Activities

Objects: The aims of the Pre-school are to enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups and by:(a) offering appropriate play, education and care facilities, family learning and extended hours groups, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability;(b) encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs in the local areas;(c) Instigating and adhering to and furthering the aims and objects of the Pre-school Learning Alliance.

Activities: Thurnby & Bushby Playgroup provides pre-school care and education for young children between the ages of 2 and 4 years. The playgroup is open 38 weeks each year and closed for all school holidays. We are open 3 days a week (Mon/Weds/Thurs 8.30am-3.30pm) and Friday morning (8.30am-1pm).From September 2021 we will be following the new EYFS Framework.

Leaders report for A.G.M. 2024

Friday 15th November 2024

Committee- A **BIG THANK YOU** to them for their hard work and their fantastic support! Since the last AGM we have been able to fill all our outstanding roles, and for the first time in many years, have a full committee! Our chairperson remains unchanged, Rochelle Jarrett, as does our treasurer Karen O'Donovan, and Priya Brookes remains as a general member. The position of secretary has been kindly taken up by Ed Johnson, a parent of a child who left for school in the summer, and also another child who will start with us in 2025. He volunteers his computer knowledge at the local hub, and we are sure he will be a fantastic asset to the committee. We also welcomed Catherine Drury, who has a wealth of early years experience, and as well as many other qualifications, has a foundation degree in early years, and is currently working for home start. Catherine will become a general member alongside Priya. Helen Shepherd remains as our representative for Ofsted, and completes the committee.

Again we thank all who have joined, established committee for their hard work and support and non-committee parents who also support us.

Any parent wishing to join the committee will be expected to complete an enhanced DBS and an EY2, which allows them to be checked as suitable to be involved with playgroup's roles. Any other parents can join our forum, which allows them to support us and attend meetings but with less responsibility than a committee member.

Previous AGM- Thursday 26th October 2023

Staff Changes- Our permanent staff group remains, Kerri Le-Butt as leader, Nicola Catherall as Deputy, and Karla Appleton, and Meghann Hudson remain as level 3 qualified staff. Nicola has reduced her hours slightly, due to other commitments. We continue to welcome local child minder, and previous parent, Pinky Jadav, as support on a Friday morning throughout the year, and she also helped on Thursdays when she was free. We are still looking to add to our bank staff, if you have experience of early years, and preferably are level 2 and above trained, please ask us about cover work. This would be part time hours, and on a non-permanent basis.

Training-

- New EYFS Framework- All staff continue to familiarise themselves with the new EYFS, and continue to work in a more paperless way of recording children's developments.
- All staff complete essential training online (EduCare) throughout the year, which includes Effective Safeguarding (revised 2019), The Prevent Duty in an Early Years Environment, Understanding and Addressing behaviour, Understanding Children's Rights, Equality and Inclusion in Early Years Settings, Food Allergy and Intolerance Training, as well as others that staff choose to do.
- 11/01/24 Kathryn Liles-Taylor our Improvement advisor and Area Send visited with advise and support. She continues to be approachable for any advice between visits. Several visits were cancelled this year due to illness.

Changes to playgroup hours/routines-

- All rules regarding Covid have been relaxed, however we continue some practices which were implemented during this time, such as washing hands on arrival, and individual snacks.
- As requested by School during the pandemic, to avoid congestion with school children, we changed our finish times of our late club, to 3.20 instead of 3.30, we have continued to do this.
- We continue to close on a Tuesday, and offer full days (9-3) on a Monday, Wednesday and Thursday and 9-1pm on a Friday. Sessions can be 3 hours (9-12), 4 hours (9-1) or 6 hours (9-3). We also offer an early arrival from 8.30am and later collection 3.20pm, to help working parents. All these hours can be covered by 15 or 30-hour funding, and extra hours are charged at different rates for 2 year olds, to that of 3 and 4 year olds, due to higher ratios needed.
- September 2022 we began accepting 2 year olds on a daily basis, from the term after they turn 2. We previously allowed 2 year olds to begin, but only for the term they turn 3. We had a good response and limited each day to 4 two year olds, as this was one member of staff within the 2 year ratios. We have now extended the number to five 2 year olds in line with new government ratio rules.

Other mentionable items regarding playgroup -

- We trialled a staggered start to the new Autumn term, for not only new starters but existing children too. We found all children definitely benefitted from this, as they have been away for such a long time, many of their friends have moved to school, and getting used to the routine of playgroup once again, starting with just mornings, and then lunch, worked well. We will continue to do this each September.
- As we are on the grounds of St. Luke's School. We have to comply with all their rules regarding access/egress, as well as closures. If the school decide to shut for inclement weather, or training days we are also obliged to close. St. Luke's have introduced training days on the Fridays before the end of terms, and therefore playgroup will also close on these days. All parents will be made aware of dates for each term in advance, and any unforeseen closures, such as snow days will be advertised as soon as the information is available.
- Staff enjoyed a wonderful afternoon Tea at Veenos on Tuesday 19th September 2023, which coincided with Kerri and Karla's birthdays, and again at The Langtons on 31st May 2024, which coincided with Meghann's 30th Birthday, which were very generous leaving gifts from previous parents.
- Chubb renewed our fire appliances, and replaced ones as necessary to comply with legal recommendations- December 2023
- PAT testing was completed on all electrical items- Monday 30th October 2023
- Air conditioning units tested and Cleaned- Monday 6th November 2023.
- Area Senco and support officer, Faye Campbell, left and was replaced by Kathryn Liles-Taylor.
- We were lucky enough to be chosen to be one of our local Co Ops charities, and again received a very generous amount of over £1000, the cheque was presented to staff, and parents at the Co Op on 15th Nov, at 4pm and will be a fantastic boost for essential resources.
- We invited the teachers from feeder schools to do their annual transition visits, for children who will move into school in Autumn term. Fernvale teachers chose to do this over the phone this year, and we had no children moving to Houghton. We again, had no response from St Luke's, despite several attempts to promote these. All schools offered stay and play, and induction sessions for children to attend. We continue transition with stories about school, drawing pictures and circle time activities. The new EYFS encourages less paper work, and so this year we mostly reported on each child's development verbally rather than by written reports.

Termly Activities-

Autumn Term 2023

Term Dates- 30/08/23 – 20/12/23 (16wks)

Total number of children-22 Number of 2yrs- 8

Numbers

Mon 15	Tues	Weds 15	Thurs 16	Fri 12
PM (until 1pm) 13	closed	PM (until 1pm) 13	PM(until 1pm)16	Until 1pm-9
PM 12		PM 10	PM 12	

Term details- First half term- We continue to use our weekly 'Focus' board, for the older children, which includes a Letter (sound), Number, Shape, Song, Makaton sign, and word (s) of the week. Younger children will spend time in the quiet room doing age appropriate activities to allow the older children time to engage in their learning without distraction. Any new children will spend time completing fun activities within an 'All about Me' booklet which determines where they are within areas of learning, and helps their key person set termly goals.

We began the new term with activities around different things happening throughout this term, including recycling week, and encouraged the children to recycle as many of their snack or lunch items as possible. Black history month, world animal day, and on Thursday 12th October we were invited to attend the annual Macmillan coffee morning. This is run by The Thursday Café, within the village hall. Children were encouraged to bring a donation towards this good cause, and enjoyed a cake and juice. This is a wonderful opportunity for the children to not only enjoy a treat, but to learn about what we can do to help others, and be an active part in what is happening within their community. This week also saw the beginning of Navratri, (meaning 9 nights) the Hindu festival of dance. This festival continued begins on 15th October and continues for nine nights over the half term. We enjoyed learning about this, and Mrs Pinky kindly brought in lots of beautiful outfits to wear, Dandiyas and helped us to celebrate. The children made their own Dandiya sticks, and we had a wonderful time dancing to lovely music.

We continued the term learning about the season of Autumn, the changes to trees, animals, birds, including migration, hibernation, and the changes to our surrounding area during this time of year.

