**Management Committee Report**

The Management Committee present its annual report and the financial statements for the year ended 31 March 2024.

**Structure, Governance and management**

Central Eltham Youth Project is a charitable company limited by guarantee, incorporated on 13 November 2002 and registered as a charity on 23 June 2003. It is governed by its Memorandum and Articles of Association. In the event of the company being wound up, the members of the charitable company guarantee to contribute an amount not exceeding £10 to the assets of the charitable company. The total number of such guarantees at 31 March 2024 was 5

Trustees are recruited through a combination of nomination, invitation and open application. They are selected based on their knowledge, transferrable skills and experience. Prospective candidates are invited to submit a curriculum vitae. This is considered by Trustees at the next scheduled meeting. Suitable candidates then visit the project, meet existing Trustees and observe a meeting.

Initial appointment is made by the Trustees, followed by annual re-election at the Annual General Meeting. New trustees are given a thorough induction into all aspects of the Project. The Trustees continue to work to identify the major risks to which the charity is exposed, particularly staff, financial control and funding implications.

**Management Committee/Trustees**

These are listed on page 1

**Risk Management**

The Trustees continue to work to identify the major risks to which the charity is exposed, particularly staff, financial control and funding implications. The level of risk will be evaluated and controls (existing and new) identified to manage those risks.

**Objectives and Activities**

The charity is established primarily but not exclusively for residents and communities in south east London without distinction of sex, sexual orientation, race, or of political, religious or other opinions to:

- a) promote any charitable purpose that will benefit the community, in particular those who have need of support by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances
- b) relieve poverty, homelessness or adverse housing conditions
- c) promote the preservation and protection of good physical and mental health

- d) advance education and training, and the re-training of unemployed people
- e) provide facilities for recreation and other leisure-time occupation
- f) develop the capacity and skills of local people so that they are better able to identify and meet their needs and participate more fully in society including through volunteering and social action

When undertaking all its activities, the Management Committee has regard to the guidance issued by the Charity Commission on public benefit.

### **Achievements and Performance**

During the year, we helped and supported 3,726 different beneficiaries. This increase in users includes a 37% year on year increase in people visiting our foodbank on top of the 41% increase reported in last year's accounts.

During 2023-4 isolation and food poverty continue to be an increasingly urgent presenting need amongst the communities we serve. In younger people, there is also continued reluctance to access services face to face and to tackle their problems at an early stage. In adults and older people, the cost of living crisis, in particular the rising cost of housing and utilities has negatively impacted on peoples physical and mental health. We continue to support face to face contact by providing access to support via email, messaging and video calling.

It is also important to note that many of our most vulnerable beneficiaries (of all ages) do not have access to (or are unable to use) online methods of communication. With this in mind, we actively maintain face-to-face contact with them as much as possible. We also provide the digitally frail with access to laptops, tablets and data in our training centre as often as needed, giving support to use them when needed.

Each year it is necessary to devote a considerable amount of time and effort in finding new sources of funding and completing detailed funding applications, without which, the continuation of the Charity would not be possible.

### **Financial Review**

The results for the year are as shown on page 6

The Trustees recognise the importance of unrestricted reserves in the current climate of cuts at all levels of government and statutory authorities. They are, therefore, pleased that it has been possible to maintain the Charity's unrestricted reserves as recommended by the Charity Commission.

### **Responsibilities of the Management Committee**

The Trustees who form the Management Committee are required by law to prepare financial statements for each year which give a true and fair view of the financial activities of the Charity and its financial position at the end of the year.

In preparing those financial statements the Trustees are required to:

1. select suitable accounting policies and apply them consistently;
2. make judgements and estimates that are reasonable and prudent;
3. state whether the policies adopted are in accordance with the Charities Act 2011 and with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the financial statements;
4. prepare the financial statements on the going concern basis unless it is inappropriate to assume the charity will continue in operation

A resolution proposing Michael Adamson and Co be re-appointed as independent examiners of the charity was agreed unanimously at the Annual General Meeting held on

**Small company provisions**

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the board on  
and signed on its behalf

## **Central Eltham Youth Project Accountants' Report**

### **Report of the Independent Examiners to the Members Central Eltham Youth Project**

We have examined the financial statements on pages 6 to 15 for the year ended 31 March 2024, which have been prepared under the accounting policies set out on page 9

#### **Respective responsibilities of the trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is our responsibility to:

- \* examine the accounts under section 145 of the Charities Act,;
- \* to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- \* to state whether particular matters have come to my attention.

#### **Basis of independent examiner's report**

Our examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently we do not express an audit opinion on the view given by the accounts.

#### **Independent examiner's statement**

In connection with our examination, no matter has come to our attention:

1. which gives us reasonable cause to believe that in any material respect the requirements
  - (a) to keep accounting records in accordance with section 130 of the Charities Act; and
  - (b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act, have not been met; or
2. to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**1 ACCOUNTING POLICIES**

***Basis of preparation***

The financial statements have been prepared under the historical cost convention, and are in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

***INCOMING RESOURCES***

***Recognition of incoming resources***

These are included in the Statement of Financial Activities when:

- \* The charity becomes entitled to the resources;
- \* The trustees are virtually certain that they will receive the resources; and
- \* The monetary value can be measured with sufficient reliability.

***Deferred income***

Where grants are received in advance and specified by the donor as relating to specific accounting periods these are deferred on an accruals basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

***Incoming resources with related expenditure***

Where incoming resources have related expenditure, the incoming resources and related expenditure are reported gross in the Statement of Financial Activities.

***Volunteer help***

The value of any volunteer help is not included in the accounts.

***Investment income***

This is included in the accounts when receivable.

***EXPENDITURE AND LIABILITIES***

***Liability recognition***

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

***Governance costs***

**Central Eltham Youth Project**  
**Notes to the Accounts for the year ended 31 March 2024**

**FIXED ASSETS**

**Tangible fixed assets used by the charity**

Items of equipment are capitalised where the purchase price exceeds £1000 and can be used for more than one year. They are valued at cost or, if gifted, at the value to the charity on receipt.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Furniture and equipment	20% on cost
Fixtures and fittings	20% on cost
IT equipment	33.3% on cost

**Leasing and hire purchase commitments**

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
