. Any conflicts of interest must be disclosed.

## **LABEL OF LOVE AS "GOING CONCERN"**

Despite financial challenges across the whole third sector, Label of Love can demonstrate that it has been, and continues to be, managed in a financially sound way.

- It is not over-reliant on one form of funding, with donations from individuals and churches, alongside a few small grants, and direct support from schools.
- It is not subject to the major reductions in statutory funding that have occurred in the past few years.

- Ongoing monitoring of future funding is in place: 30.6 % of income was by regular standing order which is sufficient to cover the salaries of the staff for 4 months; there is an ongoing push to build up the number of regular givers as well as generate more event income.
- A budget is developed at the start of each financial year for review by the trustees. When staff leave the organisation, the trustees review the future funding position to consider the best options for future team shape in order to be financially prudent.
- The Charity has maintained liquid assets to cover at least 2 months of salaries; the staff understand this – for example, the project manager and team regularly review the cash flow specifically at designated trustee meeting.
- Finally, our accounts are inspected each year by a trained accountant and have been signed off without problem every time.

#### **EXEMPTIONS FROM DISCLOSURE**

None

#### **FUNDS HELD AS CUSTODIAN TRUSTEES ON BEHALF OF OTHERS**

N/A

#### **RESERVES POLICY**

The policy is to retain sufficient reserves to manage continuity and to provide cover for any unforeseen emergency expenditure, including salaries and when necessary, redundancy payments. At present three months expenditure are to be safeguarded as reserves with the current requirement being £6,000.

### **3. THE FUTURE**

#### **AIMS FOR 2023 - 2024**

As Label of Love, we are still very passionate to see our work grow in both scale and depth. In 2023-24 we will particularly work on the following:

- Schools Team – We aim to return to visiting schools in the local area and provide Assemblies, Lunchtime Clubs, Workshops and Lesson Sessions. Our aim is to develop the relationships with more schools. We hope to continue offering quality mentoring support.
- REaction & REaction2 & 4 – We will continue to be a part of the REaction team.
- Youth Activities – We will continue to offer our experience and services to youth organisations who need help with activities.

- Churches – We want to increase the number of churches that know about and support the work of the Charity
- Donations: We want to further develop our funding security through personal and church donations, especially with personal contact, and through grant income and one-off initiatives.

# Independent Examiners Report to the Trustees of Label of Love Limited

---

I report to the trustees on my examination of the accounts Label of Love Limited for the year ending 31 August 2023.

## Responsibilities and basis of report

As the charity trustees of the charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the Act.

## Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes on the accounts – YEAR ENDED 31<sup>st</sup> AUGUST 2023

### Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Label of Love meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

#### b) Preparation of the accounts on a going concern basis

The accounts are prepared on a going concern basis. The trustees are not aware of any issues that would prevent this basis being used

#### c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

#### d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

Expenditure on charitable activities includes the costs of educational activities undertaken to further the purposes of the charity and their associated support costs.

#### e) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

## f) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

## g) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

## h) Pensions

Pensions are offered to the employees of the company through the Governments NEST scheme.

## Legal status of the Charity

The Charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

## **Report of Trustees/Directors - Year Ending 31<sup>st</sup> August 2022**

We believe that God made each individual person in His own image and gave us the potential to know the greatest love you can ever know; literally his “Label of Love”. So, every person, young or old, can hold their head high, and show off the ultimate label that says: **“You are amazing”**. Label of Love is a Christian charity that seeks to take this message to young people in the Hull and surrounding area.

Principally we do this through supporting young people in local primary and secondary schools: we run assemblies, take lessons, and hold workshops and youth events, all based implicitly, and where appropriate explicitly, on the values and impact that the Christian faith has on people. Alongside this we aim to build up their self-confidence, wellbeing and personal health through the medium of the arts. In this we have had regard to the Charity Commission’s guidance on public benefit when considering how activities will contribute to our overall aims and objectives.

The financial statements included here comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)

### **1. ACTIVITY, ACHIEVEMENTS AND PERFORMANCE**

Here is the range of activities that we have undertaken in the last 12 months.

#### **WORK IN SCHOOLS**

We have maintained the work we do with many primary and secondary schools, using music, drama, games, discussion and activities to communicate our subject. Over the last 12 months we have delivered lessons, workshops and assemblies in several schools across Hull and East Yorkshire: -

|---|---|
| <input type="checkbox"/> South Hunsley School | <input type="checkbox"/> Archbishop Sentamu Academy |
| <input type="checkbox"/> Keldmarsh Primary    | <input type="checkbox"/> Longcroft Secondary School |
| <input type="checkbox"/> Lockington Primary   | <input type="checkbox"/> Elloughton Primary         |
| <input type="checkbox"/> Driffield Primary    | <input type="checkbox"/> Martongate Primary         |

We have maintained a strong relationship with South Hunsley School including delivery of a combination of collective worship, a lunchtime club and mentoring sessions.