During the week of Halloween, we had Pumpkin Week, and scooped out pumpkins, made many different crafts etc. and sang our pumpkin song, and ended the week celebrating 5th November, Bonfire night, we made firework pictures using straws, paint and glitter.

The second half we learned about Autumn festivals and celebrations. We celebrated Diwali (12th October) with card making, dancing and many props such as masks, wearing cultural clothing etc. for the children to learn about the festival of lights. Again Mrs Pinky very kindly shared her, and her families experience of Diwali with us. This week was also Remembrance Sunday, (12th November) we made poppy pictures and talked about the soldiers in the war, and on the 11th hour of the 11th day of the 11th month, we sat outside, as the bells rang for 2 minute's silence. The children were fantastic and held their poppies they had made. Friday 17th November was BBC Children in Need and we had a Pudsey Bear day, we wore yellow, spots, bears or Pudsey bear outfits! We enjoyed lots of Pudsey themed activities, and had a donations box to raise funds.

On Thursday 7th Dec we were invited to perform a few of our favourite Christmas songs, for the villagers at the Thursday drop in club in the village hall. The adults were more nervous about this, but we had a great time and the children loved dressing up as 10 tubby snowmen and sang beautifully! They were rewarded with juice and a cake in the back room afterwards.

During December we had an advent calendar with each child being chosen to open one date, learned about the Christian meaning of Christmas and the first Christmas, by acting out the story of the Nativity, using costumes and props.

Christmas Party Thursday 14th Dec 12.45- 2,15pm. The children enjoyed party games and entertainment, magic and food, and received a gift from Santa.

Christmas Meal- Friday 15th Dec Our annual adults only, skittles and food evening at the Rose and Crown, those who attended enjoyed a lovely meal and had a great time.

Spring Term 2024

Term dates 10/01/24 – 22/03/24 (10wks)

Total number of children-26 Number of 2yrs- 8

Numbers

Mon 21	Tues	Weds 21	Thurs 22	Fri 17
PM (until 1pm) 19	closed	PM (until 1pm) 19	PM(until 1pm) 21	Until 1pm- 9
PM 16		PM 16	PM 17	

Term details- We began the year talking about winter, and changes to our environment and the weather etc. Week 3, we took part in National Bird Watching week, and organised a bird viewing area, with sheets to note what you see, binoculars and fed the birds each day. This was so popular! We continued to do this past the week and enjoyed spotting birds again later in the term.

Week 5 we celebrated Lunar New Year, by acting out the story of how the Chinese zodiac of naming a year after an animal came about, this year it was the year of the Dragon. We had beautiful clothes to wear, playing with rice in a tuff spot, as well as role play food items, and the children made different craft items each day, such as mini dragons, or masks. We used our large dragon, which we made in previous years, and did a group dragon dance at the end of the morning.

Week 6 we also celebrated Valentine's day, talking about the people we love, making love potions and valentine's activities. We celebrated World book day (Thursday 7th March) by inviting parents to join us for our very first "Books and Brunch", 9-10.15am. We combined our annual Mother's Day celebration with World book day, as the fell in the same week this year. We offered iced coffees and tea, as well as pastries and other brunch items. We read stories, had story sack themed tables. During the week the children selected a beautiful flower, and decorated a pot label, all which were kindly donated by our local Nursery Centre, Coles. The children also drew pictures of their Mums, made cards and learnt a new song "It's Mother's Day" to sing to their mums. It was very well attended and we all felt it went fantastically well.

Week 9 we helped raise funds for Red Nose day, by doing funny activities all day.

We ended the term celebrating Easter, with lots of activities including egg and spoon races, Easter tuff spot, and making Easter treats to take home.

Summer Term 2024

Term Dates- 08/04/24 – 05/07/24 (12wks)

Total number of children-32 Number of 2yrs- 6

Numbers

Mon 27	Tues	Weds 26	Thurs 28 FULL	Fri 21
PM (until 1pm) 21	closed	PM (until 1pm) 21	PM(until 1pm) 22	Until 1pm- 14
PM 20		PM 19	PM 18	

Term details- Our first half term we began by celebrating Eid (which fell on week 1, Wednesday 10th April), we made a display of items used during Eid such as clothes and decorations, and gave the children resources to make cards. We watched my very first Eid about a boy who was celebrating Eid with his family. Some of our families, who were celebrating Eid, bought the children treats, which was wonderful and gratefully received. We also learnt a little about Vaisakhi, which was celebrated on Saturday 13th April.

During week 7, we had a wonderful Pirate Picnic Party in the garden and indoors. With the garden decorated in bunting made by the children, the children's art work on the walls and the tables set up under the covered area, the playgroup looked spectacular! We had a fantastic party, most were in fancy dress, who wanted to, we had walk the plank into the soft spots and digging in the sand for treasure. We also had fund raising stalls, including make a sword, and a kind parent offered to paint faces for a small donation, a pirate ship to play in and the sun shone especially for us and it was a great celebration. It was so lovely to see so many families enjoying themselves.

Week 8 we made Father's day cards, drew portraits of our dads, coloured a box (kindly donated by the Co Op) and added a ginger man biscuit, to give to our Dad's, during the week up to Father's day on Sunday 18th June. We talked about our dads and other father figures in our lives, and read stories which included dads/ male role models.

After half term, on June, we held a surprise party for Mrs Hudson's 30th Birthday!! The children loved making a special card, and giving her the present that families had kindly donated towards. She was overwhelmed, and we all had a fantastic day.

Our annual Sports day was held on Friday 14th June at 9-30 until 11am and we celebrated father's day with a display of our dads or male father figures in the main room. Due to having an exceptionally wet year, as well as the school not having mowed the grass, we were not able to practice or hold the sports day on the school field as normal. However, we were determined the weather was not going to stop our fun, and organised teams inside, and called each team and families to view the races, of the team colour at each appropriate time! The children practiced all week, and on the day, ran different races within halved team colours, under the covered area in the Playgroup garden. All the children received a medal, and had a great time! We also raised funds through our tuck shop. Thank you to our committee member Karen O'Donovan for help manning this.

We also enjoyed lots of summer activities throughout the term, such as the nature area, trim trail, school field, and summer themed crafts and role play areas such as an ice cream shop, and Eid-al-Adha on Monday 17th June.

Our leavers party was on Friday 28th June, 12-2pm. This year we again chose to not invite parents to stay, as often the children choose to sit with them or don't participate the same. This was again a great success, and as hoped, the children had a fantastic time and all got thoroughly involved in the games. We added lots of photographs to the Facebook page so parents didn't miss out.

We said good bye to 18 children, 16 who are moving to school, one who has moved house/ preschool, and another who has moved to another country! We ended the school term on Friday 5^h July, not Weds 10th as schools, due to the number of weeks we receive funding.

We have had another very enjoyable and successful Year.

Ihurnby and Bushby Playgroup

Leaders report for A.G.M. 2023

Thursday 26th October 2023

Committee- A BIG THANK YOU to them for their hard work and their fantastic support, without a full committee we cannot run. Our chairperson remains unchanged, Rochelle Jarrett, as does our treasurer Karen O'Donovan, and Priya Brookes remains as a general member. The position of secretary has remained unfilled over the last 2 years, and unfortunately the parent who had undertaken several applications to fill this post has now become unavailable. Staff members are in the process of asking new parents, and fellow childcare workers if they would undertake the role. Due to the workload and commitment needed, we are hoping someone with past experience of committees or working in childcare, or a parent who has more than one child, and so will remain at playgroup more than a year, will take up the empty posts. Helen Shepherd remains as our representative for Ofsted.

Again we thank all who have joined and non-committee parents who also support us. Any parent wishing to join the committee will be expected to complete an enhanced DBS and an EY2, which allows them to be checked as suitable to be involved with playgroup's roles. We require at least one more general member to complete the committee, if you feel you could give a little of your time to support us, please speak to staff. All other parents can join our forum, which allows them to support us and attend meetings but with less responsibility than a committee member.

