REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

OBJECTIVES AND ACTIVITIES

Objectives and aims

1. To provide a centre for those aged 50 plus in Radford, the wider City area and Districts of Nottinghamshire. To give support to the people that are disabled, have cognitive issues, including dementia, mild mental health problems, are isolated, live alone or need other help.
2. To provide day care for the more frail and younger elderly who may have memory issues or who live with long term and debilitating conditions - including young onset dementia, in order to help them keep their independence and live in their own homes as long as possible - giving vital respite to their carers.

To support the improvement of both mental health and physical well-being

Volunteers

The charity is grateful for the unstinting efforts of its volunteers who are involved in service provision and fund raising.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The COVID-19 pandemic continued to have a significant impact on our activities during the year. We have not seen the numbers of people returning to day services as we had hoped for and this has had an impact on our income.

Whilst we had a steady increase in referrals, many service users have lost confidence and have not re-engaged with community services. Many deciding to remain indoors or withdrawn from social engagement - still shielding themselves and others. Others have unfortunately moved into long term care or their needs have increased to the point of being hospitalised or are relying far more on health services.

As referrals are delayed due to chronic social care challenges and delays in hospital discharge, we have worked hard to promote our services in the community. Sadly, for some, due to age and illness, their time with us has been limited. All increasing the costs to ourselves in completing more care plans and getting to know individuals for them to unfortunately move on, or worse. Overall, the situation is improving but more as a 'revolving door', whilst statutory services continue to struggle.

The lack of referrals at an earlier stage, when we can have more impact on an individual, has been a challenge to overcome. Earlier interventions will save local authorities and the NHS money in the longer term.

We have been constantly trying to engage with commissioners and heads of service to suggest ways of working closer together and to offer support.

We were being included for any capacity funding and staff retention grants given by central government but ongoing support is now minimal. The last financial support via the City Council was from the covid isolation support grant in May 2022 enabling us to support those who still remained at home, unable to access the centre and relying on carer support.

The other new challenge faced by our charity was the cost of living increases. Nottinghamshire County Council has provided quarterly support with the increase in energy costs, from October 2022 to March 2023 but there was no such support from Nottingham City Council. Other financial support for the cost of living increase came from the Asda Foundation.

During the year, encouraging financial support came from the Edward Gostling Foundation, Lady Hind Trust, J N Derbyshire Trust and Thomas Farr Charity, for which we are extremely grateful.

The Trustees wish to thank our staff, volunteers, service users and friends for all of their hard work and forbearance during what proved to be another challenging year. Supported Day Care continued to operate over five days per week and was solely funded by personal budgets and donations. Funding continued to be received for our Dementia Information Programme ("DIP") during the year, mainly by way of a small contract through Nottinghamshire Healthcare Trust.

Despite being located in the City and delivering this service to City residents/carers, we have still received no funding from the City Primary Care Networks or CityCare, (despite numerous requests), who previously supported the DIP between 2014 and 2017. However, programmes were delivered in the City once again during 2022/23, due to the 'goodwill' of Radford Care Group and other donors.

Our ArtSpeak project continued to deliver art, activities and friendship for Nottingham's 60+ community via workshops, online activities and organised visits. The funders, The Big Lottery, have now extended this project to May 2024.

Rental income continued to be received from The Rainbow Parent Carers Forum until November 2022, with the office space as well as the main hall in the building being available for hire, including over weekends.

Despite reduced attendee numbers which continues to be as a result of the pandemic, Radford Care Group continues to support up to 70 elders a week along with over 150 carers, both indirectly through day care services provided to their dependants and directly through our ArtSpeak and Dementia Information Programme.

RADFORD CARE GROUP

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 31 MARCH 2023**

FINANCIAL REVIEW

Financial position

The Statement of Financial Activities confirms an unrestricted fund loss for the year of £30,837, reflecting the challenges faced in the year but reversing the surplus (£35,263) that arose in the previous year, as was expected. The significant restricted fund loss for the year has simply arisen due to the spending of ArtSpeak and DIP monies received previously. In the case of ArtSpeak, the net spend in the year was £100,015, as project delivery continued and increased, post pandemic.

Reserves policy

The Trustees have reviewed the Charity's need for reserves in line with the guidance issued by the Charity Commission. The Trustees have also undertaken a financial risk assessment that examines potential liabilities (staff, contracts and leases) and assets (both current and fixed). Furthermore, the Trustees have considered future plans and the associated financial implications. The Trustees have, therefore, identified the need to retain an unrestricted fund of at least 3 months unrestricted expenditure. This reserve fund will be used to safeguard the Charity's service commitment in the event of delays in receipt of income from the provision of services and donations. The Trustees believe that reserves should be at least this level to ensure the Charity can maintain its core services and meet the needs of local older people, both now and in the future. The total amount of funds held at 31 March 2023 is £603,437 and includes restricted funds of £84,509. Unrestricted net current assets of £53,161 exceed the amount of 3 months unrestricted expenditure actually incurred post year end, which has reduced due to the restricted activity resulting from the COVID-19 pandemic. The Trustees will keep this matter under review.