Label of Love has a large portfolio of unique lessons and assemblies, which have been written by our schools' team. We can present a range of lessons to cover parts of the RE, PSHE and CITIZENSHIP curriculums, as well as offering RE revision sessions for Year 11 pupils. Our aim is to deliver these lessons in a fresh, relevant and interesting way, whilst maintaining an opportunity for the pupils to achieve their learning objectives. As a legacy of the difficulties posed by covid19, we are now able to offer livestreamed sessions as well as face-to-face in school and some of our assemblies are available as online videos via YouTube. We also have a series of videos on positive mental health that are designed to give students support at home presenting tools to make you feel better about yourself, manage emotions, stay on track or simply make you smile that are now also available via YouTube.

### **ARCHBISHOP SENTAMU ACADEMY**

The Label of Love team has worked in partnership with the school's chaplain, Rev Ann Richards to run a series of prayer spaces within the school.

### **WORK WITH THE LOCAL EDUCATION PARTNERS**

#### **REaction**

REaction is an annual tour originally organised by a partnership between the East Riding LEA and the Anglican Diocese of York but now run by Label of Love and Sue Holmes (former RE co-ordinator for East Riding LEA) on a self-funding basis. A charge is made to participating schools to help fund the events, as well as obtaining grant funding where possible. The continuing feedback is very positive, and schools are very receptive to the events.

The aim of REaction is to bridge the gap between local primary and secondary schools. This is achieved by holding a day of workshops based on a theme from the RE curriculum for Y6 primary pupils which gives pupils an opportunity to mix with those from other schools that will be going to the same secondary school in the September. REaction gives pupils the opportunity to explore aspects of the Christian faith in a creative and accessible way.

This year's events were designed around a theme of 'Justice and Freedom' looking at its meaning and its impact on us today. A series of workshops including social action and drama posed the question '**can one person make a difference to issues of social justice and global inequality?**' and looked at the power of forgiveness and reconciliation on both a personal and global level. Students also spent time in the church grounds, using the space to reflect on freedom and what that means for individuals, those with and without faith.

We also had our very own street party celebrating the Queen's Platinum Jubilee while considering moral and historical thinking; asking '**why we relate to and respect others?**' with the Queen herself being a model of justice and reconciliation.

## **REaction 2**

REaction2 is now a key part of the team's year. It is for year 2 & 3 primary pupils using the same successful format as REaction. Its aim is to give pupils an opportunity to explore aspects of the Christian faith in a secure environment, using creative mediums to communicate the subject. The events held during the Autumn and Spring terms this year looked at the life of St John of Beverley who died 1300 years ago and discovering his legacy. Each event was split between Beverley Minster and St Mary's Church, Beverley with the switch between the 2 venues including a 'pilgrimage' through Beverley town centre. A central thread running through the day looked how elements of the monastic life are useful in our own daily lives as well as how monasteries inspired the first hospitals, schools and foodbanks. Each day included a sensory tour of the two different places of Christian worship through sight, sound and touch.

In a series of workshops, the children looked at aspects of a monk's life from their care for their environment, self-sufficiency and recycling, through the art of beautiful, illuminated manuscripts to their hospitality to travellers and offer of a place of sanctuary and how we can show compassion to those seeking sanctuary in today's world. They got to try out medieval writing and planting seeds.

When one school were unable to come due to a high incidence of covid19 cases, Label of Love took our workshops to the school.

## **REaction4**

Reaction4 events this year took the same theme and format of the 'St John - Man, Monk, Miracle Worker' events of REaction 2 but with the workshops and activities redesigned to be age appropriate .

## **OTHER WORK OF LABEL OF LOVE**

### **YOUTHWORK**

#### **Hunsley Christian Youth Trust (HCYT)**

Label of Love have continued in partnership with HCYT to deliver mentoring sessions in both group and 1-1 formats, assemblies and a lunchtime club in South Hunsley school.

We have also been involved in transition events at South Hunsley school for year 6 primary school pupils who were due to start Year 7 there.

#### **Beverley Schools Christian Trust (BSCT)**

Label of Love have continued to work in partnership with BSCT this year. Having produced a series of videos last year on mental health in conjunction with Cathy Beynon, Adam has continued to work with her on local primary school assemblies and a lunchtime club in Longcroft Secondary school in Beverley. They have also worked together to offer 'Prayer Space' in Woodmansey primary school. This is a lunchtime club that aims to give children a safe and imaginative space to explore how they are feeling, how others might be feeling and how they can connect with God.

