## **Morvah Action for the Community and Arts Limited**

### **Independent Examiner's Report to the trustees of Morvah Action for the Community and Arts Limited ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 January 2025.

#### **Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Morvah Action for the Community and Arts Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Strategic Report

### Policy on reserves

The charity intends to keep reserves at around the current level. The main purpose of the reserves is to cover future spending on building maintenance. Additionally, the reserves would cover all fixed expenditure if exceptional circumstances led to no trading activity for a year.

### Principal funding sources

The charity raises funds through trading. The principal areas of trading are the café, and gallery and craft sales.

Major items of expenditure are payments to artists and craft persons, and staff wages.

The annual Pasty Day festival is a very popular event for locals and holiday makers alike. Traditionally, the charity shares in the costs and the income from this event. However for the summer of 2024 event the Trustees decided to let The Friends of Morvah Church have all the proceeds (and therefore pay associated costs) as that charity was on a major fundraising drive. In August 2025 Morvah Action for the Community and Arts once again shared in the income and costs, which will be reflected in next year's accounts.

The year to 31<sup>st</sup> January 2025 was successful, once again achieving a small surplus.

### Restricted funds

Restricted funds are wholly represented by the building, Morvah Schoolhouse. There has been no restricted income or expenditure. Annual income is unrestricted, so available for use as the Trustees see fit.

### Principal risks and uncertainties

Each year brings new economic challenges for the population as a whole. However the Trustees are confident that trading income will be close to the level of expenditure. Whilst we need to cover our costs, there is no requirement to make a surplus in the way a profit-making company would seek. It is important to balance the books over the medium term, but an occasional annual deficit will not impact on the future of the charity.

The strategic report was approved by the trustees of the charity on 16th Oct 2025 and signed on its behalf by:

Mr T J E Hichens  
Trustee

### **Trustees Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2025.

#### **The Schoolhouse**

The Schoolhouse, Morvah, purchased with grants from the Millennium Commission, the South West Regional Development Agency and the Penwith District Council, together with local fund-raising, was designed as a multi-purpose building, in order that it could be both a useful and much-used, year round amenity.

It continues to serve its original purpose as reported in previous reports.

#### **Objectives and activities**

##### ***Objects and aims***

The charity's objects, as stated in the original Memorandum and Articles of Association of Morvah Action for the Community and Arts, read:

To promote community activity in Morvah and its adjoining parishes. To protect and develop Morvah's community identity.

To realise the potential of the residents of Morvah and its adjoining parishes. To promote involvement in the Arts in Morvah and its adjoining parishes.

To encourage and enable participation by all, regardless of age, gender, race or ability. To promote social intercourse.

To maintain, improve and extend the provision of local amenities.

##### ***Objectives, strategies and activities***

The gallery continues to be a highly regarded space by artists. Forward bookings for the gallery are very positive. The cafe has been popular, and craft sales have also been successful.

Although the charity did not share the costs and income from Morvah Pasty Day last summer, the trustees and staff all helped with organisation of the event on a voluntary basis. The Schoolhouse benefited from increased footfall in the café and gallery on the day of the event. The event was another opportunity for the charity to promote its objects of encouraging community activity.

##### ***Public benefit***

The Schoolhouse continues to offer a community facility, with particular emphasis on promoting local arts and crafts. New ideas for educational courses and art related topics are continuously explored. Meetings and fundraising events (for organisations and causes other than this charity) have taken place within the building. The cafe is a focal point for the village.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

##### ***Use of volunteers***

Volunteers continue to play an important role in the running of the schoolhouse and external events.

### **Trustees Report**

#### **Going concern**

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:        Mr N W Smith  
                     Mrs K Price  
                     Mr T J E Hichens

Chairman:        Mr N W Smith

Secretary:        Mrs K Price

#### **Structure, governance and management**

##### ***Nature of governing document***

The governing document of the company is its Memorandum and Articles of Association.

##### ***Organisational structure***

Trustees delegate the day-to-day running of the Schoolhouse to the employed staff. Legal responsibility for maintaining the Objects of the Charity, and financial control, remains with the Trustees.

##### ***Principal Risks and uncertainties***

Each year brings new economic challenges for the population as a whole. However the Trustees are confident that trading income will be close to the level of expenditure. Whilst we need to cover our costs, there is no requirement to make a surplus in the way a profit-making company would seek. It is important to balance the books over the medium term, but an occasional annual deficit will not impact on the future of the charity.

##### ***Employee involvement***

The charity currently has four paid staff, whose principal role is to man the cafe and gallery, dealing with customers and taking payments. The staff also run events such as Pasty Day with the help of volunteers. The staff are very dedicated and go above and beyond their basic roles, in effect being managers, taking an active role in planning gallery displays and bookings, planning external events, and promoting the charity on social media. The Trustees very much appreciate the efforts of the staff.

### Trustees Report

#### Statement of trustees responsibilities

The trustees (who are also the directors of Morvah Action for the Community and Arts Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 16th Oct 2025 and signed on its behalf by:

Mr T J E Hichens  
Trustee

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

Morvah Action for the Community and Arts Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost on transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ending 31st January 2025**

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### **Donations and legacies**

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### **Grants receivable**

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### **Investment income**

Bank interest is recognised when received.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## Morvah Action for the Community and Arts Limited

### Notes to the Financial Statements for the Year Ending 31st January 2025

#### Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

#### 13 Trustees' remuneration and expenses

No trustees have received remuneration or expenses, however, Nicholas Smith has partaken in art sales on the same commercial basis as other artists, without any special terms or favours.

## **Morvah Action for the Community and Arts Limited**

### **Independent Examiner's Report to the trustees of Morvah Action for the Community and Arts Limited ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 January 2024.

#### **Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Morvah Action for the Community and Arts Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **Strategic Report**

#### **Policy on reserves**

The charity intends to keep reserves at around the current level. The main purpose of the reserves is to cover future spending on building maintenance. Additionally, the reserves would cover all fixed expenditure if exceptional circumstances led to no trading activity for a year.

#### **Principal funding sources**

The charity raises funds through trading. The principal areas of trading are the café, and gallery and craft sales. Additionally, the annual Pasty Day is a very popular event for locals and holiday makers alike, and raises further funds for the charity. The year to January 2024 was successful, once again achieving a small surplus

Major items of expenditure are payments to artists and craft persons, and staff wages.

#### **Restricted funds**

Restricted funds are wholly represented by the building, Morvah Schoolhouse. There has been no restricted income or expenditure. Annual income is unrestricted, so available for use as the Trustees see fit.

#### **Principal risks and uncertainties**

Each year brings new economic challenges for the population as a whole. However the Trustees are confident that trading income will be close to the level of expenditure. Whilst we need to cover our costs, there is no requirement to make a surplus in the way a profit-making company would seek. It is important to balance the books over the medium term, but an occasional annual deficit will not impact on the future of the charity.

## **Morvah Action for the Community and Arts Limited**

### **Trustees Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2024.

#### **The Schoolhouse**

The Schoolhouse, Morvah, purchased with grants from the Millennium Commission, the South West Regional Development Agency and the Penwith District Council, together with local fund-raising, was designed as a multi-purpose building, in order that it could be both a useful and much-used, year round amenity.

It continues to serve its original purpose as reported in previous reports.

#### **Objectives and activities**

##### ***Objects and aims***

The charity's objects, as stated in the original Memorandum and Articles of Association of Morvah Action for the Community and Arts, read:

To promote community activity in Morvah and its adjoining parishes. To protect and develop Morvah's community identity.

To realise the potential of the residents of Morvah and its adjoining parishes. To promote involvement in the Arts in Morvah and its adjoining parishes.

To encourage and enable participation by all, regardless of age, gender, race or ability. To promote social intercourse.

To maintain, improve and extend the provision of local amenities.

