TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

The Trustees present their Report and the financial statements for the year ended 31 March 2021.

Foundation Profile

26 June 1997: The Foundation was established in the UK by Raj and Veena Loomba by a charitable Trust Deed on 26 June 1997 and has sister charities registered in India and the USA. The inspiration came from Raj's late mother, Shrimati Pushpa Wati Loomba, who became a widow at the early age of 37 and succeeded in educating her seven children single-handed.

The Foundation was officially launched in London on 25 March 1998, in the presence of the Prime Minister, The Rt. Hon. Tony Blair MP, and his wife Cherie Blair. The Foundation also received the support of the Honourable Prime Minister of India, Shri Atal Behari Vajpayee, who inaugurated the Foundation in New Delhi on 31 March 1999, by lighting a ceremonial lamp at his residence. The ceremony was attended by Sir Rob Young GCMC, British High Commissioner.

The Loomba Foundation was also officially launched in Scotland in 2003, in the USA in 2005, in South Africa in 2006, in Kenya and Rwanda in 2008 and in Canada in 2009.

Objectives and Activities: The Foundation is constituted by Trust Deed and its objects and aims are to promote the welfare and education of the children of poor widows, orphaned children and children who have lost their mothers as a result of natural disaster and for other auxiliary purposes as the Trustees may determine. In accordance with its grant-making policy, the Foundation currently makes grants to its sister charity in India, the Shrimati Pushpa Wati Loomba Foundation, to fulfill its aforesaid aims. This sister charity distributes funds to support children in India. The Board of Trustees has decided to include empowerment of impoverished widows in India and around the world.

Cherie Blair CBE QC, wife of the former British Prime Minister, who became the first Patron of the Foundation in 1998, agreed to become the President and officially inaugurated Loomba House in London on 8 September 2004. Over the years, Mrs Blair has continued to travel to various countries to attend the Foundation's events in order to raise awareness of the plight of widows and their children around the world.

Sir Richard Branson agreed to become Patron-in-Chief in 2004. He has attended the Foundation's fundraising events in India and South Africa. He has also supported the Foundation by making an appeal on BBC Radio 4 in 2004, and he raised over £500,000 through three 'Change for Children' appeals on Virgin Atlantic flights worldwide.

International Widows Day – Flagship: The Loomba Foundation launched International Widows Day, which takes place each year on 23 June, to highlight the plight of widows and their children all over the world and to provide a focus for effective action. The date of 23 June was chosen because it was on this day that Lord Loomba's mother, Shrimati Pushpa Wati Loomba, the inspiration for the Foundation, became a widow in 1954.

This flagship of the Foundation was announced at the House of Lords in the UK on 26 May 2005, which was followed by launches in India on 7 September 2005 and the USA on 21 October 2005, respectively. The US launch was attended by His Excellency Kofi Annan, Secretary General of the United Nations.

**SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

The Loomba Foundation is proud that through its tireless campaign over five years, the **United Nations declared 23rd June as UN International Widows Day at its 65th General Assembly in 2010**. The first UN recognised International Widows day was marked on 23rd June 2011, at the United Nations' Headquarters in New York and chaired by Madame Ban Soon, wife of the UN General Secretary, His Excellency Ban Ki Moon. The second UN recognised International Widows Day was marked on 23rd June 2012, at No 10 Downing Street in London by the Deputy Prime Minister, Rt. Hon. Nick Clegg MP, and his wife, Ms Miriam Durantez Gonzalez.

30 June 2008: The Loomba Foundation became an Associate of the Department of Public Information (DPI) of the United Nations. Through the United Nations accreditation, the Loomba Foundation is committed to raising public awareness about the purpose and activities of the United Nations and issues of global concerns, and especially about the plight of widows and their children who are suffering through poverty, illiteracy, diseases such as HIV/AIDS and Malaria, conflict and violence and social injustice.

2012: The Economic and Social Council of the United Nations recommended the Loomba Foundation for Special Consultative Status in 2011 and granted it in 2012. "Special Consultative Status" is conferred upon those non-governmental organizations that demonstrate a special competence in a selected field of concern. This designation allows the Foundation to send official representatives to participate in events and conferences at the United Nations.

Research and Publications

INVISIBLE, FORGOTTEN SUFFERERS - THE PLIGHT OF WIDOWS AROUND THE WORLD:

In 2010, the Loomba Foundation published a Comprehensive Research Study Book – 'Invisible, Forgotten Sufferers: The Plight of Widows Around the World'. The first edition was presented to the UN Secretary General, H.E. Ban Ki Moon, by the President of the Foundation, Cherie Blair, and Founder and Chairman Trustee, Lord Loomba CBE. The book was subsequently presented to the Hon'ble President of India and the US Secretary of State, Hilary Clinton.

