The Gerald Kerkut Charitable Trust

Trustees' report for the year ended 31 December 2021

The trustees present their report and accounts for the year ended 31 December 2021.

The accounts comply with the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

Purpose and activities

The charity's objects are to advance education and research in physiology at the University of Southampton by providing bursaries and prizes to students of physiology at the University of Southampton and publishing useful results and to, or for, such other charitable purposes as the trustees shall decide.

Grant making

The policies adopted in furtherance of these objects are to consider all requests from members of the University of Southampton and award grants where appropriate. There has been no change to these policies during the year.

Public benefit

The trustees have considered the guidance provided by the Charity Commission with regard to meeting the public benefit objective. As applications for grants are open to all relevant persons and all research produced is available for public review, the trustees believe that The Gerald Kerkut Charitable Trust is acting for the benefit of the public.

Risk factors

The trustees have reviewed the risks to the charity's assets and income and are satisfied that adequate controls are in place.

Grant making policy

The charity invites applications for research grants from members of the University of Southampton. Applicants submit a summary of their proposals to the trustees. Applications are reviewed against the research criteria and awarded accordingly. Successful applicants are required to submit an annual report summarising the past year's activities in order that the grant is continued. If the student is not making satisfactory progress the University may terminate the studentship.

Achievements, performance and financial review

Financial review

During the year the charity received donations of £2,000 (2020: nil) and £29,966 (2020: £32,059) from dividend income. In 2020 the charity also received bank interest of £29 and £993 relating to withholding tax claims.

An analysis of grants payable is provided in note 3. New grants totalling £322,408 were awarded during the year (2020: £68,450) in furtherance of the objects of the charity. The grants include four new studentships at the University of Southampton covering their three-year study period (£165,000) as well as new commitments to existing students and additional payments made during the year which were not included as commitments in the previous year's accounts.

Overall, fund balances in the charity have decreased by £106,378 during the year to £1,446,517 at 31 December 2021.

The Gerald Kerkut Charitable Trust

Trustees' report for the year ended 31 December 2021

The trustees are confident that the charity has sufficient reserves to enable them to make grants at the level that is required.

Investment policy

The charitable trust deed permits any investments to further the objects of the charity. The charity has a portfolio of listed investments that had a market value of £1,811,864 at 31 December 2021 (2020: £1,802,710).

Gains on investment assets this year totalled £205,853 (2020: £88,722) which related to a profit on sale of investments of £19,769 (2020: £2,454) and an appreciation in the value of investments of £186,084 (2020: £86,268).

Reserves policy

The trustees will pursue a policy of distributing the income and if suitable opportunities arise also capital of the charity. Any surplus or deficit of income will be taken to the reserves. This is in accordance with the fact that all the funds of the charity are unrestricted (see note 1.7).

Plans for future

The charity will continue to provide funding for University of Southampton students and research projects, together with other suitable studentships and research.

Structure, governance and management

Governance

The charity was established by a charitable trust deed on 19 August 1997. The charity is an unincorporated association as is registered with the charity commission, charity number 1064724.

Trustees

The trustees who served during the year were:

Dr Niall Horn
Dr Alan Thomas
Professor Robert Walker

Trustees are appointed by a resolution of the trustees passed at a special meeting. There shall be at least three trustees at any one time.

The day to day running of the charity is dealt with by Dr Niall Horn. The trustees run the charity and meet at least twice a year to discuss affairs of the charity and to consider requests for support which have been received. Every matter is determined by a majority of votes of the trustees present. The chairman of the meeting shall have the casting vote.

The trustees consider that their combined skill set is sufficient to ensure the efficient performance of the charity at this time and feel that, given the size of the charity, a formal programme of training is not necessary, but they will continue to monitor the situation and will provide suitable training where circumstances require.

The Gerald Kerkut Charitable Trust

Trustees' report for the year ended 31 December 2021

Structure and management reporting

The trustees are ultimately responsible for the policies, activities and assets of the charity. They are in regular and frequent contact to review the developments with regard to the charity, its activities and to make important decisions. The trustees review the proposals for grants to be made and approve such grants as appropriate. When necessary, the trustees seek advice and support from the charity's professional advisors including investment managers and accountants.

At their meetings the trustees review the investment performance and the investment managers are regularly invited to attend to update the trustees in detail on the portfolio.

Trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable regulations). Under that law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.