##### ***Objectives, strategies and activities***

The gallery continues to be a highly regarded space by artists. Forward bookings for the gallery are very positive. The cafe has been popular, and craft sales have also been successful.

Morvah Pasty Day was very well attended. As well as activities in the sunshine, the evening entertainment was well received. The event is shared between this charity and The Friends of Morvah Church, with funds raised being split between the two organisations.

##### ***Public benefit***

The Schoolhouse continues to offer a community facility, with particular emphasis on promoting local arts and crafts. New ideas for educational courses and art related topics are continuously explored. Meetings and fundraising events (for organisations and causes other than this charity) have taken place within the building. The cafe is a focal point for the village.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

##### ***Use of volunteers***

Volunteers continue to play an important role in the running of the schoolhouse and external events.

## **Morvah Action for the Community and Arts Limited**

### **Trustees Report**

#### **Going concern**

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:        Mr N W Smith  
                      Mrs K Price  
                      Mr T J E Hichens

Chairman:        Mr N W Smith

Secretary:       Mrs K Price

#### **Structure, governance and management**

##### ***Nature of governing document***

The governing document of the company is its Memorandum and Articles of Association.

##### ***Organisational structure***

Trustees delegate the day-to-day running of the Schoolhouse to the employed staff. Legal responsibility for maintaining the Objects of the Charity, and financial control, remains with the Trustees.

##### ***Principal Risks and uncertainties***

Each year brings new economic challenges for the population as a whole. However the Trustees are confident that trading income will be close to the level of expenditure. Whilst we need to cover our costs, there is no requirement to make a surplus in the way a profit-making company would seek. It is important to balance the books over the medium term, but an occasional annual deficit will not impact on the future of the charity.

##### ***Employee involvement***

The charity currently has four paid staff, whose principal role is to man the cafe and gallery, dealing with customers and taking payments. The staff also run events such as Pasty Day with the help of volunteers. The staff are very dedicated and go above and beyond their basic roles, in effect being managers, taking an active role in planning gallery displays and bookings, planning external events, and promoting the charity on social media. The Trustees very much appreciate the efforts of the staff.

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

Morvah Action for the Community and Arts Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost on transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

### **Notes to the Financial Statements for the Year Ending 31st January 2024**

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### **Donations and legacies**

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### **Grants receivable**

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### **Investment income**

Bank interest is recognised when received.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

### Notes to the Financial Statements for the Year Ending 31st January 2024

#### Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

#### 13 Trustees' remuneration and expenses

No trustees have received remuneration or expenses, however, Nicholas Smith has partaken in art sales on the same commercial basis as other artists, without any special terms or favours.

### **Strategic Report for the Year Ended 31 January 2023**

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 January 2023, in compliance with s414C of the Companies Act 2006.

#### **Financial review**

##### ***Policy on reserves***

The charity intends to keep reserves at around the current level. The main purpose of the reserves is to cover future spending on building maintenance. Additionally, the reserves would cover all fixed expenditure if exceptional circumstances led to no trading activity for a year.

##### ***Principal funding sources***

The charity raises funds through trading. The principal areas of trading are the café, gallery and craft sales. Additionally, the annual Pasty Day is a very popular event for locals and holiday makers alike and raises further funds for the charity. The year to January 2023 was successful, achieving a surplus of £4,853.

The major items of expenditure are payments to artists and craft persons, and staff wages.

##### ***Principal risks and uncertainties***

For the coming year to January 2024, the country as a whole is suffering from high inflation, and feeling a cost of living squeeze. However, the Trustees are confident that trading income will be close to the level of expenditure. Whilst we need to cover our costs, there is no requirement to make a surplus in the way a profit-making company would seek. It is important to balance the books over the medium term, but an occasional annual deficit will not impact on the future of the charity.

