THE CHARITY OF SIR THOMAS WHITE, WARWICK

REPORT OF THE TRUSTEES for the Year Ended 31 December 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

History and Governing document

The Charity is endowed by indenture dated 6th July 1551 and governed under the Scheme dated 10th January 2001.

The Charity is controlled by its governing document - a deed of trust - and constitutes an unincorporated charity.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

In accordance with the requirements of the Charities SORP, the Trustees continue to review the risks inherent in the Charity's activities and to ensure that systems exist to mitigate those risks.

Professional Advisers

The Charity engages professional advisers and their appointments are reviewed annually.

Trustee Meetings

During the year, the Trustees held two General Meetings, one Special Meeting and two sub-committee meetings.

Trustees

The Scheme provides for six Trustees. Were there a requirement for new Trustees, these would be identified and appointed by the remaining Trustees. The Chairman of Trustees is responsible for the induction of any new Trustee which involves awareness of a Trustee's responsibilities, the governing document, administrative procedures and the history and philosophical approach of the Charity. A new Trustee would receive copies of the previous year's annual report and accounts.

OBJECTIVES AND ACTIVITIES

Objectives and activities of the Charity

The Trustees' report and accounts for the Year Ended 31 December 2024 are presented and it is confirmed that these comply with current statutory requirements and the provisions of the governing instrument.

The Scheme provides that the Trustees must apply the income they receive from Sir Thomas White's Charity, Coventry, to the Warwick Independent Schools Foundation (now called Warwick Schools Foundation) which in turn utilises these funds for the education and advancement of children who or whose parents are ordinarily resident in the town of Warwick. Warwick Independent Schools Foundation comprises Warwick School, King's High School, Warwick Preparatory School and Kingsley School and the income received is used to pay either partially or in full the fees levied in respect of any children who meet the eligibility criteria.

The Scheme continues to maintain its original function when founded by offering interest-free loans to young persons wishing to establish themselves in business, or assist them to improve their existing business in the Town of Warwick. These interest-free loans are available up to £20,000 (subject to conditions). The applicant is required to attend an interview with an interviewing sub-committee of Trustees and to provide a guarantor/s to secure the loan. The loan is repayable by Banker's Order over a period of up to 5 years.

The Scheme also provides for making interest-free loans to young persons who or whose parents are ordinarily resident in the Town of Warwick, towards the cost to them of undertaking further education or vocational training. These interest-free loans are available up to £2,000 per year for each year of their course (subject to conditions). The student is required to attend an informal interview with an interviewing sub-committee of Trustees, and provide two guarantors to secure the loan. Repayment of the loan will commence 12 months after the final loan instalment has been paid to the student. This will be by Banker's Order over a period of up to 5 years (subject to conditions).

The Charity's primary purpose is the provision of interest-free loans to young people in Warwick. In order to achieve this purpose, it is essential that the Trustees maximise the value of the Charity's unrestricted reserves, thereby maximising the funds available to make loans.

THE CHARITY OF SIR THOMAS WHITE, WARWICK

REPORT OF THE TRUSTEES for the Year Ended 31 December 2024

Endeavouring to maximise local awareness of the Trustees' objective of making interest-free loans to students living in Warwick and to young person's establishing a business in the Town of Warwick, the Trustees have participated in the Warwick Charities' website. The website includes a home page for the Charity of Sir Thomas White, Warwick, and gives an indication of the history, objectives and activities of the Charity. Interested applicants are able to download from the website application forms for both categories of loan.

Procedures and policy for loan making

It is the Trustees' policy to keep a reserve of unrestricted funds available to meet future applications for business and student loans which can vary significantly from year to year.

The Trustees normally meet twice annually and an interviewing sub-committee is appointed to interview all applicants for student loans and business establishment loans.

ACHIEVEMENT AND PERFORMANCE

During the year, the Trustees have advanced twenty-three loans to students in Warwick either entering or already undertaking higher education.

PUBLIC BENEFIT

The Trustees have had due regard to the guidance published by The Charity Commissioners on public benefit and consider that the objectives and activities of the charity fulfil their requirement.

FINANCIAL REVIEW

In 2024 the balance of interest-free loans repayable has increased to £113,974 (2023 - £93,115).

During the Covid-19 pandemic, there was a noticeable reduction in the number of students who applied for student loans. However, a recent increase in the number of applications suggests this has now passed. The Trustees consider the financial performance by the Charity during the year to have been satisfactory.

INVESTMENT POLICY

The Trustees have considered the most appropriate policy for investing funds in conjunction with their objectives and the risks. Liquid funds are retained to cover short term needs and approximately 52% of the portfolio is invested in the COIF Charities Investment Fund as at 31st December 2024, with the balance of the portfolio invested within a range of collective investment funds.

RESERVES POLICY

It is the policy of the Charity to maintain unrestricted funds at a level which equates to approximately 9 months of unrestricted expenditure. This provides sufficient funds to cover management and administration costs. Unrestricted funds are maintained at least at this level throughout the year.

FUTURE PLANS

The Trustees intend to continue providing interest-free loans in a similar way to recent years and constantly review the appropriate annual amount to be loaned to student applicants.

ON BEHALF OF THE BOARD:

.....
Mr D.B. Stevens – Chairman of Trustees

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE CHARITY OF SIR THOMAS WHITE, WARWICK**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2024 which are set out on pages 5 to 12.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England & Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources. Loans offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from income tax and capital gains tax where income is used for its charitable purposes.

The charity is not VAT registered and therefore expenditure where applicable is shown inclusive of VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

14. GOING CONCERN

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist.
