Activities

Objects: TO ADVANCE THE EDUCATION OF STUDENTS IN THE COLLEGE

Activities: We have raised funds through events such as a non-uniform day, bags to school clothes collections, bingo, off site events and running refreshment stalls at College events. The money raised is donated to the college to provide educational equipment, informative visits and off site trips to enrich the pupils experience at school. We support the college on its information evenings where appropriate.

Classification

- **How:** Makes Grants To Organisations
