Chairman's Report 2024-2025

At the end of my second year in the role, I have the pleasure of presenting the Chairman's Report for Riding for the Disabled, Rossington Hall Group, Doncaster, for the year April 2024-March 2025.

We continue to provide accessible riding and horse care lessons to both adults and children with special needs, five days a week. By running into the evenings, we enable a greater proportion of the local communities to experience the physical and mental benefits of being around horses, whilst they learn new skills and make new friends.

Special thanks go to our dedicated team of coaches and volunteers who not only share their knowledge and expertise to run the lessons but also provide daily care for our horses and ponies and maintain the field hygiene. During the year our two new coaches, Linsey and Lisa earned their qualification as a Group Coach.

Our herd has remained stable with no new equines joining it and with none moving on. Some have on going niggles with their health, but all have received appropriate care and attention as necessary to maintain their health and well being. Some have required time off but have returned to sessions once fully fit.

The support of our families, local businesses, groups, and organisations has never been more vital for our survival. The rise in the cost of living has hit hard. Along with a very dry early Spring requiring the use of forage usually reserved for the winter months and increase in costs of services and supplies, this year is potentially going to be a very expensive one.

Some of our fund-raising activities have become annual events. Thank you to all those who attended our Family Fun Dog Show in September and our Rossington RDA Quiz Night in November, kindly hosted by Armthorpe Coronation Working Men's Club. We were welcomed at the Golf Tournament at Doncaster Golf Club, with the Group's Trustees providing refreshments at the Halfway House. A team of keen quizzers attend Quiz Nights arranged by the local Doncaster Rotary Club, who run them twice a year to raise funds for us. We are not quite ready for University Challenge or Eggheads, but we deserve 10/10 for enthusiasm and persistence. A team of swimmers entered the Swimathon organised by the Rotary Club of Retford again. Torne Valley continues to support us with hay and equine related products. Global Herbs for supplements and the Friendship Estates for the supply of HorseHage. Champion Hire kindly lend us the use of a heater to warm the waiting area during the colder months.

Steve Halsall Electrical Contractor supplied us with the two new outside flood lights, improving safety and security especially during evening sessions. Winvic Construction kindly funded and produced some new banners and, a generous donation from Tickhill Lions purchased and fitted new kickboards in our arena,

making it safer for our riders. Painting of the kickboards was done by RDA volunteers, trustees and volunteers from Tickhill Lions. The refurbished arena was officially opened by Tickhill Lions at our August Open day. With a grant from Screwfix Foundation all our arena lights were replaced with updated LED ones, plus the addition of spotlights in our darker corners. In the Autumn, the college did work on the carpark, drilling holes and filling them with seaweed to reduce the risk of flooding. A grant from Well Doncaster (Doncaster City Council) provided funding for the dressage mirrors, folding tables and horse anatomy posters for the education corner and new rugs for our horses and ponies. A team from the Department of Work and Pensions spent a day repainting the shelters and clearing the ground around the feeders.

Individuals making craft items to sell, decorated horseshoes, sponsored sporting activities. Pieces of art donated by Eleanor Tomlinson and Melissa, one of our riders and a donation from the Mexborough and District Rotary Club. We aim to include a note of thanks to supporters in our Newsletters around the time of their donation. I couldn't possibly mention everyone in this report, although I have tried, but everything helps and whether your donation is pennies or pounds we are incredibly grateful for all the support we receive.

Finally, a huge thank you to all the Trustees who give their time freely and willingly, especially Ann the Treasurer, Sharon the Secretary, and Craig our Health and Safety expert/maintenance guru and all the other trustees who all work tirelessly to maintain the smooth day to day running of the group. Mary continues to run her bric-a-brac stalls earning money for her famed Carrot Fund, and Jean is always happy to step in when extra support is needed at the Golf Day and quiz nights although both officially retired from the trustees. Thank you to Sue and Roy Hobbs who continue to spend their weekends mending fences and providing maintenance to the field shelters. Our little herd of eight keep them very busy.

Chairman's Report 2023-2024

At the end of my first year in the role, I have the pleasure of presenting the Chairman's Report for Riding for the Disabled, Rossington Hall Group, Doncaster, for the year 2023-2024.

Over the past year we have continued to thrive, providing accessible riding and horse care lessons to individuals with special needs, both adults and children, during the day and evenings. We enable a greater proportion of the local communities to experience the physical and mental benefits of being around horses whilst they learn new skills and make new friends. It's not only the clients that benefit. Special thanks must go to our dedicated team of coaches and volunteers who also get great pleasure from assisting at sessions and providing daily care for our horses and ponies, and maintaining the field hygiene, whatever the weather. What would we do without them?

This year we have been able to make a few improvements to our facilities with the help of our supporters. Craig continues to amaze with his handy man skills by producing a new contained poo heap in one of the fields, fixing Perspex sheets to the gallery area to keep the noise, wind and rain away as well as the routine day to day repairs. Mud mats were laid to improve ground conditions with funding from Retford Inner wheel and the Mud Mat Appeal. We have purchased a new horse, bringing our total to eight. Our Open Day gives the opportunity for individuals who adopt our horses and ponies to meet their chosen equine.

We would not be able to continue to provide our service without the on-going support of our families, local businesses, groups, and organisations. Some activities have become annual events. Thank you to all those who attend our Family Fun Dog Show, a little less intense than Crufts but equally as competitive. We are always made to feel very welcome at the Golf Tournament at Doncaster Golf Club, with the Group's Trustees providing refreshments at the Halfway House. We do try to put a team forward at Quiz Nights arranged by the local Doncaster Rotary Clubs. Although, this can involve a little gentle persuasion, until the excellent pie and peas supper is mentioned. The Swimathon organised by Retford Rotary Club takes place in March to which we send a team of our very best swimmers and Torne Valley continues to support us with hay and equine related products.

