**THE C. & J. B. MORRELL TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2021**

The Trustees present their annual report together with the financial statements of the Trust for the year ended 5 April 2021. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2019.

**Structure, Governance and Management**

The Trust is a charity created by a Declaration of Trust 29 June 1955 and a Deed of Trust dated 28 May 1956 supplemental to the earlier Declaration.

The Trust Deed provides for a maximum of six trustees. Where there is a requirement for new trustees, these would be identified and appointed by the remaining trustees. The Secretary is responsible for the induction of any new trustee which involves awareness of a trustee's responsibilities, the governing documents, administrative procedures, the history and approach of the Trust. A new Trustee would receive copies of the previous year's annual report and accounts and a copy of the Charity Commission leaflet 'The Essential Trustee: What You Need to Know'. The existing trustees have held office for several years.

The Trustees have assessed the major risks to which the Trust is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to mitigate the exposure to those risks. To date, these have related mainly to investment management and these have been mitigated by diversified portfolio management undertaken by the Trust's stockbrokers. The Trustees are aware of the risks associated with making grants (for example fraud and charities seeking two grants for the same project) but these risks are managed by the Trustees' own detailed knowledge of the relevant organisations and the careful assessment of any requests received.

The Trustees determine the general policy of the Trust. The day to day management of the trust is delegated to the Chairman and Secretary.

As disclosed elsewhere in this report ('Achievements and Performance'), and in Note 6 to the accounts, the Trustees renewed their existing gift agreement with the University of York. Professor Matt Matravers (trustee) is also employed by the University but does not benefit personally from this grant arrangement. All of the Trustees give their time voluntarily and receive no benefits from the Trust. Any expenses reclaimed from the Trust are set out in Note 2 to the accounts.

**THE C. & J. B. MORRELL TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2021**

**Objectives and Activities**

The Trust was established to promote education. In particular, the promotion, development, improvement, maintenance or furtherance of any educational establishment which may have been founded with a view to the creation of the University of York, or for the benefit of such other educational bodies as the Trustees may think fit. The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant-making policy for the year.

The Founders expressed the wish that, if possible, the Trust should fund, or support the funding of, a Chair for the study of Toleration, preferably at the University of York, and that the Trustees should endeavour to support and encourage those charitable objectives which the general public would be less likely to support.

For many years, the Trustees have provided substantial funds for 'The Morrell Centre on Toleration' which is a "free standing" centre at the University of York. In recent years, funds have been used for; a grant to be administered by the University of York's 'Justice and Equality' Research Champion; the University of York's 'Festival of Ideas' to fund a day on toleration; the Ebor Lectures; and other applications as decided by the Trustees.

The Trustees meet annually to decide upon the financial support which they are able to provide to the University of York and to any other bodies that have requested grants.

Where funds permit, the Trustees also make grants to other charitable educational bodies which they consider fall within the provisions of the Trust Deed, and the Founders' declared wishes. Financial circumstances are relevant only in determining the amount of a grant awarded.

The Trustees believe they have complied with the duty in section 17 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission in respect of public benefit.

**Achievements and Performance**

In common with most charitable organisations, the restrictions introduced by the UK government in order to control the spread of the covid-19 coronavirus ('the pandemic') affected the Charity's activities during the year under review. The effects on the Trust were largely financial, details of which are included elsewhere in this report.

Due to the pandemic-related social distancing restrictions in place, the Trustees met remotely for the purpose of initiating a strategic review of the Charity's affairs in order to ensure that it remains fit for purpose in the coming years. It was decided that this review will include identifying any new causes worthy of support which are consistent with the Founders' vision, the priorities for future grant-making and the recruitment of new trustees.

**THE C. & J. B. MORRELL TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2021**

**Achievements and Performance (contd.)**

The Trust agreed to an extension of the existing gift agreement for the academic years 2019/20 and 2020/21, subject to an annual review, for an annual grant of a total of £50,000 to fund the Morrell Centre for Legal and Political Theory (£20,000); research funded by the Justice and Equality Research Champion (£20,000); and the University of York's 'Festival of Ideas' (£10,000). In light of the COVID-19 situation, the Trust agreed to a single year extension for 2021/22 of £10,000 only to fund the Festival of Ideas. In addition, the Trust agreed in 2020 to continue its annual funding of £4,000 for a period of four further years, to the Faculty of Education and Theology at York St John University of the Ebor Lectures Partnership.

**Financial Review**

The Trustees do not seek, nor do they normally expect to receive, further funding from outside sources. Therefore, the Trustees hold reserves primarily as an investment fund to generate income and ensure the stability of the grant-making programme funded by it. The recent level of grant-making activity required an annual income in the range of £60,000 to £80,000. The unrestricted reserves (regarded as 'free reserves') held at 5 April 2021 were £2,986,428, and the underlying investments and cash balances held by the Charity during the period review generated an annual income of £65,261. The Trustees consider the current level of free reserves held, therefore, to be sufficient but not excessive.

