The strategies employed to achieve the charity's objectives are:

- Preach the gospel of Jesus Christ and educate people and communities in the WORD of God through meetings, studies, and Sunday/mid-week services.
- Teach members the doctrines of the Church.
- Carry out seminars and conferences on how poverty can be alleviated.
- Carry out enlightenment programs and teachings on how to live healthy.

It makes grants to similar charity organisations where Jesus Christ is recognized as the Lord and Saviour of mankind.

Activities include the provision of advice, information and organizing events to raise awareness of the Christian faith including the regular distribution of tracts reflecting the Gospel Message of Jesus Christ.

The church continues to minister fruitfully to the spiritual, physical, and material needs of different kinds of people within the church and the community at large.

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST MARCH 2025

Trustees' Responsibilities in relation to the financial statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Charity Commission regulation requires the Trustees to prepare financial statements for each financial year. The Trustees prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The Trustees will not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its operations.

The Trustees are responsible for keeping proper accounting records which are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Commission regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

Approval

This report was approved by the Board of Trustees and signed on its behalf by one of the trustees.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE STONE CHURCH LONDON FOR THE YEAR ENDED 31ST MARCH 2025

I report on the accounts of the charity for the year ended 31st March 2025, which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

The charity has prepared its accounts on cash (receipts & payments basis) and I am qualified to undertake the examination by being a UK Charity-Company Finance Director for seventeen years.

Having satisfied myself that the charity is not subject to audit under the Charities Act 2011 and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- follow the procedures laid down in the General Directions given by the Charity Commission under Section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Charity Commission regulations; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Charity Commission regulations and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 ACCOUNTING POLICIES

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (Charities FRSSE SORP 2015). The financial statements are drawn up on the historical cost basis of accounting, as modified by the revaluation of investment properties and other investments. The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary accounts in these financial statements are rounded to the nearest £.

1.2 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or trustees' estimate of market value less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives at the following rates:

This is deemed to be a more accurate assessment of the useful lives of those items. Only tangible fixed assets over £500 are capitalised.

Funds held by the charity are:
