15. Presentation to Jane Murray

The raffle will be drawn and refreshments served

Acting Hon Sec *Jenni Cavanna*

16th February 2024

MINUTES OF THE TWENTY-SIXTH ANNUAL GENERAL MEETING OF THE NEW FOREST PONY BREEDING AND CATTLE SOCIETY HELD AT LYNDHURST COMMUNITY CENTRE ON FRIDAY 24 MARCH 2023 AT 7.30 PM

Present: 71 members signed the attendance record.

Apologies were received from: J Whitham, O&V Dibdin, R&J James, W Gover Fromm, J Jack, E Dovey, K Martin, A Dibben, D Vear, L Weinfeld, A Wilson, E&P Rennie, P Mabbutt

Obituaries: A moment of silence was held in memory of those who had passed away in 2022: B Thorne, E Francis, W Cobden, M Glasspool, P Whapham, L Smith, R Bailey, M Parrett, B Wilson, J Hann Parkes, O Wienecke, D Vear, K Samphier, R Hawkins, A Harmsworth, S Oram, Belinda Lady Montagu

The Minutes of the Twenty-Fifth AGM held on Friday 13 May 2022. J R Gerrelli proposed and P Pidgley seconded, acceptance of the Minutes, which had been printed in the 2022 Annual Report and taken as read. All who voted were in favour, with no votes against. The Minutes were approved and signed.

There were no Matters arising from the Minutes.

The 2022 Annual Report and Statement of Accounts.

The Chair of Council, Mrs Suzanne Kempe, gave a brief presentation, highlighting membership, registration forms and studbook numbers, the point to point, mare grading and the current office vacancy.

The Treasurer, Mrs Kathleen Clarke, gave her report. No questions had been received regarding the Statement of Accounts. A Pidgley proposed, and B Ingram seconded, acceptance of the 2022 Annual Report and Accounts. There were no votes against.

The Council 2023

As a result of the 2009 amendment to Society Rule 7, 6 Members of the Council were due to retire by rotation and the Council should consist of 18 members.

Members due to retire by rotation in 2023 are: Mr B Ingram, Mrs S Kempe, Ms T Nineham, Mr M Fry, Mrs S Young and Mrs L Lang. All except Mrs S Young were willing to stand again and had been duly nominated and seconded. Mrs S Young stood down. Ms Lyndsey Hayter has been nominated and seconded. There were no other nominations, so no election was necessary. A Pidgley nominated and J Smyth seconded election en bloc and there were no votes against.

Society Officers: There were no votes against the appointment of the following:

Society Accountants: Stephenson & Co,

Honorary Veterinary Surgeons: Ms Laura Trigg BVSc, MRCVS, CertAVPEq and Ms Louisa Weinfeld MRCVS, the latter replacing Ms Hannah Buteux who stood down.

Honorary Solicitor: Ms Kerry Dovey Whiting, LLB Hons PG.Dip, Associate Moore Barlow LLP.

President Elect for 2024

R Maton proposed and L England seconded acceptance of Council's nomination of Mrs Anita Smith as President Elect for 2024. There were no votes against.

Any Other Business

No items had been received in writing to the office at least seven days before the meeting.

The outgoing Presidents John and Wendy Adams welcomed Mr Jonathan Gerrelli as President for 2023. Mr Gerrelli presented flowers to the outgoing Presidents and to Mrs Shirley Young thanking them for their service.

An Outstanding Achievement Award was made to Anita Smith for her successes in the Point to Point over the last 20 years.

The Performance Pony Competition prizes were awarded.

Engraved glass tumblers were awarded to the owner of ponies winning Society cups three years in succession.

Erika Dovey: Nutschullyng Bewitched – Cree Cup - Ladies Race, Point to Point

Peter and Amanda Pidgley: Glenbeeche Crystal – Burton Love Affair of Tomatin and Garth cups - Commoners Mare

Awards were made to the following ponies in the Elite Scheme

Pony Performance Gold Grade – Sabinas Monte Carlo

Pony Performance Silver Grade – Ashley Rancher, Kauri Inspiration, Hollybrooke Duke, Newcopse Tigger

Stallion Progeny Gold Grade – Woodrow Prince Harry

Stallion Progeny Silver Grade – Wayland Golden Harry, Willoway Minstral, Hollybrooke Tinker

Mare Progeny Gold Grade – Coffee Crunch, Hollybrooke Debbie

Mare Progeny Silver Grade – Amarillo Soda, Rushpole Linnet

Ash Grade Certificate to Forest-Run Mares: Portmore Rosebud, Sprattsdown Cincinatti

Oak Grade Certificate to Forest-Run Mares: Hilltop Daisy

Dressage Grade One rosettes: Playmoor Chestnut Monarch, Mockbeggar Rosey II, Hollybrooke Martini

The meeting ended at 8.25 pm and the raffle was drawn and refreshments served.

REGISTRATION DATES AND FEES 2024

All breeders should ensure that they have read the document 'Registration Guidance and Fees for 2024 Foals'. By signing the Registration Application Form, you are confirming that you have read and understood the document and accept the terms and conditions.

The breeder is responsible for completing the registration form and microchipping the foal (except those eligible for the Forest-run derogation).

The final date for submission of forms,
as set down in the Equine Identification (England) Regulations 2018 is
30 NOVEMBER 2024.

- Please register your foals as early as possible; do not delay in sending in your forms;
- Ensure that all mares are transferred into the breeder's ownership;
- Consider microchipping your stud-bred foals as soon as possible after birth.

It is very important that all entrants for all Beaulieu Road Sales are registered as early as possible, so that there is sufficient time for the passports to be made up before the sale. This will particularly apply to the September Sale – you will need to start the registration process by early August. Do not delay.

REGISTRATION FEES FOR MEMBERS

The registrations committee and full council have reviewed the costs for registrations and managing this process and the fees for 2024 will be :

£18 for pure/part-bred foals, registered before 30th Sept 2024
£25 for pure/part-bred foals, registered 1st Oct to 30th Nov
£25 ID-only equine passports, before 30th Sept 2024
£30 ID-only equine passports, 1st Oct to 30th Nov
£25 Donkey passports

£10 Levey on paperwork needing to be returned for corrections.

COMPULSORY MICROCHIPPING OF ALL EQUINES

The Equine Identification (England) Regulations 2018 required that all horses in England (apart from those covered by the New Forest semi-feral derogation) were microchipped by **1 October 2020**.

It is now expected that at all Society events and competitions, with the exception of the Forest-Fed competition, all ponies will be microchipped. No award will be made to a pony that is not microchipped in accordance with the law.

All entrants to Beaulieu Road Sales must be microchipped. This covers both foals and all other ponies of whatever age, in all the sections. Please ensure that the number is reported to the Society and recorded on the database before the sale.

Transfers - please ensure that all older ponies are microchipped before sending in a Transfer of Ownership.

SOCIETY NOTICES

STALLION INSPECTIONS 2025

Saturday 5th April, Beaulieu Road

Please contact the office with the colt's details if you would like a colt of 2 years and over inspected.

Please send all correspondence to the above address.
If you would like the Council to discuss a particular issue, please write or email as above.

The objects for which the Society is established are: to encourage the preservation and breeding of the best type of New Forest ponies; to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book; and to hold an annual show for the encouragement and improvement of the breed of New Forest ponies. Having due regard to the Charity Commission's public benefit guidance, the Society presents its financial accounts and this report on its activities in 2023 in which it sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

PRESIDENT'S REPORT 2023

It has been an honour and a privilege to be President of the Society over the past year, and of the few duties of that office, I particularly enjoyed the traditional hosting of afternoon tea at the Breed Show. It was lovely to catch up with so many friends, and I always feel that is a small oasis of calm amongst all the hectic rush of the show.

Congratulations to all the class winners, and especially to our Supreme Champion Peronne Notorious who won that for the third time overall and the 2nd year in a row, what an achievement.

I was very pleased that the futurity scheme for colts has been continued, as this is a great way to support the keeping of young potential stallions, and we must thank the Verderers for assisting with this funding. Hopefully some of these colts will eventually become stallions that will run the Forest.

I would also like to thank your council for all the time and effort they give to the Society, I am sure most members do not realise the amount of work they do on our behalf.

Of course 2023 has been a sad year for my family and I, with the sudden and unexpected passing of my brother Matthew. I am sure most of you knew Matthew, a big character in every sense, who lived and worked his whole life in the Forest. Dad gave us our first pony when we were both young boys, and we took 9G as our brand and Portmore as the prefix, and have run a large herd of ponies between us ever since.

Matthew also loved his cows and he and his partner Karen would always enter them for the cattle classes at the Breed show, with much rivalry and bragging rights for whoever's came out on top. Much to my disgust, he also turned out a large herd of shetlands, but he always used to say to me when I moaned about them, 'it could be worse, I could keep donkeys'!

Remembered for his smile and always ready to help, he will be greatly missed by all.

Jonathan Gerrelli

CHAIRMAN'S REPORT 2023

2023 has been a year of many changes with new staff taking up roles in the office. Ann who has done such a wonderful job with registrations over the last couple of years realised that the hours required were too many for her in a part time capacity. Fortunately, Ann has been available to give her expertise to our new staff and will continue to help on an occasional basis as required.

We now have Charlotte Chatfield (Charlie) and Paris Wyles working as a job share covering more hours as required, we have been very lucky to find such an efficient pairing and they have quickly fitted into their roles.

Another massive change comes, as with great sadness that I report that Jane Murray, our Honorary Secretary stepped down from her role at the end of November last year. Jane joined the society some twenty years ago and in addition to all the usual secretarial duties undertaken, she steered us through some complicated issues with new PIO legislation, as well as us leaving Europe with its many implications. Her dedication in absorbing knowledge of complicated DEFRA and Brexit legislation has been of enormous help to the Society. Jane was also kept very busy with genetics not only relating to breeding but also to genetic diseases and formalising our consolidated breeding programme. In her time as Hon Sec the Society has seen great change, including moving offices, updating IT systems implementing various changes to its activities and the evolution of the council. To mark her retirement the 'resources' committee took her out to lunch and presented her with a laptop as a thank you gift on behalf of the society. Since formally stepping down, Jane has continued to come into the office to assist and help our acting Hon Sec Jenni Cavanna learn the ropes and the office processes. As we enter a new era, the administration of the Society will be shared across the office with our new office team. We will make a formal presentation and thank you to Jane at our AGM in April, and I'm sure that many of you will want to wish her a lovely retirement. Jane, a well known feature of the society and our office will be greatly missed. A huge thanks is also due to our treasurer Kathy-there are now so many methods of payment that the role can be very time consuming in collating everything for the accountants.

The Council as always works hard through the year-running the many events and making sure that our breed is in the public eye whether through events or through publicity on the web and in magazines-a big thank you is due to them. I am fortunate to have Sam Dovey as my vice chair still, with his broad knowledge of Society matters and understanding of legislation

Finally the breeders and the ponies have not let us down culminating in the wonderful result at with Vynnes Magical Edition taking the HOYS M&M Ridden Championship.

Suzanne Kempe

COUNCIL CHANGES IN 2023

At the AGM held on 24 March 2023, Mrs Shirley Young stepped down from the Council, creating a vacancy. This was filled by Ms Lyndsey Hayter. Hannah Buteux stepped down as Society Vet, and was replaced by Louisa Weinfeld MRCVS.

STAFF CHANGES IN 2023

Ann Hall left the position of Registration Secretary in the summer. Charlotte Chatfield and Paris Wyles joined us to take on the Registrations and other office admin tasks. Jenni Cavanna became our Acting Hon Sec from Dec in place of Jane Murray who retired after 20 years in that role.

RARE BREEDS SURVIVAL TRUST - RARE BREED STATUS

Following RBST's introduction of new methodology for calculating breed status in 2021, the New Forest Pony remained in the amber 'At Risk' category in 2023.

ONLINE STUD BOOK

Access to the online stud book is free of charge to members and as such is a valuable benefit of membership. You need your membership number and a password which consists of four lower case letters. If you have misplaced your access details, phone or email the office.

REVIEW OF THE YEAR

Another busy year for our society starting with the Forest-fed competition where commoners enter their mares to be judged on the forest in late Feb/early March. This is acknowledging the hardy and typey mares which in turn are the backbone of our Breed.

The Forest-Fed competition gives a clear indication of how the ponies have wintered and all three judges were very pleased with the condition and standard of the mares. Congratulations to Marion Ingram's evergreen Deerleap Orchid, Overall Champion and winning the Dale Memorial Cup, and well done to Young Commoners Ines Mitchell (Overall Reserve with Doorage Keepsake) and Peter Fogarty, who entered for the first time and were both Area winners

The colt inspections were once again held in April at the very unique Beaulieu Road Sales yard where the show ring with its high fencing is suitable for seeing the colts loose and an inspection box is available for the vetting. Sadly, this year was extremely wet, not easy for handlers or the judges, but everybody persisted, and we saw 14 colts successfully pass the inspection subject to vetting and DNA checks. Top colt was Vynnes Second Edition

We were also able to offer a Northern Grading Day which included colt inspections and mare grading with seven colts passing their inspection-the top colt being Backley Dream Catcher.

Through the summer some mare grading inspections were held on holdings, and at the September Grading Day where six colts passed their inspections too. We were pleased to have a good number of colt foals put forward to be included in our Futurity Scheme as well as some yearling colts. We look forward to seeing how they progress and hope that they will be our stallions of the future, we are very grateful for continued funding from the Verderers HLS Scheme. The Futurity Scheme has produced 40 licenced stallions and 18 of the current forest run stallions are by 16 different sires.

Meanwhile members of the New Forest Pony Enthusiasts Riding Club have had a successful 2023 season attending and being placed throughout year at many BRC events.

Erin Dovey riding Moneyhills Pageant was 2nd at Swalcliffe ODE championships.

Milly Stride riding Cuckopenn Merlin was 3rd at the Combined Training championships

The junior arena eventing team won the 80cm section and were 3rd in the 70cm section.

Lincolnshire Championships saw the senior team finishing third out of 107 teams.

Sally Anne Pierson – Mallards Wood Jackson

Sonja Waite - Silverlea Sweet Dreams

Gemma Bruce - Applewitch Avalon

Martine Harding - Willoway Double O Seven

Sally Anne also finished 3rd as an individual

Frankie Webb riding Hollybrooke Annie II won the dressage as an individual on the Sunday.

The Breed Society is always very grateful for the promotion of the fully registered pony by NFPEC and prices achieved when sold are a reflection of this.

Abigail Staff's Knavesash Supernatural (Wayland Cranberry / Willoway Spellbound) bred by Kate Robb – took the Gold Medal Supreme M&M In Hand at NPS Summer Champs.

Peronne The Navigator qualified for the Price family supreme in hand championship at Horse of the Year Show, Navigator was the only New Forest pony to qualify for this final and is the only New Forest pony to have qualified for this final more than once in this current format.

It's been a busy year for northern breed supporters. Although entries were down at the Northern Show held in April at Camden Equestrian Centre near York, in conjunction with NPS Area 4, Steph Peto's ridden gelding Portmore Downburst was a worthy Supreme Champion, with Diane Hadwen's Highfox Heaven Sent in Reserve; Heaven Sent went on to stand British Isles and NPS Area 4 Reserve Supreme Champion In Hand.

For the first time in a number of years the Breed Society held a northern colt inspection, also at Camden Equestrian Centre, by kind permission of owner Micky Welling. Eight stallion owners presented colts for inspection and the spectacle attracted quite a lot of spectator interest. It was very encouraging to see so many potential stallions coming forward for licensing outside the Forest. The colt with the top marks on the day was Backley Dream Boy, a three year old owned by Adam Cooper.

Other highlights from 2023

Ann & Vicki Partington's Highfox Hunky Dory ridden by Gail Whetter claimed NPS Scotland's New Forest Pony of The Year award - they enjoyed a fantastic 2022 season and qualified twice for HOYS 2022...finishing 9th in the final.

New Forest ponies were very strongly represented at the NPS champs, winning a number of the prestigious M&M championships including: Pittswood Carmen – Black Country Ridden finalist & Champion Mare (Owen & Val Dibdin); Woodrow The Warrior – British Isles In-Hand Supreme Champion (June Whitham); Knavesash Supernatural – Gold Medal M&M In-Hand Supreme Champion (Abigail Staff); Hurtstock Cornish Amber – Ringside Open Ridden Supreme Champion (Lucy Booth)

Winning the M&M Ridden championship at HOYS was a huge result for breeders Andy Vine and daughter Laura House with their homebred stallion Vynnes Magical Edition beautifully ridden by Pip Smith. Mr Ed as he is known is by Applewitch Pure Magic previous 'Sire of the Year at HOYS on two occasions.

2023 BREED SHOW REPORT

The Annual Breed Show was once again held in the Ley Field at New Park behind the main showground at New Park. The weather is always a worry, and on the Saturday the heavens opened at one point and combined with thunder and lightening sent people diving for cover, but the stalwart judges, helpers and competitors just carried on. We were much luckier on Monday.

On Saturday Peronne Notorious won the Stud Stallion Championship, with the Stud Youngstock Champion Vines Second Edition taking Reserve. The Champion Forest-run Stallion was Knavesash Polaris, who won the Shobley Cup, and Pauls Lane Bramble was Forest-Bred In-hand Stallion Champion. Fidlewood Falconer won the Cranesmoor Cup for having the best foals on the Forest. Emma Collis and Doorage Forget-me-not had a successful day winning the HOYS Qualifier, and later taking the Owner/Rider and the Overall Ridden Championships along with the NPS Ridden Silver Medal. In the WHP Championship it was a repeat of last year's success for Peronne Nero who was champion again, and Furzley To Be Faire took reserve. The Novice Ridden Champion was Woodrow Delights Double, and the Forest-Bred Ridden Champion was Picket Post Polo owned by the late Rohays Gray.

Woodrow the Warrior was the Youngstock Champion for the third time, and the reserve was the Filly Champion Brock Bronagh. Warrior was also the Gelding Youngstock Champion, and overall Gelding Champion. The Forest-Bred Youngstock Champion was Lucky Lane Spitfire, and the overall in-hand Forest Bred Champion was Glenbeechee Nutmeg who also took the Centaur Cup for Young Commoners in-hand 4 years and over. The Gaza Cup for best Youngstock owner by a Young Commoner was won by Sway Supersonic, and the Beaulieu Road Sales Champion was Crabbswood Suprize. The 133cm Champion was Brock Artemis.

The Mare Championship was won by James Young and Trudy Nineham's home bred mare Brock Bronwen, with a previous winner Holybrooke Melitta, owned by Mr John and Mrs Wendy Adams, taking reserve. This was Melitta's last Breed Show, as she has now retired after a very successful career in the show ring. The Mallards Wood Filly Foal won the Foal Championship.

Marney Dell's Champion Stud Stallion, Peronne Notorious, by Moortown Nobby, was again victorious taking the Supreme Championship for an amazing third time. This was particularly special as they almost missed the Supreme Championship due to a serious accident blocking the motorway. They won the Marie Large Memorial Trophy as highest placed stud-bred pony, NPS In-Hand Silver Medal and the HOYS/Price In-hand Semi-Final Qualifier. The Reserve Supreme was the Overall Forest-Bred In-hand Champion, Glenbeechee Nutmeg, by Oke Dene Red Alert, and owned by Daniel Drodge, who also won the Arthur Collis Memorial Cup for the highest placed mare/filly and the Sungold Countess Cup for the highest placed Forest-bred pony.

The Show would not be possible without all the help of our amazing volunteers, some who have helped us for many years, As always, I would like to take this opportunity to say an enormous thank you on behalf of the Show Committee to the stewards, announcer, helpers, judges and competitors, we just could not do it without you. We would also like to thank our sponsors too. We look forward to seeing you all at the 2024 Show.

Hilary Palmer

Stallion Turnout Dates 2023

Out – Tuesday 9 May

In – By Monday 10 July (could start coming in from Monday 3 July)

HORSERACE BETTING LEVY BOARD GRANT

HBLB pays a grant of £6,000 to the Society, to which we are required to add 20% (£1,200) from our own resources to fund the programmes allowable under the HBLB scheme. As in previous years, the Society has used the HBLB grant to support the semi-feral herds and reward quality breeding of semi-feral ponies by allocating it to the Forest Stallion Premiums and Forest Fed Premiums.

FOREST-RUN STALLIONS PREMIUMS

Premiums were paid to the following Forest-run Stallions who were entered at the Breed Show.

Forest-run Stallions - 1st Premium

Portmore Thunder Cloud	Messrs J & M Gerrelli
Lucky Lane Rollo	Mrs E M Gerrelli
Bunny II	Mr William Chatley
Cadland Masterplan	Mr J F Greenwood
Knavesash Gold Fever	Ms Kate Robb
Lucky Lane Pegasus	Mrs E M Gerrelli
Lucky Lane Warrior	Mrs E M Gerrelli
Cameron Luck of The Irish	Mrs Kathleen Clarke
Bullhill Major	Mrs Suzanne Kempe
Knavesash Polaris	Mr P & Mrs A Pidgley
Mallards Wood Law and Order	Mr Robert Maton
Fidleywood Falconer	Mr Alex Humble
Wellow Vivaldi	Mr Alex Humble
Mogshade Quarryman	Mrs Jehanna Stride
Carterstone Cufflink	Ms Erika Dovey
Pragnells Pippin	Mrs Kathy Clarke
Sandhole Raven	Ms V Golding
Knavesash Duty	Ms Kate Robb
Jetset Monarch	Mrs Marie Davies
Ashlett Colonel Smart	Mrs Wendy Gover Fromm

2023 FOREST FED COMPETITION RESULTS

Dale Memorial Cup Overall Champion

C	Deerleap Orchid	Mrs Marion Ingram
R	Doorage Keepsake	Miss Ines Mitchell

Nancy Deed Cup, Winner of Michael Lovell's Area

W	Deerleap Orchid	Mrs Marion Ingram
R	Deerleap Foxglove	Mrs Marion Ingram

Olga Golby Cup, Winner Of Peter Rix's Area

W	Doorage Keepsake	Miss Ines Mitchell
R	Rushmoor Daylight	Messrs R & J Stride

Bessant Cup, Winner of Michael Maton's Area

W	Busketts Blackberry	Mr Peter Fogarty
R	Lyndhurst Fern II	Ms Jenni Cavanna

Peckham Cup, Winner of Robert Maton's Area

W	Berrywood Raspberry Roulade	Mr Peter Pidgley
R	Foxhills Footloose	Mrs Pat C Dunning

Pinkney Cup Best Mare That Foaled in The Previous Year

W	Lyndhurst Fern II	Ms Jenni Cavanna

Keppel Pulteney Cup Best Young Commoner's Mare

W	Doorage Keepsake	Miss Ines Mitchell

Golding Cup Best Mare North of A31

W	Rushmoor Daylight	Messrs R & J Stride

Robert Maton's Area – Premium Winners

Foxhills Footloose	Mrs Pat C Dunning
Foxhills Hermione	Mrs Pat C Dunning
Foxhills Hazelnut	Mrs Clare Bates
Chardiere Dragonfly	Mrs Clare Bates
Rushmoor Shona	Messrs R & J Stride
Rushmoor Brook Bay	Messrs R & J Stride
Rushmoor Wander	Messrs R & J Stride
Ruby XIII	Mr Daniel A Drodge
Sarah IV	Mr Daniel A Drodge
Berrywood Raspberry Roulade	Mr Peter Pidgley
Oakwood Locket	Mr Brian Ingram
Hilltop Angelica	Mrs Lucinda Lang
Cuffnells Ladybird	Ms Stephanie Davies

Michael Maton's Area – Premium Winners

Mallards Wood Carismae	Miss Carly L Taplin
Jetset Royal Rushes	Miss Carly L Taplin
Ashlett Alice Mae	Miss Paige Taplin
Churchmeadow Pandora	Mrs Jeanette Pearce
Blackwell Celandine	Miss Eloise Cavanna
Rushmoor Guleder Rose	Messrs R & J Stride
Busketts Blackberry	Mr Peter Fogarty
Margorie	Mrs Wendy Gover Fromm
Nutschullyng Vera Lynn	Mrs Wendy Gover Fromm
Lyndhurst Fern II	Ms Jenni Cavanna

Michael Lovell's Area – Premium Winners

Deerleap Orchid	Mrs Marion Ingram
Deerleap Foxglove	Mrs Marion Ingram
Deerleap Dame	Mrs Marion Ingram
Oakwood Final Edition	Mr Brian Ingram
Oakwood Red Sky	Mr Brian Ingram

Fiddlers Dimple
Ashurst Amethyst II
Foxhills Tinkerbelle
Brock Celebrity

Miss Amy Tilbury-Owen
Mr David and Mrs Lucinda Lang
Mrs Pat C Dunning
Mr R W Pearce

Peter Rix's Area – Premium Winners

Rushmoor Fancy Free	Messrs R & J Stride
Rushmoor Daylight	Messrs R & J Stride
Rushmoor Away Day	Mr William Mitchell
Doorage Keepsake	Miss Ines Mitchell
Mockbeggar Fox Trot II	Miss Isabel Mitchell

Broxmore Cup Best Maiden Mare

W Churchmeadow Breeze II	Mr R W Pearce

Maiden Mares – Premium Winners

Oakwood Red Pepper	Mr Brian Ingram
Churchmeadow Breeze II	Mr R W Pearce
Hawkhill Miss Hen	Mr David and Mrs Lucinda Lang
Foxhills Honeydew	Mr George Bates
Rushmoor Rose of Tralee	Messrs R & J Stride
Rowhill Tiny	Miss Eloise Cavanna

FUTURITY SCHEME – LICENSING OF TWO YEAR OLD COLTS

At the spring colt inspection, five of the Futurity Scheme colts gained their licence: Jetset Monarch, Knavesash Duty, Pragnells Pippin, Cavannas Oh No Overdraft and Buckland Tomahawk. Jetset Monarch, Knavesash Duty and Pragnells Pippin were accepted into the Verderers Stallion Scheme.

FUTURITY YEARLING COLTS SCHEME

We were extremely grateful to the Verderers of the New Forest who were able to pay us a grant of £9,500 from their HLS Verderers Grazing Scheme, which is allowing us to continue the Futurity Yearling Colts scheme. We invited yearling colts and colt foals to come forward for assessment following the main stallion inspection on Sept 30th with four yearlings and nine colt foals being excepted for the winter premium provided they are presented again for selection in April 2024

The Futurity Scheme pays a number of other premiums on successful licensing and if enough offspring have been sired by the age of seven, so it is a very valuable scheme to individual owners, and has helped to produce a steady throughput of new stallions, many of which are now in the Verderers Stallion Scheme.

FUTURITY SCHEME REVIEW 2013-2023 AND MEASURES OF SUCCESS

A total of 109 colts have been inspected, and of these 65 have been accepted into the Futurity Scheme.

These 65 colts had 46 different sires and 57 different dam-sires.

Of these 65 colts, 70%, that is 40 of them, have achieved their 2-year-old stallion licence.

23 stallions have achieved their 5-year-old full stallion licence, plus there are 5 x 2-year-old colts newly licensed in 2023, to give 28 currently licensed stallions.

The 28 currently licensed stallions have 21 different sires.

The Scheme has produced 18 Forest-run stallions, and they have 16 different sires.

(Excluding the 5 licensed in 2023), of the 35 stallions licensed at 2-years-old, only 3 have not been used for breeding.

The 40 licensed stallions have produced 1320 foals (including part-bred) up to and including 2022.

Show Results: there have been

3 x Cranesmoor Cup wins and 3 x Cranesmoor Cup Reserves; 3 x Shobley wins and 3 x Shobley Reserves.

1 Reserve Supreme

1 Stud Stallion Champion

1 Beaulieu Road Sales Champion

1 placed at HOYS ridden, 1 has competed in the Point to Point

POINT TO POINT 2023 REPORT

The preparation for this year's event started soon after last year's had finished. We had a wash up meeting with Forestry England and as a result of complying with theirs and Natural England's requirements we have been given an assent from NE for 5 years which will considerably reduce the administrative burden on our PTP committee although we clearly still need to obtain an annual permission from FE.

Our sub committee started meeting in the autumn when we amended some aspects of the schedule before taking to main council for approval. Our course setter this year for the first time was Robert Stride and he met up with FE representatives to gain their approval for our permission, of course tradition dictates that no-one apart from Robert knows the course before the day.

As we moved through November, entries began to come in to both the society office and here at home and when the sub committee met again in early December entries had closed at 82. As a result we divided both the older childrens and novice races.

In the run up to Xmas the weather was awful with driving rain most days, when the ground crew met a few days before Boxing Day the finish car parks were organised and with Robert putting signs and mats in place just before the day we were ready to go.

Fortunately for us the day itself was both bright and mild, we met at Ashurst Campsite, a really excellent location with plenty of space and hard standing. The children moved a short distance away to start close to the water trough at Home Farm, Ashurst whilst the adults were taken over the A35 to start between Fox Hill and Fair Cross, not many people knew where they were there.

The races themselves produced a triumphant result for the Dovey/Lovell family with four of their ponies winning whilst there were also successes for regular winners Anita Smith, Heidi Whetren and Jake Moore who was first over the line in the combined Ladies and Colthunters Race. There were also wins for Faith Shore, Cassidy Francis, Sonja Waite & Abbie Horsburgh.

Apart from an accident to a pony in the children's race which fortunately had a happy ending, all ponies and riders returned home safely, trophies were presented by Leanne Sargeant on behalf of Society President Jonathan Gerrelli and we will soon start preparations for 2024!

2023 POINT TO POINT RESULTS

RACE 1B VETERANS 55YEARS AND OVER ON NEW FOREST PONIES

- 1st Janesmoor Jasper Conran Owner and Rider Anita Smith
- 2nd Sladeshill Guns'n'Roses Owner and Rider Julie Brown
- 3rd Staghill Polar Flight Owner and Rider Katie Macey
- 4th Rowdown Midnight Stroll Owner and Rider Andrew Luker

RACE 2 CHILDREN 10-13YEARS ON NEW FOREST PONIES

- 1st Ipersbridge Whisper Owner Erika Dovey Rider Faith Shore Best Turnout
- 2nd Shatterford Golden Lad Owner Andrea Good Rider Mary Mansbridge
- 3rd Staplewood Cruz Owner Richard Carr Rider Imogen Loades
- 4th Brockenhurst Ginger Thomas Owner and Rider Emilia Loades

RACE 3A CHILDREN 14-16 YEARS ON NEW FOREST PONIES

- 1st Lyndhurst Sunlight Owner Mike Lovell Rider Sonny Lovell
- 2nd Sandhole William Tell Owner Laura Rangecroft Rider Ryan Luker Best Turnout
- 3rd Sandhole Brandy Snap Owner Rebecca Dunn Rider Millie Francis
- 4th Doorage Perfection Owner Julie Hunt Rider Lara Mills

RACE 3B CHILDREN 14-16 YEARS ON NEW FOREST PONIES

- 1st Staghill Rocket Owner Lisa Theron Rider Cassidy Francis
- 2nd Farrington Thunder Owner Sophie Kyles Rider Eloise Bignold-Kyles
- 3rd Crabbswood Serena Owner Honor Humble Rider Hugh Humble Best Turnout
- 4th Pigbush Joseph Owner Sarah Battersby Rider Connie Battersby

RACE 4A NOVICE NEW FOREST PONIES

- 1st Silverlea Sweet Dreams Owner and Rider Sonja Waite
- 2nd Longwater Shining Star Owner Anita Smith Rider Amy Howells
- 3rd Brookshill Brandy Owner and Rider Marie Parkes
- 4th Newlands Farm Lucky Boy Owner and Rider Isabelle Knighton

RACE 4B NOVICE NEW FOREST PONIES

- 1st Brookwood Top Gun Owner and Rider Heidi Whetren
- 2nd Brookshill Jacob Owner and Rider Jodie Thorp
- 3rd Carterstone Tickled Pink Owner Erika Dovey Rider Maddison Randall
- 4th Brookshill Pipalong Owner and Rider Katie Mathews

RACE 5 OPEN NEW FOREST PONIES

- 1st Warren Trail Layer Owner Erika Dovey Rider Isaac Lovell
- 2nd Delhurens Iggle Piggle Owner and Rider Paris Wyles

RACE 6 YOUNG COMMONERS

- 1st Oakwood Jester Owner and Rider Abbie Horsburgh
- 2nd Fritham Utopia Owner and Rider Sophie Grimes
- 3rd Sladeshill Tinkerbelle Owner Julie Brown Rider Sophie Green
- 4th Vicarshill Little Mole Owner and Rider Satiah Austin

RACE 7A LADIES ON PART BRED NEW FOREST PONIES

- 1st Nutschullying Bewitched Owner & Rider Erika Dovey
- 2nd Lyndhurst Frankie Owner and Rider Natasha White
- 3rd Rowdown Union Jack Owner and Rider Louise England
- 4th Sahara Owner and Rider Louise Murrell

RACE 7B GENTLEMEN ON PART BRED NEW FOREST PONIES

- 1st Wootton Heath Romeo Owner and Rider Jake Moore
- 2nd Wootton Heath Obi Owner and Rider John Adams

THE NORTHERN NEW FOREST PONY SUPPORTERS' GROUP 2023

It's been a busy year for northern breed supporters.

For the first time in a number of years the Breed Society held a northern colt inspection, at Camden Equestrian Centre, by kind permission of owner Micky Welling. Eight stallion owners presented colts for inspection and attracted quite a lot of spectator interest. It was very encouraging to see so many potential stallions coming forward for licensing outside the Forest. The colt with the top marks on the day was Backley Dream Boy, a three-year-old, owned by Adam Cooper and now resident in Lancashire.

Although entries were down at the Northern Show held in April, again at Camden Equestrian Centre near York, in conjunction with NPS Area 4, Steph Peto's ridden gelding Portmore Downburst was a worthy Supreme Champion, with Diane Hadwen's Highfox Heaven Sent in Reserve; Heaven Sent went on to stand British Isles and NPS Area 4 Reserve Supreme Champion In-Hand.

The Supporters' annual Christmas meal and points presentation was well attended at a new venue, the Boothwood Inn, Ripponden in December. Congratulations to this year's overall points winner Lomondside Jolene, owned and bred by Pat and Liz Rennie in Scotland. Jaquie McLeod, based in Wales and her young mare Mighells Dittany, had a super competition season, trying their hand at all sorts of disciplines (among many other things the pair won the in hand competition pony class at this year's Breed Show). They were Versatility Champions and took the Reserve Supreme spot.

Jaquie, Pat and Liz are all founder members of the Supporters Group and very successful breeders of New Forest ponies. Relatively new to the Breed, are Sally Strachan and her daughter Amelia Dumbleton, based in Yorkshire, they bred their first foals this year and registered their new prefix Waterside Scout, a pure bred (Willoway Free Spirit x Whiteladies Question Time) and a part bred Waterscout Neville (Spring Pond Merryman x Buttslawn Charisma). It's great to see another embryonic stud in the North of England.

Dates for your diary!

Northern New Forest Pony Show - 30th June 2024. Full range of National Pony Society qualifiers. In hand, flat, working hunter pony classes. Part bred classes for the first time. To be held at the accessible and lovely Camden Equestrian Centre.

Diane Hadwen

BREED SOCIETY SPECIAL ROSETTES AWARDED AT AFFILIATED SHOWS, 2023

Northern Supporters	Hollybrooke Jupiter, Portmore Downburst, Highfox Heaven Sent
Royal Windsor	Woodrow the Warrior, Nutschullyng River Dance
Royal Lancashire	Thatchers Martini, Highfox Heaven Sent

NPS Great British In-Hand	Peronne The Navigator
NPS Area 4	Highfox Hunky Dory
Melplash	Sluffers Furlough

Midlands Foal & Youngstock Foxhills History
 NF Hounds Point to Point Charity Race, New Forest winner Picket Post Pumpkin

New Forest Livestock Society

The New Forest Livestock Society (NFLS) were pleased to see the return of the face-to-face pony sales at the Beaulieu Road saleyard after a three-year absence in June 2023. The return to the saleyard attracted much attention from the public in the traditional half term week, as well as a good number of perspective buyers. The atmosphere was positive, energised and the sun was shining. Richard Deakin, NFLS Director welcomed everyone back to the saleyard after this challenging three-year absence and paid thanks to all the many contractors, organisations and individuals who had played a vital part in the reinstatement of the site from the arson attack.

The June sale saw a comprehensive catalogue provided by Southern Counties Auctioneers (SCA) that was available online and included a photo and full description of parentage for many animals entered which has been positively received by perspective purchasers.

The summer months rolled on and the September sale came and went. However, just when everyone thought things had returned to 'normal', it became clear there were outbreaks of strangles reported within the close vicinity and it was decided by both the NFLS and SCA to revert to online sales for the remainder of the year. A difficult decision after the face-to-face had returned earlier in the year but the right decision to prevent further spreading of the disease.

The auctioneers did a fantastic job of transferring entries for the October sale to the online platform in a very short timeframe. This sale was followed by another online sale ending in December.

1st June sale with Youngstock pre-sale show

There were 45 animals forward across the sections (Section 1 registered New Forest; Section 2 part bred New Forest ponies and Section 4 other horses / ponies / donkeys). With some quality animals forward, trade was not disappointing starting sharply and remaining throughout the sale. There were purchasers from across the country although many sold did stay local. Rushmoor Easter, a bay registered forest bred New Forest two-year-old filly, was the top price of the day selling for £2320 in Section 1. Other top prices for registered New Forest included a six-year-old bay gelding Jades Fire Fly fetching £1900 and a liver chestnut mare Jades Bell of the Ball making £1420.

Prior to the start of the sale, the NFLS held a pre-sale youngstock show for registered New Forest ponies judged by Mrs Rebecca Diamond, an independent judge. There were two classes (one for yearling fillies, colts, and geldings and the other for two- and three-year fillies, colts, and geldings). The highest placed Forest Bred animal from each class then went forward to a championship. Finally, there was an Overall Championship where the top two from both classes came forward. Overall Champion was Rushmoor Haven and Forest Bred Champion Rushmoor Easter.

21st September sale

The September sale saw 55 entries forward with 31 entries in Section 1 registered New Forest. This section was made up of a small number of foals together with a good number of older geldings and fillies. Despite fewer entries and less people in attendance, there was a firm trade throughout the day. Top price in Section 1 went to a bay four-year old gelding Canando Sky Ray at £1500; and six-year-old liver chestnut mare Farriers Florentine for £1410. It was, however, the Miniature Mediterranean yearling jack donkey that caught the crowd fetching £1420 and an Appaloosa yearling filly also fetching £1420 in Section 4. Overall registered New Forest colt foals averaged £360 and filly foals £400.

8th November online sale

Reverting back to an online sale at short notice, there were some 96 entries forward with 42 in Section 1. As expected, Section 1 saw many foals for the time of year where colt foals outnumbered the fillies and a small number of registered older ponies. Prices remained consistent throughout, top prices in Section 1 went to a bay four-year gelding Millersford Sweet William at £1450, brown colt foal Pacey Hunky Dory £880 and bay filly foal Hilltop Tiffany £780. Overall registered New Forest colt foals averaged £380 and filly foals £580.

6th December online sale

The final sale of the year saw some 95 entries forward with 66 entries in Section 1 which was made up of a good number of foals but with a few older ponies still coming forward looking for new homes. Section 1 prices included a roan four-year gelding Sunnyside Spiderman fetching top price of the day at £2250, a dun filly foal Buckland Moira £1050 and brown colt foal Sabinas Storm Catcher £600. However, prices were more varied than previous sales with registered colt foals averaging £230 and filly foals £700.

Sales Dates 2024

- Beaulieu Road saleyard -Thursday 30th May 2024 (entries close Thursday 16th May)
- Beaulieu Road saleyard - Thursday 3rd October 2024 (entries close Thursday 19th September)
- Beaulieu Road saleyard - Thursday 7th November 2024 (entries close Thursday 24th October) to include pre-sale foal show
- Timed Online Sale - Friday 29th November to Wednesday 4th December 2024 (entries Monday 11th November)

The Committee

The NFLS has taken on board of all the comments about incorporating online bidding at the face-to-face sales. Discussions have been taking place between the auctioneers and the NFLS. There are many hurdles to overcome, not just the technology. Discussions continue.

Throughout the year the NFLS committee has worked hard to progress with general maintenance and tidying of the saleyard which included a working morning in March where some of our 'Young Colts' came along and helped, learning the ropes for the future from their parents and grandparents, what a great delight to see. There is also a new designated disabled area providing close view of the ring. Please respect this area for those who comply.

Finally, a huge thank to the NFLS Directors and NFLS committee members for the support and help throughout the year.

Lucinda Lang
Chairman, NFLS

EDUCATIONAL ACTIVITIES

As a registered charity, the Society has a legal requirement to show that it has an educational programme.

At the 2023 spring Colt Inspection, Suzanne Kempe and Malcolm Fry each led a group of four Young Commoners on a 'walk-through', giving them a more detailed behind the scenes insight into what is involved in the preparation and presentation of a colt for inspection.

A successful Young Judges series of training, culminating in a competition at the Breed Show.

The Show Unit and the CDA Young Commoners took it out around the Forest on a number of occasions during the summer. Brian and Marion Ingram took it to Open Farm Sunday at Brixey's Farm, Ringwood.

The Show Unit was used again to host our usual publicity stand in the Heart of the Forest area at the New Forest Show,

YOUNG JUDGES TRAINING AND COMPETITION

Back in March, the first of our young judges training sessions were held at Ford Farm, with James and Trudy kindly donating ponies for us to look at. Malcolm Fry and I along with Wendy Adams spent a couple of hours talking the group about the process we would go through, general aspects of breed type and conformation. At the time the majority of the young judges were quiet, shy and unconfident in their own abilities. However after the conclusion of the training sessions throughout the season, we could see nothing but confidence growing in them.

We held the competition at the end of the first day of the breed show.

Although only 4 were able to participate in the competition on the Saturday, there was no lacking ability, the 4 girls stood confidently out in the ring to assess the ponies in front of them.

Helen Duffield and Malcolm Fry, the 2 assessors for the competition interviewed each of the young judges separately and found their eventual overall winner and recipient of the Brian Wilson memorial trophy in 14 yr old Erin Dowling, with their runner up Izzy Bennett. Both Helen and Malcolm agreed that all the young judges had done extremely well and were able to give reasoning and show knowledge during their questioning.

On the Monday of the breed show Erin then joined judge Gill Wright during the judging of the Supreme Championship.

Thanks to Gill for being incredibly nurturing and taking her time to play a part in encouraging our younger generation.

We hope that after the success of this year, that we can grow this competition in years to come.

Lyndsey Hayter

ANNUAL BREED SHOW RESULTS 2023

HOYS NF Ridden Qualifier

1st	Doorage Forget-Me-Not	Miss Emma Collis
2nd	Peronne Novelist	Mr R.H and Mrs K.A. Knock

REPRESENTATION ON OTHER BODIES

Jane Murray is Secretary and Executive Committee member of the 826 Equine Studbooks Association. All meetings were held remotely by Zoom during 2023. She is also a member of the Liaison Committee consulting with the Defra Equine ID Team on new passport legislation, following the Public Consultation on Equine Identification. She also attended Spring Zoom and Autumn Live meetings of the NPS M&M Committee on behalf of the Society. Jane Murray is a Committee Member of the Central Prefix Register.

Suzanne Kempe attended the autumn zoom members meeting of 826ESA.

NEW FOREST PERFORMANCE PONY OF THE YEAR COMPETITION

The aim of this competition is to encourage owners of registered New Forest ponies to take part in a wider range of competitions and activities, wherever they happen to live.

*** Stunning rosettes ***

*** Generous cash prizes depending
*** 11 cups to be won ***

on entries ***

Cups and rosettes to the highest placed ponies in the following categories:
Jumping, Dressage, WHP, Most Versatile, Driving
Special rosettes to best three novices
Cup and rosette to best pony bred on the Forest
Cup and rosette to best pony bred by the owner
Cup and rosette to the best stallion

Prize for best junior rider

Scoring categories: Driving; Jumping – affiliated and unaffiliated; ODE; Combined Training; Hunter Trials; Arena Eventing, Handy Hunter/Handy Pony; Working Pony – BSPS, M&M affiliated; unaffiliated; Dressage – affiliated and unaffiliated; Ridden Showing; New Forest and M&M Ridden Showing; Family/PC Pony; Le Trec; Racing; Endurance; extra points for championships; extra points for competing at county level and breed show; bonus points for other activities eg hunting, pony club camp, long distance rides, etc.

The points table has been revised and updated to more accurately reflect the wide variety of disciplines in which New Forest ponies now compete. It looks a bit mind-blowing, but don't worry – it's actually best if you leave the points claimed column blank and we'll complete it.

Exhibitors must be fully-paid up members of the Society.

All ponies must be registered New Forest ponies, four years or over, correctly transferred to the entrant.

All ponies must be entered in their correct registered name.

The competition runs from 1 January to 31 December in the current year.

Juniors not to have attained their 18th birthday by 1 January in the current year.

Entry forms, full rules and points table available from the office or the website

NO NEED TO GET SIGNATURES OF OFFICIALS ON THE SCORESHEET

THE KNIGHTWOOD PART-BRED PERFORMANCE COMPETITION OPEN TO X-REGISTER, PART-BRED AND FIRST CROSS PONIES

Two trophies and rosettes

Ponies must hold passports issued by the Society, or passports which have been overstamped by the Society.

Exhibitors must be fully paid-up members of the Society.

The standard score sheet is used.

140 Points

As always a lovely chance to highlight the breed across the UK and into Scotland, Wales and the IOW the Performance Points competition really shows the versatility of the New Forest pony. Entrants took part in a huge range of competitions from BE Eventing to fun Handy Pony events. Although entries were up on last year we hope to simplify the score sheets to encourage a few more to take part.

Congratulations to Amy Crosby from Cambridgeshire, and Parkchurch Holly Berry who compete at a high level in showjumping, eventing and dressage, not only winning the overall but also the Show jumping Cup and the Forest bred.

In very close second was Sonja Waite with Silverlea Sweet Dreams who spend much of their year representing NFPEC in teams as well as fitting in some drifting and hunting.

Third was the stallion Willoway Double O Seven and Martine Harding who also won the WHP Tankard.

Fourth was Jane Keats competing for the first time on Rowdown High Tide who gained points from Endurance, Dressage, Eventing and Show jumping.

Fifth was Jaqui Mcleod from Wales, giving her young pony Meghells Dittany a range of competition experience. Incidentally this mare is by the Breed Show Supreme Champion Peronne Notorious

Milly Stride rode a different pony this time with Cuckoopen Merlin finishing in 6th Place and claiming the Best Junior prize.

In seventh place was another young mare-this time from Scotland Lomondside Jolene who also won the Dressage Cup and the Owner Breeder prize for her owners Pat and Liz Rennie

Valerie Attrill from the IOW entered two ponies-Thatchers Alexander-eighth in this section and Cameron Prince Hal second in the partbred section.

Although not amassing the most points the pony that gained points in the most sections was Stanswood Sailor and therefore winner of the Versatility Tankard

We would like to see more entries in the Partbred section where Blackwell No Limits was a worthy winner clocking up points in a wide range of disciplines

Congratulations to you all

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

PERFORMANCE GRADES 2024 – DRESSAGE AND EVENTING

This applies to both pure-bred and part-bred New Forest ponies

DRESSAGE GRADES can be achieved in two ways:

1. Submission of test sheets – for Dressage Grade One and Grade Two
2. Submission of BD record.

SUBMISSION OF TEST SHEETS FOR DRESSAGE GRADE ONE (PRELIM) AND DRESSAGE GRADE TWO (NOVICE)

1. Submit FOUR original Prelim test sheets, or FOUR original Novice test sheets.
2. The minimum score on each sheet must be 65%.
3. The tests may be any combination of Prelim test numbers or Novice test numbers.

4. The pony must be entered under its full registered New Forest stud book name, and this must be clearly written on the test sheet.
5. The judge must be a BD Listed Judge. Their name should be clearly printed on the sheet so that this can be checked. The judge's signature must be on the sheet.
6. Any sheets not filled in correctly will not be accepted.
7. Tests may be ridden at any event, provided that it is a BD listed judge, so this could be, for example, an unaffiliated competition, BD affiliated, BD Quest, BD British Native Pony Series, NPS, BRC.
8. Ponies must be four years of age or over and hold a valid NFPBCS passport in the name of the current owner.
9. Send your test sheets with the £10 administration fee per level to the address below. When your sheets have been verified by the Grading and Elite Committee, they will be returned to you with your rosette and sticker for the grading page at the back of the passport.
10. Rolling dates are now being used, so as soon as you have your four sheets send them in.
11. By submitting your test sheets you are expressly agreeing to all the terms and conditions set out above.

DRESSAGE GRADES BY BD COMPETITION RECORD

BD points may be used to grade ponies. Ten BD points are required at each level for grading. Once a pony has achieved 5 points at a higher level, it is assumed to have graded at the lower level. Please submit a printout of your pony's BD Competition Record and the £10 administration fee, for verification by the Grading and Elite Committee, and award of the rosette.

EVENTING GRADES

Grade 1 is for 5 BE Foundation Points; Grade 2 for 15 FP, Grade 3 for 25 FP, and Grade 4 for 35 FP and above. Applicants are asked to submit a print-out of their BE record and a £10 administration fee. As soon as the record has been verified by the G&E Committee the rosette will be awarded.

PONY OBITUARIES

Sprattsdown Jetsam G37/091 1993 (Weirs Harry II / Sprattsdown Candlelight by Wootton Starflight). Bred by Mr & Mrs B L Tillyer, owned by Kate Brown.

□ Linda Charles (24 years ago with 12 year old Kate)

In November 1998, after the loss of my mum's pony, a trip to the Tillyers was in order to cheer us up and it was here I met a very unassuming 5 year old plain black pony. I rode Jesse out a few times, jumping on him bareback to ride back from the field with just the headcollar. He was broken late as a 5 year old and so this very green pony was quite obliging to my fearless 11 year old self. Little did I know that a plan was being hatched between my parents and the Tillyer family, a Christmas surprise awaited me...a pony at the bottom of the garden, having been snuck through the garage in the middle of the night! I won my first rosette days later at the Fortune Centre, it was only a 2'3 clear round but I still have that rosette!

