**CHILDREN AT RISK FOUNDATION
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024**

2. Structure, Governance and Management

Legal Status

Children at Risk Foundation, CARF-UK is constituted as a Company, Limited by Guarantee and governed by a Memorandum and Articles of Association.

Management

The charity is managed by a Board of Trustees. This body meets at least three times a year to make policy and strategic decisions. In March the Articles of Association were formally updated and accepted by the Charity Commission following the move during 2023 to bring them more in line with best practice in the sector (adjusting trustee term limits and increasing the number of trustees required to form a quorum).

In January 2024 Monica Runke joined the board of trustees, and in July Deborah Unger resigned after serving for over twelve years. Nicole Reed gave notice of her intention to resign early in 2025. Over the course of the year several potential trustees attended meetings to get a feel for how the charity operates, and by the end of the year three people had formally expressed interest in becoming trustees: Piers Edwards, Ana Lucia de Souza and Mauro Lucio Souza. All three will be brought onboard in early 2025.

Related Parties

CARF-UK (Children at Risk Foundation – UK) is a UK charity that raises funds for and awareness of, the activities of a Brazilian Charity called ACER (Associação de Apoio a Criança em Risco), which translates as 'Association for Supporting Children at Risk'. ACER is the executive partner in this relationship; ACER does all the work on the ground in Brazil.

The Trustees approved a consultancy agreement on 17th December 2018 with Jonathan Hannay, a connected person, to carry out services on behalf of the Charity. The agreement was approved following appropriate conflict management procedures and the agreement has been extended since then on a rolling six-month basis. In 2022 it was agreed that the periodicity of the agreement should be moved onto a twelve-month basis.

3. Objectives and Activities

CARF-UK was established to support the work of ACER in Brazil both by raising funds and awareness of the acute problems faced by people who live in Eldorado, the most deprived and formerly the most violent neighborhood within the city of Diadema situated on the outskirts of São Paulo. ACER is a community development organisation working in Eldorado, Diadema, São Paulo state, Brazil, which focuses on developing the potential of children and young people.

CARF-UK continues to focus its efforts in three areas:

- **Fundraising** (the charity tries to maximise the proportion of the funds that are applied for the charity's objects, as opposed to core costs)

www.acerbrasil.org.br ~ www.carf-uk.org

CHILDREN AT RISK FOUNDATION

- **Communication** (raising awareness in the UK)
- **Policy and Practice** (communicate best practice from ACER's work in Brazil to organizations working with children and young people in the UK)

Mission Statement

Our mission is to protect the rights of children at risk and to work for their inclusion in mainstream Brazilian society.

4. Achievements and Performance

Fundraising

The charity continued with its strategy of running small fundraising events and looked to raise awareness in the community around its headquarters in Chiswick, west London.

Friday 10th May

CARF hosted a wine tasting fundraiser event in Finsbury Park, London. Alex Brogan of the Not Yet Named wine company gave a talk and auctioned off a number of a selection of donated bottles. There was a stall selling Eldorado Textiles at the event.

Friday 29th November

CARF ran a Christmas Fair event in Chiswick, London. The evening included games and a gift tree, along with a stall selling textiles from Brazil.

Communication / Policy and Practice

CARF-UK continued its membership of the Kinship Care Alliance in the UK and contributed to its activities throughout the year.

CARF-UK/ACER Brazil continue to be members of the International Safeguards for Children in Sport Working Group, led by UNICEF-UK.

The organisation 'A family for every child' launched a guide of best practice in the area of kinship care in January 2024. CARF and ACER contributed.

The Kinship Care coordinator and consultant at ACER and the Secretary General have co-authored a chapter in a book on Family and Community Living published by the Catholic University of Minas Gerais. The chapter is called "Family Guardian Programme – Evaluation of 10 years' experience in kinship care in Diadema/SP."

Updates from Brazil

STAFF

Jeremy Barnes, ACER's treasurer, reported positively on the progress made by the financial administrator who adapted well to the complexities of the financial structures and reporting necessitated by Brazilian law and the fact that the charity receives funding from local government. Unfortunately, despite this positive progress, they were unable to transition to the full time commitment that the role requires, and a replacement, who has experience of working at NGO's, took over in May.

www.acerbrasil.org.br ~ www.carf-uk.org

CHILDREN AT RISK FOUNDATION

A new position of coordinator has been created at the community centre, reporting to the Secretary General and joining the senior leadership team. This role is responsible for operating all the programs and projects run from the centre.

The safeguarding officer has moved to become General Manager and has an intern in her team take on a new position of junior safeguarding officer.

STRUCTURE

The Secretary General proposed a new organisational structure to take into account the increasing number of activities the charity is involved in outside of Diadema. It will be important if this work scales up, that the running of the Community Centre in Diadema is not affected or put under additional strain.

