NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their annual report together with the financial statements of the Trust ("the Trust") for the year 1 April 2024 to 31 March 2025.

Objectives and activities

a. Policies and objectives

The principal object of the Trust is "the support of such charitable purposes connected with the Cathedral and the Dean and Chapter as the Trustees shall from time to time in their absolute discretion determine".

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission in their guidance published 11 September 2019 and last updated 27 September 2023. (<https://www.gov.uk/guidance/charity-commission-guidance>)

Achievements and performance

a. Main achievements of the Trust

The Trust was established on 25 March 1998 and has been the recipient of funds raised by an appeal campaign promoted by the Chapter of Norwich Cathedral for restoration and development work on the Cathedral.

2003-04 Building works - Refectory

The campaign target was £10 million and it was announced in May 2007 that the total of donations received and pledged had reached this target. This achievement was made possible through the hard work of a Campaign Executive and the generosity of many.

Building work in relation to the first phase of the overall development, namely the Refectory and Library extension, began in September 2003, and the new facilities were opened at Easter 2004 to great acclaim.

2008-10 Building works - Hostry

Following the completion of extensive archaeological excavations, building of the second phase of the project, the Hostry, commenced in February 2008 and was completed in November 2009. The Hostry, alongside the West Cloister, now provides much needed educational, visitor and communal facilities as well as a dedicated Song School for the Cathedral choirs. The new buildings were formally opened by HM The Queen and HRH The Duke of Edinburgh on 4 May 2010 after a Service of Thanksgiving in the Cathedral. The new buildings are now extensively used and have considerably enhanced the Cathedral's mission and outreach.

The work of the Trust continues with support for projects initiated by the Dean and Chapter.

The Trust has benefitted from a £1,000,000 donation over four years; with the fourth of the four payments received to date via the Chapel and York Foundation in America. Trustees are indebted to the individual donor in the United States for their kindness and generosity in supporting Norwich Cathedral.

2021-22 Music Appeal

During 2021/22 the fundraising for "*They Shall Laugh and Sing*", the Norwich Cathedral Music Appeal saw the target of £2,500,000 reached; with £1,800,000 for the refurbishment and rebuilding of the organ, and £700,000 to support the Boy and Girl Choristers. The return of the Cathedral organ has opened up many new opportunities, particularly for musical outreach. The project for the refurbishment of the organ was completed in March 2024.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance (continued)

2022 Statham Society

Following the success of the Music Appeal, the Statham Society was established as a membership based fundraising society to fund additional projects for the Music Department. Finances of the Statham Society are managed through the Trustees of the Cathedral Trust. The Statham Society, the cathedral's group of music supporters, has grown in membership with a regular monthly income in excess of £750. This fund ensures the financial viability of large musical projects.

The Statham Society has hosted a number of events for members during the past year, including a 'behind the scenes' rehearsal, concert drinks receptions, and a special evensong and tea. Members receive a newsletter three times per year about the Music Department's activities. Not only does the Society raise much needed revenue to support musical projects, it also enhances that sense of belonging and involvement for members of the community in the musical life of the Cathedral.

2024-25 Performance

Income in 2024/25

In this financial year the Charity had an overall income of £43,229.

With a growing livestream following of Norwich Cathedral, (in the region of 500 people per week (25% Norfolk and Norwich, 20% USA and high uptake in the Low Countries) more international donations were received - total donations via the Chapel & York platform were £7,142.

A donation of £7,000 from an American donor and a number of anonymous smaller donations.

Expenditure / Activities in 2024/25

The Organ Festival - Saturday 6th - Sunday 14th July

The Cathedral Trust financially supported the Organ Festival at Norwich Cathedral.

Over 8 days a wide variety of concerts and events were held to celebrate and showcase the newly refurbished Cathedral Organ. Including concerts by David Briggs, Desmond McKenzie, Anna Lapwood, The BBC Singers, The Britten Sinfonia, as well as a battle of the organs by the Cathedral organists.

