Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To further the Christian faith in accordance with the statement of faith contained within the trust document.
To offer support and relief to persons in need or hardship or who are aged or sick. Conduct Christian Ministry in other parts of the United Kingdom or the world as the trustees think fit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We have continued to deliver food parcels on a regular basis to those in need in the community. This has been done in partnership with the 'Readifood' charity.

We have responded to various individual and family needs as we have been able to.

We have offered support to the local community during COVID-19 pandemic and continued to develop the relationship with the Christian based local charities through the SALT (Social Action Linked Together) initiative.

During the COVID-19 lock-down period the church building was closed, and much church activity was moved online with many group meetings being held on zoom. This has benefitted individuals, particularly those who are elderly in learning to use the internet, zoom and WhatsApp, which has meant they have been able to attend in some cases more social groups than pre lockdown and has helped with isolation.

We have continued to host the Green Health Horticultural Therapy project in our church garden who are working with people suffering mental health issues.

We have continued to offer community and support through home groups and social activities. This has helped those who feel isolated or abandoned.

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Main achievements over the year include:

Through continued working together with 'Readifood' delivering food to those in need. We have helped in spearheading the development of SALT (Social Action Linked Together) in order to help local charities function together for the benefit of the community.

The onset of the pandemic and restrictions imposed has meant we have had to develop new skills and purchase new equipment and software which has meant we have been able to train individuals in audio mixing, video editing, using Facebook live production and much more.

New families and individuals have benefited from the spiritual life of the church and through faith in Christ.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity has not had an official policy on reserves though we aim to have a reserve of three months running costs. In practice we have used the gift aid money when claimed as a reserve amount when needed.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
