TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The purpose of Bryncynon Community Revival Strategy is set out in the Mission Statement and states: The charity's objects are to provide facilities in the interests of the advancement of education and social welfare with the purpose of improving the condition and quality of life for the residents of Bryncynon in the Rhondda Cynon Taff Area.

Public Benefit

During the year, the Trustees have paid due regard to the guidance issued by the Charity Commission with regards to public benefit in deciding which activities the Charity needs to undertake.

Our main activities and beneficiaries of those activities are described below. All our charitable activities focus on helping the community and serves to further our charitable purpose for public benefit.

During the period 2023 – 2024, the organisation's objectives were as follows:

Strategic Objectives:

- Increase levels of income generation in all areas of works to secure unrestricted funding to ensure to sustainability of the organisation.
- Secure grant funding to maintain and explore ways of expanding current provisions.
- Continue to build on good practice by maintaining, and where necessary, by improving standards.
- Promote the work of the organisation locally both with the community and businesses.
- *Develop and improve partnership working to improve the provisions provided by the strategy.*
- After development of Bryncynon Community Centre, to continue developing youth provisions across the Lower Cynon Valley.
- Engage with professional support to assist in income generation and fundraising.
- Engage with Adult Learning Wales to develop training opportunities for residents.
- Develop a range of services that focus on older people in the Lower Cynon Valley.
- Develop a range of services to aid community members with poverty, including food poverty and sustainable provisions around this.

Healthy Living/Feel Good Factory Objectives:

- To continue to utilise the Feel Good Factory as a resource and support centre for the community.
- Through the implementation of the Fare Share scheme, provide free or low-cost food and meals to those in the community.
- To continue to provide and look to support new services being delivered from the centre.
- Support ways of generating income from the Feel Good Factory in addition to the room hire facility available to local organisations.
- Increase the viability of the centre as a resource for the community and meet the needs of those families who are struggling through the destitution of free food to anyone who needs it.

Finance Objectives:

- Facilitate the development of Bryncynon Community Revival Strategy Ltd.
- To implement a robust funding strategy which includes bid writing and business sponsorship.
- Contribute towards the smooth running of the organisation via streamlining of finance and administration functions.
- Best use of all Bryncynon Strategy's assets to generate maximum income.
- Continue to look for opportunities to reduce running costs and ensure that the charity runs as efficiently as possible.
- To develop a minimum of 6 months reserves.
- Protect jobs.

Youth Objectives:

- Identify funding opportunities for youth provision for delivery through the community centre hub.
- Delivery of specific youth activities delivered through external funding.
- Engage young people through a community questionnaire to establish what youth activities they would like to see in the region.
- To work with the local school to support the provision of free or low-cost food (packed lunches or after school meals) for those on low income.
- To address child poverty with a range of schemes to support families in need.
- Encourage volunteering among young people and provide training to promote development.

Early Years Objectives:

- To continue to successfully deliver the Flying Start Provision, offering a full provision under this agenda, looking into expansion opportunities when they arise.
- Promote and teach healthy lifestyle amongst 0-5s and their parents.
- Maintain regular playgroup and play scheme provisions in the community.
- Generate income by developing activities at the Growing Together Centre and at other centres.
- Continue to improve the services provided through a programme of staff training and personal development.
- Engage families in activities to support childcare and family cohesion.
- Engage with agencies supporting families with disabled children who would benefit from the use of the sensory room in the youth centre.

FOR THE YEAR ENDED 31 MARCH 2024

Catering Objectives:

- Cafe opening hours to be reduced to ensure viability of food services.
- Expand the buffet and delivery service to help generate additional income.
- To use the Fareshare food to provide free or low-cost meals to people and senior citizens and those on low income.
- To encourage families to use the café to provide low-cost family meals.
- To continue to develop the free food and community fridge initiative which enables us to provide the community with free groceries to help support their families.
- Café to provide hot meals to Over 60s in the community using door delivery.

Administration and IT Objectives:

- Maintain efficient administration, personnel and IT provision. Look for most cost-effective provision.
- Co-ordinate and monitor volunteering within the organisation.
- Ensure effective staff training and development across all areas of Bryncynon Community Revival Strategy Ltd.
- The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

We have been successful in securing the Investors in Volunteers award. This recognises our commitment to our volunteers across the entirety of the organisation and truly value the contribution they make, their dedication and commitment.

Secured funding from a variety of sources for our Listening Project which will see telephone support and volunteers who will bring older people to the Feel Good Factory as well as providing a hot meal delivery service to those that need it.

We have been able to secure funding for the Food Pantry to provide affordable food to residents and employ someone to coordinate the Food Pantry, liaising with suppliers and service users to ensure we deliver a value-for money service for some of the most vulnerable within our community, all from a comfortable, welcoming and warm space in a former office space.

