All Trustees of the YCA have been elected to positions through our recruitment policy and follow an agreed code of conduct. We have undertaken DBS checks carried out before the commencement of employment as a volunteer or trusteeship. All other volunteers for the association have been employed following the same process. All trustees and volunteers give their time voluntarily and receive no remuneration or other benefits.

We have a Child Protection Policy, and incident reporting procedure should we require assistance to protect our children. The YCA hold a Photography and Film policy to ensure a safe sporting environment for children and young people for the appropriate use of images in resources and on the internet. We are registered with the ICO Information Commissioners Office which guides how to protect and store information regarding our dancers under the Data Protection Act.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To provide out of school activities for the recreation and leisure time occupation of young people, in the interest of social welfare and by the provision of training and performing with a troupe of majorettes.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, we keep in mind the Charity Commission's guidance on public benefit at our trustee meetings.

The focus of our activities is to promote dance and music activities, mutually support and come together with our members. We work together with established majorette teams that participate in YCA competitions and events and enjoy our social media.

This benefits all children, young adults, and adults by developing their self-confidence, social skills, interacting and bringing together new friendships and sharing their majorette skills. We welcome all people regardless of personal background, faith, gender, disability or personal circumstances and we believe this philosophy of openness to all enriches everyone through the sharing of the skills and aptitude for our members and volunteers.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making.
- policy programme related investment.
- contribution made by volunteers.

A great contribution is made by the YCA member volunteers and troupe leaders. We are grateful for the many hour's volunteers have spent encouraging children through dancing and building relationships. We have spent time listening to our members and making changes that are necessary to improve the charity. Without this valuable contribution of time, energy, and expertise we would not have been able to achieve so much success as a charity.

Summary of the main achievements of the charity during the year

The YCA has developed a strong work ethic towards learning by example which promotes a stable peer relationship whilst out of school.

Our 2022 season has been very successful following the Covid pandemic. We were very cautious about our events going ahead due to them being large group events, however, due to the safety measures we introduced, they were run safely and effectively.

We held 9-day competitions throughout 2022 ranging from March to October attracting between 700 and 1000 people to each event. Various majorette troupes attended with some travelling great distances, we had troupes attend from Dewsbury, Batley, Heckmondwike, Bridlington, Kendal, Leeds, Wakefield, and Horbury.

Our end-of-season finale competition is held at The Spa, Bridlington, East Yorkshire. Our event is held over 4 days and has been a huge success and very much missed by everyone throughout the pandemic. During the day we have the majorette and pom competitions, and, in the evening, we hold entertainment nights where troupes socialise and relax together in a safe environment. We also have Solo and Duo competitions at this event which is thoroughly enjoyed by the members.

Our fundraising includes raffles, numbers boards, and the Pound in the Bucket challenge, we also raise some funds from the sale of competition wristbands.

Section E

Financial review

Brief statement of the charity's policy on reserves

Our starting balance for 2022 in the charity bank account was £9752.73. The intention for this amount is to buy trophies, medals, and gifts for the upcoming 2023 season and any other costs that we may need to spend for the charity to function e.g. laptops, printers, stationary etc.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising).
- how expenditure has supported the key objectives of the charity.
- investment policy and objectives including any ethical investment policy adopted.

Our principal source of funds comes from teams, parents of dancers, majorettes and supporters who pay entry fees into our competitions both to dance and to enter the events. We have previously applied for grants; however, we did not do so in 2022.

We always try to obtain the lowest prices for everything we buy to keep the costs low for those involved in the YCA.

Most of the income is applied to the awards, certificates, venue costs and the association's costs.