Previous AGM- Monday 10th October 2022 (postponed due to illness) 11/11/23

Staff Changes- Our permanent staff group remains, Kerri Le-Butt as leader, Nicola Catherall as Deputy, and Karla Appleton, and Meghann Hudson remain as level 3 qualified staff. Nicola has reduced her hours slightly, due to other caring commitments. In the summer term, due to higher numbers of children, we welcomed local child minder, and previous parent, Pinky Jadav, as a helper on a Friday morning. We are still looking to add to our bank staff.

Training-

- New EYFS Framework- All staff continue to familiarise themselves with the new EYFS, and continue to work in a more paperless way of recording children's developments.
- Our senior staff, Kerri Le-Butt and Nicola Catherall completed Lead Safeguarding training.
- All staff complete essential training online (EduCare) throughout the year, which includes Effective Safeguarding (revised 2019), The Prevent Duty in an Early Years Environment, Understanding and Addressing behaviour, Understanding Children's Rights, Equality and Inclusion in Early Years Settings, Food Allergy and Intolerance Training, as well as others that staff choose to do.
- Thursday 12th January 2023 -Business Health Check- Praksha Bathia from the Early Learning & Child Inclusion team came to see how her advice had impacted on us (Advice such as how to run throughout the year financially, particularly being more cost effective during lower attended terms such as Autumn, and for running a more financially successful, committee-run playgroup.) We were happy to report that numbers were very much improved, the undertaking of two year olds had begun, and had been a positive within the setting and financially.
- April 14th 2023 All staff attended a full day of First Aid training.

Changes to playgroup hours/routines-

- We continued to adhere to government rules regarding Covid, and we change our practice as rules have been relaxed.
- School requested we change our finish times of our late club, to 3.20 instead of 3.30 due to the pandemic and to allow social distancing to continue. Although social distancing came to an end last year, we have continued to finish at 3.20, to avoid congestion at the gate, as requested by school.
- We continue to close on a Tuesday, and offer full days (9-3) on a Monday, Wednesday and Thursday and 9-1pm on a Friday. Sessions can be 3 hours (9-12), 4 hours (9-1) or 6 hours (9-3). We also offer an early arrival from 8.30am and later collection 3.20pm, to help working parents. All these hours can be covered by 15/30 hour funding, and extra hours are charged at different rates for 2 year olds, to that of 3 and 4 year olds, due to higher ratios needed.
- September 2022 we began accepting 2 year olds on a daily basis, from the term after they turn 2. We previously allowed 2 year olds to begin, but only for the term they turn 3. We had a good response and limited each day to 4 two year olds, as this was one member of staff within the 2 year ratios.

Other mentionable items regarding playgroup -

- September 2022 Saw a four-week trial of the Main street in Thurnby/Bushby being closed between 8-30am- 9-15am and again between 2-30pm-4pm. This had varied responses, and parents were encouraged to give their opinion on the trial, which would be taken into consideration by the local council and highways department as to the outcome. It was decided that this would not be a permanent feature and other trials may be tested later next year. We continue to remind our parents to give themselves plenty of time to park up safely, and responsibly, and never to use the school car park, or the bus stop pull in, in front of school. Parking attendants regularly canvas this area and will fine you if you do this.
- 08/09/22 Queen Elizabeth 2nd sadly passed away, and an extra bank holiday was given on Monday 19/09/22 for a day of National Mourning, and her funeral.
- In September we temporarily cancelled our order with the Pensworth Dairy, due to limited delivery days, and timings of these deliveries that meant the milk was often on the doorstep for many hours and was going off before the use by dates. Environmental health became involved and ensured that changes were made which meant we were confident to reinstate our orders. Kirby and West have since taken over and upped the dates for delivery, which is better for our setting. Milk continues to be offered for all children and is free.
- We unfortunately had to reduce some sessions, for some children, during October, due to staff contracting Covid, and where possible offered these hours at a later date, or reimbursed parents. We continue to look for qualified and suitable people to be included on our bank staff, which will help to avoid this.
- Chubb renewed our fire appliances, and replaced ones as necessary to comply with legal recommendations- Thursday 1st December 2022
- PAT testing was completed on all electrical items- Thursday 10th November 2022
- Air conditioning units tested and Cleaned- Thursday 3rd November 2022.
- Straight line fencing came in on 30/11/22 to repair damage to our roof, and the slope. This again allows access to our garden for pushchairs or wheelchairs, and a much valued resource for the children to roll cars etc. down!
- Area Senco and support officer, Faye Campbell, continues to support us.
- We were lucky enough to be chosen to be one of our local Co Ops charities, and will again receive generous monetary amounts, and encourage as many people to choose us as their nominated charity. This time it will last for a year (ends Oct 2023) and will be a fantastic boost for essential resources.
- A further bank holiday was declared on Monday 8th May 2023 for the Kings Coronation (at school/ Playgroup as the actual Coronation day was during half term)
- At the beginning of the Summer term, staff discussed crossing the playground at 1pm, as they felt it was a danger to our children, when walking more than a couple of children down to the gate. School staff are asked to blow a whistle and ask all the children to stand still for the 2 minutes, whilst we walk the children through to the gate. It had been discussed that this does not always happen, depending on which staff are on duty, and the older children, instead of standing still, run at siblings and shout etc. which can be extremely unnerving for other little ones. It was decided to extend the finish until 1.10pm, which isn't ideal either, as its extra time to staff, can't be claimed funding wise and impacts on our afternoon plans. However, until discussions with the school can be arranged it was decided that this was in the best interest and will continue until future notice.
- We invited the teachers from feeder schools to do their annual transition visits, for children who will move into school in Autumn term. Fernvale teachers came in for and met all their future pupils, and Houghton chose to continue with conversations over the phone. We again, had no response from St Luke's, despite several attempts to promote these. The new EYFS encourages less paper work, and so this year we mainly reported on each child's development verbally rather than by written reports.

Termly Activities- Autumn Term 2022

Total number of children-24 Number of 2yrs- 6
Numbers

Mon 19	Tues	Weds 19	Thurs 21	Fri 15
PM (until 1pm) 18 PM 12	closed	PM (until 1pm) 19 PM 13	PM(until 1pm) 21 PM 14	Until 1pm- 6

Term details- First half term- We continue to use our weekly 'Focus' board, for the older children, which includes a Letter (sound), Number, Shape, Song, Makaton sign, and word (s) of the week. Younger children will spend time in the quiet room doing age appropriate activities to allow the older children time to engage in their learning without distraction. Any new children will spend time completing fun activities within an 'All about Me' booklet which determines where they are within areas of learning, and helps their key person set termly goals.

We began the new term talking about recycling, and encouraged the children to recycle as many of their snack or lunch items as possible. We then learnt about the season of Autumn, the changes to trees, animals, birds, including migration, hibernation, and the changes to our surrounding area during this time of year. September 26th saw the beginning of Navratri, (meaning 9 nights) the Hindu festival of dance. This festival continued until 5th October.

We enjoyed learning about this, and Mrs Pinky kindly brought in lots of beautiful outfits to wear, Dandiya and helped us to celebrate. The children made their own Dandiya sticks, and we had a wonderful time dancing to lovely music.

On Thursday 29th September we were invited to attend the annual Macmillan coffee morning, which this year was being run by The Thursday Café, within the village hall. Children were encouraged to bring a donation towards this good cause, and enjoyed a cake and juice. This is a wonderful opportunity for the children to not only enjoy a treat, but to learn about what we can do to help others, and be an active part in what is happening within their community. During this first half term we also took part in activities to celebrate World Space Week.

The second half we learned about Autumn festivals and celebrations. We celebrated Diwali (24th October) with card making, dancing and many props such as masks, wearing cultural clothing etc. for the children to learn about the festival of lights. Again Mrs Pinky very kindly shared her, and her families experience of Diwali with us.

During the week of Halloween, we had Pumpkin Week, and scooped out pumpkins, made many different crafts etc. and sang our pumpkin song, and ended the week celebrating 5th November, Bonfire night, we made firework pictures using straws, paint and glitter.