Using different themes, such as Hope, Friendship and Forgiveness, it offers creative ways for them to think, create and pray.

## **2. FINANCES & GOVERNANCE**

### **INCOME AND FUNDING**

Total income has risen this year. Donations have increased by about 10% compared to last year. Activity income from REaction and schools work, as well as grants and contracted income have all risen compared last year. Event income has also increased as in person events are able to return to our programme.

- Total donations have risen this year, with increased church donations and individual donations whilst standing orders remained fairly static.
- Grant income has been received from the Joseph & Anie Cattle Trust, the Souter Trust and the Hull & East Riding Charitable Trust each giving a grant of £2,000, as well as £150 from the Rev James Graves charity.
- In such difficult and uncertain economic times, we are pleased that underlying income has remained robust.

### **EXPENDITURE**

Total expenditure has fallen again compared to the previous year. This is due primarily to a reduction in salary costs. The team are to be congratulated on maintaining their cost control.

### **GOVERNANCE AND INTERNAL CONTROL**

The Trustees/Directors continue to meet regularly to review and input into the work of Label of Love and receive a monthly overview of finances alongside the Project Manager's report and a staff member report. Cash flow is reviewed in more detail twice a year and particularly two months before the end of the financial year, when a budget for the next year is agreed based on current costs and income levels.

There is also a regular focus on processes and policies including an annual review of DBS checks – the trustees are grateful that the secretary has now been trained to manage this side of the work alongside the team.

### **APPOINTMENT OF TRUSTEES**

The minimum number of trustees is three. The original trustees were the persons notified to Companies House as the first directors of the charity. Subsequently, trustees have been appointed by the annual general meeting in accordance with the regulations laid down in the Articles of Association.

New trustees are given a Trustee Induction Pack and description of responsibilities and are invited to meet with trustees, employees and volunteers.

A skills audit of the trustees is held from time to time, and when filling vacancies every effort is made to have regard for specialist skills that might be needed.

None of the trustees receives remuneration or other benefit from their work with the charity. Any conflicts of interest must be disclosed.

### **LABEL OF LOVE AS “GOING CONCERN”**

Despite financial challenges across the whole third sector, Label of Love can demonstrate that it has been, and continues to be, managed in a financially sound way.

- ☐ It is not over-reliant on one form of funding, with donations from individuals and churches, alongside a few small grants, and direct support from schools.
- ☐ It is not subject to the major reductions in statutory funding that have occurred in the past few years.
- ☐ Ongoing monitoring of future funding is in place: 31.8 % of income was by regular standing order which is sufficient to cover the salaries of the staff for 4 months; there is an ongoing push to build up the number of regular givers as well as generate more event income.
- ☐ A budget is developed at the start of each financial year for review by the trustees. When staff leave the organisation, the trustees review the future funding position to consider the best options for future team shape in order to be financially prudent.
- ☐ The Charity has maintained liquid assets to cover at least 2 months of salaries; the staff understand this – for example, the project manager and team regularly review the cash flow specifically at designated trustee meeting.
- ☐ Finally, our accounts are inspected each year by a trained accountant and have been signed off without problem every time.

### **EXEMPTIONS FROM DISCLOSURE**

None

### **FUNDS HELD AS CUSTODIAN TRUSTEES ON BEHALF OF OTHERS**

N/A

### **RESERVES POLICY**

The policy is to retain sufficient reserves to manage continuity and to provide cover for any unforeseen emergency expenditure, including salaries and when necessary, redundancy payments. At present three months expenditure are to be safeguarded as reserves with the current requirement being £4,000.

## **3. THE FUTURE**

**AIMS FOR 2022 - 2023**

As Label of Love, we are still very passionate to see our work grow in both scale and depth. In 2022-23 we will particularly work on the following:

- Schools Team - We aim to return to visiting schools in the local area and provide Assemblies, Lunchtime Clubs, Workshops and Lesson Sessions. Our aim is to develop the relationships with more schools
- REaction & REaction2 & 4 - We will continue to be a part of the REaction team.
- Youth Activities - We will continue to offer our experience and services to youth organisations who need help with activities.
- Churches - We want to increase the number of churches that know about and support the work of the Charity
- Donations: We want to further develop our funding security through personal and church donations, especially with personal contact, and through grant income and one-off initiatives.

#### FINANCIAL REVIEW

The results for the year are set out in the annexed financial statements.

