Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Grove Community Project is now in its 31st year The past year has seen more stability and recovery from the legacy that Covid left.. The escalating fuel bills alongside staffing and general running costs have to be carefully managed though. We have now resumed all services prior to Covid, although demand has changed and we have been mindful to not over commit and overstaff. Many parents continue to work from home wherever possible which allows them to look after their children at the same time and save on Childcare costs. We continue to offer specific expertise in supporting children with SEN and take referrals from other professionals. We continue to assess and refer children with specific needs to the relevant agencies, then work together in development of individual plans. Equally important is the support that we offer to the families of these children. The children have benefitted from specific Music Workshops funded by Youth Music, which they all loved. Families in need or crisis are offered support and can access a free place. The majority of our children have English as a second language. Specialist Teachers focus on communication, language and literacy and the benefits are clearly seen. Music and singing is an important part of our

		curriculum, families attend weekly sessions where they share music and rhyme in their home language We promote a healthy lifestyle and living for all our children and families. Staff access training and deliver workshops to parents around healthy eating and oral health. The stability of staff remains a great asset, alongside a shared passion to embrace the Reggio Emilia approach to Early Years Education. Our outside space, an outdoor classroom and Forest School is an important part of our teaching (most of our children have no access to outdoor space at home) We provide suitable waterproof clothing for them. Trips to the local Botanical Gardens where the children can experience a natural environment, go on Nature Trails and build dens has been proven to enhance the learning and development of the children. Participation in local networks enables us to create relationships with local groups and schools, allowing us to share information and practice that benefits all. Our last Ofsted inspection (July 2023) rated us as Good, which we have been for 31 years, and we had a new routine inspection at our After School Club that confirmed we meet all the statutory requirements

We still have not returned to the pre covid capacity of provision for Before and After School Clubs although both clubs have reopened. Holiday Play Schemes - held over the majority of school closures. Children are given the opportunity to partake in sport, art and music activities. They are in a safe environment thus preventing them from roaming the streets or alone in an empty house. Social Services and CAMS (Children and Mental Health) refer families in need. The Play Schemes have still not returned to the pre covid capacity of provision Forest School Training and Parent Courses - for both staff and families, regular contact with parents allow us to identify where intervention and support is required.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees are aware of their duties and responsibilities on public benefit, and see this as an important part of their work. For example additional needs and support can be rapidly offered for children/families in crisis - with no additional cost to the family.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Grove Community Project is now in its 30^h year The past year has continued to be a challenge as we try to build up to the capacity before Covid. The escalating fuel bills alongside staffing and general running costs have to be carefully managed. Although we have now resumed all services prior to Covid, demand has been down and we have been mindful to not over commit and overstaff. Parents continue to work from home wherever possible which allows them to look after their children at the same time and save on Childcare costs. We continue to offer specific expertise in supporting children with SEN and take referrals from other professionals. We continue to assess and refer children with specific needs to the relevant agencies, then work together in development of individual plans. Equally important is the support that we offer to the families of these children. Families in need or crisis are offered support and can access a free place. The majority of our children have English as a second language. Specialist Teachers focus on communication, language and literacy and the benefits are clearly seen. Music and singing is an important part of our curriculum, families attend weekly sessions where they share music and rhyme in their home language.

		We promote a healthy lifestyle and living for all our children and families. Staff access training and deliver workshops to parents around healthy eating and oral health. The stability of staff remain a great asset, alongside a shared passion to embrace the Reggio Emilia approach to Early Years Education. Our outside space, an outdoor classroom and Forest School is an important part of our teaching (most of our children have no access to outdoor space at home) We provide suitable waterproof clothing for them. Trips to the local Botanical Gardens where the children can experience a natural environment, go on Nature Trails and build dens has been proven to enhance the learning and development of the children. Participation in local networks enables us to create relationships with local groups and schools, allowing us to share information and practice that benefits all. Much of our After School and Holiday Playschemes have been on hold over the pandemic, we have reopened both our After School provisions at a reduced capacity but not our Playschemes yet Our latest Ofsted inspection (July 2023) rated us as Good, which we have been for 29 years, and we had a new routine inspection at our After School Club that confirmed we meet all the statutory requirements