Remembrance Sunday, (12th November) we made poppy pictures and talked about the soldiers in the war, and on the 11th of the 11th at 11am we sat outside, as the bells rang for one minute's silence. The children were fantastic and held their poppies they had made.

Friday 18th November was BBC Children in Need and we had a Pudsey Bear day, we wore yellow, spots, bears or Pudsey bear outfits! We enjoyed lots of Pudsey themed activities, and had a donations box to raise funds.

During the end of November/first week of December, we decorated the playgroup in preparation for Christmas. On Friday 2nd December we joined in with ELF day, and had lots of fun dressing up, playing games and doing Elf activities. During December we had an advent calendar with each child being chosen to open one date, learned about the Christian meaning of Christmas and the first Christmas, by acting out the story of the Nativity.

Play/Craft Morning- We decided to have craft month instead, and offer the usual crafts to all children throughout December, and not invite parents. It was felt there was often difficult for parents to get extra time off work during this time and with added 2 year olds, would not be able to be workable if children didn't have a one to one. This change was hugely successful and we felt the children enjoyed choosing to do as many or as little crafts as they wished.

Christmas Meal- Friday 2nd Dec Our annual adults only, skittles and food evening at the Rose and Crown, those who attended enjoyed a lovely meal and had a great time.

Christmas Party Friday 9th Dec 11am-1pm- The children enjoyed party games, entertainment/magic show and food, and received a gift from Santa.

Spring Term 2023

Total number of children-28 Number of 2yrs- 7
Numbers

Mon 21	Tues	Weds 22	Thurs 26	Fri 18
PM (until 1pm) 20	closed	PM (until 1pm) 22	PM(until 1pm) 25	Until 1pm- 9
PM 14		PM 17	PM 19	

Term details- We began the year talking about winter, and weather etc. Week 3, we celebrated Chinese New Year, by acting out the story of how the Chinese zodiac of naming a year after an animal came about, this year it was the year of the Rabbit. We had beautiful clothes to wear, playing with rice in a tuff spot, as well as role play food items, and the children made different craft items each day, such as mini dragons, or rabbit masks. We used our large dragon, which we made in previous years, and did a group dragon dance at the end of the morning. Week 4 we took part in National Bird Watching week, and organised a bird viewing area, with sheets to note what you see, binoculars and fed the birds each day. This was so popular! We continued to do this past the week and enjoyed spotting birds again later in the term.

We also celebrated Valentine's day, talking about the people we love, making love potions and valentine's activities. We celebrated World book day (Thursday 2nd March) by attending playgroup in our PJs, ready for stories, which the children voted for, and in the afternoons, acted out, using props.

Week 9 included the festival Holi, on Wednesday 8th March we celebrated with Colours week, a wonderful and colourful party, dressing in rainbow colours, balloon arch and party games. However, this week was cut short due to very bad weather, which meant we opened late on Thursday 9th March and then closed completely on Friday 10th due to snow.

Mother's day fell on Sunday 19th March, and on Friday 17th March we were again able to hold our annual event of Cakes and Shakes. We invited mums (or other family member) to join us for delicious cakes and milkshakes. During the week the children selected a beautiful flower, and decorated a pot label, all which were kindly donated by our local Nursery Centre, Coles. The children also drew pictures of their Mums, made cards and learnt a new song "It's Mother's Day" to sing to their mums. It was the best attendance we have had for this event and felt it went fantastically.

We ended the term celebrating Easter, with lots of activities including egg and spoon races, Easter tuff spot, and making Easter treats to take home.

Summer Term 2023

Total number of children-30 Number of 2yrs- 7
Numbers

Mon 24	Tues	Weds 26	Thurs 24	Fri 21
PM (until 1pm) 22	closed	PM (until 1pm) 24	PM(until 1pm) 22	Until 1pm- 13
PM 19		PM 20	PM 19	

Term details- Our first half term we began by celebrating Eid (which fell on week 1, Friday 21st April), we made a display of items used during Eid such as clothes and decorations, and gave the children resources to make cards. Some of our families who were celebrating Eid, bought the children treats, which was wonderful and gratefully received. During week 3, we had a wonderful Coronation Tea Party in the garden to celebrate the coronation of our new King, Charles III. With the garden decorated in Red, White and Blue, the children's art work on the walls and the tables set up under the covered area, the playgroup looked spectacular! We had a fantastic party, and also had fund raising stalls, a horse and carriage, a castle to play in and the sun shone especially for us and it was a great celebration. It was so lovely to see so many families enjoying themselves. Our second half we were able to invite schools to visit the children who will move into school in September, only one school chose to visit this year.

Week 8 we made Father's day cards, drew portraits of our dads, coloured a box (kindly donated by the Co Op) and added a ginger man biscuit, to give to our Dad's, during the week up to Father's day on Sunday 18th June. We talked about our dads and other father figures in our lives, and read stories which included dads/ male role models.

Our annual sports day was on Thursday 15th June at 9-50 until 11am. The children practiced all week, and on the day, ran different races within their team colours, and we also had a big family race across the field. All the children received a medal, and we enjoyed a snack from our tuck shop. Thank you to our committee member Karen O'Donovan for their help manning the fund raising tuck shop.

We also enjoyed lots of summer activities throughout the term, such as the nature area, trim trail, school field, and summer themed crafts and role play areas such as an ice cream shop, and Eid-al-Adha on Wednesday 28th June.

Our leavers party was on Friday 30th June, 12-1.30pm. This year we decided to not invite parents to stay, as often the children choose to sit with them or don't participate the same. This was a great success, and as hoped, the children had a fantastic time and all got thoroughly involved in the games. We added lots of photographs to the Facebook page so parents didn't miss out.

We said good bye to 18 children, and ended the school term on Friday 7th July, not Weds 12th as schools, due to the number of weeks we receive funding.

We have experienced a lot of changes this year, but we have had a very enjoyable and successful one.

Thurnby and Bushby Playgroup

Leaders report for A.G.M. 2022

Monday 10th October 2022

The EYFS was revised, and the new revised programme began Autumn term September 2021. The new revised EYFS continues to be child led, learning through play, but encourages a less paperwork approach, and more in the moment learning. All children are allocated a key person who oversees their development and helps them to add to their Learning Journey. This is a collection of evidence of activities and a record of how they have developed, and sets next steps, which are targets to reach whilst at playgroup.

News-

Committee- Again a **BIG THANK YOU** to them for their hard work and their fantastic support, without a full committee we cannot run. Our chairperson remains unchanged, Rochelle Jarrett, as does our treasurer Karen O'Donovan, and Priya Brookes remains as a general member. The position of secretary has remained unfilled over the last year, however our other general member, Agneta Macca, has agreed to fill this role, and is in the process of completing all the necessary paperwork with Ofsted. Helen Shepherd remains as our representative for Ofsted. Again we thank all who have joined and non- committee parents who also support us. Any parent wishing to join the committee will be expected to complete an enhanced DBS and an EY2, which allows them to be checked as suitable to be involved with playgroup's roles. We require at least one more general member to complete the committee, if you feel you could give a little of your time to support us, please speak to staff. All other parents can join our forum, which allows them to support us and attend meetings but with less responsibility than a committee member.

Previous AGM- Weds 13th October 2021

Staff Changes- There are no changes this year, our full time, permanent staff group remains, Kerri Le-Butt as leader, Nicola Catherall as Deputy, and Karla Appleton, and Meghann Hudson remain as level 3 qualified staff. In the summer term, due to higher numbers of children, we welcomed local child minder, and previous parent, Pinky Jadav, as a helper on a Friday morning. We are looking to add to our bank staff.