BY ORDER OF THE BOARD

Signed: ..... Date: .....

Name: .....

I report to the trustees on my examination of the accounts of Label of Love Limited (the charity) for the year ending 31 August 2022.

**Responsibilities and basis of report**

As the charity trustees of the charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

# Notes on the accounts - YEAR ENDED 31<sup>st</sup> AUGUST 2022

## Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

### a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Label of Love meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

### b) Preparation of the accounts on a going concern basis

The accounts are prepared on a going concern basis. The trustees are not aware of any issues that would prevent this basis being used

### c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

### d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

Expenditure on charitable activities includes the costs of educational activities undertaken to further the purposes of the charity and their associated support costs.

### e) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

## **f) Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

## **g) Financial instruments**

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

## **h) Pensions**

Pensions are offered to the employees of the company through the Governments NEST scheme.

## **Legal status of the Charity**

The Charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

## **Income Analysis**

## Report of Trustees/Directors – Year Ending 31<sup>st</sup> August 2021

We believe that God made each individual person in His own image and gave us the potential to know the greatest love you can ever know; literally his “Label of Love”. So, every person, young or old, can hold their head high, and show off the ultimate label that says: “**You are amazing**”. Label of Love is a Christian charity that seeks to take this message to young people in the Hull and surrounding area.

Principally we do this through supporting young people in local primary and secondary schools: we run assemblies, take lessons, and hold workshops and youth events, all based implicitly, and where appropriate explicitly, on the values and impact that the Christian faith has on people. Alongside this we aim to build up their self-confidence, wellbeing and personal health through the medium of the arts. In this we have had regard to the Charity Commission’s guidance on public benefit when considering how activities will contribute to our overall aims and objectives.

The financial statements included here comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)

### **1. ACTIVITY, ACHIEVEMENTS AND PERFORMANCE**

Here is the range of activities that we have undertaken in the last 12 months.

#### **WORK IN SCHOOLS**

We have maintained the work we do with many primary and secondary schools, using music, drama, games, discussion and activities to communicate our subject. Over the last 12 months we have delivered lessons, workshops and assemblies in several schools across Hull and East Yorkshire: -

- South Hunsley School
- Chiltern Primary
- Beverley Minster Primary
- Elloughton Primary
- Kings Mill

Unfortunately, our normal activities have been significantly impacted due to the ongoing pandemic situation and the closure of schools over the last 12 months. We have not been able to carry out our usual face-to-face activities during a large part of this reporting year but have maintained contact with schools and pupils via online activities and video productions.

We have developed a strong relationship with South Hunsley School including delivery of a combination of collective worship, a lunchtime club and mentoring sessions.

Label of Love has a large portfolio of unique lessons and assemblies, which have been written by our schools' team. We can present a range of lessons to cover parts of the RE, PSHE and CITIZENSHIP curriculums, as well as offering RE revision sessions for Year 11 pupils. Our aim is to deliver these lessons in a fresh, relevant and interesting way, whilst maintaining an opportunity for the pupils to achieve their learning objectives. As a result of the difficulties posed by covid19, we now hold sessions via livestreaming as well as in school and some of our assemblies are available as online videos via YouTube. We also have a series of videos on positive mental health that are designed to give students support at home presenting tools to make you feel better about yourself, manage emotions, stay on track or simply make you smile that are now also available via YouTube.

## **WORK WITH THE LOCAL EDUCATION PARTNERS**

### **REaction**

REaction is an annual tour originally organised by a partnership between the East Riding LEA and the Anglican Diocese of York but now run by Label of Love and Sue Holmes (former RE co-ordinator for East Riding LEA) on a self-funding basis. A charge is made to participating schools to help fund the events, as well as obtaining grant funding where possible. The continuing feedback is very positive, and schools are very receptive to the events.

The aim of REaction is to bridge the gap between local primary and secondary schools. This is achieved by holding a day of workshops based on a theme from the RE curriculum for Y6 primary pupils which gives pupils an opportunity to mix with those from other schools that will be going to the same secondary school in the September. REaction gives pupils the opportunity to explore aspects of the Christian faith in a creative and accessible way.

Despite the ongoing covid restrictions, the events scheduled for June, were able to go ahead although some events were held virtually. These events looked at the life of St John of Beverley who died 1300 years ago and discovering his legacy. The children took part in music, drama and art workshops as well as periods of a more reflective nature and a tour of Beverley Minster and St Mary's church. Full packs of resources and materials were supplied to those schools which took part via the livestream.

