FOR THE YEAR ENDED 31 MARCH 2025**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Related party

LANPAC Limited is a wholly owned subsidiary of the charity. A summary of the transactions undertaken with LANPAC during the year is set out in notes to the financial statements.

OBJECTIVES AND ACTIVITIES

Aim of the Charity

The Lancashire Partnership Against Crime was established in 1992 and is a partnership of Lancashire Businesses, Public Services and Voluntary organisations working together to reduce levels of crime and disorder across Lancashire, Blackpool and Blackburn with Darwen. The Partnership has charitable status and is a company limited by guarantee which raises valuable additional resources through fundraising events, charitable donations and grants. The aim of the charity is to promote the prevention and reduction of crime and anti-social behaviour in Lancashire and to support initiatives that lead to increased community safety and better quality of life for our region's residents and visitors.

Achievements in the year

The Charity's core focus remains the provision of grants for projects aimed at crime prevention. Many of the supported initiatives are designed to protect and reassure vulnerable and elderly individuals, reduce incidents of criminal damage, anti-social behaviour, vehicle crime, and domestic burglary, as well as to engage young people in constructive leisure activities.

Grants are awarded following a formal application process. Each application is carefully reviewed and approved where it is deemed to deliver public benefit in line with Charity Commission guidelines.

During the year, the Charity awarded 74 grants to support a range of projects. In addition, it successfully hosted conferences focusing on Business Crime Prevention, Modern Slavery,

Our Members

The support of our members is vital to your success. We encourage partnership working and encourage matched funding being sought to complement any monies allocated by LANPAC to pump-prime projects. As a result, this has multiplied our initial outlay fourfold, so that, in real terms, for every £400 donated to LANPAC in the form of a membership fee, it is in reality worth £1,600 to our charity.

FINANCIAL REVIEW

Financial position

Total incoming resources for the year were £185,076 (2024: £104,234). Total resources expended were £124,248 (2024: £193,426). The charity had net incoming resources of £60,828 (2024: net outgoing resources £89,192).

Reserves policy

The free reserves of the Charity as at 31 March 2025 were £50,212 (2024: -£10,616). The directors are regularly promoting grant applications, however, grants awarded depend on the volume and quality of applications received.

Investment powers

Under the Articles of Association the Directors have the power to expand the funds of the company in such a manner as they shall consider most beneficial for the achievement of the objects.

FUTURE PLANS

The Charity plans to continue its grant making activities and to reduce reserves through the awarding of larger amounts to suitable bigger projects. The Charity will also provide practical support in the form of conferences, particularly in those areas which are seen as priorities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE LANCASHIRE PARTNERSHIP AGAINST CRIME
LIMITED**

Independent examiner's report to the trustees of The Lancashire Partnership Against Crime Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

The Lancashire Partnership Against Crime Limited is an incorporated charity in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information of these financial statements. The nature of the charity's operations and principal activities are in the detail in the Report of the Trustees.

The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

Going Concern

The financial statements have been prepared on a going concern basis and the trustees believe that no material uncertainties exist. The Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants and other donations - income from donations are included when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Gift aid donations - the subsidiary company, LANPAC Limited covenants to pay to the partnership a sum equal to 100% of the annual taxable profit of the company for each accounting period. This is accounted for when received.

Interest received - interest is included when receivable by the charity.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to charity. For example, the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Irrecoverable VAT is charged as an expense against the activity for which the expenditure arose.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Related party

LANPAC Limited is a wholly owned subsidiary of the charity. A summary of the transactions undertaken with LANPAC during the year is set out in note 9 of the financial statements.

OBJECTIVES AND ACTIVITIES

Aim of the Charity

The Lancashire Partnership Against Crime was established in 1992 and is a partnership of Lancashire Businesses, Public Services and Voluntary organisations working together to reduce levels of crime and disorder across Lancashire, Blackpool and Blackburn with Darwen. The Partnership has charitable status and is a company limited by guarantee which raises valuable additional resources through fundraising events, charitable donations and grants. The aim of the charity is to promote the prevention and reduction of crime and anti-social behaviour in Lancashire and to support initiatives that lead to increased community safety and better quality of life for our region's residents and visitors.