A HIDDEN CALAMITY - THE PLIGHT OF WIDOWS:

The Loomba Foundation has also published a book of oil and acrylic paintings highlighting the plight widows around the world by London-based artist Reeta Sarkar. Entitled 'A Hidden Calamity: The Plight of Widows', the book includes 17 of Reeta's oils and acrylics paintings based on three key themes – South Asia, Africa and Conflict. These paintings were exhibited at the UN Headquarters from 23rd June to 15th July 2011 to celebrate International Widows Day. The exhibition was inaugurated by Yoko Ono, widow of Beatle John Lennon and a supporter of the Loomba Foundation. These paintings were exhibited at 10 Downing Street in London to commemorate International Widows Day in 2012.

ONE MAN WALKING – A WALK FOR WIDOWS

This book is Chris Parsons's inspiring story captured in a blog he dictated every evening of his walk and accompanied by comments from all over the world and some amazing pictures – depicting his 30 x 30 Marathon Walk from Mumbai to Bangalore to raise money for the Loomba Foundation.

WORLD WIDOWS REPORT:

During 2015, the Loomba Foundation commissioned Mr. Harma Risto to update the research study which was published in 2010. The Loomba Foundation's World Widows Report is the only authoritative comprehensive

data source about the discrimination and injustice faced by widows and their dependents country by country and worldwide, informing policy formulation by the United Nations and national governments. It was published on 1st February, 2016.

The World Widows Report is published to coincide with the UN's adoption of the Sustainable Development Goals and provides a basis for researchers, aid agencies, governments and others to develop evidence-based policy for a better world.

Key findings include:

- The affected population is 259m widows with 584m children worldwide.
- 38m widows live in extreme poverty.
- Since 2010 there has been a significant exacerbation in conflict areas in the Middle East and North Africa, notably the Syrian civil war.
- Worst affected by conflict and insurgency are widows in Afghanistan, Iraq, South Sudan, Central African Republic, Syria, northeast Nigeria, southeast Niger, west Chad and north Cameroon.
- In Sub-Saharan Africa the worst conditions are faced by evicted and abandoned widows with dependents and by those caught up in Ebola areas, exacerbated by traditional 'cleansing' rituals.
- Widows with only female children and child widows aged between 10 and 17 face severe discrimination in many developing countries.
- Social norms around sexual behaviour remain counterproductive with extreme poverty as a driver of 'exchange sex' and 'survival sex' relationships and poor quality healthcare.
- Widows in developed countries are also affected by welfare cuts and increased insecurity.
- Customary 'cleansing' rituals, where widows are required to drink the water with which their dead husband's body has been washed and to have sex with a relative, spread disease and violate the dignity of widows in many Sub-Saharan countries.
- Widows are regularly accused of killing their husbands either deliberately or through neglect – including by transmitting HIV/AIDS – in India, Nepal, Papua New Guinea and Sub-Saharan Africa.
- Systematic seizure of property and evictions by the late husband's family remains widespread in Angola, Bangladesh, Botswana, Republic of Congo, DR Congo, India, Ivory Coast, Ghana, Kenya, Lesotho, Malawi, Namibia, Nigeria, Rwanda, Senegal, Swaziland, Tanzania, Uganda, Zambia and Zimbabwe.

20th Anniversary Book

Loomba Foundation published book to celebrate its 20th anniversary, detailing twenty successful years fighting injustice against widows, on the occasion of our Annual Gala Ball, which was held at the Dorchester Hotel in London on 23rd June, 2017.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

Review of the year 2020/2021

The year 2020-21 has been an unprecedented year. The Covid-19 pandemic has killed many thousands of people and destroyed economy all over the world. It has spared no country. Sadly, the lockdowns and government restrictions have impacted on charities. The Loomba Foundation was no exception.

Donation of Surgical face masks during April 2020

The Loomba Foundation donated 100,000 surgical face masks to Niti Aayog in India during April 2020, to help fight against Covid-19. The Loomba Foundation worked closely with HLL Lifecare Ltd, a nodal company of the Ministry of Health and Family Welfare, Government of India.

HLL Lifecare Ltd is the main agency for the distribution of the face masks and protective equipment to all regions and population suffering from Covid-19.

Lord Loomba CBE, Founder and Chairman Trustee of the Loomba Foundation, a strong advocate for poor and needy widows across the world, emphasised why everyone should play their part, underlining that we wanted to play a small role to help the vulnerable people as the world comes together in these difficult times.

Shri Amitabh Kant, CEO of NITI Aayog, thanked the Loomba Foundation, saying, "Philanthropic organisations such as yours can play a strong role in complementing the government in these difficult times by supporting us in several ways. I am ecstatic with the initiative and commitment shown by the Loomba Foundation by donating 1,00,000 surgical masks for distribution in crucial areas in India."

