Chairman's Review

It is impossible to reflect on the financial year of 2020-21 without thinking of the global pandemic, and how it affected our Truro School community. I wonder how the trials and tribulations of that period of time, and the years that follow, will be remembered?

I'd like to think we'll become more understanding, inclusive and empathetic; principles exhibited by our Head, Andy Johnson and Head of Governors, Richard Thomas.

For our part, the Truro School Foundation donated £50,000 to the School's Emergency Bursary Fund – as did the Truro School Association. This depleted our reserves severely, so I would like to thank everyone who has contributed and donated to our Foundation's funds, helping replenish those much-needed reserves. It's also worth considering all the extra work that the school has had to put in the last few months - these support structures have helped the resilience of Truro School students over the course of the last academic year. We are just beginning to learn more about the wider implications of lockdowns and isolation for young people. We are fortunate for Tim Bunting, one of our trustees, who previously worked for BBC Children in Need, and his insights into the issues facing young people in the UK are invaluable.

No reflection of that year can be complete without mention of our previous chair, Guy Dodd.

Whilst Guy's passing remains raw, his beliefs and values still guide us.

At that time, we also closed the Guy Dodd Appeal – which raised more than £40,000 – a remarkable amount of money, coming in as it did in the depths of Covid. We would like to say a very sincere thanks from all of us at the Foundation if you contributed – and be assured that 100% of your contribution is making a significant difference to a child's life at the school.

We have formally welcomed new trustees to the Foundation this year and they have hit the ground sprinting. I would like to thank them for

their time, expertise and dedication to keeping us 'trim and true'. Our Trustees are a great asset to us and help us function effectively, ensuring compliance with the Charity Commission and Companies House.

The G7 group of countries came to visit us in Cornwall and I think showed our county off admirably - I like to think the School might benefit from such a global showcase.

Sadly, we have had to say a couple of goodbyes at the end of the 2021 academic year:

Jayne Grigg: Jayne worked at the School for almost 30 years, and has been central to many of the School's activities – including the Foundation. Jayne leaves with our sincere thanks and very best wishes.

We also said goodbye to Nicky Berridge whose title was 'Clerk to the Trustees' – but Nicky has been so much more. Nicky has been the very best advocate for our Foundation, central to initiating and implementing plans and ideas, and an absolute joy to work with – honest, principled, committed and hugely invested in all that we do.

One of the effects of Covid will be more uncertainty and more change – whilst sometimes unsettling, change is often a good thing in the longer term. How we prepare ourselves for the future and cope with its uncertainties will define us all in the eyes of future generations – the Foundation wants to ensure those generations continue to benefit from the education at Truro School, so any donations are very gratefully received.

Finally, the Truro School Foundation is run as a charity, and I would like to thank our trustees for giving up their time to help create the opportunity for children to come to our school. I should also like to thank the school itself for supporting us – especially in the light of Nicky Berridge (TS Development Manager 2016-2021) leaving – they are big shoes to fill – but Amanda (Development and Alumni Relations Officer) is working hard to continue on Nicky's legacy.

Together we can help to change lives – the more money we raise, the more lives we can change. Even with my old Maths 'O' Level, I see it as a simple formula!

GRAHAM HOOPER
CHAIR OF FOUNDATION

Objectives and Activities

The Trustees present their annual report together with the accounts and independent examiner's report. The financial statements comply with the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTS

The objects as set out in the Memorandum of Association are the provision of education or the grant of educational bursaries for pupils attending, or to attend, Truro School. More specifically the Trustees' policy is to build up a designated fund ('Bursaries Fund') from donations from Truro School alumni and others and use the income accruing and past growth on the investments to provide bursaries for children who, with the demise of the Government Assisted Places Scheme, could not otherwise attend Truro School.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of the Company are appointed in accordance with the Articles of Association. It was agreed by the first Trustees that the minimum number of Trustees shall for the time being, be and remain at three. The Trustees ongoing training is addressed in conjunction with the operation of Truro School, a connected charity.