The strategic report was approved by the trustees of the charity on .....19/9/23..... and signed on its behalf by:

Mr T J E Hichens  
Trustee

## **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2023.

### **The Schoolhouse**

The Schoolhouse, Morvah, purchased with grants from the Millennium Commission, the South West Regional Development Agency and the Penwith District Council, together with local fund-raising, was designed as a multi-purpose building, in order that it could be both a useful and much-used, year round amenity.

It continues to serve its original purpose as reported in previous reports.

### **Objectives and activities**

#### ***Objects and aims***

The charity's objects, as stated in the original Memorandum and Articles of Association of Morvah Action for the Community and Arts, read:

- To promote community activity in Morvah and its adjoining parishes.
- To protect and develop Morvah's community identity.
- To realise the potential of the residents of Morvah and its adjoining parishes.
- To promote involvement in the Arts in Morvah and its adjoining parishes.
- To encourage and enable participation by all, regardless of age, gender, race or ability.
- To promote social intercourse.
- To maintain, improve and extend the provision of local amenities.

#### ***Objectives, strategies and activities***

The gallery continues to be a highly regarded space by artists. Forward bookings for the gallery are very positive. The cafe has been popular, and craft sales have also been successful.

Morvah Pasty Day was very well attended. As well as activities in the sunshine, the evening entertainment was well received. The event is shared between this charity and The Friends of Morvah Church, with funds raised being split between the two organisations. We look forward to another great event in Summer 2023.

#### ***Public benefit***

The Schoolhouse continues to offer a community facility, with particular emphasis on promoting local arts and crafts. New ideas for educational courses and art related topics are continuously explored. Meetings and fundraising events (for organisations and causes other than this charity) have taken place within the building. The cafe is a focal point for the village.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### ***Use of volunteers***

Volunteers continue to play an important role in the running of the schoolhouse and external events. Particular thanks are due to Jackie Packer who has given huge amounts of her time in a bookkeeping role.

## **Trustees' Report**

### **Going concern**

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

|           |                                            |

### **Structure, governance and management**

#### ***Nature of governing document***

The governing document of the company is its Memorandum and Articles of Association.

#### ***Organisational structure***

Trustees delegate the day-to-day running of the Schoolhouse to the employed staff. Legal responsibility for maintaining the Objects of the Charity, and financial control, remains with the Trustees.

#### ***Major risks and management of those risks***

For the coming year to January 2024, the country as a whole is suffering from high inflation, and feeling a cost of living squeeze. However, the Trustees are confident that trading income will be close to the level of expenditure. Whilst we need to cover our costs, there is no requirement to make a surplus in the way a profit-making company would seek. It is important to balance the books over the medium term, but an occasional annual deficit will not impact on the future of the charity.

### **Employee involvement**

The charity currently has four paid staff, whose principal role is to man the cafe and gallery, dealing with customers and taking payments. The staff also run events such as Pasty Day with the help of volunteers. The staff are very dedicated and go above and beyond their basic roles, in effect being managers, taking an active role in planning gallery displays and bookings, planning external events, and promoting the charity on social media. The Trustees very much appreciate the efforts of the staff.

## Trustees' Report

### Statement of trustees' responsibilities

The trustees (who are also the directors of Morvah Action for the Community and Arts Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 19/9/23 and signed on its behalf by:

Mr T J E Hichens  
Trustee

### **Independent Examiner's Report to the trustees of Morvah Action for the Community and Arts Limited ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 January 2023.

#### **Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Morvah Action for the Community and Arts Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### 12 Accounting policies

##### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

##### Basis of preparation

Morvah Action for the Community and Arts Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2023**

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### ***Donations and legacies***

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### ***Grants receivable***

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### ***Investment income***

Bank interest is recognised when received.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2023**

#### **Tangible fixed assets**

Individual fixed assets costing £100 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

| <b>Asset class</b>    | <b>Depreciation method and rate</b> |
|-----------------------|-------------------------------------|
| Plant and machinery   | 25% reducing balance                |
| Fixtures and fittings | 25% reducing balance                |

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Financial instruments**

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

### Notes to the Financial Statements for the Year Ended 31 January 2023

#### *Recognition and measurement*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

#### **13 Trustees' remuneration and expenses**

No trustees have received any remuneration from the charity during the year.

