Trustees' Report  
for the Year Ended 30 April 2022

The trustees present their report with the financial statements of the charity for the year ended 30 April 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Activities for achieving objectives & public benefit**

From the outset of the charity in 1997, the founding document showed the main aim of the charity to be the advancement of the Christian faith. The vision has remained the same; only the methods of presenting and achieving the vision, has changed over the years.

Our nation is constitutionally Christian and we believe that the proclamation of the gospel of Christ, which is the main aim of the charity, is of public benefit.

The Trustees continue to comply with their duties having due regard to guidance on public benefit.

Trustees' Report  
for the Year Ended 30 April 2022

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

**Introduction:**

During the full year David and Lindsay Griffiths, Brian Mason, and Pamela Masih have all been trustees, overseas trustees withdrawing due to technical difficulties, it being decided to continue with UK base trustees only. Toward the end of the year majority of trustees decided to withdraw Brian Mason from the Board due to both physical and mental health difficulties.

The objective of this summary report is to show the activity that has taken place in view of meeting the Charity's ultimate objective of "reaching every creature" with the Gospel by "perfecting the saints" for the work of the ministry.

Another year of overcoming despite of the lockdown continuation the 7-year plan coming into its final year, the continuation being on the theme of imminency in relation to the coming of the Lord Jesus to the sky.

Despite the challenge of many years of persecutions and threatenings particularly from 2010 when we were threatened to be "destroyed through official channels", God's grace has overcome, the gates of hell have not prevailed - it is as if the model of the Early Church is being restored.

What is sad is the fact that the nation around us is in serious decline as we know it, particularly in view of the coronavirus crisis, rapidly increasing injury and death rates, our appointment being to present JESUS AS LIFE opposing the signs of death all around us.

**Part 1: The Intercessions:**

From the 1920's onwards our spiritual founder Rees Howells (whose College we have now restored) emphasized the importance of intercession. Indeed, it is our firm conviction that it is because of the intercession that went on in the College during the years of the Second World War, that conditions were made for a nation to not only continue its freedom but hold onto its Christian heritage and be able to take the Gospel to "every creature".

We exist today with the same passion, the ministry having travelled to specific locations, for specific purposes to maintain the puritan heritage of our nation, a heritage that gives the necessary freedom and resources to fulfil the call of God on all true Christians.

No travelling intercessions took place this year due to the situation of Brian Mason, who was requiring both care at home and also in hospital, Brian who had returned from trying to get into South Sudan very much incapacitated, and also continuing lockdown restrictions.

Over many years now amazing intercessions have taken place through Brian Mason, who had been trained by Samuel Rees Howells, taking place in many locations, and are featured on the ministry's youtube channel, and at ECCTV.ORG.

Only one specific intercession through Brian Mason took place this year and this in the context of the appalling coronavirus situation in India.

**Part 2: What God Has built in the Land of the Covenanters Will Grow and Grow.**

After years of persecution, the ministry was called to move from its North Wales base to a land that is steeped in Christian history, we restoring with its newly painted exterior the "White House" of Whithorn moving in the mantle of St Ninian. Truly after years of battle Candida Casa was again amongst the people of Whithorn. From the year 390 to now, the White House proclaiming Christ Jesus is now restored livestreaming all over the world, making this mission a worldwide one!

The ministry recognized however that the country was entering a new era, with the freedom fought for over two world wars being removed, thus the following prophecy right at the beginning of the financial year was given so that trustees might be aware. The prophecy gives reference to a medical procedure David P Griffiths went through illustrating what is needed to overcome. It is this heart that makes this ministry "more than conquerors" and victors over the "god of this world."

Trustees' Report  
for the Year Ended 30 April 2022

**Part 3: The Prophecies :**

The ministry has thrived through taking seriously the Word God has given us through prophecy now over decades. It is noticeable however that it is this, the enemy of souls fears hitting us with legal action after legal action, attack after attack as the enemy's strongholds are exposed and brought under the control of God's Word.

Restoration of landmarks has been a constant theme whether it be in Christian groupings or in the nation, the nation being seen as losing its Judeo-Christian heritage

Again, this year, Great Britain lost much of its hard-won freedoms, this ministry has been at the forefront of bringing to the attention of the people the fight for Britain's sovereignty under God and the Christian heritage and Constitution of the nation, thus the following prophecies during this financial year.

A totalitarian state in Britain now looks well on the way, it being our Constitutional Acts that protect us from all this, yet when you apply them, the response is one of disbelief. Clearly to have the Word of the Lord in our Annual Report is so important.

