The trustees present their report with the financial statements of the charity for the year ended 31st May 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

This year the club was able to run a full calendar of activity without any of the disruption due to the restrictions resulting from the Covid 19 pandemic that had been seen in the two previous years. We were delighted to be able to hold our end of season celebration event, the WFL league finals day and also a successful open day for members in February. These events enabled us to showcase our excellent facilities whilst offering a fantastic engagement opportunity to our members and the wider football community.

From a financial perspective the club has been able to retain membership subscriptions and the number of teams has remained largely in line with previous years. It is critical for financial stability that the subscriptions remain strong as a large proportion of our cost base is fixed cost, including the purchase of kit for all members and ground maintenance costs. In order to diversify the revenue streams to safeguard the financial security, the club has focused on increasing its sponsorship income, the highlight being the 3 year deal with Hamptons being agreed for c25% of the available shirt sponsorships.

The financial results for the club are strong. Following losses made in recent years, the sustained effort to secure sponsorship income and manage costs has enabled a significant surplus to be made which will help increase the asset replacement fund and provide contingency against unexpected future cost commitments as well as other investment opportunities.

The club continues to thrive with over 500 players, including boys and girls, and forms a vital community asset on the east side of St Albans. Parents continue to provide a key element of support to the club ranging from managing teams, undertaking administration roles and sitting on the Trustee committee. Sandridge council are fully appreciative of the efforts of the club and are very supportive of the club.

The trustees would like to thank all of those involved in the running of the Harvesters for giving their time and commitment to what is a major community asset.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects ("the objects") shall be to provide facilities, promote the game of Association Football, to arrange matches and social activities for its members, and community participation in the same.

The club is determined to provide football development for all. We believe we play a key role in the local community and providing excellent coaching and the opportunity to play competitive matches irrespective of gender, ability or background is vitally important to meet our social responsibilities and to the future growth and success of the club.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Over the past year the charity ran a number of activities involving the diverse members of the local community in physical and social activities, these will continue as part of business as usual. Soccer schools were run during holiday periods attracting attendance from local youngsters who had the opportunity to improve their football skills by working with the club's qualified coaching team.

FINANCIAL REVIEW

Reserves policy

Following the excellent running of Harvesters Football Club by previous generations of Trustees and management, we are in the position to have our own dedicated ground at Smallford. The club manages its reserves to ensure assets associated with maintaining the site can be replaced when they fall due.

The club will continue to be managed to ensure cash is retained in line with the depreciation charge in the accounts to continue to maintain reserves. The Trustees are also committed to ensure cash reserves never drop below one quarter of annual costs.

Following a number of years of recording a financial loss, the club has returned a significant profit in the year resulting in the club being in strong financial position despite the expenditure on the All-Weather Pitch.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The trust is a registered charity, number 1063762, and is constituted under a constitution adopted on 22nd June 1997, updated in March 2022.

The trustee responsible for compliance briefs new trustees on their legal obligations under charity and company law; the content of the Memorandum and Articles of Association; the decision making processes; the business plan and recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.
