OXFORD VINEYARD CHURCH

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 31 AUGUST 2025

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 August 2025.

Legal Status

Until 17 November 2021 Oxford Vineyard Church was a charitable company limited by guarantee and was governed by a Memorandum and Articles of Association. On 17 November the charity converted to a charitable incorporated organisation and is now governed by a Constitution.

Charity Objectives

The objectives of the charitable incorporated organisation are set out in its Constitution and may be summarised as under:

1. The furtherance of religious or secular public education.
2. The advancement of the Christian faith including missionary activities in the United Kingdom and overseas and also including but not limited to the planting of new churches and organisations of congregations.
3. The relief of the poor and needy.
4. The relief of the sick and elderly.
5. Such other charitable objects and for the benefit of such other charitable bodies and institutions as the Committee shall in their absolute discretion see fit.

Review of Activities

The Charity is a Vineyard Church affiliated to Vineyard Churches UK, and a member of the Evangelical Alliance. The Church was started in April 1992 to reach out to unchurched people in the Oxford area, providing a style of worship and church life which would appeal especially (but not exclusively) to those in the 18-35 age group. The Charity is committed to providing teaching and instruction to equip people for all life's situations, to advance the Christian faith through outreach events and to plant new Churches. It is also committed to provide care and support to the poor and sick in the community.

Church Focus. Our vision and aim as a church remain the same - *'To build worshipping communities in the Oxford area, that reach out & bring the transforming reality of Jesus into every life.'* We have continued to see a flow of people coming to know Jesus for the first time and lives changed by the power of God. We aim to grow passionate followers of Jesus.

We continued to implement the DMM model with Discovery Studies – a process we expected to take 3 years to transition. It has taken longer than expected, but we were encouraged by the number of Studies starting.

A slimmed down weekend model of meetings goes hand in hand with the Discovery Studies. We had a Brunch on the first & third Sunday of the month, where we ate together as we discussed the Bible, then worshipped and prayed for each other. The 2nd Sunday would be devoted to the continuation of Explorers. The 4th Sunday changed to Fireside – a Discovery Study for the 8-13 year olds, while their parents did the same passage in the next door room. Each of the months with a 5th Sunday would have a Retreat day, using spiritual exercises to strengthen & encourage our people. This was opened up to other churches & proved popular.

Our **Compassion Ministry** continued as we gave out food to those in need. Food is taken to the Community Emergency Foodbank, which is supported by a large group of churches in Oxford. Our Help Fund continued to provide support to those in need, who almost exclusively had no connection to the church.

We continue to support a couple from the church in Central Asia who do language, medical training and provide water and sanitation to remote mountain villages, building bridges to enable road building and cutting hours or even days off the travel time; as well as building worshipping communities. We help to finance this family and to support them while they had to be back in the UK. Andrew Myatt handed over the leadership of the Vineyard Persian Partnership, having led it for 10 years, which coordinates the work of Vineyard Churches in USA, Germany and the UK into the countries of the ancient Persian empire.

Justice & Joy is a special offering taken up in the early autumn to provide food & emergency help to some of the poorest in Central Asia survive through the winter.

Transformation comes from knowing God - he changes us from the inside & not by religious conformity. As we give the Holy Spirit room in our lives, we find healing in many dimensions bringing personal growth. The church also ministers to the sick at the Sunday Services and at mid-week meetings. Pastoral assistance is provided as requested.

To that we add training in what the Bible says, releasing each person to their unique calling from God. We are all called to 'do the stuff' - an army not an audience. Our aim is to release each person into the unique calling God has for them, and help them discover their God-given gifts.

We continue to use the Immanuel Prayer Ministry model to help ordinary people draw close to Jesus and get rid of emotional & psychological baggage they have picked up through life.

Andrew & Mandy continue to organise the Leaders Soul Spa Retreats for Vineyard Churches, both online and in person.

Church Planting. Part of our vision is to plant churches that reach unchurched people. Members of the church are trained when they show interest and released when the staff considers them to be ready – this process of training can take many years. This process has taken a back seat while we develop the DMM model. We have helped plant 10 churches so far, including plants in New Zealand and Australia. VCUKI provides training via the Leadership Pathway to help with the training of new leaders.

