TRUSTEES' REPORT

RISK MANAGEMENT

The charity is reviewing the strategy, systems and procedures to mitigate those risks to which it is exposed and ensure that these are designed to minimise potential impact should they materialise. The risk of shortfalls of revenue funding and other income has been given serious consideration by the Board and management.

OBJECTS OF THE CHARITY

In accordance with the Memorandum and Articles of Association the objects of the charity are:-

- To advance the education of the public on Merseyside in the performing and visual arts of aesthetic value to the Afro-Caribbean community and subjects of artistic merit so that the development of good relations between persons of different racial groups might be promoted and that the contribution which a multi-racial community has to make to society might be enhanced.

- To advance the education of young persons in Merseyside and to develop their physical, mental and spiritual capacities by stimulating and encouraging self-confidence and the ability of self expression so that they may grow to full maturity as individuals and members of society.

ACHIEVEMENTS AND PERFORMANCE

Catalyst Performing Arts Project is currently based in Toxteth TV in Liverpool 8 area where it has an office, workshop, performance space, recording studio and rehearsal space.

Catalyst provides the opportunity for young people in the area to discover and express their own creativity through drama, Writing dance and other art forms.

We have continued to run a wide range of performing arts workshops for young people.

The vast majority of the young people have had no previous music making lessons or music making engagement on any other project.

Participants' feedback has been excellent from both the young people and their parents. Parents have said it has been a life changing experience for their children and has been the best and most suited for their children's needs.

Comments from other organisations have been very complimentary and many have asked to work alongside us in the future if there is any possibility/funding to make this happen.

The young people have been able to access lots of different instruments including the use of a recording studio.

We have recorded music.

The music sessions have been very enjoyable and we have been able to offer lots of music practitioners the opportunity to work with us and our diverse groups.

FOR THE YEAR ENDED 31/03/2023

TRUSTEES' REPORT

We have wide ranging instrumental lessons.

We are committed to creating performing art opportunities to develop our young people.

FINANCIAL REVIEW

Total incoming resources were £29,150 (2022 £43,324) and total outgoing resources were £38,243 (2022 £35,445) giving rise to net outgoing resources of £9,093 (2022 net incoming resources of £7,879). There were net outgoing resources on the unrestricted fund of £25,085 and net incoming resources on the restricted funds of £15,992. Designated funds of £3,485 were applied this year and are nil 31 March 2023.

The balance on unrestricted general funds at 31 March 2023 on the balance sheet was £180 (2022 £25,265). Total unrestricted funds, including the designated funds, are £180 (2022 £25,265). The balance on restricted funds invested in fixed assets was £4,336 (2022 £3,704) and there was a balance of £3,126 on unspent restricted capital funds. Total funds at 31 March 2023 were £24,757 (2022 £33,850). Maintaining levels of funding will ensure that there are sufficient resources to continue to support the young people and sustain the high standard of project delivery that the charity has become recognised for so we continually focus on fundraising for the development and continuation of our work.

RESERVES POLICY

The charity is run on a not for profit basis, but for prudent management the Board aims to maintain a modest level of reserves to establish a sustainable entity and guard against contingencies, the aim being to establish a level of free revenue reserves sufficient to cover 3 months' staff costs and overheads to guard against contingencies or the withdrawal of a key funder. At 31 March 2023 the level of free reserves was £180 and the trustees and management are developing reserves for sustainability in current business plans.

FUTURE PLANS

- To continue to offer music sessions for complete beginners.
- To increase the number of sessions offered.
- To offer possible one on one recording sessions for more experienced musicians who cant afford to hire a studio.

To continue as we are working we will need to secure £39,000 to run for another year offering the same sessions.

TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the net incoming or outgoing resources of the charity for that period. In preparing the financial statements, the trustees are required to:

FOR THE YEAR ENDED 31/03/2023

TRUSTEES' REPORT

TRUSTEES' REPORT

RISK MANAGEMENT

The charity is reviewing the strategy, systems and procedures to mitigate those risks to which it is exposed and ensure that these are designed to minimise potential impact should they materialise. The risk of shortfalls of revenue funding and other income has been given serious consideration by the Board and management.