The Truro School Foundation recognises that an effective board of Trustees is essential to it achieving objects. The Board should seek to be representative of the people with whom it works and should have available to it the knowledge and skills required to provide effective oversight to the running of the Foundation. Individual Trustees must have sufficient knowledge, both of Trusteeship in general and of the Foundation's activities, to enable them to carry out their role and to represent the Truro School Foundation at meetings and other events.

Statement of Trustees' Responsibilities

- The Trustees (who are also the directors of Truro School Foundation Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
 - Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time of the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources, including income and expenditure, of the Charitable Company for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;

Finance, Reserves, Investment

FINANCIAL ACTIVITIES AND RESULTS

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the Charity.

In line with the objectives as stated above, the charity continued its efforts during the year to attract further donations, and made a contribution of £105,000 to help fund the bursaries provided by Truro School in the same year.

The Investments as held in the Balance Sheet are reviewed annually to ensure the asset allocation strategy is such to make sure a consistent level of return is achieved in order to fulfil the objective of bursary assistance.

RESERVES POLICY

At 31 August 2021 the charity had unrestricted funds of £702,258. These included investments valued at £502,645 and deposits with Methodist Church CFB amounting to £50,822. The Trustees aim to increase the reserves so as to enable the charity to continue to fulfil its objects.

The policy will be reviewed by the Trustees on an annual basis.

INVESTMENT POWERS, POLICY AND PERFORMANCE

The investment powers are derived from the Trustee Investment Act 2000. The policy of the charity is to invest in the investment funds of the Methodist Church CFB so as to ensure professional management and to provide returns in line with the relevant indices. During the year the investments performed in line with this policy. This policy may be changed at any time to invest the funds with an entity other than the Methodist Church Central Finance Board in accordance with the Investment Strategy.

RISK REVIEW

The major risk to which the charity is exposed to is the under performance of the Investments, the steps taken to mitigate this is to evaluate the portfolio in conjunction with the fund manager and move the funds in accordance with the Investment Strategy. At the onset of the Covid-19 pandemic, the majority of the investments were moved into cash in order to mitigate against the risk of losses.

Grants, Awards and Restricted Funds

GRANTS POLICY

The Trustees' policy is to donate the majority of the investment income and past growth on the investments to Truro School to help it meet the cost of bursaries awarded to pupils under its own assisted places scheme. Permission has been granted by the Charities Commission to sell any investments held and transfer the proceeds to Truro School by way of a grant, should the Truro School Foundation Trustees permit.

PROCEDURE FOR AWARDING BURSARIES

Truro School Fee Remission Committee will make recommendations to the Foundation Trustees, in line with the Foundation Award guidance criteria. Awards will be made to individuals likely to benefit considerably from, and flourish in, the Truro School environment.

The application process will consist of: entrance examination; a supportive reference from the applicant's current school (if available) and an interview with the Head or Head of Admissions.

All applications are subject to the School's means testing assessment process, carried out by the Finance Department. As part of the financial assessment, there may also be a visit to the family home.

RESTRICTED FUNDS

Restricted Funds are made up as follows:

A legacy to be used for a scholarship in the name of Mr William Andrew, which will enable pupils to come to Truro School and study Art of £60,000 received in 2006.

A donation from the Truro School Former Pupils Association of £14,266 received in 2017, for the purpose of allowing Sixth Form students, receiving a Means Tested Bursary, to travel to universities to attend interviews, open days, etc. This was valued at £11,644 in 2021, (2020 - £12,494).

A grant from The Bishopsdown Trust which will allow a chosen Truro School pupil to benefit from additional music lessons. This totalled £600 (2020 - £0).

One Hundred Pounds of this fund also relates to a donation which was received with the strict expression to be paid to help pupils pay for their Sports Kit on the Assisted Places Scheme.

A donation from Mr Tim Henderson, £35,000 (2020 - £30,000) (a former pupil of Truro School), of which £30,000 is to be used specifically for Sixth Form Bursaries. The remaining £5,000 was Designated as a donation towards the Guy Dodd Appeal.

The remaining balance of the Restricted Fund was generated from the 10% allocation of the Investment Earnings, and the annual movement over the years of Unrecognised Gains and Losses, created by the Investment of the Restricted funds into the Funds as managed by the TMCP.

Chair of Governors

On each occasion I visit our school I leave down the front drive and pass the oak tree that was planted as a celebration of Guy Dodd's life. Currently it is in bud, showing the new growth and is ready to blossom for another year. Our Foundation is following a similar path.

It gives me pleasure to write a few words in this annual report, as it provides me with the opportunity to share my admiration for the work that the Foundation does year on year. We are fortunate to have such a strong Foundation and the reason behind that is due to the dedication and commitment of our Chair Graham Hooper and all the Trustees who give their time so generously.

In the last year the Governing Body and Foundation have been looking to work ever closer together for the benefit of the school. In any charitable position it is important that best value for money is obtained for all contributions and the working relationship between us along with Senior Management Team of the school allows the achievement of optimum value. The extent of bursaries the school is able to provide is buoyant, but it is a desire of the Governing Body and an integral part of the recently issued Strategic Plan that there is a drive to increase level of bursarial support. It is through the generosity of alumni, parents, staff and friends and the hard work of the Foundation Trustees that we are in the position we are in terms of what can be offered. As John Wesley our Methodist founder stated: 'we should 'earn what we can, save what we can, and then give what we can'. It is gratifying to see so many of our family upholding those ideals.

The benefits provided through bursarial support are immense, there are wonderful stories to be told. We are grateful and thankful as a governing body for the work that is done by the Foundation Trustees and also all donors and contributors. The ability to give an opportunity to others is a rewarding and generous act.

I look forward to seeing the Foundation grow in strength year on year.

RICHARD THOMAS
CHAIR OF GOVERNORS AND OLD TRURONIAN PARENT

Truro School Head

My thanks to Graham, Amanda, Carla, and all the team for the care that has gone into creating another inspiring annual report. My thanks also to the Foundation and all who support it for its financial and wider commitment to our Truro School family. This commitment is part of our long history of championing access where we can.

During the academic year 2020-21 five children were awarded Foundation Bursary Support. The total value of the Foundation awards given was just over £60,000.

This was a key and highly valued part of the School's wider means tested bursary award provision, which equated to just over £950,000 for that same period, including emergency COVID related bursaries. This generosity has benefitted just over 105 pupils who represent 11% of the whole school roll. For the current academic year, 2021-22, current Foundation awards are due to amount to just over £74,000, which will be supporting six children to benefit from being part of our School.

Foundation generosity over the last two years has not just supported individual award holders, but has contributed to our emergency bursary fund, designed to keep pupils in school whose families had been seriously and adversely affected by the pandemic. The School recently received a moving and powerful letter from a family helped in exactly this way. They wanted to let us know that their income was now more secure and to thank the School for enabling them to keep their children here, when otherwise they would not have been able to do so.

At a time when compassion remains needed in so many contexts locally, nationally, and internationally, the Foundation has again committed £50,000 to the school for the 2022-3 academic year.

Underpinning this, we are grateful for the contributions of all sizes from individual donors that keep this culture of support alive, be that via donations, legacies, dedicated awards in your name, or via contributions offered at reunions, that I have now enjoyably started to be able to support in person.

The Foundation remains the epitome of our Wesleyan commitment to do all we can, and I applaud you. You help us as we seek to ever widen the welcoming doors that give access to the life changing opportunities of a Truro School education. Our school and community are fortunate to be emerging securely and purposefully from the pandemic. I am grateful for the generosity that supports strength in the here and now. I am also grateful for the ability this generosity gives us to plan ambitiously for our future.

I look forward to meeting more OTs in person. Widening access is an important part of our School's ethos and ambition. Please do reach out to the Foundation if you feel you can help in any way.

ANDY JOHNSON
TRURO SCHOOL HEAD

Thank you for your generosity

Every effort has been made to ensure that the Roll of Benefactors is complete and accurate and that everyone's support has been acknowledged appropriately. However, do let the Development Office know if you believe your name has been omitted for any reason. All our supporters are hugely appreciated.

TRURO SCHOOL FOUNDATION LIMITED

TRUSTEES' REPORT

The Trustees present their Annual Report together with the Accounts and Independent Examination Report. The Financial Statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Charities Statement of Recommended Practice ("Charities SORP") (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; FRS102) issued in October 2019.

OBJECTS

The objects as set out in the Memorandum of Association are the provision of education or the grant of educational bursaries for pupils attending, or to attend, Truro School. More specifically the Trustees' policy is to build up a designated fund ('Bursaries Fund') from donations from Truro School, alumni and others and use the income accruing and past growth on the investments to provide bursaries for children who, with the demise of the Government Assisted Places Scheme, could not otherwise attend Truro School.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of the Company are appointed in accordance with the Articles of Association. It was agreed by the First Trustees that the minimum number of Trustees shall for the time being, be and remain at three. The Trustees ongoing training is addressed in conjunction with the operation of Truro School, a connected charity.

FINANCIAL ACTIVITIES AND RESULTS

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the Charity.

In line with the objectives as stated above, the charity continued its efforts during the year to attract further donations, and made a contribution of £105,000 to help fund the bursaries provided by Truro School in the same year.

The financial results for the year are set out in the Statement of Financial Activities on page 6.

The Investments as held in the Balance Sheet are reviewed annually to ensure the asset allocation strategy is such to make sure a consistent level of return is achieved in order to fulfil the objective of bursary assistance.

RESERVES POLICY

At 31 August 2021 the charity had unrestricted funds of £702,258. These included investments valued at £502,645 and deposits with Methodist Church CFB amounting to £50,822. The Trustees aim to increase the reserves so as to enable the charity to continue to fulfil its objects.

The policy will be reviewed by the Trustees on an annual basis.

GRANTS POLICY

The Trustees' policy is to donate the majority of the investment income and past growth on the investments to Truro School to help it meet the cost of bursaries awarded to pupils under its own assisted places scheme. Permission has been granted by the Charities Commission to sell any Investments held and transfer the proceeds to Truro School by way of a grant, should the Truro School Foundation Trustees permit.

INVESTMENT POWERS, POLICY AND PERFORMANCE

The investment powers are derived from the Trustee Investment Act 2000. The policy of the charity is to invest in the investment funds of the Methodist Church CFB so as to ensure professional management and to provide returns in line with the relevant indices. During the year the investments performed in line with this policy. This policy may be changed at any time to invest the funds with an entity other than the Methodist Church Central Finance Board in accordance with the Investment Strategy.

RISK REVIEW

The major risk to which the charity is exposed to is the under performance of the Investments, the steps taken to mitigate this is to evaluate the portfolio in conjunction with the fund manager and move the funds in accordance with the

TRURO SCHOOL FOUNDATION LIMITED

TRUSTEES' REPORT (continued)

Investment Strategy. At the onset of the Covid-19 pandemic, the majority of the investments were moved into cash in order to mitigate against the risk of losses.

CONNECTED CHARITY

Truro School Foundation Limited is closely related to the Methodist Independent Schools Trust of which Truro School is a division. The Chair of Governors of Truro School served as Trustee of the Company during the year. Truro School Foundation Limited and Truro School are administered by the same staff. At the date of signing two of the Trustees were Governors of Truro School.

FUTURE PLANS

The future plans for the Charity are to raise further funds from appeals and otherwise, and to go from strength to strength. This will be achieved by maintaining and building on strong connections with the whole Truro School Community comprising alumni, parents, former parents and the local business community. The Truro School Foundation Limited is also looking at the various ways it can support the Truro School further with its bursaries and other needs.

GOING CONCERN

The trustees have taken into consideration the effect of Covid-19 on the charity's ability to continue in operation for the foreseeable future. We believe the charity has sufficient funds in place and cash at bank to be able to pay the charity's liabilities as they fall due within the next twelve months from the date these financial statements were signed. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also the directors of Truro School Foundation Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources, including income and expenditure, of the Charitable Company for that period. In preparing these financial statements, the Trustees are required to:

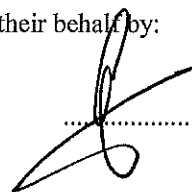

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time of the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS

Nicholas Sladden of RSM UK Tax and Accounting Limited offer themselves for reappointment and a resolution will be put to the general meeting.