No trustees have received any reimbursed expenses or any other benefits from the charity during the year.

#### **14 Investment income**

## **Morvah Action for the Community and Arts Limited**

### **Strategic Report for the Year Ended 31 January 2022**

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 January 2022, in compliance with s414C of the Companies Act 2006.

#### **Financial review**

##### ***Policy on reserves***

There are no special reserves. There is a second bank account in which to keep a reserve fund to cover emergencies and unforeseen expenses. All funds in the possession of Morvah Action for the Community and Arts Limited are available to be spent in the pursuit of the objects of the charity.

We have not needed to call on this reserve during the year.

##### ***Principal risks and uncertainties***

###### ***Financial risk***

Realising the continued financial difficulties in general of the country, we must continue to be prudent with our finances, whilst recognising that we are a charity that should not hold excessive funds. Nevertheless, with an uncertain general financial future, we believe that we should endeavour to cut costs across the board. To this end, we will closely monitor all expenditure and reduce costs wherever possible.

The strategic report was approved by the trustees of the charity on 19 June 2022 and signed on its behalf by:

.....  
Mr N W Smith  
Trustee

## **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2022.

### **Objectives and activities**

#### ***Objects and aims***

The charity's objects, as stated in the original Memorandum and Articles of Association of Morvah Action for the Community and Arts, read:

- To promote community activity in Morvah and its adjoining parishes.
- To protect and develop Morvah's community identity.
- To realise the potential of the residents of Morvah and its adjoining parishes.
- To promote involvement in the Arts in Morvah and its adjoining parishes.
- To encourage and enable participation by all, regardless of age, gender, race or ability.
- To promote social intercourse.
- To maintain, improve and extend the provision of local amenities.

To this has been added:

The provision and maintenance of a community hall for the use of the inhabitants of Morvah and its surrounding parishes (the area of benefit) without distinction of political, religious or other opinions, including use for lectures and classes and for any other forms of recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.

#### ***Objectives, strategies and activities***

Morvah Pasty Day was again cancelled this year due to the Coronavirus pandemic. We aim to hold a Pasty Day on 2 August 2022.

The gallery continues to be a highly regarded space by artists, and all the gallery bookings have been brought forward to 2022 with dates from May to December being fully booked.

#### ***Public benefit***

We hope to be able to continue with the usual activities in the Schoolhouse and Morvah once it is legal and safe to do so. There should be sufficient funds available for the year ahead to cover the general maintenance of the building and facilities. New ideas for educational courses and art related topics will be explored, ensuring they are within the Objects of the charity. Due to there being increasingly fewer residents directly adjacent to the Schoolhouse, we continue to look at new ways to attract participation by people living further afield along with visitors who are staying at Morvah. As the community around us changes, we must evolve with it in order to continue to deliver our aims.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### ***Use of volunteers***

From the very beginning, volunteers have played an important part in the running of the Schoolhouse. Volunteer roles vary from assisting in the coffee shop to the manning of the events. Volunteers play an increasingly important part in the running of the Schoolhouse. Again, we thank those who have given their time during the last year. In addition to Jackie Packer, volunteer and bookkeeper and Mary Gribble, Morvah Schoolhouse has gained one new volunteer, Mrs Gail Aldred.

## **Trustees' Report**

### **Going concern**

The charity has received Coronavirus related grant funding from Cornwall Council, which has been saved accordingly to ensure that there has been financial support to continue as a going concern during times of closure and/or low footfall due to the Coronavirus pandemic. A small proportion has been used to fund updates and minor renovations.

The Trustees, in conjunction with the Management Committee, remain vigilant in order that the future of the Schoolhouse is secure. It is essential that we continue to maintain an operating profit by generating more income and reducing costs where possible.