There was a significant increase in prophecies over this year, 36 last year and now 53. This is partially explained by the introduction of prophecy through Pamela Masih, a very exciting development with all trustees contributing the Word of the Lord. The increase is also explained by the imminence of the Lord's coming. He giving his word powerfully through the ministry in specific areas illustrated above.

**Part 4: The Bible College & The Bible College Lecture Channel :**

David P Griffiths: In 1997 God gave clear Instruction to have in our Declaration of Trust provision for a College. This we did and under the guidance of the Holy Ghost God led our ministry to join together with Brian Mason who had trained under Samuel Rees Howells.

This College is free from the governmental system of textual criticism, instead choosing to have its ethos in the place where the College was spiritually born, in South West Scotland.

Here the Covenanters pledged their lives against the religious system, and where Rees Howells made his opening declaration on seeing their Solemn League and Covenant written in blood. The Covenanters had upheld the Royal Priesthood of Believers and the Protestant line of scripture whereas those who had taken over the College buildings at Swansea had chosen the Romanist route of the codices of Vaticanus, Sinaiticus and Alexandrinus, codices that hold the doctrines of the Roman Catholicism that deny the Trinity and the resurrection as it applies to believers, doctrines both Rees Howells and the Covenanters were passionate about.

The College therefore moved to the Cradle of Christianity in Scotland offering courses of sound doctrine taking on the establishment order as it has done with the Romanist infiltration of the Evangelical Pentecostal Movements as well as challenging the establishment order of the national churches in both England and Scotland.

We continue as with the intercessions at Cardoness House with the founding declaration of our College being on behalf of our nation whose Constitution is exactly in line with the bold declaration of Rees Howells:

The Spirit of God came on me to fight that Church: it was God's anger in me towards the Church of Rome, keeping those five hundred million souls in darkness on the Continent and elsewhere. I entered into a world where fellowship with people was not to count, the only fellowship was with those martyrs who had laid down their lives for the liberty of the Gospel. When I saw that Deed, (of the Covenanters) the Strength of God came into me and changed my body from clay to steel!"

DIRECT QUOTE FROM REES HOWELLS

From Rees Howells Intercessor, Norman Grubb p191 Lutterworth Press

God was restoring the Bible College of Wales my dad knew as a student in the 1930's. They say to us today that you cannot go back but the Bible says:

**Proverbs 22:28 Authorized (King James) Version (AKJV)**

28 Remove not the ancient landmark, which thy fathers have set.

Trustees' Report  
for the Year Ended 30 April 2022

The whole ethos of the Bible College of Wales came about during the early years, one of going through great pains and sufferings to be glorified together in a glorious result that only the Lord can take the glory.

This is so far away from the counterfeit that has been set up in Swansea of the charismatic movement. This is a surrender level so great and that we have kept to the Antioch line of scripture is so remarkable and so important and this relates into the courses we offer.

With the following scripture ringing in our ears, the hard work in setting up courses, mark schemes etc. in line with true scripture is taking place knowing that the University system of sand inevitably will fall, and only that which has held to the true Word will stand. We have always known that it is right therefore never to affiliate with the system of the Deep State, but to be separate, be holy and honouring unto God.

2 Timothy 2:15 Authorized (King James) Version (AKJV)

15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

On offer at no charge therefore are the African, Asia, International & UK/USA Diplomas, and from this base we offer degree level courses up to doctorate level, our accreditation being in God rather than the "god of this world".

Subjects studied under Evangelical Theology are The Atonement, Repentance, Baptism in Water, Baptism in the Holy Ghost, How to Receive the Baptism in the Holy Ghost, The Holy Ghost, The New Covenant Supper, Deep and Abiding Fellowship, God's Word, Praise, Worship, Prayer, God's Provision for Healing, Freedom from Bondage, The Sermon on the Mount - the Christian Walk, Trusting and Obeying, Commitment to the Body, God's Government and Order for the Church, Biblical Doctrine of Prosperity and Giving - not selfish lust, The New Covenant and Sound Economics, The Every Creature Commission, The Second Coming of Christ Jesus and Eternal Judgment, The Church, The Lead Up to the Rider on the White Horse, Great Faith, Growing in Faith and Being a Doer of the Word, The Rhema of God and Bold Confession in HIS NAME!

