

Charity annual return questions

This document is to help charities prepare for their annual return by gathering the required information.

Submit your annual return online, once you have the information you need.

There is more guidance on the questions in the online service.

During the pandemic, any money provided by the government's furlough programme must be reported as 'income from government grants'.

If your income is under £10,000 you only need to report your income and spending.

Section: Financial period

You will be asked to confirm the charity's financial period.

If the financial period end dates displayed are incorrect, you can change them in the Charities Service.

Section: Income and spending

You will be asked to enter the charity's income and spending in the financial period for which the return is provided. Please round all figures to the nearest pound (do not enter decimal points or pence).

If your charity is part of a group and has prepared group accounts, then please use the group figures for the return. (Group accounts are only required where group income is more than £1million).

Section: Confirm income and spending

In the financial details section you will be asked to enter key financial information from your charity's accounts.

For charities with an income greater than £500,000. The total income from your Statement of Financial Activities must match the gross income you have entered here, unless your charity has received endowment transfers from your endowment to your income funds. If this is the case you should exclude the endowment income you enter here.

Please check the gross income figure you have entered here is correct.

Section: Serious incidents

If gross income is more than £25,000 you will be asked if there were any serious incidents reported to the Charity Commission, for the period of this return.

Section: Fundraising

Did your charity raise funds from the public?

If you answer 'Yes', you will be asked:
