Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The committee have continued to ensure the smooth running of the pre-school over the last year, facilitating the role of the Manager.

The pre-school is based at the heart of the community and is thriving. There has been an increase in those children entitled to 30 hours of funded childcare per week. At the end of the year there were 46 children on roll. Children are no longer limited to a set number of hours per week. We have had an increase in fees because of this. The pre-school continues to be open for 30 hours per week, over 38 weeks of the year.

All staff have had a significant pay rise to reflect the cost-of-living crisis. Staffing has been very tight, due to continued financial constraints.

Section E

You **may choose** to include additional information, where relevant about:

Funding is obtained primarily through Education Finance, for both 3 year olds and 2 year funding and the 30 hour funded entitlement. Money is also obtained through the payment of fees and fund raising.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