We have two transport vehicles in use to ensure transport barriers are alleviated when people are access much needed services.

Bryncynon Community Revival Strategy has continued to deliver successfully its Flying Start provision through its Growing Together Centre. We are increasingly the provider of choice for early years and after school provision. We delivered Holiday Hunger and are successfully delivering the 30-hour child offer for Wales.

Flying Start at the Growing Together Centre continues to complement our services and encourage growth and development to local feeder schools, as well as many of the children then going on to attend our Holiday Play and After School Clubs situated at the Community Centre.

The Feel Good Factory continues to provide an essential hub in the community, providing a range of services for the local community including a weekly 'Welcome Wednesday' where we offer a subsidised Food Pantry, Community Food Table, activities, energy advice, benefits advice, training and employment opportunities, etc.

Financial review

Results for the year

Income of the year was £343,713 (2023: £344,991). Expenditure for the year was £408,757 (2023: £420,813).

An unrestricted deficit of £30,966 was reported for the year (2023: deficit of £48,061).

Reserves policy

It is the policy of the Charity to generate and maintain funds in order that it can maintain its operations for the foreseeable future, aiming for a minimum of 6 months in operating costs in reserves. Unrestricted funds are generated in order to cover expenditure not covered by other specific grants and any short term funding shortfalls which may occur from time to time.

As at 31st March 2024, the charity's free reserves (Unrestricted reserves less fixed assets) amounted to £54,872 (2023: £87,593).

Principle Funding Sources

The principle funding source of Bryncynon Community Revival Strategy Ltd for the year ended 31st March 2024 was National Lottery, Flying Start and RCT Grant funding. In addition, we have secured relatively small pots of funding for projects. We have, however, secured £250k funding from the National Lottery – People and Places grant to continue the work and development of our Listening Project going forward and improving the services for older people in the area.

Investment policy and objectives

The Charity is taking on the most appropriate policy for investing surplus funds which may arise from time to time and consider that an interest-bearing deposit account is suitable for holding such funds.

All projects have an exit strategy and there is a continual review and search for funding for sustainability eventually leading to less grant dependency.

The trustees are responsible for safeguarding the charity's assets and ensuring their proper application in accordance with charity law and hence taking reasonable steps for the prevention and detection of fraud, error and other irregularities.

Induction and training for new trustees

All trustees receive training in the following:

- Roles and responsibilities of Trustees
- Health and Safety legislation
- Charity Law
- Company and finance matters

In support of the above, regular updates are given at the monthly trustee meetings or as and when required.

Qualifying third party indemnity provisions

Going Concern

These financial statements are prepared on the going concern basis. The trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future. Having reduced the running costs of the charity fundraising activity, we are confident this will enable the organisation to continue.

The organisation was impacted significantly in this year by the Public Sector cuts resulting in a loss of room bookings from the Local Authority and Local Health Board. To replace we have forged new partnerships with Adult Learning Wales and others and the benefits of this should be seen in the next financial year.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

I report to the trustees on my examination of the financial statements of Bryncynon Community Revival Strategy Limited (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

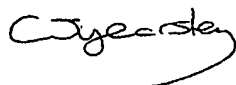

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Bryncynon Community Revival Strategy Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is The Feel Good Factory, Abercynon Road, Ynysboeth, Mountain Ash, Rhondda Cynon Taff, CF45 4XZ, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for smaller charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Grants are recognised when received.

Income from fundraising is recognised when received.

Income from tuition and other income is recognised when received.

1.5 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include audit fees and costs linked to the strategic management of the Charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% on cost & improvements 5% on cost
Plant and equipment	25% reducing balance
Motor vehicles	12.5% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

Fixed asset additions costing less than £900 are not capitalised.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their annual report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The purpose of Bryncynon Community Revival Strategy is set out in the Mission Statement and states: The charity's objects are to provide facilities in the interests of the advancement of education and social welfare with the purpose of improving the condition and quality of life for the residents of Bryncynon in the Rhondda Cynon Taff Area.

Public Benefit

During the year the Trustees have paid due regard to the guidance issued by the Charity Commission with regards to public benefit in deciding which activities the Charity needs to undertake.

Our main Activities and beneficiaries of those activities are described below. All our charitable activities focus on helping the community and serves to further our charitable purpose for public benefit.