Achievements in the year

The Charity's main activity continues to be the payment of grants for projects linked to the prevention of crime. Many of the schemes the charity helps were designed to reassure and protect the vulnerable and elderly, reduce incidents of criminal damage and anti-social behaviour, reduce vehicle crime and domestic burglaries in addition to engaging with young people to introduce them into constructive leisure time activities.

The charity continues to award grants on application. Each grant application is reviewed and authorised where it is considered to satisfy the objectives of the charity.

In establishing the objectives and activities of the Charity, the Directors have had due regard to the guidance published by the Charity Commission on public benefit.

During the year, the charity awarded 90 grants to various organisations and hosted successful conferences on rural crime Prevention and other areas of crime prevention relevant to members.

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2024

Our Funding

Established in 1992 the Lancashire Partnership Against Crime has gone from strength to strength with over £4 million being allocated towards projects county-wide, providing a significant addition to community safety and prosperity and making a real difference to the community of Lancashire.

Funds are raised in the charity largely from donations. Through the trading subsidiary, LANPAC Limited, we also raise funds from various events and the annual membership fee received from our members. LANPAC members represent the complete spectrum of Lancashire's businesses and public services, including the police, local authorities, national companies with branches in the county, small local firms, places of worship and even sole traders. No organisation is too large or small and our graduated system of membership fees is designed to ensure that no one is excluded. We believe that our members exemplify the best of Lancashire, people who understand the importance of corporate social responsibility and its growing impact, both on their working environment and the way they themselves are perceived by their customers.

The charity or any person on behalf of the charity does not raise funds from the public by fundraising and does not use professional fundraisers.

Our Members

The support of our members is vital to our success. We encourage partnership working and encourage matched funding being sought to complement any monies allocated by LANPAC to pump-prime projects. As a result, this has multiplied our initial outlay fourfold, so that, in real terms, for every £400 donated to LANPAC in the form of a membership fee, it is in reality worth £1,600 to our charity

Financial review

Total incoming resources for the year were £104,234 (2023: £108,534). Total resources expended were £193,426 (2023: £145,787). The charity had net outgoing resources of £89,129 (2023: £37,253).

Reserves policy

The free reserves of the Charity as at 31 March 2024 were (£10,616) (2023: £78,576). The directors are regularly promoting grant applications, however grants awarded depend on the volume and quality of applications received.

Investment powers

Under the Articles of Association the Directors have the power to expand the funds of the company in such a manner as they shall consider most beneficial for the achievement of the objects.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The main risk to the charity is ensuring that grants are awarded to bona fide projects. All projects applications are reviewed and the projects visited wherever possible.

Going concern

The Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts. As such, the accounts are prepared on a going concern basis.

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2024

Remuneration of key management personnel

The salary of the key management personnel is met by Lancashire Constabulary and is in accordance with the relevant Lancashire Constabulary remuneration scales.

PLANS FOR FUTURE PERIODS

The Charity plans to continue its grant making activities and to reduce reserves through the awarding of larger amounts to suitable bigger projects. The Charity will also provide practical support in the form of conferences, particularly in those areas which are seen as priorities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:-

Basis of preparing the financial statements

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

Income recognition

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Expenditure on charitable activities includes grants, conferences, professional fees

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity

Investments

Investments in subsidiaries are measured at cost less impairment

Future commitments

Future commitments are to be met from future income. Such commitments are not provided for until the relevant expenditure becomes due.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Judgements and key sources of estimation uncertainty

There are no judgements or key sources of estimation.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each funds is included in the notes to the financial statements.

Related party

LANPAC Limited is a wholly owned subsidiary of the charity. A summary of the transactions undertaken with LANPAC during the year is set out in note 9 of the financial statements.

OBJECTIVES AND ACTIVITIES

Aim of the Charity

The Lancashire Partnership Against Crime was established in 1992 and is a partnership of Lancashire Businesses, Public Services and Voluntary organisations working together to reduce levels of crime and disorder across Lancashire, Blackpool and Blackburn with Darwen. The Partnership has charitable status and is a company limited by guarantee which raises valuable additional resources through fundraising events, charitable donations and grants. The aim of the charity is to promote the prevention and reduction of crime and anti-social behaviour in Lancashire and to support initiatives that lead to increased community safety and better quality of life for our region's residents and visitors.