The mayor of Jijoca de Jericoacoara in Ceara in the North East of Brazil has expressed sustained interest in developing programmes with ACER's support.

SPORTS

ACER received funding from a government initiative to promote sports, with the initial focus being on girls and boys futsal.

ACER started an initiative with a local school to use their sports facilities after the end of the school day and open them up for community use as a gym at the end of the working day and over weekends.

The local government in Diadema signed a partnership agreement with ACER to oversee local NGO's activities in providing a range of services to the local community, such as capoeira and ballet.

FUNDRAISING

ACER is now part of the employee tax-incentivized giving programmes at Santander and Zurich Insurance for the next three years (starting in February 2025). This is part of a national competitive initiative run by Santander to select children's projects to support through tax effective donations by the company and also staff. ACER's Kinship care programme was selected to receive support over the next three years via the Diadema Children's Fund. As part of this new relationship, ACER will be receiving two high level visits from senior managers from the bank and the insurance company.

ELECTIONS

Mayoral elections in Diadema during the course of the year brought in a new team and administration, who unfortunately do not have such a positive view of the projects that ACER has been in partnership with the local government. It is extremely likely that some of these activities will be discontinued in the coming months.

5. Financial Review

As can be seen in this report and our annual accounts CARF-UK has been successful in continuing to supply a steady flow of funding to ACER in Brazil. The charity continued to receive

www.acerbrasil.org.br ~ www.carf-uk.org

CHILDREN AT RISK FOUNDATION

regular, gift-aided donations from private individuals in this period, including many people who have been longstanding contributors.

6. Plans for Future Periods

CARF-UK's plans for 2025 will focus on Fundraising and Policy and Practice:

Fundraising

CARF-UK will aim to have two fundraising events during the year, one in the Summer to coincide with the Turnham Green Days event run by the Bedford Park Society in Chiswick, and one at Christmas time.

Policy and Practice

Jonathan Hannay will continue to represent the charity through its membership of the Kinship Care Alliance in the UK.

In addition, the charity aims to overhaul its website and use of social media in 2025 to refresh its image and online presence.

PUBLIC BENEFIT

CARF-UK works for the public benefit by increasing public awareness of the acute problems faced by the children in Brazil. Its grant making activities are specifically focused at funding programmes helping underprivileged people. The trustees have complied with the provisions of the 2011 Charities Act to have due regard to the guidance published by the Charity Commission, including public benefit guidance.

RESERVES

CARF-UK operates a reserves policy aimed at maintaining unrestricted funds at a level of six months operating costs. This will enable emergency grants to be issued at short notice.

RESPONSIBILITIES OF THE TRUSTEES

The trustees (who are also the directors of Children at Risk Foundation for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the income and expenditure of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;

www.acerbrasil.org.br ~ www.carf-uk.org

CHILDREN AT RISK FOUNDATION

- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board of trustees.

A Hannay
Chairman

CHILDREN AT RISK FOUNDATION INDEPENDENT EXAMINER'S REPORT

I report to the charity trustees on my examination of the accounts of Arts on the run for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act).

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

www.acerbrasil.org.br ~ www.carf-uk.org

**CHILDREN AT RISK FOUNDATION
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

1. ACCOUNTING POLICIES

1.1 Company Information

The company is a charitable incorporation organisation limited by guarantee, and it is registered at 3 The Orchard, LONDON, W4 1JZ.

The principal business activity is to raises funds and awareness on the behalf of a Brazilian Charity called ACER (Associação de Apoio a Criança em Risco) which translates as 'Association for Supporting Children at Risk'.

1.2 Basis of preparation

These financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' ('FRS 102'), and with the Companies Act 2006. The financial statements have been prepared on the historical cost basis except for the modification to a fair value basis for certain financial instruments as specified in the accounting policies below.

The financial statements are presented in Sterling (£)

1.3 Going Concern

After reviewing the companies' forecasts and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

1.4 Incoming resources

Donations and grants received are allocated between restricted and unrestricted funds and between the different types of incoming resources according to their nature. Grants for revenue expenditure and capital expenditure are recognised in the statement of financial activities on a receivable basis.

Other incoming resources, including investment income, are recognised in the statement of financial activities on a receivable basis.

www.acerbrasil.org.br ~ www.carf-uk.org

**CHILDREN AT RISK FOUNDATION
NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024**

1.5 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purpose.

Designated funds are unrestricted funds earmarked by the trustees for particular future projects or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

1.6 Incoming resource

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- Legacy income is recognised when receipt is probable, and entitlement is established.
- Income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

1.7 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates

- Expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities and the sale of donated goods.
- Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