FUTURE DEVELOPMENTS

As a well-established care provider, charity and non-profit making organisation, Radford Care Group continues to offer high quality services at value for money prices. Furthermore, we continue to develop plans to grow and offer a wider range of improved services to a wider group of older citizens and the wider community in our new, purpose-built facility. New opportunities continue to include partnership engagement with My Journey, a community investment company providing alternative transport solutions for our members. Castle Cavendish, a social impact company, have also been supporting us and this continued through into 2023. Their aim is to improve people's lives, by supporting the business community and the voluntary sector to grow and develop, enhancing the social and economic conditions for the wider community and we look forward to working with them. Self-Directed Support continues to bring many challenges, especially given the ongoing cuts to Nottingham City Council's annual budget, but the experience and quality services provided by Radford Care Group will ensure that we remain ideally placed to capitalise on the further opportunities that will follow as systems are reviewed and change. Radford Care Group therefore looks forward to working with Nottingham City Council, Nottinghamshire County Council, Nottinghamshire Healthcare Trust and Primary Care Networks and other partners in continuing to provide local citizens with a high-quality Centre for Care. Our main aim is to become a focal point for the community, not just for older people, and to provide a significant bridge between communities and statutory services in order to sustain every individual's well-being. It is hoped that being able to operate the centre seven days a week and introducing further partnerships with like-minded organisations will help to achieve this aim.

Looking forward, we need to forge more partnerships and collaborate with other charitable organisations and the private sector. Work is now being taken forward whilst we await the details of any new tenders with the City Council.

We have developed an action plan which focusses on increasing income levels via diversification and fundraising activities, so that less reliance is placed on SDS income but that the core charitable objectives are maintained. The CEO working with the Centre Manager, and with the support of the Trustees and Members, are already actioning aspects of this plan.

With good business acumen we aim to take the charity forward, delivering our exemplary services to the community and using our new building to engage more closely with the community, in turn raising our profile and revenues.

Finally, it is with great sadness that we announce the recent passing of our founder and lifelong President, Pauleen Davies MBE, at the age of 97. Pauleen was the initial driving force behind our charity and has been involved for over 50 years. She will be sadly missed.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

RADFORD CARE GROUP (REGISTERED NUMBER: 03580266)

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The charity has policies and procedures in place for the recruitment and appointment of all staff, volunteers and trustees.

Organisational structure

A Board of Directors manages the charity, which is supported by a small number of paid care and administrative staff together with a large number of volunteers.

Induction and training of new trustees

The charity has policies and procedures in place for the recruitment, appointment, induction and training of all staff, volunteers and trustees.

Risk management

The trustees have examined the major strategic, financial and operational risks which the charity faces and confirm that a risk action plan has been established so that the necessary steps can be taken to monitor and lessen these risks.

LEGAL STATUS

The company is governed by the Memorandum and Articles of Association.

The company is limited by guarantee. Members are liable to contribute to the assets in the event of being wound up to a sum not exceeding £5 per person.

PUBLIC BENEFIT

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. The objective of the charity and details of who and how the charity has helped can be found on page 1.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also directors of Radford Care Group for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by order of the board of trustees on 19 October 2023 and signed on its behalf by:

P Handley - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF RADFORD CARE GROUP

Opinion

We have audited the financial statements of Radford Care Group (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
RADFORD CARE GROUP**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF RADFORD CARE GROUP

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Exercise professional judgment and maintain professional scepticism throughout the planning and performance of the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion;
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Make enquiries of management and those charged with governance of any instances of non-compliance with laws and regulations and of any actual and potential litigation and claims;
- Review financial statement disclosures to supporting documentation to assess compliance with applicable laws and regulations

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes form part of these financial statements

RADFORD CARE GROUP

NOTES TO THE FINANCIAL STATEMENTS **FOR THE YEAR ENDED 31 MARCH 2023**

1. STATUTORY INFORMATION

Radford Care Group is a charitable company incorporated in England within the United Kingdom. The address of the registered office and registration numbers are given in the report of the trustees administrative information on page 4 of these financial statements.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Going concern

The Trustees have assessed the balance sheet and likely future cash flows at the date of approving these financial statements and are of the opinion that all foreseeable debts can be met for a period of at least 12 months from the date of approval.

During the year under review, the COVID-19 pandemic continued to be a significant risk to the global economy. The Trustees continue to monitor the impact on the business of the charity on an ongoing basis. At the time of approving these financial statements, the Trustees do not consider COVID-19 to impact the charity's ability to continue as a going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has legal entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustee's report.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold buildings	- 2% on cost
Fixtures, fittings & equipment	- 10% on cost

Tangible fixed assets are stated at cost or valuation less accumulated depreciation. Cost includes costs directly attributable to making the asset capable of operating as intended.

Computer and office equipment costing below £500 are written off in the period in which they are purchased.

RADFORD CARE GROUP

NOTES TO THE FINANCIAL STATEMENTS - continued **FOR THE YEAR ENDED 31 MARCH 2023**

2. ACCOUNTING POLICIES - continued

Stocks

Stocks are valued at the lower of cost and estimated selling price. Provision is made for damaged, obsolete and slow-moving items where appropriate.

Debtors and creditors

Debtors and creditors receivable or payable within one year are recorded at transaction price.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

3. OTHER TRADING ACTIVITIES