In total over 2,200 tickets were sold, with a total of individual customers of almost 900 sold across the week. A special series of events for school children, called WOOFYT (<https://www.woofyt.org/>) was attended by 226 children from 8 different schools.

The Trust managed the support from the Bumfrey Legacy to renew the curtains for the High Altar sanctuary.

Statham Society

The Statham Society had a target of increasing membership to 100 by the end of the year, and the intention of introducing joint memberships. With its built up resources it supported the production of new Choir robes for the new Senior boys Choir.

The Duke of Edinburgh (as Patron of the Statham Society) had visited in July 2024, on an informal basis, to engage with the choristers and admire the newly refurbished organ.

Acknowledgements

The Trustees extend their special thanks to:

- all the members of the Statham Society; and
- all further generous anonymous donors.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

The Trust receives and holds funds raised by an appeal campaign promoted by the Chapter, and makes grants to the Chapter towards approved expenditure incurred in connection with restoration and development work on the Cathedral.

Such grants will continue to be made against relevant expenditure while funds are available.

Structure, governance and management

a. Constitution

Norwich Cathedral Trust is a registered charity, number 1069305, and is constituted under a Declaration of Trust dated 25 March 1998.

b. Methods of appointment or election of Trustees

The management of the Trust is the responsibility of the Trustees who are appointed under the terms of the Declaration of Trust.

c. Risk management

The Trustees are aware of the Charity Commission's recommendation that they should identify and review the major risks to which the Trust is exposed and establish systems to mitigate those risks.

The Trust is not directly engaged in the restoration and development project on the Cathedral, and restricts its activities to the holding of funds and making of grants towards this work.

A review of the major risks to which the Trust is exposed has been undertaken, and will be re-considered and updated as appropriate on a regular basis.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

H G Cator OBE DL

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

Independent Examiner's Report to the Trustees of Norwich Cathedral Trust ('the Trust')

I report to the charity Trustees on my examination of the accounts of the Trust for the year ended 31 March 2025.

Responsibilities and Basis of Report

As the Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the Trust has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025

This report is made solely to the Trust's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Trust's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my work or for this report.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. General information

Norwich Cathedral Trust is an unincorporated charity registered with the Charity Commission for England and Wales.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Norwich Cathedral Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Trust has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Trust, can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Trust's objectives, as well as any associated support costs.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Donations to the Chapter of Norwich Cathedral are made at the discretion of the Trustees and are recognised when approved.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.8 Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their annual report together with the financial statements of the Trust ("the Trust") for the year 1 April 2023 to 31 March 2024.

Objectives and activities

a. Policies and objectives

The principal object of the Trust is "the support of such charitable purposes connected with the Cathedral and the Dean and Chapter as the Trustees shall from time to time in their absolute discretion determine".

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission in their guidance published 11 September 2019 and last updated 27 September 2023. (<https://www.gov.uk/guidance/charity-commission-guidance>)

Achievements and performance

a. Main achievements of the Trust

The Trust was established on 25 March 1998 and has been the recipient of funds raised by an appeal campaign promoted by the Chapter of Norwich Cathedral for restoration and development work on the Cathedral.

2003-04 Building works - Refectory

The campaign target was £10 million and it was announced in May 2007 that the total of donations received and pledged had reached this target. This achievement was made possible through the hard work of a Campaign Executive and the generosity of many.

Building work in relation to the first phase of the overall development, namely the Refectory and Library extension, began in September 2003, and the new facilities were opened at Easter 2004 to great acclaim.

2008-10 Building works - Hostry

Following the completion of extensive archaeological excavations, building of the second phase of the project, the Hostry, commenced in February 2008 and was completed in November 2009. The Hostry, alongside the West Cloister, now provides much needed educational, visitor and communal facilities as well as a dedicated Song School for the Cathedral choirs. The new buildings were formally opened by HM The Queen and HRH The Duke of Edinburgh on 4 May 2010 after a Service of Thanksgiving in the Cathedral. The new buildings are now extensively used and have considerably enhanced the Cathedral's mission and outreach.

