Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Charity has, through the giving of small grants directly to local grassroots organisations, enabled small projects which benefit local communities to achieve funding to further charitable purposes. Such small funding fills the niche between larger grants from national or regional charities, and self-fundraising which would be time-intensive for the beneficiaries of the Charity's grants. The Charity's grants have allowed the local grassroots organisations who have received the grants to continue to deliver their benefit to the community and wider society.

Trustees' Report

The Trustees present their report and financial statements for the year ended 31 March 2022. The information on page 2 forms part of the Trustees' Report.

The Trustees confirm that the annual report and financial statements of the charity comply with the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Structure, Governance and Management

The Cumberland Building Society Charitable Foundation ('the Foundation') was incorporated on 12 November 1998 as a company limited by guarantee. It is governed by a Memorandum and Articles of Association. On 7 October 2019, the Foundation converted to a community interest organisation, and its existing Trustees either resigned by virtue of their ineligibility to hold office under the Foundation's new constitution, or subsequently resigned after appointing replacement Trustees. At 31 March 2022 there are three Trustees, all of whom are employees of the Cumberland Building Society ('the Society').

The Trustees who have served during the year are set out on page 2.

Objectives and Activities for the Public Benefit

The objectives of the Foundation are to hold the capital and income on trust, to apply the income and/or capital for charitable purposes and to make donations to charitable causes for the benefit of persons living within the Society's operating region of Cumbria, Dumfriesshire, Lancashire (Preston and Lancaster area) and Northumberland (Haltwhistle area). The current policy of the Trustees is to make a relatively large number of small donations across the whole of the geographical areas above, with a view to reaching local community groups, where often small donations of funds can have significant impacts. The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Foundation's objectives and in planning future activities and setting the grant making policy for the year ahead.

Achievements and Future Plans

The Foundation aims to distribute all funds, depending on the number and suitability of requests received.

Local donations totalling £7,369 were made in the year (2021: £23,875). Due to Covid-19 restrictions impacting the activities of local groups and organisations, a lower value of donations were made directly through the branch network. As a result, funds were directed to support other projects in the community such as the £1,250 donation to the Brathay Trust. Donations totalling £15,000 were made to Cumbria Community Foundation (CCF); £10,000 to support the resettlement of Ukrainian refugees in the local area and £5,000 was added to a strategic community fund with CCF.

In line with its objectives, the Foundation made 63 donations for public benefit in the year (2021: 48), with an average value of £355 (2021: £498). The Foundation reviewed 69 requests for funding in the year (2021: 231). Donations were made throughout the Foundation's geographical area and were monitored to make sure that all areas were appropriately covered.

Two examples of the donations made for public benefit are:

- A donation was made to Richard Rose Academy to fund a day trip for vulnerable students to visit a Forest School.
- Sponsorship of the A-Level Maths awards at the Queen Elizabeth Grammar School in Penrith. The local Branch Manager presented the award to the winner who had outstanding achievements in maths during the academic year

Financial Review

During the year, the Foundation received income of £22,369 (2021: £23,875) and made donations to charitable causes totalling £22,369 (2021: £23,875). No administrative expenditure was incurred in the year (2021: £nil).

Reserves Policy

The Foundation is able to distribute all remaining funds after paying any administrative expenses incurred which have not been paid for by the Cumberland Building Society. The Trustees consider all reserves to be free reserves.

The Trustees believe that a building society deposit account is the most appropriate form of investment as monies are held for relatively short periods and grants are made as quickly as possible after the receipt of applications. Monies available for investment therefore need to be easily accessible, to be low risk and have low transaction costs, all of which are met by a deposit account strategy.

Grant Making Policy

The Foundation has an established grant making policy to achieve its objects as stated above for the public benefit. To make donations to charitable institutions and causes within the local area as specified above in such a manner that the Trustees in their absolute discretion see fit.

Risk Management

The Trustees have identified and considered the major risks to which the Foundation is exposed and reviewed the procedures in place to manage the risks.

Trustee Appointment and Removal

The power for the appointment or removal of Trustees lies with the Board of Trustees and is set out in rules 10 and 12 of the Foundation's Constitution.

Signed on behalf of the Trustees

Claire Deekes
Chairman of the Trustees

STATEMENT OF TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE TRUSTEES' ANNUAL REPORT AND THE FINANCIAL STATEMENTS

Under the Memorandum and Articles of Association and charity law, the Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

The financial statements are required by law to give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources, including income and expenditure, of the charity for that period.

In preparing these financial statements, generally accepted accounting practice (United Kingdom Accounting Standards and applicable law) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" entails that the Trustees:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether the financial statements comply with the Memorandum and Articles of Association, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in business.

The Trustees are required to act in accordance with the Memorandum and Articles of Association of the Foundation, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the Foundation at that time, and to enable the Trustees to ensure that, statements of accounts are prepared by them under the relevant law. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Foundation and to prevent and detect fraud and other irregularities.

Notes (forming part of the financial statements)

1. Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Basis of Preparation

The financial statements are prepared under the historical cost convention modified to include certain items at fair value, in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities (SORP 2019)" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Charity meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it. Exemptions have been taken in relation to the presentation of a cash flow statement as the gross income is below the required threshold of £500k.

Donations

Donations are accounted for as they are received. Any related tax credits are accounted for on an accruals basis.

Charitable Expenditure

Charitable grants and donations are included in the Statement of Financial Activities when Trustees convey their intention to pay a donation to a recipient.

Unrestricted Funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the Charity without further specified purpose and are available as general funds. These funds can be used in accordance with the charitable objects at the discretion of the Trustees.

Taxation

The Foundation is exempt from taxation on its charitable activities.

2. Critical Accounting Adjustments and Key Sources of Estimation Uncertainty

In the application of the Charity's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there to be any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.