Achievements in the year

The Charity's main activity continues to be the payment of grants for projects linked to the prevention of crime. Many of the schemes the charity helps were designed to reassure and protect the vulnerable and elderly, reduce incidents of criminal damage and anti-social behaviour, reduce vehicle crime and domestic burglaries in addition to engaging with young people to introduce them into constructive leisure time activities.

The charity continues to award grants on application. Each grant application is reviewed and authorised where it is considered to satisfy the objectives of the charity.

In establishing the objectives and activities of the Charity, the Directors have had due regard to the guidance published by the Charity Commission on public benefit.

During the year, the charity awarded 79 grants to various organisations and hosted successful conferences on rural crime Prevention and other areas of crime prevention relevant to members.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

Our Funding

Established in 1992 the Lancashire Partnership Against Crime has gone from strength to strength with over £4 million being allocated towards projects county-wide, providing a significant addition to community safety and prosperity and making a real difference to the community of Lancashire.

Funds are raised in the charity largely from donations. Through the trading subsidiary, LANPAC Limited, we also raise funds from various events and the annual membership fee received from our members. LANPAC members represent the complete spectrum of Lancashire's businesses and public services, including the police, local authorities, national companies with branches in the county, small local firms, places of worship and even sole traders. No organisation is too large or small and our graduated system of membership fees is designed to ensure that no one is excluded. We believe that our members exemplify the best of Lancashire, people who understand the importance of corporate social responsibility and its growing impact, both on their working environment and the way they themselves are perceived by their customers.

The charity or any person on behalf of the charity does not raise funds from the public by fundraising and does not use professional fundraisers.

Our Members

The support of our members is vital to our success. We encourage partnership working and encourage matched funding being sought to complement any monies allocated by LANPAC to pump-prime projects. As a result, this has multiplied our initial outlay fourfold, so that, in real terms, for every £400 donated to LANPAC in the form of a membership fee, it is in reality worth £1,600 to our charity

Financial review

Total incoming resources for the year were £108,534 (2022: £101,650). Total resources expended were £145,787 (2022: £108,709). The charity had net outgoing resources of £37,253 (2022: £7,059).

Reserves policy

The free reserves of the Charity as at 31 March 2023 were £78,576 (2022: £115,829). The directors are regularly promoting grant applications, however grants awarded depend on the volume and quality of applications received.

Investment powers

Under the Articles of Association the Directors have the power to expand the funds of the company in such a manner as they shall consider most beneficial for the achievement of the objects.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The main risk to the charity is ensuring that grants are awarded to bona fide projects. All projects applications are reviewed and the projects visited wherever possible.

Going concern

The Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts. As such, the accounts are prepared on a going concern basis.

FOR THE YEAR ENDED 31 MARCH 2023

Remuneration of key management personnel

The salary of the key management personnel is met by Lancashire Constabulary and is in accordance with the relevant Lancashire Constabulary remuneration scales.

PLANS FOR FUTURE PERIODS

The Charity plans to continue its grant making activities and to reduce reserves through the awarding of larger amounts to suitable bigger projects. The Charity will also provide practical support in the form of conferences, particularly in those areas which are seen as priorities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1. ACCOUNTING POLICIES

Income recognition

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Expenditure on charitable activities includes grants, conferences, professional fees

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity

Investments

Investments in subsidiaries are measured at cost less impairment

Future commitments

Future commitments are to be met from future income. Such commitments are not provided for until the relevant expenditure becomes due.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Judgements and key sources of estimation uncertainty

There are no judgements or key sources of estimation.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each funds is included in the notes to the financial statements.

Achievements in the year

The Charity's main activity continues to be the payment of grants for projects linked to the prevention of crime. Many of the schemes the charity helps were designed to reassure and protect the vulnerable and elderly, reduce incidents of criminal damage and anti-social behaviour, reduce vehicle crime and domestic burglaries in addition to engaging with young people to introduce them into constructive leisure time activities.

The charity continues to award grants on application. Each grant application is reviewed and authorised where it is considered to satisfy the objectives of the charity.

In establishing the objectives and activities of the Charity, the Directors have had due regard to the guidance published by the Charity Commission on public benefit.

During the year, the charity awarded 52 grants to various organisations and hosted two successful conferences on rural crime Prevention.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2022

Our Funding

Established in 1992 the Lancashire Partnership Against Crime has gone from strength to strength with over £4 million being allocated towards projects county-wide, providing a significant addition to community safety and prosperity and making a real difference to the community of Lancashire.