This course gives a Biblical Base in preparation for our other studies that includes The Anointing Course. The study deals with The Anointing on Jesus, The Anointing Within, Personal Leading of the Holy Ghost, Standing On the Word, The Anointing of the Five Fold Ministry Gifts, The Preaching Anointing, The Teaching Anointing, The Pastoring Anointing, The Prophet's Anointing, The Apostolic Anointing, How to Increase the Anointing, Yielding to the Anointing, Peculiar Anointings, The Healing and Corporate Anointings.

Having had experience of facing up to witchcraft both in Asia and UK during meetings the personal relationship of the Abba Father is so important not only in bringing LIFE to a congregation but also as regards protection to one's own life. Moving in the anointing, empowered from on high and moving from the inner witness are vital ingredients for ministry and we offer this course and others on our on-line youtube channel BIBLE COLLEGE OF WALES CONTINUING  
<https://www.youtube.com/channel/UCxoM4-3xHcVuQQqBeITD1g/playlists>

In the course "How To Be Led by the Spirit of God", Spirit Consciousness, the differential between Soul and Spirit, the Inward Witness, the Fleece and the Inner Witness are all covered. Moving by the inner witness empowered by the Holy Ghost is so important. I talk with so many who profess to be Christian who talk with the natural mind. It is not being Christian for this is enmity against God, Peter being referred to as "Satan" in Matthew 16 when using natural rationale.

**Romans 10:9-10 Authorized (King James) Version (AKJV)**

9 that if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. 10 For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

The course therefore through the Word brings the conditions for the believer to continuously hear from God, and acting according to the Word being given at that time. This is for the empty vessel, not the intellectually charged individual who simply wants God to bless his/her decisions.

Trustees' Report  
for the Year Ended 30 April 2022

The Jesus the Healer Course emphasizes THE HEALER rather than healing bringing the conditions through the Word for 100% manifestation of healing in given situations. Reasons why people do not move in their healing are given be it that Christ Jesus won the victory at Calvary. There are many reasons and we cover this intensely in the course, for healing was won at Calvary and the manifestation of this is to occur through the ministers of God perfected through the Word of God.

The Other Jesus Course shows the counterfeit which is all over the world at this time.

**1 John 2:18 Authorized (King James) Version (AKJV)**

18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.

The course begins looking at the warnings of Isaiah and Paul bringing out the two distinct lines of scripture, one from Antioch and the other from Alexandria, Egypt that combined the gnosis together with spirituality. From here we have today's Alpha course and this is examined in the context of its Anglican and Romanist roots.

Within this context has come textual criticism and the Alexandrian Bibles that forever change at the whim of the Vatican and Bible Societies bringing confusion to once great movements.

The course deals with Taoism and its infiltration into Methodism and the new revivals of the Emerging Church, a movement that began at Fuller Seminary in the United States, taking over orthodox movements all over the World, including the Pentecostal denominations, and even the original Bible College of Wales.

Then in the final lecture comes the glorious conclusion, a realisation of who the real Jesus is, this realisation being the final intercession of Norman Grubb who wrote Rees Howells Intercessor.

Further courses still awaiting video lecture conclusion include The Prayer and Intercession Course covering the key to answered prayer, the prayer that unlocks heaven, the authority of Jesus' Name, the prayer of agreement, factors to know about prayer, interpreting, tongues, heavenly places prayer, prayers of petition and consecration, prayers of worship, united prayer, prayers of commitment, what Jesus, Paul and others said about prayer, the will of God in prayer, why pray, the prayer of intercession, man's need for an intercessor, Jesus our Intercessor, the Holy Ghost - our helper in intercession, the Holy Ghost - groanings and travail, the Holy Ghost and our infirmities, Interceding against the infirmity of sickness, the intercession of the believer, ingredients for successful intercession, God's love, identification intercession, interceding for the lost, till Christ be formed in you, praying in the Spirit, quiet intercession, loud intercession, boldness, fervency, desire, perseverance, intercession against sin, intercession in relation to deliverance, the intercession of the Body, intercession against the powers of darkness, fasting, intercession for the nation, revival and intercession, falling under the power and trance like states.

In preparation also was a very important course in relation to the future of the nation that constitutionally had let in foreign laws binding charities, NGO's and business to a global Deep State Agenda that was highly illegal. Also a course on "The Overcoming Life."

