TRUSTEES' ANNUAL REPORT for the year ended 31st December 2024

The Trustees, who are also the directors of the charitable company, are pleased to present their report together with the financial statements of the charity for the year ended 31st December 2024, which comply with current statutory requirements, the memorandum and articles of association and the "Charities SORP (FRS 102)". Legal and administrative information are set out on page 1 and form part of this report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charitable company must maintain a register of members who are entitled to attend and vote at general meetings which must be held at least twice a year. New members are approved by the existing trustees and must sign the register of members or consent in writing to become a member. Members are entitled to attend general meetings. No resolution to appoint trustees shall be valid unless prior to the passing of the resolution, the chairman has received the written consent of not less than two-thirds of the Pilgrimage Directors. The charity has no specific procedures for the induction and training of trustees, but new trustees are given a summary of activities and duties and are offered training by Stone King. The board of trustees meet frequently basis via videoconference. The board appoints the management committee and the travel agents, is responsible for strategic issues, policies for safeguarding, risk, health and safety, investment policy, insurance and approves all charitable grants and adopts the annual report and accounts. The management committee are responsible for the detailed arrangements of the pilgrimage that takes place each year in August and meet regularly to settle the detailed arrangements for the pilgrimage and to review the results of the pilgrimage.

The major risks are: -

- in the handling of assisted pilgrims by inexperienced helpers; adequate insurance cover is obtained, training and supervision is provided, and the intention is that the seriously sick pilgrims are only handled by medically trained volunteers and/or trained and experienced helpers
- the proper safeguarding of children, young people and vulnerable adults; the charity's safeguarding policy has been formulated, a code of conduct issued and full training provided in line with CCSA.

OBJECTIVES AND ACTIVITIES

The charity endeavours to advance the Catholic faith by providing for and assisting poor, sick, disabled and infirm persons of all ages and in particular:-

- to help any such persons wishing to make a pilgrimage to the Shrine of Our Lady of Lourdes or to any other place of religious pilgrimage and
- to be financially responsible for the organisation of such a pilgrimage.

The charity recognises that many assisted pilgrims and some helpers need financial assistance with the fare and invites applications for help. The charity relies almost entirely on volunteers to organise, staff and run all departments necessary for the successful operation of the annual 7-day pilgrimage to Lourdes in August / September.

In planning activities for the year the trustees keep in mind the Charity Commission guidance on public benefit and whether they have complied with their duties under section 4 of the Charities Act 2011.

ACHIEVEMENTS AND PERFORMANCE

The trustees, with key members of the management committee, organised a very successful medically supported pilgrimage to Lourdes in 2024. Approximately 450 pilgrims came under the Catholic Association banner. A full programme of liturgies, processions, talks and other activities was arranged and enjoyed. Those that came reported that it was week full of grace, both for those present, and for those who followed virtually.

The results show an excess of expenditure over income of £55,902 (2023 – £32,867) from activities and losses of £3,708 (2023 – losses of £1,975) arising from disposals and the revaluation of investments making an overall deficit of £59,610. The portfolio is reviewed regularly in conjunction with the external advisors. Interest received on deposit balances remains low. The market value of investments is more than their historical cost and this is reflected in the revaluation reserve shown under The Funds of the Charity on the Balance Sheet.

TRUSTEES' ANNUAL REPORT for the year ended 31st December 2023 (continued)

FINANCIAL REVIEW

The trustees have examined the requirement for reserves and consider that its reserves should be maintained at their present level to allow financial assistance to the assisted pilgrims and also to some helpers and nurses. The Charity is providing increasing financial support to ensure the attendance of key health professionals and others on the pilgrimage whilst, at the same time individual dioceses are unable to guarantee their ability to finance them. The trustees undertake to review this policy annually and to take into consideration the changing financial needs of the pilgrimage and the requirements of the Charity Commission.

Apart from investment income, the charity relies on donations and fundraising efforts by its supporters and on the levy collected from pilgrims.