The work of the Trust continues with support for projects initiated by the Dean and Chapter.

The Trust has benefitted from a £1,000,000 donation over four years; with the fourth of the four payments received to date via the Chapel and York Foundation in America. Trustees are indebted to the individual donor in the United States for their kindness and generosity in supporting Norwich Cathedral.

2021-22 Music Appeal

During 2021/22 the fundraising for "*They Shall Laugh and Sing*", the Norwich Cathedral Music Appeal saw the target of £2,500,000 reached; with £1,800,000 for the refurbishment and rebuilding of the organ, and £700,000 to support the Boy and Girl Choristers. The return of the Cathedral organ has opened up many new opportunities, particularly for musical outreach. The project for the refurbishment of the organ was completed in March 2024.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance (continued)

2022 Statham Society

Following the success of the Music Appeal, the Statham Society was established as a membership based fundraising society to fund additional projects for the Music Department. Finances of the Statham Society are managed through the Trustees of the Cathedral Trust. The Statham Society, the cathedral's group of music supporters, has grown in membership with a regular monthly income in excess of £750. This fund ensures the financial viability of large musical projects.

The Statham Society has hosted a number of events for members during the past year, including a 'behind the scenes' rehearsal, concert drinks receptions, and a special evensong and tea. Members receive a newsletter three times per year about the Music Department's activities. Not only does the Society raise much needed revenue to support musical projects, it also enhances that sense of belonging and involvement for members of the community in the musical life of the Cathedral.

2023-24 Performance

Income

In this financial year the Charity had an overall income of £266,391.

2024 Building works - Refectory Lavatories

In January 2024 the Trust very generously contributed to the refurbishment of the public lavatory facilities located in the Refectory. As the original fundraisers for the building it was very generous to support the renewal of these facilities after 20 years of use.

Events in 2023/24

7th May 2023 - Choral Matins were organised followed by sparkling wine and a jazz band in the Cloister, supporting the Statham Society.

5th October 2023 - A fundraising concert titled 'A Royal Celebration' was held, half to the benefit of Norwich Cathedral Trust and half of the donations given to Norfolk Air Ambulance Charity.

25th November 2023 - An organ concert was held inviting all donors to the Music Appeal to celebrate the renewed instrument.

December 2023 - a new piece of music by Bob Chilcott was commissioned by the Statham Society.

An organ festival is to be planned for Summer 2024 to further celebrate the renewed organ.

Acknowledgements

The trustees extend their special thanks to:

- The organisers of the Royal Celebration Concert and all who kindly donated.
- All the members of the Statham Society.
- And all further generous anonymous donors.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

b. Reserves policy

The Trust receives and holds funds raised by an appeal campaign promoted by the Chapter, and makes grants to the Chapter towards approved expenditure incurred in connection with restoration and development work on the Cathedral.

Such grants will continue to be made against relevant expenditure while funds are available.

Structure, governance and management

a. Constitution

Norwich Cathedral Trust is a registered charity, number 1069305, and is constituted under a Declaration of Trust dated 25 March 1998.

b. Methods of appointment or election of Trustees

The management of the Trust is the responsibility of the Trustees who are appointed under the terms of the Declaration of Trust.

c. Risk management

The Trustees are aware of the Charity Commission's recommendation that they should identify and review the major risks to which the Trust is exposed and establish systems to mitigate those risks.

The Trust is not directly engaged in the restoration and development project on the Cathedral, and restricts its activities to the holding of funds and making of grants towards this work.

A review of the major risks to which the Trust is exposed has been undertaken, and will be re-considered and updated as appropriate on a regular basis.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

H G Cator OBE DL

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Independent Examiner's Report to the Trustees of Norwich Cathedral Trust ('the Trust')

I report to the charity Trustees on my examination of the accounts of the Trust for the year ended 31 March 2024.

Responsibilities and Basis of Report

As the Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Since the Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the Trust has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024

This report is made solely to the Trust's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Trust's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my work or for this report.

Signed:

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1. General information

Norwich Cathedral Trust is an unincorporated charity registered with the Charity Commission for England and Wales.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Norwich Cathedral Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Trust has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Trust, can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Trust's objectives, as well as any associated support costs.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Donations to the Chapter of Norwich Cathedral are made at the discretion of the Trustees and are recognised when approved.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.8 Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report together with the financial statements of the Norwich Cathedral Trust ("the Trust") for the year 1 April 2022 to 31 March 2023.

Objectives and activities

a. Policies and objectives

The principal object of the Trust is "the support of such charitable purposes connected with the Cathedral and the Dean and Chapter as the Trustees shall from time to time in their absolute discretion determine".

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Main achievements of the Trust

The Trust was established on 25 March 1998 and has been the recipient of funds raised by an appeal campaign promoted by the Chapter of Norwich Cathedral for restoration and development work on the Cathedral. The campaign target was £10 million and it was announced in May 2007 that the total of donations received and pledged had reached this target. This achievement was made possible through the hard work of a Campaign Executive and the generosity of many.

Building work in relation to the first phase of the overall development, namely the Refectory and Library extension, began in September 2003, and the new facilities were opened at Easter 2004 to great acclaim. Following the completion of extensive archaeological excavations, building of the second phase of the project, the Hostry, commenced in February 2008 and was completed in November 2009. The Hostry, alongside the West Cloister, now provides much needed educational, visitor and communal facilities as well as a dedicated Song School for the Cathedral choirs. The new buildings were formally opened by HM The Queen and HRH The Duke of Edinburgh on 4 May 2010 after a Service of Thanksgiving in the Cathedral. The new buildings are now extensively used and have considerably enhanced the Cathedral's mission and outreach.

The work of the Trust continues with support for projects initiated by the Dean and Chapter.

The Trust has benefitted from a £1,000,000 donation over four years; with three of the four payments received to date via the Chapel and York Foundation in America. Trustees are indebted to the individual donor in the United States for their kindness and generosity in supporting Norwich Cathedral.

During 2021/22 the fundraising for "*They Shall Laugh and Sing*", the Norwich Cathedral Music Appeal saw the target of £2,500,000 reached; with £1,800,000 for the refurbishment and rebuilding of the organ, and £700,000 to support the Boy and Girl Choristers. The return of the Cathedral organ has opened up many new opportunities, particularly for musical outreach. There is an opening concert planned for November 2023 and an organ festival planned for July 2024.

Following the success of the Music Appeal, the Statham Society has been established as a membership based fundraising society to fund additional projects for the Music Department. Finances of the Statham Society are managed through the Trustees of the Cathedral Trust. The Statham Society has hosted a number of events for members during the past year, including a 'behind the scenes' rehearsal, concert drinks receptions, and a special evensong and tea. Members receive a newsletter three times per year about the Music Department's activities. Not only does the Society raise much needed revenue to support musical projects, it also enhances that sense of belonging and involvement for members of the community in the musical life of the Cathedral.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance (continued)

The Cathedral Trust, during 2022/23, has helped with revolutionising the sound system in the Nave; with the update of speakers (£63,989). It has also funded the reconstruction of a Cloister Arcade (£11,976); bringing together fragments of carved and worked stone to reconstruct a fragment of the Cathedral's long-lost Romanesque Cloister. The outstanding importance of its carved capitals has long been recognised, but this was the first time that the capitals, arches, and columns have been recreated as a coherent whole. The reconstruction was exhibited in the Cathedral Hostry early in 2023 and has now been moved to the Presbytery Gallery.

The Dean and Chapter remain indebted to the trustees for their generous support, help and guidance with a number of applications to Charitable Trusts, which helped secure the funding for this project.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

The Trust receives and holds funds raised by an appeal campaign promoted by the Chapter, and makes grants to the Chapter towards approved expenditure incurred in connection with restoration and development work on the Cathedral.

Such grants will continue to be made against relevant expenditure while funds are available.

