Notes to the Accounts **For the Year ending 31st March 2022**

1) Principal Accounting policies

1.1 The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (FRSSE), effective January 2005, and all other applicable accounting standards, as modified by the 2005 Revision of the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, effective April 2005. The accounts have been drawn up in accordance with the provisions of the Charities Act and the Companies Act.

Insofar as the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England and Wales, effective April 2005 requires compliance with specific Financial Reporting Standards other than the FRSSE then the specific Financial Reporting standards have been followed where their requirements differ from those of the FRSSE.

Advantage has been taken of paragraph 3(3) of Schedule 4 of the Companies Act 1985 to allow the format of the financial statements to be adapted to reflect the special nature of the company's operation.

The company has taken advantage of the exemption in the Financial Reporting Standard No 1 from the requirement to produce a cash flow statement.

The particular accounting policies adopted are set out below.

1.2 Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention.

The charity is entirely dependant on continuing grant aid and as a consequence the going concern basis is also dependant on the continuing grant aid.

1.3 Incoming Resources

Incoming resources are accounted for on an accrual basis except donation income which is recognised when received.

1.4 Investment Income

Bank Interest received is included on a receivable basis.

1.5 Recognition of liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and Reporting (effective April 2005) issued by the Charity Commissioners for England & Wales.

1.6 Resources Expended

The policy for including items within the relevant activity categories of resources expended is as soon as there is a legal and constructive obligation committing the charity to the expenditure as described in Financial Reporting Standards 5 and 12.

All Wales Forum of Parents and Carers of People with Learning Disabilities

Notes to the Accounts **For the Year ending 31st March 2022**

1.7 Fixed assets and depreciation

All tangible fixed assets are stated at cost less depreciation

Items of less than £100 are not capitalised.

Depreciation has been provided at the following rates in order to write off the assets (less their expected residual value) over their estimated useful economic lives.

Equipment - 25% Straight line per annum

1.8 Capital grants

The board of trustees consider that, in order to comply with the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales (effective October 2005), gifts of tangible fixed assets or grants of a capital nature given for specific purposes and fully utilised in the furtherance of the objects of the charity should be credited to the relevant fixed asset fund after the sums have been properly expended on the restricted purpose. The related asset is shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

1.9 Funds structure policy

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Restricted funds have been provided to the charity for particular purposes, and it is policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

A fixed asset fund is maintained which represents the written down value of tangible fixed assets, and is divided into a restricted fixed asset fund representing the written down value of those assets subject to restrictions, with the balance being in a designated fund representing the written down value of those assets free of restrictions. The detailed operation of these funds is described under the accounting policy 'Capital grants'.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.