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Grove Community Project is now in its 29^h year The past year has continued to be a challenge with continued Covid infections and staff isolating. We still have not resumed all services prior to Covid, as demand has been down and we have been mindful of the increased risk of staff absentee resulting from children attending from different schools and ages. Parents continue to work from home wherever possible which allows them to look after their children at the same time and save on Childcare costs. We continue to offer specific expertise in supporting children with SEN and take referrals from other professionals. We continue to assess and refer children with specific needs to the relevant agencies, then work together in development of individual plans. Equally important is the support that we offer to the families of these children. Families in need or crisis are offered support and can access a free place. The majority of our children have English as a second language. Specialist Teachers focus on communication, language and literacy and the benefits are clearly seen. Music and singing is an important part of our curriculum, families attend weekly sessions where they share music and rhyme in their home language. We promote a healthy lifestyle and living for all our children and families. Staff access

		training and deliver workshops to parents around healthy eating and oral health. The stability of staff remain a great asset, alongside a shared passion to embrace the Reggio Emilia approach to Early Years Education. Our outside space, an outdoor classroom and Forest School is an important part of our teaching (most of our children have no access to outdoor space at home) We provide suitable waterproof clothing for them. Trips to the local Botanical Gardens where the children can experience a natural environment, go on Nature Trails and build dens has been proven to enhance the learning and development of the children. Participation in local networks enables us to create relationships with local groups and schools, allowing us to share information and practice that benefits all. Much of our After School and Holiday Playschemes have been on hold over the pandemic, we have reopened one of our After School provision which is restricted to just one school. Our last Ofsted inspection rated us as Good and we had a new routine inspection at our After School Club that confirmed we meet all the statutory requirements

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide the necessary facilities for the daily care, recreation and education of children in the local community, particularly during the school day and out of hours, including the school holidays. To advance the education and training of persons in the provision of such care, education and recreational facilities
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Nursery - flexible hours to suit both working, non-working and parents attending training/college. 64 children (aged 2-5) attend daily. Fees are kept low in order to include all and many receive funded places. Support for children with SEN families in need. Before and after school club 2 locations. Children are collected from 5 local schools. Holiday Play Schemes - held over the majority of school closures. Children are given the opportunity to partake in sport, art and music activities. They are in a safe environment thus preventing them from roaming the streets or alone in an empty house. Social Services and CAMS (Children and Mental Health) refer families in need. Forest School Training and Parent Courses - for both staff and families, regular contact with parents allow us to identify where intervention and support is required.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees are aware of their duties and responsibilities on public benefit, and see this as an important part of their work. For example additional needs and support can be rapidly offered for children/families in crisis - with no additional cost to the family.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Grove Community Project is now in its 28th year The past year has continued to be a challenge with continued Covid infections and staff isolating. We still have not resumed all services prior to Covid, as demand has been down and we have been mindful of the increased risk of staff absentee resulting from children attending from different schools and ages. Children with SEN have been supported alongside other professionals face to face, although frustratingly many specialist services are still only offering support via Zoom We continued to assess and refer children with specific needs to the relevant professionals, then work together in development of individual plans. Our experience and expertise in supporting such children has resulted in referrals from other agencies. Equally important is the support that we offer to the families of these children. Families in need or crisis are offered support and can access a free place. The majority of our children have English as a second language. Specialist Teachers focus on communication, language and literacy and the benefits are clearly seen. Music and singing is an important part of our curriculum, families attend weekly sessions where they share music and rhyme in their home language. We promote a healthy lifestyle and living for all our children and families. Staff access training and deliver workshops to parents around healthy eating and oral health.