During the period 2022 – 2023, the organisation's objectives were as follows:

Strategic Objectives:

- Increase levels of income generation in all areas of works to secure unrestricted funding to ensure to sustainability of the organisation.
- Secure grant funding to maintain and explore ways of expanding current provisions.
- Continue to build on good practice by maintaining, and where necessary, by improving standards.
- Promote the work of the organisation locally both with the community and businesses.
- Develop and improve partnership working to improve the provisions provided by the strategy.
- After development of Bryncynon Community Centre, to continue developing youth provisions across the Lower Cynon Valley.
- Engage with professional support to assist in income generation and fundraising.
- Engage with Adult Learning Wales to develop training opportunities for residents.
- Develop a range of services that focus on older people in the Lower Cynon Valley.
- Develop a range of services to aid community members with poverty, including food poverty and sustainable provisions around this.

Healthy Living/Feel Good Factory Objectives:

- To continue to utilise the Feel Good Factory as a resource and support centre for the community.
- Through the implementation of the Fare Share scheme, provide free or low-cost food and meals to those in the community.
- To continue to provide and look to support new services being delivered from the centre.
- Support ways of generating income from the Feel Good Factory in addition to the room hire facility available to local organisations.
- Increase the viability of the centre as a resource for the community and meet the needs of those families who are struggling through the destitution of free food to anyone who needs it.

Finance Objectives:

- Facilitate the development of Bryncynon Community Revival Strategy Ltd.
- To implement a robust funding strategy which includes bid writing and business sponsorship.
- Contribute towards the smooth running of the organisation via streamlining of finance and administration functions.
- Best use of all Bryncynon Strategy's assets to generate maximum income.
- Continue to look for opportunities to reduce running costs and ensure that the charity runs as efficiently as possible.

BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

- To develop a minimum of 6 months reserves.
- Protect jobs.

Youth Objectives:

- Identify funding opportunities for youth provision for delivery through the community centre hub.
- Delivery of specific youth activities delivered through external funding.
- Engage young people through a community questionnaire to establish what youth activities they would like to see in the region.
- To work with the local school to support the provision of free or low-cost food (packed lunches or after school meals) for those on low income.
- To address child poverty with a range of schemes to support families in need.
- Encourage volunteering among young people and provide training to promote development.

Early Years Objectives:

- To continue to successfully deliver the Flying Start Provision, offering a full provision under this agenda, looking into expansion opportunities when they arise.
- Promote and teach healthy lifestyle amongst 0-5s and their parents.
- Maintain regular playgroup and play scheme provisions in the community.
- Generate income by developing activities at the Growing Together Centre and at other centres.
- Continue to improve the services provided through a programme of staff training and personal development.
- Engage families in activities to support childcare and family cohesion.
- Engage with agencies supporting families with disabled children who would benefit from the use of the sensory room in the youth centre.

Catering Objectives:

- Cafe opening hours to be reduced to ensure viability of food services.
- Expand the buffet and delivery service to help generate additional income.
- To use the Fareshare food to provide free or low-cost meals to people and senior citizens and those on low income.
- To encourage families to use the café to provide low-cost family meals.
- To continue to develop the free food and community fridge initiative which enables us to provide the community with free groceries to help support their families.
- Café to provide hot meals to Over 60s in the community using door delivery.

Administration and IT Objectives:

- Maintain efficient administration, personnel and IT provision. Look for most cost-effective provision.
- Co-ordinate and monitor volunteering within the organisation.
- Ensure effective staff training and development across all areas of Bryncynon Community Revival Strategy Ltd.
- The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

We have been successful in securing the Investors in Volunteers award. This recognises our commitment to our volunteers across the entirety of the organisation and truly value the contribution they make, their dedication and commitment.

Secured funding from a variety of sources for our Listening Project which will see telephone support and volunteers who will bring older people to the Feel Good Factory as well as providing a hot meal delivery service to those that need it.

We have been able to secure funding for the Food Pantry to provide affordable food to residents and employ someone to coordinate the Food Pantry, liaising with suppliers and service users to ensure we deliver a value-for-money service for some of the most vulnerable within our community, all from a comfortable, welcoming and warm space in a former office space.

BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

We have 2 transport vehicles in use to ensure transport barriers are alleviated when people are access much needed services.

Bryncynon Community Revival Strategy has continued to deliver successfully its Flying Start provision through its Growing Together Centre. We are increasingly the provider of choice for early years and after school provision. We delivered Holiday Hunger and are successfully delivering the 30-hour child offer for Wales.

Flying Start at the Growing Together Centre continues to complement our services and encourage growth and development to local feeder schools, as well as many of the children then going on to attend our Holiday Play and After School Clubs situated at the Community Centre.

The Feel Good Factory continues to provide to be an essential hub in the community, providing a range of services for the local community including a weekly 'Welcome Wednesday' where we offer a subsidised Food Pantry, Community Food Table, activities, energy advice, benefits advice, training and employment opportunities, etc.

