2.6 Risk and Internal Control

The Group Executive Committee has identified the major risks to which they believe the Group is exposed which are:

These are the minimum risks that should be considered, your Group may have other particular risks that would need to be added.

2.6.1 Injury to Leaders, Helpers, Supporters or Members

The Group supports compliance with the Safety Policy and ensures appropriate risk assessment; elimination, reduction and control measures are taken to reduce the likelihood of any injuries.

In addition, through membership fees, the Group contributes to the Scout Association's national accident insurance policy.

2.6.2 Damage to Buildings, Property or Equipment

The Group would request the use of buildings, property and equipment from neighbouring organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

2.6.3 Reduced Income from Subscriptions and Fund Raising

The Group is primarily reliant upon income from subscriptions and fund-raising. The Group holds adequate reserves to ensure the continuity of activities should there be a major reduction in income. The committee could also raise the value of subscriptions to increase the Group income either temporarily or permanently.

2.6.4 Reduction or Loss of Leaders

The Group is totally reliant upon volunteers to run and administer the activities of the Group. If there were a reduction in the number of volunteers to an unacceptable level, then there would have to be a contraction, consolidation or closure of activities or sections.

2.6.5 Reduction or Loss of Members

If there were a reduction in membership of a particular section or the Group as a whole then there would have to be a contraction, consolidation or closure of a section.

3 Objectives and Activities

The primary objective of the Group is that of the Scout Association generally, namely:

‘To actively engage and support young people in their personal development, empowering them to make a positive contribution to society.’

The Values of Scouting

As Scouts we are guided by these values:

- Integrity - We act with integrity; we are honest, trustworthy and loyal.
- Respect - We have self-respect and respect for others.
- Care - We support others and take care of the world in which we live.
- Belief - We explore our faiths, beliefs and attitudes.
- Co-operation - We make a positive difference; we cooperate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

The activities of the Group are:

- The provision of the Scouting programme for 4 –14 year old members

From 2021 – 2022 year reported

Proactively advertised and modernised the hall which included the replacement of all the double glazing, decorated the hall throughout and supplied new equipment such as fridge freezers, cookers, and the fixing of the lift this made the hall more attractive for hiring.

The group has purchased hoodies for each section member and replaced a large a number of tents, which gave us the opportunity to donate the older tents to other scout groups in need.

4.1 Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

5 Financial Review

5.1 Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, circa £22,000

The Group held reserves of approximately £23,000 against this at year end.

5.2 Investment Policy

The Group's Income and Expenditure is very small and as a consequence, does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

6 Optional section for any future significant activities or major projects

We are aware our disabled lift is obsolete and although we are managing to keep this maintained at the moment we have a back up plan for getting this replaced if required.

7 Declaration

The trustees declare that they have approved the trustees report above.