We always include a note of thanks to supporters in our Newsletters around the time of their donation. I couldn't possibly mention everyone in this report. The raffles, Christmas jumper competition entrants and purchasers of calendars are all as valuable to us. Whether your donation is pennies or pounds we are incredibly grateful for all the support we receive.

Thank you to all the Trustees, Ann the Treasurer, Sharon the Secretary, and finally, just in case we do let her retire in the next year, a huge thank you to Mary for her famed Carrot Fund, and for organising a live music evening at Fishlake which was enjoyed by all who attended.

Sharon

CHAIRMANS REPORT 2022 -2023

I am pleased to present the Chairman's Report for Riding for the Disabled, Rossington Hall, Doncaster, for the year 2022-2023, highlighting our achievements and endeavours.

Over the past year, our charity has continued to provide therapeutic riding and equine care experiences for individuals with disabilities. This through our dedicated team of Trustees, Couches and Volunteers, ensuring a safe and comfortable experiences for all our riders.

As well as our regular riding sessions through the day, we now have evening sessions to enable children of school age to attend. In addition, Rachel Shaw holds Hippotherapy classes every Saturday.

Financially our group has remained stable through prudent management and fundraising initiatives - a Swimathon was held in March, a Dog Show and Golf Tournament in September (A big thank you to Jeff Rennison and his wife for organising the Golf Day). An Open Day was held in May, which proved popular with visitors.

I'd would like to thank organisations for their continued support - Thorne Valley, Rotary Club of Doncaster, Rotary Club of Retford, EDF Energy. Thank you to all other groups and individuals that have given donations to the group.

The National Horseracing College our base has continued to support and help our group and I would like to thank them.

However, our outgoings keep rising. The usual vet, dentist, farrier and feed costs, plus maintenance and repairs. Insurance, rent and services. Also wages for our two coaches

The most important thank you has to go to our team of dedicated Volunteers who attend 365 days of the year, we could not provide the service without them.

I would like to say a special thanks to our Treasurer Ann Jones, to Sharon and Craig Greenaway and all our Trustees for all their help and without whom we couldn't function!

Thank you everyone for your support. I look forward to another great year for us all and for our Horses and Ponies.

CHAIRMANS REPORT FOR 2021/2022.

Dear Trustees,

This is the third year of my Chairmanship, and it's flown by.

May I say a huge thank you to all the Trustees, coaches and volunteers for all their dedication and hard work. All of whom, in some way, care for our clients, our horses and ponies, and who help maintain our fences, shelters and paddocks.

The Covid situation has relaxed, and R D A Rossington Hall is back to normal, albeit with slightly different sessions. Term time weekdays as usual, but now with our coaches holding evening classes. Rachel Shaw holds Hippotherapy sessions on Saturdays.

We have said goodbye to a few of our horses and ponies and have welcomed new ones!!

There have been fund raisers - 2 Dog shows, and a Golf Day (our main fund raiser).

Also many donations from - Our friends at Torne Valley - for hay, straw and tack Lucy Usher Aggregates, Curleys Athletes, Rotary Club Quiz Night, Doncaster St Leger Inner wheel Club, Rotary Club St Georges (hats and reins), Hunster Ladies (blanket for Daisy), SPL Powerlines and VMS (fencing),

We continue to raise funds through the 100 Club and adoptions.

This seems like a fair amount of monies coming in, BUT our expenses are high. These include - wages (for coaches) , and for our horses and ponies - vet and dentist costs, Farrier fees and for feed and bedding. We have ongoing costs of Insurance, rent and services.

I would like to add a special thanks to our Treasurer Ann Jones and to Sharon and Craig Greenaway for all the help they have given me throughout the year

I look forward to another great year for us all and our Horses and Ponies.

RIDING FOR THE DISABLED

ROSSINGTON HALL GROUP, DONCASTER. CHARITY 1074139.

CHAIRMAN'S REPORT FOR 2020/2021.

Dear Trustees,

This is my second year as Chairman and it seems to have passed quickly. I would like to thank you all for your continued support.

It will be a short report because we were in Lockdown due to the Corona Virus, from 16th March 2020. This relaxed a little bit but then another Lockdown in December! A Third in January!!.

I would like to give sincere thanks to our Coaches and Volunteers for their amazing work during the difficult period. They ensured that our Horses and Ponies were cared for - fed, watered, exercised and healthy.

In June 2020, we were allowed to train parents/ carers, as sidewalkers (Volunteers not allowed due to social distancing). We have worked through various phases, until in January we started back with reduced numbers.

Due to the situation we were unable to hold any fundraising events except one - our Annual Charity Golf Day. This was held on the 15th September 2020. It was sponsored by Vertu Honda, and raised a magnificent £4,000. Many thanks to Geoff, Liz and Amie Rennison for organising it. Also thanks to our members for their help on the day. We continued to raise a little money from our 100 Club, which helped.

Torne Valley donated a much needed Ring Feeder and we are grateful for their continued support. I would also like to thank D.S. Paddock Care for donating their time to erect new fences, which replaced damaged ones.

I look forward to next year and hope we can welcome riders back, and say goodbye to Covid!!

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/members of RIDING FOR THE DISABLED ROSSINGTON HALL GROUP

On accounts for year ended

31 - 03 - 2021

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for the year (under section 43 (2) of the charities act 1993 (the act) and that an independent examination is needed.

It is my responsibility to:

1. Examine the accounts (under section 43 (a) of the act
2. Follow the procedures laid down in the general directions given by the Charity Commissioners (under section 43(7) (b) of the act and state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures I followed are set out in my opinion on the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 41 of the 1993 Act : and
to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act have been met : or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed
