## Trustees Report

### Trustees

Brenda Nichols – Chairman

Andrew Hulse - Treasurer

### Structure, Governance & Management

The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the By-Laws of the Association and Policy, Organisation and Rules of The Scout Association.

The Group is a trust established under its rules which are common to all Scouts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

The Group is managed by the Group Executive Committee, 2 members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of two independent representatives, Chair and Treasurer together with the GSL, Section Leaders, Church Representative and parent's representation and meets every two months.

This Executive Committee exists to support the GSL in meeting the responsibilities of the appointment and is responsible for:

Maintenance of Group property.

Administration of Group Finance.

Insurance of persons, property, and equipment.

Appointing any sub committees that may be required.

Assisting in the recruitment of leaders and other adult support.

Appointing Group Administrators and Advisors other than those elected.

### Risk and Internal Control

The Group has in place systems of *internal controls* that are designed to provide reasonable assurance against material mismanagement and loss. These include regular submission of Section Accounts and Monies; two signatories for all payments and a comprehensive insurance policy to ensure that insurable risks are covered.

### Public Benefit Statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship & community development headings.

### Financial Review

The financial position of the group, including the shop funds, has reduced from £21.1k of cash reserves last year to £18.4k at the end of this year.

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income fall short. The Committee considers that the Group should hold a sum equivalent to 6 months running costs, circa £3000 excluding Capitation. The groups funds are therefore in excess of this policy.

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using mainstream banks and building societies.

The trustees declare that they have approved the trustees' report above:
