WINGATE AND STATION TOWN FAMILY CENTRE**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES**

We report on the accounts of the Trust for the year ended 31 March 2023, which are set out on pages 2 to 10.

Respective responsibilities of trustees and examiners

As the charity's trustees you are responsible for the preparation of the accounts; and you consider that the audit requirements of section 43(2) of the Charities Act 1993 (the Act) as amended by S28 of the Charities Act 2006 do not apply and that an independent examination is required. It is our responsibility to examine the accounts and to state, on the basis of procedures specified in the General Directions given by the Charity Commission under section 43 (7) (b) of the Act, whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- (1) Which gives us reasonable cause to believe that in any material respect the trustees have not met the requirements
 - to keep proper accounting records in accordance with section 41 of the Act; and
 - to prepare accounts which agree with the accounting records and to comply with the accounting requirements of the Act, or
- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

WINGATE AND STATION TOWN FAMILY CENTRE

TRUSTEES ANNUAL REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Structure, Governance and Management

Wingate and Station Town Family Centre is a Registered Charity governed by its constitution and is an unincorporated association. The organisation is managed by a Board of Trustees (Management Committee) made up of local residents, head teacher of Wingate Nursery, up to two elected members from the local councils and up to five additional representatives from organisations and agencies relevant to the Family Centre's needs.

At each Annual General Meeting we seek to appoint potential trustees who are interested in the Family Centre and in particular, people with skills and knowledge that will benefit us. The Chairperson must be a local resident and is elected at the AGM. Any unfilled vacancies may be filled by agreement of the committee during the year.

Risk Statement

The trustees are aware of their responsibilities to ensure that major risks to which the charity is exposed are identified, reviewed, and systems or procedures have been established to manage these risks.

Objectives and Activities

The objectives of the charity are:

"To provide facilities for all families within the villages of Station Town, Hutton Henry and Wingate and the surrounding villages for the education, relief of poverty, recreation and other leisure time occupation and the promotion of good standards of child care amongst parents and carers with the object of improving the conditions of life for the said families."

The centre aims to work in partnership with local families to identify their needs and provide effective resources to fulfil those needs within the community.

Learning is at the heart of all activities in the family centre. We aim to provide a high quality learning experience for individuals and groups with a wide range of knowledge and skills, many returning to learning to improve their employability. Parents can also visit the centre simply to enjoy the social contact and benefit from informal activities to support a healthy lifestyle.

Now as a part of Wingate Children's Centre, the Family Centre has a valuable role to play supporting the learning that takes place in other areas of the building.

WINGATE AND STATION TOWN FAMILY CENTRE

TRUSTEES ANNUAL REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Achievements And Performance During The Year

Family activities have been delivered wherever possible throughout the year, engaging and supporting disadvantaged local families. Sessions have been well attended and provided opportunities to identify relevant issues and pathways to access additional services. Consultation has led to the implementation of additional courses providing development and progression activities to support families into employment and training.

Wingate Community Rangers continued until July 2023 in Wingate Welfare Park, green spaces through the village and in Gully House. Children have been encouraged to engage in physically active play, team games and individual challenges.

We have been fortunate to retain the support of local families who have returned to our activities that we provide. We will continue to monitor and comply with all government guidance and respond to local needs.

Financial Review

The Statement of Financial Activities shows a decrease in income and costs during the year. Overall there was a surplus of expenditure over income of £**** which are added to the reserves brought forward.

At the year end there were reserves of £***** which are mainly represented by the building and bank balances.

Reserves Policy

The trustees consider that adequate cash reserves are needed to ensure that staff costs and overheads are covered for a period of at least six months. If this was not the case it would be very difficult to attract and retain the high quality staff that are required to carry out the objectives of the charity. A significant proportion of the overall reserves are in respect of the property valuation and are therefore not usable in cash terms but form a working base for the Family Centre.

Overall the trustees are satisfied with the financial performance during the year.

The land is owned by a leasehold interest.

A revaluation was not carried out during the year, but the trustees consider the carrying value of £65,000 to be fair.

The year has been challenging for all of us, across all sectors, but particularly for small charities. Fortunately we have had the continuing support of our funders who have made every effort to accommodate the changes we have had to make to our activities due Covid-19. All staff were furloughed over the summer.

We have been fortunate to retain the support of local families who await the full restoration of activities. We will continue to monitor and comply with all government guidance and hope to return to full capacity as soon as restrictions allow.

