Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the management of its investments and finances, and are satisfied that the systems in place sufficiently manage its exposure to those risks.

Public Benefit

The trustees have considered the Charity Commission's guidance on public benefit and believe that the objects and activities undertaken by the charity meet this guidance.

Object, Organisation and Activities

The object of the Charity is to promote and benefit inhabitants of the city of Peterborough and its outlying districts and in particular those persons who are African Caribbean or of African Caribbean descent, and to do this without distinction of gender, religious or other opinions, by associating together with local statutory and voluntary agencies, and other individuals and groups within the area of benefit in a common effort to advance education and to provide or assist in the provision for recreation and other leisure time activities in the interest of social welfare and so that the conditions of life for the said persons may be enhanced.

Further to secure the establishment of a Community Centre and to maintain and manage the same in furtherance of these objects.

Finances and reserves

Peterborough City Council owns the Millennium Centre, however the Forum Management Committee has sole responsibility for the management of the building and has done since moving into the building in April 2000. During the current period there have been discussions with the local authority with the view of the Forum taking a long lease, 50 years, on the building and thus taking full control of the asset. In those talks and in all other matters relating to the centre volunteers are important and play a vital role. As with all other community centres, the local authority do not provide any grant aid nor levy any rental charges. Along with the discussions regarding the lease there have also been communications with Peterborough City Council that they are looking into the effects of charging business rates on community centres.

Mr W Moore (Chairman)
On behalf of the Trustees.

AFRICAN CARIBBEAN FORUM
Independent Examiner's Report

I report on the financial statements of the African Caribbean Forum for the year ended 31 March 2025, which are set out on pages 4 to 10.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

AFRICAN CARIBBEAN FORUM
Notes to the financial statements
FOR THE YEAR ENDED 31 MARCH 2025

1 Summary of significant accounting policies

1.1 General information

African Caribbean Forum is an unincorporated charity registered in England and Wales. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are the promotion and management of the community centre.

1.2 Basis of preparation

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.3 Restricted Funds

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Unrestricted Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

1.5 Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

AFRICAN CARIBBEAN FORUM
Notes to the financial statements (continued)
FOR THE YEAR ENDED 31 MARCH 2025

1.5 Income recognition continued

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

Where practical, gifts in kind donated for distribution to the beneficiaries of the charity are included in stock and donations in the financial statements upon receipt. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh any benefits, then the fair value is recognised as a component of donations when it is distributed and an equivalent amount recognised as charitable expenditure.

Fixed asset gifts in kind are recognised when receivable and are included at fair value. They are not deferred over the life of the asset.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

1.6 Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Costs of raising funds includes costs of applying for grants and other fundraising events held by the charity.

Expenditure on charitable activities includes the administration of bookings, upkeep, servicing and maintenance costs relating to the community centre; and

Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

1.7 Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Equipment 25% reducing balance

1.8 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.9 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Notes to the financial statements (continued)
FOR THE YEAR ENDED 31 MARCH 2025

1.10 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

1.11 Leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.