Under the memorandum and articles of association, the charity has the power to make any investment that the trustees see fit. The policy of the charity is to operate at break-even, to plough back any surplus actually made and to invest this on the stock market, when conditions are deemed right. Instructions to brokers are to maintain a balance between capital appreciation and dividend income

PLANS FOR FUTURE PERIODS

The Trustees, with the Heads of Service, are planning a fully medically supported pilgrimage to Lourdes for 2024. In order to further reinvigorate the pilgrimage again, and to counter the increasing obstacles to pilgrimages (rising travel and accommodation costs, post Brexit insurance and medical issues, scarcity of charter flight opportunities, rising concern over environmental issues), the trustees have taken a number of new initiatives, including improving communications, and committing funds to subsidising a limited number of places for targeted key groups, namely assisted pilgrims, experienced and youth helpers, nurses and doctors. The trustees are actively looking to the future, assessing different ways to achieve their charitable objects in a changing world.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charitable company and of its surplus or deficit for that period. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue to operate.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDIT EXEMPTION

The company has taken advantage of the exemption under section 477 of the Companies Act 2006 relating to small companies and these financial statements are therefore unaudited.

NOTES TO THE ACCOUNTS

for the year ended 31st December 2024

1. ACCOUNTING POLICIES

- (a) **Basis of Accounting**
 The accounts have been prepared under the historical cost convention, as modified by the inclusion of fixed asset investments at market value and in accordance with the Companies Act 2006 and follow the recommendations of the Charity Commission in "Charities SORP (FRS 102)".
 In common with many other charitable companies of our size we use our accountants to assist with the preparation of the financial statements.
- (b) Voluntary income is received by way of donations, gifts and legacies and is included in full when receivable.
- (c) Resources expended are recognised in the period in which they are incurred.
- (d) Costs are allocated directly to the applicable category. There are no apportionments of overheads. Support costs to dioceses represent actual financial contributions to them to promote the pilgrimage in their dioceses.
- (e) Stock comprises:-
 - pilgrimage badges which are valued at the lower of cost and net realisable value
 - shirts loaned to male brancardiers for use during the pilgrimage which are deemed to have a useful life of 3 years and written off over that period.
- (f) **Fixed assets**
 The vault at Lourdes is shown at the value it was assumed from The Catholic Association Pilgrimage Trust - no depreciation will be charged on this asset.
- (g) Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the Statement of Financial Activities.
- (h) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without specified purpose and are available as general funds.
- (i) Restricted funds are to be used for specific purposes when raised for that particular restricted purpose. Expenditure, which meets these criteria, is charged to the fund.
- (j) Provision for corporation tax is unnecessary as the company is a registered charity. Gift Aid tax is recoverable on donations. VAT is not recoverable on the charity's expenditure.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE CATHOLIC ASSOCIATION

TRUSTEES' ANNUAL REPORT for the year ended 31st December 2023

The Trustees, who are also the directors of the charitable company, are pleased to present their report together with the financial statements of the charity for the year ended 31st December 2023, which comply with current statutory requirements, the memorandum and articles of association and the "Charities SORP (FRS 102)".

Legal and administrative information are set out on page 1 and form part of this report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charitable company must maintain a register of members who are entitled to attend and vote at general meetings which must be held at least twice a year. New members are approved by the existing trustees and must sign the register of members or consent in writing to become a member. Members are entitled to attend general meetings. No resolution to appoint trustees shall be valid unless prior to the passing of the resolution, the chairman has received the written consent of not less than two-thirds of the Pilgrimage Directors. The charity has no specific procedures for the induction and training of trustees, but new trustees are given a summary of activities and duties and are offered training by Stone King. The board of trustees meet frequently basis via videoconference. The board appoints the management committee and the travel agents, is responsible for strategic issues, policies for safeguarding, risk, health and safety, investment policy, approves all charitable grants and adopts the annual report and accounts. The management committee are responsible for the detailed arrangements of the pilgrimage that takes place each year in August and meet regularly to settle the detailed arrangements for the pilgrimage and to review the results of the pilgrimage.

The major risks incurred are:-

- in the handling of assisted pilgrims by inexperienced helpers; whilst adequate insurance cover is obtained, training and supervision is provided, and the intention is that the seriously sick pilgrims are only handled by trained and experienced helpers
- the proper safeguarding of children, young people and vulnerable adults; the charity's safeguarding policy has been formulated, a code of conduct issued and full training provided in line with CCSA.

