**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 MARCH 2025**

---

The Trustees present their annual report together with the financial statements of the company for the period from 1 April 2024 to 31 March 2025.

The Charity also trades under the name Thames Valley Gymnastics Club.

**Objectives and Activities**

**a. Policies and objectives**

The charity's objectives are to advance the education of school pupils by organising or providing or assisting in the organisation and provision of a facility or facilities together with the direct or indirect provision of training and coaching which will enable and encourage such pupils to undertake gymnastics to assist in ensuring that due attention is given to the physical education and development of such pupils, as well as to the development and occupation of their minds with a view to furthering these objectives.

**b. Main activities undertaken to further the charity's purposes for the public benefit**

The charity's Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties. This guidance is contained in "Charities and Public Benefit" published by the Charity Commission.

The company promotes public benefit locally and to the wider community in a number of ways and in particular:

- Provides a dedicated gymnastics facility and specialist gymnastics equipment in an area where there is no other public access to gymnastics training opportunities.
- Provides training for its staff as part of their continuing professional development.
- Provides a facility for early years learning of physical skills in a safe and controlled environment.
- Makes its premises available to the local community for gymnastics coaching, physical exercise, ballet, dance classes and as a venue for meetings.
- Provides financial support and bursaries to enable children to continue their participation in the sport in the event of family and financial difficulties and provides grants to enable children with potential to train and compete at higher levels in the sport.
- Provides, without charge, governance and welfare officer support services to gymnastics organisations operating in the Thames Valley area.

**c. Volunteers**

The Charity has been supported by willing volunteers in meeting its objectives and administration activities of the Charity and the trustees would like to take this opportunity to say how much they appreciate their continuing and valuable support. The trustees consider no reliable value can be placed on cost of volunteers so have not included it within these accounts.

**Achievements and performance**

**a. Review of activities**

The gymnasium operated normally during the year, providing the requested amount of serviced hours to users.

**Financial review**

**a. Going concern**

The financial performance for the year was satisfactory and the company's financial reserves have increased accordingly. The Charity has adequate reserves and; on this basis the financial statements have been prepared on a going concern basis.

**b. Reserves policy**

The Members have examined the Charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the Charity should be approximately 12 months of the expenditure. General funds at the year end amounted to £131,490 (2004: £112,627), which amount is more than sufficient to meet the working capital requirements of the Charity and the Trustees are confident that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding.

Income from Room Hire remains at a constant level, resulting in a satisfactory surplus for the year of £5,948 (2024: £6,939).

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2025**

---

**1. Accounting Policies**

**1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Thames Valley Gymnastics Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The functional and presentational currency of the financial statements is GBP and these are rounded to the nearest £.

**1.2 Company status**

The Charity is a company limited by guarantee. The members of the Company are the Trustees named on page 1. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity.

**1.3 Income**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time is not recognised and refer to the Trustees' Report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Grant income is recognised in the period in which it is receivable.

**(A Company Limited by Guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2025**

---

**1. Accounting Policies (continued)**

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

**1.5 Tangible fixed assets and depreciation**

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Long-term leasehold property	-	Straight line over the term of the lease
Plant and machinery	-	20% Straight line

**1.6 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

**1.7 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.8 Cash at Bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1. Accounting Policies (continued)**

**1.9 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

**1.10 Financial instruments**

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.11 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.