On good advice we took things very slowly. but soon enough Jesse was proving himself to be a very talented and valiant companion, he was fast, sharp and brave and could turn 180 degrees at speed! We would regularly squeeze through gaps and make turns that the show jumping course designers thought was impossible...it became a challenge! We excelled in various competitions: everything from BSJA up to Foxhunters, the Dengie Winter League Championships, Trailblazers Championships, Knightwood Challenge and Festival of the Horse Hunter Trial Championships, barrel racing at Esso and Mopley Riding Club, chase me charlie, hunting, eventing and dressage, Pony Club rallies and camps, to handy pony...a fantastic, versatile and well-travelled pony indeed.

My absolute personal best dressage score of 21 is still held by Jesse, achieved at Rockbourne for one of the many Pony Club Horse Trials held there. A lot of our success I attribute to the jumping of every size and shape gorse bush, log, ditch, river and occasionally even the fence at Crabhat Pound. He would literally jump anything across the forest which made him brave, bold and sure footed. Jesse was also a regular face out on the local drifts at Blackfield and Culverly and we raced in several of the children's races, coming a respectable 2nd place!

I then went off to university and Jesse went on loan, first locally for a year where he knuckled down on dressage and more eventing competitions, then to good family friends for 10 years up to Warwickshire. He also has a reputation for being a jumping machine in the Warwickshire branch of the Pony Club, taking two girls from lead rein ponies up to decent level competition in all disciplines. After the girls had moved on to horses their mum also competed with him...eventing at 90cm up to the age of 23!

Jesse then moved back to us in the New Forest, initially to retire from hard work, but he didn't want to stop...so we had a cheeky outing to the Breed Show where we won the 2'9 jumping! He then settled into bringing on another two young girls, with more outings to places such as Tweseldown and Bovington into his late 20's!

Wanstead Tarquin Moon (1992 – 2023)

New Forest pony breeders and enthusiasts were saddened to hear of the loss of Wanstead Tarquin Moon, homebred stud stallion at the Wanstead Stud in North Wales, his home for 31 years. Tarquin was bred by long time New Forest enthusiast Jacquie McLead, one of the founding members of the Northern New Forest Pony Supporters Group. He was a fabulous all round performance pony, with a lovely temperament and was running with mares until Jaquie lost him in May 2023.

Moortown Firefox (1992-2023)

Sire Randalls Fire Dam Knightwood Bramble (Breeder Miss E Wright)

I am sad to report the loss of Firefox (Fox) in February last year. Old age had finally caught up with him and it was time to let go.

I bought this lovely pony from his breeder, Liz Wright, as a 2yo in September 1994.

He had a superb temperament and settled into his new home straight away.

Although only lightly shown both in hand and under saddle in breed and mixed Mountain and Moorland Classes he was rarely unplaced and had quite a few wins.

Two of his most notable successes were at the New Forest and Hants County Show where in 2000 he won the breed novice ridden class for 14.2hh and under. He came back in 2001 and went on to win the equivalent open class.

He was equally versatile when competing in dressage, riding club classes and show jumping. Although ridden by different jockeys of all ages throughout his long life, he always put his best hoof forward taking into account his rider's level of ability.

After some years as a happy hacker with me he came out of competition retirement at the age of 24 to teach a friend's daughter the ropes. He competed in walk and trot dressage and was placed in the Championship of the Sunshine Tour held at Petley Wood Equestrian Centre. He was also Junior Dressage Champion at Rother Valley Riding Club with his young rider.

It was an honour to have owned a pony who gave so much pleasure to the many people who had contact with him and he is sorely missed. A true Forester and a credit to his breed.

Copsemead Tadgh

Foaled May 1992 in Burley out of Beacon Midge x Silverlea Mighty Don. Tad was purchased from Beaulieu Road sales - a big dark bay foal. He grew on well and made 14.2hh. He was a wonderful pony - has been part of our family for 32 years. Many others have come & gone through the years. Tad always stayed - I think because he never excelled at anything except maybe keeping all newcomers in their place! He was always boss. He was the stand in if we were one short at a PC rally but he didn't enjoy them & adopted "donkey mode". Jumping was not worth the effort unless hounds were involved. He could then nearly jump you off! And woe betide you if we stood still for too long! Another trick that amused him was rolling -usually in muddy puddles although ponds & streams were ok too. There was no warning - his knees buckled & down he went.

He was in his element riding out on the Forest, ears always pricked, his world. The only times he was shod was for the Point to Point. He ran the children's race several times, coming 2nd when the winner took a short cut. 3 miles was a bit far for him but he enjoyed the atmosphere. In his later years he escorted youngsters out & excelled at ride & lead. His cheeky face watching across the field will be missed.

Bowerwood Panache M52/018 2010 (Willoway Highland Malt / Bowerwood Precious)

Owned & bred by Rae Turner.

She was named after Tilly Philpott (Hyde), who I bought her grandmother Hyde Poppet from.

I did not start work on Tilly until she was nearly 5 as I was finishing another pony, but Tilly was so good and loved her lessons. The next spring I took her to an endurance ride to do the shortest distance (approximately 10 miles), she was amazing and I had my first canter on her, so comfortable like her dad. Later that autumn Tilly was lucky to win a large breeds M&M class then go champion.

Along came Covid and so my operation cancelled! In the meantime Tilly was put in foal and she had a colt foal by Knavesash Harley (B Presley) and was a very good mum.

Because I was going to downsize and move Tilly came to a livery yard here in Dumfries where she was ridden by my friend Karen McGowan, who did some dressage and jumping with good results. Later her son William took over and was ready to do some competitions this year, but this was sadly not to be.

Tilly is so missed by us all.

Rae Turner

Sabinas Monte Carlo 2001-2023 (Sabinas Gold Sovereign / Silverlea Halina). Owned & bred by Sabine Andréé-Parsons.

Pony Performance Elite Grading Gold

Sabinas Monte Carlo died suddenly from a massive heart attack a week before Christmas. It came as a huge shock to us all as he was really healthy and I don't think he had ever been ill in his whole life. We bred Monty here at Sabinas Stud and he was Sovereign's first foal. A true gentleman and a family favourite, he was one of the kindest ponies that I have known with huge talent. a true gentleman and a family favourite. He was always very enthusiastic about everything that was asked of him, whether it was dressage, cross country, show jumping , workers, flat ridden or just hacking.

Sally Wiggins had him for several years where he excelled with her daughters, gaining BD points. When we had him back, my daughter Kimberley took him on and he gave her enough confidence to venture into showing. He had many successes with various riders on the show circuit.

He will be very much missed, but also remembered fondly.

Sabine Andree-Parsons

Haywards Guardsman S48/109 2006 (Long Copse Elton / Matley Cherry by Springmoor Lightning). Bred by Peter & Mandy Pidgley, owned by Jan Kembers. Haywards Guardsman was by Longcopse Elton out of Matley Cherry A fabulous foal and passed well at the stallion passing as a two year old We Exported him to Holland to Mr Jan Kemkers, who instantly fell in love with him. Guardsman had a superb temperament and was seen as a perfect sire for driving ponies and children's ponies He covered mares on his English licence in the first year, then in 2011 he was put forward & approved at the central Hengen inspection and also in 2011 performed in harness, which he loved In 2020 he was awarded a 1st premium based on his offspring and received the prestigious Keur! It's wonderful to see his children, grandchildren and even great grandchildren carrying on his fabulous blood lines and temperament I know Mr Kemkers will miss him so much they had such a bond and kept us in touch with everything he did & we visited Holland to see him & got to present his award in the ring a real honour for Pete & I Mandy and Peter Pidgley

Willoway Montmain Gold Charm 1994-2023 (Woodrow Acting Master / Willoway Piper's Charm by Peveril Peter Piper). Bred by Mr & Mrs C A Large, owned by Christophe Aubert Willoway Montmain Gold Charm died in January after 12 years in the care of Christophe Aubert. He was imported to France by the Haras de Montmain at Firfol in Normandy in 1995 and arrived among numerous Willoway, Woodrow and Silverlea ponies...all to become the new foundations for the breed in France in the 90s.He produced 51 quality foals between 2000 and 2022 that include 3 stallion sons, mainly for the Haras de l'Arbalou (Normandy) and lately in the South of France with Christophe at the Haras des Lavandes.

Canterton Joe 1997-2023 (Crown of Berry / Canterton Vera). Bred by The Late Jack Young, owned by Noémie Déat. Imported to France 2001.Joe equipped his progeny with good conformation and type...he also brought a lot of strength in crossbreeding and passed on the pony type, bringing overall harmony and balanced proportions between limbs and the body. Father of 150 IFCE registered progeny, including 4 New Forest stallions and animals that excel in a wide range of competitive activities.

Julian Rosset

OBITUARIES

The Society records with sadness the passing of:

Rohays Gray, Andrea Dymott, Matthew Gerrelli, John Chalke, William Corke, Stella Hore, Mrs Joyce Penny

John Chalke (1941-2023)

John was a hound man through and through. He learnt his skills from seasoned professionals like John Cook at the Wilton and Tim Langley at the Berkeley. His final appointment was to hunt the New Forest Buckhounds. They were a unique pack of hounds that hunted the fallow buck. The New Forest is a tricky country to ride over, never mind to hunt and follow a pack of hounds. Subsequently John did have the occasional encounter with "the forest floor"! Yet with time, experience and commitment, it all came together and John's extensive knowledge and ability over several seasons, established a fine pack of hounds.

He was a very sociable person and encouraged many people to come hunting and enjoy the wonderful scenery at the same time. The supporters club had no problem with fundraising and with John at the kennels these important events

kept the social scene thriving. “Chalky” was always compassionate when collecting fallen stock, either with owners or road casualties.

In 1979 the New Forest celebrated its 900th anniversary as a Royal hunting park. The Queen and Prince Philip toured the area and when they entered New Park, there were positioned the buckhounds and hunt staff. The royal car slowed to view John, his whipper-in and the hounds.

Ye Olde Fallow Bucke (Hounds Magazine)

John was also a well respected and successful New Forest breeder. He registered 95 ponies with his Wellhouse prefix between 1985 and 2013 including Wellhouse Willum, Jan Mattsson’s very successful champion stallion in Sweden and also HOYS finalist Wellhouse Bradberry, Ridden New Forest Champion at the 2023 New Forest & Hampshire County Show.

Rohays Gray

Picket Post prefix & Commoner

Mum loved everything about the forest but most of all its ponies. Her first pony was called Shandy who was purchased by her late father from Beaulieu Road in the 1950’s. The pony was wild but by the time she had been walked home she was halter broken, she lived to a grand old age of 39 and bred some lovely foals for mum. Mum used her father’s brand H/S and later through her husband Peter Gray acquired the prefix Picket Post, we still have ponies running on the forest.

Mum really enjoyed showing the ponies, the first was Picket Post Peppercorn who qualified for the WHP final at Hoys 2 years running back in the 90’s. One of mums proudest moments was Picket Post Polo winning both the in hand and ridden forest bred championship at the New Forest Show in 2022.

Mum was a committee member of the NFPB & CS for a while and also toured the country with the Pony Publicity Group promoting the New Forest Pony, she loved spending the week at HOYS with Shirley Young with the stand and adored Great Yorkshire Show.

Mum made some of her greatest friends through the ponies and through shows and could always be found at the ice cream van with a trail of children behind her waiting for their ice creams.

Mum bred some lovely versatile ponies all with wonderful temperaments, she is deeply missed and hopefully the ponies will continue to do her proud.

Stella Hore – from Devon, a well-respected member of the NPS Mixed M&M Judges Panel and for many years a member of our Judges Panel.

News from our members

Loxland Amazing Grace

(Applewitch Pure Magic x Sabinas Northern Light)

Bred by Julie and Jez Moxon

Loxland Amazing Grace (Gracie) has given me a 2023 to remember achieving things I could only have dreamed about 5 years ago.

Gaining her qualifying scores for the British Dressage Area Festivals first time out, she headed the final at the Onley Grounds Area Festival in the Prelim Freestyle Bronze with over 70% on her first ever attempt, getting the distinctive sash I’ve always loved!

We then headed to the UK Armed Forces championships at Addington where she showed her true all round ability in jumping and dressage as well as winning the Novice Freestyle to Music (despite being nicknamed Shrimp by everyone others as she was so small compared to everyone else!)

On returning home we came home to the exciting news she had been chosen to represent British Dressage South and East and England at the Senior Home Nations championship at Kelsall. It was so special getting to ride with the St George’s cross on our saddle cloth and jacket on my home produced pony.

Truly a year to remember.

Emma-Jane Smith

Brushers Black Adder

Sire: S39/243 - Pondhead Pan-Shine

Dam: M49/336 - Oakfield Linnet

2023 - First season under saddle and proving what a versatile breed the New Forest pony really is!!!

In June we did our first big show and we took the overall Concours d'Elegance Championship at the Elegance Show which was held in Wiltshire - a 4 and half hour drive for us.

We qualified for the National Concours D'elegance society of GB Championship Show (This show is Concours D'elegance equivalent to HOYS) at Onley Grounds Equestrian Complex on Sunday 3rd September. Here we achieved 1st In-hand open, 2nd M&M, 4th Open Ridden and 6th Overall in-hand champion.

Not only have these been amazing achievements for us our picture was selected for the 2024 Concours D'elegance society of GB Calendar.

We are looking forward to trying something new for 2024.

Genna Mawby

Ashurst Harmony (M39/846)

Sire Okedene Peter Dam Ashurst Favourite

Ashurst Harmony (Chloe) is now 29 years old, I've had her since 2009 and in them years we have had all sorts of outings. From cross country to dressage, spider rides to jumping but our favourite activity is showing, this has taken us all over the country, as well as going to Windsor multiple times we love having fun in the veteran classes, sometimes Chloe finds it funny to be as cheeky as she can be in classes which normally results in some comments from the judges who can't believe she's the age she is.

We had a lovely time at the New Forest show first time we've competed there, we did New Forest ridden under 138 cm and was placed 6th

Really pleased with her seeing as she was 10 + years older all the others in class!

She never fails to put a big grin on my face after every ride!

Hayleigh Jayne Beath

Vynnes Magical Edition

Sire Applewitch Pure Magic Dam Brookshill Blackberry

Owned and bred by Andrew Vine

Laura recounts their magical experience at the Horse of the Year Show:

We never imagined what would be achieved at HOYS 2023 when Team Ed arrived in the NEC car park on Tuesday lunchtime.

We arrived and set up camp for the next couple of days, it wasn't long before Ed & Pip were heading down for the evening arena practise. We were really pleased with how he coped in the busy arena, as this was the biggest show he had Competed at so far.

Wednesday started very early with a quick arena familiarisation before a final polish up for Ed at the stables, to be ready for the class to start at 7.30am

The class seem to happen very quickly and after the initial go round Ed was in the arena for the conformation part of the class and then moved onto his individual ridden show. He took everything in his stride and didn't put a foot wrong, we were so pleased and proud of him. I'm sure he thought everyone was there just to watch him.

After being called back in for the prize giving, nerves started kicking in as the results were announced in reverse order, down to the last two and then "Vynnes Magical Edition & Pip Smith" were announced as the Winners!!! We couldn't believe it.... Ed absolutely loved his lap of honour, showing off his extended trot across the ring. The next few hours passed in a bit of a blur with celebrations and trying to let what had just happened sink in.

We now had the M & M Championship, in the International Arena, to look forward to on the Thursday Evening. Thursday flew by and before we knew it Mr Ed was being tacked up and polished ready for the M&M championship in the International Arena.

It was an absolute pleasure to watch Pip ride Ed so beautifully around that ring. He seemed to really rise to the occasion and absolutely loved the atmosphere. We all know he is a bit of a show off. After all the ponies had gone around in front of the judges, they were lined up in the middle of the ring, ready for the results to be announced. They called out the reserve champion which went to the Dartmoor Westown Wild Fire. The next thing we saw before they announced the champion was Ed's name appear on the screen. We all looked at each other in disbelief as could this really happen on his HOYS debut? The official announcement then followed. We couldn't believe they had done it, he looked amazing under the spotlights and we really couldn't have been prouder of Pip & Ed.

Ed is the second New Forest Pony to win the Mountain & Moorland Championship at HOYS following on from Marleydenes Shiraz in 2014. Shiraz is also sired by Applewitch Pure Magic.

It honestly was a dream come true for all of us and sometimes we still can't believe it happened. We cannot thank Pip enough for all her hard work with Ed. It's been an amazing two seasons watching them together.

In December it was a lovely surprise to receive a letter from the NPS advising us we had won the Duntarvie Stud Large Breeds Owner/Breeder Award for being the highest placed M&M large breed that is owned and bred by the same person at HOYS 2023.

Andrew & Laura

New Forest Pony Breeding & Cattle Society

Treasurer's Report 2023

The accounts show a net loss of £2,166, an improvement on last year (loss of £6,641). Given all the changes in the office and additional staff costs, I think this is a good result.

Sundry income includes a legacy of £5000.

The Society supported the New Forest Hounds & their Sock collection service to the tune of £525.

Office rent has increased by £600 following last year's rent review.

Clerical assistance has increased by £4,100 due to office restructuring. However, our two new members of staff are now trained & working efficiently so we hope that they will have more time available to maximise income.

Office & travel expenses have increased, largely due to an upgrade of the three office computers and purchase of a retirement gift for our Hon Secretary.

The 2022 Point to Point contributed £1,014 to Society funds and, pleasingly, the Annual Show managed to contribute a

Market value of investments is down by £4000 but looking better than last year. Income from investments was up by £1000 on last year. The trustees continue to monitor the investment policy carefully.

Altogether, a promising result considering all the extra costs this year and the Society remains in a strong financial position.

Financial Advisers

Rathbones (incorporating Investec Wealth & Investment Limited), Midland House, 2 Poole Road, Bournemouth.

Bankers

NatWest of 11 High Street, Ringwood, Hampshire.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2024

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where three part-time assistants are employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net incoming resources for the year amounted to £11,123. This increases the total reserves at the year end to £289,257 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2024

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 12th February 2025 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2024 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2024 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 12th February 2025 and signed on its behalf.

Mr. J.H. Young
Director

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2024

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2019), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2024

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2024

3. Related Party Transactions and Trustee Remuneration

Trustees are not remunerated for their services. There are no material transactions involving the supply of goods or services to the society by any trustees.

Rathbones (incorporating Investec Wealth & Investment Limited), Midland House, 2 Poole Road, Bournemouth.

Bankers

NatWest of 11 High Street, Ringwood, Hampshire.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2024

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where three part-time assistants are employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net incoming resources for the year amounted to £11,123. This increases the total reserves at the year end to £289,257 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2024

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 12th February 2025 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2024 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2024 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 12th February 2025 and signed on its behalf.

J.H. Young

Mr. J.H. Young
Director

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2024

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2019), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2024

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2024

3. Related Party Transactions and Trustee Remuneration

Trustees are not remunerated for their services. There are no material transactions involving the supply of goods or services to the society by any trustees.

4. Voluntary Income	2024	2023
	£	£
Donations and sundry receipts	798	5,124

16th February 2024

MINUTES OF THE TWENTY-SIXTH ANNUAL GENERAL MEETING OF THE NEW FOREST PONY BREEDING AND CATTLE SOCIETY HELD AT LYNDHURST COMMUNITY CENTRE ON FRIDAY 24 MARCH 2023 AT 7.30 PM

Present: 71 members signed the attendance record.

Apologies were received from: J Whitham, O&V Dibdin, R&J James, W Gover Fromm, J Jack, E Dovey, K Martin, A Dibben, D Vear, L Weinfeld, A Wilson, E&P Rennie, P Mabbutt

Obituaries: A moment of silence was held in memory of those who had passed away in 2022: B Thorne, E Francis, W Cobden, M Glasspool, P Whapham, L Smith, R Bailey, M Parrett, B Wilson, J Hann Parkes, O Wienecke, D Vear, K Samphier, R Hawkins, A Harmsworth, S Oram, Belinda Lady Montagu

The Minutes of the Twenty-Fifth AGM held on Friday 13 May 2022. J R Gerrelli proposed and P Pidgley seconded, acceptance of the Minutes, which had been printed in the 2022 Annual Report and taken as read. All who voted were in favour, with no votes against. The Minutes were approved and signed.

There were no Matters arising from the Minutes.

The 2022 Annual Report and Statement of Accounts.

The Chair of Council, Mrs Suzanne Kempe, gave a brief presentation, highlighting membership, registration forms and studbook numbers, the point to point, mare grading and the current office vacancy.

The Treasurer, Mrs Kathleen Clarke, gave her report. No questions had been received regarding the Statement of Accounts. A Pidgley proposed, and B Ingram seconded, acceptance of the 2022 Annual Report and Accounts. There were no votes against.

The Council 2023

As a result of the 2009 amendment to Society Rule 7, 6 Members of the Council were due to retire by rotation and the Council should consist of 18 members.

Members due to retire by rotation in 2023 are: Mr B Ingram, Mrs S Kempe, Ms T Nineham, Mr M Fry, Mrs S Young and Mrs L Lang. All except Mrs S Young were willing to stand again and had been duly nominated and seconded.

Mrs S Young stood down. Ms Lyndsey Hayter has been nominated and seconded. There were no other nominations, so no election was necessary. A Pidgley nominated and J Smyth seconded election en bloc and there were no votes against.

Society Officers: There were no votes against the appointment of the following:

Society Accountants: Stephenson & Co,

Honorary Veterinary Surgeons: Ms Laura Trigg BVSc, MRCVS, CertAVPEq and Ms Louisa Weinfeld MRCVS, the latter replacing Ms Hannah Buteux who stood down.

Honorary Solicitor: Ms Kerry Dovey Whiting, LLB Hons PG.Dip, Associate Moore Barlow LLP.

President Elect for 2024

R Maton proposed and L England seconded acceptance of Council's nomination of Mrs Anita Smith as President Elect for 2024. There were no votes against.

Any Other Business

No items had been received in writing to the office at least seven days before the meeting.

The outgoing Presidents John and Wendy Adams welcomed Mr Jonathan Gerrelli as President for 2023. Mr Gerrelli presented flowers to the outgoing Presidents and to Mrs Shirley Young thanking them for their service.

An Outstanding Achievement Award was made to Anita Smith for her successes in the Point to Point over the last 20 years.

The Performance Pony Competition prizes were awarded.

Engraved glass tumblers were awarded to the owner of ponies winning Society cups three years in succession.

Erika Dovey: Nutschullyng Bewitched – Cree Cup - Ladies Race, Point to Point

Peter and Amanda Pidgley: Glenbeeche Crystal – Burton Love Affair of Tomatin and Garth cups - Commoners Mare

Awards were made to the following ponies in the Elite Scheme

Pony Performance Gold Grade – Sabinas Monte Carlo

Pony Performance Silver Grade – Ashley Rancher, Kauri Inspiration, Hollybrooke Duke, Newcopse Tigger

Stallion Progeny Gold Grade – Woodrow Prince Harry

Stallion Progeny Silver Grade – Wayland Golden Harry, Willoway Minstral, Hollybrooke Tinker

Mare Progeny Gold Grade – Coffee Crunch, Hollybrooke Debbie

Mare Progeny Silver Grade – Amarillo Soda, Rushpole Linnet

Ash Grade Certificate to Forest-Run Mares: Portmore Rosebud, Sprattsdown Cincinatti

Oak Grade Certificate to Forest-Run Mares: Hilltop Daisy

Dressage Grade One rosettes: Playmoor Chestnut Monarch, Mockbeggar Rosey II, Hollybrooke Martini

The meeting ended at 8.25 pm and the raffle was drawn and refreshments served.

REGISTRATION DATES AND FEES 2024

All breeders should ensure that they have read the document 'Registration Guidance and Fees for 2024 Foals'. By signing the Registration Application Form, you are confirming that you have read and understood the document and accept the terms and conditions.

The breeder is responsible for completing the registration form and microchipping the foal (except those eligible for the Forest-run derogation).

The final date for submission of forms,
as set down in the Equine Identification (England) Regulations 2018 is
30 NOVEMBER 2024.

- Please register your foals as early as possible; do not delay in sending in your forms;
- Ensure that all mares are transferred into the breeder's ownership;
- Consider microchipping your stud-bred foals as soon as possible after birth.

It is very important that all entrants for all Beaulieu Road Sales are registered as early as possible, so that there is sufficient time for the passports to be made up before the sale. This will particularly apply to the September Sale – you will need to start the registration process by early August. Do not delay.

REGISTRATION FEES FOR MEMBERS

The registrations committee and full council have reviewed the costs for registrations and managing this process and the fees for 2024 will be :

£18 for pure/part-bred foals, registered before 30th Sept 2024

£25 for pure/part-bred foals, registered 1st Oct to 30th Nov

£25 ID-only equine passports, before 30th Sept 2024

£30 ID-only equine passports, 1st Oct to 30th Nov

£25 Donkey passports

£10 Levy on paperwork needing to be returned for corrections.

COMPULSORY MICROCHIPPING OF ALL EQUINES

The Equine Identification (England) Regulations 2018 required that all horses in England (apart from those covered by the New Forest semi-feral derogation) were microchipped by **1 October 2020**.

It is now expected that at all Society events and competitions, with the exception of the Forest-Fed competition, all ponies will be microchipped. No award will be made to a pony that is not microchipped in accordance with the law.

All entrants to Beaulieu Road Sales must be microchipped. This covers both foals and all other ponies of whatever age, in all the sections. Please ensure that the number is reported to the Society and recorded on the database before the sale.

Transfers - please ensure that all older ponies are microchipped before sending in a Transfer of Ownership.

Telephone: 01425 672775
Email: info@newforestpony.com
Website: www.newforestpony.com

Please send all correspondence to the above address.
If you would like the Council to discuss a particular issue, please write or email as above.

The objects for which the Society is established are: to encourage the preservation and breeding of the best type of New Forest ponies; to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book; and to hold an annual show for the encouragement and improvement of the breed of New Forest ponies. Having due regard to the Charity Commission's public benefit guidance, the Society presents its financial accounts and this report on its activities in 2023 in which it sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

PRESIDENT'S REPORT 2023

It has been an honour and a privilege to be President of the Society over the past year, and of the few duties of that office, I particularly enjoyed the traditional hosting of afternoon tea at the Breed Show. It was lovely to catch up with so many friends, and I always feel that is a small oasis of calm amongst all the hectic rush of the show.

Congratulations to all the class winners, and especially to our Supreme Champion Peronne Notorious who won that for the third time overall and the 2nd year in a row, what an achievement.

I was very pleased that the futurity scheme for colts has been continued, as this is a great way to support the keeping of young potential stallions, and we must thank the Verderers for assisting with this funding. Hopefully some of these colts will eventually become stallions that will run the Forest.

I would also like to thank your council for all the time and effort they give to the Society, I am sure most members do not realise the amount of work they do on our behalf.

Of course 2023 has been a sad year for my family and I, with the sudden and unexpected passing of my brother Matthew. I am sure most of you knew Matthew, a big character in every sense, who lived and worked his whole life in the Forest. Dad gave us our first pony when we were both young boys, and we took 9G as our brand and Portmore as the prefix, and have run a large herd of ponies between us ever since.

Matthew also loved his cows and he and his partner Karen would always enter them for the cattle classes at the Breed show, with much rivalry and bragging rights for whoever's came out on top. Much to my disgust, he also turned out a large herd of shetlands, but he always used to say to me when I moaned about them, 'it could be worse, I could keep donkeys'!

Remembered for his smile and always ready to help, he will be greatly missed by all.

Jonathan Gerrelli

CHAIRMAN'S REPORT 2023

2023 has been a year of many changes with new staff taking up roles in the office. Ann who has done such a wonderful job with registrations over the last couple of years realised that the hours required were too many for her in a part time capacity. Fortunately, Ann has been available to give her expertise to our new staff and will continue to help on an occasional basis as required.

We now have Charlotte Chatfield (Charlie) and Paris Wyles working as a job share covering more hours as required, we have been very lucky to find such an efficient pairing and they have quickly fitted into their roles.

Another massive change comes, as with great sadness that I report that Jane Murray, our Honorary Secretary stepped down from her role at the end of November last year. Jane joined the society some twenty years ago and in addition to all the usual secretarial duties undertaken, she steered us through some complicated issues with new PIO legislation, as well as us leaving Europe with its many implications. Her dedication in absorbing knowledge of complicated DEFRA and Brexit legislation has been of enormous help to the Society. Jane was also kept very busy with genetics not only relating to breeding but also to genetic diseases and formalising our consolidated breeding programme. In her time as Hon Sec the Society has seen great change, including moving offices, updating IT systems implementing various changes to its activities and the evolution of the council. To mark her retirement the 'resources' committee took her out to lunch and presented her with a laptop as a thank you gift on behalf of the society. Since formally stepping down, Jane has continued to come into the office to assist and help our acting Hon Sec Jenni Cavanna learn the ropes and the office processes. As we enter a new era, the administration of the Society will be shared across the office with our new office team. We will make a formal presentation and thank you to Jane at our AGM in April, and I'm sure that many of you will want to wish her a lovely retirement. Jane, a well known feature of the society and our office will be greatly missed. A huge thanks is also due to our treasurer Kathy-there are now so many methods of payment that the role can be very time consuming in collating everything for the accountants.

The Council as always works hard through the year-running the many events and making sure that our breed is in the public eye whether through events or through publicity on the web and in magazines-a big thank you is due to them. I am fortunate to have Sam Dovey as my vice chair still, with his broad knowledge of Society matters and understanding of legislation

Finally the breeders and the ponies have not let us down culminating in the wonderful result at with Vynnes Magical Edition taking the HOYS M&M Ridden Championship.

Suzanne Kempe

COUNCIL CHANGES IN 2023

At the AGM held on 24 March 2023, Mrs Shirley Young stepped down from the Council, creating a vacancy. This was filled by Ms Lyndsey Hayter. Hannah Buteux stepped down as Society Vet, and was replaced by Louisa Weinfeld MRCVS.

STAFF CHANGES IN 2023

Ann Hall left the position of Registration Secretary in the summer. Charlotte Chatfield and Paris Wyles joined us to take on the Registrations and other office admin tasks. Jenni Cavanna became our Acting Hon Sec from Dec in place of Jane Murray who retired after 20 years in that role.

RARE BREEDS SURVIVAL TRUST - RARE BREED STATUS

Following RBST's introduction of new methodology for calculating breed status in 2021, the New Forest Pony remained in the amber 'At Risk' category in 2023.

ONLINE STUD BOOK

Access to the online stud book is free of charge to members and as such is a valuable benefit of membership. You need your membership number and a password which consists of four lower case letters. If you have misplaced your access details, phone or email the office.

REVIEW OF THE YEAR

Another busy year for our society starting with the Forest-fed competition where commoners enter their mares to be judged on the forest in late Feb/early March. This is acknowledging the hardy and typey mares which in turn are the backbone of our Breed.

The Forest-Fed competition gives a clear indication of how the ponies have wintered and all three judges were very pleased with the condition and standard of the mares. Congratulations to Marion Ingram's evergreen Deerleap Orchid, Overall Champion and winning the Dale Memorial Cup, and well done to Young Commoners Ines Mitchell (Overall Reserve with Doorage Keepsake) and Peter Fogarty, who entered for the first time and were both Area winners

The colt inspections were once again held in April at the very unique Beaulieu Road Sales yard where the show ring with its high fencing is suitable for seeing the colts loose and an inspection box is available for the vetting. Sadly, this year was extremely wet, not easy for handlers or the judges, but everybody persisted, and we saw 14 colts successfully pass the inspection subject to vetting and DNA checks. Top colt was Vynnes Second Edition

We were also able to offer a Northern Grading Day which included colt inspections and mare grading with seven colts passing their inspection-the top colt being Backley Dream Catcher.

Through the summer some mare grading inspections were held on holdings, and at the September Grading Day where six colts passed their inspections too. We were pleased to have a good number of colt foals put forward to be included in our Futurity Scheme as well as some yearling colts. We look forward to seeing how they progress and hope that they will be our stallions of the future, we are very grateful for continued funding from the Verderers HLS Scheme. The Futurity Scheme has produced 40 licenced stallions and 18 of the current forest run stallions are by 16 different sires.

Meanwhile members of the New Forest Pony Enthusiasts Riding Club have had a successful 2023 season attending and being placed throughout year at many BRC events.

Erin Dovey riding Moneyhills Pageant was 2nd at Swalcliffe ODE championships.

Milly Stride riding Cuckopenn Merlin was 3rd at the Combined Training championships

The junior arena eventing team won the 80cm section and were 3rd in the 70cm section.

Lincolnshire Championships saw the senior team finishing third out of 107 teams.

Sally Anne Pierson – Mallards Wood Jackson

Sonja Waite - Silverlea Sweet Dreams

Gemma Bruce - Applewitch Avalon

Martine Harding - Willoway Double O Seven

Sally Anne also finished 3rd as an individual

Frankie Webb riding Hollybrooke Annie II won the dressage as an individual on the Sunday.

The Breed Society is always very grateful for the promotion of the fully registered pony by NFPEC and prices achieved when sold are a reflection of this.

Abigail Staff's Knavesash Supernatural (Wayland Cranberry / Willoway Spellbound) bred by Kate Robb – took the Gold Medal Supreme M&M In Hand at NPS Summer Champs.

Peronne The Navigator qualified for the Price family supreme in hand championship at Horse of the Year Show, Navigator was the only New Forest pony to qualify for this final and is the only New Forest pony to have qualified for this final more than once in this current format.

It's been a busy year for northern breed supporters. Although entries were down at the Northern Show held in April at Camden Equestrian Centre near York, in conjunction with NPS Area 4, Steph Peto's ridden gelding Portmore Downburst was a worthy Supreme Champion, with Diane Hadwen's Highfox Heaven Sent in Reserve; Heaven Sent went on to stand British Isles and NPS Area 4 Reserve Supreme Champion In Hand.

For the first time in a number of years the Breed Society held a northern colt inspection, also at Camden Equestrian Centre, by kind permission of owner Micky Welling. Eight stallion owners presented colts for inspection and the spectacle attracted quite a lot of spectator interest. It was very encouraging to see so many potential stallions coming forward for licensing outside the Forest. The colt with the top marks on the day was Backley Dream Boy, a three year old owned by Adam Cooper.

Other highlights from 2023

Ann & Vicki Partington's Highfox Hunky Dory ridden by Gail Whetter claimed NPS Scotland's New Forest Pony of The Year award - they enjoyed a fantastic 2022 season and qualified twice for HOYS 2022...finishing 9th in the final.

New Forest ponies were very strongly represented at the NPS champs, winning a number of the prestigious M&M championships including: Pittswood Carmen – Black Country Ridden finalist & Champion Mare (Owen & Val Dibdin); Woodrow The Warrior – British Isles In-Hand Supreme Champion (June Whitham); Knavesash Supernatural – Gold Medal M&M In-Hand Supreme Champion (Abigail Staff); Hurtstock Cornish Amber – Ringside Open Ridden Supreme Champion (Lucy Booth)

Winning the M&M Ridden championship at HOYS was a huge result for breeders Andy Vine and daughter Laura House with their homebred stallion Vynnes Magical Edition beautifully ridden by Pip Smith. Mr Ed as he is known is by Applewitch Pure Magic previous ‘Sire of the Year at HOYS on two occasions.

Malcom Fry

2023 BREED SHOW REPORT

The Annual Breed Show was once again held in the Ley Field at New Park behind the main showground at New Park. The weather is always a worry, and on the Saturday the heavens opened at one point and combined with thunder and lightening sent people diving for cover, but the stalwart judges, helpers and competitors just carried on. We were much luckier on Monday.

On Saturday Peronne Notorious won the Stud Stallion Championship, with the Stud Youngstock Champion Vines Second Edition taking Reserve. The Champion Forest-run Stallion was Knavesash Polaris, who won the Shobley Cup, and Pauls Lane Bramble was Forest-Bred In-hand Stallion Champion. Fidlewood Falconer won the Cranesmoor Cup for having the best foals on the Forest. Emma Collis and Doorage Forget-me-not had a successful day winning the HOYS Qualifier, and later taking the Owner/Rider and the Overall Ridden Championships along with the NPS Ridden Silver Medal. In the WHP Championship it was a repeat of last year's success for Peronne Nero who was champion again, and Furzley To Be Faire took reserve. The Novice Ridden Champion was Woodrow Delights Double, and the Forest-Bred Ridden Champion was Picket Post Polo owned by the late Rohays Gray.

Woodrow the Warrior was the Youngstock Champion for the third time, and the reserve was the Filly Champion Brock Bronagh. Warrior was also the Gelding Youngstock Champion, and overall Gelding Champion. The Forest-Bred Youngstock Champion was Lucky Lane Spitfire, and the overall in-hand Forest Bred Champion was Glenbeechnutmeg who also took the Centaur Cup for Young Commoners in-hand 4 years and over. The Gaza Cup for best Youngstock owner by a Young Commoner was won by Sway Supersonic, and the Beaulieu Road Sales Champion was Crabbswood Suprize. The 133cm Champion was Brock Artemis.

The Mare Championship was won by James Young and Trudy Nineham's home bred mare Brock Bronwen, with a previous winner Holybrooke Melitta, owned by Mr John and Mrs Wendy Adams, taking reserve. This was Melitta's last Breed Show, as she has now retired after a very successful career in the show ring. The Mallards Wood Filly Foal won the Foal Championship.

Marney Dell's Champion Stud Stallion, Peronne Notorious, by Moortown Nobby, was again victorious taking the Supreme Championship for an amazing third time. This was particularly special as they almost missed the Supreme Championship due to a serious accident blocking the motorway. They won the Marie Large Memorial Trophy as highest placed stud-bred pony, NPS In-Hand Silver Medal and the HOYS/Price In-hand Semi-Final Qualifier. The Reserve Supreme was the Overall Forest-Bred In-hand Champion, Glenbeechnutmeg, by Oke Dene Red Alert, and owned by Daniel Drodge, who also won the Arthur Collis Memorial Cup for the highest placed mare/filly and the Sungold Countess Cup for the highest placed Forest-bred pony.

The Show would not be possible without all the help of our amazing volunteers, some who have helped us for many years, As always, I would like to take this opportunity to say an enormous thank you on behalf of the Show Committee to the stewards, announcer, helpers, judges and competitors, we just could not do it without you. We would also like to thank our sponsors too. We look forward to seeing you all at the 2024 Show.

Hilary Palmer

Rowhill Tiny	Miss Eloise Cavanna

FUTURITY SCHEME – LICENSING OF TWO YEAR OLD COLTS

At the spring colt inspection, five of the Futurity Scheme colts gained their licence: Jetset Monarch, Knavesash Duty, Pragnells Pippin, Cavannas Oh No Overdraft and Buckland Tomahawk. Jetset Monarch, Knavesash Duty and Pragnells Pippin were accepted into the Verderers Stallion Scheme.

FUTURITY YEARLING COLTS SCHEME

We were extremely grateful to the Verderers of the New Forest who were able to pay us a grant of £9,500 from their HLS Verderers Grazing Scheme, which is allowing us to continue the Futurity Yearling Colts scheme. We invited yearling colts and colt foals to come forward for assessment following the main stallion inspection on Sept 30th with four yearlings and nine colt foals being excepted for the winter premium provided they are presented again for selection in April 2024

The Futurity Scheme pays a number of other premiums on successful licensing and if enough offspring have been sired by the age of seven, so it is a very valuable scheme to individual owners, and has helped to produce a steady throughput of new stallions, many of which are now in the Verderers Stallion Scheme.

FUTURITY SCHEME REVIEW 2013-2023 AND MEASURES OF SUCCESS

A total of 109 colts have been inspected, and of these 65 have been accepted into the Futurity Scheme.

These 65 colts had 46 different sires and 57 different dam-sires.

Of these 65 colts, 70%, that is 40 of them, have achieved their 2-year-old stallion licence.

23 stallions have achieved their 5-year-old full stallion licence, plus there are 5 x 2-year-old colts newly licensed in 2023, to give 28 currently licensed stallions.

The 28 currently licensed stallions have 21 different sires.

The Scheme has produced 18 Forest-run stallions, and they have 16 different sires.

(Excluding the 5 licensed in 2023), of the 35 stallions licensed at 2-years-old, only 3 have not been used for breeding.

The 40 licensed stallions have produced 1320 foals (including part-bred) up to and including 2022.

Show Results: there have been

3 x Cranesmoor Cup wins and 3 x Cranesmoor Cup Reserves; 3 x Shobley wins and 3 x Shobley Reserves.

1 Reserve Supreme

1 Stud Stallion Champion

1 Beaulieu Road Sales Champion

1 placed at HOYS ridden ,1 has competed in the Point to

Point

POINT TO POINT 2023 REPORT

The preparation for this year's event started soon after last year's had finished. We had a wash up meeting with Forestry England and as a result of complying with theirs and Natural England's requirements we have been given an assent from NE for 5 years which will considerably reduce the administrative burden on our PTP committee although we clearly still need to obtain an annual permission from FE.

Our sub committee started meeting in the autumn when we amended some aspects of the schedule before taking to main council for approval. Our course setter this year for the first time was Robert Stride and he met up with FE representatives to gain their approval for our permission, of course tradition dictates that no-one apart from Robert knows the course before the day.

As we moved through November, entries began to come in to both the society office and here at home and when the sub committee met again in early December entries had closed at 82. As a result we divided both the older childrens and novice races.

In the run up to Xmas the weather was awful with driving rain most days, when the ground crew met a few days before Boxing Day the finish car parks were organised and with Robert putting signs and mats in place just before the day we were ready to go.

Fortunately for us the day itself was both bright and mild, we met at Ashurst Campsite, a really excellent location with plenty of space and hard standing. The children moved a short distance away to start close to the water trough at Home Farm, Ashurst whilst the adults were taken over the A35 to start between Fox Hill and Fair Cross, not many people knew where they were there.

The races themselves produced a triumphant result for the Dovey/Lovell family with four of their ponies winning whilst there were also successes for regular winners Anita Smith, Heidi Whetren and Jake Moore who was first over the line in the combined Ladies and Colthunters Race. There were also wins for Faith Shore, Cassidy Francis, Sonja Waite & Abbie Horsburgh.

Apart from an accident to a pony in the children's race which fortunately had a happy ending, all ponies and riders returned home safely, trophies were presented by Leanne Sargeant on behalf of Society President Jonathan Gerrelli and we will soon start preparations for 2024!

2023 POINT TO POINT RESULTS

RACE 1B VETERANS 55YEARS AND OVER ON NEW FOREST PONIES

1st Janesmoor Jasper Conran Owner and Rider Anita Smith

2nd Sladeshill Guns'n'Roses Owner and Rider Julie Brown

3rd Staghill Polar Flight Owner and Rider Katie Macey

4th Rowdown Midnight Stroll Owner and Rider Andrew Luker

RACE 2 CHILDREN 10-13YEARS ON NEW FOREST PONIES

1st Ipersbridge Whisper Owner Erika Dovey Rider Faith Shore Best Turnout

2nd Shatterford Golden Lad Owner Andrea Good Rider Mary Mansbridge
3rd Staplewood Cruz Owner Richard Carr Rider Imogen Loades
4th Brockenhurst Ginger Thomas Owner and Rider Emilia Loades

RACE 3A CHILDREN 14-16 YEARS ON NEW FOREST PONIES

1st Lyndhurst Sunlight Owner Mike Lovell Rider Sonny Lovell
2nd Sandhole William Tell Owner Laura Rangecroft Rider Ryan Luker Best Turnout
3rd Sandhole Brandy Snap Owner Rebecca Dunn Rider Millie Francis
4th Doorage Perfection Owner Julie Hunt Rider Lara Mills

RACE 3B CHILDREN 14-16 YEARS ON NEW FOREST PONIES

1st Staghill Rocket Owner Lisa Theron Rider Cassidy Francis
2nd Farringdon Thunder Owner Sophie Kyles Rider Eloise Bignold-Kyles
3rd Crabbswood Serena Owner Honor Humble Rider Hugh Humble Best Turnout
4th Pigbush Joseph Owner Sarah Battersby Rider Connie Battersby

RACE 4A NOVICE NEW FOREST PONIES

1st Silverlea Sweet Dreams Owner and Rider Sonja Waite
2nd Longwater Shining Star Owner Anita Smith Rider Amy Howells
3rd Brookshill Brandy Owner and Rider Marie Parkes
4th Newlands Farm Lucky Boy Owner and Rider Isabelle Knighton

RACE 4B NOVICE NEW FOREST PONIES

1st Brookswood Top Gun Owner and Rider Heidi Whetren
2nd Brookshill Jacob Owner and Rider Jodie Thorp
3rd Carterstone Tickled Pink Owner Erika Dovey Rider Maddison Randall
4th Brookshill Pipalong Owner and Rider Katie Mathews

RACE 5 OPEN NEW FOREST PONIES

1st Warren Trail Layer Owner Erika Dovey Rider Isaac Lovell
2nd Delhurens Iggle Piggie Owner and Rider Paris Wyles

RACE 6 YOUNG COMMONERS

1st Oakwood Jester Owner and Rider Abbie Horsburgh
2nd Fritham Utopia Owner and Rider Sophie Grimes
3rd Sladeshill Tinkerbelle Owner Julie Brown Rider Sophie Green
4th Vicarshill Little Mole Owner and Rider Satiah Austin

RACE 7A LADIES ON PART BRED NEW FOREST PONIES

1st Nutschullying Bewitched Owner & Rider Erika Dovey
2nd Lyndhurst Frankie Owner and Rider Natasha White
3rd Rowdown Union Jack Owner and Rider Louise England
4th Sahara Owner and Rider Louise Murrell

THE NORTHERN NEW FOREST PONY SUPPORTERS' GROUP 2023

It's been a busy year for northern breed supporters.

For the first time in a number of years the Breed Society held a northern colt inspection, at Camden Equestrian Centre, by kind permission of owner Micky Welling. Eight stallion owners presented colts for inspection and attracted quite a lot of spectator interest. It was very encouraging to see so many potential stallions coming forward for licensing outside the Forest. The colt with the top marks on the day was Backley Dream Boy, a three-year-old, owned by Adam Cooper and now resident in Lancashire.

Although entries were down at the Northern Show held in April, again at Camden Equestrian Centre near York, in conjunction with NPS Area 4, Steph Peto's ridden gelding Portmore Downburst was a worthy Supreme Champion, with Diane Hadwen's Highfox Heaven Sent in Reserve; Heaven Sent went on to stand British Isles and NPS Area 4 Reserve Supreme Champion In-Hand.

The Supporters' annual Christmas meal and points presentation was well attended at a new venue, the Boothwood Inn, Ripponden in December. Congratulations to this year's overall points winner Lomondside Jolene, owned and bred by Pat and Liz Rennie in Scotland. Jaquie McLeod, based in Wales and her young mare Mighells Dittany, had a super competition season, trying their hand at all sorts of disciplines (among many other things the pair won the in hand competition pony class at this year's Breed Show). They were Versatility Champions and took the Reserve Supreme spot.

Jaquie, Pat and Liz are all founder members of the Supporters Group and very successful breeders of New Forest ponies. Relatively new to the Breed, are Sally Strachan and her daughter Amelia Dumbleton, based in Yorkshire, they bred their first foals this year and registered their new prefix Waterside Scout, a pure bred (Willoway Free Spirit x Whiteladies Question Time) and a part bred Waterscout Neville (Spring Pond Merryman x Buttslawn Charisma). It's great to see another embryonic stud in the North of England.

Dates for your diary!

Northern New Forest Pony Show - 30th June 2024. Full range of National Pony Society qualifiers. In hand, flat, working hunter pony classes. Part bred classes for the first time. To be held at the accessible and lovely Camden Equestrian Centre.

Diane Hadwen

BREED SOCIETY SPECIAL ROSETTES AWARDED AT AFFILIATED SHOWS, 2023

Northern Supporters	Hollybrooke Jupiter, Portmore Downburst, Highfox Heaven Sent
Royal Windsor	Woodrow the Warrior, Nutschullyng River Dance

NPS Area 4	Highfox Hunky Dory
Melplash	Sluffers Furlough
Midlands Foal & Youngstock	Foxhills History
NF Hounds Point to Point Charity Race, New Forest winner	Picket Post Pumpkin

New Forest Livestock Society

The New Forest Livestock Society (NFLS) were pleased to see the return of the face-to-face pony sales at the Beaulieu Road saleyard after a three-year absence in June 2023. The return to the saleyard attracted much attention from the public in the traditional half term week, as well as a good number of perspective buyers. The atmosphere was positive, energised and the sun was shining. Richard Deakin, NFLS Director welcomed everyone back to the saleyard after this challenging three-year absence and paid thanks to all the many contractors, organisations and individuals who had played a vital part in the reinstatement of the site from the arson attack.

The June sale saw a comprehensive catalogue provided by Southern Counties Auctioneers (SCA) that was available online and included a photo and full description of parentage for many animals entered which has been positively received by perspective purchasers.

The summer months rolled on and the September sale came and went. However, just when everyone thought things had returned to 'normal', it became clear there were outbreaks of strangles reported within the close vicinity and it was decided by both the NFLS and SCA to revert to online sales for the remainder of the year. A difficult decision after the face-to-face had returned earlier in the year but the right decision to prevent further spreading of the disease.

The auctioneers did a fantastic job of transferring entries for the October sale to the online platform in a very short timeframe. This sale was followed by another online sale ending in December.

1st June sale with Youngstock pre-sale show

There were 45 animals forward across the sections (Section 1 registered New Forest; Section 2 part bred New Forest ponies and Section 4 other horses / ponies / donkeys). With some quality animals forward, trade was not disappointing starting sharply and remaining throughout the sale. There were purchasers from across the country although many sold did stay local. Rushmoor Easter, a bay registered forest bred New Forest two-year-old filly, was the top price of the day selling for £2320 in Section 1. Other top prices for registered New Forest included a six-year-old bay gelding Jades Fire Fly fetching £1900 and a liver chestnut mare Jades Bell of the Ball making £1420.

Prior to the start of the sale, the NFLS held a pre-sale youngstock show for registered New Forest ponies judged by Mrs Rebecca Diamond, an independent judge. There were two classes (one for yearling fillies, colts, and geldings and the other for two- and three-year fillies, colts, and geldings). The highest placed Forest Bred animal from each class then went forward to a championship. Finally, there was an Overall Championship where the top two from both classes came forward. Overall Champion was Rushmoor Haven and Forest Bred Champion Rushmoor Easter.

