THE SLOANE ROBINSON FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 29 FEBRUARY 2024

The Trustees present their annual report together with the audited financial statements of the Foundation for the 1 March 2023 to 29 February 2024.

Objectives and activities

a. Objectives and aims

The Foundation's principal charitable purpose is the advancement of the education of the public. The Foundation is continuing to develop long term relationships with a number of academic institutions and others, establishing scholarships and bursary schemes for overseas students to study in the UK and generally provide educational opportunities to students that would otherwise not be available to them in order to enable them to achieve their potential. The Foundation is very selective in the grant making process and only successful applicants are notified, in order to avoid increased administrative costs for the Foundation.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Significant activities

The Trustees to date have made substantial and small grants for a variety of purposes within the educational field using capital when it was felt appropriate. Grants made during the year totalled £684,543, with £683,288 to institutions and £1,255 to individuals. A transfer of £703,280 was made from the Endowment Fund to the Unrestricted Fund, to cover the shortfall arising in the Unrestricted Fund as a result of making these grants in accordance with the Trustees' policy of releasing funds from the Endowment Fund as required, to meet the operating needs of the Foundation. The Trustees maintain close contact with the academic institutions themselves to monitor the overall effectiveness and public benefit of these grants. The Trustees believe the Foundation has fulfilled its objectives so far. As to the performance of the investments, see narrative within global events.

Financial review

a. Principal funding sources

The Foundation was established by an initial gift and further donations from Sloane Robinson Investment Services Limited (SRIS).

b. Investments policy and objectives

The investment policy has been to invest in a diversified portfolio of global securities. The investment returns for the period reflects the continued uncertainty in the economy with a loss due in part to a movement in value and also due to the impact of foreign exchange losses. Where possible, investments have been made in companies that follow a socially responsible and environmentally friendly agenda, although the main criteria for investment is the maximisation of profits in the long term. The Trustees continue to keep the value of the investments under regular review, particularly given the current global circumstances. For further details regarding the valuation of the investments please see note 9 to the accounts.

THE SLOANE ROBINSON FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2024

c. Reserves policy

In view of the fact that the Trustees are able to apply capital of the fund as well as income, the Trustees consider they have sufficient reserves to respond to applications for grants and ensure that there are sufficient funds available to cover support and governance costs by transferring funds, as required, from the Endowment Fund to the Unrestricted Fund. The Unrestricted Fund reserve at 29 February 2024 was £nil (2023: £nil), which is in line with the Foundation's policy, and the Endowment Fund was £15,055,295 (2023: £17,261,457). The Trustees keep the level of reserves under review.

d. Global events

During the year the global markets continued to remain volatile. In addition, the events in Ukraine have had a significant impact on global markets and global economies in the last few years.

The Trustees are pleased to note that the proactive and considered steps they and their advisers have adopted, has had the result that the impact of these events on the investments has not been as significant as might otherwise have been the case. Nonetheless, the Trustees note that there was a loss on investments of £1,369,311 by the year end. The Trustees continue to assess the situation and will respond to it as appropriate.

Structure, governance and management

a. Constitution

The Sloane Robinson Foundation is an unincorporated charity, constituted under a trust deed dated 19th February 1998 (the 1998 Deed) and is a registered charity, number 1068286. Subsequently, the 1998 Deed was varied by a Deed of Variation dated 25th February 1999 and further by Deed of Variation dated 3rd March 2005 (together 'the Trust Deed'). These deeds are the only constitutional documents of the Foundation and have been complied with by the Foundation during the year.

b. Recruitment and appointment of new Trustees

The power of appointing new or additional trustees is vested in the said Hugh Sloane and George Robinson, during their joint lives with Kate Sloane and Susan Robinson being substitute appointers in the event of death or inability to act of Hugh Sloane and George Robinson or vested in the survivor of them. The minimum number of trustees (under the terms of the Trust Deed) is three, with the maximum being five. The Trustees keep the skill requirements of the trustees under review. At the present time there is no intention to appoint additional trustees. At a time considered to be appropriate, new trustees will be appointed and it is the intention of the Trustees that, at this juncture, new trustees will be encouraged to attend lectures or seminars intended to ensure that charity trustees maintain the necessary skills to continue the valuable work the Foundation does.

THE SLOANE ROBINSON FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2024

Structure, governance and management (continued)

c. Organisational structure and decision-making policies

The Trustees meet at least twice a year (whether in person or by suitable electronic means) to discuss and consider the potential areas of activity for the Foundation, including consideration of grant making, investment, reserves and risk management policies and performance. During the year the day to day administration of grants and the processing and handling of applications prior to the consideration of the Trustees was delegated to the administrator, Fisherlegal LLP (who are also the solicitors to the Foundation) of Unit 4 Hill Farm, Kirby Road, Kirby Bedon, Norwich, NR14 7DU. The Trustees decide on the grants to be made after careful review of the applications received.