### **REaction 2**

REaction2 is now a key part of the team's year. It is for year 2 & 3 primary pupils using the same successful format as REaction. Its aim is to give pupils an opportunity to explore aspects of the Christian faith in a secure environment, using creative mediums to communicate the subject. As it was held during the autumn term, due to the pandemic, the Beverley Minster open event and the two half days in Chiltern Primary and Beverley Minster Primary schools were held virtually.

The Beverley Minster and Beverley Minster Primary school days each comprised a day of activities centred around a theme of 'Remembrance'. Pupils looked at how our lives are made up of lots of experiences and

how we can make items that can remind us of people, events, places that we would like to remember. They also looked at the act of communion and preparing for a special meal. The children enjoyed music, drama and creative activities as well as more reflective sessions; the team again receiving excellent feedback that consolidates the trust teachers have in our brand. Meanwhile the day at Chiltern Primary school was centred around a theme of 'Sanctuary', looking at modern day refugees and the medieval tradition of seeking sanctuary.

#### **REaction4**

Unfortunately, due to school lockdown closures and covid restrictions, Reaction4 was unable to run this year. We are looking forward to restarting Reaction4 events next year and especially will look to expand on the early years event which was held for the first-time last year.

#### **OTHER WORK OF LABEL OF LOVE**

##### **YOUTHWORK**

##### **Hunsley Christian Youth Trust (HCYT)**

Label of Love have continued in partnership with HCYT to deliver mentoring sessions in both group and 1-1 formats, assemblies and a lunchtime club in South Hunsley school. Since the introduction of covid restrictions and school closures, we have turned to holding clubs and assemblies via zoom. There has also been a Tuesday after school youth club which again has moved online due to restrictions.

As the relationship between the school and Label of Love strengthened, Petra and Adam were both asked to be involved in the mass covid testing of pupils on their return to school following the January shutdown. They also took part in a week-long summer school in August for year 6 primary school pupils who had missed out on all the normal transition activities.

##### **Beverley Schools Christian Trust (BSCT)**

Since the beginning of lockdown, we have produced a series of videos on mental health in conjunction with Cathy Beynon. It is hoped that these videos which are aimed at key-stages 1 and 2 will be used in schools alongside mentoring groups and assemblies.

## **2. FINANCES & GOVERNANCE**

### **INCOME AND FUNDING**

Total income has fallen this year. Donations have remained more or less level compared to last year, however activity income from REaction and schools work, as well as grants and event income were all well

down on previous years. The increase has come from expanding contracted work and Job Retention Scheme payments.

- Total donations have remained fairly level this year, with increased church donations and standing orders remaining fairly static whilst there has been a reduction in individual one-off donations.
- Grant income has been received from the Hesslewood Children’s Trust amounting to £550
- In such difficult and uncertain economic times, we are pleased that underlying income has remained robust.

## **EXPENDITURE**

Total expenditure has fallen compared to the previous year again despite an increase in salaries. This is due primarily to a reduction in reaction and school activity costs, which is a direct result of school closures and covid restrictions. The team are to be congratulated on maintaining their cost control.

## **GOVERNANCE AND INTERNAL CONTROL**

The Trustees/Directors continue to meet regularly to review and input into the work of Label of Love and receive a monthly overview of finances alongside the Project Manager’s report and a staff member report. Cash flow is reviewed in more detail twice a year and particularly two months before the end of the financial year, when a budget for the next year is agreed based on current costs and income levels.

There is also a regular focus on processes and policies including an annual review of DBS checks – the trustees are grateful that the secretary has now been trained to manage this side of the work alongside the team.

## **APPOINTMENT OF TRUSTEES**

The minimum number of trustees is three. The original trustees were the persons notified to Companies House as the first directors of the charity. Subsequently, trustees have been appointed by the annual general meeting in accordance with the regulations laid down in the Articles of Association.

New trustees are given a Trustee Induction Pack and description of responsibilities and are invited to meet with trustees, employees and volunteers.

A skills audit of the trustees is held from time to time, and when filling vacancies every effort is made to have regard for specialist skills that might be needed.

None of the trustees receives remuneration or other benefit from their work with the charity. Any conflicts of interest must be disclosed.

## **LABEL OF LOVE AS “GOING CONCERN”**

Despite financial challenges across the whole third sector, Label of Love can demonstrate that it has been, and continues to be, managed in a financially sound way.