21st September sale

The September sale saw 55 entries forward with 31 entries in Section 1 registered New Forest. This section was made up of a small number of foals together with a good number of older geldings and fillies. Despite fewer entries and less people in attendance, there was a firm trade throughout the day. Top price in Section 1 went to a bay four-year old gelding Canando Sky Ray at £1500; and six-year-old liver chestnut mare Farriers Florentine for £1410. It was, however, the Miniature Mediterranean yearling jack donkey that caught the crowd fetching £1420 and an Appaloosa yearling filly also fetching £1420 in Section 4. Overall registered New Forest colt foals averaged £360 and filly foals £400.

8th November online sale

Reverting back to an online sale at short notice, there were some 96 entries forward with 42 in Section 1. As expected, Section 1 saw many foals for the time of year where colt foals outnumbered the fillies and a small number of registered older ponies. Prices remained consistent throughout, top prices in Section 1 went to a bay four-year gelding Millersford Sweet William at £1450, brown colt foal Pacey Hunky Dory £880 and bay filly foal Hilltop Tiffany £780. Overall registered New Forest colt foals averaged £380 and filly foals £580.

6th December online sale

The final sale of the year saw some 95 entries forward with 66 entries in Section 1 which was made up of a good number of foals but with a few older ponies still coming forward looking for new homes. Section 1 prices included a roan four-year gelding Sunnyside Spiderman fetching top price of the day at £2250, a dun filly foal Buckland Moira £1050 and brown colt foal Sabinas Storm Catcher £600. However, prices were more varied than previous sales with registered colt foals averaging £230 and filly foals £700.

Sales Dates 2024

- Beaulieu Road saleyard -Thursday 30th May 2024 (entries close Thursday 16th May)
- Beaulieu Road saleyard - Thursday 3rd October 2024 (entries close Thursday 19th September)
- Beaulieu Road saleyard - Thursday 7th November 2024 (entries close Thursday 24th October) to include pre-sale foal show
- Timed Online Sale - Friday 29th November to Wednesday 4th December 2024 (entries Monday 11th November)

The Committee

The NFLS has taken on board of all the comments about incorporating online bidding at the face-to-face sales. Discussions have been taking place between the auctioneers and the NFLS. There are many hurdles to overcome, not just the technology. Discussions continue.

Throughout the year the NFLS committee has worked hard to progress with general maintenance and tidying of the saleyard which included a working morning in March where some of our 'Young Colts' came along and helped, learning the ropes for the future from their parents and grandparents, what a great delight to see. There is also a new designated disabled area providing close view of the ring. Please respect this area for those who comply.

Finally, a huge thank to the NFLS Directors and NFLS committee members for the support and help throughout the year.

Lucinda Lang
Chairman, NFLS

EDUCATIONAL ACTIVITIES

As a registered charity, the Society has a legal requirement to show that it has an educational programme.

At the 2023 spring Colt Inspection, Suzanne Kempe and Malcolm Fry each led a group of four Young Commoners on a 'walk-through', giving them a more detailed behind the scenes insight into what is involved in the preparation and presentation of a colt for inspection.

A successful Young Judges series of training, culminating in a competition at the Breed Show.

The Show Unit and the CDA Young Commoners took it out around the Forest on a number of occasions during the summer. Brian and Marion Ingram took it to Open Farm Sunday at Brixey's Farm, Ringwood.

The Show Unit was used again to host our usual publicity stand in the Heart of the Forest area at the New Forest Show,

YOUNG JUDGES TRAINING AND COMPETITION

Back in March, the first of our young judges training sessions were held at Ford Farm, with James and Trudy kindly donating ponies for us to look at. Malcolm Fry and I along with Wendy Adams spent a couple of hours talking the group about the process we would go through, general aspects of breed type and conformation. At the time the majority of the young judges were quiet, shy and unconfident in their own abilities. However after the conclusion of the training sessions throughout the season, we could see nothing but confidence growing in them.

We held the competition at the end of the first day of the breed show.

Although only 4 were able to participate in the competition on the Saturday, there was no lacking ability, the 4 girls stood confidently out in the ring to assess the ponies in front of them.

Helen Duffield and Malcolm Fry, the 2 assessors for the competition interviewed each of the young judges separately and found their eventual overall winner and recipient of the Brian Wilson memorial trophy in 14 yr old Erin Dowling, with their runner up Izzy Bennett. Both Helen and Malcom agreed that all the young judges had done extremely well and were able to give reasoning and show knowledge during their questioning.

On the Monday of the breed show Erin then joined judge Gill Wright during the judging of the Supreme Championship. Thanks to Gill for being incredibly nurturing and taking her time to play a part in encouraging our younger generation.

We hope that after the success of this year, that we can grow this competition in years to come.

Lyndsey Hayter

ANNUAL BREED SHOW RESULTS 2023

HOYS NF Ridden Qualifier

1st	Doorage Forget-Me-Not	Miss Emma Collis
2nd	Peronne Novelist	Mr R.H and Mrs K.A. Knock

REPRESENTATION ON OTHER BODIES

Jane Murray is Secretary and Executive Association. All meetings were held remotely Liaison Committee consulting with the Defra following the Public Consultation on Equine She also attended Spring Zoom and Autumn Live meetings of the NPS M&M Committee on behalf of the Society. Jane Murray is a Committee Member of the Central Prefix Register.

Committee member of the 826 Equine Studbooks by Zoom during 2023. She is also a member of the Equine ID Team on new passport legislation, Identification,

She also attended Spring Zoom and Autumn Live meetings of the NPS M&M Committee on behalf of the Society.

Suzanne Kempe attended the autumn zoom members meeting of 826ESA.

NEW FOREST PERFORMANCE PONY OF THE YEAR COMPETITION

The aim of this competition is to encourage owners of registered New Forest ponies to take part in a wider range of competitions and activities, wherever they happen to live.

*** Stunning rosettes ***
*** Generous cash prizes depending on entries ***
*** 11 cups to be won ***

Cups and rosettes to the highest placed ponies in the following categories: Jumping, Dressage,
WHP, Most Versatile, Driving
Special rosettes to best three novices
Cup and rosette to best pony bred on the Forest
Cup and rosette to best pony bred by the owner
Cup and rosette to the best stallion
Prize for best junior rider

Scoring categories: Driving; Jumping – affiliated and unaffiliated; ODE; Combined Training; Hunter Trials; Arena Eventing, Handy Hunter/Handy Pony; Working Pony – BSPS, M&M affiliated; unaffiliated; Dressage – affiliated and unaffiliated; Ridden Showing; New Forest and M&M Ridden Showing; Family/PC Pony; Le Trec; Racing; Endurance; extra points for championships; extra points for competing at county level and breed show; bonus points for other activities eg hunting, pony club camp, long distance rides, etc.

The points table has been revised and updated to more accurately reflect the wide variety of disciplines in which New Forest ponies now compete. It looks a bit mind-blowing, but don't worry – it's actually best if you leave the points claimed column blank and we'll complete it.

Exhibitors must be fully-paid up members of the Society.

All ponies must be registered New Forest ponies, four years or over, correctly transferred to the entrant.

All ponies must be entered in their correct registered name.

The competition runs from 1 January to 31 December in the current year.

Juniors not to have attained their 18th birthday by 1 January in the current year.

Entry forms, full rules and points table available from the office or the website

NO NEED TO GET SIGNATURES OF OFFICIALS ON THE SCORESHEET

THE KNIGHTWOOD PART-BRED PERFORMANCE COMPETITION OPEN TO X-REGISTER, PART-BRED AND FIRST CROSS PONIES

Two trophies and rosettes

Ponies must hold passports issued by the Society, or passports which have been over stamped by the Society.

Exhibitors must be fully paid-up members of the Society.

The standard score sheet is used.

Mrs Valerie A Attrill *Breeder: Mrs Kathleen Clarke*

140 Points

REPORT ON THE NEW FOREST PERFORMANCE PONY OF THE YEAR COMPETITION 2023

As always a lovely chance to highlight the breed across the UK and into Scotland, Wales and the IOW the Performance Points competition really shows the versatility of the New Forest pony. Entrants took part in a huge range of competitions from BE Eventing to fun Handy Pony events. Although entries were up on last year we hope to simplify the score sheets to encourage a few more to take part.

Congratulations to Amy Crosby from Cambridgeshire, and Parkchurch Holly Berry who compete at a high level in showjumping, eventing and dressage, not only winning the overall but also the Show jumping Cup and the Forest bred.

In very close second was Sonja Waite with Silverlea Sweet Dreams who spend much of their year representing NFPEC in teams as well as fitting in some drifting and hunting.

Third was the stallion Willoway Double O Seven and Martine Harding who also won the WHP Tankard.

Fourth was Jane Keats competing for the first time on Rowdown High Tide who gained points from Endurance, Dressage, Eventing and Show jumping.

Fifth was Jaqui Mcleod from Wales, giving her young pony Meghells Dittany a range of competition experience. Incidentally this mare is by the Breed Show Supreme Champion Peronne Notorious

Milly Stride rode a different pony this time with Cuckoopen Merlin finishing in 6th Place and claiming the Best Junior prize.

In seventh place was another young mare-this time from Scotland Lomondside Jolene who also won the Dressage Cup and the Owner Breeder prize for her owners Pat and Liz Rennie

Valerie Attrill from the IOW entered two ponies-Thatchers Alexander-eighth in this section and Cameron Prince Hal second in the partbred section.

Although not amassing the most points the pony that gained points in the most sections was Stanswood Sailor and therefore winner of the Versatility Tankard

We would like to see more entries in the Partbred section where Blackwell No Limits was a worthy winner clocking up points in a wide range of disciplines

Congratulations to you all

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

PERFORMANCE GRADES 2024 – DRESSAGE AND EVENTING

This applies to both pure-bred and part-bred New Forest ponies

DRESSAGE GRADES can be achieved in two ways:

1. Submission of test sheets – for Dressage Grade One and Grade Two
2. Submission of BD record.

SUBMISSION OF TEST SHEETS FOR DRESSAGE GRADE ONE (PRELIM) AND DRESSAGE GRADE TWO (NOVICE)

1. Submit FOUR original Prelim test sheets, or FOUR original Novice test sheets.
2. The minimum score on each sheet must be 65%.
3. The tests may be any combination of Prelim test numbers or Novice test numbers.
4. The pony must be entered under its full registered New Forest stud book name, and this must be clearly written on the test sheet.
5. The judge must be a BD Listed Judge. Their name should be clearly printed on the sheet so that this can be checked. The judge's signature must be on the sheet.
6. Any sheets not filled in correctly will not be accepted.
7. Tests may be ridden at any event, provided that it is a BD listed judge, so this could be, for example, an unaffiliated competition, BD affiliated, BD Quest, BD British Native Pony Series, NPS, BRC.
8. Ponies must be four years of age or over and hold a valid NFPBCS passport in the name of the current owner.
9. Send your test sheets with the £10 administration fee per level to the address below. When your sheets have been verified by the Grading and Elite Committee, they will be returned to you with your rosette and sticker for the grading page at the back of the passport.
10. Rolling dates are now being used, so as soon as you have your four sheets send them in.
11. By submitting your test sheets you are expressly agreeing to all the terms and conditions set out above.

DRESSAGE GRADES BY BD COMPETITION RECORD

BD points may be used to grade ponies. Ten BD points are required at each level for grading. Once a pony has achieved 5 points at a higher level, it is assumed to have graded at the lower level. Please submit a printout of your pony's BD Competition Record and the £10 administration fee, for verification by the Grading and Elite Committee, and award of the rosette.

EVENTING GRADES

Grade 1 is for 5 BE Foundation Points; Grade 2 for 15 FP, Grade 3 for 25 FP, and Grade 4 for 35 FP and above. Applicants are asked to submit a print-out of their BE record and a £10 administration fee. As soon as the record has been verified by the G&E Committee the rosette will be awarded.

2023 PERFORMANCE GRADES

PONY OBITUARIES

Sprattsdown Jetsam G37/091 1993 (Weirs Harry II / Sprattsdown Candlelight by Wootton Starflight). Bred by Mr & Mrs B L Tillyer, owned by Kate Brown.

© Linda Charles (24 years ago with 12 year old Kate)

In November 1998, after the loss of my mum's pony, a trip to the Tillyers was in order to cheer us up and it was here I met a very unassuming 5 year old plain black pony. I rode Jesse out a few times, jumping on him bareback to ride back from the field with just the headcollar. He was broken late as a 5 year old and so this very green pony was quite obliging to my fearless 11 year old self. Little did I know that a plan was being hatched between my parents and the Tillyer family, a Christmas surprise awaited me...a pony at the bottom of the garden, having been snuck through the garage in the middle of the night! I won my first rosette days later at the Fortune Centre, it was only a 2'3 clear round but I still have that rosette!

On good advice we took things very slowly. but soon enough Jesse was proving himself to be a very talented and valiant companion, he was fast, sharp and brave and could turn 180 degrees at speed! We would regularly squeeze through gaps and make turns that the show jumping course designers thought was impossible...it became a challenge! We excelled in various competitions: everything from BSJA up to Foxhunters, the Dengie Winter League Championships, Trailblazers

Championships, Knightwood Challenge and Festival of the Horse Hunter Trial Championships, barrel racing at Ezzo and Mopley Riding Club, chase me charlie, hunting, eventing and dressage, Pony Club rallies and camps, to handy pony...a fantastic, versatile and well-travelled pony indeed.

My absolute personal best dressage score of 21 is still held by Jesse, achieved at Rockbourne for one of the many Pony Club Horse Trials held there. A lot of our success I attribute to the jumping of every size and shape gorse bush, log, ditch, river and occasionally even the fence at Crabhat Pound. He would literally jump anything across the forest which made him brave, bold and sure footed. Jesse was also a regular face out on the local drifts at Blackfield and Culverly and we raced in several of the children's races, coming a respectable 2nd place!

I then went off to university and Jesse went on loan, first locally for a year where he knuckled down on dressage and more eventing competitions, then to good family friends for 10 years up to Warwickshire. He also has a reputation for being a jumping machine in the Warwickshire branch of the Pony Club, taking two girls from lead rein ponies up to decent level competition in all disciplines. After the girls had moved on to horses their mum also competed with him...eventing at 90cm up to the age of 23!

Jesse then moved back to us in the New Forest, initially to retire from hard work, but he didn't want to stop...so we had a cheeky outing to the Breed Show where we won the 2'9 jumping! He then settled into bringing on another two young girls, with more outings to places such as Tweseldown and Bovington into his late 20's!

Wanstead Tarquin Moon (1992 – 2023)

New Forest pony breeders and enthusiasts were saddened to hear of the loss of Wanstead Tarquin Moon, homebred stud stallion at the Wanstead Stud in North Wales, his home for 31 years. Tarquin was bred by long time New Forest enthusiast Jacquie McLead, one of the founding members of the Northern New Forest Pony Supporters Group. He was a fabulous all round performance pony, with a lovely temperament and was running with mares until Jaquie lost him in May 2023.

Moortown Firefox (1992-2023)

Sire Randalls Fire Dam Knightwood Bramble (Breeder Miss E Wright)

I am sad to report the loss of Firefox (Fox) in February last year. Old age had finally caught up with him and it was time to let go.

I bought this lovely pony from his breeder, Liz Wright, as a 2yo in September 1994.

He had a superb temperament and settled into his new home straight away.

Although only lightly shown both in hand and under saddle in breed and mixed Mountain and Moorland Classes he was rarely unplaced and had quite a few wins.

Two of his most notable successes were at the New Forest and Hants County Show where in 2000 he won the breed novice ridden class for 14.2hh and under. He came back in 2001 and went on to win the equivalent open class.

He was equally versatile when competing in dressage, riding club classes and show jumping. Although ridden by different jockeys of all ages throughout his long life, he always put his best hoof forward taking into account his rider's level of ability.

After some years as a happy hacker with me he came out of competition retirement at the age of 24 to teach a friend's daughter the ropes. He competed in walk and trot dressage and was placed in the Championship of the Sunshine Tour held at Petley Wood Equestrian Centre. He was also Junior Dressage Champion at Rother Valley Riding Club with his young rider.

It was an honour to have owned a pony who gave so much pleasure to the many people who had contact with him and he is sorely missed. A true Forester and a credit to his breed.

Copsemead Tadgh

Foaled May 1992 in Burley out of Beacon Midge x Silverlea Mighty Don. Tad was purchased from Beaulieu Road sales - a big dark bay foal. He grew on well and made 14.2hh. He was a wonderful pony - has been part of our family for 32 years. Many others have come & gone through the years. Tad always stayed - I think because he never excelled at anything except maybe keeping all newcomers in their place! He was always boss. He was the stand in if we were one short at a PC rally but he didn't enjoy them & adopted "donkey mode". Jumping was not worth the effort unless hounds were involved. He could then nearly jump you off! And woe betide you if we stood still for too long! Another trick that amused him was rolling -usually in muddy puddles although ponds & streams were ok too. There was no warning - his knees buckled & down he went.

He was in his element riding out on the Forest, ears always pricked, his world. The only times he was shod was for the Point to Point. He ran the children's race several times, coming 2nd when the winner took a short cut. 3 miles was a

bit far for him but he enjoyed the atmosphere. In his later years he escorted youngsters out & excelled at ride & lead. His cheeky face watching across the field will be missed.

Bowerwood Panache M52/018 2010 (Willoway Highland Malt / Bowerwood Precious)

Owned & bred by Rae Turner.

She was named after Tilly Philpott (Hyde), who I bought her grandmother Hyde Poppet from.

I did not start work on Tilly until she was nearly 5 as I was finishing another pony, but Tilly was so good and loved her lessons. The next spring I took her to an endurance ride to do the shortest distance (approximately 10 miles), she was amazing and I had my first canter on her, so comfortable like her dad. Later that autumn Tilly was lucky to win a large breeds M&M class then go champion.

Along came Covid and so my operation cancelled! In the meantime Tilly was put in foal and she had a colt foal by Knavesash Harley (B Presley) and was a very good mum.

Because I was going to downsize and move Tilly came to a livery yard here in Dumfries where she was ridden by my friend Karen McGowan, who did some dressage and jumping with good results. Later her son William took over and was ready to do some competitions this year, but this was sadly not to be.

Tilly is so missed by us all.

Rae Turner

Sabinas Monte Carlo 2001-2023 (Sabinas Gold Sovereign / Silverlea Halina). Owned & bred by Sabine Andree-Parsons.

Pony Performance Elite Grading Gold

Sabinas Monte Carlo died suddenly from a massive heart attack a week before Christmas. It came as a huge shock to us all as he was really healthy and I don't think he had ever been ill in his whole life. We bred Monty here at Sabinas Stud and he was Sovereign's first foal. A true gentleman and a family favourite, he was one of the kindest ponies that I have known with huge talent. a true gentleman and a family favourite. He was always very enthusiastic about everything that was asked of him, whether it was dressage, cross country, show jumping , workers, flat ridden or just hacking.

Sally Wiggins had him for several years where he excelled with her daughters, gaining BD points. When we had him back, my daughter Kimberley took him on and he gave her enough confidence to venture into showing. He had many successes with various riders on the show circuit.

He will be very much missed, but also remembered fondly.

Sabine Andree-Parsons

Haywards Guardsman S48/109 2006 (Long Copse Elton / Matley Cherry by Springmoor Lightning). Bred by Peter & Mandy Pidgley, owned by Jan Kembers. Haywards Guardsman was by Longcopse Elton out of Matley Cherry A fabulous foal and passed well at the stallion passing as a two year old We Exported him to Holland to Mr Jan Kemkers, who instantly fell in love with him. Guardsman had a superb temperament and was seen as a perfect sire for driving ponies and children's ponies He covered mares on his English licence in the first year, then in 2011 he was put forward & approved at the central Hengen inspection and also in 2011 performed in harness, which he loved In 2020 he was awarded a 1st premium based on his offspring and received the prestigious Keur! It's wonderful to see his children, grandchildren and even great grandchildren carrying on his fabulous blood lines and temperament I know Mr Kemkers will miss him so much they had such a bond and kept us in touch with everything he did & we visited Holland to see him & got to present his award in the ring a real honour for Pete & I Mandy and Peter Pidgley

Willoway Montmain Gold Charm 1994-2023 (Woodrow Acting Master / Willoway Piper's Charm by Peveril Peter Piper). Bred by Mr & Mrs C A Large, owned by Christophe Aubert Willoway Montmain Gold Charm died in January after 12 years in the care of Christophe Aubert. He was imported to France by the Haras de Montmain at Firfol in Normandy in 1995 and arrived among numerous Willoway, Woodrow and Silverlea ponies...all to become the new foundations for the breed in France in the 90s.He produced 51 quality foals between 2000 and 2022 that include 3 stallion sons, mainly for the Haras de l'Arbalou (Normandy) and lately in the South of France with Christophe at the Haras des Lavandes.

Canterton Joe 1997-2023 (Crown of Berry / Canterton Vera). Bred by The Late Jack Young, owned by Noémie Déat. Imported to France 2001.Joe equipped his progeny with good conformation and type...he also brought a lot of strength in crossbreeding and passed on the pony type, bringing overall harmony and balanced proportions between

limbs and the body. Father of 150 IFCE registered progeny, including 4 New Forest stallions and animals that excel in a wide range of competitive activities.

Julian Rosset

OBITUARIES

The Society records with sadness the passing of:

Rohays Gray, Andrea Dymott, Matthew Gerrelli, John Chalke, William Corke, Stella Hore, Mrs Joyce Penny

John Chalke (1941-2023)

John was a hound man through and through. He learnt his skills from seasoned professionals like John Cook at the Wilton and Tim Langley at the Berkeley. His final appointment was to hunt the New Forest Buckhounds. They were a unique pack of hounds that hunted the fallow buck. The New Forest is a tricky country to ride over, never mind to hunt and follow a pack of hounds. Subsequently John did have the occasional encounter with “the forest floor”! Yet with time, experience and commitment, it all came together and John’s extensive knowledge and ability over several seasons, established a fine pack of hounds.

He was a very sociable person and encouraged many people to come hunting and enjoy the wonderful scenery at the same time. The supporters club had no problem with fundraising and with John at the kennels these important events kept the social scene thriving. “Chalky” was always compassionate when collecting fallen stock, either with owners or road casualties.

In 1979 the New Forest celebrated its 900th anniversary as a Royal hunting park. The Queen and Prince Philip toured the area and when they entered New Park, there were positioned the buckhounds and hunt staff. The royal car slowed to view John, his whipper-in and the hounds.

Ye Olde Fallow Bucke (Hounds Magazine)

John was also a well respected and successful New Forest breeder. He registered 95 ponies with his Wellhouse prefix between 1985 and 2013 including Wellhouse Willum, Jan Mattsson’s very successful champion stallion in Sweden and also HOYS finalist Wellhouse Bradberry, Ridden New Forest Champion at the 2023 New Forest & Hampshire County Show.

Rohays Gray

Picket Post prefix & Commoner

Mum loved everything about the forest but most of all its ponies. Her first pony was called Shandy who was purchased by her late father from Beaulieu Road in the 1950’s. The pony was wild but by the time she had been walked home she was halter broken, she lived to a grand old age of 39 and bred some lovely foals for mum. Mum used her father’s brand H/S and later through her husband Peter Gray acquired the prefix Picket Post, we still have ponies running on the forest.

Mum really enjoyed showing the ponies, the first was Picket Post Peppercorn who qualified for the WHP final at Hoys 2 years running back in the 90’s. One of mums proudest moments was Picket Post Polo winning both the in hand and ridden forest bred championship at the New Forest Show in 2022.

Mum was a committee member of the NFPB & CS for a while and also toured the country with the Pony Publicity Group promoting the New Forest Pony, she loved spending the week at HOYS with Shirley Young with the stand and adored Great Yorkshire Show.

Mum made some of her greatest friends through the ponies and through shows and could always be found at the ice cream van with a trail of children behind her waiting for their ice creams.

Mum bred some lovely versatile ponies all with wonderful temperaments, she is deeply missed and hopefully the ponies will continue to do her proud.

Stella Hore – from Devon, a well-respected member of the NPS Mixed M&M Judges Panel and for many years a member of our Judges Panel.

News from our members

Loxland Amazing Grace

(Applewitch Pure Magic x Sabinas Northern Light)

Bred by Julie and Jez Moxon

Loxland Amazing Grace (Gracie) has given me a 2023 to remember achieving things I could only have dreamed about 5 years ago.

Gaining her qualifying scores for the British Dressage Area Festivals first time out, she headed the final at the Onley Grounds Area Festival in the Prelim Freestyle Bronze with over 70% on her first ever attempt, getting the distinctive sash I've always loved!

We then headed to the UK Armed Forces championships at Addington where she showed her true all round ability in jumping and dressage as well as winning the Novice Freestyle to Music (despite being nicknamed Shrimp by everyone others as she was so small compared to everyone else!)

On returning home we came home to the exciting news she had been chosen to represent British Dressage South and East and England at the Senior Home Nations championship at Kelsall. It was so special getting to ride with the St George's cross on our saddle cloth and jacket on my home produced pony.

Truly a year to remember.

Emma-Jane Smith

Brushers Black Adder

Sire: S39/243 - Pondhead Pan-Shine

Dam: M49/336 - Oakfield Linnet

2023 - First season under saddle and proving what a versatile breed the New Forest pony really is!!!

In June we did our first big show and we took the overall Concours d'Elegance Championship at the Elegance Show which was held in Wiltshire - a 4 and half hour drive for us.

We qualified for the National Concours D'elegance society of GB Championship Show (This show is Concours D'elegance equivalent to HOYS) at Onley Grounds Equestrian Complex on Sunday 3rd September. Here we achieved 1st In-hand open, 2nd M&M, 4th Open Ridden and 6th Overall in-hand champion.

Not only have these been amazing achievements for us our picture was selected for the 2024 Concours D'elegance society of GB Calendar.

We are looking forward to trying something new for 2024.

Genna Mawby

Ashurst Harmony (M39/846)

Sire Okedene Peter Dam Ashurst Favourite

Ashurst Harmony (Chloe) is now 29 years old, I've had her since 2009 and in them years we have had all sorts of outings. From cross country to dressage, spider rides to jumping but our favourite activity is showing, this has taken us all over the country, as well as going to Windsor multiple times we love having fun in the veteran classes, sometimes Chloe finds it funny to be as cheeky as she can be in classes which normally results in some comments from the judges who can't believe she's the age she is.

We had a lovely time at the New Forest show first time we've competed there, we did New Forest ridden under 138 cm and was placed 6th

Really pleased with her seeing as she was 10 + years older all the others in class!

She never fails to put a big grin on my face after every ride!

Hayleigh Jayne Beath

Vynnes Magical Edition
Sire Applewitch Pure Magic Dam Brookshill Blackberry
Owned and bred by Andrew Vine

Laura recounts their magical experience at the Horse of the Year Show:

We never imagined what would be achieved at HOYS 2023 when Team Ed arrived in the NEC car park on Tuesday lunchtime.

We arrived and set up camp for the next couple of days, it wasn't long before Ed & Pip were heading down for the evening arena practise. We were really pleased with how he coped in the busy arena, as this was the biggest show he had Competed at so far.

Wednesday started very early with a quick arena familiarisation before a final polish up for Ed at the stables, to be ready for the class to start at 7.30am

The class seem to happen very quickly and after the initial go round Ed was in the arena for the conformation part of the class and then moved onto his individual ridden show. He took everything in his stride and didn't put a foot wrong, we were so pleased and proud of him. I'm sure he thought everyone was there just to watch him.

After being called back in for the prize giving, nerves started kicking in as the results were announced in reverse order, down to the last two and then "Vynnes Magical Edition & Pip Smith" were announced as the Winners!!! We couldn't believe it.... Ed absolutely loved his lap of honour, showing off his extended trot across the ring. The next few hours passed in a bit of a blur with celebrations and trying to let what had just happened sink in.

We now had the M & M Championship, in the International Arena, to look forward to on the Thursday Evening. Thursday flew by and before we knew it Mr Ed was being tacked up and polished ready for the M&M championship in the International Arena.

It was an absolute pleasure to watch Pip ride Ed so beautifully around that ring. He seemed to really rise to the occasion and absolutely loved the atmosphere. We all know he is a bit of a show off. After all the ponies had gone around in front of the judges, they were lined up in the middle of the ring, ready for the results to be announced. They called out the reserve champion which went to the Dartmoor Westown Wild Fire. The next thing we saw before they announced the champion was Ed's name appear on the screen. We all looked at each other in disbelief as could this really happen on his HOYS debut? The official announcement then followed. We couldn't believe they had done it, he looked amazing under the spotlights and we really couldn't have been prouder of Pip & Ed.

Ed is the second New Forest Pony to win the Mountain & Moorland Championship at HOYS following on from Marleydenes Shiraz in 2014. Shiraz is also sired by Applewitch Pure Magic.

It honestly was a dream come true for all of us and sometimes we still can't believe it happened. We cannot thank Pip enough for all her hard work with Ed. It's been an amazing two seasons watching them together.

In December it was a lovely surprise to receive a letter from the NPS advising us we had won the Duntarvie Stud Large Breeds Owner/Breeder Award for being the highest placed M&M large breed that is owned and bred by the same person at HOYS 2023.

New Forest Pony Breeding & Cattle Society

Treasurer's Report 2023

The accounts show a net loss of £2,166, an improvement on last year (loss of £6,641). Given all the changes in the office and additional staff costs, I think this is a good result.

Sundry income includes a legacy of £5000.

The Society supported the New Forest Hounds & their Sock collection service to the tune of £525.

Office rent has increased by £600 following last year's rent review.

Clerical assistance has increased by £4,100 due to office restructuring. However, our two new members of staff are now trained & working efficiently so we hope that they will have more time available to maximise income.

Office & travel expenses have increased, largely due to an upgrade of the three office computers and purchase of a retirement gift for our Hon Secretary.

The 2022 Point to Point contributed £1,014 to Society funds and, pleasingly, the Annual Show managed to contribute a

Market value of investments is down by £4000 but looking better than last year. Income from investments was up by £1000 on last year. The trustees continue to monitor the investment policy carefully.

Altogether, a promising result considering all the extra costs this year and the Society remains in a strong financial position.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2023

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where three part-time assistants are employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net outgoing resources for the year amounted to £6,292. This decreases the total reserves at the year end to £278,134 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2023

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 7th February 2024 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2023 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2023 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 7th February 2024 and signed on its behalf.

S. Kempe

Mrs. S. Kempe
Director

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2023

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2019), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2023

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2023

3. Related Party Transactions and Trustee Remuneration

Trustees are not remunerated for their services. There are no material transactions involving the supply of goods or services to the society by any trustees.

Mr. P. Pidgley	Mrs. A. Pidgley
Mrs. S. Young (resigned 17th August 2023)	Mrs. S. Kempe
Miss J.M. Tillyer	Miss N. Stephens
Mrs. J.F. Williams	Mrs J.A. Lowth
Mr. J.H. Young	Miss H. Whetren
Mrs. W.G. Fromm	Mr. L. Blomfield
Ms L Lang	Mr. M. Fry
Ms L. Hayter (appointed 17th August 2023)	

Honorary consultant:
Miss D. MacNair MBE

Secretary:
Mrs. J. Murray (resigned 30th November 2023)

All directors/trustees are members of the Society.

Independent Examiner

M.R. Smith FCA of Messrs. Stephenson & Company, Chartered Accountants, Austin House, 43 Poole Road, Westbourne, Bournemouth.

Financial Advisers

Investec Wealth & Investment Limited, Midland House, 2 Poole Road, Bournemouth.

Bankers

NatWest of 11 High Street, Ringwood, Hampshire.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2023

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where three part-time assistants are employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net outgoing resources for the year amounted to £6,292. This decreases the total reserves at the year end to £278,134 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2023

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 7th February 2024 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2023 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2023 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 7th February 2024 and signed on its behalf.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2023

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2019), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2023

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2023

3. Related Party Transactions and Trustee Remuneration

Trustees are not remunerated for their services. There are no material transactions involving the supply of goods or services to the society by any trustees.

Hon Sec: **Jane Murray**

23 February 2023

MINUTES OF THE TWENTY-FIFTH ANNUAL GENERAL MEETING OF THE NEW FOREST PONY BREEDING AND CATTLE SOCIETY HELD AT LYNDHURST COMMUNITY CENTRE ON FRIDAY 13 MAY 2022, 7.30 pm

Present: 53 members signed the attendance record.

Apologies were received from: E&P Rennie, D,P, & P Hadwen, D Collinson, J Muggleton, W Howes, K Martin, G Brownrigg, K Bailey, P Kempe, C Lines, E Dovey, D Macnair, D Winship, H Whetren

Obituaries: A moment of silence was held in memory of those who had passed away in 2021 : Eileen Ellis, David Plascott, Ann Perry, Sandra Noble, Ray Readhead, Allan Robertson, Peter Murphy, Barry Allen, Sheila Napthine, Marie Large, Albert Stride, Eric Dovey.

The Minutes of the Twenty-Fourth AGM held on Friday 26 March 2021 remotely by Zoom. H Palmer proposed, and P Pidgley seconded, acceptance of the Minutes, which had been printed in the 2021 Annual Report, and taken as read. All who voted were in favour, with no votes against. The Minutes were approved and signed.

There were no Matters arising from the Minutes.

The 2021 Annual Report and Statement of Accounts.

The Chair of the Council, Mrs Suzanne Kempe, gave a brief presentation, highlighting the International Meeting, the breed show and the point to point.

The Treasurer, Mrs Kathleen Clarke, read her report. No questions had been received regarding the Statement of Accounts. A Pidgley proposed, and J R Gerrelli seconded, acceptance of the 2021 Annual Report and Accounts. There were no votes against.

The Council 2022

As a result of the 2009 amendment to Society Rule 7, 6 Members of the Council are due to retire by rotation and the Council should consist of 18 members.

Members due to retire by rotation in 2022 are: Mrs J Lowth, Miss H Palmer, Mrs A Pidgley, Mr P Pidgley, Miss J Tillyer, Mrs J Williams. All were willing to stand again and had been duly nominated and seconded. Miss Dionis Macnair stood down. Mrs Lucinda Lang had been nominated and seconded. There were no other nominations, so no election was necessary. W Adams proposed and L England seconded election en bloc and there were no votes against.

Society Officers: There were no votes against the re-appointment of the following:

Society Accountants: Stephenson & Co.

Honorary Veterinary Surgeons: Ms Laura Trigg BVSc, MRCVS, CertAVPEq and Ms Hannah Buteux BVetMed, BSc (Hons), MRCVS.

Honorary Solicitor: Ms Kerry Dovey Whiting, LLB Hons PG.Dip, Associate Moore Barlow LLP.

President Elect

B Ingram proposed and T Nineham seconded acceptance of Council's nomination of Mr Jonathan Gerrelli as President Elect for 2023. There were no votes against.

Society Honorary Consultant

Council had agreed to the appointment of Miss Dionis Macnair as the Society's Honorary Consultant, unfortunately she was unable to be present to receive an award in recognition of her outstanding dedication to the breed.

Honorary Life Membership

Council had nominated Mr Andrew Napthine for his long service to the Forest community during his 29 years as an Agister of the New Forest, and there were no votes against.

Any Other Business

No items had been received in writing to the office at least seven days before the meeting.

The Performance Pony Competition prizes and the Knightwood Part-Bred Pony Performance Competition prizes were awarded.

An engraved glass tumbler was awarded to Erika Dovey and Nutschullyng Bewitched for winning the President's Cup for the best First Cross in the Ladies Race, Point to Point, three years in succession.

The meeting ended at 8.20 pm, and the raffle was drawn, and refreshments served.

REGISTRATION DATES AND FEES 2023

All breeders should ensure that they have read the document '*Registration Guidance and Fees for 2023 Foals*'. By signing the Registration Application Form, you are confirming that you have read and understood the document and accept the terms and conditions.

The breeder is responsible for completing the registration form and microchipping the foal (except those eligible for the Forest-run derogation).

The final date for submission of forms,
as set down in the Equine Identification (England) Regulations 2018 is
30 NOVEMBER 2023.

Please register your foals as early as possible; do not delay in sending in your forms;

Ensure that all mares are transferred into the breeder's ownership;

Consider microchipping your stud-bred foals as soon as possible after birth.

It is very important that all entrants for all Beaulieu Road Sales are registered as early as possible, so that there is sufficient time for the passports to be made up before the sale. This will particularly apply to the September Sale – you will need to start the registration process by early August. Do not delay.

REGISTRATION FEES FOR MEMBERS

£15 for pure/part-bred foals.

£20 ID-only equine passports

COMPULSORY MICROCHIPPING OF ALL EQUINES

The Equine Identification (England) Regulations 2018 required that all horses in England (apart from those covered by the New Forest semi-feral derogation) were microchipped by **1 October 2020**.

It is now expected that at all Society events and competitions, with the exception of the Forest-Fed competition, all ponies will be microchipped. No award will be made to a pony that is not microchipped in accordance with the law.

All entrants to Beaulieu Road Sales must be microchipped. This covers both foals and all other ponies of whatever age, in all the sections. Please ensure that the number is reported to the Society and recorded on the database before the sale.

Transfers - please ensure that all older ponies are microchipped before sending in a Transfer of Ownership.

Boxing Day Point to Point 2022

Please send all correspondence to the above address.

If you would like the Council to discuss a particular issue, please write or email as above.

The objects for which the Society is established are: to encourage the preservation and breeding of the best type of New Forest ponies; to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book; and to hold an annual show for the encouragement and improvement of the breed of New Forest ponies. Having due regard to the Charity Commission's public benefit guidance, the Society presents its financial accounts and this report on its activities in 2022 in which it sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

PRESIDENT'S REPORT 2022

There have been many memorable moments in our year in office but would like to comment on a few of very special significance. Firstly, the presentation made to Dionis Macnair at our President's reception at the Breed Show. Words cannot adequately express the contribution she has made and dedication she has shown to the breed. It was lovely to be able to say thank you in front of so many that have benefitted from her efforts and dedication. Secondly, the Point to Point successfully running within the very restrictive confines imposed by the authorities. It still managed to be the highlight of Christmas for so many. The number of people and time involved in ensuring that it continues is huge. The dedicated people involved in running it, need not only our thanks but our support as well. The third thing and in many ways the most exciting is the young judge's initiative. Everything that can be done to keep young people interested in the breed and encourage them to come forward for the judge's assessment, must be hugely beneficial for the future of our New Forest ponies.

John and Wendy Adams

CHAIRMAN'S REPORT

2022 has seen a more normal year with the return of shows across the country with more excellent results for our breed as you will read in this excellent annual report put together by Jane.

I have recently been researching some history on our breed and it is very interesting that while in recent years we welcomed support from the Verderers, the CDA and the NF Livestock Society in maintaining the profile of the ponies it is fascinating to read of the 'improvement' schemes

over the last 150 years. These have always highlighted the importance of our breed even if some of the 'improvement' was not always so suitable for semi-feral ponies. The premium scheme for the 'non-hand-fed/Forest-Fed' competition that we still run has for decades been in place to reward the ponies of a good native type with good conformation, with an emphasis on encouraging good breeding mares to be retained on the Forest. Back in 1912 the Royal Commission published papers on the National Value of our native M&M ponies and their importance as a foundation for all light horses including thoroughbreds. This is still very relevant today with some very talented part-bred ponies out competing in all disciplines.

We continue to see the very positive results feeding through from our present-day schemes - the Verderers stallion scheme, our Futurity scheme and the mare grading as well as the earlier mare bloodline scheme, and we are grateful for the funding from the HLS via the Verderers. It is rare to see a poor-quality mare on the Forest these days. The prices at the online sales held in place of Beaulieu Road and the prices achieved for ponies sold privately have certainly 'backed up' the work that has been done with demand for the ponies UK wide.

The Society hosted our International Meeting for our filial studbooks over the breed show weekend and we are grateful to all those that helped make it a success. The delegates very much enjoyed their visits to the studs over the weekend, thank you to the hosts.

I have spent time in the office last autumn assisting with the passport/registration work - with October and November being incredibly busy. On behalf of the office team I would implore breeders to get their registration papers in as early as possible - there is no reason to leave stud-bred foals until November to complete their paperwork. The Forest-bred foals can also be birth notified at a much earlier stage which also lessens the workload in November.

My time in the office has certainly made me very aware of the volume of work, alongside taking complicated phone calls and receiving visitors with piles of paperwork. I am very grateful to Ann and Jane for their dedication to the office through those busy months as well as our treasurer Kathy who kept very busy collating all the payments that arrive via BACs, PayPal, cheques and cash - not an easy job!

Suzanne Kempe, Chair of Council

SOCIETY SECRETARY'S REPORT 2022

It was a pleasure and a relief to see a return to a normal year after the trials and tribulations of the two previous Covid-19 years. Our year traditionally starts with the Forest-Fed competition where a couple of our B-Panel judges thoroughly enjoyed themselves and honed their skills judging the mares in their native habitat. Oakwood Locket won the coveted Dale Memorial cup, with Rushmoor Daylight in reserve. We returned to a live AGM where we were able to present awards to the winners in the annual performance pony competition. Not surprisingly entries were low as 2021 was so badly affected by Covid, but this did not stop Erin Dovey and Moneyhills Pageant who amassed a huge score and took most of the trophies.

In the spring we held a Study Day and Probationer Judges Assessment rolled over from last year's cancellation, although we still played it safe and limited numbers. Robert Maton, one of the Forest agisters, gave an excellent presentation on the Forest-run ponies, looking at the terrain and conditions in which they live, and the importance therefore of good feet, limbs, depth and a strong jawline, all of which are evidence of good type. Gill Wright led a practical session with some ridden ponies who compete in various disciplines and after viewing them under saddle

they were stripped and assessed in-hand for type. The day included a probationary assessment and we were most pleased to be able to appoint two Probationer Judges.

We were able to hold our usual colt inspection in early April with ten colts passing the judges' assessment. In the afternoon we held another round of our yearling colts futurity scheme; funding for this comes from the Verderers HLS scheme for which we are most grateful. Six yearling colts were selected for the communal grazing provided under the scheme which enables them to live together naturally as a herd, and we hope they will progress to licensed status next year.

A very special day was enjoyed by the local Forest community on 28 May at Salisbury Racecourse, when the 6.45 race was named in honour of the wonderful Dionis Macnair MBE; 92 years young, she judged the best turned out and welcomed the winning owners to the podium for the presentation. It was a glorious celebration of the wonderful dedication Dionis has given to our breed and the Society.

All our elite scheme scoring shows were able to run their normal breed classes this year. Highfox Heaven Sent was champion at the Northern Supporters Show. Champion at the Bath and West was Woodrow Delights Gift with Woodrow the Warrior in reserve. At Three Counties, Hurtstock Cornish Amber won the ridden NF class, and the 3-year-old filly Brock Briana was champion in-hand with the stallion Peronne Notorious in reserve. It takes a considerable amount of time throughout the summer adding all the relevant results from elite scoring events into the Grassroots database, from which the elite reports are derived.

The New Forest Pony Enthusiasts Club held one of our elite shows at the New Park showground in early July, where Trenley Tamara, owned and bred by James Young and Trudy Nineham, progressed through the ranks from winning both the novice mare/gelding and the mare classes to the NF owner/breeder championship, the NF in-hand adult championship, the NF in-hand championship and on to the NF supreme championship and NPS silver medal. Woodrow the Warrior was youngstock champion and Pilley Charm Forest-bred in-hand champion. Under saddle, Hurtstock Cornish Flame and Harwoodhouse Hiccup won the two open sections and Doorage Olympic Boy won the stallion class and the ridden championship.

The New Forest County Show made a welcome return to the calendar after a two-year absence, albeit with the loss of many HOYS qualifiers including the popular M&M WHP classes. The breed in-hand classes were well-filled with Kauri Evenstar and Pilleybailey Pure Fancy taking the two yeld mare classes, and Millyford Mayhem and Trenley Tamara the broodmare classes. Nutschullyng April May, Jetset Flicka and Mallards Wood Imagination were the three filly class winners and Knavesash Gold Dust, Woodrow the Warrior and Furzley Faire Way likewise in the youngstock gelding classes. Sway Mister Darcy won the stallion class and the in-hand championship, with Millyford Mayhem in reserve. Picket Post Polo and Millyford Magician won the two novice ridden classes, Kauri Inspiration won the open ridden and Peronne Novelist the ridden stallions.

The breed's best result at the Royal International Horse Show was Purewell Poppy Lou taking the amateur riders M&M ridden championship, and also coming second in the Pretty Polly mixed breeds heritage ridden class. Lovelyhill Folklore kept up his momentum in his fabulous season with a second in the BSPS Heritage M&M open ridden NF/Connemara championship and a third in the NPS M&M WHP championship.

At the NPS Summer Championship show, Hurtstock Cornish Amber took the Shearwater Insurance open ridden NF class, the Black Country Saddles NF/Connemara final, the home-produced M&M open ridden large breeds final and the amateur ridden final championship. Peronne Novelist was another prolific ridden winner, taking the intermediate M&M ridden final and the intermediate M&M ridden championship and the Gold Medal M&M NF/Connemara ridden final and the Gold Medal M&M ridden championship. The Picton NF champion was Vynnes Magical Edition who then went on to reserve in the Picton M&M final championship. In the in-hand breed classes Sway Mister Darcy was champion for a second year in a row with Kauri Evenstar in reserve.

Covid-related travel restrictions in 2021 had forced a move to an online meeting with our Filial Studbook Societies, so we were especially pleased to welcome them to our breed show in 2022 and host a lively and most interesting meeting on the showground. We had a good exchange of views and a mix of live and online meetings means that communication with our European Filial Studbooks is much improved.

New Forest entries at the NPS Great British In-Hand Show were disappointingly low and it is to be hoped that numbers increase next year. Highfox Heaven Sent was the New Forest Supreme, and Sprattsdown Jackpot was champion sport pony.

And so to the Horse of the Year Show for the showing season finale. In the New Forest ridden class, last year's top two were reversed, with the title going to the blue roan stallion Lovelyhill Folklore (by Applewitch Pure Magic) owned by Penny Sutton and Peter Rowe. In second place was the Forest-bred bay stallion Hilltop Ned and third was Backley Dream Maker making his HOYS debut. Folklore had an excellent show, moving into the WHP ring the next day, where he came second in the M&M not exceeding 143 cm WHP class. Cuffnells Golden Rod was third in the M&M not exceeding 133 cm WHP section. Natalie Pastor was thrilled to win the Search for a Star Working Pony competition on Langorra Ginger Port, by Woodrow Portman. Natalie not only rode her pony, but she bred, backed and produced him totally on her own. The pair then went to Your Horse Live in November for the Search for a Star championships and were crowned the Mountain and Moorland champion.

Foresters continue to excel in a wide range of performance disciplines, with a number of ponies competing in the various British Riding Clubs championships. At the NPS dressage championships, Wellhouse Wizard and Saris Fingers Crossed were the NF preliminary and novice winners respectively. At the NPS Arena Eventing final Jess Faraday and Pilleybailey Centurion won the 90 cm class and were reserve champion. Halle Tucker and Lucky Lane Billy II qualified for the BS Stoneleigh National Championships at both 70 cm and 80 cm, coming away with 10th in the 70 cm. Taggie Wagstaff and Buttslawn Beaufort won the ever-popular show jumping Knightwood Challenge at the New Forest Show in which the Foresters are paired up with BS showjumpers. We had two breed representatives at the London International Show, Lovelyhill Folklore and Hilltop Ned, with the latter taking the best of breed.

The repairs to the Beaulieu Road Sale Yard were at long last completed so it was most disappointing that circumstances outside our control meant that we were unable to hold our autumn colt inspection and once again we had to move to an online auction in late November for our main foal sales. An online auction had been held in July for older ponies and some excellent prices were achieved.

The autumn registration season was exceptionally busy and very hard work as we dealt with the

biggest foal crop for a decade. I would like to thank Ann, and Suzanne who came into help, for their sterling work processing piles of registration forms, and Jenny Tillyer who gives up hours of her time checking all the details on every form.

The RBST continues to categorise the New Forest Pony in the amber At Risk category and the Society is grateful for the grant from the Horserace Betting Levy Board. In what has been a satisfying year with some return to normality we are pleased with our achievements and the Society is, as ever, most grateful to our members, owners, and breeders, and our judges and many volunteers for their unswerving support.

Jane Murray, Society Secretary

COUNCIL CHANGES IN 2022

At the AGM held on 13 May 2022, Miss Dionis Macnair stepped down from the Council, creating a vacancy. This was filled by Mrs Lucinda Lang.

STAFF CHANGES IN 2022

There were no staff changes in 2022.

HORSERACE BETTING LEVY BOARD GRANT

The Society acknowledges the support of the HBLB through the payment of a grant of £5,000 in 2022 in recognition of the breed's At Risk status as a Rare Breed.

RARE BREEDS SURVIVAL TRUST - RARE BREED STATUS

Following RBST's introduction of new methodology for calculating breed status in 2021, the New Forest Pony remained in the amber 'At Risk' category in 2022.

ONLINE STUD BOOK

Access to the online stud book is free of charge to members and as such is a valuable benefit of membership. You need your membership number and a password which consists of four lower case letters. If you have misplaced your access details, phone or email the office.

2022 BREED SHOW REPORT

Our breed show made a return to the main rings at New Park, with overall entries showing a small increase on 2021, and thankfully we did not have any of the hiccups we experienced in 2021 so the run-up to the show was much smoother.

Marney Dell's stud stallion champion Peronne Notorious, by Moortown Nobby, emerged victorious in the supreme, the second time he has taken the top award. It was good to see the Forest-run stallions back in the ring with Lucky Lane Pegasus taking the Shobley Cup and Portmore Thunder Cloud winning for a third time the Cranesmoor Cup for having the best foals on the Forest. In the ridden classes, Lucy Booth and Hurstock Cornish Amber continued their most successful season taking both the owner/rider and ridden championships. Peronne Nero triumphed in the WHP championship, with Furzley Fanfaire in reserve. Our HOYS qualifier was Mallards Wood Micky, by Moortown Nobby, ridden by Molly Simpson, who went on to be placed 5th at HOYS in October.

The youngstock champion was Woodrow the Warrior with the filly champion Nutschullyng April May in reserve. Glenbeeche Crystal won the Commoner's Mare class for a third time in succession, an excellent achievement for a Forest-run mare given that there was a gap year in between. Daniel Drodge's homebred mare, Pilleybailey Fascination won the mare

championship for the second year running, and their day just got better and better when they picked up the new Centaur Cup for the best in-hand pony over four years owned by a Young Commoner on their way to the Breeder's Perpetual championship and reserve supreme. Reserve mare champion was the veteran Mallards Wood Goddess enjoying a rare day out in the big rings, taking the overall Forest-bred championship and the Sungold Countess cup for the highest Forest-bred in the supreme championship line-up.

We are extremely grateful to our many sponsors who so generously support the show, especially our ring sponsor Earlcoate Construction. Wendy Gover Fromm from the Nutschullyng Stud provided beautiful Platinum Jubilee rosettes and she also sponsors the Beaulieu Road Sales Championship which was won this year by Brookshill Major II. New Forest Fencing generously supported the working hunter pony classes. Thank you to all the individual sponsors who supported various classes. Sponsorship really makes a difference to the breed show account, and we welcome all those who feel that they could contribute to our 2023 show.

Thank you to all our exhibitors for bringing along your ponies and enjoying yourselves without the restrictions imposed by Covid and we look forward to seeing you all in 2023. Thank you to the huge number of volunteers who contribute so much to making a successful show. So many people give up their time willingly – from judges, ring and rosette stewards, ground and gate staff, announcers, cup team, vets, dressage co-ordinators, course builder, secretary's tent staff – thank you to you all. New stewards are always welcome, do come and join us.

Stallion Turnout Dates 2022

Out – Monday 9 May

In – By Monday 11 July (could start coming in from Monday 4 July)

HORSERACE BETTING LEVY BOARD GRANT

HBLB pays a grant of £5,000 to the Society, to which we are required to add 20% (£1,000) from our own resources to fund the programmes allowable under the HBLB scheme. As in previous years, the Society has used the HBLB grant to support the semi-feral herds and reward quality breeding of semi-feral ponies by allocating it to the Forest Stallion Premiums and Forest Fed Premiums.

FOREST-RUN STALLIONS PREMIUMS

Premiums were paid to the following Forest-run Stallions who were entered at the Breed Show.

Forest-run Stallions - 1st Premium

Portmore Thunder Cloud	Messrs J & M Gerrelli
Lucky Lane Rollo	Mrs E M Gerrelli
Woodfidley Top Gun	Mr Michael Maton
Bunny II	Mr William Chatley
Sturtmoor Top Hat	Mrs Hazel Quinn
Walhampton Scholars Farewell	Mr Peter Rix
Cadland Masterplan	Mr J F Greenwood

FOREST MARE GRADING

The following mares have been graded on the basis of winning three Forest-Fed Premiums

Ruby XIII (M47/627)
Sire: Rushmoor Playwright (S42/091)

Mr Daniel A Drodge
Dam: Marchwood Emma (M39/556)

Portmore Rosebud (M50/061)
Sire: Rushmoor Crush (S47/114(G))

Mrs Lucinda Lang
Dam: Portmore Rose II (M45/418)

Oakwood Sparkler (M50/244)
Sire: New Copse Fiddler (S36/067)

Mr Brian Ingram
Dam: Oakwood Sophie (M39/345)

Deerleap Foxglove (M54/108)
Sire: Rowhill Senator (G47/514)

Mrs Marion Ingram
Dam: Deerleap Flora (M48/101)

FUTURITY YEARLING COLTS SCHEME

We were extremely grateful to the Verderers of the New Forest who were able to pay us a grant of £9,500 from their HLS Verderers Grazing Scheme, which enabled us to run another round of the Futurity Yearling Colts scheme. We invited yearling colts to come forward for assessment following the main stallion inspection on 9 April. Twelve colts came before the assessors of which six were selected for the grazing at Nursling kindly made available by Mrs Wendy Gover Fromm and paid for from the grant, which also covers PSSM1 and DNA testing. The selected colts are listed below and we look forward to seeing them at the 2-year-old inspection in 2023.:

Knavesash Duty (Y63/272)
Sire: Knavesash Polaris (S57/031)

Ms Kate Robb
Dam: Little Miss Merry (M39/171)

Buckland Tomahawk (Y63/269)
Sire: Mallards Wood Spot On (S50/230)

Mrs D P Van Hennik
Dam: Buckland Sea Pigeon (M58/144)

Pragnells Pippin (Y63/180)
Sire: Pragnells Appletiser (S59/130)

Mrs Kathleen Clarke
Dam: Sweet Pea (M51/243)

Cavannas Oh No Overdraft (Y63/310)
Sire: Byfleet Loganberry (G59/094)

Miss A and J Cavanna
Dam: Lyndhurst Blue Lilly (M59/192)

Rodlease Guardsman (Y63/122)
Sire: Bullhill Major (S56/110)

Mr J R Gerrelli
Dam: Rodlease Celebration (M55/053)

Jetset Monarch (Y63/104)
Sire: Jetset Forest Knight (S59/137)

Mrs Marie Davies
Dam: Jetset Rosebud (M54/263)

The Futurity Scheme pays a number of other premiums on successful licensing and if enough offspring have been sired by the age of seven, so it is a very valuable scheme to individual owners, and has helped to produce a steady throughput of new stallions, many of which are now in the Verderers Stallion Scheme.

2022 POINT TO POINT RESULTS

Veterans, Part-Bred Ponies

1st	Shatterford Thriller	Anita Smith
2nd	Byfleet Nicky	Brenda Henney

Veterans, Registered New Forest Ponies

1st	Staghill Polar Flight	Katie Macey
2nd	Mylor Diamond	Tina Campbell
3rd	Rowdown Dainty Love	Jim Greenwood

Children, Aged 10-13 Years

1st	Shatterford Golden Lad	Amy Good
2nd	Hanmer High Days	Milly Stride
3rd	Backley Lady Rosetta	William Waite
4th	Backley Malibu	William Gerrelli

Children, Aged 14-16 Odd Numbers

1st	Rowdown Emeli	Sonny Lovell
2nd	Staghill Rocket	Cassidy Francis
3rd	Crabbswood Serena	Hugh Humble
4th	Pilley Flame	Lucy Bailey
5th	Moneyhills Pageant	Erin Dovey
6th	Whiteladies Carnival	Lola Meader

Children, Aged 14-16 Even numbers

1st	Buttslawn Beaufort	Taggie Wagstaff
2nd	Sandhole William Tell	Ryan Luker
3rd	Hollyhatch Uprising	Poppy Hanslip
4th	Doorage Perfection	Lara Mills
5th	Careys Midnight Striker	Rosie Courtney
6th	Churchmeadow Belle	Ella Benson-Cooke

Open New Forest Ponies

1st	Ipersbridge Eclipse	Isaac Lovell
2nd	Oakwood Jester	Abbie Horsburgh
3rd	Brookwood Top Gun	Heidi Whetren
4th	Longwater Shining Star	Maddison Goulding
5th	Silverlea Sweet Dreams	Sonja Waite
6th	Warren Trail Layer	Tim Goldfinch

Young Commoners

1st	Janesmoor Jasper Conran	Amy Howells
2nd	Kilncopse Gina	Amelia-Mae Long
3rd	Stanswood Sailor	Carla Wateridge
4th	Fritham Utopia	Sophie Grimes
5th	Hollybrooke Martini	Katherine Shanahan
6th	Playmoor Forget Me Not	Sophie Green

Ladies, Part-Bred Ponies

1st	Nutschullyng Bewitched	Erika Dovey
2nd	Shirleyholms Hettie	Maisie Rose
3rd	Lyndhurst Frankie	Natasha White

Open Part-Bred Ponies (Colthunters)

1st	Brookshill Theo	Nathan Coutts
2nd	Longslade Skipper	Colin Moore
3rd	Deepmoor Bruce Lee	Peter Rix
4th	Birchlands Lady Beatrice	Andrew Kitcher

Novice NF Ponies, yellow numbers

1st	Sandhole Brandy Snap	Rebecca Dunn
2nd	Rowdown Tarragon	Bethany White
3rd	Brookshill Brandy	Marie Parkes
4th	Burnford Rise Above	Abigail Nutbourne
5th	Brookshill Pipalong	Katie Mathews
6th	Pigbush Benedict	Will Chatley

Novice NF ponies, pink numbers

1st	Lovelyhill Gentle Touch	Chloe Hughes
2nd	Brookshill Bandit	Sophia O'Grady
3rd	Doorage Flashman	Helen Slack
4th	Hollybrooke Annie II	Francesca Webb
5th	Sladeshill Tinkerbelle	Steph Rymer
6th	Rushmoor Roly	Georgina Hunt

POINT TO POINT 2022 REPORT

Boxing Day 2022 dawned bright and clear, after a very wet run up to Christmas, as 71 competitors in the traditional New Forest point to point made their way to Ocknell Campsite, having found out this meeting place just the day before on Christmas morning. There followed a busy hour, collecting number bibs, getting ponies measured and weighing in.

The riders were then taken to their starting points, which are only revealed as they arrive there, and they then have just a short time to work out how they will reach the finish, which this year was on Fritham Plain. This is a reminder why this event is regarded as a hugely important part of the heritage of the New Forest, requiring riders to navigate an unknown course across the open Forest. The event is a showpiece for the New Forest pony breed (the races are limited to pure-bred and part-bred New Forest ponies only) as the ponies need a high level of trainability, and a brave attitude to cross a variety of terrains at speed. The junior and veteran riders, who race over one and a half miles, were led to their start by Sam Dovey to near Janesmoor Pond, and course setter John Adams took the riders in the three-mile races to the Forest lawn in front of the Sir Walter Tyrell pub.

The race for the older children aged 14-16 years, and the Novice race were both split owing to large entries, so there were ten races in all. Amy Good won the younger children's race on Shatterford Golden Lad, with the youngest rider on the day, Milly Stride on Hanmer High Days in second place. The evergreen Buttslawm Beaufort, who has been placed in the top four in his seven races over the years, recorded his third win in one section of the older children's race, ridden by Taggie Wagstaff. Sonny Lovell, who had won the younger children's race last year, stepped up to the older children's race, where he recorded his second successive win, this year on Rowdown Emeli. Sonny's brother Isaac ran his last children's race last year and went straight into the Open for his first three-mile race, which he won on Ipersbridge Eclipse. Their mum Erika Dovey then recorded her third successive win in the Ladies race on the first-cross pony Nutschullyng Bewitched. Becky Dunn on Sandhole Brandy Snap and Chloe Hughes on Lovelyhill Gentle Touch won the two sections of the Novice race.

Special mention must be made of the outstanding achievements of rider Anita Smith and the pony she bred Janesmoor Jasper Conran. This year, Anita rode Shatterford Thriller, having his first run, to a win in the Veterans race. Anita is the outstanding rider of the 21st century – since 2003 she has had 14 wins, including five on Obersshade Top Gun Terry, two seconds, and one third, and she has won her last eight successive races since 2014 (there was no event in 2020). Janesmoor Jasper Conran remains unbeaten in eight point to points. He won his first and only novice race under a different rider, and then Anita rode him to his six victories in the Open. This year he was switched to the Young Commoners, in which he was ridden by Anita's niece Amy Howells, to record his 8th win. Even more remarkable is that it is not clear how much, if any, vision Jasper Conran has in one eye.

We are all indebted to the Point to Point Committee headed by James Young and Trudy Nineham for their organising skills and determination to run a successful event given the many restrictions imposed by Natural England and Forestry England. It looks as though the FE restrictions on vehicles at the finish actually leads to more people being spread out over the course. A team of nearly 80 volunteers is required to run the event and thanks go to each and every one of them for the part they play. The list is long – entries secretary, stewards panel, starters and mounted stewards, scales, measuring vets and stewards, address system and commentator, race judges, best turned out judge, car parking crew and doctor. Pennyfarthing Homes loyally continue with their headline sponsorship for which we are eternally grateful. Other sponsors

are The Trusty Servant, Active Tree Care, The New Forest Inn, Weston's Country and Equine store, and The Rising Sun – many thanks to each of them. Negotiations are already under way with FE and it is to be hoped that as we can demonstrate that we have met successfully all their requirements, permission is given for a longer renewal period than the current annual basis.

2022 ANNUAL NEW FOREST PERFORMANCE PONY COMPETITION RESULTS

1st Highfox Skyfall (S55/154)

Sire: Samsons Spy, Dam: Rainy Day Girl

Owner and Breeder: Mrs Diane Hadwen

Rider: Jo Jack

Golden Gorse Cup for Overall Winner

Lomondside Trophy for Best Owner Breeder

Knightwood Salver for Best Stallion

WHP Tankard

1st Novice

455 points

2nd Harwoodhouse Hiccup (G53/107)

Sire: Farriers Finger Print, Dam: Falconers Dream Lady

Owner and Breeder: Mrs Penelope Jackman

Rider Gemma Maughan

Dressage Tankard

2nd Novice

445 points

3rd Mockbeggar Rosey II (M52/105)

Sire: Skywalker, Dam: Mockbeggar Rose II

Owner: Ms Jenny Tillyer

Breeder: the late Raymond Bennett

Rider: Sophie Green

Toby Versatility Tankard

Woody Woodpecker Trophy for Best Forest-Bred

3rd Novice

328 points

4th Silverlea Sweet Dreams (M59/135)

Sire: Thatchers Dun Roamin, Dam: Silverlea Diadora

Owner and Rider: Miss Sonja Waite

Breeder: Mrs Joyce Stainer

Merrie Cup for Best Owner Rider

Show Jumping Cup

297 points

5th Hanmer High Days (M49/593)

Sire: Farriers Finger Print, Dam: Brock Halloween

Owner and Breeder: Mr Simon & Mrs Shirley Young

Rider: Milly Stride

Best Junior

245 points

6th Wayland Elderberry (S58/093)

Sire: Wayland Cranberry, Dam: Kilncopse Florin

Owner and Breeder: Mrs Mary Bryant

Rider: Liz Mansbridge

199 points

7th Brock Braithwaite (G54/057)

Sire: Hollybrooke Tinker, Dam: Brock Baccarat

Owner and Breeder: Mr James Young & Trudy Nineham

194 points

8th Buttslawn Olympus (S48/223(G))

Sire: Furzley Magician, Dam: Ashley Venus

Owner and Rider: Miss Lucy Bailey

Breeder: the late Mr Paul Knowles and the late Ms Jackie Josey

180 points

2022 ANNUAL PONY PERFORMANCE COMPETITION REPORT

We received a few more entries than in 2021 as shows and events returned to normal during 2022, and we hope that we will see more in 2023. The breadth of disciplines covered by the eight entries was amazing, yet again demonstrating the versatility of the New Forest pony. The top three ponies were all first-time entries, taking the three novice rosettes.

Diane Hadwen, owner of first-placed Highfox Skyfall was 'astounded' to find out that rider Jo Jack had ridden him into the winner's spot. He won the Golden Gorse Cup for the overall winner, the Lomondside Trophy for the best owner breeder and the Knightwood Salver for the best stallion – we have not had a stallion overall winner for eight years. Skyfall competed mainly in showing, dressage and WHP, winning the WHP tankard. His sire is Samsons Spy who won the competition (as a gelding) in 2019. He is also a full brother to Highfox Faith who won in 2016, so a true performance-winning family.

In second place, and only a few points behind, was Harwoodhouse Hiccup owned by Penny Jackman and ridden by Gemma Maughan. They won the Dressage Tankard, but also competed in jumping, ODE, arena XC and combined training, and showing.

In third place was the only Forest-bred pony, Mockbeggar Rosey II, therefore taking the Woody Woodpecker Trophy for owner Jenny Tillyer. Rosey is a former riding school pony who needed a change of scenery, and this was certainly provided by rider Sophie Green. She jumped indoors and out, did jump cross and a ODE. During the year she gained sufficient dressage scores to get her Dressage Grade One. She qualified for the BRC Combined Challenge and competed in the final at Aston le Walls; took part in the team eventer challenge at Romsey Show, won numerous utility events, spent a day hunting and finished the year with a run in the point to point. This earned her the Toby Versatility Tankard.

Sonja Waite rode Silverlea Sweet Dreams into fourth place, winning the Show Jumping Cup and the Merrie Cup for the best owner rider. Sonja writes: 'I bought Silver and her sister Blue as foals from their breeder Joyce Stainer. I backed Silver as a three-year-old and quietly rode her on. Silver is an incredible ambassador for the breed, she has consistently represented the NFPE club this year in all the teams. Most notably, we qualified for the British Riding Clubs

show jumping national championships, both summer and winter. Silver is very versatile, as well as show jumping, she hunts, drifts, and has competed in the point to point and is even occasionally ridden by my eleven-year-old son.'

Milly Stride was the best junior rider in fifth place on Hanmer High Days. From dressage and show pony, to drifting and racing pony! Daisy takes it all in her stride! Milly was once again the youngest rider competing in the point to point and whilst this was the highlight it was an honour to ride in the junior dressage team for the NFPEC at the National Championships in Lincoln.

In sixth place, Liz Mansbridge reports: 'I started riding Wayland Elderberry in April 2022 and we've had great fun getting to know each other with some excellent results along the way. We competed at county show ridden classes and dressage gaining his NPS dressage final tickets for 2023. I'm looking forward to the 2023 season with Wayland Elderberry.'

JUDGES STUDY DAY AND PROBATIONER JUDGES ASSESSMENT, FORTUNE CENTRE, 6 MARCH 2022

The Judges Committee held an excellent study day, once more in the lovely facilities at the Fortune Centre at Avon Tyrell near Bransgore. Covid restrictions were all but over, but we decided to play it safe and limit the event to our own panel judges with 22 signing the attendance register. Robert Maton, one of the Forest agisters, gave the first presentation with an interesting overview of the Forest-run ponies, looking at the terrain and conditions in which they live, and the importance therefore of good feet, limbs, depth and a strong jawline. He also spoke about how some of the special stallion and breeding schemes have contributed to an improvement in type. Gill Wright then followed, reminding us of the history of the New Forest pony, again stressing the importance of good type throughout the whole breed, with both talks fully illustrated with slides and short videos of good examples of movement.

We then moved to the indoor school where Gill led a practical session with some ridden ponies who compete in various disciplines – one competing at medium and advanced medium dressage, a pony who raced in the Boxing Day point-to-point, another smaller pony who competes mainly in M&M WHP, and finally an older pony who has worked hard as an all-round family pony. After viewing them under saddle they were stripped and assessed in-hand for type. This mix of ponies also encouraged some interesting discussion points, one being how much trimming is allowed bearing in mind some of our ponies compete in dressage at a high level and are regularly plaited and are therefore in need of a mane that can be pulled more than some other natives would permit. The morning finished with former breed show supreme champion Hollybrooke Melitta joining us – an example of the type that we should all aspire to.

After all the Covid restrictions of the last two years it was so pleasant to then be able to sit together and chat over a soup and ploughman's lunch provided by Hel's Kitchen. In the afternoon, we had three candidates who came forward for the assessment for probationary judging and we were most pleased to be able to appoint two of them as Probationer Judges with varying requirements for completion.

The Society is most grateful to all those who provided ponies, without them we would not be able to run these events which are so important for training and maintaining the breed standard through judging at shows. Thank you to all those who helped with the general organising, and especially to our speakers, for making a most useful and interesting day.

INTERNATIONAL MEETING OF FILIAL STUDBOOK SOCIETIES, HOSTED BY NFPBCS, NEW PARK, BROCKENHURST, SUNDAY 28 AUGUST 2022

The normal biennial meeting due to have taken place in 2021 had to be replaced by a series of Zoom meetings when it became clear that ongoing Covid travel restrictions meant that a live meeting was not possible. However we were all very keen to meet face to face so the Society decided to hold a live meeting in conjunction with the 2022 breed show. Venues for international meetings are always varied, individual and interesting, and have ranged from a castle to schools to national equestrian centres, and to this eclectic list can now be added – a tent.

As soon as the classes had all finished after the stallion and performance show on Saturday 27 August, the Secretary's tent began its transformation, and I am extremely grateful to Peggy Tillyer and Marion Ingram for their help in moving the tables around and laying the tablecloths. An early start the next morning saw the final touches being added, with each delegate presented with a Platinum Jubilee rosette and a wooden plaque cleverly made by Patrick Kempe. Fortunately, it was a calm, dry day, just a little overcast, so we didn't get too hot nor battered by wind or rain beating on the canvas. As the delegates arrived for coffee, New Park was just peaceful and lovely.

We began by standing in memory of our good friend Ole Wienecke from Denmark who will be much missed at our international gatherings for his wise thoughts and contributions. We welcomed delegates from Belgium, the Netherlands, Germany, Sweden, Norway and Finland and we were soon down to a busy day's work working through the agenda of varied items. The main issue was the myotonia policy, and work continued after the meeting culminating in the revision at year end which appears later in this report. Hel's Kitchen did us proud with a superb lunch and we are extremely grateful to all those who welcomed our delegates to their studs over the weekend.

Jane Murray, Society Secretary

SILVER AND GOLD GRADES

STALLION PROGENY GOLD GRADE

Stallion Progeny Grades are awarded on the accumulated elite points of their progeny.

Woodrow Prince Harry (S38/042)	Mrs Caroline Smith
Sire: Silverlea Flash Harry (S05517)	D: Woodrow Honey's Delightful (M21/093)

STALLION PROGENY SILVER GRADE

Wayland Golden Harry (S36/012)	Mr Keith Baxter and Mrs Christine Baxter
S: Frankincense of Vernons (S23/097)	Dam: Rowlands Russian Princess (M22/150)

Willoway Minstral (S39/037)	Mrs Caroline Smith
Sire: Peveril Peter Piper (S21/093)	Dam: Obermill Clover (M22/340)

Hollybrooke Tinker (S48/040)	Mr John Adams
Sire: Burley Traveller (S44/097)	Dam: Coffee Crunch (M40/124)

MARE PROGENY GRADES

Mare Progeny grades are awarded on the accumulated elite points of their progeny.

MARE PROGENY GOLD GRADE

Coffee Crunch (M40/124) Sire: Burley Gold Blend (S36/157)	Mr John Adams Dam: Brandysnap VI (M34/487)
Hollybrooke Debbie (M45/006) Sire: Burley Gold Blend (S36/157)	Mr John Adams Dam: Randalls Delight (M26/367)

MARE PROGENY SILVER GRADE

Amarillo Soda (M40/526) Sire: Faircross Sunrise (S34/020)	Ms Kate Robb & R Percy Dam: Brandy of Amarillo (M20/185)
Rushpole Linnet (M48/127) Sire: Willoway Double Gold (S32/099)	Ms E L Suter Dam: Longmead Firefly (M42/015)

PONY PERFORMANCE GRADES

All ponies – stallions, mares and geldings – are eligible for the Pony Performance Grades. They are based on the pony's own accumulated elite points. These can be any combination of in-hand or ridden elite points, and mare or performance grading. There is no time limit. Owners do not need to do anything. The Society collects all the required results.

PONY PERFORMANCE GOLD GRADE

Sabinas Monte Carlo (S44/066(G)) S: Sabina's Gold Sovereign (S37/041)	Mrs Sabine Andréé-Parsons Dam: Silverlea Halina (M28/330)

PONY PERFORMANCE SILVER GRADE

Ashley Rancher (G53/020) Sire: Willoway Dancing Gold (S46/177)	Mr & Mrs W O Dibdin Dam: Ashley Celebrity II (M48/121)
Kauri Inspiration (M46/505) Sire: Wayland Loganberry (S41/153)	Mrs Amanda Key Dam: Wellow Painted Lady (M36/405)
Hollybrooke Duke (S53/012) Sire: Hollybrooke Tinker (S48/040)	Ms Chris Rushforth & Ms Jo Smyth Dam: Hollybrooke Debbie (M45/006)
Newcopse Tigger (Y49/489(G)) Sire: Furzey Lodge Zennica (S40/149)	Mr B & Mrs E J Mansbridge Dam: New Copse Honey Bee (M41/227)

FOREST RUN MARE GRADES

ASH GRADE, PROGENY AWARD TO GRADED FOREST-RUN MARE

Sprattsdown Cincinatti (M48/545)	Mrs M A Tillyer
Sire: Monkshorn Sniper (S46/019(G))	Dam: Sprattsdown Cinnamon (M37/368)

Portmore Rosebud (M50/061)	Mrs Lucinda Lang
Sire: Rushmoor Crush (S47/114(G))	Dam: Portmore Rose II (M45/418)

OAK GRADE, PROGENY AWARD TO GRADED FOREST-RUN MARE

Hilltop Daisy (M44/280)	Mrs Lucinda Lang
Sire: Pilley Prince William (G39/173)	Dam: Bonnet (M36/153)

DRESSAGE GRADE 1 - PRELIM TEST

Mockbeggar Rosey II (M52/105)	Ms Jenny Tillyer
Sire: Skywalker (S45/051)	Dam: Mockbeggar Rose II (M41/296)

Playmoor Chestnut Monarch (S58/010(G))	Ms E L Suter
Sire: Wootton Hawthorn (S48/126)	Dam: Rushpole Linnet (M48/127)

Hollybrooke Martini (M51/149)	Ms Jenny Tillyer
Sire: Burley Branston (S35/164)	Dam: Crabbswood Sherry II (M40/122)

THE NORTHERN NEW FOREST PONY SUPPORTERS' GROUP 2022

The Northern New Forest Pony Supporters Group (NNFPSG) has had a very successful year. The new venue for its show at Camden Equestrian Centre way back in April, proved to be a popular move, with great entries and some quality ponies taking part. Supreme champion, under 138cm champion, in-hand champion and NPS British Isles qualifier, was Diane Hadwen's, Highfox Heaven Sent, with the reserve sash, Forest-bred championship and ridden championship going to Portmore Corporal, exhibited by Megan Hewitt.

Over the summer members had success at a number of major shows including the Great Yorkshire (which held a solely New Forest ridden class for the first time ever), the RIHS, the New Forest Show, National Pony Society Summer Championships, the New Forest Breed Show, the NPS Great British In-Hand Show and HOYS. Other members were busy competing successfully at BD and BE events and a number clocking up the miles on sponsored rides, in endurance competitions and at riding and pony club events.

Several northern based and northern bred Foresters did very well at HOYS; Lovelyhill Folklore (Vikki Smith), owned by Penny Sutton won the New Forest flat class, with the novice ponies Backley Dream Maker in third (Danielle Hughes) and Highfox Hunky Dory (Gail Whetter), owned by Vicki and Ann Partington ninth. Long-time Northern supporter Kirstie Wright with Furzley to Be Faire, owned and bred by Sandra Kilford, was ninth in the HOYS 143cm WHP, with Folklore so nearly clinching the double, standing second in the same section.

The NNFPSG annual performance competition was hotly contested, with some super versatile ponies taking part, some for the first time. The awards were given out at the Christmas meal, which moved from its traditional South Yorkshire venue of the past seven years or so, to a more central location just off the M62, near Leeds. Over 20 supporters met on 4 December for a carvery and a good catch up and it was lovely to welcome some new breed enthusiasts. We will probably try another venue next year, but in the same locality. The Christmas meal will once again be held on the first Sunday in December, so put the date in your diary and more details will be circulated on our Facebook Group and via email.

It's become a bit of a tradition to have a couple of juniors who battle it out for the under-18 title in the points competition for a few consecutive years and this is the case presently, with Rebekkah Fisher on her own Denny Flash, again taking the sash and trophy from Mia Sharrocks; the latter taking the prize for the best mini-rider under 14 on the diminutive Highfox Hope. This year's Newcomer Award went to Michelle Brindle. Michelle, and her pony Wanstead Dark Side of the Moon, have clocked up miles and miles across the Welsh countryside this year. This duo also won the sash for the utility (non-competitive activities) section.

The Novice Pony champion and winner of the jumping category, was Eileen Jack's up to height gelding Brookswood Royal, ridden by her daughter Jo Jack. The dressage winner was the very talented Forest-bred pony, Blueberry Bryn, with owner Shelley Finlan. This pair are now competing successfully at affiliated advanced medium level and notched up 6 wins from 6 starts this year in BD freestyle qualifiers. The veteran gelding Denny Flash was Forest-bred champion. Winner of the In-Hand section was the five-year-old mare Highfox Heaven Sent and Philippa Hadwen, who have had a super first season together; this pair also stood Reserve Supreme to the stallion Highfox Skyfall, who was Supreme Champion this year, ably piloted by Jo Jack. Skyfall and Jo also took the championship sashes for the ridden and most versatile pony sections. Jo first won the Supreme in the NNFPSG points competition on Skyfall's sister, Highfox Forever, way back in 2005. Well done to everyone who took part. The competition will run again from 1 January to 31 October 2023. It would be lovely to have even more entries! For details, rules and performance sheets please contact Gwen gwensawyer@hotmail.co.uk. To keep up to date with what the Supporters are up to please join our Face Book Group 'Northern New Forest Pony Supporters Group'.

NNFPSG Elite Show 2022

Advance warning: the Northern Elite Show will again be held at Camden Equestrian Centre, near York, by kind permission of NPS Area 4. New Forest only NPS qualifiers, silver medals in-hand and ridden and Breed Society rosettes will be on offer. There will be a selection of mixed M&M WHP classes including RI qualifiers and a special overall championship for the best New Forest WHP. Sunday 23rd April 2023. On site stabling available. Please put the date in your diary.

Northern Colt Inspections

More advance warning, at the requests of members, a northern colt grading - it is hoped that there will be a colt inspection held at Camden on the day of the show. This will be dependent on the number of people wanting to have colts licensed of course. The Breed Society will need a viable number to come forward. More details will be available from the New Forest Breed Society shortly. Please contact them in the first instance for more details. info@newforestpony.com

BREED SOCIETY SPECIAL ROSETTES AWARDED AT AFFILIATED SHOWS, 2022

Following the restructuring of affiliation procedures and then the disruption caused by the pandemic which delayed the implementation of the new procedures, the affiliation scheme ran smoothly in 2022. Unfortunately, not all shows report their rosette winners, although they are asked to, so apologies to anyone who is missed out.

Northern Supporters	Highfox Heaven Sent, Portmore Corporal
Heathfield	Lyndhurst Knight Cap
Hertfordshire County	Peronne Notorious, Haywards Under the Stars
Suffolk	Ravenstone Fudge
Royal Bath and West	Woodrow Delights Gift
Royal Cornwall	Woodrow Delights Gift, Hurtstock Cornish Amber
Three Counties	Brock Briana, Peronne Notorious, Kauri Evenstar
NPS Scotland	Lomondside Jade
Lincolnshire	Rowhill Forelock
Breamore	Harwoodhouse Hiccup, Peronne Novelist, Hollybrooke Jupiter, Wayland Elderberry
New Forest	Vynnes Magical Edition, Sway Mister Darcy
NPS Great British In-Hand	Highfox Heaven Sent
NPS Area 4	Vynnes Vitality
Royal Lancashire	Vynnes Vitality, Highfox Heaven Sent
Devon County	Hurtstock Cornish Amber
Midlands Foal & Youngstock	Wanstead Moon Shadow, Haywards Valerio, Foxhills History x2
NF Hounds Point to Point Charity Race, New Forest winner Warren Trail Layer (Isaac Lovell)	
NPS Dressage Championships	Wellhouse Wizard, Saris Fingers Crossed

NEW FOREST LIVESTOCK SOCIETY REPORT ON 2022 BEAULIEU ROAD SALES

The New Forest Livestock Society thought 2022 would be a clean slate for the sales at Beaulieu Road with relaxed changes in the government regulations around COVID and the arson repair work progressing. However, this was not to be the case. The repair work took longer than expected to complete for the June sale to take place. This sale was replaced by a fourth online sale which, once again, proved to be popular. Contractors worked extremely hard over the summer months with a target of being able to hold the September sale. All things were going to plan until a small number of ‘strangles’ cases being confirmed within the Beaulieu Road vicinity in August. The NFLS made a quick decision to cancel the September sale with the hope things would improve for both the October and December sales. This, however, did not happen with further confirmed cases of ‘strangles’ still within the vicinity and a fifth online sale organised for early December replacing the last two sales of the year.

Both online sales were open to all registered New Forest ponies and part-breds registered with the NFPBCS plus other breeds that had been de-pastured on the open forest by commoners. This again enabled those sellers from across the country, who were eligible to enter, to take part in both sales and an opportunity for buyers, who may not be able to make a sale, the ability to be able to bid on any of the lots. The auctioneers created an easy-to-read online catalogue from their website detailing guidelines on viewing, collection, and transfer of all paperwork for the lots presented for the auction. The online sales were organised in conjunction with the New Forest Pony Breeding and Cattle Society and Southern Counties Auctioneers.

4 July online sale

A good entry of 71 lots were put forward with 53 being fully registered New Forest ponies. Entries in the fully registered New Forest section had a mixture of both 'Forest Bred' and stud bred animals from yearlings to older ponies with a good mix of fillies, mares, colts and geldings. Some of the older ponies were already broken to ride. A five-year-old New Forest bay gelding Furzley Vanity Faire by Wayland Cranberry was the highest priced animal on the day at £4550. Prices overall remained consistent with previous online sales.

1 December online sale

By far the biggest entry for all the online sales organised with some 209 lots put forward with 149 being fully registered New Forest ponies. Again, the fully registered New Forest section had a mixture of both 'Forest Bred' and stud bred animals with the majority being foals, as expected for the time of year. There were also a small number of youngstock entries including fillies, colts, geldings with some older ponies four years and over. Top price of the day was £2600 going to a four year New Forest bay mare Whiteladies Jessica by Rushmoor Huntley. The current economic climate and the larger number of entries reflected overall prices which were lower than previous sales. Bidding was slow up until the last day where there was a flurry of last minutes bids on many lots.

Microchipping

Unfortunately, it was not possible to hold the microchipping events planned in 2022. Going forward into 2023, the NFLS will be looking to reinstate. Communication will be sent out nearer the time with details.

Sales Dates 2023

Sales dates for 2023 are planned for Thursday 1st June, Thursday 21st September, Thursday 26th October (to include pre-sale foal show) – details nearer the time and Thursday 30th November all at the Beaulieu Road sale yard.

The Committee

During the year, the NFLS has welcomed some new committee members: Sophie Grimes, Jake Moore and Matt Pooley. All Young Commoners and between them they bring new ideas and skills to enhance the committee.

Finally, a huge thank to the NFLS Directors for all their time and effort regarding the reinstatement work which has been no easy task and all the NFLS committee for the support and help throughout the year.

Lucinda Lang, Chairman, NFLS

THE NF PONY BREEDERS CELEBRATE DIONIS MACNAIR MBE HANDICAP STAKES, THIRD RACE 6.45 pm, SALISBURY RACECOURSE, SATURDAY 28 MAY 2022

Our sincere thanks go to Wendy Gover Fromm who arranged this event and enabled a wide group of friends to celebrate the wonderful dedication Dionis Macnair has given to our ponies. The 6.45 pm race on Saturday 28 May at Salisbury Racecourse was named in her honour. Dionis judged the best turned out from the runners in the race and greeted the winning owners on the podium.

The racecard carried the following appreciation: 'Dionis has lived in the New Forest for all her life breeding the renowned Beacon New Forest ponies. Her first pony, bred by Sir Berkeley Pigott, was given to her at the age of 13 and she bred her first foal in 1947. Dionis celebrated her 92nd birthday this year.

Dionis has been a passionate advocate of the New Forest and its precious ponies, dedicating years of service to many organisations, and was awarded her MBE in 2010 for her services to the New Forest. She was the first, and to date, the only female elected Verderer to serve on the Verderers Court. She was elected in 1973 and only retired from the Court in 2020. Whilst she often had forthright views in the Court these were tempered with great common sense. She was Secretary of the New Forest Pony Breeding and Cattle Society for 33 years and served on the Commoners Defence Association, the New Forest Association and the New Forest Committee. In 2006 Dionis published a wonderful book entitled New Forest Ponies, an incredible record of her knowledge.

Dionis also held many roles beyond the Forest. She was a well-regarded pony judge, the Mountain and Moorland pony representative on the National Pony Society and the New Forest pony representative on the BHS Breeds Committee. Dionis also kept a riding school in Burley for many years. Dionis rode in the annual New Forest Point to Point Pony Races and had many runners as an owner, encouraging lots of children to take part over the years on her ponies. Her pony Beacon Bramble won the children's race in the point to point twice and every one of her descendants who have entered the race have been either first or second – a record she is very proud of.'

EDUCATIONAL ACTIVITIES

As a registered charity, the Society has a legal requirement to show that it has an educational programme.

At the end of April James Young and Trudy Nineham hosted a Stewards Training Evening at Ford Farm.

Some modifications were made to the display boards of the Show Unit and the CDA Young Commoners took it out around the Forest on a number of occasions during the summer. Brian and Marion Ingram took it to Open Farm Sunday at Brixey's Farm, Ringwood, and Suzanne Kempe took it to Boldre Fete.

Following some changes to the layout of the Heart of the Forest area at the New Forest Show, the Show Unit was also used to host our usual publicity stand there.

HEALTH AND SAFETY

No special measures were required although Risk Assessments are carried out for all Society events. Specific control measures were added to the Point to Point Safeguarding and Welfare policies as required by Forestry England.

REPRESENTATION ON OTHER BODIES

Jane Murray is Secretary and Executive Committee member of the 826 Equine Studbooks Association. All meetings were held remotely by Zoom during 2022. She is also a member of the Liaison Committee consulting with the Defra Equine ID Team on new passport legislation, following the Public Consultation on Equine Identification, Traceability and Biosecurity, held in early summer 2022.

Jane Murray is a Committee Member of the Central Prefix Register.

PONY OBITUARIES

RODLEASE JUBILATION NFM45/107 (2002), s. Burley Gold Blend, d. Rodlease Minuet. Breeder the late Avril Darnton, owner Suzanne Kempe

Foaled in 2002, the first foal when we took on running the Rodlease Stud, Jubilation was to become my star pony of a lifetime. The comment from our vet Lindy Hever on meeting her at 5 days old was that this foal had the stamp of a performance pony, and Jubilation certainly proved her right.

Her first outing to Fordingbridge resulted in her winning the NF Reserve Championship - as a foal!! She went on to win consistently as a yearling, two-year-old and three-year-old at the Breed show, NF & Hants County, Malvern NPS, Romsey etc before coming out under saddle. Her successes continued under saddle with many wins in the showring, although she was also quite cheeky with too much exuberance bouncing into a wrong canter lead or a beautiful walk to canter transition when she should have been going into trot past the judge.

Although she developed into a very talented jumping pony she made it very clear that she would try that skill in her own time and would not even tolerate walking over poles or popping over tiny logs on a fun ride when we first asked her to leave the ground. However after forgetting that idea for six months we gave her another try just before the breed show and from that point on she never looked back, winning the novice workers that same year at the breed show and going on to qualify for RIHS twice and jumping clear at her first HOYS WHP final. She became known as the queen of the watersplashes as she was one of the few that always jumped them first time - funny that if you saw her dither getting into her stable when the rain had left a wet patch by the door!!

Jubilation gave so much pleasure to Avril, once Avril understood the concept of WHP classes - she would always ask why I had to go in the ring again having already jumped. As friends will remember Avril liked taking rosettes home and very rarely did Jubilation let her down, no matter what discipline she was competing in.

Jumping certainly was Jubilation's passion and she was a brilliant team pony for NFPEC, jumping consistent double clears both at area level and at the championships, and double clears for the eventing team. She achieved Grade 4 showjumping and a silver elite performance grade with NFPBCS.

Having proved herself as a competition pony she carried on to be a lovely broodmare and bred us four foals and has a licenced grandson in France. Her loss was very sudden and she is much missed but we have so much to thank her for, not least the opportunity to be living in such a beautiful spot due to her amazing start that she gave us taking on the Rodlease Stud all those years ago.

Suzanne Kempe

OBITUARIES

The Society records with sadness the passing of:

Brian Thorne, from Lyndhurst, who ran the Rockingham herd.

Eric Francis was born in Wellow and with his wife Maggie lived at Furzley cross-roads, Bramshaw for 40 years. Eric ran a herd of cows on the Forest and bred the Staghill herd of ponies. He owned the Forest-run stallion Royal Oak Ron.

Mrs Wendy Cobden's foundation mare was Merrie May Rose, and the first foal she bred was Westbury William (by Deeracres Franco) born in 1991, who in 1994 as a three-year-old gelding, became the first gelding youngstock champion to take the breed show supreme championship. Mrs Cobden, from West Meon, then adopted the Meonbury prefix and bred a further seven foals from Merrie May Rose. Two of these were stallions, Meonbury Mr McGregor who went to Sweden, and Meonbury Peter Rabbit who went to the Netherlands.

Malcolm Glasspool, from Totton, who enjoyed visiting the Stallion Show over many years.

Peter Whapham, from East Boldre, who with his wife Dr Jo Ivey, ran the Marydore herd of ponies on the Forest.

Mrs Lynn Smith from Chesterfield who was a good friend of the Northern Supporters Group

Rod Bailey from Hythe, who ran the Baileybridge ponies on the Forest.

Margaret Parrett, from Thorney Hill, bred the Coombe ponies with the late Anne Carter.

Miss Barbara Wilson from Yorkshire was a panel judge for many years.

Jane Hann Parkes ran a few mares on the Forest and was a keen competitor in local events. She raced in the Boxing Day point to point, coming second on Wildest Dreams in the veterans part-bred race in 2017. She tragically died in a riding accident in her new home in Scotland.

Ole Wienecke, a vet by profession, from Denmark, who took a keen interest in the breed from the 1960s, and was heavily involved with the Danish New Forest Society. In 1967 he bought a filly bred in Denmark out of UK-bred parents and she became the foundation mare for the Horsemosen Stud. A good judge he did all he could to retain type in Europe. He was always a wise counsel at the international meetings of filial societies. He judged the supreme championship at the 2019 breed show.

Diana Vear - The Vear family purchased their foundation stallion Silverlea Dougal, and mare, Wootton Moonlight, from Beaulieu Road in 1978 and 1979 respectively and ran the Kilncopse Stud in the Meon valley. Their first foal Kilncopse Total Eclipse was born in 1982. Kilncopse Gold Label and Kilncopse Black Label were their two home-bred resident stallions. Diana was a Council member from the 1990s retiring in 2010, she was then President in 2011.

Keith Samphier - Mr and Mrs Samphier ran the Rowlands Stud in Havant. There were only 12 Rowlands ponies registered, but they have had a long influence on other lines that continues to this day. Rowlands Riverside Melody raced in several point to points in the early 1990s, before retiring as a broodmare at the Trenley stud. Rowlands Russian Princess went to the Wayland stud and is the mother of Wayland Golden Harry. R. Charisma also went to Wayland.

ROY HAWKINS

The most repeated words said about Roy on hearing of his sad passing were reliable and dependable. Helping at drifts, helping at Beaulieu Road, banging in posts and putting up rings at the breed show, Roy could be relied on, always there, always dependable. Roy joined Council in 1972 and retired in 2011.

Roy, Jean and their two daughters lived in Brockenhurst from the 1960s and nearly 120 ponies were registered with the Oakfield prefix. Roy bred the stallion Oakfield Lawrie in 1981 and he ran on the Forest for many years with 105 recorded progeny. Roy always enjoyed hearing about Lawrie's offspring and the ponies that he had bred, and was always very keen to encourage young riders.

In 2010 his lovely Forest mare Oakfield Lark who runs at Whitefield Moor, was awarded the Verderers Rosebowl for the highest scoring mare in that year's Forest Mare Grading. The photograph of the presentation of this bowl by Verderer Jeff Kitcher at the Verderers Court featured on the 2022 point-to-point racecard as a lovely memory of Roy. He repeated this feat with his mare Oakfield Daydream in 2012.

At Robert Maton's President's Lunch at the 2021 Breed Show a presentation was made to Roy who received the New Forest Trust Diamond Jubilee award, normally made at the New Forest Show which had been cancelled. This well-deserved award recognised Roy's time, effort and dedication to many Forest and commoning activities over the years.

In early January 2022, Robert Maton needed to call a special drift in the New Park area, and the New Forest Livestock Society took advantage of this opportunity to make a presentation of a thumbstick to Roy, in recognition of his invaluable work for the NFLS and at the Beaulieu Road sales over the years. Two of our retired Society vets, Ralph Ellis and Peter Tunney, had special praise for Roy's assistance to them at the sales. They said he was always so dependable and dealt with many a tricky customer, enabling the vets to keep up the pace necessary to get all ponies booked in on busy mornings.

In his typically quiet, no-fuss manner, Roy had left instructions that he did not want a public funeral, but on the way to his private family service, the funeral cortege left Brockenhurst village accompanied by Robert Maton in his agister's Land Rover, and proceeded along Burley Road at walking pace, stopping outside Ford Farm where a large gathering of friends were able to pay their respects to a much-loved Commoner.

ANGELA HARMSWORTH

We were sad to hear that long-time Council member (1964-1991) and President in 1975, Angela Harmsworth had passed away. She wished for no fuss and just a small family funeral. Angela did a huge amount for the breed and the Society and ran the breed show from 1979 to 1985. She understood colour genetics and the cream gene and wrote the first article on blue-eyed creams in the Annual Report way back in 1975. Two of her stallions, Broadlands Blenheim Orange and Broadlands Titanic, both sons of Knightwood Spitfire, carried the cream gene. Broadlands Arithmetic, a son of Titanic and also carrying the cream gene, was a prolific winner ridden by Richard Pritchard.

Angela bred over 50 ponies bearing the Broadlands prefix and she also had great success in the 1990s with Fijal Polonnaise, winning the novice and open ridden championships at the breed show. The last four foals that Angela bred were all out of Polonnaise – Polaris, Polish, Politics and Magic Potion. Polish went over-height but he was very talented and had success as an eventer until he was sadly lost to colic in 2018.

Angela was also a talented artist, painting many of the New Forest stallions in oils, including Luckington Ludo 1993. Diane Hadwen reports 'she did the most beautiful portrait of Fijal Maestro for her gallery of New Forest stallions. We still have the pastel study she did for the painting, she gave it to us when Maestro died'.

STELLA ORAM 1934-2022

Stella was born in Market Lavington, daughter to Len and Edith. Len's sister Eva married the late Harry Burt from South Weirs, Brockenhurst, so Stella spent some happy times at South Weirs with her cousin young Harry Burt, so her interest in New Forest ponies began at an early age, begging her father to buy her a pony from the local sale. Stella's real interest in the breed began when her children were born and Harry sent up a filly foal for each of them in the mid-1960's. Both these Weirs fillies went on to be the foundation mares for the Parklands Stud, along with some older mares also sent to Parklands and its good grazing when they could no longer manage on the Forest.

Stella bred her first stallion in 1981, Parklands Double Bee, by Harry Bee of Danehurst out of Bumble Bee of Parklands. She also bred lots more quality ponies by various stallions including Katric Capers, Dewlands Val Doonican, Wayland Cranberry and Farriers Finger Print. She was one of the founder members of the New Forest Pony Enthusiasts Club when it started in 1986 and continued to enjoy being a member.

Stella enjoyed breeding and showing her ponies successfully, mainly shown in the ring by her husband Mark and daughter Helen who showed both in-hand and ridden. Stella's ponies which she left behind are by Furzley Stockaide and her last purchase the licensed stallion Sway Sky's The Limit, and they will continue to be bred under the Parklands prefix by Helen alongside her Empire New Forest ponies. Stella passed away on 3 January 2022 and will be sadly missed, a lady who always looked for good movement in her ponies and enjoyed seeing them doing things. Helen Plank

BELINDA, LADY MONTAGU 1932-December 2022

Belinda Crossley grew up around the Cadland Estate and Darkwater near Fawley, a country childhood filled with pony riding. She trained and worked as an artist in London, and in 1959 married Edward, Lord Montagu of Beaulieu and helped to develop the Montagu Motor Museum. However, she always made time for her animals, including her Arab stallion Allah, hunting with the New Forest Buckhounds, and was an active member in the early days of Mopley Riding Club. After she left Lord Montagu, she lived for a while back on the Cadland Estate and then settled at Longdown from where she ran a small herd of Forest ponies under the Beaulieu prefix until the end of her life. She made stables available for agister Terry Jones' riding ponies and was a great supporter of the Commons Defence Association publicity stand at the New Forest show, helping with the design and making of the interior and exterior cottage backdrops, and storing them throughout the rest of the year. She also kindly used her embroidery skills in making the hessian tablecloths used on the front of the stand. She co-ordinated 60 volunteers over two years to produce the 28-foot-long New Forest embroidery which was viewed by HM The Queen when she visited the New Forest in 1979 during the ninth centenary celebrations, and which is on display in the New Forest Heritage Centre in Lyndhurst. The series of mugs depicting scenes from the embroidery have become collectors' items and sit proudly on the shelves of so many in the Forest community. Lady Montagu was always active in Forest life and served as President of the New Forest Association 1983-1995 and then as Patron until 1921 and she greatly enjoyed her year as President of the New Forest Show in 1995.

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME – CHAPTER 15

MYOTONIA BREEDING POLICY

At the International Meeting held in Ermelo, The Netherlands, 29-30 September 2017, it was agreed that from 1 January 2018:

Compulsory testing of all stallions for the myotonia carrying gene is no longer required;

Stallions and mares that are to be used for breeding that have a parent that carries the myotonia gene should be tested.

All breeding stock descended from Kantje's Ronaldo that has not been tested previously, should be tested.

Where testing is required in the above circumstances, then the revised 2022 Myotonia Breeding Policy (printed below) applies.

In addition:

Point 6 of the 2013 Myotonia Breeding Policy made it clear that the breeding licence was revoked for any stallion who is found to be a carrier of the myotonia gene. This must apply equally to all deceased stallions and, in accordance with the policy on Assisted Reproduction and Article 21 of the Animal Breeding Regulation (EU) 2016/1012, to any frozen semen of that stallion in storage. From 1 January 2021, no frozen semen can be used where it comes from a stallion, dead or alive, who has had his breeding licence revoked for being a carrier of the myotonia gene, to breed foals who will be registered into the main section of the studbook.

2022 Myotonia Breeding Policy

Aim of the Policy

The Society Council believes that steps should be taken to, at best, eradicate the carrier gene from the studbook, or at least, to isolate it and make it clear where carriers exist to enable responsible breeding to take place.

The original Myotonia breeding policy in place from 2013 was reviewed by the Society in consultation with its veterinary surgeons and with the European filial societies in 2022.

In the light of more scientific and genetic information and knowledge of how Myotonia is inherited, and the steps that have been taken to control the gene over the preceding period since the original policy was implemented, the NFPBCS have updated its Myotonia policy which will take effect from 1 January 2023.

The main elements of change are in points 2,4,5 & 8.