Funds are raised in the charity largely from donations. Through the trading subsidiary, LANPAC Limited, we also raise funds from various events and the annual membership fee received from our members. LANPAC members represent the complete spectrum of Lancashire's businesses and public services, including the police, local authorities, national companies with branches in the county, small local firms, places of worship and even sole traders. No organisation is too large or small and our graduated system of membership fees is designed to ensure that no one is excluded. We believe that our members exemplify the best of Lancashire, people who understand the importance of corporate social responsibility and its growing impact, both on their working environment and the way they themselves are perceived by their customers.

The charity or any person on behalf of the charity does not raise funds from the public by fundraising and does not use professional fundraisers.

Our Members

The support of our members is vital to our success. We encourage partnership working and encourage matched funding being sought to complement any monies allocated by LANPAC to pump-prime projects. As a result, this has multiplied our initial outlay fourfold, so that, in real terms, for every £400 donated to LANPAC in the form of a membership fee, it is in reality worth £1,600 to our charity

Financial review

Total incoming resources for the year were £101,650 (2021: £194,243). Total resources expended were £108,709 (2021: £222,276). The charity had net outgoing resources of £7,059 (2021: £28,033).

Reserves policy

The free reserves of the Charity as at 31 March 2022 were £115,829 (2021: £123,681). The directors are regularly promoting grant applications, however grants awarded depend on the volume and quality of applications received.

Investment powers

Under the Articles of Association the Directors have the power to expand the funds of the company in such a manner as they shall consider most beneficial for the achievement of the objects.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The main risk to the charity is ensuring that grants are awarded to bona fide projects. All projects applications are reviewed and the projects visited wherever possible.

Going concern

The Trustees have considered the impact of the Government response to Covid-19 on the activity of the charity. The expenditure of the charity is variable with few fixed costs. Income is not expected to reduce significantly and projects are continuing where possible. As a result, the Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:-

Basis of preparing the financial statements

Lancashire Partnership Against Crime Limited is a incorporated charity in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information of these financial statements. The nature of the charity's operations and principal activities are in the detailed in the Report of the Trustees.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £000.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Preparation of the accounts on a going concern basis

The financial statements have been prepared on a going concern basis and the trustees believe that no material uncertainties exist. The Trustees have considered the impact of the Government response to Covid-19 on the activity of the charity. The expenditure of the charity is variable with few fixed costs. Income is not expected to reduce significantly and projects are continuing where possible. As a result, the Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts.

Income recognition

Grants and other donations – income from donations is included are included when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Gift aid donations – the subsidiary company, LANPAC Limited covenants to pay to the partnership a sum equal to 100% of the annual taxable profit of the company for each accounting period. This is accounted for when received.

Interest receivable – interest is included when receivable by the charity.

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

Income recognition

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Expenditure on charitable activities includes grants, conferences, professional fees

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity

Investments

Investments in subsidiaries are measured at cost less impairment

Future commitments

Future commitments are to be met from future income. Such commitments are not provided for until the relevant expenditure becomes due.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Judgements and key sources of estimation uncertainty

There are no judgements or key sources of estimation.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each funds is included in the notes to the financial statements.

OBJECTIVES AND ACTIVITIES

Aim of the Charity

The Lancashire Partnership Against Crime was established in 1992 and is a partnership of Lancashire Businesses, Public Services and Voluntary organisations working together to reduce levels of crime and disorder across Lancashire, Blackpool and Blackburn with Darwen. The Partnership has charitable status and is a company limited by guarantee which raises valuable additional resources through fundraising events, charitable donations and grants. The aim of the charity is to promote the prevention and reduction of crime and anti-social behaviour in Lancashire and to support initiatives that lead to increased community safety and better quality of life for our region's residents and visitors.

Achievements in the year

The Charity's main activity continues to be the payment of grants for projects linked to the prevention of crime. Many of the schemes the charity helps were designed to reassure and protect the vulnerable and elderly, reduce incidents of criminal damage and anti-social behaviour, reduce vehicle crime and domestic burglaries in addition to engaging with young people to introduce them into constructive leisure time activities.

The charity continues to award grants on application. Each grant application is reviewed and authorised where it is considered to satisfy the objectives of the charity.

