TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their report and the financial statements for the year ended 31 March 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document and Structure

The company is registered as a charitable company limited by guarantee and was established by a Memorandum of Association on 1 January 1997. In the event of the company being wound up, members are required to contribute an amount not exceeding £10.

The company is a registered charity, number 1071058.

The principal object of the company is to promote the care and education of children, young people and adults.

The Trustee Board is responsible for the strategic direction, activities and performance of the Charity. However, the Trustee Board delegates the day to day management of the Charity to a senior management team, which is headed by the Chief Executive.

OBJECTIVES AND ACTIVITIES

The Charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are to benefit the public by:

- The promotion of the care and education of children, young people, families and communities and the provision of facilities for the recreation, care, education and other leisure time occupation of children, young people and families in the interests of social welfare with the object of improving their conditions of life.
- The advancement of the education and training of persons providing such care and educational and recreational facilities.
- Conducting research into all aspects of the care, education and recreation of such children, young people, families and communities and to publish the useful results of such research.

It aims to improve the life quality and experiences of children, young people, their families and communities by:

- Being a leader and innovator providing support and promoting high quality services.
- Supporting, developing and training the leaders and workforce of direct and indirect services.

The Charity has supported employees through personal development, including management qualifications, adult education qualifications, role specific qualifications and degrees. We also participated in the Kickstart scheme.

During the year the Charity was awarded a range of contracts in the following geographical areas that contributed in the following ways to the aims and objectives of the charity:

Hampshire Supporting the care and wellbeing of Early Years children within nursery provision

North Lincolnshire Supporting the care and wellbeing of children with complex needs through the delivery of holiday respite care

East Midlands and East Supporting separated families by Improving Child and Family Arrangements (ICFA)

OBJECTIVES AND ACTIVITIES (continued)

Lincolnshire

- Supporting the care and wellbeing of Early Years children within nursery provision
- Supporting school aged children in out of school childcare
- Advancing the education and training of persons providing care, education and recreational facilities
- Providing community-based play services that promote physical and mental wellbeing
- Promoting musical inclusion
- Supporting the voluntary and community sectors to engage in strategic partnerships that enhance and improve social welfare
- Supporting vulnerable families
- Reducing the likelihood of poverty by supporting the most vulnerable to develop their skills and improve their employability prospects
- Supporting those in rural communities at risk of loneliness and isolation
- Supporting the Covid mass vaccination programme
- Running a Charity shop. This has enabled us to support some vulnerable members of our community with low cost or free shoes, clothing, school uniform and other essential items.

Delivering Public Benefit

Our main activities and who we try to help are described below under Achievements and Performance. All our charitable activities focus on the promotion of the care and education of children, young people and adults and are undertaken to further our activities for public benefit. The Trustees have considered the Charity Commission guidance on delivering public benefit and believe that the Charity's objects are of public benefit.

By delivering responsive services that meet needs, the public sector also benefits. The Trustees have considered the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims.

Over twenty volunteers are actively engaged in supporting the work of the Charity through a range of services. The contribution made by volunteers is of significance and provides the bedrock of many of our services including delivery of contact centres across Lincolnshire, as well as providing support and additional resource in our childcare, services for children with complex needs, charity shop and fundraising as well as our governance arrangements. To demonstrate the value of our volunteers as an integral element of the Charity we ensure volunteers receive appropriate training, coaching and support as well as opportunity to develop skills and knowledge.

Our Values

Children's Links values are what we believe in. They guide our thinking and our decision-making. We navigate towards our vision whilst remaining true to these values and we aim to instil these values throughout our organisation.

Teamwork – We are a team where people unite behind a shared goal.

Pride – We have pride in our services and the quality of our work.

Respect – We hold our organisation, its values and its traditions in high esteem.

Openness – We believe in being open to new people, new ideas and new methods.

ACHIEVEMENTS AND PERFORMANCE

Covid-19

The services we deliver were all affected in different ways by Covid. However, all our staff worked hard to ensure that we continued to offer support to vulnerable children and families during the pandemic. We were also able to be responsive to meeting the new and additional needs of our beneficiaries.