The current assets are sufficient to maintain the Objects of the Charity for the forthcoming year.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

### **Structure, governance and management**

#### ***Nature of governing document***

The governing document of the company is its Memorandum and Articles of Association.

#### ***Organisational structure***

The Schoolhouse Management Committee

Charged by the Trustees with the responsibility of the day to day running of the Schoolhouse, the Management Committee continues to take overall control of the day to day running of the Schoolhouse.

In accordance with the Articles, all financial control responsibility for exercising the Objects of the Charity and legal responsibility remains with the Trustees. The Management Committee can suggest plans to the Trustees, but the final decision on how the Schoolhouse building is used by the Charity rests with the Trustees. The Management Committee's remit is the day to day running of the building which at present is operating as a Gallery and Cafe.

### ***Major risks and management of those risks***

#### ***Financial risk***

Realising the continued financial difficulties in general of the country, we must continue to be prudent with our finances, whilst recognising that we are a charity that should not hold excessive funds. Nevertheless, with an uncertain general financial future, we believe that we should endeavour to cut costs across the board. To this end, we will closely monitor all expenditure and reduce costs wherever possible.

### ***Assets Held***

The Schoolhouse

The Schoolhouse, Morvah, purchased with grants from the Millennium Commission, the South West Regional Development Agency and the Penwith District Council, together with local fund-raising, was designed as a multi-purpose building, in order that it could be both a useful and much-used, year round amenity.

It continues to serve its original purpose as reported in previous reports.

The fortnightly hire charge for the gallery currently stands at £250 during the summer, with a winter charge of £150. Commission is 25% on sales made in the gallery and 35% in the craft shop.

### **Statement of Trustees' Responsibilities**

The trustees (who are also the directors of Morvah Action for the Community and Arts Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 19 June 2022 and signed on its behalf by:

.....  
Mr N W Smith  
Trustee

## **Morvah Action for the Community and Arts Limited**

### **Independent Examiner's Report to the trustees of Morvah Action for the Community and Arts Limited**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 January 2022 which are set out on pages 8 to 17.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Morvah Action for the Community and Arts Limited (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Morvah Action for the Community and Arts Limited are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Morvah Action for the Community and Arts Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 January 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

### Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements on pages 8 to 17 were approved by the trustees, and authorised for issue on 19 June 2022 and signed on their behalf by:

.....  
Mrs K Price  
Trustee

The notes on pages 10 to 17 form an integral part of these financial statements.

## **Notes to the Financial Statements for the Year Ended 31 January 2022**

### **1 Charity status**

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

The School House

Morvah

Penzance

Cornwall

TR20 8YT

These financial statements were authorised for issue by the trustees on 19 June 2022.

### **2 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### **Basis of preparation**

Morvah Action for the Community and Arts Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

# **Morvah Action for the Community and Arts Limited**

## **Notes to the Financial Statements for the Year Ended 31 January 2022**

### ***Donations and legacies***

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

### ***Grants receivable***

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

### ***Investment income***

Bank interest is recognised when received.

### ***Expenditure***

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

### ***Support costs***

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

### ***Government grants***

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

### ***Taxation***

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2022**

#### **Tangible fixed assets**

Individual fixed assets costing £100 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2022**

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

| <b>Asset class</b>    | <b>Depreciation method and rate</b> |
|-----------------------|-------------------------------------|
| Plant and machinery   | 25% reducing balance                |
| Fixtures and fittings | 25% reducing balance                |

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Financial instruments**

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

##### ***Recognition and measurement***

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

## **Morvah Action for the Community and Arts Limited**

### **Strategic Report for the Year Ended 31 January 2021**

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 January 2021, in compliance with s414C of the Companies Act 2006.

#### **Financial review**

##### ***Policy on reserves***

There are no special reserves. There is a second bank account in which to keep a reserve fund to cover emergencies and unforeseen expenses. All funds in the possession of Morvah Action for the Community and Arts Limited are available to be spent in the pursuit of the objects of the charity.