International Widows Day - 23rd June 2020

Raising awareness about the plight of widows around the world

Lord Loomba CBE hosted a webinar to mark UN International Widows Day on 23rd June 2020 to raise awareness of the impact of COVID-19 on widows worldwide and to call for international support for widows' empowerment both financially and socially.

Chairman and Founder Trustee of the Loomba Foundation said, "As latest estimates show that there are 258 million widowed women globally and the current figures will be much higher especially as Covid-19 has exacerbated this situation. The role of local governments to support their welfare cannot be undermined, and the G20 countries must find a way to help support these and grassroot efforts to help widows."

Lord Loomba was joined on the panel by former First Lady, Mrs Cherie Blair QC CBE, President of the Loomba Foundation; Mrs Fatima Maada Bio, First Lady, Sierra Leone; Ms Simone Mensah, Vice President of the Sylvia Bongo Ondimba Foundation (Gabon); Mr Amitabh Kant, CEO (Niti Aayog), Government of India; Dr Peter Rajsingh and Mr Harjiv Singh, Trustees of the Loomba Foundation.

Mrs Blair emphasised, "During Covid-19, there are going to be many newly widowed women who will need our support as they fight these challenging times, as they are still living difficult lives in the society."

FOR THE YEAR ENDED 31 MARCH 2021**

Mr Amitabh Kant, CEO Niti Aayog, Government of India agreed, saying, "The Covid-19 lockdown has left widows exposed as a vulnerable group with no access to finance to support their children or themselves." Explaining how the Indian government has ensured financial support has directly reached those widows affected, he underlined, "the role of civil societies, voluntary groups and citizens is extremely important."

Mrs Fatima Maada Bio, First Lady, Sierra Leone, highlighting the challenges faced in Sierra Leone, explained how difficult it can be for bereaved widows where cultural norms mean men often have up to four wives.

Ms Simone Mensah, Vice President, Sylvia Bongo Ondimba Foundation, joining from Gabon, was keen to stress, "It is extremely important for us to work together and change the atrocious practices against widows to support human rights. Widow empowerment is

UN Women's Statement of support for widows ahead of the day, by Under-Secretary-General of the United Nations and Executive Director of UN Women, Phumzile Mlambo-Ngcuka, underlined the predicament widows face by saying, "We have seen the myriad ways in which the Covid-19 pandemic impacts the lives of women and men differently. Across every sphere, from health to the economy, security to social protection, the effects of the pandemic are exacerbated for women and girls."

Virtual Diwali Webinar on 10th November 2020

Empowering world widows through digital innovation

The Loomba Foundation organised a virtual celebration of Diwali by hosting a webinar in London in partnership with Cambridge Wireless in London on 10th November 2020. The Cambridge Wireless innovation project will partner with local groups across the world, giving advice, support and technical expertise to empower widows in making the most of their abilities and ideas, laying the groundwork for future generations to benefit.

The webinar was attended by many dignitaries and supporters of the Loomba Foundation, including Mr. Rohit Kumar, Indian High Commission's First Secretary (ECO), Mr. Loknath Mishra, UK CEO of ICICI Bank, Lord Karan Bilimoria CBE DL, President of CBI and Chancellor of the Birmingham University, Mr. Jaideep Prabhu, Professor at the Cambridge University, Mr. Abhi Naha, CEO of Cambridge Wireless, Mr. Risto Harma, Author of World Widows Report, Mr. Alpesh Patel, Co-Chairman of the Advisory Council of the Loomba Foundation, Ms Bee Hayes, CEO of the Cherie Blair Foundation for Women, Mr. Sunil Dahiya, EVP, Global Wadhvani Foundation, Mr. Paulomi Shah, Managing Director of Goldman Sachs, Mr. Raj Gawera, UK CEO of Samsung and, of course, Lord Loomba CBE, Founder and Chairman Trustee of the Loomba Foundation.

Everyone who participated in the webinar agreed to help the Loomba Foundation to empower widows and their youths through digital innovation. The event was concluded by showing a musical video produced by Alok Prasad.

Launch of Project Jeeva on 8th March 2021

Empowering widows by giving them need based counselling

The Loomba Foundation and Navjyoti India Foundation launched Project Jeeva to mark International Women's Day in Gurugram on March 8, 2021. Project *Jeeva* - Rediscovering the spirit in the lives of widows, is supported by The Loomba Foundation, and conceptualised & implemented by the Navjyoti India Foundation in association with the District Legal Services Authority, Gurugram.

A survey conducted by the NGO in the rural parts of Sohna Block, Gurugram revealed the dire economic, physical, and mental situation of these women who have lost their husbands early in life. The project aims to provide need-based counselling to the women and their families, facilitate linkages for them to avail legal aid and various welfare schemes and help build their self-esteem, confidence, and life skills.