Our childcare remained open throughout, providing support for the most vulnerable children. Many of our services were able to provide virtual support and find innovative ways to engage our service users within the changing guidelines. Other services worked closely with funders to agree changes to delivery and timescales to meet the new needs. Where necessary we utilised the furlough scheme.

Corporate objectives for 2020-2023 to be achieved by delivering the following:

Outcome 1: Increase the number of people benefitting from our services.

Outcome 2: Achieve a thriving and sustainable organisation

Outcome 3: Develop products and services to meet community needs

Outcome 4: Create attractive packages of support for our people

Outcome 5: Be a go to organisation for enabling services that make a positive difference.

The year ended 31 March 2022 has been a successful year for the Charity in promoting the care and education of children, young people and adults with excellent results across our key target areas.

In the field of Workforce and Sector Support the charity has:

- Supported 47 people into education or employment through our Move and Engagement into Learning Building Better Opportunities projects
- Provided intensive support to 10 young people to remain engaged in education or gain employment through our Career Net programme work with Year 11s.
- Supported 12 women to engage with education and training
- Provided support to over 50 vulnerable members of 4 rural communities through our outreach campervan project
- Engaged with over 80 partner organisations through the Children and Young People's Voluntary Sector Forum.

In the field of Children's Services, the charity has:

- Supported over 100 children to access positive community play experiences
- Provided positive play experiences at a specialist holiday scheme for 28 children with complex needs
- Supported over 2000 children through our Toy Library and developed our special needs provision by introducing a sensory room.
- Improved wellbeing for new mums and their babies through our Mum Fit programme, delivered in partnership with a physical wellbeing specialist.
- Supported nearly 200 children with separated parents, measurably improving outcomes for 81% of those on our ICFA programme.

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2022

ACHIEVEMENTS AND PERFORMANCE (continued)

In the field of Child Care services, the charity has:

- Generated £3,055 through grants and fundraising
- Developed and improved our outdoor play areas
- Rolled out an online learning system
- Provided welfare support to families and staff
- Successfully completed Early Health Care Plans for 3 children and started the process for several others
- Delivered intergenerational work supporting mental health, wellbeing and speech and language development
- Developed areas to provide safe, calming and engaging spaces for children with SEN

Coordinated by the Senior Management Team the group has been successful in:

- Engaging in wider community developments across Lincolnshire
- Securing a donation of new IT equipment
- Ensuring staff were supported and services continued to provide much needed help to children and families
- Developing new services and networks

Overall our target remains to increase the number of children and families benefitting from our services

	Target at 31 March 2022	Actual at 31 March 2022
Number of children, young people and families supported	3,870	5,390

Children's Links have focused on working with those who are most vulnerable, providing one to one support for individuals with high needs. We have been able to achieve higher numbers than targeted as a result of new services and numbers returning to normal sooner than anticipated following the lifting of Covid restrictions.

The figures do not include people supported through the mass vaccination programme.

Risk Management

The Board is responsible for the management of risks faced by the charity.

The Trustees review all risks to the organisation through the maintenance of an annual risk register and through strategic and business planning. These plans are reviewed quarterly to ensure that any emergent risks are dealt with appropriately. Internally, a robust cycle of financial and other controls ensure consistent delivery throughout the organisation. Detailed consideration of risk and mitigating action are addressed by the Board and supported by senior staff within the charity.

Key risks identified during the period were:-

Risk	Amelioration	Expected Outcome
Impact of Covid and lockdowns on income for nurseries, charity shop and fundraising	Marketing and other new business and grants to support recovery from Covid.	Diversification and re-engagement in services are replacing lost income.
Implementation of new service that included TUPE took longer than expected	Experienced team supporting implementation and working with funders and partners	Service now established and running effectively
Restructure due to CEO retiring.	Succession planning	Successful transition and new team in place

FINANCIAL REVIEW

Income, Expenditure and Results

Despite the difficult economic situation and Covid our income increased during the year from £1,484,000 to March 2021 to £2,219,000 for the year to March 2022. This was achieved despite the reduction in some services by developing others to meet the new needs. This enabled us to make a larger surplus than last year.