Training-

- All staff completed online Epipen training, February 15th -during half term, in preparation for a child to attend who requires this life saving medication. All parents were reminded that we remain a Nut free zone.
- New EYFS Framework- All staff familiarised themselves with the new EYFS, and throughout the summer gained knowledge of new ways of recording children's developments.
- All staff complete essential training online (EduCare) throughout the year, which includes Effective Safeguarding (revised 2019), The Prevent Duty in an Early Years Environment, Understanding and Addressing behaviour, Understanding Children's Rights, Equality and Inclusion in Early Years Settings, Food Allergy and Intolerance Training, as well as others that staff chose to do.
- Thursday 7th July -Business Health Check- Praksha Bathia from the Early Learning & Child Inclusion team, came out to advise us about how to run throughout the year financially, and be more cost effective, particularly during lower attended terms such as Autumn. She gave us tips for running a more financially successful, committee run playgroup. These ideas were discussed and implemented over the summer holidays in preparation for the new Autumn term 2022.

□

Covid-19 Pandemic-

- We continued to adhere to government rules, including lateral flow testing, looking for symptoms, and we changed our practice as rules were relaxed, during the Summer term.
- School requested we change our finish times of our late club, to 3.20 instead of 3.30 due to the pandemic and to allow social distancing to continue. Although social distancing came to an end during this year, we have continued to finish at 3.20, to avoid congestion at the gate
- We continued to close on a Tuesday, and offered another afternoon session on a Thursday instead. We now offer 21 hours, and sessions 9-3, Monday, Wednesday and Thursday, and 9-12 on a Friday.

Other mentionable items regarding playgroup -

- Chubb renewed our fire appliances, and replaced ones as necessary to comply with legal recommendations- Thursday 2nd December 2021
- PAT testing was completed on all electrical items- October 2021
- Air conditioning units tested and Cleaned-Monday 25th October 2021
- New Area Senco and support officer, Fay Cambell, contacted us, and supported us online, and from the spring term, was able to support, and visit us in person.
- Individual children's speech therapists were again able to visit in person. They spent time with each child, their key person, and developed strategies, which parents and key persons could continue to develop to help the individual children's speech and language.
- February 2nd 2022- all staff attended a Meet and Greet with the local Co Op. We were lucky enough to be chosen to be one of our local Co Ops charities, and will again receive generous monetary amounts, and encourage as many people to choose us as their nominated charity. This time it will last for a year and we hope they will offer some volunteers and some support with essential things such as painting the garden or by donating items towards our annual events.
- Monday 4th April 2022-playgroup was forced to close for the day due to staff illness. Unfortunately, due to Covid, we have lost our cover staff, and due to not being able to cover staff to children, legal ratios, and the staff who were ill were management, we were forced to close. Where available we offered alternative sessions.
- Due to the way that funding is paid, in three terms, spring term actually ended on Friday 8th April, however the funding for spring ended on 31st March. This meant that an extra week was added to the summer term funding, but also allowed any children due to start after Easter, or changing their hours, could actually start the week beforehand.
- As covid restrictions were lifted, we were able to invite the teachers from feeder schools to reinstate their visits, during the summer term. Fernvale teachers came in for several visits, Houghton chose to continue with conversations over the phone, and St Luke's felt they would do their own transition and did not feel they could offer any transition with us at all. The new EYFS encourages less paper work, and so this year we mainly reported on each child's development verbally rather than by written reports.

Termly Activities- Autumn Term 2021

We returned to the new term, with some restrictions still in place regarding covid-19, and opening 21 hours spread over 4 days (closed Tuesdays). The children continue to

wash their hands on arrival, and before leaving, and are encouraged to be more aware of germs and how we can prevent them spreading. We followed all guidelines regarding symptoms of covid and requested testing or exclusion, and as rules were relaxed followed all government guidelines and changed these accordingly.

Total number of children-16

Numbers

Mon 13 PM	Tues 11 closed	Weds 15	Thurs 9 PM 15	Fri 13 PM 8
------------------	-----------------------	----------------	----------------------	--------------------

Themes- First half term- We introduced a new weekly 'Focussed' board, which includes a Letter (sound), Number, Shape, Song, Makaton sign, and word (s) of the week. Any new children will spend time completing fun activities within an 'All about Me' booklet which determines where they are within areas of learning, and helps their key person set termly goals.

We began the new term talking about Autumn, the changes to trees, animals, birds, including migration, hibernation, and the changes to our surrounding area during this time of year. October 7th saw the beginning of Navaratri, (meaning 9 nights) the Hindu festival of dance. We enjoyed learning about this, and Mrs Pinky kindly brought in lots of beautiful outfits to wear, Dandiyas and helped us to celebrate. The children made their own Dandiya sticks, and we had a wonderful time dancing to lovely music.

The second half we learned about Autumn festivals and celebrations. During the week of Halloween, we had Pumpkin Week, and scooped out pumpkins, made many different crafts etc. and sang our pumpkin song. We celebrated Diwali (4th November) with card making, dancing and many props such as masks, clothing etc for the children to learn about the festival of lights. The 5th November was Bonfire night, we made firework pictures using straws, paint and glitter.

Remembrance Sunday, (14th November) we made poppy pictures and talked about the soldiers in the war, and on the 11th of the 11th at 11am we sat outside, as the bells rang for one minute's silence. The children were fantastic and held their poppies they had made. Saturday 13th November was world kindness day, and so we incorporated this into our focus board, as word of the week and children were rewarded, with beads, wristbands etc when they did something kind. Friday 19th November was BBC Children in Need and we had a Pudsey Bear day, we wore yellow, spots, bears or Pudsey bear outfits! We enjoyed lots of Pudsey themed activities, and had a donations box to raise funds. Week 11 was also Road safety week, and Nursery Rhyme week, so we also incorporated activities around these. Week 12 included the American celebration of Thanksgiving, and so we had Thank you week, and talked about manners, and how we can be polite and for all the things that we are thankful for. During the first week of December, we decorated the playgroup in preparation for Christmas. On Friday 3rd December we joined in with ELF day, and had lots of fun dressing up, playing games and doing Elf activities. During December we had an advent calendar with each child being chosen to open one date, learned about the Christian meaning of Christmas and the first Christmas, by acting out the story of the Nativity.

Play/Craft Morning- This could not go ahead again this year due to Covid restrictions- we enjoyed Elf day instead and had craft week with the children.

Christmas Meal- Friday 10th Dec Our annual adults only, skittles and food evening at the Rose and Crown, was able to go ahead this year the first time since Covid restrictions. Numbers were lower, due to continued caution on many people's part, but those who attended enjoyed a lovely meal and had a great time.

Christmas Party- We continued follow guidelines and were not able to invite families to join us to celebrate but instead we held party afternoon for children only on Weds 15th Dec. The children enjoyed party games and food, and received a gift from Santa.

Spring Term 2022

Total number of children- 22

Mon 14	Tues	Weds 20	Thurs 12	Fri 14
PM 11	Closed	PM 19		PM 10

Themes- First half term we enjoyed activities based around people who help us. The children have showed a huge interest in emergency services and so we extended this with lots of fun activities. Week 5, we celebrated Chinese New Year, by acting out the story of how the Chinese zodiac of naming a year after an animal came about, this year it was the year of the Tiger. We had beautiful outfits to try, and playing with rice and noodles in a tuff spot, as well as role play food items, and the children made different items each day, such as mini dragons, or tiger masks. We used our large dragon, which we made in previous years, and did a group dragon dance at the end of the morning.

The second half term we celebrated Pancake day (1st March) with pancake stories, song, crafts, tuff spot, and we held pancake races in the garden. We celebrated World book day by attending playgroup in our PJs, ready for stories, which the children voted for, and in the afternoons, acted out, using props. Week 10 included the festival Holi, and Red nose day (both on Friday 18th March), and we celebrated with Colours week-ending with red on Friday. We had a wonderful and colourful party, dressing in rainbow colours, balloon arch and party games. Mother's day fell on |Sunday 27th March, and on Wednesday 23rd we were again able to hold our annual event of Cakes and Shakes, the first time since covid restrictions have been eased. We invited mums (or other family member, but limited numbers due to caution) to join us for delicious cakes and milkshakes. During the week the children planted a beautiful flower, and decorated a pot label, all which were kindly donated by our local Nursery Centre, Coles. The children also drew pictures of their mums and made cards and learnt a new song "It's Mother's Day" to sing to their mums. On Friday 1st April we were fortunate to welcome Animals for Parties, as part of the birthday celebrations of one of our children attending. They very kindly held this at playgroup and paid for the whole event. This was a fabulous experience for all the children, who got to handle and learn about lots of wild animals. We ended the term celebrating Easter, with lots of activities including egg and spoon races, Easter tuff spot, and making Easter treats to take home.