Financial review

Results for the year

Income of the year was £344,991 (2022: £348,064). Expenditure for the year was £420,813, up from £361,381 in 2022.

An unrestricted deficit of £48,061 was reported for the year (2022: surplus of £20,439).

Reserves policy

It is the policy of the Charity to generate and maintain funds in order that it can maintain its operations for the foreseeable future, aiming for a minimum of 12 months in operating costs in reserves. Unrestricted funds are generated in order to cover expenditure not covered by other specific grants and any short term funding shortfalls which may occur from time to time.

As at 31st March 2023, the charity's free reserves (Unrestricted reserves less fixed assets) amounted to £87,593 (2022: £146,581).

Principle Funding Sources

The principle funding source of Bryncynon Community Revival Strategy Ltd for the year ended 31st March 2023 was National Lottery, Flying Start and RCT Grant funding. In addition, we have secured relatively small pots of funding for projects. We have, however, secured £250k funding from the National Lottery – People and Places grant to continue the work and development of our Listening Project going forward and improving the services for older people in the area.

Investment policy and objectives

The Charity is taking on the most appropriate policy for investing surplus funds which may arise from time to time and consider that an interest-bearing deposit account is suitable for holding such funds.

All projects have an exit strategy and there is a continual review and search for funding for sustainability eventually leading to less grant dependency.

The trustees are responsible for safeguarding the charity's assets and ensuring their proper application in accordance with charity law and hence taking reasonable steps for the prevention and detection of fraud, error and other irregularities.

Future Developments

We are continuing to recover and working with partners on rebuilding relationships and our building is being well-utilised.

Our staff team is growing, which is taking pressure of the core staff to allow them to develop the charity and services going forward.

BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

Our survival has relied on fundraising, and we have had some success with that. The Community Centre is now finished, and our plans are to offer a youth provision and expanding on children's services. Utilising our sensory room will enable us to provide safe sessions for children with disabilities and we are engaging partner agencies to make them aware of the facility.

We are yet to feel the pinch of the energy crises as we are within a competitive contract with SSE until 2024, we are, however, looking into inexpensive options and ways in which we can cut our energy costs and reduce our carbon footprint going forward.

We have funding for a Full Time Listening Project Coordinator which will engage volunteers in befriending. Our meal delivery service has taken off and we needed to expand the team to meet capacity. We are hopeful to increase this service further in the new year.

It will be important to develop the board of Bryncynon, which is again small. We are engaging with the local people and are skill searching to identify gaps within our trustees' strengths.

Key to the organisation's success is the Feel Good Factory and we plan to continue to develop this centre as both a vital community hub and as a source of generating unrestricted income.

Development and implementation of a robust funding strategy will be a key priority for the charity going forward as this will enable better delivery of charitable objects and contribute to the sustainability of the charity.

The Bryncynon Community Centre will provide a space to develop services for children and families and this will also be a priority going forward.

Marketing of the Feel Good Factory and its Catering Services are a big focus for the organisation and we are continuing to improve marketing material, both in print and online.

Structure, governance and management

Governing Document

The Charity is controlled by its governing document, Memorandum and Articles of Association, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by The Companies Act 2006. The Charity was incorporated on 8 May 1996

Recruitment and appointment of new trustees

Trustees are elected from Bryncynon, its surrounding areas and from wider areas, to fill particular skillsets. We are also in the process of developing the capacity of the board through the increase in board members who have specific skills and expertise. Trustees serve for a 3-year appointment and can be re-elected for further terms. They are elected at the AGM through a formal process of invitation and selection throughout the year.

Induction and training for new trustees

All trustees receive training in the following:

- Roles and responsibilities of trustees
- Health and Safety legislation
- Charity Law
- Company and finance matters

In Support of the above, regular updates are given at the monthly trustee meetings or as and when required.

Going Concern

These financial statements are prepared on the going concern basis. The trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future. Having reduced the running costs of the charity fundraising activity, we are confident this will enable the organisation to continue.

The organisation was impacted significantly in this year by the Public Sector cuts resulting in a loss of room bookings from the Local Authority and Local Health Board. To replace we have forged new partnerships with Adult Learning Wales and others and the benefits of this should be seen in the next financial year.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

I report to the trustees on my examination of the financial statements of Bryncynon Community Revival Strategy Limited (the charity) for the year ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

Charity information

Bryncynon Community Revival Strategy Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is The Feel Good Factory, Abercynon Road, Ynysboeth, Mountain Ash, Rhondda Cynon Taff, CF45 4XZ, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for smaller charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Grants are recognised when received.

Income from fundraising is recognised when received.

Income from tuition and other income is recognised when received.

1.5 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include audit fees and costs linked to the strategic management of the Charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% on cost & improvements 5% on cost
Plant and equipment	25% reducing balance
Motor vehicles	12.5% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

Fixed asset additions costing less than £900 are not capitalised.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial Instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their annual report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The purpose of Bryncynon Community Revival Strategy is set out in the Mission Statement and states: The charity's objects are to provide facilities in the interests of the advancement of education and social welfare with the purpose of improving the condition and quality of life for residents of Bryncynon in the Rhondda Cynon Taff area.

Public benefit

During the year the trustees have paid due regard to the guidance issued by the Charity Commission with regards to public benefit in deciding which activities the Charity needs to undertake.

Our main activities and beneficiaries of those activities are described below. All of our charitable activities focus on helping the community and serves to further our charitable purposes for public benefit.

During the period 2021-2022, the organisation's objectives were as follows:

Strategic objectives

- Increase levels of income generation in all areas of works to secure unrestricted funding to ensure the sustainability of the organisation.
- Secure grant funding to maintain and explore ways of expanding current provisions.
- Continue to build on good practice by maintaining, and where necessary, by improving standards.

FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance

Secured funding from a variety of sources for our Listening Project which will see telephone support and volunteers who will bring older people to the Feel Good Factory as well as providing a hot meal delivery services to those that need it.

We have 2 transport vehicles in use to ensure transport barriers are alleviated when people are access much needed services.

Successfully relocated children activity services to Community Centre which will provide a base for Children and Youth Activities.

Bryncynon Community Revival Strategy has continued to deliver successfully its Flying Start provision through its Growing Together Centre. We are increasingly the provider of choice for early years and after school provision. We delivered Holiday Hunger and are successfully delivering the 30 hour child offer for Wales.

Flying Start at the Growing Together centre continues to complement our services and encourages growth and development to local feeder schools as well as many of the children then going on to attend our Holiday Play and After School Clubs situated at the community Centre.

The Feel Good Factory continues to prove to be an essential hub in the community, providing a range of services for the local community including a weekly 'welcome Wednesday' where we offer A subsidised Food Pantry, community Food Table, activities, energy advice, benefits advise, training and employment opportunities, etc.

Financial review

Results for the year

Income for the year was £348,064, (2021: £381,039). Expenditure for the year was £361,381, up from £269,451 in 2021.

An unrestricted surplus of £20,439 was reported for the year (2021: £94,382).

Reserves policy

It is the policy of the Charity to generate and maintain funds in order that it is able to maintain its operations for the foreseeable future, aiming for a minimum of 12 months full operating costs in reserves. Unrestricted funds are generated in order to cover expenditure not covered by other specific grants and any short term funding shortfalls which may occur from time to time.

As at 31 March 2022, the charity's free reserves (unrestricted reserves less fixed assets) amounted to £146,581 (2021: £156,283).

Principle funding sources

The principle funding sources of Bryncynon Community Revival Strategy Ltd for the year ended 31 March 2022 was National Lottery, Flying Start, and RCT Grant funding. In addition we have secured relatively small pots of funding for projects. We have however secured £250k funding from the National Lottery – People and places grant to continue the work and development of our Listening Project going forward and improving the services for older people in the area.

Investment policy and objectives

The Charity is taking advice on the most appropriate policy for investing surplus funds which may arise from time to time and consider that an interest bearing deposit account is suitable for holding such funds.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

All projects have an exit strategy and there is a continual review and search for further funding for sustainability eventually leading to less grant dependency.

The trustees are responsible for safeguarding the charity's assets and ensuring their proper application in accordance with charity law and hence taking reasonable steps for the prevention and detection of fraud, error and other irregularities.

Future Developments

The pandemic had a profound impact on the Strategy. However, we are continuing to recover and working with partners on rebuilding relationships and our building is being well-utilised.

Our Staff team is growing, which is taking pressure of the core staff to allow them to develop the charity and services going forward

Our survival has relied on fundraising and we have had some success with that. The Community Centre is now finished and our plans are to offer a youth provision and expanding on children's services. Utilising our sensory room will enable us to provide safe sessions for children with disabilities and we are engaging partner agencies to make them aware of the facility.

We are yet to feel the pinch of the energy crises as we are within competitive contract with SSE until 2024, we are however looking into inexpensive options and ways in which we can cut our energy costs and reduce our carbon footprint going forward.

We have funding for a Full Time Listening Project Coordinator which will engage volunteers in befriending. Our meal delivery service has taken off and we needed to expand the team to meet capacity. We are hopeful to increase this service further in the new year.

It will be important to develop the board of Bryncynon which is again small. We are engaging the local people and are skill searching to identify gaps within our trustees strengths

Key to the organisation's success is the Feel Good Factory and we plan to continue to develop this centre as both a vital community hub and as a source of generating unrestricted income.

Development and implementation of a robust funding strategy will be a key priority for the charity going forward as this will enable better delivery of charitable objects and contribute to the sustainability of the charity.

The Bryncynon Community Centre will provide a space to develop services for children and families and this will be a priority going forward.

Marketing of the Feel Good Factory and it's Catering services are a big focus for the organisation and we are continuing to improve marketing material, both in print and online.

Structure, governance and management

Governing document

The Charity is controlled by its governing document, Memorandum and Articles of Association, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by The Companies Act 2006. The Charity was incorporated on 8 May 1996.

Recruitment and appointment of new trustees

Trustees are elected from Bryncynon, its surrounding areas and from wider areas to fill particular skillsets. We are also in the process of developing the capacity of the board through the increase in board members who have specific skills and expertise. Trustees serve for a 3-year appointment and can be re-elected for further terms. They are elected at the AGM of through a formal process of invitation and selection throughout the year.

Induction and training for new trustees

All trustees receive training in the following:

- Roles and responsibilities of trustees,
- Health and safety legislation
- Charity law
- Company and finance matters.

In support of the above, regular updates are given at the monthly trustees meetings or as and when required.

Going Concern

These financial statements are prepared on the going concern basis. The trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future. Having reduced the running costs of the charity ongoing fundraising activity, will we are confident, enable the organisation to continue.

The organisation was impacted significantly in this year by the Public Sector cuts resulting in a loss of room bookings from the Local Authority and Local Health Board. To replace we have forged new partnerships with Adult Learning Wales and others and the benefits of this should be seen in the next financial year.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

I report to the trustees on my examination of the financial statements of Bryncynon Community Revival Strategy Limited (the charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of , which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Charity information

Bryncynon Community Revival Strategy Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is The Feel Good Factory, Abercynon Road, Ynysboeth, Mountain Ash, Rhondda Cynon Taff, CF45 4XZ, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for smaller charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Grants are recognised when received.

Income from fundraising is recognised when received.

Income from tuition and other income is recognised when received.

1.5 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include audit fees and costs linked to the strategic management of the Charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% on cost
Plant and equipment	25% reducing balance
Motor vehicles	12.5% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

Fixed asset additions costing less than £900 are not capitalised.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their report and financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The purpose of Bryncynon Community Revival Strategy is set out in the Mission Statement and states:

The charity's objects are to provide facilities in the interests of the advancement of education and social welfare with the purpose of improving the condition and quality of life for residents of Bryncynon in the Rhondda Cynon Taff area.

Public benefit

During the year the trustees have paid due regard to the guidance issued by the Charity Commission with regards to public benefit in deciding which activities the Charity needs to undertake.

Our main activities and beneficiaries of those activities are described below. All of our charitable activities focus on helping the community and serves to further our charitable purposes for public benefit.

During the period 2020-2021, the organisation's objectives were as follows:

Strategic objectives

- Increase levels of income generation in all areas of works to secure unrestricted funding to ensure the sustainability of the organisation.
- Secure grant funding to maintain and explore ways of expanding current provisions.
- Continue to build on good practice by maintaining, and where necessary, by improving standards.
- Promote the work of the organisation locally both with the community and businesses.
- Develop and improve partnership working to improve the provisions provided by the strategy.
- Continue to develop Bryncynon Community and the youth provision across the Lower Cynon Valley.
- Engage with Adult Learning Wales to develop training opportunities for residents.
- Further develop our range of services that focuses on older people in the Lower Cynon Valley.
- Develop strong partnerships with other charitable organisations through joint working and funding applications.

Healthy Living / Feel Good Factory Objectives

- To continue to utilise the Feel Good Factory as a resource and support centre for the community.
- Through the implementation of the Fare Share scheme, continue to provide free or low cost food and meals to those in the community.
- To continue to provide and look to support new services being delivered from the centre.
- Support ways of generating income from the Feel Good Factory in addition to the room hire facility available to local organisations.
- Increase the visibility of the centre as a resource for the community and meet the needs of those families who are struggling through the distribution of free food to anyone who needs it.

Finance Objectives

- Facilitate the development of Bryncynon Community Revival Strategy Ltd.
- To implement a robust funding strategy which includes bid writing and business sponsorship.
- Contribute towards the smooth running of the organisation via streamlining of finance and administration functions.
- Best use of all of Bryncynon Strategy's assets to generate maximum income.

