### **Trustees' Report**

The trustees present their annual report together with the financial statements of the charity for the year ended 30th September 2022 which are also prepared to meet the requirements for a directors' report and financial statements for Companies Act purposes.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland published on 16 July 2014.

#### **Our purpose and activities**

The charity was established to promote the advancement of the Christian religion and the protection and preservation of health. Its objects also include to educate and train and relieve poverty and sickness among young persons who are suffering or who have suffered legal restriction on their liberty in any penal or correctional establishment. In furtherance of these objectives, the charity provides religious and charitable services to church followers and organises assemblies at various stages and places, but primarily within its own church buildings.

#### **Achievement and performance**

Following the effect of the Covid 19 pandemic and now the cost of living crisis, many families still continue to face financial, social and emotional difficulties and look to charities such as ours for support.

Despite the cost of living crisis, our churches continue to operate in person and also virtually trying to keep the congregants together through providing them with spiritual and emotional support. Some of the churches across England and Wales continue to respond to the social and financial needs of the community in a positive manner by providing food banks and Christmas hampers to many families along with providing lunches for the homeless.

Our activities in the community which were curtailed due to the Covid 19 pandemic are slowly being reinstated; e.g. assistance at overnight shelters, homework classes, summer schools, programmes for senior citizens, specific workshops for ladies and men in some churches and youth retreats during half term. Summer camps for children and young people have not yet restarted.

The church continues to work with other agencies in the fight against gangs, gun and knife culture, and continues to provide a safe space for those experiencing domestic violence. We have also sought to educate our members through in-service training on a range of issues; e.g. safeguarding, county lines, physical and mental health issues, basic counselling skills.

The Board of Trustees intend to continue the operations of the Charity at similar levels to the previous year and to continue to provide support to the community as set out in our purpose and activities.

## **Trustees' Report**

### **Financial review**

The Charity achieved a surplus of £118,645 for the financial year. At 30th September 2022 the Charity held £5,016,421 in unrestricted funds which is considered to be an appropriate level of funds to enable the Charity to pursue its objectives. A revaluation reserve of £6,805,066 was held at the end of the financial year. This reserve is allocated to unrestricted funds during the life of the buildings. However, the funds in the revaluation reserve cannot be fully utilised unless the respective buildings are sold.

### **Investment policy**

The trustees have adopted a strong socially responsible policy to funds available for investment. This policy, in tandem with the need to fulfil our statutory obligations, has the objective of investing in such a way that the principles of socially responsible investment are promoted. A further factor is the need to have access to our reserves, as long-term funding cannot be guaranteed. For the current period, where applicable, we have utilised the treasury service provided by our bankers.

### **Reserves policy and going concern**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure.

The trustees regularly review the reserves to ensure that these are consistent with the objectives of the charity. The major proportion of the reserves shown in the balance sheet are represented by church buildings included within tangible fixed assets and these provide essential local bases for worship and for evangelical pastoral activities. The remaining reserves (those funds not tied up within fixed assets) are largely held by the local churches to enable them to respond to their day-to-day expenditure requirements.

The trustees regularly review the level of reserves they consider necessary to enable the charity to operate for the foreseeable future. At 30th September 2022 the trustees considered reserves of £1 million to be adequate.

### **Plans for future periods**

The board of trustees intend to continue the operations of the Charity at similar levels to the previous year and to continue to provide support to the community as set out in our purpose and activities.

## **Trustees' Report**

### **Trustee induction and training**

All trustees are familiar with the practical work of the charity having been involved in other capacities or because of experience gained in their own churches or other organisations.

### **Organisation**

The executive board is responsible for the governance and management of the charity. The board can have up to twelve members but must consist of not less than five.

At their regular meetings, the board members agree the broad strategy and areas of activity for the charity, including consideration of grant making, investment, reserves and risk management policies and performance. The day-to-day administration is delegated to the chief executive and the secretary. The overseer, or any three trustees, may also call a meeting at any time.

The religious work of the church is supervised and directed by an overseer, assisted by the superintendents and ministers. Day-to-day administration of the individual assemblies is delegated to the local Pastor supported by the church elders.

### **Related parties**

Our principal partner is the Church of God in Christ, Inc., based in Memphis, Tennessee.

None of our trustees receive remuneration or other benefit from their work with the charity other than those amounts disclosed in the financial statements.

Any connection between a trustee or senior manager of the charity with a supplier must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

### **Pay policy for senior staff**

The senior staff do not receive payment for services other than amounts disclosed in the notes to the financial statements.

### **Risk management**

The trustees actively review, on a regular basis, the major risks that the charity faces. They consider level of reserves and conduct an annual review of controls over key financial systems using an internal audit process. This enables the trustees to determine if the charity has sufficient reserves in the event of adverse operating conditions.

The principal risks to the charity are its dependence on voluntary income and its need to safeguard and maintain its land and buildings portfolio. These matters are reviewed by the trustees on a regular basis.

The trustees have also examined other operational and business risks that the charity faces and confirm that they have taken steps to mitigate the significant risks.

## **Church of God In Christ (Calvary) Limited**

### **Statement of Trustees' Responsibilities**

The charity trustees (who are also the directors of the Church of God In Christ (Calvary) Limited for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Opinion**

We have audited the financial statements of for the year ended 30 September 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 September 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for the period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the report and financial statements, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

**Church of God in Christ (Calvary) Limited**  
**Independent auditor's report**  
**to the members of Church of God in Christ (Calvary) Limited**

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees are not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemptions in preparing the trustees' report and from the requirements to prepare a strategic report.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees, who are also directors of the charitable company for the purposes of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

As part of our planning process:

- We enquired of management the systems and controls the charitable company has in place, the areas of the financial statements that are mostly susceptible to the risk of irregularities and fraud, and whether there was any known, suspected or alleged fraud.
- We obtained an understanding of the legal and regulatory frameworks applicable to the charitable company and we determined that the following were most relevant: Companies Act 2006 and the Charities Act 2011.
- We considered the incentives and opportunities that exist in the charitable company, including the extent of management bias, which present a potential for irregularities and fraud to be perpetrated, and tailored our risk assessment accordingly.
- Using our knowledge of the company, together with the discussions held at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities, including fraud, and tailored our procedures according to this risk assessment.

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

**Church of God in Christ (Calvary) Limited**  
**Independent auditor's report**  
**to the members of Church of God in Christ (Calvary) Limited**

- Identifying and testing journal entries and the overall accounting records. In particular, we tested items that were significant and unusual.
- Reviewing the financial statement disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing the assumptions and judgements used by management in their significant accounting estimates. In particular, we considered the valuation of land and buildings.
- Assessing the extent of compliance, or lack of, with the relevant laws and regulations.
- Testing key income categories.
- Obtaining third party confirmation of material balances.
- Documenting and verifying all significant related party balances and transactions.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with auditing standards. The primary responsibility for the prevention and detection of irregularities and fraud rests with the directors.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.