The carrying value of freehold property is considered by the trustees at the end of each year. Any permanent reduction in value is written off in the statement of financial activities. Previous provisions of £88,636 had been made to reduce the original cost of the property to open market value.

The land is owned by a leasehold interest.

A revaluation was not carried out during the year, but the trustees consider the carrying value of £65,000 to be fair.

WINGATE AND STATION TOWN FAMILY CENTRE**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES**

We report on the accounts of the Trust for the year ended 31 March 2021, which are set out on pages 2 to 10.

Respective responsibilities of trustees and examiners

As the charity's trustees you are responsible for the preparation of the accounts; and you consider that the audit requirements of section 43(2) of the Charities Act 1993 (the Act) as amended by S28 of the Charities Act 2006 do not apply and that an independent examination is required. It is our responsibility to examine the accounts and to state, on the basis of procedures specified in the General Directions given by the Charity Commission under section 43 (7) (b) of the Act, whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- (1) Which gives us reasonable cause to believe that in any material respect the trustees have not met the requirements
 - to keep proper accounting records in accordance with section 41 of the Act; and
 - to prepare accounts which agree with the accounting records and to comply with the accounting requirements of the Act, or

- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

WINGATE AND STATION TOWN FAMILY CENTRE

TRUSTEES ANNUAL REPORT

FOR THE YEAR ENDED 31 MARCH 2021

Structure, Governance and Management

Wingate and Station Town Family Centre is a Registered Charity governed by its constitution and is an unincorporated association. The organisation is managed by a Board of Trustees (Management Committee) made up of local residents, head teacher of Wingate Nursery, up to two elected members from the local councils and up to five additional representatives from organisations and agencies relevant to the Family Centre's needs.

At each Annual General Meeting we seek to appoint potential trustees who are interested in the Family Centre and in particular, people with skills and knowledge that will benefit us. The Chairperson must be a local resident and is elected at the AGM. Any unfilled vacancies may be filled by agreement of the committee during the year.

Risk Statement

The trustees are aware of their responsibilities to ensure that major risks to which the charity is exposed are identified, reviewed, and systems or procedures have been established to manage these risks.

Objectives and Activities

The objectives of the charity are:

"To provide facilities for all families within the villages of Station Town, Hutton Henry and Wingate and the surrounding villages for the education, relief of poverty, recreation and other leisure time occupation and the promotion of good standards of child care amongst parents and carers with the object of improving the conditions of life for the said families."

The centre aims to work in partnership with local families to identify their needs and provide effective resources to fulfil those needs within the community.

Learning is at the heart of all activities in the family centre. We aim to provide a high quality learning experience for individuals and groups with a wide range of knowledge and skills, many returning to learning to improve their employability. Parents can also visit the centre simply to enjoy the social contact and benefit from informal activities to support a healthy lifestyle.

Now as a part of Wingate Children's Centre, the Family Centre has a valuable role to play supporting the learning that takes place in other areas of the building.

WINGATE AND STATION TOWN FAMILY CENTRE**TRUSTEES ANNUAL REPORT****FOR THE YEAR ENDED 31 MARCH 2021****Achievements And Performance During The Year**

Family activities have been delivered wherever possible throughout the year, engaging and supporting disadvantaged local families. Sessions have been well attended and provided opportunities to identify relevant issues and pathways to access additional services. Consultation has led to the implementation of additional courses providing development and progression activities to support families into employment and training.

Wingate Community Play Rangers sessions have continued in the Welfare Park, green spaces through the village and in Gully House. Children have been encouraged to engage in physically active play, team games and individual challenges.

The year has been challenging for all of us, across all sectors, but particularly for small charities. Fortunately we have had the continuing support of our funders who have made every effort to accommodate the changes we have had to make to our activities due Covid-19. All staff were furloughed over the summer.

We have been fortunate to retain the support of local families who await the full restoration of activities. We will continue to monitor and comply with all government guidance and hope to return to full capacity as soon as restrictions allow.

Financial Review

The Statement of Financial Activities shows a decrease in income and costs during the year. Overall there was a surplus of expenditure over income of £21,314 which are added to the reserves brought forward.

At the year end there were reserves of £116,221 which are mainly represented by the building and bank balances.

Reserves Policy

The trustees consider that adequate cash reserves are needed to ensure that staff costs and overheads are covered for a period of at least six months. If this was not the case it would be very difficult to attract and retain the high quality staff that are required to carry out the objectives of the charity. A significant proportion of the overall reserves are in respect of the property valuation and are therefore not usable in cash terms but form a working base for the Family Centre.

Overall the trustees are satisfied with the financial performance during the year.