Approved by the Trustees at their meeting on 21 January 2022 and signed on their behalf by:

.....
Graham Hooper
(Trustee)

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF TRURO SCHOOL FOUNDATION LIMITED

I report to the trustees on my examination of the accounts of Truro School Foundation Limited ('the company') for the year ended 31 August 2021, which are set out on pages 6 to 14.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair view' and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

TRURO SCHOOL FOUNDATION LIMITED

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES

General Information

Truro School Foundation Limited ("the Charitable Company") is a company limited by guarantee incorporated in England and has no share capital.

The registered office address of the Company is Truro School Trennick Lane, Truro, Cornwall, TR1 1TH.

In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

a) Basis of Preparation

The Financial Statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2016.

b) Preparation of the accounts on a going concern basis

The finance Trustees meet on a regular basis and have a strategy to safeguard the investment profile. This is in light of a changing economic outlook for the United Kingdom. Short term investment needs have been transferred into cash, to protect the value of the shares from declining. Going concern is therefore assured for the following 12 months and beyond.

c) Incoming Resources

Incoming resources are recognised on a receivable basis, as soon as the Charity has entitlement to the income, there is probability of receipt and the amount is quantifiable.

d) Resources Expended

Expenditure is recognised on an accruals basis, inclusive of irrecoverable VAT.

Charitable activities comprise expenditure associated with the provision of bursaries/scholarships for children, and include both the direct costs and support costs relating to these activities.

Governance costs for the year were £2,963 being the Burling Bursary Administration Fees, independent examination fees and bank charges. These were financed by a contribution from Truro School.

These unaudited financial statements have been subjected to independent examination. See report on page 5.

TRURO SCHOOL FOUNDATION LIMITED

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2020

e) Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the company for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

f) Investment Policy

Income from investments is accounted for as it accrues. Investments are acquired in accordance with the powers available to the Trustees. Investments are shown at market value. Realised and unrealised gains and losses are shown in the Statement of Financial Activities.

g) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. INCOME FROM DONATIONS AND LEGACIES

	2021	2020

Unrestricted Fund

The designated 'Bursaries Fund' represents unrestricted funds retained to provide bursaries for children who, with the demise of the Government Assisted Places Scheme, would not otherwise be able to attend Truro School. The Trustees' policy is to build up this fund from donations from Truro School and others, and to use the income accruing and past growth on the investments to fund the bursaries.

Restricted Funds

Restricted Funds are made up as follows:

A legacy to be used for a scholarship in the name of Mr William Andrew, which will enable pupils to come to Truro School and study Art of £60,000 received in 2006.

A donation from the Truro School Former Pupils Association of £14,266 received in 2017, for the purpose of allowing Sixth Form students, receiving a Means Tested Bursary, to travel to universities to attend interviews, open days, etc. This was valued at £11,644 in 2021, (2020 - £12,494).

A grant from The Bishopsdown Trust which will allow a chosen Truro School pupil to benefit from additional music lessons. This totalled £600 (2020 - £0).

One Hundred Pounds of this fund also relates to a donation which was received with the strict expression to be paid to help pupils pay for their Sports Kit on the Assisted Places Scheme.

A donation from Mr Tim Henderson, £35,000 (2020 - £30,000) (a former pupil of Truro School), of which £30,000 is to be used specifically for Sixth Form Bursaries. The remaining £5,000 was Designated as a donation towards the Guy Dodd Appeal.

The remaining balance of the Restricted Fund was generated from the 10% allocation of the Investment Earnings, and the annual movement over the years of Unrecognised Gains and Losses, created by the Investment of the Restricted funds into the Funds as managed by the TMCP.

These unaudited financial statements have been subjected to independent examination. See report on page 5.

