BARROW HILL ENGINE SHED SOCIETY LIMITED

REPORT OF THE TRUSTEES for the year ended 31 December 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The company's objective, for which the charity was established, is to preserve the locomotive engine shed at Barrow Hill, Staveley, which is Britain's only surviving operational roundhouse. A roundhouse is an engine shed featuring a central turntable, which is used to turn locomotives and to give access to numerous storage tracks within the building. The site is operated as a museum and also provides locomotive storage and repair and maintenance facilities to commercial operators.

Barrow Hill Limited is a 100% owned trading subsidiary of Barrow Hill Engine Shed Society Limited, and provides funds for the parent by gift aid. All trading activities are undertaken by Barrow Hill Limited, with the charity being responsible for the major restoration and enhancement of the site and buildings.

Public benefit

The charity carries out its activities in order to bring benefit to the general public. It brings real historical and educational value as it aims to educate the public about the history of the site in various ways. There is now a contract in place with Community Growth who now play a large part in arranging school visits and family events, alongside the Museum and Collections department which stages public displays and exhibitions. Barrow Hill is an Accredited Museum, recognised as such by Arts Council England under their Accreditation Scheme for museums. The site is open to the public each weekend from March to December.

A small admission charge was introduced during 2017.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

This year, 2024 has been very successful and there have been a number of achievements. It has been a great year with significant progress thanks to the hard work of our team members and volunteers.

We are incredibly pleased to see that the site and the finances were in an immaculate state thanks to the fantastic efforts of Barrow Hill Limited in the form of Bob Burgess and Mervyn Allcock.

We had the Annual General Meeting on 22 October 2024. The high level of attendance has continued. Members were thanked for their attendance. Thank you also to the volunteers, the Roundhouse could not run without their fantastic efforts.

The AGM received the company's financial statements for the year ended 31st December 2023, including the Trustees Reports and the reports of the Independent Examiner. Judith Hill of Hewitt Card, the company's Accountants, gave a full report on the Accounts. The members provided great support by questioning various aspects of the accounts, such as: What is the income from membership, the Shop and visitors? Mervyn Allcock explained that membership comes under the Charity accounts; all other income goes through the limited company. Membership income is less than the expenditure on Members. The Shop and Café have been very successful, and the management team is looking to make more use of the Café outside weekends. Please remember we do not charge visitors who only want to visit the shop and use the café. The Accounts were unanimously approved.

The Trustees retiring by rotation were Paul Beardsley and Martyn Brailsford and they indicated their willingness to be reappointed. The Members voted unanimously to reappoint Paul Beardsley and Martyn Brailsford.

The membership situation is very healthy. This level of membership is similar to the figures in 2018 and 2019 (pre-COVID), albeit more family and less concession memberships. We here re-confirm our major 2 priorities, the re-steaming of 41708 and the re-creation of the coaling stage with a Science, Technology, Engineering and Mathematics (STEM) focus.

Following the full planning application for the erection of a rail-related research development, innovation and training centre was submitted to Chesterfield Borough Council who are the lead planning authority. Discussions are now continuing for the lease with CBC.

The commercial side of the business continues to make great strides forward, working as outlined in the business plans for the future, at the same time keeping revenue protected which, in turn, keeps the whole of Barrow Hill and the Roundhouse safe.

Overall net expenditure for 2024 totalled £278,276 including depreciation charge of £102,779 and the annual bridge maintenance (£5,000).

Overall net income for 2024 amounted to £143,671. The principal non-NLHF element comprised donations from Barrow Hill Ltd (£80,990), gain on sale of assets (£24,000), membership subscriptions and donations (£32,999).

The society has received notification from Barrow Hill Ltd that it is transferring £31,476 after the year end to the society.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