Policy

1. If a stallion or any frozen semen is found to be a carrier of the Myotonia gene subsequent to the implementation of the original Myotonia Policy in 2013, its licence for future breeding will be revoked with immediate effect.
2. All colts tracing back to Kantje's Ronaldo lineage must be tested clear before any licence, and entry into the main section of the stud book is allowed (unless its sire and dam have already been tested clear). The result is to be entered in the passport and any other breeding documents or Zootechnical Certificates, published by the Society in its annual report, noted in the annual studbook records and an accessible record maintained on-line.
3. If any carriers are found in other registered stock, the result is to be entered in the passport and any other breeding documents or Zootechnical Certificates, published by the Society in its annual report, noted in the annual studbook records and an accessible record maintained on-line.
4. All breeding mares that have lineage tracing back to Kantje's Ronaldo must be tested , unless both their sire and dam have a clear test result on file. The results of any carriers must be published in accordance with point 2 & 3 above.
5. The progeny of any carriers shall not be registered in the main section of the stud book unless they themselves are tested clear but will remain in the X register.
6. All mare owners are advised to check that the stallion or frozen semen with lineage tracing back to Kantje's Ronaldo that they intend to use has been tested clear before sending a mare to stud.
7. All imported ponies with lineage tracing back to Kantje's Ronaldo to be used for breeding in the UK will have to be tested clear of the Myotonia gene before being accepted into the main section of the UK studbook (unless its sire and dam have already been tested clear).
8. The Society strongly recommends that mares that are carriers of the Myotonia gene should not be crossed with a stallion/semen that is also a carrier of the Myotonia gene.
9. Daughter studbooks are asked to keep NFPBCS regularly informed of the steps being taken to deal with the issue in their own countries. The expectation is that they will adhere to this policy as a minimum, but may take action over and above this, depending on the number of carriers within the breeding herd.

The original policy took effect in November 2012 was formally approved by Society Council in June 2013 and was printed in the 2013 annual report. The 2022 review is the first official revision of this policy since its inception.

The Society Council is keeping the situation constantly under review, and may update its policy as required in the future.

Approved by Council to take effect from 1 January 2023.

NEW FOREST PERFORMANCE PONY OF THE YEAR COMPETITION

The aim of this competition is to encourage owners of registered New Forest ponies to take part in a wider range of competitions and activities, wherever they happen to live.

*** Stunning rosettes ***

*** Generous cash prizes depending on entries ***

*** 11 cups to be won ***

Cups and rosettes to the highest placed ponies in the following categories: Jumping,

Dressage, WHP, Most Versatile, Driving

Special rosettes to best three novices

Cup and rosette to best pony bred on the Forest

Cup and rosette to best pony bred by the owner

Cup and rosette to the best stallion

Prize for best junior rider

Scoring categories: Driving; Jumping – affiliated and unaffiliated; ODE; Combined Training; Hunter Trials; Arena Eventing, Handy Hunter/Handy Pony; Working Pony – BSPPS, M&M affiliated; unaffiliated; Dressage – affiliated and unaffiliated; Ridden Showing; New Forest and M&M Ridden Showing; Family/PC Pony; Le Trec; Racing; Endurance; extra points for championships; extra points for competing at county level and breed show; bonus points for other activities eg hunting, pony club camp, long distance rides, etc.

The points table has been revised and updated to more accurately reflect the wide variety of disciplines in which New Forest ponies now compete. It looks a bit mind-blowing, but don't worry – it's actually best if you leave the points claimed column blank and we'll complete it.

Exhibitors must be fully-paid up members of the Society.

All ponies must be registered New Forest ponies, four years or over, correctly transferred to the entrant.

All ponies must be entered in their correct registered name.

The competition runs from 1 January to 31 December in the current year.

Juniors not to have attained their 18th birthday by 1 January in the current year.

Entry forms, full rules and points table available from the office or the website

NO NEED TO GET SIGNATURES OF OFFICIALS ON THE SCORESHEET

**THE KNIGHTWOOD PART-BRED PERFORMANCE COMPETITION
OPEN TO X-REGISTER, PART-BRED AND FIRST CROSS PONIES**

Two trophies and rosettes

Ponies must hold passports issued by the Society, or passports which have been over stamped by the Society.

Exhibitors must be fully paid-up members of the Society.

The standard score sheet is used.

PERFORMANCE GRADES 2023 – DRESSAGE AND EVENTING

This applies to both pure-bred and part-bred New Forest ponies

DRESSAGE GRADES can be achieved in two ways:

1. Submission of test sheets – for Dressage Grade One and Grade Two
2. Submission of BD record.

SUBMISSION OF TEST SHEETS FOR DRESSAGE GRADE ONE (PRELIM) AND DRESSAGE GRADE TWO (NOVICE)

1. Submit FOUR original Prelim test sheets, or FOUR original Novice test sheets.
2. The minimum score on each sheet must be 65%.
3. The tests may be any combination of Prelim test numbers or Novice test numbers.
4. The pony must be entered under its full registered New Forest stud book name, and this must be clearly written on the test sheet.
5. The judge must be a BD Listed Judge. Their name should be clearly printed on the sheet so that this can be checked. The judge's signature must be on the sheet.
6. Any sheets not filled in correctly will not be accepted.
7. Tests may be ridden at any event, provided that it is a BD listed judge, so this could be, for example, an unaffiliated competition, BD affiliated, BD Quest, BD British Native Pony Series, NPS, BRC.
8. Ponies must be four years of age or over and hold a valid NFPBCS passport in the name of the current owner.
9. Send your test sheets with the £10 administration fee per level to the address below. When your sheets have been verified by the Grading and Elite Committee, they will be returned to you with your rosette and sticker for the grading page at the back of the passport.
10. Rolling dates are now being used, so as soon as you have your four sheets send them in.
11. By submitting your test sheets you are expressly agreeing to all the terms and conditions set out above.

DRESSAGE GRADES BY BD COMPETITION RECORD

BD points may be used to grade ponies. Ten BD points are required at each level for grading. Once a pony has achieved 5 points at a higher level, it is assumed to have graded at the lower level. Please submit a printout of your pony's BD Competition Record and the £10 administration fee, for verification by the Grading and Elite Committee, and award of the rosette.

EVENTING GRADES

Grade 1 is for 5 BE Foundation Points; Grade 2 for 15 FP, Grade 3 for 25 FP, and Grade 4 for 35 FP and above. Applicants are asked to submit a print-out of their BE record and a £10 administration fee. As soon as the record has been verified by the G&E Committee the rosette will be awarded.

TREASURERS REPORT 2022

The accounts show a net loss of £6,641, slightly worse than last year (loss of £2,301).

Subscription receipts (£16,740) are down on last year (£19,013) and members are reminded to ensure that they are paying the correct amounts as chasing 'top-ups' is time-consuming for the office staff.

The Honoraria paid to those providing voluntary assistance has been increased to reflect extra help in the office and increased travel expenses.

Education and publicity costs are increased due to the £940 cost of holding the International Conference at the Annual Show.

Office costs are increased due to a rent review and increased heating costs.

On a more positive note, the Society has received a refund of bank charges amounting to £4,000 and will no longer be charged by our bankers due to our charitable status.

This year, we have reviewed the Futurity account (note 19 in the accounts) and report that the balance is an accurate reflection of the amount held for commitments with regard to potential stallions already in the scheme.

Market value of investments is down by £19,500 although the income and gain of sales of investments is slightly up on last year. The Trustees are monitoring our investment policy carefully and hoping to achieve higher capital growth by taking a small reduction in income.

Although this was not the most positive year financially, the Society remains in a strong position to continue to uphold our aims and objectives.

Kathy Clarke
Treasurer

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2022

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where one part-time assistant is employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net outgoing resources for the year amounted to £15,244. This decreases the total reserves at the year end to £284,426 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2022

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 17th February 2023 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees

On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2022 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2022 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 17th February 2023 and signed on its behalf.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2022

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2019), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements

For the year ended 30th November 2022

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2022

5. To adopt the 2021 Annual Report and Statement of Accounts. Any questions regarding the annual accounts should be sent in writing to the office at least seven days before the meeting.
6. The Council 2022

As a result of the 2009 amendment to Society Rule 7, 6 Members of the Council are due to retire by rotation and the Council should consist of 18 members.

Members due to retire by rotation in 2022 are: Mrs J Lowth, Miss H Palmer, Mrs A Pidgley, Mr P Pidgley, Miss J Tillyer, Mrs J Williams. All are willing to stand again and have been duly nominated and seconded.

Miss Dionis Macnair is standing down. Mrs Lucinda Lang has been nominated and seconded. There are no other nominations, no election is necessary.

7. To appoint Stephenson & Co. Chartered Accountants, as accountants.
8. To appoint Ms Laura Trigg BVSc, MRCVS, CertAVPEq and Ms Hannah Buteux BVetMed, BSc (Hons), MRCVS as the Society's Honorary Veterinary Surgeons.
9. To appoint Ms Kerry Dovey Whiting, LLB Hons PG.Dip, Associate Moore Barlow LLP, as the Society's Honorary Solicitor.
10. To confirm Mr Jonathan Gerrelli as President Elect for 2023.
11. To elect Miss Dionis Macnair as the Society's Honorary Consultant and to make her an award in recognition of her outstanding dedication to the breed.
12. To award an Honorary Life Membership. Council has nominated Mr Andrew Napthine for his long service to the Forest community during his 29 years as an Agister of the New Forest.
13. Any Other Business – any items should be sent in writing to the office at least seven days before the meeting.
14. To award the Performance Pony Competition prizes and the Knightwood Part-Bred Pony Performance Competition prizes.
15. To award engraved glass tumblers to the owner of ponies winning Society cups three years in succession.
Nutschullyng Bewitched – President's Cup - best First Cross in the Ladies Race, Point to Point
The raffle will be drawn and refreshments served.

Hon Sec: ***Jane Murray***

23 February 2022

**MINUTES OF THE TWENTY-FOURTH ANNUAL GENERAL MEETING
HELD REMOTELY AS AN ONLINE WEBINAR BY 'ZOOM'
FRIDAY 26 MARCH 2021, 7.30 pm**

**THIS MEETING WAS HELD UNDER THE SPECIAL PROVISIONS IN THE
CORPORATE INSOLVENCY AND GOVERNANCE ACT 2020**

The Chair of Council Suzanne Kempe opened the meeting. The 'live panel' on screen were S Kempe (Chair), S Dovey (Vice-Chair), J Murray (Secretary), K Clarke (Treasurer), H Palmer, D Pitman (Registration Secretary).

Members present: 54 people logged on, but several devices would have had multiple viewers.

Apologies: G Brownrigg, J Kyro

Obituaries: A moment of silence was held in memory of those who had passed away in 2020: R Nineham, H Oram, G Skivington, D K Houlihan, A Dovey, L Mansbridge, F Keller, D Tillyer, A Russell, K Rickman, J Josey, P Grayson, M Furness, P Campbell, R Best; and those who had passed away in 2019: K Harding, C E Coutts, P Gill, G Skivington, S Harding, M Reeves, J Burry, B Wilson, V Marshall.

The Minutes of the Twenty-Second AGM held in 2019 following the indefinite postponement, due to the Covid-19 pandemic, of the Twenty-Third AGM which was due to take place on 20 March 2020.

H Palmer proposed, and J Williams seconded acceptance of the minutes which had been circulated with the 2020 Annual Report, and taken as read. On the online voting, 4 people appointed the Chair to act as proxy, who voted in favour of all the motions.

23 further people voted in favour, with no votes against, and 1 abstention. The Minutes were approved and will be physically signed at the first Covid-secure opportunity.

There were no Matters Arising from the Minutes.

The 2020 Annual Report and Statement of Accounts.

The Chair of the Council, Mrs S Kempe, gave a brief presentation. 2020 had been a strange year adapting to new methods to run Society business, mainly by adopting new technology. The webinar format of the AGM enabled a welcome to a wider breadth of members who would not otherwise be able to attend a live meeting. It was sad that the breed show and point-to-point could not be held, but the symbolic rainbow on the annual report front cover offered an opportunity to reflect on the year, especially acknowledging those members who had fitted their ponies around their key and frontline work, and for so many others for whom time with their ponies had kept them sane during this strangest of years. The Council had worked hard on updating a number of policies and the Breeding Programme, and these had been published in the Annual Report in lieu of the usual reports of activities. Brexit had over-shadowed much work and it had been pleasing to be awarded Third Country Zootech status by the EU Commission. The International Meeting would have to be hosted online and it would be sad not to welcome visitors to the breed show. She thanked the Council and office staff for all their efforts in the last, very challenging, year.

The Treasurer, Mrs K Clarke, read her report. No questions had been received regarding the Statement of Accounts. J Lowth proposed, and J Young seconded, acceptance of the 2020 Annual Report and Accounts. 24 people voted online in favour with no votes against, and no abstentions.

The Council 2021

As a result of the 2009 amendment to Society Rule 7, 6 Members of the Council were due to retire by rotation and the Council should consist of 18 members. Members due to retire by rotation were: Miss N Stephens, Mr J Young, Mr S Dovey JP, Miss H Whetren, Mr L Blomfield, Mrs W Gover Fromm. All were willing to stand again and had been duly nominated and seconded. There were no other nominations, so no election was necessary. T Nineham proposed, and K Clarke has seconded re-election of these Council members en bloc. 24 people voted online in favour with no votes against, and no abstentions.

The following re-appointments of Society Officers were voted en bloc.

Society Accountants: Stephenson & Co.

Honorary Veterinary Surgeons: Ms Laura Trigg BVSc, MRCVS, CertAVPEq and Ms Hannah Buteux BVetMed, BSc (Hons), MRCVS.

Honorary Solicitor: Ms Kerry Dovey Whiting, LLB Hons PG.Dip, Associate Moore Barlow LLP. J Williams proposed, and K Clarke seconded re-appointment of these Officers. 24 people voted online in favour of re-appointment, with no votes against, and 1 abstention on the vote of the Solicitor, so all were duly re-appointed.

The appointments of President and President-Elect had been moved forward owing to the Covid pandemic. The Chair thanked retiring President Pauline Black, for her interim cover during the unusual circumstances of 2020. Mrs Black had sent a message to say that she had had a wonderful surprise earlier in the day with the arrival of a bouquet of flowers, and that her presidency had made her appreciative of how much work goes into keeping the Society running.

To confirm Mr Robert Maton as President for 2021 and to confirm Mr John and Mrs Wendy Adams as President Elect for 2022. 24 people voted online in favour of appointing Robert Maton as the president for 2021 and John & Wendy Adams as president elect for 2022, with no votes against, and no abstentions.

Incoming President Robert Maton was welcomed to the live panel on screen. He thanked Pauline Black for her work during her presidency and commented that in a live meeting, at this point he would have done so with a handshake and a thank-you kiss. When invited to accept the presidency he had been concerned that he might be too young, but on reflection he thought he had enough grey hair and he was having his first Covid vaccination (age related) the following day. He was very proud to be following in the footsteps of his grandfather Don Stephens who had been President in 1980. The President and the Secretary then read out the list of all awards that could not be presented in 2020.

Any Other Business

J Haynes queried whether the breed show could go ahead, following the cancellation of the New Forest Show. The Show Committee were meeting the following week and it was looking hopeful, although some things would necessarily be a little different and contingencies were necessary.

N Dibden had asked about a Charter of Protection for our breed. She was asked to give more information for consideration by the Council.

J Rosset had asked about the Golden Wonder agreement in relation to the breeding programme. It was noted that the agreement had run out on 1 January 2013, but the item will be on the International Meeting agenda.

M Fry asked about plans for a colt inspection in May.

The meeting ended at 8.15 pm.

NEW FOREST PONY BREEDING AND CATTLE SOCIETY
A Company Limited by Guarantee, Company No. 03421046
Registered Charity No. 1064746
Defra Approved Passport Issuing Organisation 826 038

SUBSCRIPTIONS 2022

Subscriptions for 2022 are now due. The membership year runs from 1 January to 31 December. Subscriptions renewed after 31 March are subject to a £2.50 surcharge.

MEMBERSHIP RENEWAL RATES

Adult Member	£25.00	after 31 March 2022	£27.50
Joint Members	£35.00	after 31 March 2022	£37.50
Family Members	£45.00	after 31 March 2022	£47.50
Junior Member	£12.50	after 31 March 2022	£15.00

Please check that your Banker's Order payments are up-to-date and show the rates above.

All cheques payable to NFPB&CS.

You may also pay by PayPal/card through the website.

NEW MEMBERSHIP APPLICATIONS

Membership forms and Bankers Order forms are available by downloading from the website, or from the office.

New Member	Subscription £25.00 and Joining Fee £15.00	£40.00
New Joint Member (Two adults)	Subscription £35.00 and Joining Fee £15.00	£50.00
New Family Members (including all children under 18)	Subscription £45.00 and Joining Fee £15.00	£60.00
New Junior Member	Subscription £12.50 and Joining Fee £5.00	£17.50
Life Membership	(17 years of age and over)	£500

REGISTRATION DATES AND FEES 2022

All breeders should ensure that they have read the document '*Registration Guidance and Fees for 2022 Foals*'. By signing the Registration Application Form, you are confirming that you have read and understood the document and accept the terms and conditions.

The final date for submission of forms,
as set down in the Equine Identification (England) Regulations 2018 is
30 NOVEMBER 2022.

It is very important that all entrants for all Beaulieu Road Sales are registered as early as possible, so that there is sufficient time for the passports to be made up before the sale. This will particularly apply to the September Sale – you will need to start the registration process by early August. Do not delay.

Please register your foals as early as possible, and consider microchipping your stud-bred foals as soon as possible after birth.

REGISTRATION FEES FOR MEMBERS have been increased to £15 for pure/part-bred foals.

ID-only passports have been increased to £20 and are available to members only. These are the first increases in price for a number of years and reflect the increased cost of materials. The plastic cover alone costs £1.56.

COMPULSORY MICROCHIPPING OF ALL EQUINES

The Equine Identification (England) Regulations 2018 required that all horses in England (apart from those covered by the New Forest semi-feral derogation) were microchipped by **1 October 2020.**

It is now expected that at all Society events and competitions, with the exception of the Forest-Fed competition, all ponies will be microchipped. No award will be made to a pony that is not microchipped in accordance with the law.

All entrants to Beaulieu Road Sales must be microchipped. This covers both foals and all other ponies of whatever age, in all the sections. Please ensure that the number is reported to the Society and recorded on the database before the sale.

Please ensure that all older ponies are microchipped before sending in a Transfer of Ownership.

At the President's Lunch at the 2021 Breed Show, a presentation, normally made at the New Forest Show which had been cancelled, was made to Roy Hawkins of the New Forest Trust Diamond Jubilee Award.

Pictured with Roy are Robert Maton, Society President, and Roy's two daughters Sandra and Sue.

Website: www.newforestpony.com

Please send all correspondence to the above address.

If you would like the Council to discuss a particular issue, please write or email as above.

The objects for which the Society is established are: to encourage the preservation and breeding of the best type of New Forest ponies; to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book; and to hold an annual show for the encouragement and improvement of the breed of New Forest ponies. Having due regard to the Charity Commission's public benefit guidance, the Society presents its financial accounts and this report on its activities in 2021, in which it sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

PRESIDENT'S REPORT 2021

As the pandemic finally seems to be passing, and we have had another year of council meetings via Zoom, I was pleased to be able to see many friends and familiar faces at the breed show in August. My President's Lunch included a well-deserved presentation to former Council member Mr Roy Hawkins who received the New Forest Trust Diamond Jubilee award for his time, effort and dedication to many Forest and commoning activities over the years.

I would like to thank your Council and the many others that work behind the scenes to keep the Society and all the various events running. In particular, I would like to thank the Point to Point committee who worked tirelessly to once again secure the Boxing Day races, which for many is the highlight of their Christmas.

The last member of my family to be a Society President was my grandfather, the late Don Stephens who was President in 1980. As I enter my 50th year, my grandfather would have been making his centenary, and so it has been a pleasure to continue the family interest and tradition with the Society.

Robert Maton

CHAIRMAN'S REPORT

It's hard to believe that, as you read this, we are hopefully free of most Covid related restrictions that started two years ago. Life has been very difficult for many, and the pony world has been fortunate, with I'm sure, owners finding many positives from the solace of their ponies. NFPBCS is no exception to this with owners, riders and breeders getting so much joy from their ponies, many making sure that they flew the flag for our breed whenever they were allowed. The popularity of the breed was reflected in the excellent prices achieved at the two online sales, thank you Lucinda Lang and her team.

Through the use of Zoom the Council has been able to continue to meet regularly and may well carry this method forward for some meetings as it enables our Council members from further afield to participate fully. We hosted the International Meeting with our European filial societies virtually but hope to follow this up with a meeting this year linking in with the Breed Show.

It was lovely to meet everybody again at our Annual Show, although sad that the Forest-run stallions were unable to attend. For many of us it was a first time in over a year that we were meeting up!

We were sorry to bid farewell to our registrations secretary Diane due to her moving to Somerset but welcomed Ann to join the office with rather a baptism of fire, being the busiest part of the year for registrations. Ann was introduced to us by Diane and has worked tirelessly despite a steep learning curve. We plead with all our breeders to get your registrations in as early as possible, especially the stud-bred foals to reduce the pressure when the Forest-run paperwork starts to arrive in volumes.

Lastly, we were thrilled that the Point to Point was able to run despite the many challenges running up to the day in meeting all the necessary criteria set by Forestry England and other regulatory bodies. Thank you again to all those involved.

Finally, as Chair of Council I would like to thank all Council members, and co-opted committee members for your hard work covering all aspects of running a successful society and of course Jane for keeping the admin running through a very busy time. Let's look forward to a 'straightforward' 2022!

Suzanne Kempe, Chair of Council

SOCIETY SECRETARY'S REPORT 2021

Like everyone else, we went into the new year hopeful that 2021 would see a return to something like normality after the extraordinary events of the 2020 pandemic year. Those hopes were soon crushed with the announcement of the third lockdown just a few days into the new year. The first casualty was the Forest Fed Competition which was abandoned for the second year running. The AGM in March was reformulated as an online webinar and achieved the aim of getting the required official business completed. We had taken an early decision not to hold a Study Day and Probationer Judges Assessment as our current probationer judges had not been able to carry out any judging appointments in 2020 and this proved to have been a sensible decision as the lockdown continued into the spring.

Sadly, in early April the New Forest commoning community was delivered a major blow when the iconic Beaulieu Road Sale Yard was targeted by mindless arsonists, and a good part of the roof was severely damaged. Fortunately, we had pushed the date of our colt inspections back to 1 May, so there was time for the site to be secured and we were able to use the adjoining external show ring as usual, although the event took place 'behind closed doors' for both safety and Covid reasons. Six of the ten colts forward were approved with Hollybrooke Jupiter, by Wayland Cranberry, the top colt of the day.

We were lucky in being able to use the sale yard, but the damage was so extensive that the live sale due to take place on 1 June had to be abandoned. The online auction held in the late autumn of 2020 had proved successful, so Southern Counties Auctioneers held a second online auction using the Auctionmarts software under the auspices of the Society and the New Forest Livestock Society. 55 lots were offered, 39 were sold, and some astonishing prices were realised. The highest price was achieved by Knavesash Woodlander, a 7-year-old gelding at £5450. The highest youngstock gelding was Ridley Spirit 3yo, £3750, and the highest youngstock filly was Buckland Melody at £3100.

Covid-19 caused a number of shows affiliated to the Society to be cancelled, and some of the County shows were modified to horse shows only, and this will have an effect on our elite scheme scores. Bath and West was one that took place as an equine show only, with the New Forest champion as Hollybrooke Grace (by Hollybrooke Rambler) and Picket Post Pumpkin in reserve. Three Counties was another that ran as an equine show only, where Brock Bronwen (by Hollybrooke Tinker) was New Forest champion, and Sway Mister Darcy in reserve. The young mare Nutschullyng Ophelia (by Furzey Lodge Neil) took the Novice M&M Ridden Championship.

The New Forest Pony Enthusiasts Club was able to hold one of our elite shows at the New Park showground in early July, where Sway Mister Darcy (by Farriers Finger Print) was the Supreme Champion of the Show. The youngstock championship went to Peronne Lullaby (by Leith Limelight), the Forest-bred in-hand champion was More of the Best (by Moortown Nobby), and Sway Supernova (by Peronne Palaver) was the NF owner/breeder champion. Newcopse Tigger was both ridden and Forest-bred ridden champion. Mallards Wood Jackson was the NPS WHP champion.

At the NPS Summer Championship show, Brock Bronwen took the Shearwater Insurance open ridden NF class, and Highfox Skyfall was the Picton NF champion. Sway Mister Darcy was the champion NF pony in hand, with Furzey To Be Faire in reserve. To Be Faire then went to the WHP ring where he was champion in the Novice M&M WHP not exceeding 143 cm, and then overall Novice M&M WHP Champion.

As ever, the Horse of the Year Show served up our showing season finale, where Foresters gained some excellent results. In the New Forest ridden class, the title was taken by the bay Forest-bred stallion Hilltop Ned (by Brookshill Mustang) who had been sold as a foal by breeder Lucinda Lang at the Beaulieu Road Sales for 'a staggering 20 guineas'. Seven of the dams were Forest-bred, a good indication of how the semi-feral herd is the bedrock of the breed. In second place was Lovelyhill Folklore (he was also fourth in the M&M WHP 143 cm class) and Doorage Olympic Boy was third. At the Royal Cheshire, Peronne The Navigator, a 3-year-old colt, had taken the supreme in-hand championship qualifier and in the Price Family Supreme In-Hand Pony of the Year Championship at HOYS he came in a very creditable fifth place, the highest placed youngster.

The veteran 19-year-old grey pony Fairrose Fantasy came sixth in the plaited 133 cm WHP class. Since 2013 he has won 6 HOYS and 8 RIHS tickets with five different riders, and his current rider Millie Challinor is only in her first year of jumping. Another 19-year-old pony also had an amazing day in the M&M WHP ring. Laura Avery has been trying to win the 143 cm class with the bay stallion Willoway Free Spirit for years – this was their twelfth HOYS ticket – and they not only succeeded but then stood reserve M&M WHP champion.

'Olympia' moved to a new venue where our sole breed representative was Lovelyhill Folklore owned by Penny Sutton and Peter Rowe, and produced and ridden by Vikki Smith. He qualified at the BSPS Heritage Championships in October, adding this ticket to his impressive tally for 2021.

We were hoping to host our biennial meeting of Filial Studbook Societies in conjunction with our breed show, but the many Covid-related travel restrictions made this impossible. Instead, we held two online meeting sessions in late July and then an online plenary session in late October. These were successful and we are likely to incorporate online sessions on a regular basis but it does not beat a live meeting and we are hopeful that our Filial Societies can join us in the UK in 2022.

We were very sorry to lose our Registration Secretary Diane Pitman in the autumn, when she and her husband decided to move their sheep smallholding to Somerset, but she did an excellent job training her successor Ann Hall, making for a very smooth transition.

The repairs to the Beaulieu Road Sale Yard were underway by September but it was soon clear that they were going to take longer than anticipated amid a shortage of materials. This meant that the autumn colt inspections had to be cancelled and hopes were dashed of holding at least one live sale later in the autumn. The market had been lively for the last eighteen months, especially with our smallest foal crop for some years, and the 136 lots achieved excellent prices.

The RBST changed the way they categorise breeds on their Watchlist and the New Forest Pony is now in the amber At Risk category, and the Society is grateful for the grant from the Horserace Betting Levy Board. In what has been another challenging year we are pleased that we have been able to achieve as much as we have, and the Society takes this opportunity to thank our members, owners, and breeders, and our judges and many volunteers for their unswerving support as we look forward once again to a return to a normal year.

Jane Murray, Society Secretary

COUNCIL CHANGES IN 2021

There were no changes in Council membership in 2021.

STAFF CHANGES IN 2021

In October, Registrations Secretary Diane Pitman left as she was moving out of the area. She was replaced by Ann Hall.

HORSERACE BETTING LEVY BOARD GRANT

The Society acknowledges the support of the HBLB through the payment of a grant of £5,000 in 2021-22 in recognition of the breed's At Risk status as a Rare Breed.

RARE BREED STATUS

In 2021 the Rare Breeds Survival Trust began using new methodology for calculating breed status on the Watchlist. In the future, the RBST Watchlist will recognise the importance of having suitable numbers of males to contribute to a breeding programme and will no longer concentrate purely on the estimated number of breeding females. To accurately determine a breed's conservation status both males and females and the degree of inbreeding will now be taken into account. The equine breed currently in the strongest position on the RBST Watchlist is the New Forest Pony, although the breed is still categorised as At Risk in their new categorisation.

ONLINE STUD BOOK

Access to the online stud book is free of charge to members and as such is a valuable benefit of membership. You need your membership number and a password which consists of four lower case letters. If you have misplaced your access details, phone or email the office.

CLOTHING WITH THE SOCIETY LOGO

Clothing with the Society logo can now be ordered direct from the suppliers, from the link on the home page of the website. You have the choice of having the full logo, with the pony, or just the text. Several colours available.

2021 BREED SHOW REPORT

When a lot of other shows were cancelling for the second year running, we were able to go ahead with the Breed Show, but it was not without its challenges.

The New Forest County Show was cancelled and immediately after the NFPEC show New Park was turned into a giant campsite and so the viability of our breed show was in some doubt. We were offered the 'back field' by the show society but had to wait until 19 July to get Covid clearance from our district council, which left us six weeks to organise the show on what was essentially a new venue. The flu vaccination rule caused some problems which were eventually resolved. Then one of the Forest-run stallions (who all live together in a big herd) showed signs of viral illness when he was taken home for preparation, so the sad decision was made to cancel their classes. After all this, there were only a few minor hiccups, and the show was most enjoyable although the second day was unexpectedly chilly and caught many people unawares.

Sway Mister Darcy topped off an excellent season by taking the stud stallion championship on his way to the Supreme Championship, with Furzley Colonnaide, the WHP champion, in reserve, and Furzley Game Faire taking the breeders championship. The ridden champion was Woodrow Invictus, with the novice ridden champion Doorage Forget-Me-Not in reserve. Doorage Olympic Boy was the breed show HOYS qualifier. Woodrow The Warrior and Furzley Faire Way were both the gelding youngstock and overall gelding champion and reserve. Bedeselea Goodyera and Mallards Wood Imagination topped the fillies, and then repeated this in the youngstock championship. The filly foal Wayland Mayberry was foal champion. The mare champion and reserve were both yield mares, Pilleybailey Fascination and Hollybrooke Melitta. Glenbeeche Crystal was Forest-bred champion with Vynnes Spring Time in reserve. Two new cups were awarded in the supreme line-up – Sway Mister Darcy took the Marie Large Memorial Trophy as the highest-placed stud-bred pony, and Glenbeeche Crystal was awarded the Sungold Countess Cup as the highest-placed Forest-bred pony.

As always, the Show would not be possible without the help of a lot of amazing volunteers and we would like to take this opportunity to say an enormous thank you on behalf of the Show Committee, especially in the strange times we have all been experiencing, to the stewards, announcers, helpers, judges and exhibitors; the Show would not happen without you. We hope you will all continue to support us in whatever way you can for the 2022 Show.

Hilary Palmer, Show Director

Stallion Turnout Dates 2021

Out Monday 19 May

In By Monday 12 July (could start coming in from Monday 5 July)

HORSERACE BETTING LEVY BOARD GRANT

HBLB issued a press release in June 2021 setting out how non-thoroughbred rare breed societies will benefit from funding from the Horserace Betting Levy Board (HBLB) in 2021, with grants awarded in accordance with HBLB's statutory objective for "the improvement of breeds of horses". As well as the significant investment made in the interests of the thoroughbred, for many decades HBLB has sought to protect and enhance specified British rare breeds via grants to societies to support their pure breeding programmes. The range of breed societies assisted has varied from time to time, and HBLB now takes advice from the Rare Breeds Survival Trust (RBST) on which native British breeds on the RBST Watchlist are most in need of help. The HBLB grants are used to support breed improvement programmes. This can include premium payments to encourage pure breeding of quality bloodlines, genetic analysis, gene banking, DNA testing, registration subsidy, licensing fees, stallion fertility testing, artificial insemination schemes, maintenance of the breed stud book, support for breed shows and show judge training. The individual societies are required to add 20% from their own resources to fund their programmes. In addition, HBLB backs the annual Rare Breeds Heritage Show, now being managed by the RBST.

As in previous years, the Society has used the HBLB grant to support the semi-feral herds and reward quality breeding of semi-feral ponies by allocating it to the Forest Stallion Premiums and Forest Fed Premiums, although unfortunately the latter could not be awarded this year.

FOREST-RUN STALLIONS - 1st Class Premium

Following the unfortunate cancellation of the Forest-run Stallion classes at the Breed Show, the Council agreed to pay First Class Premiums to all those stallions entered in the classes as follows:

Brookshill Major II	Mr Eric Dovey
Bunny II	Mr William Chatley
Bullhill Major	Mrs Suzanne Kempe
Cadland Masterplan	Mr J F Greenwood
Cameron Luck of The Irish	Mrs Kathleen Clarke
Carterstone Cufflink	Ms Erika Dovey
Fidleywood Falconer	Mr Alex Humble
Knavesash Gold Fever	Ms Kate Robb
Knavesash Polaris	Mr P and Mrs A Pidgley
Knavesash Nightfall	Ms Kate Robb
Limekiln Shamrock	Mr Mike Eccles
Lovelyhill Hendrix	The Forest Stallion Syndicate
Lucky Lane Rollo	Mrs E M Gerrelli
Lucky Lane Pegasus	Mrs E M Gerrelli
Lucky Lane Warrior	Mrs E M Gerrelli
Mallards Wood Law and Order	Mr Robert Maton

Portmore Thunder Cloud
Sturtmoor Top Hat
Walhampton Scholars Farewell
Wellow Vivaldi

Messrs J & M Gerrelli
Mrs Hazel Quinn
Mrs Clare Bates
Mr Alex Humble

2021 FOREST FED COMPETITION

Unfortunately, the continuing Covid-19 restrictions in early 2021 meant that the 2021 Forest Fed Competition had to be cancelled, and no premiums could be paid.

2021 POINT TO POINT RESULTS

Veterans, Ponies Part-Bred

1st	Deepmoor Golden Virginia	Bob Mansbridge
2nd	Ramnor Charlies Angel	Rachel Smith
3rd	Byfleet Nicky	Brenda Henney

Veterans, Registered New Forest Ponies

1st	Staghill Polar Flight	Katie Macey
2nd	Ashdene Rowel	Tina Campbell
3rd	Burley Dunedin	Denise Leyland
4th	Longwater Lucy	Jimmy Haynes

Children, Aged 10-13 Years

1st	Warren Trail Layer	Sonny Lovell
2nd	Staghill Rocket	Cassidy Francis
3rd	Buttslawn Beaufort	Taggie Wagstaff
4th	Howen Sloe Gin	Amy Good
5th	Highfox Hermione	Erin Dovey
6th	Crabbswood Serena	Hugh Humble
7th	Pigbush Joseph	Connie Battersby
8th	Amberslade Duke	Ryan Luker

Children, Aged 14-16 Years

1st	Oakwood Jester	Rowan Cranton
2nd	Lovelyhill Final Settlement	Honor Humble
3rd	Lyndhurst Goldrush	Kaitlin Fryer
4th	Hollybrooke Annie II	Francesca Webb
5th	Lindwude Byzantium	Peter Gregory
6th	Rowdown Emeli	Isaac Lovell
7th	North Hollow Myrtle	Millie Francis
8th	Brookshill Starlight II	Milly Cavanna

Young Commoners

1st	Kilncopse Gina	Amelia-Mae Long
2nd	Nightingale Thunder	Natasha White
3rd	Lovelyhill Gentle Touch	Laura Armstrong
4th	Ipersbridge Eclipse	Daisy Slocombe
5th	Fritham Utopia	Sophie Grimes
6th	Copper Ridge Bramble	Carla Wateridge
7th	Brookshill Bandit	Holly Wilde
8th	Doorage Flashman	Ines Mitchell

Ladies, Ponies N/e 15.2hh

1st	Nutschullyng Bewitched	Erika Dovey
2nd	Rowdown Union Jack	Louise England
3rd	Firpound Tims Little Treasure	Elycia Farnish
4th	Bigwig Lucy Locket	Rhiannon Gibbs
5th	Ramnor Joe	Ellen Chambers

Open Ponies N/e 15.2hh (Colthunters)

1st	Longslade Skipper	Colin Moore
2nd	Hawksberry	Ben Mansbridge

Heavyweights

1st	Woottonheath Herbie	Mark Adams

Novice New Forest Ponies Odd Numbers

1st	Mockbeggar Jethro	Lauren Hawkes
2nd	Rowdown Rumer	Erika Dovey
3rd	Vicars Tremolo	Libby House
4th	Crabbswood Cyclone	Donna Savery
5th	Allandale Duke	Zahra Webb
6th	Farriers Foxtrot	Elizabeth Elks-Smith
7th	Furzey Lodge Tarquin	Emma Clark
8th	Brookshill Pipalong	Katie Mathews

Novice New Forest Ponies Even Numbers

1st	Brock Boudicca	Stephanie Davies
2nd	Lucky Lane Promise	Mitchell Robinson
3rd	Rowdown Tarragon	Bethany White
4th	Sandhole Brandy Snap	Rebecca Dunn
5th	Rushmoor Roly	Georgina Hunt
6th	Willoway Double O Seven	Martine Harding
7th	Bunny II	Maisie Rose

Open New Forest Ponies

1st	Janesmoor Jasper Conran	Anita Smith
2nd	Janesmoor Paco Rabanne	Andrew Luker
3rd	Daniels Rhythm	Lucinda Lang

POINT TO POINT 2021 REPORT

The planning of the 2021 point to point was very frustrating for the organising committee, with a considerable amount of uncertainty as to whether it could ahead that was not resolved until just a few weeks before Boxing Day. Consultations and dialogue with Forestry England and Natural England had been ongoing for over a year, the Habitats Regulation Assessment had been completed and complied with, but FE did not grant a licence until mid-December. Vehicle passes were limited to 250, so with two per competitor, plus officials, very few were available for public distribution. It had been thought that this would lead to a smaller crowd, but an estimated 500-600 turned out and braved the wind and rain, with many of them walking from the car parks at Wilverley, to the finish near Markway. Fortunately, the rain cleared up throughout the morning, and the event was most successful.

The meeting place was at Bolderford Bridge with the start for the short races at the base of Holm Hill, where the starter was Sam Dovey. Course setter John Adams led the three-milers to their start at Poundhill near the bridge at Queen's Meadow. There were 77 entries across 9 races.

Deepmoor Golden Virginia ridden by Bob Mansbridge had raced previously in the Colthunters race five times but recorded their first win in the shorter Veterans part-bred race. In the Heavyweight race, Mark Adams and Woottonheath Herbie has now raced five times for five wins. In the Open New Forest race, full siblings Janesmoor Jasper Conran and Janesmoor Paco Rabanne were first and second, ridden by Anita Smith and Andrew Luker respectively. Jasper Conran has raced seven times for seven wins, firstly in the novice in 2013, then six times in the Open from 2014-2021.

Various members of the Dovey family were racing in red colours in memory of Eric Dovey who passed away in the autumn, and was renowned for his racing ponies under the Yewtree prefix, many of them from the Slipper line. Eric last raced in 2018 when he won the Veterans race on Warren Trail Layer, and the pony this year was ridden to victory by Eric's grandson Sonny Lovell in the younger children's race. This was the pony's third win, each in a different race, 2015 – 14-16, 2018 – Veterans, 2021 – 10-13. He was 2nd over 3 miles in the Open in 2019. Three more of Eric's grandchildren were also placed in their races, Honor Humble riding Lovelyhill Final Settlement was second, and Isaac Lovell on Rowdown Emeli was sixth in the older children's race (won by Rowan Cranton on Oakwood Jester), and Hugh Humble was sixth in the younger children's race. Eric's daughter Erika Dovey won the Ladies race on Nutschullyng Bewitched for the second time running, and having come third in 2018, won the President's Cup for the best First Cross for a third time in succession.

Special thanks must be recorded to James Young and Trudy Nineham who headed the organising committee and a large team of 80 people who officiated at the event in various ways. This includes the car parking crew, race judges, entries secretary, starters and mounted stewards, measuring stewards and the vets from Seadown Equine, stewards panel, best turned out judge, scales, doctor, address system and commentator. Jaybee Safety gave additional advice on safeguarding and H&S in order to comply with licence requirements. Once again, we are most grateful to our headline sponsor Pennyfarthing Homes for their continued support over so many years. Other sponsors were Weston's Country and Equine Store and Active Tree Care who donated prizes, and the New Forest Inn Emery Down, the Trusty Servant Minstead and the Red Shoot inn Linwood who all generously supported the medical provision.

HOW TO TRAIN YOUR RACE PONY

By Young Commoner Honor Humble

Hi I am Honor, I'm 15 and I ride a New Forest Pony called Lovelyhill Final Settlement (Finn) who my mum bred. He is by Applewitch Pure Magic out of Yewtree On-High. Finn is 14 hands and although I'm really tall 5'10, he is a tank of a pony and carries me all day. In the past I've competed in dressage and a little showing which he did really well in (his big brother Lovelyhill Folklore went to HOYS and Olympia this year so Finn has big shoes to fill).

This winter I set myself the challenge of competing in the New Forest Boxing Day Point to Point. It would be Finn's first attempt and I wasn't sure how he would get on. I spent the winter trail hunting with various packs and often I am the only person on a pony but Finn takes on the biggest fences and has jumped everything I have asked of him even gates, rails and hedges. He just loves it. He is often admired by other riders because of his lovely roan colour (blue roan is my favourite colour!) Because he has such a thick native mane it takes me over an hour to plait him but I always want him looking smart and I take great pride in his turnout.

It takes a great deal of work and commitment to get a pony fit for the point to point. My brother Hugh and I went out in the dark with head torches after school to ride out and build up our ponies' fitness. We are lucky enough to live in the New Forest so the ponies are used to the terrain and have run out on the Forest as youngsters.

After a very dry autumn this December has been really wet and Boxing Day was terrible weather. We rode out in the area Mum thought the finish might be on Christmas Eve and I am so glad we did as she picked the right place which was up a long hill to the finish line. When the starter of the race said we could go I was determined to go for it. The going was really heavy and we had to go over a slippery bridge, through clay and avoid holes. Finn loved it I was up in the top 3 and he just galloped and galloped. I think the hunting this winter really helped his fitness and I just kicked on. My friend Rowan Cranton was in front of me in the leading pack. Finn steamed on and had lots of running, finishing second and really strong. I was so proud of him and myself and knew my Grandad who recently died and who had bred Finn's dam would be smiling down at us. My brother and I rode in Grandad's colours of red and black in tribute to him.

Finn and I are hoping to do some more racing in 2022 and I am planning to race him on a proper racecourse at Larkhill, Salisbury in the New Forest Hounds Point to Point charity race – I cannot wait I just need to keep him nice and fit. Finn is such a special pony and loves to be busy doing a job.

2021 ANNUAL PERFORMANCE PONY COMPETITION

1st Moneyhills Pageant (Y54/234)

Sire: Wayland Cranberry, Dam: Burley Rumour

Owner and Breeder: Mr Sam & Mrs Helen Dovey

Rider: Erin Dovey

Golden Gorse Cup for Overall Winner

Merrie Cup for Best Owner Rider

Lomondside Trophy for Best Owner Breeder

Toby Versatility Tankard

Show Jumping Cup

Dressage Tankard

Best Junior

1st Novice

700 points

2nd Brock Braithwaite (G54/057)

Sire: Hollybrooke Tinker, Dam: Brock Baccarat

Breeder: Mr James Young & Trudy Nineham

Rider: Becca Robinson/Dan Sansom

WHP Tankard

2nd Novice

250 points

3rd Rushmoor Rough and Tumble (S48/530(G))

Sire: Knightsway Billy Boy; Dam: Rushmoor Rough Diamond

Breeder: R & J Stride

Owner and Rider: Miss Wendy Howes

Woody Woodpecker Trophy for Best Forest-Bred

240 points

4th Fernyknap Beechnut (G49/102)

Sire: Pondhead Pan-Shine; Dam: Powdermill Brambling

Breeder: Andrew Napthine

Owner: Mrs Jane Laird. Rider Daphne Laird

3rd Novice

168 points

5th Willoway Lion King (G51/162)

Sire: Willoway Minstral; Dam: Mercury Amy (M31/381)

Breeder: Mr & Mrs C Large

Owner: Mrs Joanna Hicks. Rider Amelia Hicks

125 points

PART-BRED PERFORMANCE PONY OF THE YEAR COMPETITION

1st Rowdown Union Jack (53XG006)

Sire: Lovelyhill Hendrix; Dam: Rowdown Rio

Breeder: Erika Dovey

Owner and Rider: Miss Louise England

Stafford Tankard, Best Part-Bred

Knightwood Shield, Most Versatile Part-Bred

195 points

2021 ANNUAL PONY PERFORMANCE COMPETITION AND PART-BRED COMPETITION

Not surprisingly, only a few entries were received, as quite understandably, many people were not out competing much, with the continuing interruptions and uncertainties from the Covid-19 pandemic. Many shows and other equestrian events were cancelled, making it difficult for riders to plan a competition campaign, but for our 2021 winner that certainly did not apply. She began competing in June and can have had hardly time to draw breath for the rest of the year. This is 13-year-old Erin Dovey, who competed on her parents' home-bred pony Moneyhills Pageant. They did quite a bit of jumping, and Erin was a member of the New Forest Pony Enthusiasts Club junior team that won the 80cm competition at the British Riding Clubs National Championships, with Erin coming 6th as an individual from 80 competitors. They also competed in BRC, PC and affiliated dressage and also some hunter trials and eventer trials.

Another Forest-based pony competing for the first time in this competition was Brock Braithwaite, owned by Trudy Nineham and James Young, who came in second place. He competed mainly in WHP classes, and wins the WHP Tankard, but also did an eventer trial and a BRC one day event.

Wendy Howes from Northumberland has been a stalwart entrant in this competition for a few years now, winning the Forest-bred Woody Woodpecker Trophy on Rushmoor Rough and Tumble for her achievements in BD medium dressage.

Another pony competed by a junior rider was the Forest-bred Fernyknap Beechnut, ridden by Daphne Laird from Kent. Members of West Kent Meopham Pony Club, they competed at individual and team showjumping, dressage, and did two Pony Club one day events and an eventer challenge. They also competed in the 80cm showjumping championship final of the Sunshine Tour at Hickstead.

Amelia Hicks from Wiltshire has entered before on Willoway Lion King, and they made the best of a truncated season by competing in Avon Vale Pony Club arena eventing. They also competed at the NSEA national championships at Keysoe in both area eventing and showjumping teams.

Rowdown Union Jack, owned and ridden by Louise England, was the only entrant in the Part-Bred competition, having done a mixture of WHP, showing and showjumping, where they qualified for the senior 80cm championship at the Hickstead Sunshine Tour. They rode on a number of the autumn Forest drifts and went drag hunting with the South Downs Bloodhounds. Their year culminated in a second place in the Ladies Race in the Boxing Day Point to Point.

With the lifting of all the Covid-19 restrictions in the spring of 2022, we can hope for a return to normal levels of competition, and we look forward to receiving many more entries for the 2022 competition. All details are on a separate page.

INTERNATIONAL MEETING OF FILIAL STUDBOOK SOCIETIES, HOSTED BY NFPBCS, BY ZOOM, JULY 2021

We had made a few provisional arrangements to host a live International Meeting based around the breed show, but very early on in the year it became apparent that the ongoing Covid-19 travel restrictions meant that this would not be possible. As we had all gained so much experience of using Zoom over the preceding year, it was a straightforward decision to use that method to hold the meeting. We knew that it would be a very different experience for all of us, and while we were very much looking forward to welcoming representatives from all our European filial societies, the pandemic had other ideas. We felt that we had to make the best of this new opportunity, knowing that it might become a regular feature, although it will never beat meeting together. We met through our screens in two sessions at the end of July and worked our way through two busy agendas.

In Meeting One, the main topics covered were:

- Delegates from UK, Finland, France, Germany, Netherlands, Norway and Sweden each gave a brief overview of their current breed situation. The common comment was that the current market is very lively with high demand, which is somewhat surprising given the Covid pandemic. Breeding numbers have generally declined.
- Geographical Territory of each filial society and extensions of breeding programme. This issue came to light in the Brexit negotiations.
- Third Country Listing of EU filial societies in the UK.
- PSSM1 status reports from each country and a general discussion on the PSSM1 Policy. The PSSM1 Breeding Policy (Chapter 16 in the Breeding Programme) was accepted by the meeting.

In Meeting Two the main topics covered were:

- The Breeding Programme, and each filial society was asked to send a copy of their own breeding programme to NFPBCS by end 2021.
- Stallion Licensing, with an emphasis on type.
- Golden Wonder – status of the 2012 statement.
- Myotonia Breeding Policy.

In late October a Plenary Meeting was held to confirm the Minutes. The Golden Wonder Statement was approved as Chapter 17 of the Breeding Programme (printed elsewhere in this Annual Report). Further discussion arose on the continued use of the myotonia carrier Kantje's Ronaldo for breeding (via assisted reproduction).

In December a Zoom meeting was held with representatives of the Dutch Board (with some other filial societies as observers) to continue discussions on the myotonia policy.

PSSM1 STATUS REPORT, JANUARY 2022

After four years of testing:

Breeding Males

220 tested, all clear except:

Manor Boy of Howen, Blackwell Flashman, Blackwell Romany, Blackwell Jonathan, Gatebridge Rag Time;

Crabbswood Zanussi, Furzey Lodge Zennica, Rushmoor Huntley.

No additions have been made to this list since testing began.

Mares and Geldings

373 tested.

Of which 165 are from the affected stallion lines (as above), and of these 63 are positive. 62 have tested n/P1, and only one pony has tested P1/P1.

Many of the clear mares have progeny which are now 'clear by parentage', ie, they do not need testing as both parents have tested clear.

62 foals born in 2021 (13% of the foal crop) were identified as being 'clear by parentage'.

Positive mare line

Following information from Sweden, where Buckland Kelly tested n/P1, a line going back to the mare Skylark of Sowley was identified in 2020. 10 ponies have been tested, with 2 positive.

2020-2021 PERFORMANCE GRADES

Understandably, many people have not been able to compete as much as they would have liked over the last two years, so the list below is much smaller than normal. We hope that 2022 can see a return to normality and we look forward to seeing many more people claim their performance grade awards. Full details of how to do so are given on a separate page further along in this report.

Dressage Grade 1 - Prelim Test

TILEBARN MARYS SON G51/455
Sire: Portmore Prince (S46/050)

Ms Sarah Small
Dam: Mary's Midnight (M45/343)

HIGHFOX SKYFALL S55/154
Sire: Samsons Spy (G45/120)

Mrs Diane Hadwen
Dam: Rainy Day Girl (M35/519)

WILLOWAY HIGH SOCIETY M52/180
Sire: Willoway Minstral (S39/037)

Mrs Diane Hadwen
Dam: Willoway Harry's Hope (M41/467)

Dressage Grade 2 - Novice Test

TILEBARN MARYS SON G51/455

Ms Sarah Small

HIGHFOX SKYFALL S55/154

Mrs Diane Hadwen

Dressage Grade 3 - Elementary Test

TILEBARN MARYS SON G51/455

Ms Sarah Small

Eventing Grade 4

ALLANDALE MISTY S47/256(G)
Sire: Moortown Nobby (S38/030)

Mrs Barbara Ward
Dam: Allandale Grey Mist (M46/303)

NEW FOREST FIRST FOR RBST GENE BANK

We are very pleased to report that the RBST's native equine Gene Bank has received its first New Forest stallion, Knavesash Talisman. The 7-year-old was bred by Kate Robb and is owned by Julie Fisher of Chesterfield. Julie had decided to take advantage of an offer from Stallion AI Services for collections from native ponies and kindly agreed to let him stay on for Gene Bank collection.

Knavesash Talisman's bloodlines on the dam side are very 'old', his dam-sire is Penny Farthing who goes back to Broomy Slipon-Telegraph Rocketeer; and his dam-dam line goes back to Typhoon of Blackheath-Wychwood Tornado-Tinkerbell, and Moorbridge Silver-Moorbridge Victory. Talisman's sire is Applewitch Pure Magic, so on the sire side this is the very widely-used Peveril Peter Piper line which goes back to Burton Starlight, Brookside Spitfire and Goodenough, and on the dam side to Slipper.

Before buying Knavesash Talisman, Julie had had experience of Foresters, firstly with her sister's unregistered pony and then from a livery yard, where she was asked to break in a mare and a colt. Unfortunately, a fractured pedal bone put an end to Julie's showing hopes for the colt, and feeling a bit down, she started to look on social media for a replacement. She was delighted when Kate agreed to sell her Talisman as a weaned foal, and he enjoyed a most successful showing season as a yearling. Following his stallion licensing, Julie used him for breeding purposes, but he was badly kicked by a mare landing her with a hefty vet's bill. Then Covid hit and there were no shows, so when Julie saw the offer from Stallion AI Services she decided to invest in him, and while he was there RBST offered additional funding to the Gene Bank collection.

The Society is also working with West Kington Stud who hold some semen taken in 2002 in a project organised by the New Forest Pony Publicity Group. The aim is to transfer that semen which reaches the correct criteria to the RBST Gene Bank as well. There is also an ongoing project working with the Verderers in 2022 to take semen from the Forest-run Stallions, which will also be added to the Gene Bank.

THE NORTHERN NEW FOREST PONY SUPPORTERS' GROUP 2021

It was lovely to get quite a few new competitors taking part in this year's northern points competition. Having enjoyed a successful and busy season, our Overall Champion was Furzley To Be Faire, who also won the Versatility cup, and the Championship ribbons for the in-hand and WHP sections. He was shown by Kirstie Wright, with her other ride Furzley Colonnaide in Reserve.

The Forest-bred Champion was Blueberry Bryn owned by Shelley Finlan, who also stood champion of the dressage section; reserve Forest-bred went to Rebekkah Fisher and Denny Flash. Novice champion and also champion of the ridden section was Highfox Skyfall who was competed very lightly, but successfully by Jo Jack, in this his debut season. Reserve novice was Whiteladies Question Time and Sally Strachan, who has just taken over the ride on Quest.

Winner this year of the newcomer award (aimed at those just starting out competing their Foresters) was Karen Corr and her own Furzley Vanity Faire; the pair enjoyed success at a number of shows. The junior champion was Mia Sharrock, who started her showing career off the lead rein this season on the diminutive Highfox Hope. Reserve went to Rebekkah Fisher with Denny Flash. It is really super to see some young Supporters coming through and enjoying their ponies.

Sadly, there were no part-bred and limited youngstock entries this year; hopefully these sections will be better supported next time around. Well done everyone who took part.

SECTION WINNERS

Jumping

1st Furzley To Be Faire Kirstie Wright; 2nd Furzley Colonnaide Kirstie Wright; 3rd Furzley Fitzpatrick Julie Moxon

Ridden

1st Highfox Skyfall Jo Jack; 2nd Furzley To Be Faire; 3rd Lomondside Jade Pat Rennie

Dressage

1st Blueberry Bryn Shelley Finlan; 2nd Lomondside Jade Pat Rennie; 3rd Whiteladies Question Time Sally Dumbleton

In-hand

1st Furzley To Be Faire; 2nd Highfox Heaven Sent Diane Hadwen; 3rd Lomondside Jolene

Youngstock

1st Buckland Amulet Julie Fisher

Utility Pony

1st Furzley Vanity Fair Karen Corr; 2nd Highfox Hope Mia Sharrock

The Supporters' Annual Show back in May seems a long time ago now, but culminated in another successful day for 'Team Furzley', Kirstie Wright and her niece Annie Aston-Wright who took both in the hand and ridden championships with Furzley To Be Faire and Furzley Colonnaide respectively. Entries were down on previous years and it became obvious that the current venue at Solihull is too far south for some of our more northerly members. For 2022, we are going to have a ring at NPS Area 4's spring show at Camden Equestrian Centre on 24 April.

For more information about or to join the NNFPSPG please contact gwensawyer@hotmail.co.uk

BREED SOCIETY SPECIAL ROSETTES AWARDED AT AFFILIATED SHOWS, 2021

In the summer of 2019, the Council reviewed show affiliation to the Society for 2020 shows, and substantially increased its offer to four rosettes for a single affiliation fee. Office procedures were completely overhauled, with a new form designed and a new recording form set up which makes auditing the number of rosettes sent out much easier. Several new shows were approached, and take-up was most pleasing. Then, of course, lockdown hit, and most shows were cancelled. Affiliation fees, in nearly all cases were rolled over to 2021, but several shows were not able to run in 2021 either. Some rosette winners are listed below, and we hope that 2022 will see a full return to showing, enabling our competitors to win our lovely affiliated rosettes once more.

Bath and West	Hollybrooke Grace
Three Counties	Brock Bronwen
NFPEC	Peronne Lullaby, Newcopse Tigger, Sway Mister Darcy
NPS Summer	Sway Mister Darcy
NPS Great British In-Hand	Furzley To Be Faire, Peronne The Navigator, Highfox Heaven Sent
NPS Area 4	Vynnes Vitality
Royal Lancashire	Backley Blue Danube
Devon County	Peronne Notorious
Northern Supporters	Portmore Corporal, Furzley To Be Faire

NEW FOREST LIVESTOCK SOCIETY REPORTS OF ONLINE AUCTIONS

Beaulieu Road Online Auction June 2021

With the uncertainty earlier in the year due to COVID and government regulations, it was decided the Spring auction would be online following in the footsteps of the first successful online auction in December 2020. This auction was organised in conjunction with the New Forest Livestock Society, NFPBCS and Southern Counties Auctioneers. The auction was open to all registered New Forest ponies and part-breds registered with NFPBCS, plus other breeds that had been depastured on the open Forest by commoners. This enabled those sellers from across the country, who were eligible to enter, to take part in this online auction and an opportunity for buyers, who may not be able to make a sale, the ability to be able to bid on any of the lots. The auctioneers created an easy-to-read online catalogue from their website detailing guidelines on viewing, collection, and transfer of all paperwork for the lots presented for the auction.

A good entry of 55 lots were put forward with 40 being fully registered New Forest ponies varying from youngstock to older animals which included a good entry of New Forest fillies and mares which are much sought after. Buyers had a good selection to choose from. The top four animals sold during this spring online auction were: Knavesash Woodlander, by Brock Buttons, a 7-year-old gelding owned by Nicola Denness reached £5450, which is a record price for the Beaulieu Road sales. This strong bay gelding, already backed to ride caught the eye of many potential buyers throughout the bidding process. Beverley Molter's bay 3-year-old gelding Ridley Spirit, by Rushmoor Dalesman did not disappoint either, fetching £3750. A strong bay gelding who has already started his education into his next stage of his career, Beverley who has bought foals previously from the Beaulieu Road sales to bring on and educate, said he 'caught' her eye that day as a foal and was now, 'very pleased to be supporting the online event with him' to start his next stage of his life. Buckland Melody, a 2-year-old filly by Buckland Skyline and owned by Kate Adams attracted much interest and sold for £3100. Hollyhatch Highlander is a homebred 2-year-old gelding bred by Kate Ingram, out of a registered New Forest mare Willoway Annabelle by Caradon Cracker, a Thoroughbred stallion sold for £3000.

Prices during this auction reflected the quality and demand for the New Forest Pony and what they have to offer. This breed has an amenable temperament, versatility to multiple disciplines, hardiness, strength, and sure-footedness.

Beaulieu Road Online Auction – ending Thursday 25th November 2021

The New Forest Livestock Society sadly had to cancel the two sales planned for October and December due to the ongoing sale yard reinstatement work from a fire in April. These two sales were replaced by a third online auction run in conjunction with Southern Counties Auctioneers and The New Forest Pony Breeding and Cattle Society. The auction was open to all registered New Forest ponies and part-breds registered with the NFPBCS plus other breeds that had been de-pastured on the open forest by commoners. This enabled those sellers from across the country, who were eligible to enter, to take part in this online auction and an opportunity for buyers, who may not be able to make a sale, the ability to be able to bid on any of the lots.

A good entry of 135 lots were put forward with 90 being fully registered New Forest ponies. Entries in the fully registered New Forest section varied from both Forest-Bred and stud foals; a strong selection of yearlings / two and three old youngsters to several older animals. It was a good mix of fillies, colts and geldings, buyers had a good selection to choose from.

The top prices for the fully registered New Forest section included:

Sunnyside Skylark by Lucky Lane Rollo, owned and bred by Katie Luker reached £3150 - a strong Forest-Bred six-year-old grey gelding broken to ride.

Hollyhatch Duchess II, Kate Ingram's home-bred bay three-year-old filly by Hollyhatch Huntsman fetched £2100.

Lovelyhill Peaky Blinder, a grey three-year-old gelding by Willoway Dancing Gold sold by Roxanna Thomas in Wales at £3000.

Longslade Juniper Berry, a black two-year-old gelding by Walhampton Scholars Farewell sold by Samantha Reece for £3000.

Rushmoor Huntsman, a bay two-year-old by Rushmoor Dalesman sold by Martine Harding for £3000.

Sway Saint Tropez, Luke Blomfield's home-bred bay yearling filly by Sway Supernova £2500.

Buckherd Rocking Around by Lovelyhill Hendrix, black yearling gelding, bred by Diana Kitcher, £1150.

Sabina's Nightingale, Sabine Andree-Parsons home-bred bay filly foal by Sabina's Gold Sovereign, topped the foals at £1500.

Rowhill River Dance by Fidlewood Falconer, Alan Ingram's buckskin Forest-Bred colt was to the top colt foal reaching £1050.

The proceeds from the sale of Rowhill Patience (£580), owned and bred by Alan Ingram, have been donated to the charity 'Naomi's House', a generous donation to a very good cause.

The online auction proved to be popular with prices reflecting the quality and demand for the New Forest Pony and what they have to offer. This breed has an amenable temperament, versatility to multiple disciplines, hardiness, strength, and sure-footedness. Dates for the planned live sales at Beaulieu Road are published further in this report.

THE GRASSROOTS DATABASE JOURNEY

Grassroots has provided software to breed societies for over 20 years and has been supplier to NFPBCS since 2008. 2021 was a particularly busy year, with the roll out of the first iteration of the new Grassroots Online Registry, to replace the old PedeWeb. This was the culmination of three years of work and the first visible part of the journey. There are three people working full time on the software developments and there are new iterations of the system on the way.

Generally, the new system has been very well received. There have been almost 200,000 separate visits to the new system, over 125,000 'Manage My Animal' transactions and 42,000 births recorded in the past six months (these are all non-equine). Grassroots has tried to react quickly to any problems as they were identified and incorporate ideas into the next iteration which is already well on the way.

Some members have asked 'what is it all about' and so by way of explanation:

The old system had to change because it was almost 20 years old and could not incorporate many modern features. It was never designed for use on a phone.

Grassroots has created a new database, which is going to eventually provide us all with many new tools and features, and in 2021 they spent a great deal of time tidying the data for each breed in turn and migrating them into the new database. Almost all the breeds have now been migrated, a total of nearly 4 million animal records!

In order for farmers/equine breeders to access this new database, Grassroots Online was written as an initial replacement for PedeWeb. It needed to work with the existing office system, provide all the tools farmers were used to and incorporate the limitations of the old system and the opportunities for the new.

The next iteration of the Farmers Online system to be rolled out in 2022 will have a number of new features. It will be more interactive, and will work better on a phone, although there will always be limitations of accessing the Online Registry website on a phone, because there is so much data to display and manipulate.

EDUCATIONAL ACTIVITIES

As a registered charity, the Society has a legal requirement to show that it has an educational programme. The cancellation of the New Forest Show for the second year running meant that we were not able to hold our usual display stand there.

The Secretary has assisted a number of university students with the provision of information about the breed.

In October, at the request of the Young Commoners Group, Jenny Tillyer supported by Jane Murray led a session looking at pony passports, registrations, microchipping, PSSM1 and colour genetics.

HEALTH AND SAFETY

A Covid-specific Risk Assessment was carried out for the May Colt Inspections, special guidance notes written, and all those attending had to complete a Contact Tracing form.

Once Covid restrictions were lifted in mid-July, the Breed Show was able to go ahead without the need for any Covid-specific requirements.

Julie Brown of Jaybee Safety gave additional H&S and safeguarding advice needed to secure the licence to run the point to point.

REPRESENTATION ON OTHER BODIES

Jane Murray is Secretary and Executive Committee member of the 826 Equine Studbooks Association. All meetings were held remotely by Zoom during 2021.

Jane Murray is a Committee Member of the Central Prefix Register.

PONY OBITUARIES

GREENCOTTAGE AMBASSADOR S38/056 (1995), s. Peveril Peterborough, d. Gosden Prickle, bred and owned by Fiona King

Fiona and everyone at Green Cottage were terribly sad to lose Greencottage Ambassador - our beloved Toby in the summer. At 26, Toby was our first homebred pony to bear the Greencottage prefix, and he was a true ambassador for the breed all his life. He had a long and successful career in the show ring, representing the breed at both the Horse of the Year Show and Olympia, and displayed his jumping talent in working hunter and showjumping classes, and competing in the Knightwood Challenge at the New Forest Show. He was a Performance Tested Stallion, having gained Dressage Grade 1 and Showjumping Grade 3.

He retired from competition for a quieter life schooling and hacking at home and continued his stud duties all his life. He sired a total of 42 offspring, including the stallion Fijal Jupiter, and some excellent part-bred ponies. In 2020 he was awarded the Stallion Progeny Silver Grade. Toby was a true gentleman, a delight to work with, and a pleasure to ride and handle. His legacy lives on in the next generations, but he leaves very big shoes to fill. We will miss him.

OBITUARIES

The Society records with sadness the passing of:

Eileen Ellis, who with her late husband George Ellis, bred the Canford ponies.

David Plascott of Dibden Purlieu who bred mainly part-bred Arab ponies.

Ann Perry of Brockenhurst, who with her late husband Stan, bred the Oakapple ponies.

Sandra Noble (nee Ralphs), who rode and competed many ponies throughout her life, memorably Mr Andre (Pony Personality in the 1974 Annual Report) who was given to her for her 21st birthday with whom she won hundreds of rosettes including pony racing and point-to-point. She also bred the Waterford ponies.

Ray Readhead, Commoner from Holbury who bred the Ashdene herd of Forest-run ponies.

Allan Robertson – from Herefordshire, a member of our Judges Panel, who judged the breed regularly over many years. He was a very well respected and highly knowledgeable judge and long-time supporter of the National Pony Society. He bred, owned and showed a number of breeds including Hacks, Riding Ponies, Fells and Welsh.

Reverend Peter Murphy of Lyndhurst and Fordingbridge, who enjoyed the Forest life on his retirement from parish duties, although he continued to officiate at many Forest funerals. He bred the Vicars ponies, and rode on drifts and in the point-to-point.

Barry Allen, steward at the Breed Show for 33 years.

Sheila Naphthine, from Hounsdown, from an old commoning family, she bred the Sandhole herd of Forest-run ponies.

Marie Large who with her husband Clifford, founded the Willoway Stud near Wimborne, based around their foundation stallion Peveril Peter Piper, who was foaled in 1979. They registered their first Willoway foal in 1981 and over 270 ponies have carried the Willoway prefix.

ALBERT STRIDE 1926-2021

Bert was born in Woodlands, Netley Marsh in 1926, the youngest of four children, he was brought up by his grandparents at Brook Bushes in Bramshaw, where he recalled the grand meet of the Buckhounds at Fountain Court, home of Sir George Thursby. Bert started work aged 14 in late 1939 for the Home Grown Timber Production Company, helping the war effort in the making of railway sleepers and charcoal for ammunition, and in 1942 was called up and saw active service in France, Belgium and Germany. After the war he joined the Forestry Commission where he was a crawler driver, timber cutter and forest craftsman. He married Vera Penny in 1948 and lived at Pikes Hill until 1954, when they moved to Denny Lodge where they were to live for the rest of their lives. They milked a cow, kept pigs and were active commoners, building up the Pikeshill herd of New Forest Ponies, which he kept until his death. One of Bert's proudest moments was when his riding horse Tan, won the annual Forest Point to Point Colthunters race three years in succession. Tan won this race six times in all and was second twice, this record has not been equalled to date. He was Vice Chairman of the Commoners Defence Association and was always a staunch defender of common rights, both he and Vera were honoured to have been made life members of the CDA. Albert leaves his daughter Ann, and three sons John, Richard and Raymond, nine grandchildren and fourteen great grandchildren, many of them still involved in commoning. As his funeral cortege took Albert on his final journey from Denny to the cemetery at Lyndhurst, the family were honoured to see

the route lined with commoners, his local Agisters in their uniforms and Forest workers who had all taken the time to pay their respects. It was particularly fitting that the FE staff were stood opposite Matley Inclosure, which Albert and his son Richard had fenced and planted 52 years previously. He was buried with his hoe and Tan's hoof.

ERIC DOVEY

Well-known farmer, commoner, nature lover, pony breeder and New Forest point-to-point champion Eric Dovey passed away in the autumn at the age of 70, having been a resident of Beaulieu for most of his life. Born in November 1950 at Warren Farm, Bucklers Hard, to parents Hugh and Ann Dovey, Eric was one of eight children, with six brothers and one sister, they later moved to Culverley Farm. He married his first wife Wendy Smith in 1976 and they made their home at Warren Farm, where they welcomed children Kerry, Hugh and Erika. He later married his second wife Denise and had two daughters, Samantha and Kimberley.

Eric was given a grey mare for his 21st birthday by his auntie Margery and continued to breed and keep New Forest ponies for the rest of his life. Around 250 ponies were registered with the Yewtree prefix, and he bred a slew of stallions, Wild Side, Driftwood, Ride-A-Way, Ice Man, Soldier On, Gallipoli, many of them sons and grandsons of Hopalong of Yewtree and Ride-On of Brickworth, with prodigious amounts of Slipper blood, which made their progeny much sought after for their speed in the point-to-point races. Eric rode numerous times himself; the last occasion was in 2018 when he won the Veterans.

In 2006, Eric left the New Forest and moved to Ireland, where he lived for six years, before returning to Peartree Cottage near Beaulieu. Sadly Eric was diagnosed with a brain tumour in February 2020, but fought hard against the illness and continued to breed his beloved ponies and enjoy walks in the Forest. He gifted a pony to each of his grandchildren and was proud when his stallion Brookshill Major II was selected into the Verderers' Stallion Scheme to run on the Forest. Eight members of his family rode their ponies in the funeral cortege from Culverley Farm to Beaulieu Road, with many Commoners lining the route.

SOCIETY NOTICES

STALLION INSPECTIONS 2022

Please contact the office with the colt's details if you would like a 2 or 3 year old colt inspected.

Saturday 9 April, Beaulieu Road

Saturday 24 September, Beaulieu Road – if there is sufficient demand

MARE GRADING

Saturday 24 September, Beaulieu Road – if there is sufficient demand

ELITE SHOWS FOR 2022

Northern Supporters Group, combined with NPS Area 4 – 24 April

New Forest Pony Enthusiasts Club Show – 15 May

Royal Bath & West, 2 – 4 June

Royal Three Counties, 17 – 19 June

New Forest, 26 - 28 July

NPS Summer Championships, 2 – 4 August

Equifest, 18 - 20 August

Breed Show, 27 and 29 August

Royal International Horse Show 26 – 31 July
Horse of the Year Show 5 – 9 October
Olympia 15 – 19 December

BREED SHOW

Closing Date for Entries – 1 August
Saturday 27 August – Stallions (in-hand and ridden), Ridden Performance
Monday 29 August – In-Hand

ANNUAL GENERAL MEETING 2023 – Friday 24 March 2023

BEAULIEU ROAD SALES 2022

The New Forest Livestock Society confirm provisional dates for the 2022 sales to be held at the Beaulieu Road sale yard as follows:

Wednesday 1st June
Thursday 22nd September
Thursday 27th October
Thursday 1st December

In these continuing 'uncertain' times, these dates are subject to any changes in government legislation, and any changes in regulations that will need to be adhered to ensure compliance and a safe sale premises. Dates are also subject to the reinstatement works at the sale yard being complete.

BARRY ALLEN

Barry started his Ring Stewarding 33 years ago in the West Ring collecting ring at the New Forest Show. After his first year it was felt that Barry was far too good to stay there - he took to stewarding like a duck to water, and with the training team he never looked back. As a steward he did many jobs, rosettes, cups, you name it he did it! He was a 'backroom boy'- he should have been a senior steward - Barry's answer to that was "No, I stay with the team". As the years went by he took over the Show Ring to do the M&M HOYS classes. Barry's job was to check all the mark sheets before going to the office. He had a head for maths and could spot an error a mile off. Barry travelled with me abroad when I was judging, he stewarded with me and everyone loved him. Barry always looked forward to the Breed Show, he did so many jobs and it was one of his favourite shows. He was also treasurer and cup steward for the NFPEC show which we ran for six years. This is just a few things he did for local shows. Thanks my friend I will miss you.

Mike Saunders. Aug 2021

MALLARDS WOOD LAW AND ORDER S57/113 (2015) s. Peronne Palaver, d. Teacake, breeder and owner Robert Maton

Photo credit: Suzanne Kempe

*Cranesmoor Cup – Judge's Report by Gill Wright
Winner: Mallards Wood Law and Order Reserve: Lucky Lane Warrior*

On the whole, I feel the Society can be pleased that the overall quality of the foals, has in my opinion, gone up considerably. In most cases the foals were a definite improvement on their dams. I found it difficult to decide between the top two stallions. I felt the quality of the mares in Brockenhurst was higher than at Holmsley and the forage easier to come by and these are obviously factors to consider but at the end of the day you have to judge what is in front of you. Both stallions produced well-grown foals of very good type and excellent well-formed limbs. The foals had plenty of chest room and stood 4-square a lot to like from them both.

HILLTOP NED S55/172 (2013),

s. Brookshill Mustang,

d. Hilltop Daisy.

Breeder Lucinda Lang.

Owner Karyn Thomas.

Rider Elena Thomas.

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME – CHAPTER 17

GOLDEN WONDER – STATEMENT IN ANNUAL REPORT 2012

A letter was sent in December 2012 to all our daughter stud books reminding them that as from 1 January 2013 progeny from mares with over 6.25% Golden Wonder blood will no longer be allowed in the main section of the New Forest Stud Book and will not be recognised as pure bred new Forest.

This means that the extension of time of an extra three years given for these special category mares to breed down to the desired level of Golden Wonder, came to an end on 31 December 2012.

Approved by the International Meeting 29 July 2021/28 October 2021 as Chapter 17 of the Breeding Programme

NEW FOREST PERFORMANCE PONY OF THE YEAR COMPETITION

The aim of this competition is to encourage owners of registered New Forest ponies to take part in a wider range of competitions and activities, wherever they happen to live.

*** Stunning rosettes ***

*** Generous cash prizes up to £50 depending on entries ***

*** 11 cups to be won ***

Cups and rosettes to the highest placed ponies in the following categories: Jumping,

Dressage, WHP, Most Versatile, Driving

Special rosettes to best three novices

Cup and rosette to best pony bred on the Forest

Cup and rosette to best pony bred by the owner

Cup and rosette to the best stallion

Prize for best junior rider

Scoring categories: Driving; Jumping – affiliated and unaffiliated; ODE; Combined Training; Hunter Trials; Handy Hunter/Handy Pony; Working Pony – BSPS, M&M affiliated; unaffiliated; Dressage – affiliated and unaffiliated; Ridden Showing; New Forest and M&M Ridden Showing; Family/PC Pony; Le Trec; Racing; Endurance; extra points for championships; extra points for competing at county level and breed show; bonus points for other activities eg hunting, pony club camp, long distance rides, etc.

The points table has been revised and updated to more accurately reflect the wide variety of disciplines in which New Forest ponies now compete. It looks a bit mind-blowing, but don't worry – it's actually best if you leave the points claimed column blank and we'll complete it.

Exhibitors must be fully-paid up members of the Society.

All ponies must be registered New Forest ponies, four years or over, correctly transferred to the entrant.

All ponies must be entered in their correct registered name.

The competition runs from 1 January to 31 December in the current year.

Juniors not to have attained their 18th birthday by 1 January in the current year.

Entry forms, full rules and points table available from the office or the website

NO NEED TO GET SIGNATURES OF OFFICIALS ON THE SCORESHEET

THE KNIGHTWOOD PART-BRED PERFORMANCE COMPETITION

OPEN TO X-REGISTER, PART-BRED AND FIRST CROSS PONIES

Two trophies and rosettes

Ponies must hold passports issued by the Society, or passports which have been over stamped by the Society.

Exhibitors must be fully paid-up members of the Society.

The standard score sheet is used.

PERFORMANCE GRADES 2022 – DRESSAGE AND EVENTING

This applies to both pure-bred and part-bred New Forest ponies

DRESSAGE GRADES can be achieved in two ways:

1. Submission of test sheets – for Dressage Grade One and Grade Two
2. Submission of BD record.

SUBMISSION OF TEST SHEETS FOR DRESSAGE GRADE ONE (PRELIM) AND DRESSAGE GRADE TWO (NOVICE)

1. Submit FOUR original Prelim test sheets, or FOUR original Novice test sheets.
2. You must achieve Dressage Grade One first although tests at both levels can be ridden at any time.
3. The minimum score on each sheet must be 65%.
4. The tests may be any combination of Prelim test numbers or Novice test numbers.
5. The pony must be entered under its full registered New Forest stud book name, and this must be clearly written on the test sheet.
6. The judge must be a BD Listed Judge. Their name should be clearly printed on the sheet so that this can be checked. The judge's signature must be on the sheet.
7. Any sheets not filled in correctly will not be accepted.
8. Tests may be ridden at any event, provided that it is a BD listed judge, so this could be, for example, an unaffiliated competition, BD affiliated, BD Quest, BD British Native Pony Series, NPS, BRC.
9. Ponies must be four years of age or over and hold a valid NFPBCS passport in the name of the current owner.
10. Send your test sheets with the £10 administration fee per level to the address below. When your sheets have been verified by the Grading and Elite Committee, they will be returned to you with your rosette and sticker for the grading page at the back of the passport.
11. Rolling dates are now being used, so as soon as you have your four sheets send them in.
12. By submitting your test sheets you are expressly agreeing to all the terms and conditions set out above.

DRESSAGE GRADES BY BD COMPETITION RECORD

BD points may be used to grade ponies. Ten BD points are required at each level for grading. Once a pony has achieved 5 points at a higher level, it is assumed to have graded at the lower level. Please submit a printout of your pony's BD Competition Record and the £10 administration fee, for verification by the Grading and Elite Committee, and award of the rosette.

EVENTING GRADES

Grade 1 is for 5 BE Foundation Points; Grade 2 for 15 FP, Grade 3 for 25 FP, and Grade 4 for 35 FP and above. Applicants are asked to submit a print-out of their BE record and a £10 administration fee. As soon as the record has been verified by the G&E Committee the rosette will be awarded.

WILLOWAY FREE SPIRIT S45/075 (2002), s. *Pevenil Peter Piper*, d. *Mercury Amy*.
Breeder: *Mr & Mrs C A Large*. Owner and rider *Laura Avery*

Laura's dreams finally came true when 19-year-old stallion Willoway Free Spirit, topped the line-up of the M&M working hunter pony 143cm championship at the 2021 Horse of the Year Show, having qualified at Stoneleigh Horse Show, their first show of the year. Laura has owned the stallion for eight years, and this was their 12th HOYS ticket.

"He was bred by Maria Large of Willoway Stud who sadly passed away this year," said Laura. "I produced him for a couple of years for her and then she sold him to me. We've been trying to get this title for years. Thankfully, the course suited him today – it was a bit more open and free-flowing. It's just luck of the day when you get here."

"He hasn't done a lot this year because he qualified at his first show and then I did Lincoln to give him a run and then Royal International," she said. "He got really bored over lockdown because I chucked him out with the cows – he was miserable and bored. He hates sitting in the field doing nothing, he loves to be out at his parties and I'd miss him too much. He's still as cheeky as ever."

Alongside showing, 'Spirit' also events and won the Mitsubishi Motors Cup at Badminton in 2017. "We live on a farm and don't have a school, so we mostly just hack around the farm and go and borrow a friend's arena and have a few lessons with eventer Michael Jackson," explained Laura. "People ask me how I keep him in such good nick, but it's down to having good conformation. He's an utter sweetheart and we'll keep going as long as he's happy to do so."

Photo courtesy Laura Avery

***HAYWARDS FIELDMASTER G47/271 2005, s. Lovelyhill Uplift , d. Sowley Grey Mist,
Forest-bred by Peter & Mandy Pidgley; owned and ridden by Sophie Hayward
Photo credit: © Kevin Sparrow Photography***

Sophie & Erik are pictured winning both the Medium Freestyle to Music and Advanced Medium Freestyle to Music, BD dressage at Chard.

“A dream come true...I still remember the day he came trotting out from behind a gorse bush as a foal and saying to Alun he would do amazing things in dressage and that clinched it, so we bought him! He was a lovely youngster to break and have to bring on.” Alun Humphreys & Liz Suter

“Erik was always a stunning pony with an incredible medium trot and I could see he had a natural ability and the capacity to do great things. When Sophie came along I knew instantly they were a perfect match. It has been a true delight to watch their partnership blossom” Lindsey Hilton.

“Every person who has had a part in his life has made Erik the wonderful pony he is today!”
Sophie Hayward

LOXLAND AMAZING GRACE M53/326 (2011) s. Applewitch Pure Magic, d. Sabinas Northern Light, breeder Mr & Mrs J Moxon, owner and rider Emma-Jane Dobson
 Loxland Amazing Grace ridden by Emma-Jane Dobson represented Suffolk at the UK Armed Forces Championships at Bury Farm; although the smallest pony competing, she stood 1st and 2nd in the Prelim dressage on day one. On day two, she won the 70cm show jumping, with the only double clear over a tricky course. She then came 4th in the 80cm, with another double clear.

At the end of August at the Forces Equine Games at Arena UK, Grace achieved 1st and 2nd in her dressage tests before going on to achieve 2nd and 3rd in her combined training classes along with a second and fourth in her showjumping classes. Proving what a fabulous all-rounder she is, she then achieved 7th in the handy pony in a very loud evening gala, galloping out with Emma Jane carrying Union flag for her finale!

TWO VETERAN PONIES WHO GREW UP TOGETHER STILL GOING STRONG

BLACKWELL CLOVIS S37/188(G) (1994) *s. Manor Boy of Howen, d. Crystal Sunset, bred by Jenny Tillyer; owned by Vicki Kirkcaldy and competed by Frankie Webb.*

“Clovis isn’t a show pony, he’s a family pony that has been a best friend to many children over the years and tried pretty much every equestrian discipline going. At 27, he does take life a bit easier nowadays but he loved his party weekend at the Veteran Horse Society Championships...placed in every class, not a single jumping fault all weekend. Made his elementary debut in the ‘strictly fancy dressage to music’ having previously never done higher than a prelim test, and, as his rider Frankie was Mary Poppins, didn’t bat an eyelid about having a kite flown or riding with an umbrella up!

Photo credit: Vicki Kirkcaldy

SPRATTSDOWN JETSAM G37 (1993),
s. Weirs Harry II, d. Sprattsdown Candlelight, bred by Mrs M Tillyer; owned and ridden by Kate Brown. ‘Jesse’ still enjoys the occasional outing, and is pictured with his breeder, former Society President, Peggy Tillyer, who celebrated her 90th birthday in 2021.

2021 BREED SHOW RESULTS

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2021

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where one part-time assistant is employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net incoming resources for the year amounted to £10,242. This increases the total reserves at the year end to £299,670 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2021

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 2nd February 2022 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2021 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2021 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 2nd February 2022 and signed on its behalf.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2021

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2019), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2021

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2021

A Company limited by guarantee registered in England & Wales with No:3421046. Registered Charity
No:1064746

TREASURERS REPORT 2021

The accounts show a net loss of £2,301, a slight improvement on last year (loss of £4,305).

In this financial year, due to COVID, we were unable to meet for our AGM or hold the Point to Point. We were able to hold the Annual Show although lower than normal receipts did result in a slightly higher than normal financial loss.

Subscription receipts (£19,013) are up on last year (£17,202) which hopefully indicates activity returning to normal levels. This also reflects efforts by office staff to ensure members are paying correct subscription charges.

The Society received further furlough funding of £1,178 (2020 £3,149) which helped to reduce losses.

Computer support & repairs are increased by approximately £1,200 due to computer upgrades and office re-organisation.

The Society's investments have performed better than expected although investment income is down slightly on last year.

Gains on the sale of investments are up from last year (£471) to £1,486.

The market value of investments increased from £256,440 to £269,742 although of course this is subject to future market fluctuations.

It is encouraging to see a small improvement in the accounts and the Society remains in a strong financial position.

THIS MEETING IS BEING HELD UNDER THE SPECIAL PROVISIONS IN THE CORPORATE INSOLVENCY AND GOVERNANCE ACT 2020. THIS NOTICE WILL FORM PART OF THE MINUTES OF THE MEETING

NOTICE IS HEREBY GIVEN that the TWENTY-FOURTH ANNUAL GENERAL MEETING of the above named Company will be held remotely by electronic means (Zoom) on Friday 26 March 2021 at 7.30 pm for the following purposes:-

AGENDA

1. Obituaries

2. Apologies

3. To confirm the Minutes of the Twenty-Second AGM held in 2019 (circulated in February 2020), and to confirm that the Twenty-Third AGM, due to be held on Friday 20 March 2020 was indefinitely postponed owing to the Covid-19 pandemic and the various restrictions which prevented physical meetings.

4. Matters arising from the Minutes. Any items should be sent in writing at least seven days before the meeting.

5. To adopt the 2020 Annual Report and Statement of Accounts. Any questions regarding the annual accounts should be sent in writing to the office at least seven days before the meeting.

6. The Council 2021

As a result of the 2009 amendment to Society Rule 7, 6 Members of the Council are due to retire by rotation and the Council should consist of 18 members.

Members due to retire by rotation in 2021 are: Miss N Stephens, Mr J Young, Mr S Dovey JP, Miss H Whetren, Mr L Blomfield, Mrs W Gover Fromm. All are willing to stand again and have been duly nominated and seconded.

There are no other nominations.

No election is necessary.

7. To appoint Stephenson & Co. Chartered Accountants, as accountants.

8. To appoint Ms Laura Trigg BVSc, MRCVS, CertAVPEq and Ms Hannah Buteux BVetMed, BSc (Hons), MRCVS as the Society's Honorary Veterinary Surgeons.

9. To appoint Ms Kerry Dovey Whiting, LLB Hons PG.Dip, Associate Moore Barlow LLP, as the Society's Honorary Solicitor.

10. To confirm Mr Robert Maton as President for 2021 and to confirm Mr John and Mrs Wendy Adams as President Elect for 2022.

11. Any Other Business – any items should be sent in writing to the office at least seven days before the meeting. No questions can be taken during the meeting.

Hon Sec: *Jane Murray*

Please send all correspondence to the above address.

If you would like the Council to discuss a particular issue, please write or email as above.

The objects for which the Society is established are: to encourage the preservation and breeding of the best type of New Forest ponies; to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book; and to hold an annual show for the encouragement and improvement of the breed of New Forest ponies. Having due regard to the Charity Commission's public benefit guidance, the Society presents its financial accounts and this report on its activities in 2020, in which it sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

CHAIRMAN'S REPORT

Sadly, we have had very few activities this year but our team that ensures the efficient running of the Society has continued to do a fantastic job coping with minimal office hours and working from home. Your Council has continued to meet on a monthly basis via the wonders of Zoom, with the benefit of having virtually a full turnout each time, even if they were sitting at a desk in Scotland or Exmoor, or finishing off evening stables in Sway!! The Society also had a busy year updating all the documents required for a smooth transition through Brexit and we were particularly pleased to be awarded Third Country Status before 1 January 2021. This means that our breeders can trade with the EU with minimal complications. Our fully updated Breeding Programme is published here and is available on the website for you all to peruse. We hope that as many as possible of you will attend our 'virtual' AGM via zoom and look forward to a more normal 2021. Let us have lots of positive thoughts towards being able to run our breed show as well as host the International Meeting for the filial studbooks in this country too.

Suzanne Kempe, Chair of Council

COUNCIL CHANGES IN 2020

There were no changes in Council membership in 2020.

SOCIETY SECRETARY'S REPORT

All of us who have come through 2020 will remember it forever, as the Coronavirus causing Covid-19 caused a world-wide pandemic. Normal life as we knew it came to a standstill as government restrictions were imposed and the work of the Society was impacted accordingly. In January we watched on aghast as the first news came out of China of a new virus for which no cure or vaccine was available and to which no-one had immunity, and throughout February the news worsened. Fortunately, the stud book had gone to print on time and the Annual Report

was posted out to members within the correct timeframe for the AGM on 20 March. At the March Council meeting the AGM was discussed, and it was hoped that it would be able to go ahead with some modifications, but on Monday 16 March the decision was taken to postpone the AGM and abandon Forest Fed judging. Diane and I began to make arrangements to access emails from home and limit the number of days spent in the office.

Few of us will forget the Prime Minister's dramatic address to the nation on the evening of Monday 23 March – the lockdown was on. This meant that the colt inspections on 4 April were cancelled and it was very sad that the New Forest Show was unable to go ahead when it was due to celebrate its centenary. Horse show after horse show was cancelled; a few hopefully postponed to late summer dates, but still had to be abandoned.

During the last week of March decisions needed to be taken on a number of items left unfinished by the abrupt closing of Society business brought about by the lockdown. The Society, along with all others, had to find a new solution to conduct its business. Hardly anybody had heard of Zoom before but we all soon became experts. The Resources Committee held some trial runs and then the full Council soon joined in and all meetings continued in this way for the rest of the year, and no doubt, for a good part of next as well, as we all adjust to the 'new normal'.

A number of unusual decisions had to be taken in the spring/summer 2020 in the context of Covid-19 restrictions. The initial lockdown coincided with the naturally quietest period of Society work and it was thought that routine passport maintenance work would slow down considerably, so the Society took advantage of the Government's Coronavirus Job Retention Scheme, and the decision was taken to furlough the Registration Secretary on a three-weekly rolling basis, and this continued until July. Plans were put in place to keep the Society office open in a Covid-secure way, even though this meant reduced staffing as the busy registration season began.

Under the Government Covid-19 restrictions in the first national lockdown, vets were only able to do emergency work and eight five-year-old stallions, were unable to complete the vetting requirements before 30 April 2020. It was agreed that given the quite extraordinary and unprecedented circumstances, their current licences would be extended until 30 April 2021.

During May, decisions were required on whether to commit expenditure to keep the Breed Show on the road, but then we were informed by the New Forest Show Society that the showground would not be prepared, and with the other restrictions that would be required, the sad decision was taken to cancel. Shortly afterwards, as restrictions eased over the summer, New Park was turned into a giant campsite as visitors descended on the New Forest in their hordes and it was sad and shocking to see fragile and rare habitats trashed and abused by so many who did not appreciate its special qualities.

The only event that was able to go ahead was a colt inspection at Beaulieu Road in September, necessarily held behind closed doors. Writing the risk assessment, the additional Covid guidelines and the contact tracing forms was an arduous task, but everyone stuck to the rules with good humour, and it was a successful morning, undoubtedly helped by the fine weather.

As restrictions tightened again in the autumn, only a limited number of drifts were held, and only in those areas of the Forest where there were foals. The registration season was intense with only one person working in the office at a time, but it was helped by a surprisingly buoyant market. All the autumn Beaulieu Road sales were cancelled but an innovation was a most successful online auction. Sadly, the traditional Boxing Day Point to Point was another casualty of the pandemic, as the number of spectators could not be limited on public land.

The Society is extremely grateful to all our trustees, judges, breeders, owners, members and volunteers for their unwavering support and patience in this strangest and most challenging of years, and we all remain hopeful that 2021 will be better.

Jane Murray, Society Secretary

HORSERACE BETTING LEVY BOARD GRANT

The Society acknowledges the support of the HBLB through the payment of a grant of £4,000 in recognition of the breed's Category 5 (Minority) status as a Rare Breed.

RARE BREED STATUS

In 2020 the Society retained its Category 5 status (Minority) (1500 - 3000 breeding females) on the Rare Breeds Survival Trust's Watchlist.

REGISTRATION DATES AND FEES 2021

All breeders should ensure that they have read the document 'Registration Guidance and Fees for 2021 Foals'. By signing the Registration Application Form, you are confirming that you have read and understood the document, and accept the terms and conditions.

The final date for submission of forms, as set down in the Equine Identification (England) Regulations 2018 is **30 NOVEMBER 2021**.

It is very important that all entrants for all Beaulieu Road Sales are registered as early as possible, so that there is sufficient time for the passports to be made up before the sale.

Registration fees for members remain at £12 for pure/part-bred foals until 30 November 2021. ID-only passports remain at £15, and are available to members only.

COMPULSORY MICROCHIPPING OF ALL EQUINES

The Equine Identification (England) Regulations 2018 required that all horses in England (apart from those covered by the New Forest semi-feral derogation) were microchipped by **1 October 2020**.

It is now expected that at all Society events and competitions, with the exception of the Forest-Fed competition, all ponies will be microchipped. No award will be made to a pony that is not microchipped in accordance with the law.

All entrants to Beaulieu Road Sales must be microchipped. This covers both foals and all other ponies of whatever age, in all the sections. Please ensure that the number is reported to the Society and recorded on the database before the sale.

ONLINE STUD BOOK

Access to the online stud book is free of charge to members and as such is a valuable benefit of membership. You need your membership number and a password which consists of four lower case letters. If you have misplaced your access details, phone or email the office.

CLOTHING WITH THE SOCIETY LOGO

Clothing with the Society logo can now be ordered direct from the suppliers, from the link on the home page of the website. You have the choice of having the full logo, with the pony, or just the text. Several colours available. More lines will be added as requested.

EFFECTS OF THE COVID-19 PANDEMIC ON THE ACTIVITIES OF THE SOCIETY.

Owing to the government restrictions imposed during the pandemic, the following Society activities and events all had to be cancelled:

ANNUAL BREED SHOW

BOXING DAY POINT TO POINT

ANNUAL PERFORMANCE PONY COMPETITION

MARE GRADING

PERFORMANCE GRADES – none were awarded.

These cancellations, along with the elite shows, meant that the Elite Scheme was not able to function as normal and so it is not possible to award any **SILVER AND GOLD GRADES**, either for Progeny or Performance.

FOREST STALLION AREAS 2020

Bunny II	Bay	Bratley – Stoney Cross
Cadland Masterplan	Grey	Canterton – Stoney Cross - Sluffers
Fidleywood Falconer	Bay	Hale
Knavesash Gold Fever	Ch Roan	Longdown, 2 June back of Decoy

Portmore Downpour	Bay	Penn Common
Sturtmoor Top Hat	Bay	Hilltop, 18 May Marchwood Inclosure/Ipley;

Turnout Dates in 2020

Monday 11 May to Monday 22 June. They could start to come off from Monday 15 June.

HORSERACE BETTING LEVY BOARD GRANT

The HBLB's own overall grant was lifted, so it was able to increase grants to individual societies. The Society's grant was raised from £2,750 to £4,000. A society in receipt of a grant must make a contribution of 20% from its own funds and must support its breed improvement programme in line with HBLB guidelines, with an emphasis of stallion and mare premiums. As in previous years, the HBLB grant has been used to support the semi-feral herds and reward quality breeding of semi-feral ponies by allocating it to the Forest Stallion and Forest Fed Premiums, as listed below.

FOREST-RUN STALLIONS - 1st Class Premium

2020 FOREST FED COMPETITION

Forest Fed judging had to be abandoned part-way through with the imposition of the government Covid-19 restrictions in the first national lockdown. Judges that were able to get some judging done commented that they had had some lovely mares to look at and the owners had put in effort to present them and it would be a shame if this all counted for nothing. The Council therefore agreed that those mares that were judged would be paid their premium and all other entrants received a full refund of entry.

FUTURITY SCHEME

At the September Colt Inspection three colts who had been in the grazing were approved for licensing: Limekiln Shamrock, Mogshade Quarryman and Brookshill Major II. The Verderers Grazing Scheme generously funded additional grazing time necessitated by the pandemic. We are grateful for the continued support of the grazier who offered land so that these colts could run together.

DIONIS MACNAIR MBE RETIRES AS VERDERER

The first woman to serve on the Verderers Court, Dionis retired in November 2020, a few months after her 90th birthday. She was elected in 1973 and she served continuously, apart from a three-year break, for nearly half a century, under eight Official Verderers. She has a long and wide-ranging expertise on Forest ways, but has naturally been a strong advocate for the New Forest pony. Lord Manners said: 'Dionis is rightly renowned for her knowledge of the New Forest pony. However, she brought more than that expertise to the deliberation of the Court. She was remarkably well informed on a wide range of subjects. Her often forthright views were tempered by great common sense'. The Society congratulates Dionis on her long and dedicated service to the Forest and wishes her well in her retirement.

NORTHERN NEW FOREST SUPPORTERS GROUP REPORT 2020

In spite of the unprecedented circumstances of 2020, members of the Northern New Forest Supporters Group have gone out and done their bit and continued to fly the flag for the Foresters in the North. Across the north of England and Scotland, our members have seen success across disciplines, including showing (actual and virtual), dressage, show jumping and eventing. So despite most major shows being cancelled this year we still have plenty to report.

Kirstie Wright and Furzley Colonnaide started the year by winning the ridden silver medal championship at NCPA Staffordshire, he also contended his first RIHS working hunter pony class coming second. After a break during lockdown, Colonnaide was successful in the show ring over the summer, winning his section of the novice workers at the BSPS championship show and taking the reserve championship. He also achieved success eventing, finishing 3rd at Offchurch One Day Event.

Mandy and Alan Key managed to attend two shows this season with their home bred yearling Kauri Into The West, including the Three Counties Show where he won his class and then took Reserve Champion M&M. He also won at their local NPS show.

Jo Jack enjoyed dressage success with the Highfox Stud's recently broken 7-year-old stallion Highfox Skyfall, winning and moving up the levels from Intro to Novice over the summer. He won his first series championship at Novice level in October; he qualified for the NPS Supreme Dressage Championships in the process at Prelim and Novice.

Diane Hadwen's Willoway High Society (a broodmare until 2019), has shown an aptitude for dressage competing consistently at Intro to win every time out and the series championship; she scored over 70% to come 2nd in a dressage to music competition and qualified for the Crow Wood Dressage Championships at Intro and Prelim.

Highfox Faith and the part-bred Trenley Tomorrow (Philippa Hadwen) contested a few competitions; Faith competed at Prelim, Novice and Elementary with good scores to finish 2nd, 2nd and 4th respectively; Tomorrow won three out of three Intro competitions and was reserve Intro series champion.

Amelia Dumbleton's Buttslawn Charisma has moved up to Novice level dressage this year and had a number of good wins before Lockdown. They were Junior Champions at the very competitive Calderdale Saddle Club, but actually beat the adults on two occasions and on one managed the highest score of the day!

Furzley Fanfaire (champion mare and reserve supreme at the 2019 Breed Show) and Furzley Mayfaire have had a fantastic 2020 eventing season, competing at two unaffiliated events and five affiliated events and seeing both mares stepping up to BE90. Fanfaire achieved double clears and finished on her dressage score at all of the events she contested, coming 1st in her 90 debut at Offchurch. Mayfaire also saw eventing success and only rolled 2 poles all season. Both mares have enjoyed a rest having both gone double clear at the final events of the year BE90 at Norton Disney; Fanfaire has recently come back into work and has enjoyed going out with the Readyfield Bloodhounds.

In Lancashire Gwen Sawyer's daughter Mia, aged 9, and the diminutive Highfox Hope, made the most of Lockdown to move onto riding together off the lead rein, without Mum's help, in preparation for first ridden; they had lots of fun together. They also competed in the NPS online show coming 5th and 6th and winning two lovely rosettes.

Barbara Ward's Allandale Misty, ridden by Charlie Donaldson, has had great eventing success this summer, competing in three affiliated BE events, winning Skipton Horse Trials BE90, on their dressage score. In August, they came 3rd at Richmond BE ODE and 8th at Frickley Hall, meaning they will be contesting the BE Regional Final next year. Barbara has been a long-time Supporter, now retired, she still trains Misty herself and does his fitness work and still competes herself on occasion. They recently had a successful day unaffiliated show jumping.

In other news for the first time ever the Northern Supporters Show was cancelled due to Lockdown and sadly the annual Supporters' Christmas lunch was a casualty of the Covid restrictions. We hope to be able to reinstate both in 2021. The Northern Supporters show classes will run alongside NPS Area XI's annual show at Solihull Riding Club on 23 May 2021. The Points Presentation and Christmas lunch will be on 5 December 2021.