OBJECTS OF THE CHARITY

In accordance with the Memorandum and Articles of Association the objects of the charity are:-

- To advance the education of the public on Merseyside in the performing and visual arts of aesthetic value to the Afro-Caribbean community and subjects of artistic merit so that the development of good relations between persons of different racial groups might be promoted and that the contribution which a multi-racial community has to make to society might be enhanced.
- To advance the education of young persons in Merseyside and to develop their physical, mental and spiritual capacities by stimulating and encouraging self-confidence and the ability of self expression so that they may grow to full maturity as individuals and members of society.

ACHIEVEMENTS AND PERFORMANCE

Between April 2021 and April 2022, for the first part of the year, we were still running restricted sessions due to covid restrictions; during this time we worked with our partners to offer Dance Drama and Music sessions at The Royal Court Liverpool, as well as running one to one music lessons at The Catalyst base in Toxteth T.V. From September 21, as restrictions were lifted, we began to run regular 2 hour music making sessions on a Monday and Wednesday evening. As confidence grew more young people began to access the project.

We have registered 65 new young people on the project.

These young people are made up as follows:

- 3 Non Binary
- 36 Male
- 26 Female
- 13 Disabled Male
- 7 Disabled Female

The vast majority of the young people have had no previous music making lessons or music making engagement on any other project.

They gave a wide list of answers when asked are you disabled such as : Dyslexia, Reynard's Phenomena, Autism, Deafness, Learning Processing, ADHD, Neuro Diversity Pathways, Sensory Processing Disorders, Brain Injuries resulting in being left partially sighted, ADSD, Selective Mute, Non Verbal.

Catalyst Dance & Drama Group Limited

FOR THE YEAR ENDED 31/03/2022

TRUSTEES' REPORT

17 of the participants are unaccompanied young people from a diverse background and a wide reaching ethnic background and represented countries from all over the world from Brazil to Kuwait to Afghanistan and many other countries.

Participants' feedback has been excellent from both the young people and their parents. Parents have said it has been a life changing experience for their children and has been the best and most suited for their children's needs.

Comments from other organisations have been very complimentary and many have asked to work alongside us in the future if their is any possibility/funding to make this happen.

The young people have been able to access lots of different instruments including the use of a recording studio.

We have recorded music and sent it to the Youth Music awards 2022 and hope to hear back soon and fingers crossed we will be shortlisted and invited to perform at the awards.

The music sessions have been very enjoyable and we have been able to offer lots of music practitioners the opportunity to work with us and our diverse groups.

We have had Piano lessons, Cello and Violin lessons, Drums, Guitar, Bass Guitar and Trumpet lessons.

The main problem for a project like this is that we are always working with complete beginners and there is always a feeling of we need to get the young people to perform or record, and it takes a lot of practice to get to a standard that the audience will accept without patronising the young people, or the young people don't enjoy the experience of performing and won't perform again!

There is also a need for more one to one lessons but that would cost more as we would need more music teachers for all of the different instruments that they want to learn.

FINANCIAL REVIEW

Total incoming resources were £43,324 (2021 £46,818) and total outgoing resources were £35,445 (2021 £32,683) giving rise to net incoming resources of £7,879 (2021 net incoming resources of £14,135.). There were net outgoing resources on the unrestricted fund of £134 and net incoming resources on the restricted funds of £8,013. There is an amount of £3,485 in designated funds to develop a programme of youth arts activities.

The balance on unrestricted general funds at 31 March 2022 on the balance sheet was £21,780 (2021 £21,914). Total unrestricted funds, including the designated funds, are £25,265 (2021 £25,399). The balance on restricted funds invested in fixed assets was £3,704 (2021 £572) and there was a balance of £4,881 (2021 £nil) unspent restricted capital funds. Total funds at 31 March 2022 were £33,850 (2021 £25,971). Maintaining levels of funding will ensure that there are sufficient resources to continue to support the young people and sustain the high standard of project delivery that the charity has become recognised for so we continually focus on fundraising for the development and continuation of our work.

RESERVES POLICY

FOR THE YEAR ENDED 31/03/2022

TRUSTEES' REPORT

The charity is run on a not for profit basis, but for prudent management the Board aims to maintain a modest level of reserves to establish a sustainable entity and guard against contingencies, the aim being to establish a level of free revenue reserves sufficient to cover 3 months' staff costs and overheads to guard against contingencies or the withdrawal of a key funder. At 31 March 2022 the level of free reserves was £21,051 and the trustees and management are developing reserves for sustainability in current business plans.