The Charity's subsidiary Linking Up Limited reported a decrease in turnover. The reduction in childcare voucher income was anticipated but the planned new business was not realised at the level expected.

Statement of Going Concern

Whilst recognising the difficulties due to the wider economic situation the Children's Links Board consider that the organisation is a Going Concern. This is based on the assumptions and actions of the last 12 months, as well as the forecast and new business opportunities over the next 12 months.

The Trustee Board has satisfied themselves that the charitable company's assets are available and adequate to fulfil its obligations.

CHILDREN'S LINKS

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2022

REASONS FOR FUTURE SUCCESS

We have produced a detailed Business Plan that indicates that the Company can generate a reasonable trading profit in the future. The Business Plan comprises Summarised Trading and Cashflow Projections, and Projected Balance Sheets for the Company for the year ending 31 March 2023.

We believe these are achievable based on

- Previous successes with new business
- New services that are now running successfully
- Effective systems and processes
- Good partnerships and networks

Reserves Policy

The Charity is an operational organisation and needs to hold sufficient reserves to fund its current operations, to provide for unforeseen events and invest for the future. The policy is monitored by the Trustees and is to hold reserves calculated on three months of central running costs.

Investment Policy

The Charity's investment policy is to maintain all cash funds in current and deposit accounts with the organisation's appointed bankers.

Plans for the Future

Within the next year we will be:

- Continuing to develop, improve and expand our existing services, with a focus on supporting the wellbeing of children and families post Covid.
- Continuing to work with partners and communities to ensure that we are able to deliver quality services that deliver positive outcomes.
- Reviewing our long-term plan during 2022-23 in order to ensure that we are able to continue to best meet the needs of vulnerable children and families in the future.
- Investigating ways to develop our income streams to reduce our reliance on restricted income and enable us to develop innovative new services for children and families.

RECRUITMENT AND TRAINING OF TRUSTEES

The company follows an appraisal process to identify the skills required for the Trustee Board and to identify any skills gap on the Board.

Members of the Trustee Board receive a full induction programme on joining the trustee board and thereafter receive ongoing training and briefing sessions. The Board completes an annual evaluation of its effectiveness against the Code of Governance, including a skills audit.

The Trustee Board uses open recruitment and strives to ensure that there is adequate local representation on it.

Four new trustees joined our Board in August 2022.

RECRUITMENT AND TRAINING OF TRUSTEES (continued)

Arrangements for setting the pay and remuneration of key management personnel

Job descriptions and performance plans provide a clear outline of what is needed to fulfil each role effectively.

Training and development needs are identified and acted on.

Salary scales are reviewed every three years to ensure that as far as is affordable they are keeping up with changes in the market.

Benefits are reviewed at least every three years to ensure that they are valued and relevant and are keeping up with changes in the market.

RESPONSIBILITIES OF THE TRUSTEES

The Trustees (who are also directors of Children's Links Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing those financial statements the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

CHILDREN'S LINKS

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2022

RESPONSIBILITIES OF THE TRUSTEES (continued)

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company and the Group's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITORS

Each of the persons who are Trustees at the time when this Trustees' report is approved, has confirmed that:

- So far as that Trustee is aware, there is no audit information of which the Group's auditor is unaware,
- That they have taken all the steps that ought to have been taken as a Trustee in order to be aware of any information needed by the Group's auditor in connection with preparing its report and to establish that the Group's auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CHILDREN'S LINKS

Opinion

We have audited the financial statements of Children's Links for the year ended 31 March 2022 which comprise the Consolidated Statement of Financial Activities (incorporating an Income and Expenditure Account), the Consolidated and Charity Balance Sheets, the Consolidated Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and the parent charitable company's affairs as at 31 March 2022, and of the Group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in respect of the fact we provide non-audit services in the preparation of these financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the parent charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the Trustees' report. The Trustees are responsible for this other information. Our opinion of the financial statements does not cover the other information and except to the extent otherwise explicitly stated in our report we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CHILDREN'S LINKS

