

22/23

Secretaries Report

I have only been in post for 4 months, but in that time have been welcomed on to the C.A.N.E. committee and helped out at various events throughout that time including the table top sale. I look forward to working alongside the other committee members and officers to keep C.A.N.E. a well known and welcoming community centre at the heart of New Eltham.

Emma Jacobs (secretary)