The investment powers are governed by the Trust Deed, which permits the funds to be invested at the absolute discretion of the Trustees. The Trustees have set a policy that the Unrestricted Funds ('free reserves') should be invested so as to retain a reasonable liquidity to meet grant requirements, and thereafter to keep a balance between income and capital growth with medium risk level.

The Trust's Stockbrokers manage the Trust's investments in accordance with a discretionary management agreement, reporting regularly to the Trustees. The Stockbrokers charge a fee, quarterly in arrears, based on the value of the investment portfolio ranging from 0.5% for the first £2,000,000 to 0.3% on the balance over £2 million.

Under the Stockbrokers' management, the portfolio produced a total return of +32.4% during the year as the global stock markets continued to recover from the pandemic-related sell-off during February and March 2020. All of the reduction in capital value suffered by the Charity in 2020 had been recovered by April 2021. The Trustees have chosen not to adopt formal ethical investment policies.

**THE C. & J. B. MORRELL TRUST**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 5 APRIL 2021**

**Plans for the Future**

The Trustees continue to assess the impact of the ongoing pandemic on the future aims and activities of the Charity. The Trustees are cautiously optimistic that more dividends will be reinstated in the investment portfolio, as corporate earnings gradually return to pre-pandemic levels, which will enhance the scope for future grant-making.

As stated elsewhere in this report, the Trustees have started a strategic review of the Trust's affairs which they hope to progress once the state of the pandemic allows for safer face-to-face meetings to be held.

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements each financial year which give a true and fair view of the state of affairs of the Charity as at the end of the year and its financial activities during the year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards). In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- follow applicable UK Accounting Standards and the Charities SORP, disclosing and explaining any departures in the accounts;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to operate

The Trustees are responsible for ensuring that adequate accounting records are maintained that are sufficient to show and explain the Charity transactions and disclose with reasonable accuracy at any time the financial position of the Charity, and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and ensuring their proper application in accordance with charity law, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the Trustees

N C Morrell  
*Chairman*

### **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE C. & J. B. MORRELL TRUST**

I report to the trustees on my examination of the accounts of The C. & J.B. Morrell Trust (the Trust) for the year ended 5 April 2021.

This report is made solely to the Charity's Trustees, as a body, in accordance with Section 154 of the Charities Act 2011. My independent examination work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my independent examination work, for this report, or for the opinions I have formed.

#### **Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**THE C. & J. B. MORRELL TRUST**  
**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 5 APRIL 2021**

**1. ACCOUNTING POLICIES**

**Legal entity**

The C. & J. B. Morrell Trust is regulated by the Charities Commission (1071220). The registered address and principal place of business is 54 Bootham, York, YO30 7XZ.

**Basis of preparation**

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2019.

The Trust constitutes a public benefit entity as defined by FRS 102.

As described in the Trustees' Annual Report, special consideration has been given to the potential effects of the Covid-19 pandemic on the Charity. The Trustees have considered the future financial position, taking into account the current economic climate and its potential impact on sources of income and planned expenditure. They have a reasonable expectation that adequate financial resources are available to enable the Charity to continue in operational existence for the foreseeable future, and have adequate contingency plans in the event that income streams are reduced. Consequently, the financial statements have been prepared on the basis that the Charity is a going concern.

**Funds structure**

The unrestricted income fund comprises those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

**Income recognition**

All incoming resources are recognised once the Charity has entitlement to the resources, it is probable that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

**Expenditure**

*Raising funds*

These are the costs incurred in the management of the Trust's investment portfolio.

*Charitable activities*

Grants are payments made to third parties in the furtherance of the charitable objectives of the Trust and are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of the Trust.

The other costs are associated directly with the management by the Trustees of the Trust's activities, including professional fees and costs of meetings.

## **THE C. & J. B. MORRELL TRUST**

### **NOTES TO THE ACCOUNTS - CONTINUED FOR THE YEAR ENDED 5 APRIL 2021**

#### **1. ACCOUNTING POLICIES (continued)**

##### **Irrecoverable VAT**

The Trust is not VAT registered and accordingly all expenditure is shown gross of irrecoverable VAT where applicable.

##### **Fixed asset investments**

Investments are stated at market value as at the balance sheet date.

The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

##### **Realised gains and losses**

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value.

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

##### **Creditors and provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

##### **Financial instruments**

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### **2. REMUNERATION AND EXPENSES OF TRUSTEES**

None of the Trustees received any remuneration or benefits by virtue of being a trustee of the Trust. Trustees were reimbursed £nil (2020 £501) for travelling expenses to trustee meetings. No expenses were reimbursed to Trustees (2020 three).