We have not needed to call on this reserve during the year.

##### ***Principal risks and uncertainties***

###### ***Financial risk***

Realising the continued financial difficulties in general of the country, we must continue to be prudent with our finances, whilst recognising that we are a charity that should not hold excessive funds. Nevertheless, with an uncertain general financial future, we believe that we should endeavour to cut costs across the board. To this end, we will closely monitor all expenditure and reduce costs wherever possible.

The strategic report was approved by the trustees of the charity on 14 May 2021 and signed on its behalf by:

.....  
Mrs H Hichens  
Trustee

## **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 January 2021.

### **Objectives and activities**

#### ***Objects and aims***

The charity's objects, as stated in the original Memorandum and Articles of Association of Morvah Action for the Community and Arts, read:

- To promote community activity in Morvah and its adjoining parishes.
- To protect and develop Morvah's community identity.
- To realise the potential of the residents of Morvah and its adjoining parishes.
- To promote involvement in the Arts in Morvah and its adjoining parishes.
- To encourage and enable participation by all, regardless of age, gender, race or ability.
- To promote social intercourse.
- To maintain, improve and extend the provision of local amenities.

To this has been added:

The provision and maintenance of a community hall for the use of the inhabitants of Morvah and its surrounding parishes (the area of benefit) without distinction of political, religious or other opinions, including use for lectures and classes and for any other forms of recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.

#### ***Objectives, strategies and activities***

This year has seen our projected activities truncated. Due to the Coronavirus pandemic the Schoolhouse closed on 17 March 2020 and Morvah Pasty Day was also cancelled. In light of the current uncertainties, Morvah Pasty Day for 2021 in its traditional form has been cancelled, but it is hoped to hold an event however low key.

The gallery continues to be a highly regarded space by artists, and all the gallery bookings have been brought forward to 2021 with dates from May to December being fully booked.

#### ***Public benefit***

We hope to be able to continue with the usual activities in the Schoolhouse and Morvah once it is legal and safe to do so. There should be sufficient funds available for the year ahead to cover the general maintenance of the building and facilities. New ideas for educational courses and art related topics will be explored, ensuring they are within the Objects of the charity. Due to there being increasingly fewer residents directly adjacent to the Schoolhouse, we continue to look at new ways to attract participation by people living further afield along with visitors who are staying at Morvah. As the community around us changes, we must evolve with it in order to continue to deliver our aims.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### ***Use of volunteers***

From the very beginning, volunteers have played an important part in the charity. Volunteer roles vary from administration to the manning of the events. We thank those who have given their time during the last year. Morvah Schoolhouse has gained two new volunteers, Mrs Gail Aldred who is now a Trustee of the charity and Mrs Sally Shaw who will take over from Mrs Jackie Packer in her bookkeeping role. We thank Jackie for all her hard work over the years and wish her well for the future.

## **Trustees' Report**

### **Going concern**

The charity has received Coronavirus related grant funding from Cornwall Council which has enabled them to embark on the kitchen renovations necessary to ensure that the Schoolhouse complies with the guidelines once legally allowed to open.

The Trustees, in conjunction with the Management Committee, remain vigilant in order that the future of the Schoolhouse is secure. It is essential that we continue to maintain an operating profit by generating more income and reducing costs where possible.

The current assets are sufficient to maintain the Objects of the Charity for the forthcoming year.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

### **Structure, governance and management**

#### ***Nature of governing document***

The governing document of the company is its Memorandum and Articles of Association.

#### ***Organisational structure***

The Schoolhouse Management Committee

Charged by the Trustees with the responsibility of the day to day running of the Schoolhouse, the Management Committee continues to take overall control of the day to day running of the Schoolhouse.

In accordance with the Articles, all financial control responsibility for exercising the Objects of the Charity and legal responsibility remains with the Trustees. The Management Committee can suggest plans to the Trustees, but the final decision on how the Schoolhouse building is used by the Charity rests with the Trustees. The Management Committee's remit is the day to day running of the building which at present is operating as a Gallery and Cafe.