Structure, governance and management

a. Constitution

Norwich Cathedral Trust is a registered charity, number 1069305, and is constituted under a Declaration of Trust dated 25 March 1998.

b. Methods of appointment or election of Trustees

The management of the Trust is the responsibility of the Trustees who are appointed under the terms of the Declaration of Trust.

c. Risk management

The Trustees are aware of the Charity Commission's recommendation that they should identify and review the major risks to which the Trust is exposed and establish systems to mitigate those risks.

The Trust is not directly engaged in the restoration and development project on the Cathedral, and restricts its activities to the holding of funds and making of grants towards this work.

A review of the major risks to which the Trust is exposed has been undertaken, and will be re-considered and updated as appropriate on a regular basis.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

H G Cator OBE DL

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Independent Examiner's Report to the Trustees of Norwich Cathedral Trust ('the Trust')

I report to the charity Trustees on my examination of the accounts of the Trust for the year ended 31 March 2023.

Responsibilities and Basis of Report

As the Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the Trust has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2023

This report is made solely to the Trust's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Trust's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my work or for this report.

The notes on pages 9 to 17 form part of these financial statements.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. General information

Norwich Cathedral Trust is an unincorporated charity registered with the Charity Commission for England and Wales.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Norwich Cathedral Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Trust has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Trust, can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Trust's objectives, as well as any associated support costs.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Donations to the Chapter of Norwich Cathedral are made at the discretion of the Trustees and are recognised when approved.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.8 Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their annual report together with the financial statements of the Norwich Cathedral Trust for the year 1 April 2021 to 31 March 2022.

Objectives and activities

a. Policies and objectives

The principal object of the Trust is "the support of such charitable purposes connected with the Cathedral and the Dean and Chapter as the Trustees shall from time to time in their absolute discretion determine".

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Main achievements of the Trust

The Trust was established on 25 March 1998 and has been the recipient of funds raised by an appeal campaign promoted by the Chapter of Norwich Cathedral for restoration and development work on the Cathedral. The campaign target was £10 million and it was announced in May 2007 that the total of donations received and pledged had reached this target. This achievement was made possible through the hard work of a Campaign Executive and the generosity of many.

Building work in relation to the first phase of the overall development, namely the Refectory and Library extension, began in September 2003, and the new facilities were opened at Easter 2004 to great acclaim. Following the completion of extensive archaeological excavations, building of the second phase of the project, the Hostry, commenced in February 2008 and was completed in November 2009. The Hostry, alongside the West Cloister, now provides much needed educational, visitor and communal facilities as well as a dedicated Song School for the Cathedral choirs. The new buildings were formally opened by HM The Queen and HRH The Duke of Edinburgh on 4 May 2010 after a Service of Thanksgiving in the Cathedral. The new buildings are now extensively used and have considerably enhanced the Cathedral's mission and outreach.

The work of the Trust continues with support for projects initiated by the Dean and Chapter.

The Trust benefited from the third tranche of a £1,000,000 donation over four years. This was received via the Chapel and York Foundation in America. Trustees are indebted to the individual donor in the United States for their kindness and generosity in supporting Norwich Cathedral.

During 2021/22 the fundraising for 'They Shall Laugh & Sing' – The Norwich Cathedral Music Appeal reached its target of £2,500,000; £1,800,000 for the refurbishment and rebuilding of the Organ and £700,000 to support the Boy and Girl Choristers. The work on the refurbishment of the Organ has commenced and is planned to be completed in the next financial year.

Following the success of the Music Appeal, the Statham Society has been established as a membership based fundraising society to fund additional projects for the music department. Finances of this society will be managed through the Trustees of the Cathedral Trust.

Last year the Trust received a generous legacy of £100,000 from the estate of the late Nigel and Eileen Bumphrey. Nigel and Eileen were stalwart members of the Cathedral congregation for many years and also played a strong part in the life of the wider Diocese of Norwich; In accordance with the instructions from the executors a set of new silver maces, a set of new white vestments, as well as silver medallions for the Girls' Choir Head Choristers were commissioned and completed.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance (continued)

The Dean and Chapter remain indebted to the trustees for their generous support, help and guidance with a number of applications to Charitable Trusts, which helped secure the funding for this project.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

The Trust receives and holds funds raised by an appeal campaign promoted by the Chapter, and makes grants to the Chapter towards approved expenditure incurred in connection with restoration and development work on the Cathedral.

