The principal objects of the charity are to:

- ii) Relieve persons in conditions of poverty, sickness and distress; and
- iii) Protect and preserve public health.

### **Main activities during the year**

#### **1. Year 2023 -2024**

All the individual churches within the organisation hold weekly in person services in their buildings. However, the churches within the organisation have continued their use of internet and media technology, developed during lockdown and beyond, to be able to maintain both contact and the spiritual wellbeing of their members and the wider communities that they serve.

Assemblies within Rejoice (Jabula) New Life Ministries Europe & Asia continue to hold Annual Thanksgiving and Anniversary Services, which fall at different times throughout the year. These are supported by the Jabula churches within their region and also by other local assemblies.

#### **2. Annual Leadership Conference**

The LOUD 2024 Conference took place this reporting year. The theme was "Abundance & Overflow". This was held from Friday 31<sup>st</sup> May to Saturday 1<sup>st</sup> June 2024. The keynote speakers were Bishop Roberts (USA), Bishop Ballakistan (RSA), Apostle Morgan – Scott (USA) and Pastor Quintanilla (UK).

This was well supported by members of the church communities and people from outside.

On the Friday evening there was leadership training with Bishop Roberts. For the Sunday morning services, those ministers available were deployed to various churches in the organisation.

Plans are in place for the LOUD 2025 Conference where the founder and chief executive of Jabula International, Bishop Tudor Bismark will be the keynote speaker. This will be held Friday 30<sup>th</sup> – 1<sup>st</sup> June 2025.

#### **3. Leadership Training**

In November 2023, Bishop Hugh Daniel Smith, Presiding Bishop of Jabula International visited Birmingham to provide Leadership Training for Jabula Pastors & Leadership. He ministered at the Sunday service at New Jerusalem Community Church.

#### **4. Worldwide Ministry**

## **Trustees' report for the year ended 04 November 2024 (continued)**

Members and Affiliates continue to be involved in philanthropic outreach both in the United Kingdom and abroad (particularly in Asia). The ministry in India whilst growing, continues to be reliant on funding from the charity for its work, supported by the generous giving of individual church members and assemblies.

A number of local churches in the UK assist the churches in India and the local orphanage and school.

## **ACHIEVEMENTS AND PERFORMANCE**

### **Key Member and Affiliate Achievements in the Year**

1. New Jerusalem through both its church and Transformation centre continue to impact on the local communities of Aston and Nechells. Particularly to the local schools and young people, but also to all people who need support. A fully functioning Foodbank continues to be available 3 days a week, also working with several other local agencies.

However New Jerusalem continues to look to partner with other community organisations to maximise both the physical building and the skill sets of our members, building on the partnership in place with the Community Empowerment Agency below.

The focus on the arts for young people is also evidenced with a fully operational recording studio being available.

The church regularly supports its youth members, both during the school year and those who are studying at university, especially those who are located away from Birmingham area.

One of our Elders continues to serve on the Board of the local regional health authority.

Two of the ordained Ministers at the church continue their permanent roles in a local prison and hospital respectively. A third heads up a Community Empowerment Organisation which provides mental, spiritual and practical support particularly for youth and young men.

2. Several of the Jabula churches in the UK support Bishop Samuel, his orphanage and his affiliated churches in India.

3. Bishop Designate Memory Tapfumaneyi of the Oxford church continues as the Chairperson for the Oxford Pastors Forum.

4. Place of Refuge in Croydon continue to run a foodbank in conjunction with other local churches and also support the Mediation Service in the local Croydon community.

5. The Jabula Churches also support the Annual Samaritans Purse shoe box initiative, providing Christmas presents across the world for children who would not otherwise receive.

6. Restorer Christian Centre have purchased and renovated their own building in Oldbury, operating services and support to the local community.

### **The Charity's Growth and Future Developments**

#### **1. Progression**

The policy of training other senior Pastors within Jabula to carry out required duties within the body in support of Bishop Brooks has continued this year almost exclusively by Zoom. Bishop Brooks has utilised the technology to actively support the Jabula membership and the Pastors to continue supporting their church members and their local communities. His use of technology has allowed his influence to be felt worldwide.

## **Trustees' report for the year ended 04 November 2024 (continued)**

Similarly technology has allowed our international leader, Bishop Hugh Smith and other leaders worldwide to project services, leadership training and other educational content to the wider Jabula communities.

2. The organisations policy of supporting its member and affiliates in their personal and spiritual development has continued. Bishop Brooks undertakes appraisals and identifies training needs for the member Pastors often providing said training on a one-to-one basis, utilising Zoom and other technologies.

### **3 Future Planning and Direction.**

The proposed plan for the next 3 years, originally to 2023, has been rolled forward to 2026 and is as follows:

- Revisit Constitution, make changes to the functions.
- A personal assistant to be assigned to Deputy International Prelate of Rejoice New Life Ministries (Jabula)
- Our target of 30 churches within the UK remains.
- To acquire an independent office which would be utilised as Jabula Headquarters UK within will also be a church.
- Employ a part time Administrator and Book Keeper
- Church Governance - recruit new trustees from Education and Health industry (mental health)
- The development of a Bible School for Rejoice New Life Ministries (Jabula) – to expand the gospel – has commenced.
- The establishing of empowerment ministries for Men, Boys and young Ladies and the bringing in of specialist teachers and trainers s ongoing.
- Hold a Regional Loud Conference which covers the above objectives
- Develop fundraising to meet executive objectives (new building)
- Establish parenting training (help children) and pre-marriage retreats
- The Southern Region to be divided into three areas (based on growth), with three key leaders

The above are constantly under review given the current local and worldwide situation.

**INDEPENDENT EXAMINER'S REPORT  
FOR THE YEAR ENDED 4<sup>th</sup> November 2024**

---

**Independent Examiner's Report to the Trustees of Rejoice (Jabula) New Life Ministries**

I report on the financial statements of the company for the year ended 4<sup>th</sup> November 2024 which are set out on pages 9 to 10.

This report is made solely to the company's Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's Trustees as a body, for my work or for this report.

**Respective Responsibilities of Trustees and Examiner**

The Trustees, who are also the directors of the company for the purposes of company law, are responsible for the preparation of the financial statements. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed. The company's gross income did not exceed £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

Having satisfied myself that the company is not subject to audit under charity or company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) (b) of the Act; and
- State whether particular matters have come to my attention.

**Basis of Independent Examiner's Report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**INDEPENDENT EXAMINER'S REPORT (continued)**  
**FOR THE YEAR ENDED 4<sup>th</sup> November 2024**

---

**Independent Examiner's Statement**

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in, any material respect, the requirements:
  - To keep accounting records in accordance with section 130 of the Charities Act;
  - To prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