#### ***Major risks and management of those risks***

##### ***Financial risk***

Realising the continued financial difficulties in general of the country, we must continue to be prudent with our finances, whilst recognising that we are a charity that should not hold excessive funds. Nevertheless, with an uncertain general financial future, we believe that we should endeavour to cut costs across the board. To this end, we will closely monitor all expenditure and reduce costs wherever possible.

#### ***Assets Held***

The Schoolhouse

The Schoolhouse, Morvah, purchased with grants from the Millennium Commission, the South West Regional Development Agency and the Penwith District Council, together with local fund-raising, was designed as a multi-purpose building, in order that it could be both a useful and much-used, year round amenity.

It continues to serve its original purpose as reported in previous reports.

The fortnightly hire charge for the gallery currently stands at £250 during the summer, with a winter charge of £150. Commission is 25% on sales made in the gallery (raised to 30% in 2020) and 35% in the craft shop.

## **Morvah Action for the Community and Arts Limited**

### **Trustees' Report**

#### **Employee involvement**

Due to the Coronavirus pandemic, the Schoolhouse closed temporarily on 17 March 2020. Initially staff were put onto furlough. During the year Mrs Ann Westcott resigned in order to become a Trustee of the Charity. As it was not going to be possible to reopen the Schoolhouse until all the restrictions had been lifted, the difficult decision was made to make the remaining members of staff redundant in order to help protect the charity's future.

Mrs Helena Clinch resigned as a Trustee on 6th August and we thank her for all she has done during her period in office and particularly during the first lockdown period.

Mrs Ann Westcott resigned as a Trustee on 23rd August.

Mr John Nurse resigned on 23rd November – having moved away from Cornwall.

Mr Nicholas Thomas sadly died in November 2020 – after many years as a constant and reliable trustee.

New Trustees Mrs Tish Smith and Mrs Helen Hichens were appointed on 1st September after their period of employment ended.

Mrs Gail Aldred has been added to the Trustees from 31st January 2021.

Continuing Trustees are Mrs Julia Le Vasseur and Mrs Anne Jones.

The annual report was approved by the trustees of the charity on 14 May 2021 and signed on its behalf by:

Mrs H Hichens  
Trustee

### **Statement of Trustees' Responsibilities**

The trustees (who are also the directors of Morvah Action for the Community and Arts Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 14 May 2021 and signed on its behalf by:

.....  
Mrs H Hichens  
Trustee

## **Morvah Action for the Community and Arts Limited**

### **Independent Examiner's Report to the trustees of Morvah Action for the Community and Arts Limited**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 January 2021 which are set out on pages 8 to 16.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Morvah Action for the Community and Arts Limited (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Morvah Action for the Community and Arts Limited are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Morvah Action for the Community and Arts Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 January 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

### Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements on pages 8 to 16 were approved by the trustees, and authorised for issue on 14 May 2021 and signed on their behalf by:

.....  
Mrs H Hichens  
Trustee

## **Notes to the Financial Statements for the Year Ended 31 January 2021**

### **1 Charity status**

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

The School House

Morvah

Penzance

Cornwall

TR20 8YT

These financial statements were authorised for issue by the trustees on 14 May 2021.

### **2 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### **Basis of preparation**

Morvah Action for the Community and Arts Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### **Donations and legacies**

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2021**

#### ***Grants receivable***

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### ***Investment income***

Bank interest is recognised when received.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets costing £100 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

## **Morvah Action for the Community and Arts Limited**

### **Notes to the Financial Statements for the Year Ended 31 January 2021**

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

| <b>Asset class</b>    | <b>Depreciation method and rate</b> |
|-----------------------|-------------------------------------|
| Plant and machinery   | 25% reducing balance                |
| Fixtures and fittings | 25% reducing balance                |

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Financial instruments**

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

##### ***Recognition and measurement***

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