OBJECTIVES AND ACTIVITIES

The charity endeavours to advance the Catholic faith by providing for and assisting poor, sick, disabled and infirm persons of all ages and in particular:-

- to help any such persons wishing to make a pilgrimage to the Shrine of Our Lady of Lourdes or to any other place of religious pilgrimage and
- to be financially responsible for the organisation of such a pilgrimage.

The charity recognises that many assisted pilgrims and some helpers need financial assistance with the fare and invites applications for help. The charity relies almost entirely on volunteers to organise, staff and run all departments necessary for the successful operation of the annual 7-day pilgrimage to Lourdes in August / September.

In planning activities for the year the trustees keep in mind the Charity Commission guidance on public benefit and whether they have complied with their duties under section 4 of the Charities Act 2011.

ACHIEVEMENTS AND PERFORMANCE

The trustees, with key members of the management committee, organised a very successful medically supported pilgrimage to Lourdes in 2023. Approximately 400 pilgrims came under the Catholic Association banner (one of the largest pilgrim groups in Lourdes at the time). A full programme of liturgies, processions, talks and other activities was arranged and enjoyed. Those that came reported that it was week full of grace, both for those present, and for those who followed virtually.

The results show an excess of expenditure over income of £32,867 (2022 – £16,719) from activities and losses of £1,975 (2022 – losses of £17,194) arising from disposals and the revaluation of investments making an overall deficit of £34,842. The portfolio is reviewed regularly in conjunction with the external advisors. Interest received on deposit balances remains low. The market value of investments is more than their historical cost and this is reflected in the revaluation reserve shown under The Funds of the Charity on the Balance Sheet.

THE CATHOLIC ASSOCIATION

TRUSTEES' ANNUAL REPORT for the year ended 31st December 2023 (continued)

FINANCIAL REVIEW

The trustees have examined the requirement for reserves and consider that its reserves should be maintained at their present level to allow financial assistance to the assisted pilgrims and also to some helpers and nurses. The Charity is providing increasing financial support to ensure the attendance of key health professionals and others on the pilgrimage whilst, at the same time individual dioceses are unable to guarantee their ability to finance them. The trustees undertake to review this policy annually and to take into consideration the changing financial needs of the pilgrimage and the requirements of the Charity Commission.

Apart from investment income, the charity relies on donations and fundraising efforts by its supporters and on the levy collected from pilgrims.

Under the memorandum and articles of association, the charity has the power to make any investment that the trustees see fit. The policy of the charity is to operate at break-even, to plough back any surplus actually made and to invest this on the stock market, when conditions are deemed right. Instructions to brokers are to maintain a balance between capital appreciation and dividend income

PLANS FOR FUTURE PERIODS

The Trustees, with the Heads of Service, are planning a fully medically supported pilgrimage to Lourdes for 2024. In order to further reinvigorate the pilgrimage again, and to counter the increasing obstacles to pilgrimages (rising travel and accommodation costs, post Brexit insurance and medical issues, scarcity of charter flight opportunities, rising concern over environmental issues), the trustees have taken a number of new initiatives, including improving communications, and committing funds to subsidising a limited number of places for targeted key groups, namely assisted pilgrims, experienced and youth helpers, nurses and doctors. The trustees are actively looking to the future, assessing different ways to achieve their charitable objects in a changing world.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charitable company and of its surplus or deficit for that period. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue to operate.

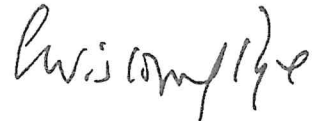

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDIT EXEMPTION

The company has taken advantage of the exemption under section 477 of the Companies Act 2006 relating to small companies and these financial statements are therefore unaudited.

NOTES TO THE ACCOUNTS

for the year ended 31st December 2023

1. ACCOUNTING POLICIES

(a) Basis of Accounting

The accounts have been prepared under the historical cost convention, as modified by the inclusion of fixed asset investments at market value and in accordance with the Companies Act 2006 and follow the recommendations of the Charity Commission in "Charities SORP (FRS 102)".