		The stability of staff remain a great asset, alongside a shared passion to embrace the Reggio Emilia approach to Early Years Education. Our outside space, an outdoor classroom and Forest School is an important part of our teaching (most of our children have no access to outdoor space at home) We provide suitable waterproof clothing for them. Trips to the local Botanical Gardens where the children can experience a natural environment, go on Nature Trails and build dens has been proven to enhance the learning and development of the children. Participation in local networks enables us to create relationships with local groups and schools, allowing us to share information and practice that benefits all. Much of our After School and Holiday Playschemes have been on hold over the pandemic, we have reopened one of our After School provision which is restricted to just one school. As children attend our other After School Club from many local schools, this would have created too many opportunities for the spread of Covid into the wider community. Our last Ofsted inspection rated us as Good

Charity name: Grove Community Project

Charity registration number: 1072127

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide the necessary facilities for the daily care, recreation and education of children in the local community, particularly during the school day and out of hours, including the school holidays. To advance the education and training of persons in the provision of such care, education and recreational facilities
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Nursery - flexible hours to suit both working, non-working and parents attending training/college. 64 children (aged 2-5) attend daily. Fees are kept low in order to include all and many receive funded places. Support for children with SEN families in need. Before and after school club 2 locations. Children are collected from 5 local schools. Holiday Play Schemes - held over the majority of school closures. Children are given the opportunity to partake in sport, art and music activities. They are in a safe environment thus preventing them from roaming the streets or alone in an empty house. Social Services and CAMS (Children and Mental Health) refer families in need. Forest School Training and Parent Courses - for both staff and families, regular contact with parents allow us to identify where intervention and support is required.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees are aware of their duties and responsibilities on public benefit, and see this as an important part of their work. For example additional needs and support can be rapidly offered for children/families in crisis - with no additional cost to the family.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Grove Community Project is now in its 27th year The past year has been a challenge with enforced lockdown for 3 months and then a gradual return for vulnerable Nursery children and the few who choose to attend even though the schools remained closed. During closure and throughout children who did not attend were supported with home learning. Children with SEN who did not attend were supported with home learning, calls to home and zoom calls with Speech and Language Therapist, and other professionals. We continued to assess and refer children with specific needs to the relevant professionals, then work together in development of individual plans. Our experience and expertise in supporting such children has resulted in referrals from other agencies. Equally important is the support that we offer to the families of these children. Families in need or crisis are offered support and can access a free place. The majority of our children have English as a second language. Specialist Teachers focus on communication, language and literacy and the benefits are clearly seen. Music and singing is an important part of our curriculum, families attend weekly sessions where they share music and rhyme in their home language. We promote a healthy lifestyle and living for all our children and families. Staff access training and deliver workshops to parents around healthy eating and oral health. The stability of staff remain a great asset,

		alongside a shared passion to embrace the Reggio Emilia approach to Early Years Education. Our outside space, an outdoor classroom and Forest School is an important part of our teaching (most of our children have no access to outdoor space at home) We provide suitable waterproof clothing for them. Trips to the local Botanical Gardens where the children can experience a natural environment, go on Nature Trails and build dens has been proven to enhance the learning and development of the children. Participation in local networks enables us to create relationships with local groups and schools, allowing us to share information and practice that benefits all. Much of our After School and Holiday Playschemes have been on hold over the pandemic and we are now looking at resuming these activities. As children attend our After School Clubs from many local schools, this would have created too many opportunities for the spread of Covid into the wider community. Our last Ofsted inspection rated us as Good

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	Yes	No	N/a
		☒	☐	☐
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes	No	N/a
		☒	☐	☐
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes	No	N/a
		☒	☐	☐
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes	No	N/a
		☐	☐	☒
Government grants	The charity has received government grants in the reporting period	Yes	No	N/a
		☒	☐	☐
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	Yes	No	N/a
		☐	☐	☒
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes	No	N/a
		☐	☐	☒
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes	No	N/a
		☐	☐	☒
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	Yes	No	N/a
		☐	☐	☒
Support costs	The charity has incurred expenditure on support costs.	Yes	No	N/a
		☒	☐	☐
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	Yes	No	N/a
		☒	☐	☐
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	Yes	No	N/a
		☒	☐	☐