FUTURE PLANS

- To continue to offer music sessions for complete beginners.
- Have improver/more experienced sessions.
- Offer possible one on one recording sessions for more experienced musicians who cant afford to hire a studio. For example, one band came to Catalyst and said they couldn't make a practice session because they didn't have enough money to hire a studio.

To continue as we are working we will need to secure £39,000 to run for another year offering the same sessions.

TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the net incoming or outgoing resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1b. Incoming Resources

All Incoming Resources are included on the Statement of Financial Activities when the charity is legally entitled to the Income and the amount can be quantified with reasonable accuracy.

1c. Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

1d. Allocation And Apportionment Of Costs

All costs relate to the single activity of the charitable company and are recognised accordingly.

1e. Fund Accounting

Unrestricted Funds can be used in accordance with the charitable objectives at the discretion of the Trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Designated funds are funds set aside by the Trustees out of unrestricted general funds for specific future purposes or projects.

1f. Depreciation

Fixed assets are shown at historical cost.

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life.

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

11. Policy For Going Concern

These financial statements have been prepared on the going concern basis. This is based upon business plans on which there is a reasonable expectation that the charity will generate sufficient income whilst minimising costs and maximising resources thereby having sufficient income to cover the activities. In making this assessment the trustees have considered a period of at least 12 months from the date of signing the accounts.

Covid-19 has had a profound effect on Catalyst. During periods of lockdown and other restrictions members have not been able to meet in groups. The Charity has used the CJRS to furlough staff and will risk assess future activities to ensure that they are covid-safe. The trustees have considered covid-19 and based on business plans and future fundraising expectations they have continued to adopt the going concern basis of accounting.

PRINCIPAL ACTIVITIES

The principal activity of the charity in the year under review was to advance the education of the public on Merseyside in the performing and visual arts .

The company is a registered charity set up for the purpose of encouraging local/Merseyside young people to participate in different aspects of arts and performance, thereby helping the youth in the area to grow in confidence and to achieve their full potential as well as providing an access route into professional theatre and dance training. When planning the activities the Board confirm that they do this with due regard to the requirement of the Charity Commission to achieve the widest public benefit.

FOR THE YEAR ENDED 31/03/2021

TRUSTEES' REPORT

RISK MANAGEMENT

The charity is reviewing the strategy, systems and procedures to mitigate those risks to which it is exposed and ensure that these are designed to minimise potential impact should they materialise. The risk of shortfalls of revenue funding and other income has been given serious consideration by the Board and management.

OBJECTS OF THE CHARITY

In accordance with the Memorandum and Articles of Association the objects of the charity are:-

- To advance the education of the public on Merseyside in the performing and visual arts of aesthetic value to the Afro-Caribbean community and subjects of artistic merit so that the development of good relations between persons of different racial groups might be promoted and that the contribution which a multi-racial community has to make to society might be enhanced.
- To advance the education of young persons in Merseyside and to develop their physical, mental and spiritual capacities by stimulating and encouraging self-confidence and the ability of self expression so that they may grow to full maturity as individuals and members of society.

ACHIEVEMENTS AND PERFORMANCE

The year began with a concert planned for young people and their families in Jimmy's Music Venue in Liverpool. The week that it was due to go ahead the Covid-19 pandemic began and all venues were closed resulting in Catalyst postponing the event for 12 weeks.

The Project activities were hit hard and the venue where Catalyst is located was forced to close for the long term.

We managed to stay in touch with most of our young people online and through emails.

Many of the young people were able to collaborate online with each other to make music and exchange creative ideas.

We kept planning for the future and we formed a partnership with Liverpool Royal Court, Positive Impact and Capoeira For All, and we were successful in gaining funding from Youth Music for a project for young people called Access to All Areas. The aims of the project were to bring together young people from all areas of Liverpool to make music, make friends and make performances happen.

As the pandemic hit harder and the lockdown was firmly in place we looked at ways to engage with young people and through our partners at the Royal Court we were able to put on music and performance workshops in the Royal Court. We followed the guidance on Covid and managed to maintain sessions and small performances to the group and an invited audience.

We also managed to put on a series of Music For All taster days at different venues across the City and in Toxteth TV which were well attended by young people from ages 6-18.

