Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide the necessary facilities for the daily care, recreation and education of children in the local community, particularly during the school day and out of hours, including the school holidays. To advance the education and training of persons in the provision of such care, education and recreational facilities

Para 1.17 and 1.19	Nursery - flexible hours to suit both working, non-working and parents attending training/college. Up to 64 children (aged 2-5) attend daily. Fees are kept low in order to include all and many receive funded places. Support for children with SEN families in need. Before and after school club 2 locations. We still have not returned to the pre covid capacity of provision for Before and After School Clubs although both clubs have reopened. Holiday Play Schemes - held over the majority of school closures. Children are given the opportunity to partake in sport, art and music activities. They are in a safe environment thus preventing them from roaming the streets or alone in an empty house. Social Services and CAMS (Children and Mental Health) refer families in need. The Play Schemes have still not returned to the pre covid capacity of provision Forest School Training and Parent Courses - for both staff and families, regular contact with parents allow us to identify where intervention and support is required.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees are aware of their duties and responsibilities on public benefit, and see this as an important part of their work. For example additional needs and support can be rapidly offered for children/families in crisis - with no additional cost to the family.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Grove Community Project is now in its 30^h year</p> <p>The past year has continued to be a challenge as we try to build up to the capacity before Covid. The escalating fuel bills alongside staffing and general running costs have to be carefully managed. Although we have now resumed all services prior to Covid, demand has been down and we have been mindful to not over commit and overstaff. Parents continue to work from home wherever possible which allows them to look after their children at the same time and save on Childcare costs.</p> <p>We continue to offer specific expertise in supporting children with SEN and take referrals from other professionals.</p> <p>We continue to assess and refer children with specific needs to the relevant agencies, then work together in development of individual plans. Equally important is the support that we offer to the families of these children.</p> <p>Families in need or crisis are offered support and can access a free place.</p> <p>The majority of our children have English as a second language. Specialist Teachers focus on communication, language and literacy and the benefits are clearly seen. Music and singing is an important part of our curriculum, families attend weekly sessions where they share music and rhyme in their home language.</p>

		<p>We promote a healthy lifestyle and living for all our children and families. Staff access training and deliver workshops to parents around healthy eating and oral health. The stability of staff remain a great asset, alongside a shared passion to embrace the Reggio Emilia approach to Early Years Education. Our outside space, an outdoor classroom and Forest School is an important part of our teaching (most of our children have no access to outdoor space at home) We provide suitable waterproof clothing for them. Trips to the local Botanical Gardens where the children can experience a natural environment, go on Nature Trails and build dens has been proven to enhance the learning and development of the children. Participation in local networks enables us to create relationships with local groups and schools, allowing us to share information and practice that benefits all.</p> <p>Much of our After School and Holiday Playschemes have been on hold over the pandemic, we have reopened both our After School provisions at a reduced capacity but not our Playschemes yet</p> <p>Our latest Ofsted inspection (July 2023) rated us as Good, which we have been for 29 years, and we had a new routine inspection at our After School Club that confirmed we meet all the statutory requirements</p>