The Trustees have appointed Andrew Nott as consultant - being someone with many years' experience working in education. Mr Nott's role includes: (a) exploring and developing relationships with existing and new organisations involved in the field of education, with a view to making grants (many of which are to be leveraged and so encourage additional donations in the wider philanthropic community) to open up educational opportunities to students that would otherwise not be available to them; (b) exploring and developing grants in support of opportunities for the benefit of students and the wider public in the field of research and otherwise; and (c) monitoring and reporting to the Trustees on the progress of grants made as a result.

d. Related party relationships

Mrs D Fisher is a Principal Member of Fisherlegal LLP, a firm of solicitors which raises invoices to the Foundation for legal and administrative services rendered. No trustees' expenses have been reimbursed during the year.

e. Risk management

The Trustees have reviewed the areas where potential and major risks may arise to the Foundation in accordance with the statement of recommended practice and have established systems and procedures to manage those risks. The principal risk faced by the Foundation lies in the performance of investments and the variability of investment returns. This is mitigated by retaining expert investment managers and having a diversified investment portfolio.

Plans for future periods

The Trustees intend to continue to develop their links with a number of academic institutions and others, with a view to increasing the number and level of support given via scholarships and bursary schemes for overseas students to study in the UK, British students to study abroad and generally provide opportunities for education which would not otherwise be possible.

THE SLOANE ROBINSON FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 29 FEBRUARY 2024

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Foundation and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Foundation's transactions and disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Approved by order of the Trustees and signed on their behalf by:

.....
D Fisher

Date: 12th December 2024

THE SLOANE ROBINSON FOUNDATION

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SLOANE ROBINSON FOUNDATION

Opinion

We have audited the financial statements of The Sloane Robinson Foundation (the 'charity') for the year ended 29 February 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 29 February 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

THE SLOANE ROBINSON FOUNDATION

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SLOANE ROBINSON FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

THE SLOANE ROBINSON FOUNDATION

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SLOANE ROBINSON FOUNDATION (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

The objectives of our audit in respect of fraud are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with the Trustees.

Due to the field in which the Foundation operates, we identified the areas most likely to have a direct material impact on the financial statements as compliance with UK accounting standards and UK charity law.

Our approach to identifying and assessing the risk of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, included the following:

- Enquiries about any actual and potential litigations and claims against the charity;
- Enquiries about any known or suspected instances of non-compliance with laws and regulations and fraud;
- Reviewing board minutes;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness.

Due to the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

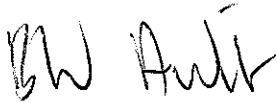

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

THE SLOANE ROBINSON FOUNDATION

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SLOANE ROBINSON FOUNDATION (CONTINUED)

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 13 to 26 form part of these financial statements

THE SLOANE ROBINSON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2024

1. General information

The Sloane Robinson Foundation is a registered charity, incorporated in England and Wales, registration number 1068286. The address of the registered office is given in the charity information on page 1.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Sloane Robinson Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The Trustees have reviewed the level of investments held at the year end alongside movements in value since the year end and considered the level of anticipated grants. Based on this, they have a reasonable expectation that the Foundation can meet its liabilities as they fall due and have therefore prepared the accounts on a going concern basis.

2.3 Income

All income is recognised once the Foundation has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Investment income is included when receivable.

2.4 Expenditure

Expenditure is recognised on an accruals basis once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds includes all expenditure incurred by the Foundation to raise funds for its charitable purposes and includes investment manager fees.

THE SLOANE ROBINSON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2024

2. Accounting policies (continued)

2.4 Expenditure (continued)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Foundation's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT and is reported as part of the expenditure to which it relates.

2.5 Grants payable

Grants payable are included in the Statement of Financial Activities in the period in which the conditions attached to the award have been met. Any grants where conditions have been met but the grant has not yet been paid are accounted for as creditors on the Balance Sheet. Where grants have been approved in principle but conditions attached to the award have not yet been met they are included in the notes shown as an establishment of intention (Note 17).

2.6 Foreign currencies

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Foreign investments and bank balances are translated into sterling at the exchange rates prevailing at the balance sheet date. Foreign exchange gains and losses on forward contracts, which have been entered into in order to protect the charity from the impact of currency fluctuations on the market value of investments, are recognised within endowment funds. Any increase or decrease in the valuation of investments at the year end is separated between the market value gain or loss and the foreign exchange gain or loss.

Gains or losses on exchange arising from the bank accounts are recognised within unrestricted income or expense. Any forward contracts that have been entered into before the year are treated as other financial instruments and are recorded at their fair value within debtors and creditors as appropriate.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE SLOANE ROBINSON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2024

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Foundation anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.10 Financial instruments

The Foundation has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

The Foundation also has foreign exchange contracts which are included at fair value, within debtors or creditors at the year end, with the movement going through net gains / losses on investments in the Statement of Financial Activities.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Foundation and which have not been designated for other purposes.

Endowment funds represent donations received which form part of the capital fund of the Foundation. The fund is expendable endowment insofar as the Trustees have discretion to expend the fund in furtherance of the Foundation's objects. Transfers are made from the endowment fund to the general fund to cover any shortfall arising on a year by year basis as a result of amounts expended from the general fund in furtherance of the Foundation's object in excess of the net balance held in the general fund. Endowment funds include a revaluation reserve representing the restatement of investments assets at fair value.