Membership: all paid up 2020 members will have their membership rolled over to 2021; to join the group or for information on our annual points competition please contact Gwen Sawyer: gwensawyer@metronet.co.uk
Philippa Hadwen

BREED SOCIETY SPECIAL ROSETTES AWARDED AT AFFILIATED SHOWS, 2020

In the summer of 2019, the Council reviewed show affiliation to the Society for 2020 shows, and substantially increased its offer to four rosettes for a single affiliation fee. Office procedures were completely overhauled, with a new form designed and a new recording form set up which makes auditing the number of rosettes sent out much easier. Several new shows were approached and take-up was most pleasing. Then, of course, lockdown hit and most shows were cancelled. Affiliation fees, in nearly all cases, have been rolled over to 2021. Some shows have already announced that they will not run in 2021, but we have to hope that most will be able to run and that our members can get out and enjoy winning our Society special rosettes.

NEW FOREST LIVESTOCK SOCIETY REPORT – ONLINE AUCTION

Like other organisations, 2020 was a challenging year for the New Forest Livestock Society with all the planned sales cancelled due to the COVID-19 restrictions. This is probably one of the first times in history no sales have taken place at the sale yard for an entire year. This left the NFLS with a challenge of how to support the New Forest Commoners who rely on using the sales for their stock.

With careful consideration and planning from both the NFLS and Southern Counties Auctioneers, the idea of an online timed pony auction was conceived. The NFLS worked closely with the auctioneers to adapt the sales and provide an opportunity for the New Forest Commoners to market their stock in line with the aims of the Society. This of course did not come without its complications and strict regulations, which meant having to narrow down entry criteria to support New Forest Commoners and their stock.

The NFLS Directors and committee members worked hard to create terms and conditions that ensured a sale could go ahead and ultimately help Commoners find some wonderful homes for their ponies during these unprecedented times. Unfortunately, the second lockdown in November did hamper the original date set for the online sale and, again after much consideration, it was moved back a month to meet the changing pandemic regulations.

The auctioneers created an easy-to-read online catalogue from their website detailing guidelines on viewing, collection, and transfer of all paperwork for the lots presented for the sale. The NFLS was truly fortunate to have a volunteer within the local community who was able to build and manage a page on Facebook to help promote the online sale entries and answer queries, working alongside the auctioneers. With all the hard work of many, the online sale was a thriving success with some fantastic ponies available with prices reflecting their quality.

A small entry of 29 ponies were entered in the Online Auction which included three fully registered New Forest filly foals who all attracted attention and some fierce bidding with prices ranging from £1220 to £980. The New Forest registered colt foals did not disappoint either with top price of £1300. There was also a small number of New Forest registered youngstock with the top youngster making £2060.

Although a great new revolution for the sales, the NFLS, along with the local Forest community, are all looking forward to the normality of being gathered around the sales ring again at Beaulieu Road. Having experienced this online sale, the NFLS will not be ruling out future online sales. 2021 sale dates are currently being worked on and will be available on the New Forest Livestock Society website once agreed nfls.org.uk.

Microchipping - The NFLS held a successful microchipping morning in October for commoners. Appropriate social distancing requirements were put in place to meet the government regulations which included people given time slots to attend. Many thanks to Jonathan Gerrelli for organising and to all helpers on the day who made this event happen.

Finally thank you to Kate Readhead, who stepped down as Secretary for the sterling work she did for many years. Katie Herbert has taken up the role.

Lucinda Lang, Chairman, NFLS

EDUCATIONAL ACTIVITIES

As a registered charity, the Society has a legal requirement to show that it has an educational programme. Owing to the three national coronavirus lockdowns and the continuing need for social distancing throughout the year, none of the usual live events such as our stand at the New Forest Show could take place this year.

HEALTH AND SAFETY

Guidelines had to be written and measures put in place to make the Society office Covid-secure, following the government's guidance.

Covid-specific Risk Assessments written by other national equine organisations were reviewed for the breed show, which quickly identified that it would not be possible for the show to go ahead.

A Covid-specific Risk Assessment was carried out for the September Colt Inspections, special guidance notes written, and all those attending had to complete a Contact Tracing form.

A Covid-specific Risk Assessment was written for the Point to Point, but Forestry England was unable to grant a permit as the number of competitors would have been above those allowed by the government restrictions.

STAFF AND TRUSTEE TRAINING

In March, Suzanne Kempe and Laura Trigg attended the National Equine Forum, one of the last live events of the year.

In November, with the second lockdown, Grassroots switched their training workshops to webinars, with Jane Murray and Diane Pitman logging into several of them. A special webinar was held for Council members, with several of our members logging in.

REPRESENTATION ON OTHER BODIES

Jane Murray is Secretary and Executive Committee member of the 826 Equine Studbooks Association. All meetings were held remotely by Zoom during 2020. A considerable amount of time was dedicated to zootechnical functions and to the impact of Brexit on the equine world.

James Young is the Society representative on the New Forest Consultative Panel.

PONY OBITUARIES

APPLEWITCH ROAN FANTASIA NFM46/320, 2004-2020, s. Applewitch Pure Magic, d. Wayland Prima Donna. Breeder Mr A and Mrs K Bailey

Fanny was the favourite of all our Magic foals, she had the sweetest nature always willing and kind, the perfect family pony, showing in hand for Alan, competing under saddle for Anna Heslop (our daughter), Forest hack and fun pony for me until I was 72 years old. We showed her at county level with success, she qualified for the Picton first time out, won many championships including the Royal at Stoneleigh, the Royal Cornwall, the NPS summer championship show to mention some special memories.

The second part of Fanny's life was her brood mare phase. We wanted to use new bloodlines and Wayland Golden Harry had frozen semen available at West Kington Stud which we decided to use. This was successful and Applewitch Adonis was born, a huge roan friendly colt. Heidi Whetren kindly took Fanny to the mare grading where she was reserve best mare and this is the last rosette we ever won with her. Heidi then took Fan on loan, breeding Brookwood Fandango. Fanny then came home for a while but sadly due to our ill health and age it became necessary to find her a loving permanent home and much to our relief Caroline Smith from Willoway Stud was pleased to adopt her. It seemed we had gone full circle as our original roan mare Marydore Apple went to Willoway and her first foal by Peveril Peter Piper was Applewitch Pure Magic our stud stallion and Fan's sire.

Caroline was very kind and kept us well informed of Fan's progress. She was covered by Woodrow Prince Harry and a beautiful bay filly arrived - I was honoured and grateful to be allowed to name her, Willoway Pandora. Applewitch Maid by Magic gave birth shortly afterwards but sadly rejected her colt foal at birth, Fanny was next door and the foal kept calling

and Fanny began answering, so Caroline decided to try them together and a miracle occurred - Fanny allowed him to suckle alongside Pandora. He is bright bay with four white socks so Caroline named him Flash Harry! What a special mare Fan was, she raised them together with extra care and feeding from Caroline.

Fan was successfully inseminated at Willoway Stud and subsequently produced another cracking bay filly by Willoway Free Spirit. Both fillies were bought by Ali Gordon and she kindly keeps us updated, Alan and I enjoy following their progress, sadly due to Covid no shows so far. I miss Fantasia and I think of her every day. Thank you so much to Caroline who cared for her to the end I am forever grateful.

Kay Bailey

BOWERWOOD ANNA PAVLOVA M49/092 2007-2020, s. Luckington Sportaide, d. Bowerwood Arabesque. Bred and owned by Rae Turner

It is with great sadness I write this as Anna was put to sleep after a field accident in spring 2020. Anna was not shown very much, but as a 3-year-old she won a M&M Trailblazers and was champion. Then a month later she won again to qualify for the final at Stoneleigh but we did not go down to contest the final. Breaking her in at five years was very easy and she loved her lessons. In spring 2012 Anna went up to Inverness to a friend for her daughter to ride. Anna was still green but Kirsty enjoyed riding her around their farm, then she came back home for the winter.

In 2014 the Anderson family came to see Anna for their daughter Jena to ride and this was the beginning of a great partnership, so Anna moved to Ayrshire where they compete in the Eglinton Pony Club doing many events including show jumping at the equestrian centre at Muirmill where they were very successful. The Pony Club introduced the pair to Mounted Games, but as Anna was fast but apprehensive, Jena was lent a top pony and was on the team which went to HOYS and won the Prince Philip Cup. But Jena grew so Anna came home in early spring 2016.

Anna was then introduced to Jackie who had outgrown her previous pony and they soon formed a great partnership so I entered them in the Society annual performance competition. Anna and Jackie did well in many events, arena eventing, cross country, team show jumping, and they ended the year in 8th place in the competition. Again, Jackie grew, so Anna went straight to another Pony Club home to Amelia who had discovered dressage and they had a great summer together in all the activities. Anna's next and last home was with Chloe who was only eight years old and they were building a great partnership. Anna was very happy to start again with cross poles and within a few weeks they were jumping 45 cm. There have been many tears shed as Anna moved homes and is much missed. I'm glad she had a happy and busy life.

To me she was the last of my pony of a lifetime, Bowerwood Aquila's line. Aquila's daughter B. Arabesque (Anna's dam) I also lost, she suffered with EMS and was getting very ill. She was my endurance pony reaching many goals and winning numerous trophies. We did many kilometres over all terrains up here in Scotland, not bad for a 13.2hh pony carrying an adult, she never lamed out and always finished in time, and surely showed the hardiness of the New Forest pony.

Rae Turner

MERRIE MONTGOMERY S28/073(G), s. Merrie Minsky, d. Bedlam Bridget of Merrie. Breeder: Messrs Sibley; Owner: Tricia Russell

Born: 8am Friday 11 April 1986 Merrie Stud Corhampton; Died: 11am Sunday 16 January 2021, nearly 35 years

In 1987 I had lessons in the Riding School at the Merrie Stud and one day the proprietor Mrs Susan Shaw said to me “I have something to show you in the Water Meadows, I think you need a distraction from your 3 teenage children” - on 20 March 1988, my 44th birthday, I became the proud owner of my first pony – Merrie Montgomery – I thought it would be like having a big dog, how wrong was I? Monty stayed at the Merrie Stud and in July 1988 he was whisked out of the field, given a good brush and was taken to his first show, he won, for the first and last time. He was 2nd at the New Forest Show that year shown by Susan Shaw, but when I tried to show him he lay down in the ring. In his late 20s I used to take him to the “In Hand Veteran” classes at the Breed Show where he always came last, but we really enjoyed the outings.

He rather liked jumping and a friend rode him at Crofton where he jumped 3ft. He also enjoyed cross country and flew round the course at Tweseldown. For many years we represented the New Forest Pony Enthusiasts Club in dressage and Rural Riders competitions. One year we had come third but Monty decided we had come first - when we did the lap of honour, Mrs Shaw, who was in the same team shouted to me “don’t overtake the master!” He just always wanted to be in front!

I persevered with dressage, if I could get him to go into the arena and we didn’t go the wrong way, we would sometimes have some quite nice comments. A bit like my school reports though - could do better! BUT in 1996 we qualified for the Dressage to Music championships at Stoneleigh. That was so exciting, I borrowed a lorry and my husband and daughter came with me. Monty was stabled overnight, something he wasn’t too keen about, but he didn’t buck me off when I rode him round first thing in the morning, and looked very smart for our test. All was going well until he spied the audience, whereby he got very excited and bounced around for the rest of the test. I was very proud to represent the NFPEC and the New Forest breed, and show people you didn’t have to have an expensive pony to participate. We of course didn’t win, but we were not last and I think showed off how lovely the Forest breed are for people to compete on.

In 2003 my husband and I retired to the New Forest and Monty came with us. He loved riding out across the Forest, as long as he could go fast. One day when he was in his very late 20s my friend thought he looked a bit tired and suggested that he be retired. That day he jumped a ditch and tried to buck me off as if to say “don’t you dare!” He spent many years doing pony rides with our eight grand-daughters. A difficult pony when adults rode him, with the children he was brilliant. Very many happy hours were spent walking across the Forest with various tiny children on his back, or just standing still in his field while five or more children clambered on him.

Charlotte, one of my granddaughters, when aged 12 kept asking to ride him. I had my doubts - he was over 30! - but eventually gave in. The first time she took him in the woods and did some small jumps, I’d forgotten to tell her not to pull on the reins to stop him, that was quite exciting... The next time she rode him I suggested if he took off to turn his head round if she could, we then found out that he could canter as fast sideways as forwards. The last time he was ridden last year, bareback in the field with just a bridle, he galloped off up the hill then galloped down the hill bronking. Charlotte said a very naughty word as she flew off over his head. The vet thought his back might have been a bit tender, but we think he just wanted to have fun.

He got me through three major operations and the loss three years ago of my husband. Because of him I had to get out of bed and get on with life. He was always there for me whickering every time he saw me. I said the day he didn’t whicker would be his last. On the morning of 16 January 2021 when my granddaughter Lucy and I went down to feed, he was lying down, he did get up and walk across the field, then lay down again and closed his eyes. He was telling me he had had enough, so on a lovely sunny morning his soul was set free to go to the happy

hunting ground in the sky. He will be sadly missed by all of us. He was a real character, not really the right pony for an inexperienced person, but for nearly 35 years he was such a large part of our family, now we just have very many really happy memories of him. RIP my old boy.

Tricia Russell

OBITUARIES

The Society records with sadness the passing of:

Rosemary Nineham of Brockenhurst

Harry Oram of Brockenhurst

Gordon Skivington

Mr D K Houlihan

Mrs Anne Dovey of Beaulieu

Mr Lenny Mansbridge who bred the Matley ponies

Mr Frank Keller of Beaulieu

Dorita Tillyer who bred the Williford ponies

Alison Russell who did so much for the BHS

Keith Rickman, Commoner who bred the Tiptoe ponies

Jackie Josey, who bred the Buttslawn ponies

Peggy Grayson, former judge

Margaret Furness, former judge

Pat Campbell, former judge

Rita Best, former Treasurer

RITA BEST

Rita was like a tiny fluttery little bird with twinkling eyes, and a wonderful touch of the Blarney. After a most successful banking career, Rita and her husband Norman retired to a holding in Linwood and soon ran a small herd of ponies. Her financial acumen came to the attention of the Society and she became Treasurer in 1999, until September 2007 when she stepped down for health reasons. However, for a good many years after that she joined the office team for a pub Christmas dinner, where she regaled with tales of visits to Mammy who lived in her own home in Ireland until just short of her 100th birthday. Rita was always beautifully dressed with a silk scarf, brooch - and black leather gloves, which she invariably left behind. But I didn't mind, as that gave me a reason to visit Linwood, a part of the Forest that I don't get to enough, to return said gloves, or scarf, or umbrella. They loved their life in the little hamlet, with Pete, Turnpike Peter, their beloved stallion, and Norman always with a faithful border collie, Tip and then Lizzie, at his side. After Norman passed away Rita became too frail to live by herself and her nieces moved her to Torquay and it was so sad that in this strangest of years we could not go and say farewell to her. The office team adored her, our little 'Reet Petite'.

Jane Murray

JACKIE JOSEY 20 August 1939 – 26 November 2020

Jackie and her late partner Paul Knowles fell in love with the New Forest and in particular their first pony, which they saw as a foal at foot when out for a walk on Buttslawn in 1995. They were able to purchase that foal through the Beaulieu Road sales that autumn. She was joined by another foal, Ashley Ellie bred by Owen and Val Dibdin the same year. Their first homebred foal Buttslawn Galaxy was born in 2000 and he was soon followed by many stunning ponies. Some very special mares like Buttslawn Gemini and Buttslawn Fantasia won many best of breed rosettes and championships both in hand and under saddle.

In 2005 Paul and Jackie purchased a tumbled down farmhouse with its own land in Riding Gate, Wincanton. The property was lovingly restored to their dream home and Jackie was never happier than when looking out of her window and she could see their mares and foals grazing in the summer sunshine. Very sadly Paul passed away in September 2011 leaving Jackie to care for their herd of ponies on her own. In 2014, at the age of 75 Jackie made the heartbreaking decision to part with the ponies. Many went to other studs as broodmares and some went on to be ridden ponies. For several years at this time, Jackie made a valued contribution to the Breed Show as sponsorship co-ordinator.

Without the need for land she sold the Riding Gate farm and moved back nearer to the Forest, to Christchurch, and to her daughter Lizzie and son Alex. This also brought her closer to her friends and in her last years she enjoyed nothing more than watching the ponies at local shows and always visited The New Forest & Hants County show in the hope of seeing some of the ponies she had been involved with. Although Jackie had not been feeling ill she was given a terminal diagnosis on 20 October 2020 and some five weeks later passed away from pancreatic cancer. Jackie's final wish was to be buried in her birth town of Cheltenham, near to where her parents rested. On the 17 December Jackie was carried from the chapel to her choice of music, Take Me Home Country Roads and was laid to rest overlooking the beautiful Cheltenham hills.

Jackie and Paul's legacy lives on through the many Buttslawn ponies and their offspring. Jackie was a wonderful lady who always had a smile for everyone. Lizzie, Jackie's daughter, said that Jackie spent her happiest years with her New Forest ponies and all the people she met and became friends with. She will be greatly missed by all who knew her.

Jo Smyth

PAT CAMPBELL 1933-January 2021

Pat was a tower of strength and a tremendous force for good in the equine industry, a true equestrian with an unparalleled dedication to horses and a great friend of this Society. Every position Pat held within the equine industry was voluntary. Over more than 60 years, she selflessly gave up thousands of hours of her own time, and gave freely of her expertise, in order to help others to enjoy their ponies. Pat's life and work were a true inspiration, and her legacy to British equestrianism is profound.

A member of the Pony Club in her youth, she gave back with longstanding work for the Ashford Valley Branch. Pat began breeding native ponies and hunters in 1960 and served on countless judging panels including New Forest. Through her long-running chairmanship of the BHS Horse and Pony Breeds Committee she was a relentless champion and enthusiastic advocate of native breeds, consulting and campaigning on 'harmonisation of studbooks' and equine passports, often supported by our own Gill Wright and Dionis Macnair. Pat was a Trustee of the BHS for five years and was also the Society's Chairman 2001-2004 and remained actively involved with the BHS on various committees. She was awarded the BHS President's Award in 2004 when she stepped down as Chairman for her remarkable record of achievement.

She was a Past Chairman of the Dartmoor Pony Society and the Central Prefix Register, and Past President of the National Pony Society and Ponies (UK), always encouraging others to enjoy and respect their ponies. In 2013 Pat did a charity parachute jump to celebrate her 80th birthday, raising thousands of pounds for equine welfare, which was always one of her priorities. Pat was honoured by Her Majesty the Queen in July 2014 when HRH Princess Anne presented to her at the Great Yorkshire Show, the Queen's Award for Equestrianism.

As a judge for our Society, she judged not only at countless shows around the country but also the Forest Fed, and was a Stallion Inspector in 2004. She was the Supreme Judge at the Breed Show in 2014.

A lady of principle, gracious and generous with her knowledge and expertise, a brilliant committee chair, who selflessly dedicated herself for a better equine world, she will be much missed.

Jane Murray

SOCIETY NOTICES

STALLION INSPECTIONS 2021

Please contact the office with the colt's details if you would like a 2 or 3 year old colt inspected. The proposed April inspection has been cancelled owing to the ongoing Covid-19 restrictions. It is hoped that it might be possible to hold an inspection in late May.
Saturday 25 September, Beaulieu Road – if there is sufficient demand

PRIORY TWIGLET NFS35/130(G), 1992 – July 2020. s. Priori Panzer; d. Priori Twiggy.

Priori Twiglet was bred by Mrs C. Green in Berkshire and made his way to the Isle of Wight. He had several owners before joining Jan Young, and her daughter, Kate, in 1996/7. Over the decades, Twiglet won tonnes of rosettes in many spheres, including showing, showjumping, cross-country and one-day eventing. Twig had an amazing showjumping career with Kate and was ultra-consistent in the annual Isle of Wight Showjumper of the Year championships at Brickfields Equestrian Centre, where he won championships in 2007, 2008, 2009 and 2010. Kate and Twiglet were also winners of the senior intermediate rider championship one year, beating all the horses. He also went to Pony Club Camp and was placed in both the local inter-schools team showjumping and at the Isle of Wight hunt scurry races with family friend, Gemma Elford. Gemma also had rosettes with Twiglet at the Breed Show and both Gemma and Kate hunted him.

Even in his twilight years, Twiglet was still winning rosettes on a lead rein with Kate's young son, Matthew, before enjoying a happy retirement. A great pony, who is much missed.

Belgian Dressage success for French Bred pony

FIREFLY BOURNON BELL is a stunning 139cms mare by Burley Gold Blend, from Mistrale du Garon by Fijal Soloist, breeder Julian Rosset. Firefly was bred in the centre of France. After being sold at weaning and exported, she was bought by a Belgium family for their younger daughter Hanna Pirrello. Thanks to her experience Hanna was able to bring Firefly at the age of only 4 to the Belgian regional dressage finals in Liège.

In 2020, at only 5 and despite a very unusual year, Firefly has been ranked many times among the horses and the ponies, she won 5 times and was very consistent. On the 18th of October 2020 in Basècles (Belgium), she ranked twice at the second place, and managed to win the dressage challenge level 1.

NEW FOREST PERFORMANCE PONY OF THE YEAR COMPETITION

The aim of this competition is to encourage owners of registered New Forest ponies to take part in a wider range of competitions and activities, wherever they happen to live.

*** Stunning rosettes ***

*** Generous cash prizes up to £50 depending on entries ***

*** 11 cups to be won ***

Cups and rosettes to the highest placed ponies in the following categories: Jumping,
Dressage, WHP, Most Versatile, Driving

Special rosettes to best three novices

Cup and rosette to best pony bred on the Forest

Cup and rosette to best pony bred by the owner

Cup and rosette to the best stallion

Prize for best junior rider

Scoring categories: Driving; Jumping – affiliated and unaffiliated; ODE; Combined Training; Hunter Trials; Handy Hunter/Handy Pony; Working Pony – BSPS, M&M affiliated; unaffiliated; Dressage – affiliated and unaffiliated; Ridden Showing; New Forest and M&M Ridden Showing; Family/PC Pony; Le Trec; Racing; Endurance; extra points for championships; extra points for competing at county level and breed show; bonus points for other activities eg hunting, pony club camp, long distance rides, etc.

The points table has been revised and updated to more accurately reflect the wide variety of disciplines in which New Forest ponies now compete. It looks a bit mind-blowing, but don't worry – it's actually best if you leave the points claimed column blank and we'll complete it.

Exhibitors must be fully-paid up members of the Society.

All ponies must be registered New Forest ponies, four years or over, correctly transferred to the entrant.

All ponies must be entered in their correct registered name.

The competition runs from 1 January to 31 December in the current year.

Juniors not to have attained their 18th birthday by 1 January in the current year.

Entry forms, full rules and points table available from the office or the website

NO NEED TO GET SIGNATURES OF OFFICIALS ON THE SCORESHEET

THE KNIGHTWOOD PART-BRED PERFORMANCE COMPETITION OPEN TO X-REGISTER, PART-BRED AND FIRST CROSS PONIES

Two trophies and rosettes

Ponies must hold passports issued by the Society, or passports which have been overstamped by the Society.

Exhibitors must be fully paid-up members of the Society.

The standard score sheet is used.

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

PERFORMANCE GRADES 2021 – DRESSAGE AND EVENTING

This applies to both pure-bred and part-bred New Forest ponies

DRESSAGE GRADES can be achieved in two ways:

1. Submission of test sheets – for Dressage Grade One and Grade Two
2. Submission of BD record.

SUBMISSION OF TEST SHEETS FOR DRESSAGE GRADE ONE (PRELIM) AND DRESSAGE GRADE TWO (NOVICE)

1. Submit FOUR original Prelim test sheets, or FOUR original Novice test sheets.
2. You must achieve Dressage Grade One first although tests at both levels can be ridden at any time.
3. The minimum score on each sheet must be 65%.
4. The tests may be any combination of Prelim test numbers or Novice test numbers.
5. The pony must be entered under its full registered New Forest stud book name, and this must be clearly written on the test sheet.
6. The judge must be a BD Listed Judge. Their name should be clearly printed on the sheet so that this can be checked. The judge's signature must be on the sheet.
7. Any sheets not filled in correctly will not be accepted.
8. Tests may be ridden at any event, provided that it is a BD listed judge, so this could be, for example, an unaffiliated competition, BD affiliated, BD Quest, BD British Native Pony Series, NPS, BRC.
9. Ponies must be four years of age or over and hold a valid NFPBCS passport in the name of the current owner.
10. Send your test sheets with the £10 administration fee per level to the address below. When your sheets have been verified by the Grading and Elite Committee, they will be returned to you with your rosette and sticker for the grading page at the back of the passport.
11. Rolling dates are now being used, so as soon as you have your four sheets send them in.
12. By submitting your test sheets you are expressly agreeing to all the terms and conditions set out above.

DRESSAGE GRADES BY BD COMPETITION RECORD

BD points may be used to grade ponies. Ten BD points are required at each level for grading. Once a pony has achieved 5 points at a higher level, it is assumed to have graded at the lower level. Please submit a printout of your pony's BD Competition Record and the £10 administration fee, for verification by the Grading and Elite Committee, and award of the rosette.

EVENTING GRADES

Grade 1 is for 5 BE Foundation Points; Grade 2 for 15 FP, Grade 3 for 25 FP, and Grade 4 for 35 FP and above. Applicants are asked to submit a print-out of their BE record and a £10 administration fee. As soon as the record has been verified by the G&E Committee the rosette will be awarded.

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

NEW FOREST JUDGES SCHEME

PRE-APPLICATION

Nominees must be current and fully paid-up members of the Society for a continuous period of at least three years. They should have been breeding or showing successfully or involved with New Forest Ponies during that time.

Council may use its discretion and waive the 3-year membership requirement for NPS judges and those on other M&M panels who want to apply for the New Forest panel.

Nominees should be familiar with the New Forest Pony Society Breed Description and Showing Rules. In the opinion of the Council, they must have a genuine interest in New Forest Ponies.

It is beneficial to have undertaken stewarding, and judging at unaffiliated shows.

APPLYING FOR THE PROBATIONARY JUDGES ASSESSMENT

Potential probationary judges should be proposed by two people with appropriate experience, eg, well-known breeders, or judges, or vets.

The application form, which can be obtained from the Society's Secretary or website, must be submitted with a statement of support from the two proposers.

Application documentation and statement of support references are made available to the Judges Committee but are otherwise confidential.

The selection of nominations for Assessment will be made by the Judges Committee.

THE PROBATIONARY JUDGES ASSESSMENT

The assessors will be a panel drawn from the Judges Committee, but they may appoint other assessors drawn from the New Forest Judges Panel.

Candidates will not be assessed by their Proposers.

Candidates should come dressed appropriately for judging at that time of year.

Candidates should follow the Judges Guidelines throughout the Assessment and Interview.

Candidates will be asked to assess and give marks and make written comments on a selection of ponies, with particular emphasis on type, conformation and soundness, and place them in order.

Candidates will then be interviewed by the panel of assessors.

In this interview, candidates will be asked to justify the order in which they placed the ponies, and answer questions on the breed description and showing rules.

Candidates will be informed of their results in writing by the Society office as soon as possible after the assessment and will be given written details of the terms of their probationary period.

Successful candidates are required to complete a Child Protection Self-Disclosure Form.

If refused, candidates may re-apply in two years' time and, on re-application, should state how they have developed their skills and knowledge.

Any decisions made by Council are final.

THE PROBATIONARY PERIOD

The minimum number of appointments to be completed by Probationer Judges is four satisfactory judging appointments over one year, and to include at least two in-hand and two ridden classes.

The number of probationary appointments will be determined by the Judges Committee after the Assessment.

Probationer judges will be asked to judge only in-hand classes first, so that they can concentrate on type and conformation.

Probationer Judges should follow the Additional Guidelines for Probationer Judges as well as the Judges Guidelines.

After the show, the judge is required to send a report on the Probationer to the Society for consideration by the Judges Committee.

The Judges Committee will review all probationary reports in the autumn each year and advise current probationers of their progress to date.

Following satisfactory completion of in-hand classes, probationers progress to ridden classes, with the focus on assessing the way of going within breed type. Candidates will be advised whether they should attend a ridden assessment, or how many ridden classes they should probation.

On completion of the required probationary shows, as set out in their appointment letter, the Judges Committee will consider all the probationary reports and will either appoint to the B-Panel; or extend the probationary period; or refuse the Nominee.

Unsuccessful probationers may not re-apply for two years from the date of refusal and, on reapplication, should state how they have developed their skills and knowledge.

The Judges Committee will make recommendation to Council and any decisions made by Council are final.

B-PANEL JUDGES

B-Panel Judges are not eligible to judge at County level shows, NPS Summer Championship Show or HOYS Qualifiers.

All B-Panel Judges are to submit an annual record all classes judged, with approximate numbers forward, and any other relevant information (eg stewarding). The details of the numbers of New Forest ponies assessed should be given. The Secretary will send out annually the form to be used.

The Judges Committee will review the record sheet annually and make recommendations to the Council for the promotion of B-Panel Judges to the Full Judges Panel.

B-Panel Judges may not accept Probationary Judges.

THE SOCIETY'S FULL JUDGES PANEL

Judges are appointed annually.

The Council reserves the right in its absolute discretion to appoint, not appoint or re-appoint to the Judges' Panel. The appointment of a member to the Judges Panel will be valid for a period of one year from the effective date of appointment. The effective date of appointment is the 1st January in each year or other such date as the Council may from time to time decide.

A member will cease to be a judge if the appointment to the Judges Panel is not renewed within one year of the effective date of appointment.

The Council reserves the right to monitor judges whilst judging New Forest affiliated classes.

The Council may use its absolute discretion in inviting suitably qualified judges, to officiate at the breed show.

Judges should be current Society members.

Following the Judges Committee review of the Judges List each autumn, the Secretary will write to all current Society judges annually asking if they wish to remain on the Panel;

On accepting the annual invitation to the Judges Panel, judges will:

- be asked for any amendments to their personal details;
- agree to judge under NFPBCS Rules at all shows affiliated to the NFPBCS.
- Confirm that they are agreeable to name, address and contact details appearing on the NFPBCS and NPS website and in the NFPBCS and NPS Official List of Judges.
- Make a declaration of age if over 75 years of age
- Make an insurance/medical declaration
- Make a Child Protection declaration

All judges are to follow the New Forest Judges Guidelines.

HORSE OF THE YEAR SHOW PANEL

INTERNATIONAL PANEL

STALLION INSPECTIONS AND GRADING PANEL

The Judges Committee administers these three panels and makes recommendations on membership to Council.

STUDY DAYS

Study Days are generally held biennially in the spring. Probationary Assessments are held as part of the Study Day.

Council has determined that judges should attend a Study Day at least once in every five years in order to remain on the Society Panel.

Judges may submit appropriate documentation (eg an attendance certificate) for attendance at Study Days run by NPS or other appropriate organisations for consideration by the Judges Committee.

SAFEGUARDING

The Council has adopted the following NPS policy:

The NPS has adopted the policies and procedures of the British Equestrian Federation relating to safeguarding. The NPS places the highest priority on the safety and enjoyment of children and young people participating in equestrian sport and is committed to promoting the highest possible standard of care across the whole Society.

The full Safeguarding Policy document can be downloaded from the BEF website.

COMPLAINTS AND DISCIPLINARY PROCEDURE

Instances where a judge fails to observe the New Forest Judges Scheme and Guidelines, or whose conduct is seen by the Council as prejudicial to the character or interests of the NFPBCS, will be referred to the Judges Committee in the first instance and if required will be referred to the Complaints and Disciplinary Procedure.

The Council will review the position of any judge who receives a serious judging complaint and may remove the judge from the Judges Panel or ask them to retrain.

The Society has adopted the NPS Complaints and Disciplinary Procedures as published in the current year's NPS rules book.

ADMINISTRATION

The Society's GDPR Statement applies to the New Forest Judges Scheme.

The New Forest Judges Scheme is administered by the Judges Committee, which makes recommendations to the Council.

Any decisions made by Council are final.

Approved by Council October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

NEW FOREST JUDGES GUIDELINES

GENERAL

Judges should ensure that they are aware of the current showing rules and breed description.

IMPARTIALITY

New Forest judges should follow the NPS rules on impartiality as published in the current year's NPS rule book.

JUDGING

A judge should always be neatly dressed and wear an appropriate hat.

A judge should report to the secretary of the show at least half an hour before the class is due to start.

A judge should avoid meeting exhibitors, their helpers or their ponies on the day of the show where they are to judge, both prior, and after, they have judged the classes.

Judges are forbidden to refer to the show catalogue before or during judging. They are encouraged, however, to carry a schedule and should be aware of any special prizes or awards.

Judges must only be accompanied in the ring by persons appointed by the show or an approved probationer judge

A judge should not call an exhibitor by his/her names in the ring, all instructions should be relayed through the steward. No social conversation should take place.

Judges are asked to take behaviour and temperament into account and not to judge ponies whose behaviour they consider to be a danger to either its handler/rider or other competitors. Such a pony should be asked to leave the ring.

Judges are requested to report to the Society behaviour of exhibitors likely to bring the Society into disrepute.

If a pony entered in a class, in the opinion of the judge, is unsound, the judge may at his/her discretion require the exhibitor to withdraw the pony from that class, subject to the right of the exhibitor to refer the matter to a veterinary surgeon should one be in attendance. If no vet is available, then the judge's decision is considered final.

Judges who accept probationers should fill in his or her report promptly; failure to do this may delay a trainee's progress.

Judges should follow the Society's Social Media and Internet Policy and refrain from commenting about judging on social media.

The judge's decision is final provided all relevant rules have been followed.

ADDITIONAL GUIDELINES FOR PROBATIONER JUDGES

Probationers are reminded that they are being assessed not only on their knowledge of ponies, but also their suitability as Officers of the Society, and should act in a courteous and considerate manner, both inside and outside the ring.

When arranging an appointment to attend a show as a probationer, the trainee should request permission to do so, not only with the officiating judge, but also the show secretary. It must be understood that some shows do not permit probationer judges.

A probationer should ensure that the judge, with whom he or she has judged a particular show, be given a Judge's Report form together with a stamped envelope addressed to the Society office.

Probationer judges should attempt, wherever possible, to attend shows outside their local area, and not with local judges.

Approved by Council October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

SHOWING RULES

1. Ponies are shown unplaited, but may have lightly pulled manes and tails. The jaw line and heels may be trimmed, but the whiskers should be left untrimmed.
2. Clipping, except for the legs, is allowed for ponies 4 years and over, in in-hand, ridden and working pony classes.
3. No make-up or false hair is allowed or any other falsification of markings
4. Yearlings should not be shown in bits. Ponies aged 2 years and over may be shown in bridles with bits. Chifney bits are not allowed in any circumstances.
5. Judges have been asked to take behaviour and temperament into account and not to judge ponies whose behaviour they consider to be a danger to either its handler/rider or other competitors. Such a pony will be asked to leave the ring.
6. No commercial, stud, or pony names to be displayed in the ring.
7. Two-year-old colts are not permitted to be shown without their initial licence, and stallions at the age of five years must have been presented at the Society-approved vets for their full stallion licence.

Approved by Council November 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

COMPLAINTS AND DISCIPLINARY POLICY AND PROCEDURE EQUINE DRUGS TESTING POLICY WELFARE CODE OF PRACTICE SAFEGUARDING POLICY

COMPLAINTS AND DISCIPLINARY POLICY AND PROCEDURE

The Society adopts the same policy and procedure as that published in the current year's NPS Showing and Competition Rules book.

EQUINE DRUGS TESTING POLICY

The Society adopts the same rules as those published in the current year's NPS Showing and Competition Rules book.

WELFARE CODE OF PRACTICE

The member bodies of the Showing Council have adopted a Code of Practice for the Welfare of Horses and Ponies at Shows and Events.

The document has been produced to provide advice and support to members, competitors, show organisers, stewards, judges, volunteer assistants and spectators.

The full Code of Practice can be downloaded from the NPS website,

SAFEGUARDING POLICY

The Society adopts the following NPS policy:

The NPS has adopted the policies and procedures of the British Equestrian Federation relating to safeguarding. The NPS places the highest priority on the safety and enjoyment of children and young people participating in equestrian sport and is committed to promoting the highest possible standard of care across the whole Society. The full Safeguarding Policy document can be downloaded from the BEF website.

NEW FOREST PONY BREEDING PROGRAMME

INTRODUCTION

In 2018 the Zootechnical Standards (England) Regulations came into force, enacting in England, Regulation (EU) 2016/1012 ‘the Animal Breeding Regulation’. The UK competent authority, Defra, confirmed that post-Brexit, the Zootech regime, as set out in EU 2016/1012 will continue to apply in the UK.

Since then, NFPBCS has been working on re-formatting its Breeding Programme. As part of this work, some sections have been updated, some sections have been written to conform with the Animal Breeding Regulation, and there are two new policy documents. These documents were approved by Council throughout the autumn of 2020, and the New Forest Pony Breeding Programme is now presented to members and filial societies. This comes into effect on 1 January 2021.

It will be published in the 2020 Annual Report and will be the main item on the agenda of the 2021 International Meeting.

A few points are highlighted here.

Chapter 3 – Recognition of the Breed Society following the withdrawal of the UK from the EU

Following the UK’s decision to withdraw from the EU, the UK became a Third Country on 1 January 2021, at the end of the transition period. The EU has recognised NFPBCS as a third country breeding body under Article 34 of (EU) 2016/1012, enabling trade in New Forest Ponies on equivalent terms under the Zootech regime. However, ponies and germinal products may still be subject to additional movement requirements, and buyers/sellers will need to check whether additional documentation such as Export Health Certificates are required.

Chapters 5 and 6, Rights and Obligations of Breeders and the Breed Society

These chapters are new, and are requirements under Articles 13 and 14 of the Animal Breeding Regulation.

Chapter 7 Structure of the Studbook

Filial societies should note the paragraph relating to the name of the X-Register.

Chapter 8 Requirements for Entry into the Studbook

Filial societies should note the Rules for Sires. Filial societies should note the rules for re-measurement of over height ponies in the section on withdrawal from the approved section of the studbook.

Chapter 9 Breed Description

Palomino stallions were permitted in 2019. No changes have been made to the permitted range of colours or extent of white markings, but the new wording will ensure accurate registration and enable the use of genetic testing in the case of a dispute.

Chapter 13 Assisted Reproduction

This is a substantial new policy document and should be read very carefully by all breeders, both UK and European, and by all filial societies. Note particularly:

- The limitation provided for by Article 21 paragraph 2 of (EU) 2016/1012 on the withdrawal of breeding licence of a stallion and any frozen semen or embryos in storage;
- The export of semen to the EU following the UK's withdrawal from the EU, the provision of Zootechnical Certificates by NFPBCS on request, and the requirement on a filial society to register according to the terms of Article 36.
- The requirement on a filial society to originate a Zootechnical Certificate to accompany a semen sample being sent to the UK.

Chapter 14 Role of NFPBCS as Studbook of Origin; its relationship to filial societies, and the principles to be followed by filial societies

This chapter has been written in order to comply with the requirements of Annex I Part 3 of (EU) 2016/1012.

Filial societies should note the requirement to register imported UK-bred stock in accordance with Article 36.

Chapter 15 Myotonia Breeding Policy

The 2013 Policy has been updated to include the decisions taken at the 2017 International Meeting. An additional paragraph is necessary in order to align this policy with the policy on Assisted Reproduction. In the Assisted Reproduction policy, NFPBCS as the studbook of origin has used the powers conferred by Article 21 to set a limit on the use of frozen semen. Accordingly, from 1 January 2021, no frozen semen can be used where it comes from a stallion, dead or alive, who has had his breeding licence revoked for being a carrier of the myotonia gene, *to breed foals who will be registered into the main section of the studbook.*

Chapter 16 PSSM1 Breeding Policy

This is a new policy document and should be read carefully by all breeders and filial societies. It draws on the Public Statement released in 2018, and the experience gained by the 2013 Myotonia policy. With regard to compulsory testing of older stallions, the Council has been very mindful of the decision recorded in the minutes of the 2019 International Meeting, in which everyone was encouraged to test but Clause 11 reminds Filial Societies of their obligation to follow the rules of the mother studbook which would therefore require them to test all stallions.

Filial societies are asked to share as appropriate with their national/federal bodies.

December 2020

BREEDING PROGRAMME - CHAPTER 1

DEFINITIONS

All definitions given in Article 2 of EU 2016/1012 (hereafter known as the Animal Breeding Regulation) apply to the New Forest Pony Breeding Programme.

Specifically:

‘breed’

The New Forest Pony breed

‘breed society’

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

A Company limited by guarantee (registered in England & Wales with Company Number 3421046. Registered Charity Number 1064746)

(hereafter referred to as the Society, or the Breed Society, or NFPBCS)

‘breeding programme’

The New Forest Pony Breeding Programme of the New Forest Pony Breeding and Cattle Society as set out in the following documents. This sets out the actions, including recording, selection, breeding and exchange of breeding ponies and their germinal products, designed and implemented to preserve or enhance desired phenotypic and genotypic characteristics of the New Forest Pony breeding population.

‘purebred breeding animal’

A New Forest Pony is one which is entered as such in the New Forest Pony Stud Book.

‘breeding book’

A stud book for the registration/entry of New Forest Ponies which shall be called the New Forest Pony Society’s Studbook.

‘main section’

‘main section’ means the section of the New Forest Pony Society Studbook in which purebred breeding New Forest Ponies are entered or registered and eligible for entry with details of their ascendants and, where applicable, their merits;

‘competent authorities’

The Secretary of State, Department for Environment, Food and Rural Affairs (Defra), is the UK Competent Authority for the purpose of the Animal Breeding Regulation.

‘operator’

The Breed Society, or breeders of New Forest ponies;

‘germinal products’ means semen, oocytes and embryos collected or produced from breeding animals for the purpose of assisted reproduction;

‘zootechnical certificate’ means breeding certificates, attestations or commercial documentation which are issued on paper or in electronic form for breeding animals and their germinal products and which provide information on pedigree, identification and, where available, results of performance testing or genetic evaluation;

Approved by Council December 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 2

LEGAL BASIS, LEGISLATION AND ENFORCEMENT

The Breed Society is legally bound to comply with all relevant charity, animal health, equine identification and zootechnical legislation.

EQUINE IDENTIFICATION LEGISLATION

Commission Implementing Regulation (EU) 2015/262 (Equine Passport Regulation)

The Equine Identification (England) Regulations 2018 (SI 2018 No. 761)

ZOOTECHNICAL LEGISLATION

Regulation (EU) 2016/1012 on zootechnical and genealogical conditions for the breeding, trade in and entry into the Union of purebred breeding animals (Animal Breeding Regulation)

Commission Delegated Regulation (EU) 2017/1940 as regards the content and format of zootechnical certificates issued for purebred breeding animals of the equine species contained in a single lifetime identification document for equidae.

Commission Delegated Regulation (EU) 2020/602

The Zootechnical Standards (England) Regulations 2018 (SI 2018 No. 1037)

ANIMAL HEALTH LEGISLATION

Inasmuch as the Animal Health Regulation will apply to equines from April 2021.

ENFORCEMENT

The Secretary of State, Department for Environment, Food and Rural Affairs is the UK Competent Authority responsible for enforcement.

Approved by Council December 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 3

RECOGNITION OF THE BREED SOCIETY

LOCATION OF THE SOCIETY

The Animal Breeding Regulation requires that the Breed Society has its head office on the territory of the competent authority. The Society's Memorandum of Association requires that the Society's registered office is situated in England and Wales.

The Society's address registered with Companies House is:

Deeplade House, Ringwood Road, Bransgore, Hants BH23 8AA

LEGAL STATUS OF THE SOCIETY

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

A Company limited by guarantee, registered in England & Wales with Company Number 3421046.

Registered Charity Number 1064746

RECOGNITION BY THE UK COMPETENT AUTHORITY AND THE EU COMMISSION

The Defra Guide to Zootechnical Rules and Standards, updated 1 November 2018, states that breed societies that were officially recognised in the UK before 1 November 2018, will continue to have this status.

On 15 April 2020, the Zootechnical Team, Agri-Food Chain Directorate, Defra, confirmed that the Society had been included within the request for Third Country Listing of Zootech recognised breeding bodies, sent to the EU Commission on 20 February 2020.

On 14 December 2020, Defra informed the Society that the European Commission had accepted Defra's application for third country listing of UK breeding bodies under Article 34 of Regulation (EU) 2016/1012. The Society is included in the list of breeding bodies published on the Commission's website. This means that UK New Forest Pony breeders and NFPBCS can continue to trade with EU filial New Forest Pony breed societies, on the same equivalent terms under the Zootech regime from 1 January 2021.

GEOGRAPHICAL TERRITORY OF THE NEW FOREST PONY BREEDING PROGRAMME

In the United Kingdom the New Forest Pony Breeding Programme will be carried out in England, Wales, Scotland, and Northern Ireland

Approved by Council December 2020

BREEDING PROGRAMME - CHAPTER 4

AIMS AND OBJECTIVES OF THE NEW FOREST PONY BREEDING PROGRAMME

From the Memorandum of Association:

The Charity's objects are to promote and maintain the best standard of New Forest ponies.

From the Rules:

The objects for which the Society is established are:

- (a) To encourage the preservation and breeding of the best type of New Forest ponies.
- (b) To undertake to record New Forest ponies, and enter them in the New Forest Pony Stud Book.
- (c) To hold two Annual Shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest Ponies. The dates to be determined by the Council.

4 In furtherance of the Objects but not otherwise the Charity may exercise the following powers:

- (a) To form and publish a Stud Book for the registration/entry of New Forest Ponies which shall be called the New Forest Pony Society's Stud Book.
- (b) To institute and encourage shows, sales, instructional courses and competitions, both new and existing, for the promotion of registered New Forest Ponies.
- (c) To publish and/or otherwise disseminate information on all matters concerning registered/entered New Forest Ponies.
- (d) To act in an advisory capacity in reported cases of ill treatment of New Forest Ponies.
- (e) To investigate, adjudicate or otherwise determine or settle cases of the doubtful or suspect registration of registered New Forest Ponies.
- (f) To consider and promote or oppose legislation affecting the Objects or any of them.
- (g) To draw, make, accept, endorse, discount, execute and issue promissory notes, bills, cheques and other instruments and to operate bank accounts in the name of the Charity.

- (h) To raise funds and to invite and receive contributions: provided that in raising funds the Charity shall not undertake any substantial permanent trading activities and shall conform to any relevant statutory regulations.
- (i) To acquire, alter, improve and (subject to such consents as may be required by law) to charge or otherwise dispose of property.
- (j) Subject to clause 5 below to employ such staff, who shall not be directors of the Charity (hereinafter referred to as 'the trustees'), as are necessary for the proper pursuit of the Objects and to make all reasonable and necessary provision for the payment of pensions and superannuation to staff and their dependants.
- (k) To establish or support any charitable trusts, associations or institutions formed for all or any of the Objects.
- (l) To co-operate with other charities, voluntary bodies and statutory authorities operating in furtherance of the Objects or similar charitable purposes and to exchange information and advice with them.
- (m) To pay out of the funds of the Charity the costs, charges, and expenses of and incidental to the formation and registration of the Charity.
- (n) To do all such other lawful things as are necessary for the achievement of the Objects.

Source: Articles of Association

Approved by Council December 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 5

RIGHTS AND OBLIGATIONS OF THE BREED SOCIETY

Article 14 and Annex I Part 1 B, of the Animal Breeding Regulation EU 2016/1012, as enacted in England by The Zootechnical Standards (England) Regulations 2018, set out the following rights and obligations of the New Forest Pony Breeding and Cattle Society.

OBLIGATIONS IN ORDER TO MEET THE REQUIREMENTS FOR RECOGNITION AS A BREED SOCIETY

NFPBCS has declared to Defra that:

- (a) it has a sufficient number of breeders participating in the New Forest Pony Breeding Programme;
- (b) its Articles of Association, Rules and the New Forest Pony Breeding Programme set out its dispute procedures and ensure equal treatment of breeders participating in its breeding programme;
- (c) it has set out the rights and obligations of breeders participating in the New Forest Pony Breeding Programme, including where membership of breeders is provided for.

RIGHT OF AUTONOMY

The New Forest Pony Breeding and Cattle Society has the right to define and carry out its New Forest Pony Breeding Programme autonomously, provided that it complies with the Regulation and any conditions of its approval set by Defra.

RIGHT OF NFPBCS TO EXCLUDE BREEDERS FROM THE NEW FOREST PONY BREEDING PROGRAMME

NFPBCS has the right to exclude breeders from participating in the New Forest Pony Breeding Programme where those breeders fail to comply with the rules of that breeding programme or with the obligations set out in the Articles of Association.

NFPBCS provides for membership, and NFPBCS has the right to exclude breeders from membership where those breeders fail to comply with their obligations set out in the Articles of Association.

NFPBCS shall, without prejudice to the role of the courts, have a responsibility to settle disputes that may arise between breeders, and between breeders and the breed society, in the process of carrying out the New Forest Pony Breeding Programme, in accordance with the Articles of Association, the Complaints and Disciplinary Procedure, and at various points throughout the Breeding Programme, the dispute procedure specific to that section as stated.

Approved by Council in October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 6

RIGHTS AND OBLIGATIONS OF BREEDERS OF NEW FOREST PONIES

Article 13 and Annex I Part 1 B, of the Animal Breeding Regulation EU 2016/1012, as enacted in England by The Zootechnical Standards (England) Regulations 2018, set out the following rights and obligations of breeders.

RIGHTS OF BREEDERS OF NEW FOREST PONIES

Breeders of New Forest Ponies shall have the right to participate in the New Forest Pony Breeding Programme provided that their purebred breeding New Forest Ponies are kept on holdings located within the United Kingdom.

Breeders of New Forest Ponies participating in the New Forest Pony Breeding Programme shall have the right:

- (a) of ownership of their New Forest Ponies.
- (b) to have their purebred New Forest Ponies entered in the main section of the New Forest Pony Studbook established by the New Forest Pony Breeding and Cattle Society provided they comply with the Requirements for Entry into the Approved Section of the New Forest Pony Studbook.
- (c) to participate in any performance testing and genetic evaluation established by the Society.
- (d) to be provided with a zootechnical certificate as required.
- (e) on request, to be provided, with up-to-date results of any performance testing and genetic evaluation for their breeding ponies, where such results are available.
- (f) to have access to all the other services provided in relation to the New Forest Pony Breeding Programme by the Society.

RIGHT OF MEMBERSHIP OF THE SOCIETY

The Articles of Association of the Society provide for membership, and New Forest Pony breeders have the right:

- (a) to become a member of the Society;
- (b) to participate in the defining and development of the breeding programme in accordance with the Articles of Association and Rules of the Society.

RIGHT OF EQUAL OPPORTUNITIES AND NON-DISCRIMINATION

The Society operates on the basis of equal opportunities and non-discrimination on behalf of employees, members and customers. None of these receive more or less favourable treatment on the grounds of: race, colour, ethnic or national origin, gender, sexual orientation, marital status, disability or religion.

RULES REGULATING THE SETTLEMENT OF DISPUTES WITH BREEDERS PARTICIPATING IN THE NEW FOREST PONY BREEDING PROGRAMME

The Society has adopted a Complaints and Disciplinary Procedure published separately.

At various points throughout the Breeding Programme, the dispute procedure specific to that section is stated.

Approved by Council in October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 7

THE STRUCTURE OF THE NEW FOREST PONY STUDBOOK

The New Forest Pony Breeding and Cattle Society maintains and operates the New Forest Pony Studbook in accordance with its own rules and all current zootechnical legislation (principally Articles 15 and 16 of (EU) 2016/1012, as enacted in England by The Zootechnical Standards (England) Regulations 2018).

The Studbook allows for formal registration of New Forest Ponies to ensure the integrity of bloodlines and to provide a definitive ancestry record.

THE DIVISIONS OF THE NEW FOREST PONY STUDBOOK

The sections that make up the New Forest Pony Studbook are as follows:

- The Approved or Main Section
- The X-Register or Unapproved Section (Non-breeding)

A Part-Bred Register is maintained separately.

These are described in more detail below.

The Approved or Main Section of the Studbook

The Approved section is for ponies that are approved for breeding and can be shown in registered New Forest Pony or affiliated Mountain & Moorland classes.

Females that meet the required criteria are registered straight into the Approved section.

The Y section is for entire male ponies until they reach their third year (taken as at 1 January). Yearling colts may be shown in registered New Forest classes.

When males are either licensed as a stallion as a 2-year-old or gelded they will be entered into the approved section and may be shown in registered New Forest pony classes.

Gelding earlier will also qualify the pony for the approved section on production of a signed certificate from the attending vet. Male foals that are gelded early can be entered at first registration into the approved section as geldings on production of a veterinary certificate.

The X-Register or Unapproved Section of the Studbook (Non-breeding)

This section of the studbook was introduced to allow the Society to comply with EU legislation (European Commission Decision 96/78/EC, which became mandatory in the UK in December 2005). It allows for registration by breed societies of ponies that would otherwise be ineligible for studbook entry. These ponies are not approved for breeding into the Approved or main section of the Studbook.

The X-Register is open to ponies whose sire and dam are registered in the Studbook but the pony does not fit the criteria for the Approved section.

A pony will be entered in the X-Register if its registration has not been notified to the Society within the correct timescale, that is after the registration deadline date in the year of birth, and the pony has not been DNA parentage verified (sire and dam).

Ponies can be entered into the X-Register at time of foal registration because

- their colour or markings do not meet the breed standard (for example, have excess white markings);
- they carry two copies of the cream dilute gene;
- their sire is an unlicensed stallion.

Ponies can be moved to the X-Register at a later age if they grow to exceed the breed standard height of 148 cm.

There is no grading up to the Approved Studbook so the progeny of X-Register mares will be registered into the X-Register.

X-Register ponies are not eligible to be shown in registered New Forest Pony or affiliated Mountain & Moorland classes.

X-Register ponies are issued with a specially marked maroon-covered Society passport.

Filial societies may use a different name and may have additional similar registers (eg sports register) provided it is made clear that these sections are for unapproved (non-breeding) ponies, and there is no grading up to the Approved Studbook.

A Part-Bred register is maintained separately.

Supplementary Section

There is NO supplementary section, as defined in Article 17 of (EU) 2016/1012, in the New Forest Pony Studbook. The Appendix closed in October 1990 (Volume 32 of Studbook). It had been for mares and geldings bred on the Forest and known to the Council to be of pure-bred New Forest stock.

Approved by Council in October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 8

REQUIREMENTS FOR ENTRY INTO THE APPROVED SECTION OF THE NEW FOREST PONY STUDBOOK

DEFINITION OF A NEW FOREST PONY

A New Forest Pony is one which is entered as such in the New Forest Pony Studbook.

ENTRY INTO THE STUDBOOK

General Rules, Dates, Fees

The only way to register a New Forest Pony is through the New Forest Pony Studbook.

The Society is bound to meet all zootechnical and equine identification (passport) legislative requirements.

The Council shall examine and when thought fit approve the applications for entry of eligible ponies into the New Forest Pony Studbook.

Applications for entry are to be received by the date set down in the legislation (currently 30 November of the year of birth).

On payment of the appropriate fee, as prescribed from time to time by the Council, the owner of a pony approved as eligible for entry into the Studbook shall have such pony entered in the Society's Studbook.

The equine single lifetime identification document (passport) is only valid if it is in the correct owner's name.

Eligibility for Entry into the Main or Approved Section of the New Forest Pony Studbook

A pony is eligible for entry if its sire and dam are entered in the Approved section of the Studbook.

In all cases the pony must meet the Breed Description.

Rules for Sires

No foal can be entered into the Approved Section of the Studbook unless the sire has been entered and licensed at the time of conception of the foal.

The licensing procedure is set out in the document: Inspection of Two and Three Year Old Colts, and Stallion Licensing: Policy and Procedures.

All sires (whether using natural service or assisted reproduction) must be entered into the studbook in which the foal is being registered, and it is the duty and responsibility of the registering society to ensure that the stallion (dead or alive) is fully eligible. This involves checking that he has a current breeding licence, has passed any required genetic tests, and has been DNA-profiled and sire-verified. The registering society must have a copy of the DNA profile listing the genetic markers and a report giving the results of genetic tests. This is irrespective of the country of birth of the stallion, his current country of residence, and the country that initially licensed him. The registering society must maintain the unique identification number (UEN), in order to ensure the continuity of the identification of the stallion. All filial societies should cooperate in making this information available to one another.

Identification of the Pony

Stud stallion owners must make a return of all mares served. No foal may be entered into the Studbook until this return or a covering certificate is received, excluding Forest-run foals.

Foals must be identified as 'foal at foot'.

Foals must be identified in accordance with all current zootechnical, equine identification and animal health legislation on the identification and registration of equines, and the rules set out in the New Forest Pony Breeding Programme.

Verification of Parentage

All ponies must be open to inspection and DNA-profiling/parentage verification, and photographs may be required showing front, back and both sides of pony.

Where there is any doubt over the parentage of an animal as stated in the registration document issued by this society, the Society may insist that the animal be DNA-profiled and parentage-verified at the owner's expense to confirm parentage.

The Council reserves the right to test all ponies in the approved studbook for parentage or genetically-inherited conditions at any time, at the owner's expense. Refusal to test will result in the removal of the pony from the approved studbook. The Council will determine the conditions under which samples will be taken. The Council may carry out re-tests in the event of anomalous results.

Name of Pony

The name of a pony in the Studbook shall not be changed after entry into the Studbook.

Each name in the Studbook shall be unique.

CANCELLATION OF ENTRY

The Council shall have the right to cancel the entry into the Studbook of any pony entered in the Society's Studbook if it is satisfied that after entry or transfer the entry was authorised as a result of a mis-statement by the owner or any person acting on the owner's behalf, or fails to comply with the conditions of entry into the Studbook.

WITHDRAWAL FROM THE APPROVED SECTION OF THE STUDBOOK

Any pony that is believed to be over the breed height of 148 cm must provide a JMB certificate showing that it does not exceed the maximum height allowed for the breed or it will be withdrawn from the Approved Section of the Studbook and moved to the Unapproved Section of the Studbook (the X-Register).

Filial societies should note that 148 cm is the absolute upper limit for the breed and ponies measuring over this limit should be given the opportunity of being re-measured by a vet under controlled conditions approved by the filial studbook society. If after re-measurement by a vet under controlled conditions the pony still measures over the limit then it should be removed from the main section of the Studbook.

In the case of breeding stock that measures over-height, the future progeny of such ponies would no longer be eligible for the main section of the studbook.

Any pony found to have excessive white markings beyond those permitted by the Society at the time of submission of its application for entry into the studbook will be withdrawn from the Approved Section of the Studbook and moved to the Unapproved Section of the Studbook (the X-Register).

DEFINITION OF FOREST BRED STATUS

A lawfully depastured pony that is known to the Council and agisters as being both sired and foaled on the open Forest, and which remained on the open Forest until 1 August in the year of birth (except in extenuating circumstances).

COUNCIL RIGHT OF REVIEW AND REVISION

The Council reserves the right to keep under continuing review all the terms and conditions set out in this document, and to make amendments from time to time as appropriate and necessary.

Approved by Council October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 9

BREED DESCRIPTION

HEIGHT

The upper height limit is 148 cms. There is no lower limit. All ponies should be judged equally regardless of height.

COLOUR

The three genetic solid base equine colours, bay/brown, black and chestnut are found in the breed.

The roan gene is found in the breed. Ponies should be described as bay roan, chestnut roan, or blue roan.

The grey depigmentation gene is found in the breed. The grey gene causes the progressive loss of pigment throughout the pony's coat and should only be stated as an adult colour. The foal's genetic birth colour should be given on the registration form.

The cream dilution gene is found in the breed. One copy of the cream dilution gene ('single dilute', n/Cr) is permissible. When a single copy dilutes chestnut it produces palomino. When a single copy dilutes bay/brown it produces buckskin (often referred to as dun). When a single copy dilutes black it produces smoky black. These are permissible in the approved section of the studbook provided that both parents are fully registered in the main section of the studbook and neither parent carries two copies of the cream dilute gene. Ponies carrying a single copy of the cream dilute gene may also carry the roan gene. Stallions may carry one copy of the cream dilution gene (n/Cr). Genetic coat colour testing at the owner's expense is the final determinant.

Two copies of the cream dilution gene ('double dilute', Cr/Cr) are not permissible, producing colours generally known as cremello, perlino, smoky cream, blue-eyed-cream and others. A pony carrying two copies of the cream dilution gene (Cr/Cr) which has two registered parents will be registered into the X-Register. Genetic coat colour testing at the owner's expense is the final determinant.

None of the other dilution genes are found. None of the broken-coated pattern genes such as piebald, skewbald, tobiano, overo, and none of the spotted/'appaloosa' pattern genes are found in the breed.

WHITE MARKINGS

White markings other than on the head and lower limbs: loss of, or absence of, pigment in hair or skin that is not known to have been associated solely with skin trauma is not acceptable. So, for the purposes of entry into the approved section of the Studbook a pony shall not have any white markings on pink skin behind the head, above a horizontal line level with the bony protuberance of the accessory carpal bone at the back of the knee in the forelimb, and the point of the hock in the hind limb, unless proven to be due to trauma/injury.

The lines on the diagrams show the permitted level of white on the forelegs.

TYPE

New Forest ponies should be of working type with substance. They should have sloping shoulders, strong quarters, plenty of flat bone, good depth of body, straight limbs and good hard round feet. The ponies are quite capable of carrying adults, while narrow enough for small children. The smaller ponies, though not up to so much weight, often show more quality.

ACTION

This should be free, active and straight, but not exaggerated.

TEMPERAMENT

The New Forest Pony has an amenable temperament that generally makes it very suitable for multiple disciplines.

Ponies registered in the X-Register of the Studbook may not adhere to the Breed Standard. These ponies are not permitted in Registered New Forest Pony or affiliated Mountain & Moorland classes.

Approved by Council, December 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 10

PART-BRED AND FIRST CROSS NEW FOREST PONIES

RULES FOR REGISTRATION

To breed a First Cross pony one of the parents must be a fully registered New Forest Pony and the other must be a fully registered pure-bred horse/pony from another breed. The resulting progeny that is bred this way is then eligible for the first cross register.

Cross bred ponies cannot produce a first cross.

Part-Bred ponies must have at least 25% registered New Forest blood. That is one grandparent must have been a fully registered New Forest Pony. In the case of a 25% part-bred, the parent that is 50% New Forest must be fully registered as such (as a part bred). Such progeny are then eligible for the part bred register.

NB. No breeding up from either register into the main approved section of the Studbook is allowed under any circumstances.

Approved by Council 26 March 1998

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 11

PREFIXES

The Society shall compile and maintain a register of prefixes to be used in conjunction with the names of ponies included in the Studbook.

Any Member may register a prefix consisting of one distinctive word subject to the approval of the Council and the British Central Prefix Register.

A prefix shall be included with the name of the pony only when the pony has been bred by the holder of the prefix.

In the event of an owner ceasing to use a prefix the Council may consider allowing the prefix to be transferred on receipt of the written permission of the owner, their family or executors.

All rules of the Central Prefix Register apply.

Approved by Council December 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 12

INSPECTION OF TWO AND THREE YEAR OLD COLTS, AND STALLION LICENSING: POLICIES AND PROCEDURES

General Regulations

By presenting your colt for inspection, you are expressly agreeing to all the terms and conditions set out in this document.

Please bring passports, so that identification of the pony can be checked against the passport. The passport should be correctly transferred into the current owner's name and correct address.

Neither the Society nor any of its Officers or Servants will be responsible for anything that may happen from any cause or circumstance whatsoever to any person attending, or any animal exhibited, at the inspection. It shall be a condition of entry that each Exhibitor/Owner shall hold the Society harmless and that they will indemnify the Society against any legal proceedings arising from any such cause or circumstance.

The inspection is open to public viewing, and many members of the public take photographs. Any photographs taken by the Society may be used by the Society in its publications and on the website.

The Council reserves the right to order off the venue any animal that they consider to be out of control or dangerous.

Regulations Relating to Owners, Exhibitors and Handlers

Handler's dress is casual and practical. Very sturdy footwear is recommended.

The Society recommends the wearing of a hard hat to current standards, and gloves.

Everyone in charge of stock will be subject to the orders, rules and regulations of the Society.

Any person whose conduct, in the opinion of the Committee, is detrimental to the character and interests of the Society may be subject to disciplinary proceedings.

Presentation of the Colt

Colts may be presented in halters or bridles.

Front shoes are permissible for colts aged 3 years or over, but not for 2-year-old colts.

Please ensure that your colt stands squarely and still for the conformation assessment, and is able to run up to show his movement in trot. Movement will be assessed in both walk and trot. Please ensure you pay sufficient attention to this in the colt's preparation. The colt will then be moved loose in the ring. We use the show ring within the open-air sale-yard complex. This is a secure area with high post and rail fencing and a natural surface. Please make sure that the lead rein can be unclipped quickly from the bridle. A lunge whip is available for your optional use.

The Inspection Stage

The Inspection will be by three Breed Society Inspectors, drawn from the Society's Stallion Grading Panel, and approved by the Council.

There is no charge for this inspection.

The inspectors will individually assess and score Conformation (50 marks), Type (20 marks) and Movement (Walk and Trot, 15 marks each).

Following the individual assessment the inspection panel may confer.

Conformation is broken down into 10 sections, scoring 5 points each. If two inspectors give a 2 for the same conformation category then the colt will be referred.

Conformation is split into the following sub-categories:

Head, Neck, Shoulder, Fore Limbs, Hind Limbs, Topline (which includes the overall balance and harmony of the frame), Depth, Width, Hind quarters, Bone.

Each sub-section is scored between 1 – 5 (5 being the maximum).

Type will be a single mark based upon the Society Breed Standard.

The pass mark of 70 must be awarded by at least two inspectors.

The following conformation faults, if of significant degree, or several faults exist in combination, are grounds for recommending rejection, as is general disproportion:

- Malformation of the mouth; uneven wear of the teeth
- Ewe neck, roach back, excessively long back,
- Flat feet, contracted feet, contracted heels, thin or brittle walls and soles, club feet and disproportion of feet,
- Unduly upright or excessively sloping pasterns,
- Base wide, base narrow, toe in, toe out, (fore or hind),
- Lateral deviation of the metacarpals, tied in below the knees in front or behind,
- Posterior, anterior, lateral, medial deviation of the knees,
- Anterior or posterior stance of the fore or hind limbs,
- Upright shoulder,
- Medial or lateral deviation of the hocks, excessive angulation of the hocks,

- Excessively straight hind legs,
- Curby hocks.

You will be given immediately a results slip saying whether the colt has passed or been referred, and you will be sent a summary score sheet later.

Myotonia

Compulsory DNA testing for myotonia ceased in 2017. However, any colt descended from Kantje Ronaldo will be liable to testing. If found to be a carrier will not be approved.

DNA Screening and Analysis

Hair samples will be taken, and will become the property of the Society, and may be used now and/or in the future for screening tests. The results of any such tests will remain the property of the Society.

One sample will be submitted to Weatherbys Scientific in Ireland for DNA analysis and sire checking of approved colts. The DNA profile remains the property of the Society and may be used to verify the pedigree of foals subsequently registered by the Society. No licence will be issued until the DNA profile has been received and the sire verified.

It is recommended that you do not use hair products on your colt's mane in order to avoid contamination of the hair samples.

Polysaccharide Storage Myopathy (PSSM)

All approved colts will have a sample of hair pulled during the vetting stage for testing for the PSSM-carrying gene. Any colt found to have one or two copies of the gene will not be approved for licensing. The Society is bearing the cost of taking the hair sample and having it tested.

The Vetting Stage

Once the colt has passed the Society inspection, he then proceeds to the vetting stage. The veterinary examination shall be such as to ensure recommendation of acceptance only for stallions free from clinical evidence of any disease or deformity as laid down by the Council and amended by them from time to time as found necessary, and of suitable conformation, and height.

The examining vet will certify that in their opinion the stallion is:

- a) free from clinical signs of contagious or infectious disease.
- b) free from clinical signs of any of the following – bone spavin, cataract, defective genital organs (including rotation of the testicles), navicular, parrot mouth, ringbone, sidebone, stringhalt, luxation or subluxation of the patella, roaring, whistling, shivering, sweet itch, sarcoids, inguinal & umbilical hernia.
- c) free from clinical signs of broken wind.
- d) not lame.
- e) of satisfactory conformation and physique.

- A slight disproportion between the testicles in an immature stallion may be accepted provisionally, ie, 1 year, conditional on a later examination showing normality.
- Torsion of the testicle – if found in a 2-year-old colt, no temporary licence will be issued, but the colt may return for a full vetting by a Society-approved vet as a 3-year-old at which complete normality of the testicles is expected. If torsion is found in a colt of 3 years of age or over, then the colt will fail the vetting.
- The incisors, upper and lower, should be in contact for at least half their width when the head is at its normal angle.

If your colt passes the vet, the Report Form and passport are sent to the office, and the passport will have the Veterinary Certificate number inserted.

The licence will not be granted until the veterinary inspection has been completed satisfactorily, DNA confirmation of the sire has been received, and the results of all required DNA screening tests have been received.

Microchipping

All licensed stallions are required to hold full passports so any colt coming forward on a Forest-run Derogation Certificate will have to be microchipped during vetting at the owner's expense.

Standards of Behaviour Expected During Vetting

Under no circumstances should a stallion be sedated for vetting. Colts should be handled well enough, so that they allow the veterinary examination to take place without being a danger to both their handler and the vet. During vetting the colt will have bone and height measurements taken, teeth checked for alignment, genital organs examined, and eyes closely checked for cataracts. Any colt whose behaviour is such that a complete examination cannot be carried out will be deemed to have failed the vetting and will not be licensed. The Council will back any decision by a vet to pull out of a vetting of a badly behaved colt. The vet should make appropriate notes on the Report Form.

Reminder of Society Rules about Showing and Licensing

Two- and three-year-old colts may NOT be shown without a licence. Only licensed colts of two years old or over may be used for breeding purposes, enabling registration of progeny into the main body of the studbook.

Referrals

If your colt does not pass the Society inspection, he can be referred for a second inspection in the following season's inspection, by a panel of three different inspectors. Please note the conditions in the paragraph above.

Inspection Appeals

If your colt fails two inspections, you then have the right to make a direct appeal to the Council of the Society, which will consider each case on its merits. The appeal should be lodged with

the Council, in writing, within 14 days of receipt of the summary score sheet, and accompanied by a remittance of £50 which shall be returnable in the event of the appeal inspection proving successful. The appeal inspection panel will be made up of three inspectors who have not seen the colt previously.

Veterinary Appeals

Should a stallion, of any age, be deemed unacceptable by the Society as a result of a veterinary examination or appraisal, an appeal may be made to the Council who will appoint one or more Veterinary Surgeons, with or without one or more Officials, to re-examine the animal, and/or his offspring, if relevant, and report to the Council. The decision of the Council following consideration of the appeal and such report shall be final and indisputable. Any such appeal shall be lodged with the Council, in writing, within 14 days following the original veterinary inspection, and accompanied by a remittance of £50 which shall be returnable in the event of the appeal proving successful.

The Future – Your Colt’s Licence

Once approved by the Society and passed by the vet, your colt will then receive his initial licence and his passport will be stamped with the licence number. This is valid until 30 April of the year in which he is five years old. Between 1 January and 30 April of his fifth year he will need a second vetting, and on passing that he will be granted his full licence. Under normal circumstances, this second vetting may be carried out by a vet nominated by you and approved by the Society and may be carried out on your own premises.

At any time a stallion is liable to re-examination, on a decision by the Society’s Council, by a veterinary surgeon appointed by the Council. A stallion may also be liable to appraisal by officials of the Society at any time concerning non-veterinary aspects of acceptability.

Withdrawal of Breeding Licence

A Council decision to revoke a breeding licence may apply to a stallion whether dead or alive, and this applies equally to any frozen semen or embryos in storage at that date, and any foal born subsequently after that date using that frozen semen or embryos may not be registered into the main section of the studbook.

Your Obligations as a Stallion Owner

It is extremely important that the Society knows the whereabouts of all licensed stallions. We have to communicate with you on a regular basis and as we are now a rare breed we are constantly checking bloodlines in order to maintain diversity of our gene pool. We sincerely hope it never happens but if there is an outbreak of an exotic disease in this country it will be absolutely critical that we know where all our stallions are, and that we can contact you urgently within hours.

- You must ensure that all ownership records in the passport are up-to-date in compliance with current legislation.
- Please ensure that the Society has your full contact details, and that you notify us immediately of any changes.

- You must maintain up-to-date and complete records of coverings, issue service certificates, and file an Annual Return of Coverings, which includes all mares, both New Forest and other breeds.
- You must notify the Society immediately of the castration or death of the stallion by returning the passport for endorsement. The used pages of the passport of a deceased pony can be returned on request.
- Nearly all shows, events and competitions now require stallions to display a stallion disc on the bridle. It is your responsibility to provide this and ensure it is clearly visible.

Use of the Stallion for Assisted Reproduction

Please refer to the Assisted Reproduction – Policy and Procedures document for full instructions on the procedures to be followed and the forms to be completed.

GENERAL DATA PROTECTION REGULATION (GDPR) - PRIVACY STATEMENT

NFPBCS is a data controller registered with the Information Commissioner and endeavours at all times to process your personal data in accordance with the GDPR. All stallions are legally required to have passports and no personal information beyond that which is legally required in connection with ownership of a stallion is needed or processed for the administration of the inspection, and subsequent licensing. The inspection is a joint event with the Verderers of the New Forest, who are also data controllers and information will be shared with them, as is necessary for the administration of the event. Your name as owner will be listed in the catalogue. Results information including photographs may be published (in printed form and online) both to the press and in the Society's publications and studbook. Information may be supplied to Defra and other regulatory authorities if requested by them. Information will be passed to the Society's, or to your own, veterinary surgeons. The making of an entry is irrevocable consent for the storage and disclosure of information in this way. We will never sell your data.

The Society gratefully acknowledges the support of the Horserace Betting Levy Board through a grant payable in recognition of the Society's Minority Status on the RBST Watchlist.

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 13

ASSISTED REPRODUCTION – POLICY AND PROCEDURES

The use of artificial insemination and embryo transfer is permitted for the breeding of foals to be registered into the main section of the New Forest Pony studbook, subject to the following conditions.

EPIDIDYMAL SEMEN HARVESTING

Epididymal semen harvesting is allowed and is particularly welcomed for conservation gene banking but may also be used as a source of frozen semen for commercial breeding, subject to the conditions for artificial insemination..

In all cases the donor stallion must have been licensed for breeding on the date the procedure was carried out, and provided the Society has a record of the DNA profile of the donor stallion.

Immediately after the procedure, the equine identity document (passport) must be returned to the Society office for either amendment to gelding status or cancellation on death.

ARTIFICIAL INSEMINATION

The donor stallion

The donor New Forest stallion, as with natural covering, must meet all requirements of the NFPBCS for natural service in that he must:

- Be registered with the NFPBCS and be licensed for breeding;
- Have his DNA profiled and sire verified, and the results recorded on NFPBCS records.

The semen

Collection and insemination must be carried out by an operator approved by the Society.

For semen that may be traded into the EU, then the semen collection or storage centre must be approved for intra-Union trade in this commodity in accordance with Union animal health law.

The semen used in the insemination must be certified as being the semen of the named donor stallion by a veterinary surgeon or such competent person permitted by law. The Stallion Covering Certificate and the Artificial Insemination Certificate should be completed and sent to the Society

The Mare Owner

The mare owner must also certify that the semen is from the donor stallion to the best of his/her knowledge or belief.

The Recipient Mare

For the foal to be eligible for registration in the main section of the studbook, the recipient mare must meet all NFPBCS requirements for registration, and she must be DNA-profiled. If this profile is not already on NFPBCS records, then a hair sample should be taken at the time of insemination and sent to the Society with the appropriate fee, for analysis.

The Progeny

Any resulting foal must be DNA analysed and the full parentage confirmed before it can be accepted into the studbook. The registration form must be accompanied by the AI Stallion Covering Certificate and the Artificial Insemination Certificate, if these have not been filed with the Society previously.

Limit on Number of inseminations

The maximum number of inseminations per stallion each year is limited to 30.

Ownership of Frozen Semen after the sale of the stallion

If a stallion is sold but the vendor retains stored semen, then that vendor is responsible for putting contracts in place which clearly set out the rights of ownership of that semen and the conditions for the use of that semen.

Death of a stallion

Frozen semen may be used after a licensed stallion has died, provided the Society has a record of the DNA profile of the deceased stallion.

Disputes

The Council will not get involved in any dispute concerning the ownership of semen, or disputes about payment for the use of semen, and reserves the right to issue an identity-only passport until all parties certify that all disputes are resolved.

Withdrawal of Breeding Licence of a Stallion and any Frozen Semen or Embryos in Storage

If a stallion, dead or alive, has his breeding licence revoked, then this applies equally to any frozen semen or embryos in storage at that date, and any foal born subsequently after that date using that frozen semen or embryos cannot be registered into the main section of the studbook.

This limitation is permitted under Article 21, paragraph 2 of (EU) 2016/1012, and, as stated in that paragraph, it is binding on filial breed societies.

Withdrawal of Recommendation for Breeding of a Mare and any Frozen Oocytes and Embryos in Storage

If a breeding mare, dead or alive, tests positive or as a carrier for a genetically inherited condition and the Council recommends that she is no longer used for breeding, then this applies equally to any frozen oocytes or embryos in storage at that date. Article 21 paragraph 2 of (EU) 2016/1012 applies.

Export of semen to the EU following the UK's withdrawal from the EU

The EU has granted the UK Third Country zootechnical status from 1 January 2021 and NFPBCS is a listed breeding body under Article 34 of (EU) 2016/1012. It is the semen buyer's responsibility to ensure that all EU movement regulations are followed.

The Society will, on request, provide a Zootechnical Certificate in accordance with EU 2017/1940 and EU 2020/602 and will forward this to the semen collection/storage centre for final completion and sending with the sample. It is the semen buyer's responsibility to ensure that all the correct documentation is completed which will enable the foal to be registered in the studbook in the country of birth.

It is the responsibility of the filial society to register such foals in accordance with Article 36 of (EU) 2016/1012.

Import of semen from the EU following the UK's withdrawal from the EU

It is the semen buyer's responsibility to ensure that:

- all Defra movement and import requirements are complied with.
- the semen sample is accompanied by a Zootechnical Certificate issued in accordance with EU 2017/1940 and EU 2020/602, and that a copy is sent to the Society.

The DNA profile (showing the genetic markers) and all relevant registration details of the donor stallion must be made available to NFPBCS.

It is the semen buyer's responsibility to ensure that all the correct documentation is completed which will enable the foal to be registered in the New Forest Pony Studbook.

Rules for Artificial Insemination for Part-Bred New Forest Registration

If the donor stallion is another breed, then the criteria of the relevant breed studbook for that stallion must be met and complied with. The DNA profile and all relevant registration details must be made available to NFPBCS.

If the recipient mare is another breed, then her DNA profile and all relevant registration details must be made available to NFPBCS,

All other procedures are the same as for pure-bred breeding by artificial insemination.

EMBRYO TRANSFER

Collection of embryos and their transfer must be carried out by an operator approved by the Society.

For embryos that may be traded into the EU, the embryo collection or production team or storage centre must be approved for intra-Union trade in this commodity in accordance with Union animal health law.

Foals that are the result of ET must be parentage verified to the sire and donor mare.

The registered owner of the donor mare will be recorded as the breeder unless the Society is notified otherwise.

A hair sample will be required from the recipient mare which will be held and only analysed in the event of the foal failing its parentage test.

Approved by Council in October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 14

THE ROLE OF NFPBCS AS THE STUDBOOK OF ORIGIN, ITS RELATIONSHIP TO FILIAL BREED SOCIETIES, THE PRINCIPLES TO BE FOLLOWED BY FILIAL BREED SOCIETIES

LEGISLATIVE FRAMEWORK

ZOOTECHNICAL REGULATION (EU) 2016/1012 – ‘Animal Breeding Regulation’

DELEGATED REGULATION (EU) 2017/1940 – content and format of equine zootechnical certificates

DELEGATED REGULATION (EU) 2020/602

The above regulations lay down the framework for the breeding of pure-bred New Forest ponies, the issuing of zootechnical certificates, and for the operation of all New Forest filial breed societies, and should be fully adhered to.

EXTRACTS FROM REGULATION (EU) 2016/1012

The following extracts are highlighted as being particularly relevant, but should be read in the context of the full Regulation.

Recital (8)

Over the last 20 years, the Commission has had to respond to a significant number of complaints, raised by breeders and operators carrying out breeding programmes, in relation to the national transposition and interpretation of Union legal acts on the breeding of animals in different Member States. To ensure the uniform application of Union rules on breeding animals and to avoid obstacles to trade in breeding animals and their germinal products resulting from divergences in the national transposition of those Directives, the zootechnical and genealogical conditions for trade in breeding animals and their germinal products and their entry into the Union should be laid down in a Regulation.

Recital (14)

The aim of the rules on purebred breeding animals laid down in this Regulation should be to grant access to trade based on agreed principles applicable to the recognition of breed societies managing breeds and the approval of their respective breeding programmes. This Regulation should also lay down rules governing the entry of purebred breeding animals in the main section of the breeding books and, where they exist, in the different merit classes of the main section. It should also lay down rules for performance testing and genetic evaluation and rules for the acceptance of breeding animals for breeding as well as the content of the zootechnical certificates.

Recital (33)

From various complaints the Commission has had to deal with in previous years, it appears that this Regulation should provide for clear rules governing the relationship between the breed society that establishes a filial breeding book for a particular breed of purebred breeding animals of the equine species and the breed society that claims to have established the breeding book of the origin of that breed.

Annex I, Part 3

3. The following specific requirements shall apply to purebred breeding animals of the equine species, in addition to those set out in Parts 1 and 2:
- 3(a) Where a breed society declares to the competent authority that the breeding book it has established is the breeding book of the origin of the breed covered by its breeding programme, that breed society shall:
 - (i) have in its possession a historical record of the establishment of that breeding book and have made the principles of that breeding programme publicly available;
 - (ii) demonstrate that there is, at the time of the application referred to in Article 4(1), no other known breed society or breeding body which is recognised in the same or another Member State or in a third country, which has established a breeding book for the same breed and which is carrying out a breeding programme on that breed based on the principles referred to in point (i);
 - (iii) cooperate closely with the breed societies referred to in point (b), and in particular inform, in a transparent and timely manner, those breed societies of any changes to the principles referred to in point (i);
 - (iv) have, where necessary, established non-discriminatory rules as regards its activities with respect to breeding books established for the same breed by breeding bodies that are not included in the list provided for in Article 34.
- 3(b) Where a breed society declares to the competent authority that the breeding book it has established is a filial breeding book of the breed covered by its breeding programme, that breed society shall:
 - (i) incorporate into its own breeding programme the principles established by the breed society referred to in point (a) that maintains the breeding book of the origin of the same breed;
 - (ii) make the information regarding the use of the principles referred to in point (i) and their source publicly available;
 - (iii) have mechanisms in place to ensure the necessary adjustments of the rules set out in its breeding programme, referred to in Article 8(3), and, where applicable, Article 12, to the changes made to those principles by the breed society referred to in point (a) of this paragraph that maintains the breeding book of the origin of the breed.

4 (c) By way of derogation from point 3(b) of this Part, a breed society maintaining a filial breeding book may establish additional classes according to merits, provided that the purebred breeding animals of the equine species which are entered in the classes in the main section of the breeding book of the origin of the breed or of other filial breeding books of the breed may be entered in the corresponding classes of the main section of that filial breeding book.

Annex II, Part 1, Chapter I

3. In addition to the rules set out in point 1(c) of this Chapter, a breed society that enters in its breeding book a purebred breeding animal of the equine species which has already been entered in a breeding book established by another breed society carrying out a breeding programme approved in accordance with Article 8(3), and, where applicable, Article 12 shall enter that purebred breeding animal under the identification number ascribed to it under Regulation (EU) 2016/429 which shall ensure the uniqueness and continuity of the identification of that animal and, except where a derogation has been agreed by the two breed societies concerned, under the same name, with an indication, in accordance with international agreements for the breed concerned, of the code of the country of birth.

NEW FOREST PONY BREEDING BOOK OF ORIGIN

The UK's New Forest Pony Breeding and Cattle Society (NFPBCS) has declared to its competent authority, the UK Government's Department for Environment, Food and Rural Affairs (Defra), that its New Forest Pony Studbook is the breeding book of origin for the New Forest Pony breed. The EU Commission has approved NFPBCS as a third country breeding body under Article 34 of (EU) 2016/1012.

IN RELATION TO FILIAL SOCIETIES, NFPBCS AS THE STUDBOOK OF ORIGIN WILL:

Cooperate closely with filial breed societies and in particular inform those filial breed societies, in a transparent and timely manner, of any changes to its breeding programme. It will do this through:

- Posting all relevant material and updates on its open website.
- Emailing all changes to the breeding programme to filial societies.
- Sending a copy of the Annual Report to each filial society.
- Giving relevant officers of filial societies access to Grassroots Online, the digital version of the New Forest Pony Studbook.
- Ensure that regular International Meetings are held, currently on a biennial basis.
- At international meetings, giving each filial society the latest issue of the printed studbook.

The Society has, where necessary, established non-discriminatory rules as regards its activities with respect to breeding books established for the same breed by breeding bodies that are not included in the list provided for in Article 34.

The Society will enter into the New Forest Pony Studbook, ponies of the same breed that are eligible for entry under the Society's Requirements for Entry into the Approved Section of the New Forest Pony Studbook, without discrimination on account of their country of origin.

NEW FOREST PONY FILIAL BREED SOCIETIES AND FILIAL BREEDING BOOKS

At some stage (and this may have been in the past) each European New Forest breed society should have declared to its competent authority that its breeding book is a filial breeding book of the UK's NFPBCS New Forest Pony Studbook.

THE PRINCIPLES TO BE FOLLOWED BY FILIAL NEW FOREST PONY BREED SOCIETIES

Filial New Forest Pony breed societies shall:

- (i) incorporate into its own breeding programme the principles established by the New Forest Pony Breeding and Cattle Society which maintains the breeding book of origin for the New Forest Pony breed;
- (ii) make the information regarding the use of the principles referred to in point (i) and their source publicly available;
- (iii) have mechanisms in place to ensure the necessary adjustments of the rules set out in its breeding programme, to the changes made to those principles by the NFPBCS that maintains the breeding book of the origin of the breed.

Filial breed societies should inform NFPBCS, in a timely and transparent manner, of any changes to its breeding programme.

ENTRY INTO EU FILIAL STUDBOOKS OF BREEDING NEW FOREST PONIES AND OFFSPRING PRODUCED FROM GERMINAL PRODUCTS THAT HAVE ENTERED THE EU FROM THE UK

NFPBCS has been listed as a breeding body by the EU Commission under Article 34 of (EU) 2016/1012. Accordingly, EU filial societies must enter into their filial studbooks, breeding New Forest ponies and offspring produced from germinal products that have entered the EU from the UK as set out in Article 36 of (EU) 2016/1012.

RIGHTS AND OBLIGATIONS OF BREED SOCIETIES

In accordance with Article 14.1 of Regulation (EU) 2016/1012, as regards their breeding programmes, breed societies shall have the right to define and carry out such breeding programmes autonomously, provided that they comply with the Regulation and any conditions of their approval. Filial societies may need to consult with their national/federal bodies.

Approved by Council in October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 15

MYOTONIA BREEDING POLICY

At the International Meeting held in Ermelo, The Netherlands, 29-30 September 2017, it was agreed that from 1 January 2018:

Compulsory testing of all stallions for the myotonia carrying gene is no longer required;

Stallions and mares that are to be used for breeding that have a parent that carries the myotonia gene should be tested.

All breeding stock descended from Kantje's Ronaldo that has not been tested previously, should be tested.

Where testing is required in the above circumstances, then the 2013 Myotonia Breeding Policy (printed below) applies.

In addition:

Point 6 of the 2013 Myotonia Breeding Policy makes it clear that the breeding licence is revoked for any stallion who is found to be a carrier of the myotonia gene. This must apply equally to all deceased stallions and, in accordance with the policy on Assisted Reproduction and Article 21 of the Animal Breeding Regulation (EU) 2016/1012, to any frozen semen of that stallion in storage. From 1 January 2021, no frozen semen can be used where it comes from a stallion, dead or alive, who has had his breeding licence revoked for being a carrier of the myotonia gene, to breed foals who will be registered into the main section of the studbook.

2013 Myotonia Breeding Policy

Aim of the Policy

Council believes that steps should be taken to, at best, eradicate the carrier gene from the studbook, or at least, to isolate it.

Policy

1. All UK stallions licensed in 2012 are to be tested for the carrier gene, at the Society's expense.
2. All colts approved for licensing are to be tested during vetting and will not be licensed until there is a clear result.
3. All sampling will be carried out by a veterinary surgeon, and the DNA tests will be undertaken at a laboratory approved by the Council.
4. Stallion owners are obliged to agree to the results being entered in the passport and published by the Society.
5. Failure to have a stallion tested will result in his progeny not being accepted into the approved section of the stud book.
6. If a stallion is found to be a carrier, his licence will be revoked.
7. If any carriers are found, their passports will be marked, and the results published.
8. The progeny of any carriers will be registered in the X-Register.
9. All mare owners are advised to check that the stallion has been tested clear before sending a mare to stud.
10. All imported stallions to be used for breeding will have to be tested clear before being accepted into the UK studbook.
11. All breeding mares that have lineage tracing back to Kantje's Ronaldo must be tested clear, unless both their sire and dam have a clear test result on file.
12. Daughter studbooks are asked keep NFPBCS informed of the steps being taken to deal with the issue in their own countries. The expectation is that they will adhere to this policy as a minimum, but may take action over and above this, depending on the number of carriers found.

This policy took effect in November 2012. Council is keeping the situation constantly under review, and other steps may be taken, as necessary. This policy will be formally reviewed in June 2015.

Approved by Council, June 2013

Published in Annual Report 2013

Approved by Council in October 2020

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

BREEDING PROGRAMME - CHAPTER 16

PSSM1 BREEDING POLICY

PSSM1 – What is it?

Polysaccharide Storage Myopathy Type 1 (PSSM1) is a dominant autosomal hereditary condition that can cause a genetic form of tying-up, with muscle damage and inability to move. In some horses, symptoms may begin by 2-3 years of age, while others remain sub-clinical. In many cases horse that have tested positive have had no history of 'tying-up' or other symptoms associated with PSSM.

How PSSM1 is inherited

The genetic test verifies the presence of the dominant PSSM mutation. Because it is dominant, a horse having only one copy (heterozygous) is affected, and has a 50% chance of passing the PSSM allele to its offspring. This 'dominant' effect has major implications for breeders – there are no 'carriers' – a horse has got the condition, or it has not got it.

This makes it different to Myotonia, which is a recessive mutation, and has 'carriers' who are not themselves affected.

Policy

1. All UK New Forest stallions licensed for use in 2018 were tested at the Society's expense and tested clear n/n, so are free of the PSSM1-carrying gene, they cannot pass it on, and are safe to use for breeding.
2. All colts approved for licensing are to be tested during the inspection/vetting process and will not be licensed until there is a clear n/n result. Any positive result will be published.
3. All hair sampling of colts will be carried out by a veterinary surgeon or approved Society official, and the DNA tests will be undertaken at a laboratory approved by the Council.
4. Stallion owners are obliged to agree to the results being entered in the passport and published by the Society.
5. Failure to have a stallion tested will result in his breeding licence being revoked and his progeny not being accepted into the approved section of the stud book.
6. If a stallion tests n/P1 or P1/P1, his breeding licence will be revoked. The passport will be marked and the result published.

7. If a deceased stallion tests n/P1 or P1/P1, then his breeding licence is revoked and this will apply equally to any frozen semen or embryos in storage at the time.
8. All imported stallions to be used for breeding must be tested clear before being accepted into the UK studbook, or the importing country's filial studbook.
9. All stallions used for intra-state breeding, whether by natural service or assisted reproduction, and whether dead or alive, must be PSSM1-clear. The society which will register the foal will need to satisfy itself that the stallion has tested clear.
10. It will be a requirement that all potential breeding stock being imported from another filial country are tested clear before progeny are accepted into the approved section of the studbook.
11. Although mindful of the decision taken at the 2019 International Meeting, the zootech regulations state the requirement for filial studbooks to follow the rules of the studbook of origin and therefore filial studbooks are required to test all stallions.

Owners of female breeding stock from the affected lines

Breeders will need to review the pedigrees of all mares and identify those that may be affected. Each breeder will have their own breeding plan with their own aims, goals and objectives, so each breeder will have to take their own individual decisions as to how to deal with possibly affected mares. The only way forward is through responsible testing and each breeder will have to decide on which of their mares to test, and when, according to when they are likely to breed next, and in accordance with your plans for that mare.

With a genetic test available, breeders can avoid breeding affected foals. Voluntary disclosure of a pony's tested status, whether they are used for breeding, or being offered for sale, should become the norm, rather than the exception. All stallions used in the future will be PSSM-free. Through responsible testing and careful breeding, breeders can eliminate the possibility of any affected foal ever being born.

This policy took effect in December 2020. Council is keeping the situation constantly under review, and other steps may be taken, as necessary.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2020

The trustees present their report together with the financial statements for the year ended 30th November 2020.

Charitable Status and Company Details

The society is a registered charity and its registered number is 1064746.

The company registration number is 03421046.

Address and Registered Office

Deepslade House, Ringwood Road, Bransgore, Hampshire, BH23 8AA.

Directors/Trustees

The directors/trustees during the year were as follows:-

Mr. S.C. Dovey
Ms T. Nineham
Mr. P. Pidgley
Mrs. S. Young
Miss. J.M. Tillyer
Mrs. J.F. Williams
Miss D. MacNair MBE
Mr. J.H. Young
Ms. W.G. Fromm

Miss H. Palmer
Mr. B. Ingram
Mrs. A. Pidgley
Mrs. S. Kempe
Miss N. Stephens
Mrs J.A. Lowth
Miss H. Whetren
Mr. L. Blomfield
Mr. M. Fry

Secretary:
Ms. J. Murray

All directors/trustees are members of the Society.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2020

Governing Document

The Society is a charitable company limited by guarantee, incorporated on 18th August 1997 and registered as a charity on 8th October 1997.

The Society was formed under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. Under those Articles, the trustees are elected at the Annual General Meeting and one-third of their number are subject to retirement by rotation at each Annual General Meeting. The trustees may appoint a person who is willing to act to be a trustee to fill a vacancy until the next Annual General Meeting. A trustee who retires at an Annual General Meeting may, if willing to act, be reappointed.

The liability of the members is limited to such contribution as may be required (not exceeding £11) to the Charity's assets if it should be wound up while he or she is a member or within one year after he or she ceases to be a member, for payment of the Charity's debts and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves.

If the Charity is wound up or dissolved and after all its debts and liabilities have been satisfied there remains any property it shall not be paid to or distributed among the members of the Charity, but shall be given or transferred to some other charity or charities having objects similar to the objects of the Charity.

Appointment of Trustees

The President and other elected officers are appointed at the Annual General Meeting. The other Board members are elected for a three year term, one third retiring annually.

Objectives and Activities

The objects for which the Society is established are:

- to encourage the preservation and breeding of the best type of New Forest ponies;
- to undertake to record New Forest ponies and enter them in the New Forest Pony Stud Book;
- to hold two annual shows, one for entered New Forest stallions, and one for the encouragement and improvement of the breed of entered New Forest ponies.

The Charity's main activities are based at its office in Bransgore where one part-time assistant is employed, supported by officers of the Society. Shows are generally held at New Park, Brockenhurst.

Achievements and Performance

The Charity sees its main achievements as the successful recording of New Forest ponies and the promotion and preservation of the breed.

Financial Review

The net outgoing resources for the year amounted to £9,248. This decreases the total reserves at the year end to £289,428 which are unrestricted funds.

The New Forest Pony Breeding and Cattle Society

Trustees' Report

For the year ended 30th November 2020

Reserves Policy

The trustees consider the reserve requirements are adequately met as the income of the society covered its operating costs so that the reserves were not eroded.

Investment Policy

The trustees policy on investment is designed to continue to generate income to enable the society to continue with its objects without exposing the capital funds to any undue level of risk. Investment decisions are taken in conjunction with stockbrokers' advice.

Responsibilities of the Trustees

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the Charity at the balance sheet date and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation; and
- fulfill the objects of the Society.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and was approved by the board on 3rd February 2020 and signed on its behalf.

S.C. Dovey

Mr. S.C. Dovey
Director

Independent Examiner's Report to the Trustees On the unaudited financial statements of

The New Forest Pony Breeding and Cattle Society

I report on the unaudited financial statements of the society for the year ended 30th November 2020 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles in the Charities SORP (FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland")

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 30th November 2020 have not been audited because the company is entitled to the exemption provided by 477 of the Companies Act 2006 and members have not required the company to obtain an audit of its accounts for the year in accordance with Section 476. The directors acknowledge their responsibility for ensuring that the company keeps accounting records which comply with Section 386 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the results for the financial year in accordance with the requirements of Sections 396 and 474(2) of the Act and which otherwise comply with the requirements of this Act relating to accounts so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the board on 3rd February 2020 and signed on its behalf.

S. Kempe

Mrs. S. Kempe
Director

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2020

1. Accounting Policies

Charity Information

The New Forest Pony Breeding and Cattle Society is a charitable company limited by guarantee established under its Memorandum and Articles of Association and registered with the Charity Commission and Companies House in England and Wales. The principal address is Deepslade House, Ringwood Road, Bransgore, Christchurch, Dorset, BH23 8AA.

Basis of Preparation

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value and in accordance with the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (SORP 2015), applicable UK accounting standards, the Companies Act 2006 and the Charities Act 2011.

As the company is a charity, the wording of the statutory formats required by the Companies Act 2006 has been appropriately amended to give a true and fair view.

The accounts are prepared in sterling, which is the functional currency of the charity.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the Charity.

Incoming Resources

Incoming resources represents the invoiced value of goods and services, less returns and is included when receivable. Annual subscriptions from members are included in income of the year to which they relate. Voluntary income received by way of donations and gifts is included when receivable. Legacies are recognised when there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is included when receivable.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2020

Resources Expended

Resources expended are recognised in the period when the liability is incurred and include attributable VAT which is not recoverable.

- Costs of generating funds are those costs incurred in trading activities that raise funds.
- Charitable expenditure includes costs associated with the staging of shows and functions and includes both direct and support costs relating to the activities.
- Investment management costs include portfolio management fees.
- Governance costs include those primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Tangible Fixed Assets and Depreciation

Fixed assets are capitalised at cost. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value over their expected useful lives. The rates generally applicable are:

Show unit	25% cost
Office equipment	25% net book value
Fittings and equipment	20% net book value

Investments

Investments held as fixed assets are valued at their market value ruling at the balance sheet date and the gain or loss is taken to the Statement of Financial Activities.

Stock

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a First In First Out basis.

Debtors and Creditors Receivable/Payable Within One Year

Debtors and creditors are recognised at the settlement amount due after any trade discount offered.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Legal Status of the Charity

The Society does not have a share capital as it is a company limited by guarantee, whereby every member undertakes to contribute to the assets of the society, in the event of the company being wound up, an amount not exceeding £11 each, if required.

The New Forest Pony Breeding and Cattle Society

Notes to the Financial Statements For the year ended 30th November 2020

3. Related Party Transactions and Trustee Remuneration

Trustees are not remunerated for their services. There are no material transactions involving the supply of goods or services to the society by any trustees.

TREASURERS REPORT 2020

The accounts show a net loss of £4,305, similar to last year (loss of £3,966 in 2019).

Due to COVID, we were unable to hold our AGM or Annual Show. Although the absence of these events did not directly contribute to financial results, the reduced public profile has probably reduced subscriptions and trading operations.

During this financial year the Society contributed £1500 to the Verderers' Hit and Run reward scheme which had successfully obtained information regarding two separate hit and run events.

The Society benefitted from £3,149 from the Government Furlough scheme which helped to reduce losses for the year. Due to lack of physical meetings, travel expenses were also much reduced.

Investments have performed reasonably well despite uncertainty caused by the pandemic. Investment income was slightly increased and the portfolio value remains very similar to last year at £256,440.

All in all, the Society has come through a difficult year in a good financial position and ready to recommence activities to uphold our aims and objectives as soon as current restrictions are lifted.

Kathy Clarke

Treasurer