Summer Term 2022

This term we offered extra hours and children who only wanted mornings, or were only eligible for 15 hours, could take advantage of this and stay until 1pm. This meant, as we are closed on Tuesdays, they can now still do mornings but stay until 1 on a Monday, Wednesday and Thursday, and 9-12 on Friday and claim their full 15 hours. This is advantageous to them and ourselves, funding wise.

Total number of children- 29

Mon 22	Tues	Weds 26	Thurs 21	Fri 21
1pm 3		1pm 2	1pm 2	
PM 20	closed	PM 26	PM 20	

Theme- Our first half term we began by celebrating Eid (which fell on week 2, Monday 2nd May, which was a bank holiday), we made a display of items used during Eid such as clothes and decorations, and gave the children resources to make cards. Some of our families who were celebrating Eid, bought the children treats, and staff

lunch, which was wonderful and gratefully received. During week 3, we had a pirate themed week of fun and activities and Karen O'Donovan, our treasurer, and grandparent to a child attending at the moment, came in to do some planting with the children. We planted carrots, radishes and some wild flowers, which the children have enjoyed looking after. Week 4 we had Bee stories and activities to celebrate world Bee Day. On the 26th May we held a fantastic party in the garden, for our Queen's Platinum Jubilee. Priya Brookes, our general committee member came in and decorated our windows beautifully, for the occasion. With the garden decorated in Red, White and Blue, with the children's art work, bunting, and the tables set up under the covered area, the playgroup looked spectacular! We had a fantastic party, and also had fund raising stalls, a horse and carriage, and a castle to play in. This was our first big party since covid restrictions and was a great success.

Our second half we were able to invite schools to visit the children who will move into school in September.

We made Father's day cards, drew portraits of our dads, and chose a mini car as a gift, during the week up to Father's day on Sunday 19th June, and talked about our dads and other father figures in our lives, and read stories which included dads.

Our annual Sports day returned once again! The children practiced all week, and on the day (Friday 17th June) ran different races within their team colours, and we also had a sibling's race, and a big family race across the field. All the children received a medal, and we enjoyed a snack from our tuck shop. Thank you to our committee, and representative of Co Op (Harrison Hincks) for all their help manning the fund raising tuck shop. We also enjoyed lots of summer activities throughout the term, such as the nature area, trim trail, school field, and summer themed crafts and role play areas such as an ice cream shop.

Our leavers party was also able to go ahead this year, and for the first time, was held as an addition to the usual hours, on Friday 1st July, 12-2pm. This was a great success, and those parents who chose to attend, the staff and children, had a great time.

We said good bye to 17 children, and ended the school term on Thursday 7th July, due to the closure on Friday 8th July, due to the extra bank holiday given for the jubilee. It was a very changeable year, as covid restrictions began to ease, the way we ran play group was altered, and we returned to some 'normal' practices or events.

Thurnby and Bushby Playgroup

Leaders report for A.G.M. 2021

Wednesday 13th October 2021

We continue to follow the EYFS, which has 7 developmental areas of learning, with activities which are adult led, and also child initiated. All children are allocated a key person who oversees their development and helps them to add to their Learning Journey. This is a collection of evidence of activities and a record of how they have developed, and next steps, which are targets to reach whilst at playgroup. The EYFS is due to be revised and the new EYFS will begin September 2021.

News-

Committee- A big thank you to them for their hard work and their fantastic support. Our chair person remains unchanged, Rochelle Jarrett, as does our treasurer Karen O'Donovan. Priya Brookes and Nabila Ali remain as general members. The position of secretary remains unfilled, as we said good bye to Sophiya Khan last year. Helen Shepherd remains as our representative for Ofsted. Again we thank all who have joined and support us, as without a full committee we cannot run. Any parent wishing to join the committee will be expected to complete an enhanced DBS and an EY2, which allows them to be checked as suitable to be involved with playgroup's roles. All other parents joined our forum, which allows them to support us and attend meetings but with less responsibility than a committee member.

Staff Changes- There are no changes this year, our full time, permanent staff group remains, Kerri Le-Butt as leader, Nicola Catherall as Deputy, and Karla Appleton, and Meghann Hudson remain as level 3 qualified staff. Rachel Hartshorn remains on our books as temporary, cover staff when needed, and during the Summer term we welcomed local child minder, and previous parent, Pinky Jadav, as a helper on a Friday morning.

Training-

- Business Health Check- (online due to pandemic) Praksha from Early Learning & Child Inclusion team helped us with tips for running a successful, committee run playgroup.
- First Aid training- basic first aid and children's first aid- All staff 26/03/21
- All staff completed essential training online (EduCare) throughout the year, which included Effective Safeguarding (revised 2019), The Prevent Duty in an Early Years Environment, Understanding and Addressing behaviour, Understanding Children's Rights, Equality and Inclusion in Early Years Settings, Food Allergy and Intolerance Training, as well as others that staff chose to do.

Covid-19 Pandemic-

- School requested we change our finish times of our late club, to 3.20 instead of 3.30 due to the pandemic and to allow social distancing to continue.
- Thursday 12th November, and Thursday 19th November, we were forced to close due to staff awaiting covid test results, and not being able to meet the legal staffing requirements.
- It was decided that due to low numbers, and the continued impact of Covid we would close on a Tuesday and Thursday during the Spring term 2020. This saved on staffing, heating, and other costs such as cleaning.
- When we reopened in the Summer term 2020, we continued to close on a Tuesday, and offered another afternoon session on a Thursday instead. We now off 21 hours, and sessions 9-3, Monday, Wednesday and Thursday, and 9-12 on a Friday.

Other mentionable items regarding playgroup -

- Chubb renewed our fire appliances, and replaced ones as necessary to comply with legal recommendations- Thursday 29th October 2020
- PAT testing was completed on all electrical items- Tuesday 27th October 2020
- Air conditioning units tested and Cleaned-Tuesday 22nd September 2020
- Both our hot water units were replaced and leak to toilet and valves repaired 26/10/2020
- No free milk was available to the playgroup during the spring term, this was due to covid and the dairy not able to provide milk in 1/3 pint portioned cartons, and it was felt that dividing milk into individual cups for each child was not appropriate whilst the pandemic was still on.
- 19/01/21 Outside lights were mended, and fitted with timers to ensure security and safety.
- Playgroup closed due to Snow- Mon 25/01/21, (School closed Tuesday 09/02/21) Weds 10/02/21
- New Covered areas were installed over half term- Mon 15th-Weds 16th February 2021

- Soft surface and slope etc were jet washed-03/03/21
- Outside tap repaired 22/04/21
- Simon our gardener continued to edge the play areas and create a stone area, as well as tidy up the mud kitchen and pathways.
- Jane Gemmell our Area Senco and support officer retired Easter 2021
- Friday November 27th we closed due to school being closed and we are not able to be on site when they are not.

Termly Activities-

Autumn Term 2020

We returned to the new term, with many restrictions still in place regarding covid-19, and to the previous opening hours, of 21 hours over 5 days (summer term had seen a reduction of just 15 hours spread over just three days). Parents were still not able to enter the setting, and continued to follow rules such as wearing face masks on site, social distancing, and we asked for all children to provide their own snack, drinks, and lunch, which was placed onto the trolley and sanitised before use. The children continue to wash their hands on arrival, and before leaving, and are encouraged to be more aware of germs and how we can prevent them spreading. We followed all guidelines regarding symptoms of covid and requested testing or exclusion as the government changed these and acted accordingly.