Oversight

Oxford Vineyard Church is part of Vineyard Churches UK. Oversight of the church is provided through our area, which is led by Guy & Esther Pritchard from Farnham Vineyard. Andrew & Mandy Myatt provide Pastoral Support to the Vineyard Church in Salisbury and Taunton.

Office. All staff now work from home.

Risk Assessment

The Trustees carry out a full risk assessment annually, including reviewing the DBS policy, and other policies such as Health & Safety.

Public Benefit

In planning the activities the Trustees have given consideration to the guidance provided by the Charity Commission on 'public benefit'. Public Benefit is seen in the above activities, including the provision of worship and teaching, training and pastoral support, helping those in need in the Oxford area and Central Asia, and giving leadership support across the Vineyard movement. All these things are available to anyone in the community whether or not they come to an Oxford Vineyard event. Sunday meetings are open to anyone from any background or belief system. A considerable amount of our financial, time and energy resources go towards those who are not part of the church. We continue to give 12% of our income to organisations outside the Oxford area.

Structure and governance

Selection and training: Trustees can be suggested by any of the current trustees, and if after discussion deemed appropriate are approached by Andrew Myatt. They are given various documents, including the VCUKI Trustees' Handbook. Most of the training is on-the-job and working alongside more experienced trustees.

Decisions by staff and trustees: The Trustees take responsibility for legal and financial areas, and allow the Leadership (currently Andrew & Mandy Myatt) freedom to handle the pastoral and spiritual direction of the church. Before each trustees' meeting a report is circulated by Andrew Myatt bringing the trustees up to date on what is happening in the church (which is especially relevant for the trustees who live away from Oxford), so that their decisions are fully informed. Financial reports are sent to the Trustees by the middle of the following month and adjustments to the budget are made as necessary. Andrew Myatt leaves the room whenever there is a discussion or decision regarding staff salaries.

Future Plans

Andrew & Mandy put together a plan (diary and budget) every April/May which starts in September for the next 12 months. The budget is presented to the trustees before adjustment and approval. The plan is discussed with some of the leaders in the church.

The DMM model will continue to be implemented and further training will be held. A lot more attention will be given to individuals, especially those who are seeking to, or are already running Discovery Studies. This mentoring is to help them in their personal lives as well as helping them to succeed with the DMM model, and each person will receive a couple of calls a month, as well as holding a central training session online.

The trustees have had discussions about the future of the church, with Andrew approaching retirement age in 4 years. No plans had been formally put in place during this financial year, but transitioning to a new leader was the preferred option. Andrew approached Vineyard Churches to discuss this and see if there is anyone who would join to the church to be trained to take over. Discussions also took place with our Area and Regional Overseers.

In Nov 25 it was decided to close the church and CIO. A number of practical considerations, including not being able to find enough trustees, led us to believe that God was leading us to close after nearly 34 years of pioneering and amazing fruit. The last meetings were held in Dec 25, with the CIO taking longer to wind up. Both Ellie Carman and Andrew Myatt were made redundant and redundancy pay awarded. The trustees decided to split the Help Fund between three local organisation which carry out similar roles to the purpose of the Help Fund: Small Steps at Hope Vineyard, Christians Against Poverty Oxford, and the Oxford Christmas Meal. Once these accounts have been registered with the Charity Commission, the bank account will be closed and the final forms registered with the Charity Commission.

Financial Review

During the year income increased by £5,392 to £76,088, and expenditure decreased by £6,379 to £75,655. As a result the cash surplus for the year was £422 (2024: deficit £11,348) and the total cash held by the charity increased to £21,706, of which £923 was restricted.

Reserves Policy

The trustees have established a policy whereby free reserves (which the trustees define as being unrestricted cash) held by the charity should be maintained at £20,000 (which equates to about 3 months' unrestricted expenditure) however the trustees recognise that, for short periods of time, they may need to allow free reserves to fall below this target. Reserves are there to be used when needed so that the life of the church is not harmed, but to make cuts far enough in advance to prevent problems. As a result of the deficit reported this year unrestricted cash has fallen to £21,706. A Tripwire Budget was prepared and would be implemented if the charity's bank balances fall below £15,000.

Risk Statement

The trustees have reviewed the risks to which a small charity operating with few employees is exposed. Appropriate procedures are in place to identify, monitor and review these risks on a regular basis.

Responsibilities of trustees

Charity law requires the trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.