- Continue to look for opportunities to reduce running costs and ensure that the charity runs as efficiently as possible.
- To maintain a minimum of 6 months reserves.
- Protect jobs.
- Secure further funding for the continued delivery of the Listening Project, also securing continued employment for our Project Coordinator.

Youth Objectives

- To continue to further enhance and grow our youth provision.
- Identify funding opportunities for youth provision for delivery through the community centre hub.
- Delivery of specific youth activities delivered through external funding.
- Engage young people through a community questionnaire to establish what youth activities they would like to see in the region.
- To work with the local school to support the provision of free or low cost food (packed lunches or after school meals) for those on low income.
- To address child poverty with a range of schemes to support families in need.
- Encourage volunteering among young people and provide training to promote development.

Early Years Objectives

- Continue to successfully deliver the Flying Start Provision, offering a full provision under this agenda.
- Promote and teach healthy lifestyle amongst 0-5s and their parents.
- Maintain regular playgroup and play scheme provisions in the community.
- Generate income through developing activities at the Growing Together Centre and at other centres.
- Continue to improve the service provided through a programme of staff training and personal Development.
- Engage families in activities to support child care and family cohesion.
- Engage with agencies supporting families with disabled children who would benefit from the use of the sensory room in the youth centre.

Café Objectives

- Review the opening hours of the café with a view to ensuring its financial viability.
- Re-start the buffet and delivery service to help generate additional income.
- Promote and market the café throughout Rhondda Cynon Taff and beyond.
- To use the Fareshare food to provide free or low cost peoples to senior citizens and those on low income.
- To encourage families to use the café to provide low cost family meals.
- To maintain the free food and community fridge initiative which enables us to provide the community with free groceries to help support their families.
- Café to provide hot meals to Over 60s in the community using door-step delivery.

Administration and IT Objectives

- Maintain efficient administration, personnel and IT provision and continually review SLAs for most cost effective provision.
- Co-ordinate and monitor volunteering within the organisation.
- Ensure effective staff training and development across all areas of Bryncynon Community Revival Strategy Ltd.
- The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance

We have completed the renovation of the Community Centre which is now a well-used resource for the delivery for our children and young person provision. This has established additional space at the Feel Good Factory to enable us to generate revenue through room hire but will also further support its administrative functions and focus the premises on its 'Healthy Living & Wellbeing' objectives.

Our food delivery service has been a huge success with demand continuing to grow, this has enabled us to support people at their door-step and encourage them to participate in activities at the Feel Good Factory.

Securing funding for the Listening Project has also secured employment of a Project Coordinator; she has done a fantastic job in delivering on the Listening Project and has recruited a significant number of volunteers, this in turn has also meant we have been able to employ a receptionist through the kick-start scheme.

We have received support from the Wales Coop to develop a Business Strategy to help us focus on our long-term aims and ambitions.

We have developed long-term and meaningful partnerships with some local charities and are currently poised to become the 'anchor organisation' for Interlink RCT for the delivery of work in the Cynon Valley.

Bryncynon Community Revival Strategy has continued to deliver successfully its Flying Start provision through its Growing Together Centre. We are increasingly the provider of choice for early years and after school provision. We delivered Holiday Hunger and are successfully delivering the 30 hour child offer for Wales.

Flying Start at the Growing Together centre continues to complement our Play Scheme situated at the Community Centre. The Feel Good Factory continues to prove to be an essential hub in the community, providing a range of services for the local community including a number of Community based provisions.

The Café continues to provide an excellent meeting space for the community. The board have spent a significant amount of time exploring how we make the café sustainable and it has begun to turn a corner.

Free Food table and community fridge continue to meet the needs of families in the area.

Financial review

Results for the year

Income for the year was £381,039, up from £279,265 in 2020. Expenditure for the year was £279,265, down from £269,280 in 2020. Last years income was made more buoyant by the sale of 1-4 Commercial Place.

An unrestricted surplus of £108,205 was reported for the year (2020: deficit of £22,258). The comparison needs to be taken within the context of the sale of property.

Reserves policy

It is the policy of the Charity to generate and maintain funds in order that it is able to maintain its operations for the foreseeable future, aiming for a minimum of 12 months full operating costs in reserves. Unrestricted funds are generated in order to cover expenditure not covered by other specific grants and any short term funding shortfalls which may occur from time to time.

As at 31 March 2021, the charity's free reserves (unrestricted reserves less fixed assets) amounted to £156,283 (2020: £38,691)

Principle funding sources

The principle funding sources of Bryncynon Community Revival Strategy Ltd for the year ended 31 March 2021 was Flying Start funding. In addition we have secured relatively small pots of funding for projects. We have however secured £70,774.20 Capital funding from the Integrated Care Fund to purchase a vehicle, fund a sensory room at the community centre and build a ramp to increase access to the Feel Good Factory.