Teaching of our own Constitution has not been taught in the schools, colleges or universities for years so God has ordained the Bible College of Wales to bring the Elizabethan Acts to the fore, thus in our view the many legal actions against us, but the TRUTH will never be defeated. The course is to deal with the following: The Act of Supremacy, The Elizabethan Settlement & The Coronation Oath, the theological significances of the Coronation Service, the EU Treaties that bound our country and the reasons why Roman Catholics cannot be part of the Royal Family as a Protestant cannot be the Pope - The 1700 Act of Settlement, the 1975 Referendum and the mandate it gave in comparison to the original blueprint of the EU, the corruptions that have bound our country and the rise in cultural Marxism, higher criticism in the "churches" with targeting against those of the old paths, the role of the big banks, the Bible College of Wales and its history of intercession for the nation, its role in constitutional education not only in Britain but throughout the World, the Solemn League and Covenant in Scotland and the Church of Scotland Act that constituted the Elizabethan Settlement into Scotland, the Constitutional protection on the preacher both in the pulpit and on the streets, and the Hebridean solution.

With Classical Civilization, New Testament Greek and teaching on the origins of Roman Catholicism, Lindsay too has been lecturing through the year and preparing courses to such a high level, that this can be only of the Lord, the preparation for great times ahead has been well on the way so we can begin to say the restoration of the Bible College of Wales is on track, Lindsay being in process too of producing a New Testament Survey course.

During the year Lindsay Griffiths has continued her New Testament Survey Course, we looking forward in future years in gaining more residential students as well as expanding the online ministry.

**Principal funding sources**

The income generated for legacy and donations totalled £55,280 (2021 - £73,991).

**Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For the reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis, can be found in the accounting policies.

**4) SEVEN YEAR PLAN**

With the widespread acceptance of textual criticism and the infiltration of the Roman Catholic Social Policies into our societies, the place for "old fashioned" evangelism and revival has been seriously undermined. Hence our operations in intercessions, programmes that with primary evidence back up our statement, we continuously hit that which is opposite to our Monarch's Constitutional Oath. Nearing the end of this plan the Holy Ghost has assured us to continue under the promotion of "imminency."

**5) ARCHIVED PROGRAMMES OF ECCTV**

**6) INTERCESSIONS OVER THE YEARS:** Covering a variety of issues and subjects.

**7) PROPHECIES:** Here the ministry clearly shows that it has been through prophetic revelation that we have operated over thirty years, restoring the landmark, restoring the vision.

This site took over from the original site in October 2017 having a much more modern format. This is our training site that gives our ethos and heart in relation to "reaching every creature" with the Gospel. The main menu that has many main & sub - headings, the main headings being as follows: HOME PAGE; THE COLLEGE; RESTORATION; BIBLE ASSEMBLIES; INTERCESSIONS; PROPHECIES; SEVEN YEAR PLAN; CONTACT DETAILS.

**Website 3:**

[www.onfireintercession.org](http://www.onfireintercession.org)

With theme of building up the waste places comes this intercession site, of intercessions performed through Brian Mason, a former student of Samuel Rees Howells.

Introduced to this site is an amazing "on fire" video at the back of all pages depicting the power that is behind all this!

The Home Page boldly declares the reality of one mediator between God and man, the man Christ Jesus! The main menu headings are as follows: HOME; MESSAGES; PRAYER; INTERCESSIONS; ECCTV LIVE LINK; ECCTV ARCHIVES; SEVEN YEAR PLAN.

**Website 4: [www.constitutionkeepers.org](http://www.constitutionkeepers.org)**

WE ARE IGNORING OUR GOD - GIVEN CONSTITUTION AND THUS BRINGING IN THE KINGDOM OF THE ANTICHRIST AND THE LOSS OF FREEDOM!

This is the bold declaration right at the beginning of this website that has spiritually reacted against the nation's move to totalitarianism rather than the freedom given by our Christian Constitution.

The main menu headings are as follows: HOME; GB CONSTITUTION; OPEN CONFESSION; GOVERNMENTAL; CHURCH MOVEMENTS; PROPHECIES; LEGAL; BANKING; ECCTV;

**Part 8: The Personal Cost: Persecuted on every side and why?**

Acts 4:28-30 Authorized (King James) Version (AKJV)

28 for to do whatsoever thy hand and thy counsel determined before to be done. 29 And now, Lord, behold their threatenings: and grant unto thy servants, that with all boldness they may speak thy word, 30 by stretching forth thine hand to heal; and that signs and wonders may be done by the name of thy holy child Jesus.

Britain under the Roman Empire in effect is no different to the contending Paul had to make before Caesar. We know why we are being persecuted, threatened, and abused, simply by upholding the old paths alongside the traditional family values of a Christian society. Going even further the proclaiming of true holiness and our unity in Christ Jesus brings further opposition and threats and does the exposure of the failures of the Council of Trent and its hold on society today.

The freedom to hold one's faith has been taken away for by doing this we cause offence to minorities in society that hold greater sway in society today than the Christian Church.

It is therefore the Constitutional position of our nation that it has Christian ministries that protest as Protestants, but such is the infiltration of Romanist social policy into our nation, persecution follows on those who oppose. However, it needs to be noted that so many of Roman Catholic background are today realizing the corruption of the Alexandrian line and protesting against it themselves. We are to be their friends and bring to attention the reality of true scripture of the only begotten Son who died for them, and that it is only BY HIM that men can be saved.

**Part 9 - The Development of the Ministry at Whithorn -**

Trustees' Report  
for the Year Ended 30 April 2022

**The Rees Howells Dimension**

"That's God", the guidance is right declared Rees Howells. Where was this, but in South West Scotland at the Anwoth Parish.

With all the persecution of our ministry in Wales, God called us in effect to "shake the dust off our feet." We had witnessed corruption after corruption and with the Spirit moving in us we knew that it was right to move the ministry to a place of peace, to a land of the Covenanters from where Rees Howells received his original vision.

It is to here we therefore have come with a new title - THE BIBLE COLLEGE OF WALES - THE ORIGINAL VISION.

The national education system has forgotten God, and so God was choosing his David to face the Goliath of the new "woke culture" leading to the collapse of the national system. This College is built on God and so this year we were being prepared for a mighty harvest of souls, through "perfecting the saints for the work of the ministry."

**Part 10 - The Newspapers**

We are looking forward in future to produce newspapers again once staffing and distributions issues are solved.

**Part 11 - The Ministry Programme - step by step**

The early part of the year - May to October resulted in limited livestreaming although the other work of the College continued vigorously. The reason for limited livestreaming was because of the wholehearted commitment to the care of fellow trustee at that time Brian Mason.

From November 2021 till March 2022 a full schedule resumed including at times the ministry through Brian Mason who continued his Bible Studies, On Fire Intercession and Anglican Services.

The Kopite Church, All to the Cause, The Scots Kirk, The Midnight Cry, The Constitution Keeper, Miracle Healing Service, Congregation Hymn Sing and Pentecostal Holiness Church all resumed fully for livestream alongside a local only service at the Whithorn base.

In April 2022 the livestreaming programme was reduced because of the situation with Trustee Brian Mason who was needing more hands-on assistance exhausting the staff, thus the reduction, but God was at the centre of it all renewing our strength towards the year of the end of the seven year plan, God giving word to continue emphasizing the coming appearing of the only begotten Son in the sky.

The other work of the College is identified in Part 7 - THE WEBSITES & THE SEVEN YEAR PLAN.

**Part 12 - The Trustee Meetings**

In line with British Constitutional Law that relate our life's activities in the priority of the Spirit above the Temporal, we operate our activities primarily in this manner.

Increased trustee meetings took place, trustees were constantly informed of developments and whilst we refer you the reader to the prophetic section of this report, it needs to be remembered that the word of the prophets is subject to the prophets hence our wide coverage of the prophetic word to obey.

1 Corinthians 14:32 Authorized (King James) Version (AKJV)  
32 And the spirits of the prophets are subject to the prophets.

Each month trustees and trustees to be received a monthly financial report as well as a procedural one knowing as featured in the next part, trustees were being brought together from all over the world to fulfil the given seven-year plan.

Notes to the Financial Statements  
for the Year Ended 30 April 2022

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

**Financial reporting standard 102 - reduced disclosure exemptions**

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d);
- the requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirement of paragraph 33.7.

**Income**

All income is recognised once the charity has entitlement to the income, it is probable that the income received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust, that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition has not been met, the legacy is treated as a contingent asset and disclosed if material.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

**Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefit will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The cost of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs that are not attributable to a single activity, are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent and depreciation charges are allocated to the portion of the asset's use.

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the charity's educational operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Plant and machinery	- 25% on cost

Notes to the Financial Statements - continued  
for the Year Ended 30 April 2022

**1. ACCOUNTING POLICIES - continued**

**Tangible fixed assets**

- |                       |               |
|-----------------------|---------------|
| Fixtures and fittings | - 20% on cost |
| Motor vehicles        | - 25% on cost |

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

**Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short term maturity of three months or less, from the date of acquisition or opening of the deposit or similar account.

**Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. prepayments are valued at the amount incurred, net of any trade discounts due.

**Liabilities & provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advance payments for the goods and services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value, with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