In establishing the objectives and activities of the Charity, the Directors have had due regard to the guidance published by the Charity Commission on public benefit.

During the year, the charity awarded 84 grants to various organisations and hosted a successful conference on Crime Prevention.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2021

Our Funding

Established in 1992 the Lancashire Partnership Against Crime has gone from strength to strength with over £4 million being allocated towards projects county-wide, providing a significant addition to community safety and prosperity and making a real difference to the community of Lancashire.

Funds are raised in the charity largely from donations. Through the trading subsidiary, LANPAC Limited, we also raise funds from various events and the annual membership fee received from our members. LANPAC members represent the complete spectrum of Lancashire's businesses and public services, including the police, local authorities, national companies with branches in the county, small local firms, places of worship and even sole traders. No organisation is too large or small and our graduated system of membership fees is designed to ensure that no one is excluded. We believe that our members exemplify the best of Lancashire, people who understand the importance of corporate social responsibility and its growing impact, both on their working environment and the way they themselves are perceived by their customers.

The charity or any person on behalf of the charity does not raise funds from the public by fundraising and does not use professional fundraisers.

Our Members

The support of our members is vital to our success. We encourage partnership working and encourage matched funding being sought to complement any monies allocated by LANPAC to pump-prime projects. As a result, this has multiplied our initial outlay fourfold, so that, in real terms, for every £400 donated to LANPAC in the form of a membership fee, it is in reality worth £1,600 to our charity

Financial review

Total incoming resources for the year were £194,243 (2020: £206,830). Total resources expended were £216,426 (2020: £191,040). The charity had net outgoing resources of £35,507 (2020: £15,790 incoming).

Reserves policy

The free reserves of the Charity as at 31 March 2021 were £123,681 (2020: £129,681). The directors are regularly promoting grant applications, however grants awarded depend on the volume and quality of applications received.

Investment powers

Under the Articles of Association the Directors have the power to expand the funds of the company in such a manner as they shall consider most beneficial for the achievement of the objects.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The main risk to the charity is ensuring that grants are awarded to bona fide projects. All projects applications are reviewed and the projects visited wherever possible.

Going concern

The Trustees have considered the impact of the Government response to Covid-19 on the activity of the charity. The expenditure of the charity is variable with few fixed costs. Income is not expected to reduce significantly and projects are continuing where possible. As a result, the Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts.

PLANS FOR FUTURE PERIODS

AUDITOR

A resolution to re-appoint MHA Moore and Smalley was approved at the Annual General Meeting.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Lancashire Partnership Against Crime Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:-

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charity SORP 2019 (FRS 102);

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

FOR THE YEAR ENDED 31 MARCH 2021

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 6, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management, those charged with governance around actual and potential litigation and claims.
- Enquiry of entity staff in tax and compliance functions to identify any instances of non-compliance with laws and regulations.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/Our-Work/Audit/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-auditors/Auditors-responsibilities-for-audit/Description-of-auditors-responsibilities-for-audit.aspx>.

This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:-

Basis of preparing the financial statements

Lancashire Partnership Against Crime Limited is a incorporated charity in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information of these financial statements. The nature of the charity's operations and principal activities are in the detailed in the Report of the Trustees.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 ,the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £000.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Preparation of the accounts on a going concern basis

The financial statements have been prepared on a going concern basis and the trustees believe that no material uncertainties exist. The Trustees have considered the impact of the Government response to Covid-19 on the activity of the charity. The expenditure of the charity is variable with few fixed costs. Income is not expected to reduce significantly and projects are continuing where possible. As a result, the Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts.

Income recognition

Grants and other donations – income from donations is included are included when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Gift aid donations – the subsidiary company, LANPAC Limited covenants to pay to the partnership a sum equal to 100% of the annual taxable profit of the company for each accounting period. This is accounted for when received.

Interest receivable – interest is included when receivable by the charity.

LANCASHIRE PARTNERSHIP AGAINST CRIME LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

Income recognition

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Expenditure on charitable activities includes grants, conferences, professional fees

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity

Investments

Investments in subsidiaries are measured at cost less impairment

Future commitments

Future commitments are to be met from future income. Such commitments are not provided for until the relevant expenditure becomes due.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Judgements and key sources of estimation uncertainty

There are no judgements or key sources of estimation.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each funds is included in the notes to the financial statements.
