**OBJECTIVES AND ACTIVITIES**

The company is a charity, the objects of which are the advancement of public education and training in the fields of marine radio, electronics, telecommunications, radar, and electronic navigational systems and to hold and conduct such examinations as should be necessary to test or determine the skill and efficiency of persons presenting themselves for such examinations.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning our future activities.

**ACHIEVEMENTS AND PERFORMANCE** (*continued*)

The Executive Committee met in February, March, May, September and December 2022 via Zoom. The AGM also take place via Zoom due to COVID-19. All Executive Committee meetings dealt with items relating to the operation of the company.

The Maritime Consultation Group (MCG) which sits as an Open Session of the Executive Committee is still working well. The Executive Open Session receives reports from the Chief Examiner and has overall responsibility for the examination QA system. The revised course and examination audit system is running well.

**FINANCIAL REVIEW - RESERVES POLICY**

1. The Association requires financial reserves for three purposes:
  - i. to be able to fund the start-up or operational costs for any project that could not be supported out of annual income;
  - ii. to allow the Association to continue its charitable activities by providing a level of investment income that will partly compensate for the anticipated decrease in future income expected from its GMDSS examination services;
  - iii. to provide a contingency fund that will enable the Association to carry out any exceptional cost-bearing actions associated with its examination service quality assurance responsibilities.
2. The level of reserves required for the Association to meet its obligations under paragraph 1. above is circa £300k. Circa £250k will be held on long-term deposit or invested to produce an investment income (see 1.ii. above). Circa £50k will be held on short-term deposit to allow any annual expenditure required for activities under 1.i. and 1.iii. Free reserves at the year end were £309,275 (2021: £318,886).
3. The Association will prudently control its revenue expenditure in order to ensure an annual operating surplus can be maintained if possible. This will be achieved by setting a phased income and expenditure budget before the beginning of the financial year and monitoring the revenue budget and predicted surplus at quarterly meetings of the Board of Directors.
4. In the event of no other major income generating activity being forthcoming, which is currently being provided through its examination services, the Association intends using its investment income to supplement other minor forms of income, such as supplementary subscriptions, in order to continue with its charitable activities.
5. This policy will be reviewed annually and any proposals for change discussed and approved at the annual general meeting.

Following Government Coronavirus advice at the beginning of the year, the risk to public safety and cost savings all meetings and the AGM were held via Zoom in 2022.

---

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2022 which are set out on pages 6 to 12.

**Responsibilities and basis of report**

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