TRURO SCHOOL FOUNDATION LIMITED

TRUSTEES' REPORT

The Trustees present their Annual Report together with the Accounts and Independent Examination Report. The Financial Statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Charities Statement of Recommended Practice ("Charities SORP") (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; FRS102) issued in October 2019.

OBJECTS

The objects as set out in the Memorandum of Association are the provision of education or the grant of educational bursaries for pupils attending, or to attend, Truro School. More specifically the Trustees' policy is to build up a designated fund ('Bursaries Fund') from donations from Truro School, alumni and others and use the income accruing and past growth on the investments to provide bursaries for children who, with the demise of the Government Assisted Places Scheme, could not otherwise attend Truro School.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of the Company are appointed in accordance with the Articles of Association. It was agreed by the First Trustees that the minimum number of Trustees shall for the time being, be and remain at three. The Trustees ongoing training is addressed in conjunction with the operation of Truro School, a connected charity.

FINANCIAL ACTIVITIES AND RESULTS

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the Charity.

In line with the objectives as stated above, the charity continued its efforts during the year to attract further donations, and made a contribution of £105,000 to help fund the bursaries provided by Truro School in the same year.

The financial results for the year are set out in the Statement of Financial Activities on page 6.

The Investments as held in the Balance Sheet are reviewed annually to ensure the asset allocation strategy is such to make sure a consistent level of return is achieved in order to fulfil the objective of bursary assistance.

RESERVES POLICY

At 31 August 2021 the charity had unrestricted funds of £702,258. These included investments valued at £502,645 and deposits with Methodist Church CFB amounting to £50,822. The Trustees aim to increase the reserves so as to enable the charity to continue to fulfil its objects.

The policy will be reviewed by the Trustees on an annual basis.

GRANTS POLICY

The Trustees' policy is to donate the majority of the investment income and past growth on the investments to Truro School to help it meet the cost of bursaries awarded to pupils under its own assisted places scheme. Permission has been granted by the Charities Commission to sell any Investments held and transfer the proceeds to Truro School by way of a grant, should the Truro School Foundation Trustees permit.

INVESTMENT POWERS, POLICY AND PERFORMANCE

The investment powers are derived from the Trustee Investment Act 2000. The policy of the charity is to invest in the investment funds of the Methodist Church CFB so as to ensure professional management and to provide returns in line with the relevant indices. During the year the investments performed in line with this policy. This policy may be changed at any time to invest the funds with an entity other than the Methodist Church Central Finance Board in accordance with the Investment Strategy.

RISK REVIEW

The major risk to which the charity is exposed to is the under performance of the Investments, the steps taken to mitigate this is to evaluate the portfolio in conjunction with the fund manager and move the funds in accordance with the

TRURO SCHOOL FOUNDATION LIMITED

TRUSTEES' REPORT (continued)

Investment Strategy. At the onset of the Covid-19 pandemic, the majority of the investments were moved into cash in order to mitigate against the risk of losses.

CONNECTED CHARITY

Truro School Foundation Limited is closely related to the Methodist Independent Schools Trust of which Truro School is a division. The Chair of Governors of Truro School served as Trustee of the Company during the year. Truro School Foundation Limited and Truro School are administered by the same staff. At the date of signing two of the Trustees were Governors of Truro School.

FUTURE PLANS

The future plans for the Charity are to raise further funds from appeals and otherwise, and to go from strength to strength. This will be achieved by maintaining and building on strong connections with the whole Truro School Community comprising alumni, parents, former parents and the local business community. The Truro School Foundation Limited is also looking at the various ways it can support the Truro School further with its bursaries and other needs.

GOING CONCERN

The trustees have taken into consideration the effect of Covid-19 on the charity's ability to continue in operation for the foreseeable future. We believe the charity has sufficient funds in place and cash at bank to be able to pay the charity's liabilities as they fall due within the next twelve months from the date these financial statements were signed. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also the directors of Truro School Foundation Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources, including income and expenditure, of the Charitable Company for that period. In preparing these financial statements, the Trustees are required to:

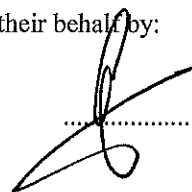

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time of the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS

Nicholas Sladden of RSM UK Tax and Accounting Limited offer themselves for reappointment and a resolution will be put to the general meeting.