Such grants will continue to be made against relevant expenditure while funds are available.

Structure, governance and management

a. Constitution

Norwich Cathedral Trust is a registered charity, number 1069305, and is constituted under a Declaration of Trust dated 25 March 1998.

b. Methods of appointment or election of Trustees

The management of the Trust is the responsibility of the Trustees who are appointed under the terms of the Declaration of Trust.

c. Risk management

The Trustees are aware of the Charity Commission's recommendation that they should identify and review the major risks to which the Trust is exposed and establish systems to mitigate those risks.

The Trust is not directly engaged in the restoration and development project on the Cathedral, and restricts its activities to the holding of funds and making of grants towards this work.

A review of the major risks to which the Trust is exposed has been undertaken, and will be re-considered and updated as appropriate on a regular basis. Enter text here - user input

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

H G Cator OBE DL

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2022

Independent Examiner's Report to the Trustees of Norwich Cathedral Trust ('the Trust')

I report to the charity Trustees on my examination of the accounts of the Trust for the year ended 31 March 2022.

Responsibilities and Basis of Report

As the Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Since the Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the Trust has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022

This report is made solely to the Trust's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Trust's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my work or for this report.

The notes on pages 9 to 18 form part of these financial statements.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. General information

Norwich Cathedral Trust is an unincorporated charity registered with the Charities Commission for England and Wales.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Norwich Cathedral Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Trust has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Trust, can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Trust's objectives, as well as any associated support costs.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Donations to the Chapter of Norwich Cathedral are made at the discretion of the Trustees and are recognised when approved.

All expenditure is inclusive of irrecoverable VAT.

2.4 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.5 Financial Instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.6 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT for the year ended 31 March 2021

The Trustees present their annual report together with the financial statements of the Norwich Cathedral Trust for the year 1 April 2020 to 31 March 2021.

Objectives and activities

a. Policies and objectives

The principal object of the Trust is "the support of such charitable purposes connected with the Cathedral and the Dean and Chapter as the Trustees shall from time to time in their absolute discretion determine".

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Main achievements of the Trust

The Trust was established on 25 March 1998 and has been the recipient of funds raised by an appeal campaign promoted by the Chapter of Norwich Cathedral for restoration and development work on the Cathedral. The campaign target was £10 million and it was announced in May 2007 that the total of donations received and pledged had reached this target. This achievement was made possible through the hard work of a Campaign Executive and the generosity of many.

Building work in relation to the first phase of the overall development, namely the Refectory and Library extension, began in September 2003, and the new facilities were opened at Easter 2004 to great acclaim. Following the completion of extensive archaeological excavations, building of the second phase of the project, the Hostry, commenced in February 2008 and was completed in November 2009. The Hostry, alongside the West Cloister, now provides much needed educational, visitor and communal facilities as well as a dedicated Song School for the Cathedral choirs.

The new buildings were formally opened by HM The Queen and HRH The Duke of Edinburgh on 4 May 2010 after a Service of Thanksgiving in the Cathedral. The new buildings are now extensively used and have considerably enhanced the Cathedral's mission and outreach.

The work of the Trust continues with support for projects initiated by the Dean and Chapter. During 2020/21 this has focused on 'They Shall Laugh & Sing' – The Norwich Cathedral Music Appeal. The Appeal seeks to raise £2,500,000; £1,800,000 for the refurbishment and rebuilding of the Organ and £700,000 to support the Boy and Girl Choristers.

The Trust benefited from the second tranche of a £1,000,000 donation over four years. This was received via the Chapel and York Foundation in America. Trustees are indebted to the individual donor in the United States for their kindness and generosity in supporting Norwich Cathedral.

