STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is governed by Articles of Association dated 24 November 2022 and its objectives are as follows:

Encourage skill and industry in husbandry by the holding of agricultural shows and local competitions within a 10 mile radius of County of Staffordshire including the English Winter Fair (incorporating the National Pedigree Calf Show) and the Staffordshire County Show and any other activities, meetings and events that are likely to assist in these aims;

Encourage agricultural enterprise and the promotion of improvements in the breeding, rearing, and health of livestock;

Encourage the improvement and marketing of agricultural produce and the invention and development of agricultural implements, machinery innovation and technology

Encourage the progress and furtherance of the agricultural industry, rural enterprise and all professions, trades and industries connected therewith.

Encourage social engagement and support between the rural community by providing a forum for debate and development of ideas;

Promote greater understanding and empathy with farming and the countryside amongst the general public;

Promote the role of farmers as providers of high-quality produce, educating the general public as to their food source with a view to encouraging consumers to choose healthy local produce;

Advance and develop the progression of young farmers by assisting local groups howsoever possible including free use of land, buildings and facilities owned by the Charity, providing scholarships to assist in education and holding educational courses;

Assist the local agricultural community by providing meeting facilities free of charge to local agricultural charities and organisations; and

To advance and encourage the protection and sustainability of the environment and agricultural research;

Appointment and Training of Trustees/ Directors

The trustees are the directors of the Company limited by guarantee which does not have share capital. The directors therefore do not have any interest in the shares of the Company or any interest in the subsidiary company. The Directors who served during the year are as follows:

R Madders
M Thompstone (Resigned 23rd November 2023)
F Thompstone (Appointed 23rd November 2023)
C Meynell
M J Williams
M R Heenan
Mr A G Parrott

The Trustees are drawn from the most senior members of the Society, accordingly, they are well versed in the Society's operation and structure and thus do not require further training in this area. However, training in their wider responsibilities as Trustees is provided through the documentation on this matter provided by the Charity Commission.

**STAFFORDSHIRE & BIRMINGHAM AGRICULTURAL SOCIETY
A COMPANY LIMITED BY GUARANTEE**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31ST JULY 2024**

Organisational Structure

The Society is made up of eight Districts based on geographical regions within the County-Stone, Stafford, Uttoxeter, Lichfield, Newcastle, South Staffordshire, Burton and Eccleshall. In addition, there is a ninth district, the National District which incorporates members of the former BAES that live outside Staffordshire. Society policy is formulated by the 120 strong Council which includes the Trustees, the Society's principal officers, representatives from each of the nine Districts and the Chief Stewards from the County Show. The Council has two major subcommittees responsible respectively for the County Show and English Winter Fair. Day to day running of and responsibility for the administration of the Society is delegated to the Chief Executive.

OBJECTIVES AND ACTIVITIES

The Society's principal aim is to encourage excellence in agriculture through competition. This aim is achieved through the County Show in May and the English Winter Fair in November.

In setting the objectives the Trustees have complied to have due regard to the public benefit guidance published by the Charity Commission. In particular the public benefit in the following activities has been identified:

- a. Adoption of a policy to provide facilities on the Showground to Registered Charities at no or a reduced cost.
- b. Provision of financial support to agricultural students.
- c. Providing a social forum for the building of the rural community.
- d. Providing grant aid, where the necessary criteria is met, to organisations which promote rural regeneration.
- e. Provide financial support and the provision of facilities for a wide range of competitive and social events undertaken by Staffordshire Young Farmers Clubs which has a membership base that is open to young people from all areas of the community.

Moreover, a series of competitions encompassing all the major crop and livestock enterprises as well as traditional skills such as ploughing and hedge laying are held at both County and District level throughout the year. Furthermore, the Society also discharges its secondary welfare and educational aims by sponsoring Members of the Staffordshire Young Farmers Club to attend the Oxford Farming Conference, the provision of educational grants and grants to agricultural charities including the RABI.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31ST JULY 2024**

ACHIEVEMENTS & PERFORMANCE

The number of visitors attending the County Show remains buoyant despite cost-of-living pressures. The Trustees were pleased to note that over thirty Registered Charities attended the Show and benefited from a significant reduction in fees. The Show, through demonstrations and displays, promoted to the public a better understanding of rural skills and countryside management. Over 400 trade stands promoted rural commerce and services within the County.

The English Winter Fair, which incorporates the National Pedigree Calf Show, was held in November 2023. The Fair was a resounding success with visitor numbers, livestock entries and trade stand exhibitors all broadly similar to or surpassing the levels achieved in 2022. The Fair hosts the National Farmer's Stock Judging Competition which attracts some 250 young people from 18 counties within England, promoting animal husbandry skills amongst the young and providing an opportunity for social interaction.

The operation of the Society's activities is made possible by the support of over two hundred volunteers.

During the year the Society has continued to invest in the Showground infrastructure to ensure all infrastructure is maintained to the highest level.

PLANS FOR FUTURE PERIODS

The County Show and English Winter Fair are now close to the maximum livestock levels that the livestock buildings can accommodate. However, the Society will continue to educate the public as to the diversity of the different breeds of livestock represented at the Shows through a range of educational material at both events. The Society and its Districts will undertake a full programme of agricultural competitions including six ploughing matches. The Society will, in addition to sponsoring members of the Staffordshire Young Farmers to attend the Oxford Farming Conference, offer a range of scholarships as well as grants to assist farming students with the cost of textbooks and short vocational training course fees. The Society has also introduced competitions aimed at young people under thirty six years of age to encourage and reward success in a farming enterprise or farm diversification business with a prize fund of £5,000. The Society will offer support for farm visits by farming groups and schools and will also continue to afford financial support to the RAB and other agricultural charities. The Society will also forge closer links and make facilities available to the Royal Agricultural Society of England's project Innovation for Agriculture. Finally, the Society will continue to invest in the Showground to renew and where possible enhance the facilities. The Trustees are committed to develop the Society's competitions to further promote good environmental practices and animal welfare.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31ST JULY 2024**

FINANCIAL REVIEW

During the year the Society made a deficit of £26,747 (2023 surplus £115,406) from general operations including income of £32,006 from The Stafford Showground Limited.

Reserves

After allowing for capital reserves the Society maintains a reserve in the region of £640,000 (2023 £1,092,000), the decrease has resulted from the acquisition of assets during the year. The level of reserves is considered adequate to meet the Society's general operational requirements for a minimum period of twelve months. The Trustees have set this level of reserves as they are mindful of the impact that events such as the Pandemic had on the Society when trading effectively ceased for a period of eighteen months. They are equally mindful of the impact that notifiable livestock diseases such as Foot & Mouth and Blue Tongue can have on the Society. Any surplus to this requirement is applied towards long term maintenance and capital investment in the facilities at the showground.

Investment Powers

The Memorandum and Articles of Association allows for the investment of monies which are not immediately required for the furtherance of its objects in or upon such investments, securities or property as the charity feel fit, subject to conditions imposed or required by law.

Investment

The Society's principal investment is in its major asset – the County Showground which is leased on an annual licence fee of £80,000 to its subsidiary company, Stafford Showground Limited. The main fund-raising activity of the group is through the hire of the site and facilities by the subsidiary to a large number of external organisations including religious organisations and other charities at a substantially reduced fee. The site is hired almost exclusively for recreational activities for the benefit of the wider community. Repairs and renewals on the Showground are delegated to the subsidiary company Stafford Showground Limited and surplus funds are transferred to the Charity by gift aid. In the year 2023/24 £32,006 (2022/23 - £112,170) was paid by gift aid by the subsidiary. All capital expenditure is referred to the Society's Council for authorisation.

Risk Policy

The major risks to which the charity is exposed, as identified by the directors, have been reviewed and systems have been established to mitigate those risks. In particular the Society has regard to health and safety issues. In consequence health and safety is regularly discussed at board meetings, consultants are employed to identify and mitigate risks and staff and volunteers are given appropriate training.

**STAFFORDSHIRE & BIRMINGHAM AGRICULTURAL SOCIETY

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31ST JULY 2024**

Trustees' responsibilities statement

The trustees (who are also directors of Stafford & Birmingham Agricultural Society for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (effective 1 January 2019);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31ST JULY 2024**

Statement as to Disclosure of Information to Auditors

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report has been prepared in accordance with the special provisions of part 15 of the Companies Act 2006 relating to small companies.

Approved by the Board of Directors on 21st November 2024
and signed on its behalf:

Richard Williams - Secretary

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF STAFFORD & BIRMINGHAM AGRICULTURAL SOCIETY LIMITED

(Company Registration Number 03682748)

Opinion

We have audited the financial statements of Staffordshire & Birmingham Agricultural Society (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 July 2024 which comprise Consolidated and Parent Company Statements of Financial Activities, Consolidated and Parent Company Balance Sheets and Consolidated and Parent Company Cash Flow Statements and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 July 2024 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF STAFFORD & BIRMINGHAM AGRICULTURAL SOCIETY LIMITED

(Company Registration Number 03682748)

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Trustees' Report and take advantage of the small companies exemption from the requirement to prepare a Strategic Report.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF STAFFORD & BIRMINGHAM AGRICULTURAL SOCIETY LIMITED

(Company Registration Number 3682748)

Responsibilities of directors

As explained more fully in the Trustees' Responsibilities Statement set out on pages 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates, and considered the risk of acts by the company that were contrary to applicable laws and regulations, including fraud.

We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focussed on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, the Companies Act 2006 and Accounting & Reporting by Charities SORP: FRS102. Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management, a review of minutes of Council and Board meetings held during and after the year under audit.