FOR THE YEAR ENDED 31/03/2021

TRUSTEES' REPORT

Young People aged 6-18 also managed to achieve Arts Award qualifications in Music and Performance.

FINANCIAL REVIEW

Total incoming resources were £46,818 (2020 £16,745) and total outgoing resources were £32,683 (2020 £32,685) giving rise to net incoming resources of £14,135 (2020 net outgoing resources of £15,940.). There were net incoming resources on the unrestricted fund of £21,914 and net outgoing resources on the restricted fund of £7,779. There is an amount of £3,485 in designated funds to develop a programme of youth arts activities.

The balance on unrestricted general funds at 31 March 2021 on the balance sheet was £21,914 (2020 £nil). Total unrestricted funds, including the designated funds, are £25,399 (2020 £3,485). The balance on restricted funds invested in fixed assets was £572 (2020 £714) and there was a balance of £nil (2020 £7,637) unspent restricted revenue funds. Total funds at 31 March 2021 were £25,971(2020 £11,836). Maintaining levels of funding will ensure that there are sufficient resources to continue to support the young people and sustain the high standard of project delivery that the charity has become recognised for so we continually focus on fund raising for the development and continuation of our work.

RESERVES POLICY

The charity is run on a not for profit basis, but for prudent management the Board aims to maintain a modest level of reserves to establish a sustainable entity and guard against contingencies, the aim being to establish a level of free revenue reserves sufficient to cover 3 months' staff costs and overheads to guard against contingencies or the withdrawal of a key funder. At 31 March 2021 the level of free reserves was £21,002 and the trustees and management are developing reserves for sustainability in current business plans.

FUTURE PLANS

Plans for the future are to grow and develop the Music Access All Areas programme

Catalyst is also looking for more funding to grow its activities and to find a bigger venue for its sessions and recording studio as it is outgrowing its current location.

TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the net incoming or outgoing resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

FOR THE YEAR ENDED 31/03/2021

TRUSTEES' REPORT

- observe the methods and principles of the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S STATEMENT
FOR THE YEAR ENDED 31/03/2021**

I report on the accounts of the company for the year ended 31/03/2021

Responsibilities and Basis of Report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

BASIS OF INDEPENDENT EXAMINERS STATEMENT

Independent Examiner's Statement

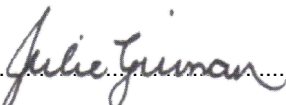

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or

the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31/03/2021**

1. ACCOUNTING POLICIES

1a. Basis Of Accounting

The accounts have been prepared under the historical cost convention.

The accounts have been prepared in accordance with FRS102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

1b. Incoming Resources

All Incoming Resources are included on the Statement of Financial Activities when the charity is legally entitled to the Income and the amount can be quantified with reasonable accuracy.

1c. Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

1d. Allocation And Apportionment Of Costs

All costs relate to the single activity of the charitable company and are recognised accordingly.

1e. Fund Accounting

Unrestricted Funds can be used in accordance with the charitable objectives at the discretion of the Trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Designated funds are funds set aside by the Trustees out of unrestricted general funds for specific future purposes or projects.

1f. Depreciation

Fixed assets are shown at historical cost.

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life.

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Equipment	reducing balance 20 %

1g. Pension Costs

The company operates a defined contribution pension scheme. The pension charge represents the amounts payable by the company to the fund in respect of the year.

1h. Turnover

Turnover represents all incoming resources and comprises revenue project grants, donations, bank interest and earned income from performances and workshops. The Charity is not registered for value added tax.

1i. Policy For Cash At Bank And In Hand

Cash at bank and in hand includes cash and short term liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1j. Policy For Creditors And Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement value amount after allowing for any discount due.

1k. Policy For Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value

Catalyst Dance & Drama Group Limited

11. Policy For Going Concern

These financial statements have been prepared on the going concern basis. This is based upon business plans on which there is a reasonable expectation that the charity will generate sufficient income whilst minimising costs and maximising resources thereby having sufficient income to cover the activities. In making this assessment the trustees have considered a period of at least 12 months from the date of signing the accounts.

Covid-19 has had a profound effect on Catalyst. During periods of lockdown and other restrictions members have not been able to meet in groups. The Charity has used the CJRS to furlough staff and will risk assess future activities to ensure that they are covid-safe. The trustees have considered covid-19 and based on business plans and future fundraising expectations they have continued to adopt the going concern basis of accounting.