During the course of the year, the Trust received a generous legacy of £100,000 from the estate of the late Nigel and Eileen Bumphrey. Nigel and Eileen were for many years stalwart members of the Cathedral congregation and also played a strong part in the life of the wider Diocese of Norwich; Nigel as Diocesan Silver Advisor and Eileen as Diocesan Textiles Advisor. Their executor instructed £50,000 to go to the Music Appeal and £50,000 to go towards purchase of silver and textiles for the Cathedral. Given Nigel and Eileen's key interest in these areas, this is very fitting and work is in hand to provide silver medallions for the Girls' Choir Head Choristers and amongst other things, a new set of white vestments.

The Dean and Chapter remain indebted to the trustees for their generous support, help and guidance with a number of applications to Charitable Trusts, which helped secure the funding for this project.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) for the year ended 31 March 2021

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

The Trust receives and holds funds raised by an appeal campaign promoted by the Chapter, and makes grants to the Chapter towards approved expenditure incurred in connection with restoration and development work on the Cathedral.

Such grants will continue to be made against relevant expenditure while funds are available.

Structure, governance and management

a. Constitution

Norwich Cathedral Trust is a registered charity, number 1069305, and is constituted under a Declaration of Trust dated 25 March 1998.

b. Methods of appointment or election of Trustees

The management of the Trust is the responsibility of the Trustees who are appointed under the terms of the Declaration of Trust.

c. Risk management

The Trustees are aware of the Charity Commission's recommendation that they should identify and review the major risks to which the Trust is exposed and establish systems to mitigate those risks.

The Trust is not directly engaged in the restoration and development project on the Cathedral, and restricts its activities to the holding of funds and making of grants towards this work.

A review of the major risks to which the Trust is exposed has been undertaken, and will be re-considered and updated as appropriate on a regular basis.

NORWICH CATHEDRAL TRUST

TRUSTEES' REPORT (CONTINUED) for the year ended 31 March 2021

Plans for future periods

In December 2017, the Dean and Chapter launched They Shall Laugh & Sing – The Norwich Cathedral Music Appeal. HRH The Earl of Wessex is Patron of the Appeal.

The Cathedral Organ, which was installed in 1899, had its last major rebuild some 75 years ago in 1942. Dean and Chapter have chosen the renowned organ builders Harrison and Harrison of Durham to undertake the rebuild. Work to dismantle the organ and remove to Durham will commence in 2022. It is anticipated that the organ will then be rebuilt on site after Easter 2023, with voicing and completion of the rebuild by late summer 2023. A major Organ Festival is being planned for 2024.

At Easter 2021 it was announced that the Appeal had reached its target of £2,500,000. This was a major achievement, especially given the COVID pandemic, but showed real determination, as undertaken during World War 2 when the organ was last rebuilt. The total funds are held by the different constituent fundraising arms of Norwich Cathedral; the Dean and Chapter, Friends of Norwich Cathedral, Norwich Cathedral Trust and the Norwich Cathedral Choir Endowment Fund. These bodies have worked closely together under the direction of the Dean and Chapter to achieve this target. All four bodies are indebted to the generosity of the many individual donors and charitable trusts and foundations who have kindly supported the Music Appeal.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

NORWICH CATHEDRAL TRUST

INDEPENDENT EXAMINER'S REPORT for the year ended 31 March 2021

Independent examiner's report to the Trustees of Norwich Cathedral Trust ('the Trust')

I report to the charity Trustees on my examination of the accounts of the Trust for the year ended 31 March 2021.

Responsibilities and basis of report

As the Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the Trust has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Trust's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Trust's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my work or for this report.

Signed:

Dated: 16 November 2021

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2021

1. General information

Norwich Cathedral Trust is an unincorporated charity registered with the Charity Commission for England and Wales.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Norwich Cathedral Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Trust has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Trust, can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Trust's objectives, as well as any associated support costs.

NORWICH CATHEDRAL TRUST

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2021

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Donations to the Chapter of Norwich Cathedral are made at the discretion of the Trustees and are recognised when approved.

All expenditure is inclusive of irrecoverable VAT.

2.4 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

2.5 Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2.6 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