- It is not over-reliant on one form of funding, with donations from individuals and churches, alongside a few small grants, and direct support from schools.
- It is not subject to the major reductions in statutory funding that have occurred in the past few years.
- Ongoing monitoring of future funding is in place: 31.8 % of income was by regular standing order which is sufficient to cover the salaries of the staff for 4 months; there is an ongoing push to build up the number of regular givers as well as generate more event income.
- A budget is developed at the start of each financial year for review by the trustees. When staff leave the organisation, the trustees review the future funding position to consider the best options for future team shape in order to be financially prudent.
- The Charity has maintained liquid assets to cover at least 2 months of salaries; the staff understand this – for example, the project manager and team regularly review the cash flow specifically at designated trustee meeting.
- Finally, our accounts are inspected each year by a trained accountant and have been signed off without problem every time.

## **EXEMPTIONS FROM DISCLOSURE**

None

## **FUNDS HELD AS CUSTODIAN TRUSTEES ON BEHALF OF OTHERS**

N/A

## **RESERVES POLICY**

The policy is to retain sufficient reserves to manage continuity and to provide cover for any unforeseen emergency expenditure, including salaries and when necessary, redundancy payments. At present three months expenditure are to be safeguarded as reserves with the current requirement being £4,000.

## **3. THE FUTURE**

### **AIMS FOR 2021 - 2022**

As Label of Love, we are still very passionate to see our work grow in both scale and depth. In 2021-22 we will particularly work on the following:

- Schools Team – We aim to return to visiting schools in the local area and provide Assemblies, Lunchtime Clubs, Workshops and Lesson Sessions. Our aim is to develop the relationships with more schools
- REaction & REaction2 & 4 – We will continue to be a part of the REaction team.

- Youth Activities – We will continue to offer our experience and services to youth organisations who need help with activities.
- Churches – We want to increase the number of churches that know about and support the work of the Charity
- Donations: We want to further develop our funding security through personal and church donations, especially with personal contact, and through grant income and one-off initiatives.

Set out on pages

**Respective responsibilities of trustees  
and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) and that an independent examination is needed

It is my responsibility to:

examine the accounts (under section 43(3)(a) of the Act);

follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43(7)(b) of the Act); and

state whether particular matters have come to my attention.

**Basis of Independent examiner's  
statement**

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed overleaf\*):

(1) which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 41 of the 1993 Act; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes on the accounts – YEAR ENDED 31<sup>st</sup> AUGUST 2021

### Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Label of Love meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

#### b) Preparation of the accounts on a going concern basis

The accounts are prepared on a going concern basis. The trustees are not aware of any issues that would prevent this basis being used

#### c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

#### d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

Expenditure on charitable activities includes the costs of educational activities undertaken to further the purposes of the charity and their associated support costs.

#### e) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### f) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### g) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### h) Pensions

Pensions are offered to the employees of the company through the Governments NEST scheme.

### Legal status of the Charity

The Charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

### Income Analysis

#### Income from donations and grants

## Report of Trustees/Directors – Year Ending 31<sup>st</sup> August 2020

We believe that God made each individual person in His own image and gave us the potential to know the greatest love you can ever know; literally his “Label of Love”. So, every person, young or old, can hold their head high, and show off the ultimate label that says: “**You are amazing**”. Label of Love is a Christian charity that seeks to take this message to young people in the Hull and surrounding area.

Principally we do this through supporting young people in local primary and secondary schools: we run assemblies, take lessons, and hold workshops and youth events, all based implicitly, and where appropriate explicitly, on the values and impact that the Christian faith has on people. Alongside this we aim to build up their self-confidence, wellbeing and personal health through the medium of the arts. In this we have had regard to the Charity Commission’s guidance on public benefit when considering how activities will contribute to our overall aims and objectives.

The financial statements included here comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)

### **1. ACTIVITY, ACHIEVEMENTS AND PERFORMANCE**

Here is the range of activities that we have undertaken in the last 12 months.

#### **WORK IN SCHOOLS**

We have maintained the work we do in many primary and secondary schools, using music, dance, drama, games, discussion and activities to communicate our subject. Over the last 12 months we have delivered lessons, workshops and assemblies in several schools across Hull and East Yorkshire: -

- South Hunsley School
- Hornsea
- Archbishop Sentamu Academy
- Inman’s Primary

Unfortunately, our normal activities have been significantly impacted due to the pandemic situation and the closure of schools over the last 12 months. We have not been able to carry out our usual face-to-face activities during the second half of this reporting year but have maintained contact with schools and pupils via online activities and video productions.

We have continued to maintain a strong relationship with Archbishop Sentamu Academy including delivery of a combination of collective worship and lunchtime clubs for the autumn and spring terms.