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report, which includes the Directors' report and the Strategic report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report included within the Trustees' report have been prepared in accordance with the applicable legal requirements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charitable company has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Directors' report and take advantage of the small companies exemption from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out in the Trustees' report, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Firstly, our assessment of the risk applicable to the entity's financial statements from material misstatements, including fraud, is low. Consequently, the risks identified are primarily concerned with dominant influence by management, income recognition and classification as well as adequacy and completeness of the disclosure for related parties. In response, we have:

- Reviewed minutes of meetings of management and those charged with governance;
- Tested journal entries and other adjustments for appropriateness, evaluating the rationale behind transactions outside the normal course of activities;
- Vouched a sample of grants receivable to source documentation checking income recognition criteria as well as any restrictions for appropriate fund classification;
- Obtained related party grid responses from connected parties and reviewed transactions during the year for evidence of additional, unidentified related parties.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CHILDREN'S LINKS

Auditor's responsibilities for the audit of the financial statements (continued)

Whilst the procedures listed aid us in detecting irregularities, there exists the inherent difficulty in detecting irregularities, particularly those related to fraud. However, we believe the above risks to be the particular areas most susceptible to material misstatement.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation and consolidation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis and are presented in sterling, which is the functional currency of the Charity.

The Statement of Financial Activities (SOFA) and Balance Sheet consolidate the financial statements of the company and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis. No separate SOFA has been presented for the Charity alone as permitted by section 408 of the Companies Act 2006.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b) Going concern

The Children's Links Board consider that the organisation is a going concern. This is based on the following assumptions and actions that have been made in the last twelve months as well as the forecast and new business opportunities over the next twelve months. The charitable group generated a surplus of £38,000 in the year ended 31 March 2021 and a surplus of £147,000 for the year ended 31 March 2022.

The Trustee Board has satisfied themselves that the charitable company's assets are available and adequate to fulfil its obligations. The main sources of funding are:

- Local Authority Contracts
- Central Government
- European funds, including European Social Fund
- Grant making trusts
- Childcare Fees from parents
- Charitable donations

Further details regarding the future success of the organisation are given in the Trustee's report.

c) Legal status of the Charity

There is no share capital as the company is limited by guarantee. Each member has guaranteed an amount, not exceeding £10, towards the company's liabilities in the event of a winding up, provided that a member has not ceased to be a member one year prior to any winding up order.

CHILDREN'S LINKS

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies (continued)

d) Fund accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

e) Income

Income is recognised when the Charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Voluntary income – donations are accounted for as received, sponsorship income represents amounts receivable. Gifts in kind to the Charity are included at the value specified by the donor or, if this is not available, at what the estimated cost to the Charity would have been. Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the Charity has control over the item. Fair value is determined on the basis of the value of the gift to the Charity. For example the amount the Charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

Grants – grants are included as incoming resources when these are received/receivable. Government grants are recognised when the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably. Furthermore, any and all conditions attached to the grant will need to be met.

Income from trading activities includes income earned from activities to raise funds for the Charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred. Income from donated goods is recognised on sale of those goods.

f) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

g) Intangible assets – goodwill

Goodwill is the difference between amounts paid on the acquisition of a business and the fair value of the identifiable assets and liabilities. Goodwill arising on business combinations is capitalised, classified as an asset on the Balance sheet and amortised on a straight line basis over its useful life. The period chosen for writing off goodwill is 10 years, being its estimated useful life. Provision is made for any impairment.

1 Accounting policies (continued)

h) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Office equipment	20% straight line
Computer equipment	20% straight line & 33% straight line
Furniture	20% straight line
Vehicles	50% straight line

Assets are reviewed for any indications of impairment at each balance sheet date.

i) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Accrued income and tax recoverable are included at the best estimate of the amounts receivable at the balance sheet date.

j) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

k) Creditors

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due. Concessionary loans received at below market rates are received in order to further the charitable objectives of the organisation and are therefore included at the amount received and are not discounted.

l) Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

m) Pensions

Employees of the Charity are entitled to join a defined contribution pension scheme. The Charity contribution is restricted to the contributions disclosed in note 10.

n) Operating leases

Operating leases are recognised over the period of which the lease falls due.
