TRUSTEES ANNUAL REPORT

Principal activity – the provision and maintenance of an open space, to be known as the Millennium Green, for the general benefit of the community.

Millennium Green Raised Bed / Sundial Area

With thanks to Draycott Village Fund for their grant of £2800 towards the refurbishment of two sections of the raised beds, vandals had damaged some of the log walls, two sections were removed and a wall installed. The volunteers from Draycott in Bloom continued to maintain the raised flower beds and the trustees give thanks to them.

Area between Hopwell Road and Wallis Close

Four of the humps were removed and unfortunately it was discovered that the humps had been created using building materials, therefore the costs were considerable to obtain top soil and grass seed the area. Further work was completed in March 2025 to remove stones, roller the area and re-grass seed some of the areas. We received grants towards this work from Derbyshire County Council – Robert Parkinsons Members Fund, East Midlands Railway Community Fund, and Draycott and Church Wilne Parish Council.

We consulted with the local primary and secondary schools, residents via Facebook and members of the public who attended our meetings to determine what this land should be used for – the financially realistic options were to apply for grants to pay for modern fitness equipment that could be used by all and to remove the designation that this area is for “teens”

We successfully obtained grants from the Police and Crime Commissioner and the National Lottery Awards for all and work on installing the equipment will commence on Monday 1st April.

We also replaced old wooden gates and entrances with new metal gates which in the long term do not require any maintenance and keep the areas protected from damage from motorcycles and other motorised vehicles.

Draycott and Church Wilne Parish Council also paid for all of the grass cutting and hedge cutting works on the sites.

Financial Review – during the year the Trust received income of £47,648.80 of which £29,470.58 was expended on insurance, gates and fencing, works on the raised beds, and works at the teen area. The year- end balance is £23,959.40 which will be used on the costs for the fitness equipment.

Trustee – Draycott Parish Council - No income was received by the Trustees from the Trust.
