## Activities

---

**Objects:** PROVISION AND MAINTENANCE OF AN OPEN SPACE TO BE KNOWN AS A MILLENNIUM GREEN FOR THE GENERAL BENEFIT OF THE COMMUNITY

**Activities:** Created as one of the Millennium Greens, the park is an area of natural space within the city. It is managed by the community, for the community and its visitors. The park provides a mixture of wildlife habitats with paths, seating, viewing platform and a community performance area. There are also fruit trees, soft fruit bushes and a herb garden for the community to take advantage of.