Total number of children-15

Numbers

Mon 13	Tues 4	Weds 12	Thurs 7	Fri 14
PM 8		PM 9		

Themes- First half term- For many children it was their first time returning to the setting after a long period of disruption, due to the covid-19 restrictions. It was decided that the first half terms theme would concentrate on PSED- Mental Health and children and adults wellbeing, as well as health and hygiene. We incorporated lots of activities and stories that included sharing, caring for others and extending empathy to others. We reintroduced our reward bead jar, and children could receive a reward for other things such as being kind and friendly as well as helping to tidy up. The second half we learned about Autumn festivals and celebrations. We celebrated Diwali (5th November) with card making, dancing and many props such as masks, clothing etc for the children to learn about the festival of lights. The 5th November was also Bonfire night, we made firework pictures using straws, paint and glitter. During the week of Halloween, we had Pumpkin Week, and scooped out pumpkins, made many different crafts etc and played with slime. Remembrance Sunday, (8th November) we made poppy pictures and talked about the soldiers in the war. Friday 13th November was BBC Children in Need and we had a Pudsey Bear day, we wore yellow, spots, bears or ducks! We took part in the duck race and watched the reruns on the computer. During the December weeks we decorated the playgroup and celebrated Christmas. We had an advent calendar with each child being chosen to open one date, decorated the playgroup, and acted out the story of the Nativity.

Play/Craft Morning- This could not go ahead again this year due to Covid restrictions

Christmas Party- We were not able to invite families to join us to celebrate but instead we held party afternoons for children only on Mon 14th and Weds 16th Dec. The children enjoyed party games and food, and received a gift.

Christmas Meal- Our annual adults only, skittles and food evening at the Rose and Crown, was not able to go ahead this year, again due to Covid restrictions.

Spring Term 2021-

Numbers continued to be reduced, due to covid-19, the government had brought in another lockdown situation, and many parents chose to keep them at home. Many of our other parents are continuing to work from home and have reduced their child care needs, or parents are still cautious and have not sent their children for as many sessions or to as many settings as before. As numbers were lower than normal, and we had a member of staff who chose to be furloughed, due to vulnerability of her family, it was decided to reduce the sessions we offered again, and from the 11th January, we closed on a Tuesday and a Thursday. We opened Monday and Wednesday 9-3 and Friday 9-12. After discussion with committee and staff, a decision to open on a Thursday was made as a full day, and enabling children to attend three full days, and a half day (21hrs), we began these new hours WKB 08/03/21. It was felt by offering more full days it would appeal to parents who had previously chose nurseries over us.

Total number of children- 19

Mon 12 PM 12	Tues Closed	Weds 11 PM 12	Thurs Closed	Fri 11
-------------------------------	------------------------------	--------------------------------	-------------------------------	---------------

Spring Term After 08/03/21

Mon 15 PM 15	Tues Closed	Weds 15 PM 15	Thurs 8 PM 6	Fri 15
-------------------------------	------------------------------	--------------------------------	-------------------------------	---------------

Themes- First half term we joined in with the Big Bird Watch (29th-31st Jan) and set up areas within playgroup and the garden to feed and watch the birds that visited playgroup, as well as the odd cheeky squirrel! We celebrated Chinese New Year, by acting out the story of how the Chinese zodiac of naming a year after an animal came about, this year it was the year of the Ox. We had beautiful outfits to try, and paying with rice and noodles in a tuff spot, as well as role play food items. Pancake day and Valentine's day, both fell during half term this year and so were not celebrated.

The second half term we celebrated Mother's day, but due to restrictions we were not able to hold our usual event of Cakes and Shakes, but instead the children planted a beautiful flower, and decorated a pot, all which were kindly donated by our local Nursery Centre, Coles. The children also drew pictures of their mums and made cards and learnt a new song "It's Mother's Day" to sing to their mums. On Friday 19th March we celebrated Red Nose Day, with a Carnival theme- we wore bright colours, played games with prizes, and danced to lots of different music under a brilliant balloon arch. We ended the term celebrating Easter, with lots of activities including egg and spoon races, Easter tuff spot, and making Easter treats to take home.

Summer Term 2021 –

We continued to open Monday, Wednesday and Thursday 9-3 and Fridays 9-12, and our numbers increased drastically. Due to the government making the decision that preschools would remain open as normal, despite schools still being limited and subject to lockdown numbers to attend. Many parents felt comfortable to send their children to more than one setting and for more sessions than they previously had.

Total number of children- 30

Mon 21 PM 19	Tues closed	Weds 24 PM 21	Thurs 15 PM 12	Fri 25
-------------------------------	------------------------------	--------------------------------	---------------------------------	---------------

Theme- Our first half term we learnt about past and present, and how we had changed since we were born, and what toys were like years ago. We also learnt about Dinosaurs, and other animals that were extinct, castles, (including St. George's Day) technology, transport, manners and enjoyed a week of growing, and learning about recycling, and how we can help our planet for the future.

Our second half term theme was the Olympics, the Euro's and being healthy and active. We talked about healthy eating, and what we can do to be healthy. We made Father's day cards during the week up to Father's day on Sunday 20th June, and talked about our dads and other father figures in our lives, and read stories which included dads.

Our annual Sports day, picnic, and other group events, for the second year had to be cancelled due to the Covid-19 rules of no group gatherings. Instead we held sports week, and the children ran different races, each day, and all received a special medal. They enjoyed running the races, but also cheering their friends on with musical instruments.

Transition visits to and from schools/teachers also had to be cancelled, and staff made extra efforts to send comprehensive reports early to schools for all our leavers. Our leavers party was also, for the second year running, not able to run but we were able to enjoy party style activities during the afternoon sessions of Monday 5th July and Wednesday the 7th July instead.

We said good bye to 18 children, and ended the school term on Thursday 8th July.

Accounts

Thurnby and Bushby Playgroup

Leaders report for A.G.M. 2020

(to be held on Friday 12th March 2021- delayed due to Covid-19 Pandemic)

We continue to follow the EYFS, which has 7 developmental areas of learning, with activities which are adult led, and also child initiated. All children are allocated a key person who oversees their development and helps them to add to their Learning Journey. This is a collection of evidence of activities and a record of how they have developed, and next steps, which are targets to reach whilst at playgroup.

News-

Committee- A big thank you to them for their hard work and their fantastic support. Our chair person remains unchanged, Rochelle Jarrett, as does our treasurer Karen O'Donovan. Priya Brookes and Nabila Ali remain as general members. The position of secretary remains unfilled, as we said good bye to Sophiya Khan during this year. Helen Shepherd remains as our representative for Ofsted. Again we thank all who have joined and support us, as without a full committee we cannot run. Any parent wishing to join the committee will be expected to complete an enhanced DBS and an EY2, which allows them to be checked as suitable to be involved with playgroup's roles. All other parents joined our forum, which allows them to support us and attend meetings but with less responsibility than a committee member.

Staff Changes- Rachel Hartshorn continued to be a casual member of staff, but due to lower numbers and the results of the Ofsted inspections we have not been in a financial position to pay her. She has now found other employment and we thank her for her support and wish her well in her new venture.

Ofsted-

- Following Ofsted visits on Friday 1st February 2019 by Josie Mates and then on Monday 8th July 2019 by Caroline Clarke, we began the Autumn term awaiting a revisit by Caroline in the new term and then another final full Ofsted within 6 months. This was a very stressful and financially challenging time for all involved, and the staff and committee spent long periods of the summer holidays updating and making changes above and beyond what was expected of them. We thank all who supported us,
- Tuesday 7th January 2020- Ofsted inspector, Caroline Clarke returned and inspected us, on our first day of the new term! We were delighted with a Good outcome, and pleased to be able to announce that the funding would now be re instated for the whole of the Spring term.

Training-

- Weds 18th September- All staff attended an information and training evening at the Leicester Race course regarding the New Ofsted Education Inspection Framework. The way Ofsted inspects Early years is changing, and this introduction course prepared us as to what to expect for our impending inspection.
- Monday 1st June- Kerri Le-Butt attended a training day at St. Luke's school regarding rules and regulations regarding the re opening of the school and playgroup, and the guidelines regarding the Pandemic. This included access and egress, social distancing, changes to opening times to allow staggered starts/finishes as well as general concerns over staff and child safety.