Label of Love has a large portfolio of unique lessons and assemblies, which have been written by our schools' team. We can present a range of lessons to cover parts of the RE, PSHE and CITIZENSHIP curriculums, as well as offering RE revision sessions for Year 11 pupils. Our aim is to deliver these lessons in a fresh, relevant and interesting way, whilst maintaining an opportunity for the pupils to achieve their learning objectives.

## **ARCHBISHOP SENTAMU ACADEMY**

The Label of Love team runs a weekly lunchtime club in partnership with the school's chaplain, Rev Ann Richards, averaging about 20 pupils per week.

During the year Label of Love has provided several weeks of collective worship sessions on a variety of themes.

## **WORK WITH THE LOCAL EDUCATION PARTNERS**

### **REaction**

REaction is an annual tour originally organised by a partnership between the East Riding LEA and the Anglican Diocese of York but now run by Label of Love and Sue Holmes (former RE co-ordinator for East Riding LEA) on a self-funding basis. A charge is made to participating schools to help fund the events, as well as obtaining grant funding where possible. The continuing feedback is very positive, and schools are very receptive to the events.

The aim of REaction is to bridge the gap between local primary and secondary schools. This is achieved by holding a day of workshops based on a theme from the RE curriculum for Y6 primary pupils which gives pupils an opportunity to mix with those other schools that will be going to the same secondary school in the September. REaction gives pupils the opportunity to explore aspects of the Christian faith in a creative and accessible way.

As these events are mostly scheduled for June, the main tour was unable to go ahead as planned. However, a couple of additional events in the autumn term at Hull Minster did take place. These events used the 'Sanctuary' programme of the previous year looking at modern day refugees and the medieval tradition of seeking sanctuary.

### **REaction 2**

REaction2 has become another key part of the team's year. It is for year 2 primary pupils using the same successful format as REaction. Its aim is to give pupils an opportunity to explore aspects of the Christian faith in a secure environment, using creative mediums to communicate the subject. As it is usually held during the autumn term, it has not been impacted by the current pandemic.

Over 4 days at Beverley, Bridlington, North Ferriby and Inman's Primary school, pupils experienced a day of activities centred around a theme of 'Belonging'. They looked at how our lives are made up of lots of experiences and who we need to make the picture whole, who they feel was important to them, who they feel closest to and how they express that connection. They also looked at baptism and becoming part of God's family. The children enjoyed dance, music, drama and creative activities as well as more reflective sessions; the team again receiving excellent feedback that consolidates the trust teachers have in our brand.

#### **REaction4**

This more recent addition to the REaction calendar has now become a firm favourite. Using the same format as the other REaction events, it is held in March for pupils from years 4 & 5. This year's theme was 'Encountering' and the children used drama, music and reflective workshops to learn the different ways of encountering God – in the bible, in church, in nature. The venues for REaction4 this year were Beverley, Bridlington, Cottingham and Brough as well as a bespoke day in Inman's primary school. Unfortunately, due to the introduction of covid restrictions the events scheduled for Cottingham and Brough had to be cancelled as well as the Beverley event though going ahead having to be downsized to in-school programmes at Beverley Minster and Leconfield primary schools rather than the usual large-scale venue.

A new addition for this year was an early years' reaction event at Bridlington for reception and year 1 pupils. The day was themed around Creation and included sessions on singing, craft, storytelling and planting seeds.

#### **OTHER WORK OF LABEL OF LOVE**

##### **YOUTHWORK**

###### **Hunsley Christian Youth Trust (HCYT)**

Since the beginning of the school year, Label of Love has been contracted by HCYT to deliver sessions, assemblies and a lunchtime club in South Hunsley school on a monthly basis. Since the introduction of covid restrictions and school closures, we have turned to holding clubs and assemblies via zoom.

###### **Beverley Schools Christian Trust (BSCT)**

As of September 2019, Label of Love have been working with BSCT to run a lunchtime club at Longcroft school. However, this was stopped following the school closures because of covid restrictions.

During the months of lockdown, we have been working with them to produce a series of videos on mental health.

## **2. FINANCES & GOVERNANCE**

### **INCOME AND FUNDING**

Total income has risen this year. Donations has remained more or less level compared to last year, however activity income from REaction and schools work, grants and event income were all down on previous years. The increase has come from new contracted work and Job Retention Scheme payments.

- Donations have remained fairly level this year, with a small increase in standing orders as well as a more significant increase in individual one-off donations; however, there has been a slight reduction in gift aid received and church donations.
- Grant income has been received from the Hull & East Riding Charitable Trust and the Marsh Trust amounting to £2,400
- In such difficult and uncertain economic times, we are pleased that underlying income has remained robust.