Approved by the Trustees at their meeting on 21 January 2022 and signed on their behalf by:

.....
Graham Hooper
(Trustee)

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF TRURO SCHOOL FOUNDATION LIMITED

I report to the trustees on my examination of the accounts of Truro School Foundation Limited ('the company') for the year ended 31 August 2021, which are set out on pages 6 to 14.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair view' and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

TRURO SCHOOL FOUNDATION LIMITED

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2021

1. ACCOUNTING POLICIES

General Information

Truro School Foundation Limited ("the Charitable Company") is a company limited by guarantee incorporated in England and has no share capital.

The registered office address of the Company is Truro School Trennick Lane, Truro, Cornwall, TR1 1TH.

In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

a) Basis of Preparation

The Financial Statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2016.

b) Preparation of the accounts on a going concern basis

The finance Trustees meet on a regular basis and have a strategy to safeguard the investment profile. This is in light of a changing economic outlook for the United Kingdom. Short term investment needs have been transferred into cash, to protect the value of the shares from declining. Going concern is therefore assured for the following 12 months and beyond.

c) Incoming Resources

Incoming resources are recognised on a receivable basis, as soon as the Charity has entitlement to the income, there is probability of receipt and the amount is quantifiable.

d) Resources Expended

Expenditure is recognised on an accruals basis, inclusive of irrecoverable VAT.

Charitable activities comprise expenditure associated with the provision of bursaries/scholarships for children, and include both the direct costs and support costs relating to these activities.

Governance costs for the year were £2,963 being the Burling Bursary Administration Fees, independent examination fees and bank charges. These were financed by a contribution from Truro School.

These unaudited financial statements have been subjected to independent examination. See report on page 5.

TRURO SCHOOL FOUNDATION LIMITED

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2020

e) Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the company for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

f) Investment Policy

Income from investments is accounted for as it accrues. Investments are acquired in accordance with the powers available to the Trustees. Investments are shown at market value. Realised and unrealised gains and losses are shown in the Statement of Financial Activities.

g) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. INCOME FROM DONATIONS AND LEGACIES

	2021	2020
	£	£
Donations	92,433	66,197

Unrestricted Fund

The designated 'Bursaries Fund' represents unrestricted funds retained to provide bursaries for children who, with the demise of the Government Assisted Places Scheme, would not otherwise be able to attend Truro School. The Trustees' policy is to build up this fund from donations from Truro School and others, and to use the income accruing and past growth on the investments to fund the bursaries.

Restricted Funds

Restricted Funds are made up as follows:

A legacy to be used for a scholarship in the name of Mr William Andrew, which will enable pupils to come to Truro School and study Art of £60,000 received in 2006.

A donation from the Truro School Former Pupils Association of £14,266 received in 2017, for the purpose of allowing Sixth Form students, receiving a Means Tested Bursary, to travel to universities to attend interviews, open days, etc. This was valued at £11,644 in 2021, (2020 - £12,494).

A grant from The Bishopsdown Trust which will allow a chosen Truro School pupil to benefit from additional music lessons. This totalled £600 (2020 - £0).

One Hundred Pounds of this fund also relates to a donation which was received with the strict expression to be paid to help pupils pay for their Sports Kit on the Assisted Places Scheme.

A donation from Mr Tim Henderson, £35,000 (2020 - £30,000) (a former pupil of Truro School), of which £30,000 is to be used specifically for Sixth Form Bursaries. The remaining £5,000 was Designated as a donation towards the Guy Dodd Appeal.

The remaining balance of the Restricted Fund was generated from the 10% allocation of the Investment Earnings, and the annual movement over the years of Unrecognised Gains and Losses, created by the Investment of the Restricted funds into the Funds as managed by the TMCP.

These unaudited financial statements have been subjected to independent examination. See report on page 5.