THE SLOANE ROBINSON FOUNDATION

10. Creditors: Amounts falling due within one year

	29 February 2024	<i>28 February 2023</i>
	£	<i>£</i>
Other creditors	24,777	<i>26,511</i>
Financial instruments	15,094	<i>-</i>
	39,871	<i>26,511</i>

Exposure to foreign currency exchange rates arise from the Foundation's purchase and sale of investments, which are denominated in a number of currencies. The Foundation assesses exposure and takes out forward currency contracts to mitigate this foreign exchange risk.

As at 29 February 2024, the Foundation held forward contracts totalling £7,000,000 which expire in August 2024. A year end valuation of these contracts has been obtained which has given rise to a liability of £15,094 (2023 - £Nil).

11. Financial instruments

	29 February 2024	<i>28 February 2023</i>
	£	<i>£</i>
Financial assets		
Financial assets measured at fair value through income and expenditure	14,409,037	<i>12,822,417</i>
	29 February 2024	<i>28 February 2023</i>
	£	<i>£</i>
Financial liabilities		
Derivative financial instruments measured at fair value through income and expenditure held as part of a trading portfolio	(15,094)	<i>-</i>

Financial assets measured at fair value through income and expenditure comprise investments.

Derivative financial instruments measured at fair value through income and expenditure held as part of a trading portfolio comprise forward exchange contracts.

THE SLOANE ROBINSON FOUNDATION

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 29 FEBRUARY 2024**

12. Statement of funds

Statement of funds – current year

	Balance at 1 March 2023 £	Income £	Expenditure £	Transfers in/out £	Gains/ (Losses) £	Balance at 29 February 2024 £
Unrestricted funds						
General Fund	-	280,393	(983,673)	703,280	-	-
Endowment funds						
Endowment Fund	17,261,457	-	(11,822)	(703,280)	(1,491,060)	15,055,295
Total of funds	17,261,457	280,393	(995,495)	-	(1,491,060)	15,055,295

The Endowment Fund consists of funds provided by way of donation to the capital of the Foundation. The General Fund, which holds the income from the Endowment Fund, is primarily used to meet expenditure incurred in the furtherance of the objects of the Foundation but the Endowment Fund is also expendable on those objects at the discretion of the Trustees.

The Trustees consider that sufficient resources are held in an appropriate form to enable each fund to be applied in accordance with the exercise of the Trustees' discretion.

A transfer of £703,280 was made from the Endowment Fund to the General Fund, to cover the shortfall arising in the General Fund as a result of making grants in accordance with the Trustees' policy of releasing funds from the Endowment Fund, as required, to meet the operating needs of the Foundation.

THE SLOANE ROBINSON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 29 FEBRUARY 2024

17. Establishment of intention

Grants payable are included in the Statement of Financial Activities in the period in which the conditions attached to award have been met. Any grants where conditions have been met but the grant has not yet been paid are accounted for as creditors on the Balance Sheet. Where grants have been approved in principle but conditions attached to the award have not yet been met they are included in the notes below.

At the year end, the Trustees had formed the intention (subject to further agreement) to make grants to the following organisations:-

Keble College, Oxford - funding up to fifteen one year awards (as far as possible, linked to matched funding awards met from other sources) ranging from £7,750 to £8,250 each per award per annum;

Lincoln College, Oxford - funding up to fifteen one year awards (as far as possible, linked to matched funding awards met from other sources) of £8,250 each per award per annum;

Veerni Foundation - funding 5 awards for seven years at \$2,450 per award, starting in 2020.

The level of each series of these awards is discussed between the Trustees' consultant, Andrew Nott, and the respective organisations, prior to formal review and discussion by the Trustees.

Karta Initiative - an annual grant of £100,000;

Keble College, Oxford - supporting up to three leveraged (with the Weidenfeld-Hoffman Trust) one year awards at £13,500 each per award per annum for a period of up to three years;

Lincoln College, Oxford - supporting up to three leveraged (with the Weidenfeld-Hoffman Trust) one year awards at £13,500 each per award per annum for a period of up to three years;

Pharos Foundation - an annual grant of £100,000;

Royal National Children's Springboard Foundation - an annual grant of £30,000;

Tutor the Nation - an annual grant of £50,000;

Veerni Foundation - one-off grant of £25,000 for a capital project.

Prior to making annual grants, the Trustees ensure that the ongoing conditions of the grants have been satisfied.

18. Related party transactions

Mrs D Fisher is a Principal Member of Fisherlegal LLP, a firm of solicitors which raises invoices to the Foundation for legal and administrative services rendered. Professional fees amounting to £30,415 (2023 - £31,231) were charged by Fisherlegal LLP. Other creditors includes £7,855 (2023 - £10,273) due to Fisherlegal LLP.

No other trustee or person related to the charity had any personal interest in any contract or transaction entered into by the charity during the year (2023 - £Nil).
