An explanation as to those factors that support the conclusion that the charity is a going concern;	At the time of approving the charity accounts, the trustees have reasonable expectation that the charity has adequate resources to continue as a going concern. I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2022.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

BEHT Annual Report April 2021 to March 2022

Reserves Policy:

BEHT does not employ staff or own property. The trustees undertake all the work voluntarily for which they do not claim any remuneration or personal expenses. The funds donated are for specific purposes related to BEHT's objectives, and BEHT ensures that they are expended for those purposes as soon as is practicable. There is therefore no necessity for the trustees to hold unrestricted reserves. As a rule, restricted funds are also not held for long periods of time.

Grant Making Policy:

The Trustees raise funds and make grants to other charities in line with BEHT's charitable objectives in India.

Charity's activities and achievements during the year:

From March 2020, covid 19 virus has had a devastating effect on every aspect of life for everyone throughout the world. UK, like many other countries, went into a lockdown to prevent Coronavirus spreading. All activities came to a standstill and almost everyone was working from home until July 2021. After August, the lockdown was slowly eased over the next few months as most of the population was now fully vaccinated. There were still restrictions in place for large gatherings and, people were still bit wary of mixing in public. Hence, BEHT has had no events throughout this year but donations from regular donors continued to be received.

In India, it was a similar situation and normality started returning to all our schools from January 2022. BEHT with its Indian partner, BET, started the Gir Ness schools programme of helping to build or renovate schools in 25 settlements in the Gir Sanctuary in Gujarat. Gir is famous for its lions and the Government has created a sanctuary to protect the wildlife in this area. This area is strictly controlled with the Maldharis (local tribe) living in this area. Government has provided schools for this population but most were built about 50 years ago without any renovation since then. The Gir Ness project is to help renovate and where required, build new schools in 25 of these settlements.

The hospital has had a very busy period during the pandemic and did a wonderful job in helping covid patients at the height of the pandemic. Through the help of hundreds of donors in UK, BEHT managed to raise over £ 70,000 for an Oxygen plant which helped to save many lives.

Despite not having any events, BEHT managed to raise £ 203,623 through our Covid appeal. Out of this amount, BEHT donated £ 69,720 towards the Education & Gir Ness projects and £ 84,638 towards the health projects in India.

Investments Selection Policy:

BEHT receives funds largely for specific purposes, which it aims to pay out as soon as practicable. Thus, surplus cash funds are only invested on a short-term basis in a deposit account at the best rates available.

Review of Major Risks:

BEHT does not hold any tangible assets or employ staff. In respect of the funds which are donated to BEHT for specific purposes, the trustees and major donors make regular visits to India and ensure that funds are being spent for the purposes for which they have been given. They identify future requirements, take photographic evidence of progress made and report to donors in the UK by way of email, website, newsletter and at events through presentations.