### **EXPENDITURE**

Total expenditure has fallen compared to the previous year despite the increase in salaries. This is due primarily to no longer running the van with its attributed costs. The team are to be congratulated on their cost control.

### **GOVERNANCE AND INTERNAL CONTROL**

The Trustees/Directors continue to meet monthly to review and input into the work of Label of Love and receive a monthly overview of finances alongside the Project Manager's report and a staff member report. Cash flow is reviewed in more detail twice a year and particularly two months before the end of the financial year, when a budget for the next year is agreed based on current costs and income levels.

There is also a regular focus on processes and policies including an annual review of DBS checks – the trustees are grateful that the secretary has now been trained to manage this side of the work alongside the team.

### **APPOINTMENT OF TRUSTEES**

The minimum number of trustees is three. The original trustees were the persons notified to Companies House as the first directors of the charity. Subsequently, trustees have been appointed by the annual general meeting in accordance with the regulations laid down in the Articles of Association.

New trustees are given a Trustee Induction Pack and description of responsibilities and are invited to meet with trustees, employees and volunteers.

A skills audit of the trustees is held from time to time, and when filling vacancies every effort is made to have regard for specialist skills that might be needed.

None of the trustees receives remuneration or other benefit from their work with the charity. Any conflicts of interest must be disclosed.

### **LABEL OF LOVE AS “GOING CONCERN”**

Despite financial challenges across the whole third sector, Label of Love can demonstrate that it has been, and continues to be, managed in a financially sound way.

- It is not over-reliant on one form of funding, with donations from individuals and churches, alongside a few small grants, and direct support from schools.
- It is not subject to the major reductions in statutory funding that have occurred in the past few years.
- Ongoing monitoring of future funding is in place: 31.75 % of income was by regular standing order which is sufficient to cover the salaries of the staff for 5 months; there is an ongoing push to build up the number of regular givers as well as generate more event income.
- A budget is developed at the start of each financial year for review by the trustees. When staff leave the organisation, the trustees review the future funding position to consider the best options for future team shape in order to be financially prudent.
- The Charity has maintained liquid assets to cover at least 2 months of salaries; the staff understand this – for example, the project manager and team regularly review the cash flow specifically at designated trustee meeting.
- Finally, our accounts are inspected each year by a trained accountant and have been signed off without problem every time.

### **EXEMPTIONS FROM DISCLOSURE**

None

### **FUNDS HELD AS CUSTODIAN TRUSTEES ON BEHALF OF OTHERS**

N/A

### **RESERVES POLICY**

The policy is to retain sufficient reserves to manage continuity and to provide cover for any unforeseen emergency expenditure, including salaries and when necessary, redundancy payments. At present three months expenditure are to be safeguarded as reserves with the current requirement being £6,000.

### 3. THE FUTURE

#### AIMS FOR 2020 - 2021

As Label of Love, we are still very passionate to see our work grow in both scale and depth. In 2020-21 we will particularly work on the following:

- Schools Team – We aim to continue to visit schools in the local area and provide Assemblies, Lunchtime Clubs, Workshops and Lesson Sessions. Our aim is to develop the relationships with more schools
- REaction & REaction2 & 4 – We will continue to be a part of the REaction team.
- Youth Activities – We will continue to offer our experience and services to youth organisations who need help with activities.
- Churches – We want to increase the number of churches that know about and support the work of the Charity
- Donations: We want to further develop our funding security through personal and church donations, especially with personal contact, and through grant income and one-off initiatives.

## Independent Examiner's Report on the Accounts

### Receipts and Payment Accounts

Report to the trustees/members of Label of Love Limited

On accounts for the year ended 3 1 0 8 2 0

Set out on pages

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) and that an independent examination is needed

It is my responsibility to:

- examine the accounts (under section 43(3)(a) of the Act);
- follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43(7)(b) of the Act); and
- state whether particular matters have come to my attention.

**Basis of Independent examiner's statement**

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed overleaf\*):

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 41 of the 1993 Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act
 have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes on the accounts - – YEAR ENDED 31<sup>st</sup> AUGUST 2020

### Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Label of Love meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

#### b) Preparation of the accounts on a going concern basis

The accounts are prepared on a going concern basis. The trustees are not aware of any issues that would prevent this basis being used

#### c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

#### d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

Expenditure on charitable activities includes the costs of educational activities undertaken to further the purposes of the charity and their associated support costs.

#### e) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### f) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the

obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### g) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### h) Pensions

Pensions are offered to the employees of the company through the Governments NEST scheme.

### Legal status of the Charity

The Charity is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

### Income Analysis

#### Income from donations and grants