In common with many other charitable companies of our size we use our accountants to assist with the preparation of the financial statements.

(b) Voluntary income is received by way of donations, gifts and legacies and is included in full when receivable.

(c) Resources expended are recognised in the period in which they are incurred.

(d) Costs are allocated directly to the applicable category. There are no apportionments of overheads. Support costs to dioceses represent actual financial contributions to them to promote the pilgrimage in their dioceses.

(e) Stock comprises:-

- pilgrimage badges which are valued at the lower of cost and net realisable value
- shirts loaned to male brancardiers for use during the pilgrimage which are deemed to have a useful life of 3 years and written off over that period.

(f) Fixed assets

The vault at Lourdes is shown at the value it was assumed from The Catholic Association Pilgrimage Trust - no depreciation will be charged on this asset.

(g) Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the Statement of Financial Activities.

(h) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without specified purpose and are available as general funds.

(i) Restricted funds are to be used for specific purposes when raised for that particular restricted purpose. Expenditure, which meets these criteria, is charged to the fund.

(j) Provision for corporation tax is unnecessary as the company is a registered charity. Gift Aid tax is recoverable on donations. VAT is not recoverable on the charity's expenditure.

2. LEGAL STATUS OF CHARITY

The charity is a company limited by guarantee and has no share capital. The liability of each member is limited to £1.

TRUSTEES' ANNUAL REPORT for the year ended 31st December 2022

The Trustees, who are also the directors of the charitable company, are pleased to present their report together with the financial statements of the charity for the year ended 31st December 2022, which comply with current statutory requirements, the memorandum and articles of association and the "Charities SORP (FRS 102)". Legal and administrative information are set out on page 1 and form part of this report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charitable company must maintain a register of members who are entitled to attend and vote at general meetings which must be held at least twice a year. New members are approved by the existing trustees and must sign the register of members or consent in writing to become a member. Members are entitled to attend general meetings. No resolution to appoint trustees shall be valid unless prior to the passing of the resolution, the chairman has received the written consent of not less than two-thirds of the Pilgrimage Directors. The charity has no specific procedures for the induction and training of trustees, most trustees having been on the board or members of the management committee for many years. During 2021 the board of trustees met on frequent basis via videoconference and will continue to do so until circumstances allow face to face meetings to resume. The board appoints the management committee and the travel agents, is responsible for investment policy, approves all charitable grants and adopts the annual report and accounts. The management committee are responsible for the detailed arrangements of the pilgrimage that takes place each year in August and meet in April to settle the detailed arrangements for the pilgrimage and again in October to review the results of the pilgrimage.

The major risks incurred are:-

- in the handling of assisted pilgrims by inexperienced helpers; whilst adequate insurance cover is obtained, training is provided and the intention is that the seriously sick pilgrims are only handled by trained and experienced helpers
- the proper safeguarding of children, young people and vulnerable adults; the charity's safeguarding policy has been formulated, a code of conduct issued and full training provided in line with CCSA.

OBJECTIVES AND ACTIVITIES

The charity endeavours to advance the Catholic faith by providing for and assisting poor, sick, disabled and infirm persons of all ages and in particular:-

- to help any such persons wishing to make a pilgrimage to the Shrine of Our Lady of Lourdes or to any other place of religious pilgrimage and
- to be financially responsible for the organisation of such a pilgrimage.

The charity recognises that many assisted pilgrims and some helpers need financial assistance with the fare and invites applications for help. The charity relies entirely on volunteers to organise, staff and run all departments necessary for the successful operation of the annual 7-day pilgrimage to Lourdes in August / September.

In planning activities for the year the trustees keep in mind the Charity Commission guidance on public benefit and whether they have complied with their duties under section 4 of the Charities Act 2011.

ACHIEVEMENTS AND PERFORMANCE

The trustees, with key members of the management committee, organised a very successful pilgrimage to Lourdes in 2022. Given the continuing effects of the pandemic, on advice the trustees had decided that it could not be a medically supported week. Nevertheless, approximately 250 pilgrims came under the Catholic Association banner (one of the largest pilgrim groups in Lourdes at the time). A full programme of liturgies, processions, talks and other activities was arranged and enjoyed. Those that came reported that it was week full of grace, both for those present, and for those who followed virtually.

The results show an excess of expenditure over income of £16,719 (2021 – £7,040) from activities and losses of £17,194 (2021 – gains of £19,911) arising from disposals and the revaluation of investments making an overall deficit of £33,913. The portfolio is reviewed regularly in conjunction with the external advisors. Interest received on deposit balances remains low. The market value of investments is more than their historical cost and this is reflected in the revaluation reserve shown under The Funds of the Charity on the Balance Sheet.

FINANCIAL REVIEW

The trustees have examined the requirement for reserves and consider that its reserves should be maintained at their present level to allow financial assistance to the assisted pilgrims and also to some helpers. The Charity is providing increasing financial support to ensure the attendance of key health professionals and others on the pilgrimage whilst, at the same time individual dioceses are unable to guarantee their ability to finance them. The trustees undertake to review this policy annually and to take into consideration the changing financial needs of the pilgrimage and the requirements of the Charity Commission.

Apart from investment income, the charity relies on donations and fundraising efforts by its supporters and on the levy collected from pilgrims.

Under the memorandum and articles of association, the charity has the power to make any investment that the trustees see fit. The policy of the charity is to operate at break-even, to plough back any surplus actually made and to invest this on the stock market, when conditions are deemed right. Instructions to brokers are to maintain a balance between capital appreciation and dividend income

PLANS FOR FUTURE PERIODS

The Trustees, with the Heads of Service, are planning a fully medically supported pilgrimage to Lourdes for 2023. In order to reinvigorate the pilgrimage after the pandemic, and to counter the increasing obstacles to pilgrimages (rising travel and accommodation costs, post Brexit insurance and medical issues, scarcity of charter flight opportunities, rising concern over environmental issues), the trustees have taken a number of new initiatives, including sourcing part-time administrative assistance, improving communications, and committing funds to subsidising a limited number of places for targeted key groups, namely assisted pilgrims, experienced and youth helpers, nurses and doctors. The trustees are actively looking to the future, assessing different ways to achieve their charitable objects in a changing world.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the charitable company and of its surplus or deficit for that period. In doing so the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue to operate.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDIT EXEMPTION

The company has taken advantage of the exemption under section 477 of the Companies Act 2006 relating to small companies and these financial statements are therefore unaudited.

NOTES TO THE ACCOUNTS

for the year ended 31st December 2022

1. ACCOUNTING POLICIES

(a) Basis of Accounting

The accounts have been prepared under the historical cost convention, as modified by the inclusion of fixed asset investments at market value and in accordance with the Companies Act 2006 and follow the recommendations of the Charity Commission in "Charities SORP (FRS 102)".

In common with many other charitable companies of our size we use our accountants to assist with the preparation of the financial statements.

- (b) Voluntary income is received by way of donations, gifts and legacies and is included in full when receivable.
- (c) Resources expended are recognised in the period in which they are incurred.
- (d) Costs are allocated directly to the applicable category. There are no apportionments of overheads. Support costs to dioceses represent actual financial contributions to them to promote the pilgrimage in their dioceses.
- (e) Stock comprises:-
- pilgrimage badges which are valued at the lower of cost and net realisable value
 - shirts loaned to male brancardiers for use during the pilgrimage which are deemed to have a useful life of 3 years and written off over that period.
- (f) Fixed assets
The vault at Lourdes is shown at the value it was assumed from The Catholic Association Pilgrimage Trust - no depreciation will be charged on this asset.
- (g) Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the Statement of Financial Activities.
- (h) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without specified purpose and are available as general funds.
- (i) Restricted funds are to be used for specific purposes when raised for that particular restricted purpose. Expenditure, which meets these criteria, is charged to the fund.
- (j) Provision for corporation tax is unnecessary as the company is a registered charity. Gift Aid tax is recoverable on donations. VAT is not recoverable on the charity's expenditure.