Covid-19 Pandemic-

In February/ March 2020, we were made aware of the wide sweeping coronavirus outbreak around parts of the world, and initially were encouraged to wash hands more regularly and for extended periods of time (singing happy birthday twice!). Staff received regular updates (sometimes on a daily basis!) regarding procedures we must follow and updated all policies and procedures regarding these as instructed to do so.

On 23rd March due to government advice/Lockdown, we offered places for key workers children only, and of those able to attend none chose to do so. We closed our doors on Monday 23rd March and although staff continued to attend weekly to complete necessary paper work, and continued to be in touch with our families needs for childcare, we did not re open until Wednesday 3rd June 2020.

To allow social distancing we now began our sessions at 9-10am and ended them at 12-10 and 3-10 respectively, and due to lower numbers returning and no requests for more than 15 hours, we opened during the summer term Monday to Wednesday only.

During the first lockdown in March, our staff members were put onto the furlough scheme, and some remained on this even when we reopened as our numbers were lower etc.

Other mentionable items regarding playgroup -

- Chubb renewed our fire appliances, and replaced ones as necessary to comply with legal recommendations- Thursday 7th November 2019.
- PAT testing was completed on all electrical items- Tuesday 1st October 2019
- Air conditioning units tested and cleaned-Monday 16th September 2019
- Both our hot water units have now burst and we are not able to access hot water- we are in touch with several plumbers and hope to have this rectified as soon as possible,
- Jane Gemmell continues to support us regarding Ofsted and is now also our area SENCO
- Due to the pandemic our transition visits from teachers from St. Luke's. Fernvale and Houghton schools, as part of our readiness for children moving to school in September, were not able to take place. Written reports were sent to each child's school as required.
- Our milk delivery contract changed firms from Kirby and West to Pensworth Dairy

Termly Activities- Autumn Term 2019- Total number of children-20

Numbers

Mon 16	Tues 10	Weds 15	Thurs 12	Fri 13
PM 10		PM 9		

Themes- First half term we were 'Down on the Farm', and the second half we learned about Autumn festivals and celebrations. These included Navaratri (Sunday 29th September)- we decorated dandiya sticks and dressed up and danced to beautiful music- thank you to one of our families who helped us celebrate this wonderful festival. We attended to village Macmillan Coffee Morning on Thursday 10th October- they are wonderful and open the side door (so we remain within school grounds) and the back room is set up with cold drinks and delicious cakes for all the children. We talk about the wonderful work nurses do, and the importance of helping people less fortunate than ourselves, We celebrated Diwali (Sunday 27th October) with card making, dancing and many props such as masks, clothing etc for the children to learn about the festival of lights. During the week of Halloween, we had Pumpkin Week, and scooped out pumpkins, made many different crafts etc and played with slime. Tuesday 5th November was Bonfire night, we made firework pictures, and for Remembrance Sunday, (10th November) we made poppies and talked about the soldiers in the war. On Monday 11th November at 11 o'clock we sat outside and when the bells chimed on the village church clock, we held a 2 minutes silence- the children did this brilliantly. Friday 15th November was BBC Children in Need and we had a Pudsey Bear day! We also celebrated St Andrews day, and for the whole of the December weeks, Christmas. We had an advent calendar with each child being chosen to open one date, decorated the playgroup, and acted out the story of the Nativity, as well as the following events.

Play/Craft Morning- Thursday 05/12/19 -We invited families to join us for a craft morning, which again was a great success. We had a great turn out, with nearly all children being accompanied, and everybody had a great (and messy!!) time! We began selling tickets for our annual Christmas raffle with prizes including a luxury hamper, chocolate hamper, and a pamper hamper, plus lots more.

Christmas Party- 18/12/19 (afternoon) this was held at playgroup, as usual and the children enjoyed food, games with Lisa Lolly to entertain us, and a visit from Santa. The raffle was drawn; we had some amazing prizes, and raised valuable funds.

Christmas Meal-13/12/19 we held our annual, adults only Christmas meal, at the Rose and Crown. It was a smaller number than usual but staff and parents, past and present had a fantastic evening, with good food, drink and several games of skittles. This was a great success and we hope will continue to be an annual event.

Spring Term 2020- Total number of children- 32

Mon 22	Tues 17	Weds 23	Thurs 21	Fri 13
PM 12		PM 17		

We began with an Ofsted inspection on the first day of the new term, and were delighted with a 'GOOD' outcome. This meant we could reinstate funding and resume normal hours etc.

Themes- First half term we had a Wildlife theme, including learning about hibernation and migration, and habitats, such as Oceans and the Arctic. We also focussed on a different country each week, with countries such as Australia, China (during which we celebrated Chinese New year- the year of the Rat Saturday 25th January), and ended the half term with an emotions/Love week, celebrating St Valentine's Day (Friday 14th February 2020).

The second half term began on Monday 24th February and we had a theme about our World- to include looking after our environment by doing things such as recycling, and growing fruits and vegetables, and to include a space week, learning about other planets in comparison to ours. We started the week with pancake races, to celebrate Shrove Tuesday (Tuesday 25th February 2020) and St, David's day on Sunday 1st March. During week 8, on Thursday 5th March we celebrated World Book Day, and invited all our parents to stay for a morning story- the children and staff wore PJs and dressed ready for a bed time story, and the children talked about their favourite book. During week 9 we celebrated the festival of Holi- and each day we chose a colour to focus on. During this week we began washing hands more regularly, and for extended times, as advised by the government, due to a coronavirus pandemic that was sweeping the world. We also followed all advice regarding excluding children if they became symptomatic for the advised period of 14 days. Following more advice about social distancing and not meeting in large gatherings, we made the sad decision to cancel our Mother's day 'Cakes and Shakes' morning which was due to be held on Friday 20th March 2020. The children still made their mum's lovely cards, drew pictures of their mums, and thanks to a fantastic donation from Coles Nursery in Thurnby, the were able to plant a primrose and give them to their mums.

After the official government update regarding Covid-19 Pandemic, the country went into Lockdown- we were advised to only offer places to children of Key workers only- all our families chose not to attend and care for them at home, therefore playgroup closed until June 1st when this lockdown ended. We were in regular contact with families throughout this time, in case their circumstances changed, and to provide educational, and fun activities to do at home.

Summer Term 2020 – Total number of children- 34

Mon 22	Tues 19	Weds 23	Thurs 19	Fri 16
PM 14		PM 19		

The Summer term did not begin until after half term, which means all first half terms plans were cancelled. We re-opened for children on Weds 3rd June 2020, and will open just 15 hours until more children return/numbers increase. Social distancing was in place, and we followed all rules set out by the government to keep us all safe. These included self isolation and testing if symptomatic, washing hands, wearing PPE when in close contact with children, limiting access to adults to the setting, limiting items going to and from the setting (no book bags), each child having named spots on a trolley for individual snacks and lunches provided from home, no use of soft furnishings and toys, and limited shared access to resources. We continued to update our policies and made all aware of procedures they must follow to allow attendance. We were in a better financial position this year and were relieved the government continued to provide funding for children even if they chose not to attend, however we had only just began to get back to an even keel after the Ofsted funding withdrawal, and so this puts the playgroup in further financial disruption.

Theme- Our planned theme of the Olympics/fitness was reduced due to all group events being cancelled, but we continued to talk about being healthy and keeping fit. We made Father's day cards during the week up to Father's day on Sunday 21st June, and closed for the summer holidays on Thursday 9th July 2020

Our annual Sports day, picnic, and other group events all had to be cancelled due to the Covid-19 rules of no group gatherings. Transition visits to and from schools/teachers also had to be cancelled, and staff made extra efforts to send comprehensive reports to schools to all our leavers. Our leavers party was also cancelled, but we were able enjoy party style activities during sessions and to invite parents to collect their learning journeys, leaving gifts, and medals rewarding the children for surviving the Lockdowns, during the summer holidays in pre arranged individual time slots.