Health and Safety is another key area of compliance for the Society due to it holding public events. To ensure it meets necessary standards it has a contract with NFU Risk Management Services who carry out a site visit and prepare an action plan for the Society to implement.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
STAFFORD & BIRMINGHAM AGRICULTURAL SOCIETY LIMITED**

(Company Registration Number 3682748)

Prior to the County Show a visit was made by the Stafford Borough Council Events Safety Advisory Group who recommended the appointment of a professional Safety Advisor for the show which was implemented. The Society carries out risk assessments for key areas to identify and take steps to mitigate those risks. It also ensures that all statutory inspections of mechanised equipment in use on the site are carried out as required. We have inspected the action plan, risk assessments, inspection reports and relevant certifications as mentioned.

In addition we have confirmed that a DEFRA animal gathering licence is held by the Society which is a requirement where certain classes of livestock are brought onto the premises for shows or exhibitions.

There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it.

We did not identify any key audit matters relating to irregularities, including fraud.

As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2024**

1 Accounting policies

a General information and basis of preparation

Staffordshire and Birmingham Agricultural Society is a charitable organisation in the United Kingdom. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements.

The nature of the charity's operations and principal activities are stated in the Trustees Report.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b Basis of consolidation

These financial statements consolidate the results of the charitable company and its wholly -owned subsidiary, Stafford Showground Limited. The results of the subsidiary are consolidated on a line by line basis.

c Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

d Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

**STAFFORDSHIRE & BIRMINGHAM AGRICULTURAL SOCIETY
CONSOLIDATED**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2024**

1 Accounting policies (continued)

d Income recognition (continued)

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Income from trading activities includes income earned from trading activities (including the hiring out of the Showground) to raise funds for the charity. Income is received in exchange for services in order to raise funds and is recognised when entitlement has occurred.

Investment income is earned through holding assets for investment purposes such as property. It includes interest and rent. Interest income is recognised using the effective interest method and rent income is recognised as the charity's right to receive payment is established.

The company receives government grants in respect of the Job Retention Scheme. These grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the company will comply with conditions attaching to them and the grants will be received using the performance/accrual model.

e Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes expenses from the trading subsidiary
- Expenditure on charitable activities includes the costs of the shows
- Other expenditure represents those items not falling into the categories above.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants.

f Branch transactions

In accordance with the SORP Accounting & Reporting by Charities, branch transactions have been accounted for gross in the charity's own accounts and all assets and liabilities of the branches have been incorporated onto the balance sheet of the charity.

**STAFFORDSHIRE & BIRMINGHAM AGRICULTURAL SOCIETY
CONSOLIDATED**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2024**

1 Accounting policies (continued)

g Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Fixtures, fittings and equipment	- Between 10% and 33% straight line basis
Plant and equipment	- 15% straight line basis

h Property

The property held by the charity has mixed use and as the fair value of the investment property component cannot be measured reliably without undue cost or effort, the entire property has been accounted for as property within tangible fixed assets.

On adoption of the SORP 2015 FRS102 the charity has elected to measure property at its fair value as deemed cost.

The cost of buildings is being depreciated over a period of 10 - 50 years, the estimated useful life of the individual building. Depreciation is not provided on freehold land.

i Investments

Investments in subsidiaries are measured at cost less impairment.

j Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

k Loans and borrowings

Loans and borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method, less impairment. If an arrangement constitutes a finance transaction it is measured at present value.

l Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

**STAFFORDSHIRE & BIRMINGHAM AGRICULTURAL SOCIETY
CONSOLIDATED**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2024**

1 Accounting policies (continued)

m Leases and hire purchase contracts

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over the shorter of the lease term and the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease/contract liability using the effective interest method. The related obligations, net of future finance charges, are included in creditors.

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

n Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

o Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

p Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

q Critical Accounting Estimates and Judgements

In the application of the group's accounting policies, the trustees are required to make judgements, estimates and assumption about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis.

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are outlined as follows:

Depreciation of Tangible Assets

Depreciation policies have been set according to managements experience of the useful lives of the assets in each category and is reviewed annually.

Amounts due to the Stafford Showground Limited:	20,421	19,428
Amounts included in trade debtors	24,000	-

Staffordshire and Birmingham Agricultural Society was formed following the merger of Stafford Agricultural Society and Birmingham Agricultural and Exhibition Society Limited. All assets and liabilities of the two societies were transferred on 1 January 1999 to Staffordshire and Birmingham Agricultural Society at their book values. All such values were on a historical cost basis with the exception of the freehold land and buildings which were revalued as at 31 December 1998 using a current open market value basis as an operating entity having regard to trading potential by Chesterton Property Consultants (qualified chartered surveyors) on 13 May 1999.

The total transferred in the year ending 31 July 1999 was £1,749,765.

Mr C Meynell is a trustee of the charity and a consultant partner with Fisher German, Chartered Surveyors. During the year Staffordshire and Birmingham Agricultural Society paid professional fees of £15,460 (2023-£6,914) to Fisher German.