The project was introduced by Ms. Chandni Bedi, Director of Rural Management and Training Institute, Navjyoti India Foundation. Mr. Atul Palta, Director – Skills Training and Empowerment from The Loomba Foundation shared about the mission of the Foundation and the ways skills training and employment have empowered the widows not just in India but globally as well.

Other panel members were Ms. Munmun Goyal, Advocate from District Legal Services Authority, Gurugram and Mr. Suresh Kumar Taneja, Section Officer, District Social Justice Department, Gurugram also took part in panel discussion and replied to the queries of audience.

Nirmala and Angoori Devi, two young widows who have been supported by Navjyoti India Foundation under Project Unnati, shared their success story of running a boutique and selling home-made spices. Mr. Hemant Kumar and Pawan Kumar, Team members of the Loomba Foundation were also present during the Launch of Jeeva Project. After a spirited discussion and questions from the audience, made up of widows from Sohna Block, the vote of thanks was delivered by Ms. Ujala Chaudhary, Executive Director of Navjyoti India Foundation.

Other Projects :-

We have continued empowering impoverished widows through our partnership project with Rotary India Literacy Mission. During the year, the project has been seriously hindered by the lockdowns and government restrictions as a result of Covid-19 pandemic in India. However, we have still managed to empower 1593 widows in the states of Delhi, West Bengal, Bihar, Maharashtra and Madhya Pradesh.

Future plans for 2021-22

- The Loomba Foundation will host a global virtual conference on 23rd June to mark the 10th United Nations' International Widows Day, founded to take action to address the poverty and injustice faced by widows
- We are planning our annual event at the House of Lords on 6th December, 2021, and hope to invite Parliamentarians from the both Houses and business leaders in the UK.
- We will continue with our empowerment projects in India and very much hope to launch a new project to empower widows in the union territory of Jammu and Kashmir.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

Public benefit

In running the charity, the Trustees have complied with their duty under Section 17 Charities Act 2011 to have regard to the public benefit guidance published by the Charity Commission. By empowering widows and educating their children, the charity performs an enormous public benefit. The activities that the charity has carried out to achieve this have been covered in detail earlier in this report.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Auditor information

In the case of each of the persons who were Trustees during the financial year and were Trustees at the time when the Trustees' Report is approved:

- so far as the Trustee is aware, there is no relevant audit information (information needed by the charity's auditors in connection with preparing their report) of which the charity's auditors are unaware, and
- each Trustee has taken all the steps that he ought to have taken as a Trustee in order to make himself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT TO THE
TRUSTEES OF SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION**

Opinion

We have audited the financial statements of Shrimati Pushpa Wati Loomba Memorial Foundation (the 'Charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2021 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION
INDEPENDENT AUDITORS' REPORT TO THE
TRUSTEES OF SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- sufficient accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud are set out below.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We enquired of management, which included obtaining and reviewing supporting documentation, concerning the charity's policies and procedures relating to:
 - identifying, evaluating, and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected, or alleged fraud;
 - The internal controls established to mitigate risks related to fraud.

**SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION
INDEPENDENT AUDITORS' REPORT TO THE
TRUSTEES OF SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION**

- We obtained an understanding of the environment that the charity operates in, focusing on those laws and regulations that had a material effect on the financial statements.
- We reviewed the financial statement disclosures and tested these to supporting documentation to assess compliance with applicable accounting standard.
- We performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments, assessed whether the judgements made in making accounting estimates are indicative of a potential bias and tested significant transactions that are unusual or those outside the normal course of business.

Use of our report

This report is made solely to the Charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

SHRIMATI PUSHPA WATI LOOMBA MEMORIAL FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. Accounting Policies

a) Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP FRS 102). Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

b) Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS 102.

c) Going concern

The trustees consider that there are no material uncertainties about the charitable ability to continue as a going concern. Key judgements that the charity has made which have a significant effect on the accounts include estimating the liability from multi-year grant commitments. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

d) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably. Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material. Income received in advance of the provision of a specified service is deferred until the criteria for income recognition are met.

e) Donations of gifts, services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised so refer to the trustees' annual report for more information about their contribution. On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

f) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. Accounting Policies (continued)

g) Fund accounting

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund.

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

h) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds relate to the costs incurred by the charity in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose
 - Expenditure on charitable activities includes the costs of delivering services undertaken to further the purposes of the charity and their associated support costs
 - Other expenditure represents those items not falling into any other heading
- Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

i) Allocation of support costs

Resources expended are allocated to the particular activity where the cost relates directly to that activity. However, the cost of overall direction and administration of each activity, comprising the staff costs and overhead costs of the central function, is apportioned between raising funds and charitable activities.

j) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

k) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Cash balances exclude any funds held on behalf of service users.

l) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

m) Pensions

The Charity has no pension liabilities.
