Report of the Trustees**SUMMARY OF ACTIVITIES**

Our principal activity during 2021/2022 has to been to continue to grow and maintain the Vine Church UK in Swindon, to continue to assist our projects in London, Bristol, Manchester and Eastbourne, respectively. We have endeavoured to continue offering pastoral support and social care in the community, using our leased and now renovated premises in Stratton Green to facilitate this. One such event was a Community Christmas Dinner for the Brain Court Retirement Housing community, where we provided food and put on a party for the residents of the centre in our church building. Many of these residents did not otherwise have much cause to leave their homes and were, therefore, delighted to be a part of our event.

In 2021/2022 we have continued to grow and expand the VLC (Vine Learning Centre), a home-schooling cooperative initiative to support Christian families in the community and members of the church in educating their children using the ACE (Accelerated Christian Education) system. This has proven extremely effective and the testimonies of parents are that their children have made excellent progress both academically and in the development of their character, as a result of the VLC initiative.

During 2020 we began a new work for the Portuguese speaking community in Swindon, led by Pr Matheus Alarcom Thome who moved to Swindon from Brazil for this purpose and in 2021/2022 this work has continued to grow with the weekly worship service attendance growing to approximately 50 people.

Our trainee pastor Ariel continued to work in the church on a full-time basis, providing administrative support, event planning and being responsible for our work with teenagers and young adults which has seen significant numerical growth. Ariel was ordained as a pastor at our annual Church Retreat in September 2022.

We have continued to concentrate our efforts in improving our social media presence, further increasing the number of videos and media resources to announce news, promote events and also to make available online courses. We have continued to progress in establishing and maintaining a presence online along with professional, quality resources, which continues to be among our ambitions and the continued investment made has enabled us to make further progress in this area. This has meant that we have continued to live stream all our worship services on Facebook and YouTube so that we are able to reach more people.

In 2021, with the loosening of social distancing restrictions, we were able to reinstate our annual Church Retreat and Encounter Weekends. We held 3 Encounter Weekends during the year, including our first ever one just for teenagers from the age of 13-16. We also held weekends of the same format for adults and also the Portuguese speaking community. Each one of these events was fully attended and the lives of the participants were greatly impacted. We also held a Children's Morning with God and a Children's Encounter Day, attended by more than 100 children from the local area. We held our Church Retreat in September 2021 which saw families from each of our church plants around the UK come together. This was a great success for us.

Report of the Trustees

THE VINE CHURCH UK**Sunday Services & Cell Groups**

In The Vine Church UK we have approximately 350 members including children, young adults and adults in the 5 main hubs.

The Church in Swindon has held its Sunday Services in our Stratton Green building. The life groups have met all over Swindon town, and surrounding villages. The church plants in London, Bristol, Eastbourne and Manchester have also held services in their localities alongside weekly life group meetings in homes.

Discipleship

In addition to our weekly life groups and Sunday celebrations (Services), we also have had regular prayer meetings and weekly discipleship meetings. Currently all leaders meet weekly with their coaches and the coaches with the Pastor on an alternate basis.

Retreat

We, once again, held our now annual church retreat offering time away for all the families of the church in Swindon, as well as those from London and Bristol. Here we had times of teaching, worship, prayer and also had the enjoyment of outdoor activities.

Prayer & Fasting Campaigns

We held two campaigns this year.

Training

We are continuing holding our main training courses twice a year, with two terms that start in September and February. These are 55 hours courses held over 22 evenings on Thursdays:

- The Spiritual Maturity Course
- The Leadership Training Course

In addition, we organize for new believers to go through our Consolidation Course with their mentor from the life group. This is a 12-lesson programme given over the course of their first 3 months in the Church.

We have continued the New Members Course this year for the ones who will be baptized or have recently joined the church. After the course, we have a formal presentation of the new members of the church. This year we once again had 2 presentations.

Report of the Trustees**Future plans**

In our local church in Swindon, we look to continue to improve in our offering to the community along with a focus on the growth of the Church and the training of leaders and helpers. We will also look to review our

I report to the trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
