Due to Covid 19 we held a restrict meeting.

Throughout the year we managed to continue providing Scouting to our young people as and when the restrictions allowed. To help us achieve this we stopped having our meetings indoors and instead all were done outside. We used some of the Grant money to purchase floodlights so that we could continue even when the evenings were dark. Do to the effort of all the leaders and parents considering the restrictions placed on us by Coid19 we were able to still provide varied Programmes for the young people

sincerely,
