### REPORT OF THE COUNCIL OF MANAGEMENT

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland second edition published in 2019.

#### Structure, Governance and Management

##### Governing Document

The organisation is a charitable company limited by guarantee. The company was formed under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. Any person may become a member on payment of a subscription. The members have a liability restricted to £1 per member on winding up.

##### Recruitment and appointment of Council of Management

The directors of the company are also charity trustees for the purposes of charitable law and under the company's Articles are known as members of the Council of Management. Under the terms of the Memorandum and Articles of Association the members of the Council of Management are divided into three categories. Of the first category of Founder Members there are none remaining on the Council. Five members can be nominated by Bodies under clause 31(a). Other members are appointed by the Council for renewable fixed terms.

Membership of the Council of Management is sought from business, voluntary and academic sectors to provide a broad range of skills to the charity.

##### Trustee Induction and Training

New trustees are invited to attend an induction meeting to familiarise themselves with the charity and the context within which it operates. These are led by the Chairman of the Management Committee and cover the obligations of Council of Management members, the legal framework of the charity, resources, and current financial position, and future strategy.

##### Risk Management

The Council of Management have conducted a review of the major risks to which the charity is exposed. The risks are recorded and reviewed annually. Where appropriate, systems have been established to mitigate risks. External risks to funding have led to regular reviews to establish new funding sources. Internal control risks are minimised by supervision and control procedures. Procedures are in place, and are regularly reviewed, to ensure compliance with Health and Safety and other relevant legislation.

### Organisational Structure

Day to day provision of services are provided under the control and supervision of an Executive Committee and the House Manager. The Executive Committee is responsible for ensuring that the Charity delivers the specified services and that key performance indicators are met. The Manager has responsibility for the day to day operational management of the House, individual supervision of the staff team and ensuring that the team continue to develop their performance and skills in line with good practice.

### Related parties

The charity works closely with Lichfield Cathedral and Lichfield District and City Councils. Councillor Mrs M G Boyle is a member of both Lichfield District and Lichfield City Councils and is a director and trustee of the charity.

### **Objects and Activities**

The Charity's objects are to create manage and develop a suitable memorial to Erasmus Darwin, including artefacts and memorabilia, and an archival resources and learning environment committed to a standard of excellence befitting the life and works of Erasmus Darwin, and of the building in Lichfield which was his home.

The policies adopted in furtherance of these objects are to maintain a strategy of marketing and promotion of the charity's premises and contents and there has been no change in these policies during the year.

The trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Foundation's aims and objectives and in planning future activities.

### **Achievements and performance**

During the year the Charity continued to develop the activities of Erasmus Darwin House against the backdrop of Covid 19.

### **Financial review**

The year to 31 October 2021 continued to be severely affected by the Covid 19 outbreak of Covid 19, and the Museum remained closed for part of the year.

The Charity has been the beneficiary of emergency assistance provided by Government.

Although this resulted in a net increase in unrestricted funds at the end of the year of £16,207, the Charity continues to face a further period of uncertainty.

### Principal funding sources

Aside from the income generated by donors, visitors and users of the House the principal funding sources continue to be Lichfield City Council and other grant providers.

### Investment policy

## **COUNCIL OF MANAGEMENT'S REPORT AND ACCOUNTS FOR THE YEAR ENDED 31 OCTOBER 2021**

**Charity number : 1063528**

---

Although the Charity retains a prudent amount in reserves each year, most of the charity's funds are to be spent in the short term so there are few funds for long term investment.

### **Reserves policy**

It is the policy of the charity that unrestricted liquid funds should be maintained at a level equivalent to four month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

### **Plans for future periods**

The Council plans continuing the activities outlined above in forthcoming years subject to satisfactory funding arrangements.

None of the members of the Council of Management has any beneficial interest in the company. All of the members of the Council of Management are members of the company and guarantee to contribute £1 in the event of a winding up.

### REPORT OF THE COUNCIL OF MANAGEMENT

#### **Responsibilities of the Management Committee**

Company law requires the Council of Management to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure for the financial year. In preparing those financial statements, the Council of Management should follow best practice and:

select suitable accounting policies and then apply them consistently;

make judgements and estimates that are reasonable and prudent;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue on that basis.

The Council of Management is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable it to ensure that the financial statements comply with the Companies Act 2006. The Council of Management is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Members of the Council of Management**

Members of the Council of Management, who are directors for the purpose of company law, and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 3.

Approved by the Council of Management on and signed on its behalf by:

### NOTES FORMING PART OF THE FINANCIAL STATEMENTS.

#### 1 Accounting policies

The accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding years.

##### 1.1 Basis of accounting

The Erasmus Darwin Foundation is a charitable company limited by guarantee, registered in England and Wales. In the event of the charity being wound up, the liability in respect of the guarantee is restricted to £1 per member.

The charity is a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK generally accepted accounting practice applicable from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the Charity and rounded to the nearest pound.

In preparing the accounts, the Trustees have considered whether in applying the accounting policies required by FRS102 and the Charities SORP FRS 102 a restatement of comparative items was needed. No restatements were required.

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

##### 1.2 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services by volunteers has not been included in these accounts.

Company number: 3270753

Charity number : 1063528

---

### NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Investment income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

#### 1.3 Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's sale of goods.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Management and Administration costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis eg floor areas, per capita, estimated usage as set out in note 6.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Furniture and exhibits	10% straight line
Fixture, fittings & equipment	10 – 25% straight line

Assets not measured at fair value are reviewed for any indication that the asset may be impaired. If appropriate the recoverable amount of the asset is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in the SOFA unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

#### 1.5 Stock

Stock is valued at the lower of cost and net realisable value.

### **NOTES FORMING PART OF THE FINANCIAL STATEMENTS**

#### **1.6 Receivables and payables within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

#### **1.7 Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

#### **1.8 Employee benefits**

The charity operates a defined contribution pension scheme for the benefit of all employees. The assets of the scheme are held separately from those of the charity in an independently administered scheme.

Contributions payable to the scheme are charged to the SOFA in the period to which they relate.

#### **1.9 Leases**

Rentals payable under operating leases are charged to the SOFA on a straight line basis over the period of the lease.

#### **1.10 Tax**

The charity is considered to have passed the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore meets the definition of a charitable company for UK corporation tax purposes.

#### **1.11 Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from the authorization of these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

#### **1.12 Judgements and key sources of estimation uncertainty**

There have been no judgements (apart from those involving estimates) made in the process of applying the above accounting policies that have had a significant effect on amounts recognized in the financial statements.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