FOR THE YEAR ENDED 31 MARCH 2021

Investment policy and objectives

The Charity is taking advice on the most appropriate policy for investing surplus funds which may arise from time to time and consider that an interest bearing deposit account is suitable for holding such funds.

All projects have an exit strategy and there is a continual review and search for further funding for sustainability eventually leading to less grant dependency.

The trustees are responsible for safeguarding the charity's assets and ensuring their proper application in accordance with charity law and hence taking reasonable steps for the prevention and detection of fraud, error and other irregularities.

The pandemic has had a profound impact on the Strategy. Our main sources income, room bookings, buffets and the café ceased overnight, these sources of revenue are slowly beginning to pick-up as COVID restrictions ease and businesses are getting back to regular working conditions

Our survival has relied on fundraising and we have had some success with that. The Community Centre is now finished and are successful in our plans to offer a range of youth provision for all. Our sensory room has enabled us to provide safe sessions for children with disabilities and we are engaging partner agencies to make them aware of the facility.

We are building new partnerships and working closer with other likeminded organisations, community groups and charities.

A grant from Lottery Climate Boost allowed us the capital funds to replace our two faulty boilers with new more energy efficient machines. We are also replacing our lighting with LED.

We have funding for a part time Listening Project Coordinator which will engage volunteers in befriending. Our meal delivery service has taken off and we need to expand the team to meet capacity.

We are seeking funding to continue to deliver youth services and develop our provision for older people. Fair share has offered the opportunity to respond directly to the issues of poverty in the area and we are delivering food parcels or allowing our low cost food for anyone within the community who may need the additional support.

The board has grown slightly and we are continuing to seek new board members; we have an elected chairperson and vice-chair. We also appointed a Head of Operations to replace the vacant CEO role to ensure there is a clear structure in place to accommodate the day-to-day running of the charity.

Empower Services have stepped away from the board and no longer has a role within the organisation.

Key to the organisation's success is the Feel Good Factory and we plan to continue to develop this centre as both a vital community hub and as a source of generating unrestricted income. The newly refurbished Café will, once the pandemic is over, provide a connection for local people.

Development and implementation of a robust funding strategy will be a key priority for the charity going forward as this will enable better delivery of charitable objects and contribute to the sustainability of the charity.

The Bryncynon Community Centre will provide a space to develop services for children and families and this will be a priority going forward.

Marketing of the Feel Good Factory and it's Café are a big focus for the organisation and we are continuing to improve marketing material, both in print and online and are working with other organisations such as University of south wales on devising a marketing strategy for the organisation going forward.

Structure, governance and management

Recruitment and appointment of new trustees

Trustees are elected from Bryncynon and its surrounding areas. We are also in the process of developing the capacity of the board through the increase in board members who have specific skills and expertise. Trustees serve for a 3-year appointment and can be re-elected for further terms. They are elected at the AGM of through a formal process of invitation and selection throughout the year.

Induction and training for new trustees

All trustees receive training in the following:

- Roles and responsibilities of trustees,
- Health and safety legislation
- Charity law
- Company and finance matters.

In support of the above, regular updates are given at the trustees' meetings or as and when required.

Organisation structure

There is a board of 5 trustees who are also directors. The board of directors, led by the chair of the board, manage the strategic objectives. The board has recently appointed both a new Chair and Vice Chair to support the management personnel where required and continue to develop and deliver the boards strategic direction.

Key management personnel

The key management personnel of the charity are as follows:

Lee Thomas – Head of Operations
Gill Bruford – Children and Family Coordinator
Nina Finnigan – Project Coordinator

Key management personnel are remunerated for services at market rates.

Risks

The trustees have considered the principal risks of the charity, and have concluded a key risk going forward is the securing of future funding.

Although restrictions are easing, COVID-19 continues to pose a significant risk.

Related parties

There were no related parties in the current or previous year.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BRYNCYNON COMMUNITY REVIVAL STRATEGY LIMITED

I report to the trustees on my examination of the financial statements of Bryncynon Community Revival Strategy Limited (the charity) for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of , which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Charity information

Bryncynon Community Revival Strategy Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is The Feel Good Factory, Abercynon Road, Ynysboeth, Mountain Ash, Rhondda Cynon Taff, CF45 4XZ, United Kingdom.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for smaller charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Grants are recognised when received.

Income from fundraising is recognised when received.

Income from tuition and other income is recognised when received.

1.5 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include audit fees and costs linked to the strategic management of the Charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% on cost
Plant and equipment	25% reducing balance
Motor vehicles	12.5% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

Fixed asset additions costing less than £900 are not capitalised.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
